P. F. Kuhlman, chairman of the Festival Party, closing the Mount Vernon House activities to be held at the Paradise ballroom on November 28 is selecting his committees for active duty at the ballroom. Cards and dancing, with music by Emil Flindt and the Varsity Crew, will provide the entertainment. Special consideration will be given to the older folk who may wish to dance. An air of mystery surrounds the plans for the party and there is every evidence that there are some surprises in store for those attending the affair.

November 28 will be the last day that the Mount Vernon House is open to the public. It is located at 345 North Malden Ave. in the suburb, and the visiting hours are from 10 a. m. to 9 p. m.

DE SOTO'S NEXT MEET WILL BE A 'THRILLER'

2-4 Fri. . . . . Clark and Belmont

Well, here it is Tuesday evening already and we scarcely have time to dash off a few lines before the printer's deadline. It shouldn't be hard to scribble off the little news that found its way to our portals. A telephone call to G. K. Scanlan hasn't helped the news situation any; he's still trying to dig himself out from under heaps of furniture at his new home.

Our D. G. K., Frank Fitzsimmons, has no news. He is probably still dashing around the stage at Loyola Community Theater in various disguises. The members are busy figuring out ways and means of raising that bowling average and consequently can't find time to assist the scribe—and here we are with a fresh pad of paper and our fountain pen filled with ink and very little to write about.

The meeting of Nov. 14 promises to rival the recent Harvest Party for excitement and entertainment, for Lecturer Irv. Schultz and his committee have arranged to stage novel horse races in the council chambers on that evening. Every member in attendance will be able to join in the fun.

Don't miss this meeting, it will be entertaining in more ways than one. P.S.—Irv. Schultz requests that the members refrain from discussing the horse races outside of the council chambers as he doesn't want the local police captain to hear about them for fear of a raid.

Warden Joe Cella, De Soto's chairman in charge of the ticket sales for the recent Chicago Chapter Charity Ball, wishes to thank the officers and members for the splendid support and cooperation extended him. He states that although the final count has not as yet been tabulated. De Soto is well up among the leaders in sales with 35 patrons and 120 tickets sold.

G. K. Eugene P. Scanlan has been kept busy the past few weeks trying to acclimate himself to his new home. He may now be reached at 1510 Glenlake Ave., telephone Hollycourt 9081.

De Soto's membership drive was slowed to a walk by the recent degrees, but according to the note received from Chancellor C. J. Strehlow, he'll be back on the firing line at our next meeting. Candy extends his congratulations and appreciation to the charter members of the "11" Club, which numbers among its members Bros. Joseph Gottman, Dr. H. R. Casolary, Frank Huster, E. P. Scanlan, Carl Stoegbauer, Thomas Diver, William Jackson, William Sheehan, Ed. Cremerius, Richard Smith, Ray Horn, Francis Garrity, Joseph Kramer, H. A. Hageman, V. L. Braband and Irvin Schultz.

These members are the pioneers of Candy's "Back Into De Soto" movement now gaining momentum in the council. Candy needs only 19 new members to reach the goal set for 1941 and requests those brothers who have promised him a new member to present their applications at the meetings of Nov. 14 and 28. so that the candidates may be initiated on Dec. 4, which will be the last opportunity before the first of the year.

De Soto extends its sympathies to Bro. Herman Stark on the recent death of his brother.

We are happy to hear that Mrs. E. J. Sullivan, wife of P. G. K. Ed Sullivan. is up and around again. She recently suffered a knee injury which incapacitated her for some time, but according to last reports is enjoying a speedy recovery.

Young men, if it's the West you crave join the army. At least that is the means by which Bro. Ed. Vogt is enjoying the sunny California climate. Bro Ed's address is Company C, 78th Infantry Training Battalion, Camp Roberts, San Miquel, California. Drop him a line.

All De Soto is cordially invited to attend the Card Party being sponsored by the Baldric and Sword Club at the home of Bro. Ed. Connell, 4015 N. Monitor Ave., on Saturday evening, Nov. 15. Tickets are 35 cents. Proceeds of the affair will be contributed to De Soto's Xmas Cheer Fund. This party merits your support; plan to attend.

We see that D. G. K. Fitzsimmons numbers among his accomplishments that of being a radio speaker. Frank recently took part in the New World Radio Hour broadcast over Station WGN.

Ouilmette's Minstrel Show to Be Presented Next Sunday, Monday

2-4 Mon. . . . . 1215 Wilmette Ave.

By this time we feel that the brothers have stopped talking about the Hallowe'en Party and begun to concentrate on the Minstrel Show next Sunday and Monday.

From the reports still coming in, the Hallowe'en Party must have been a smashing success. We hear that Bros. Art Meier, Edmund Schneider, Chubby Leis, "Mr. Hitler" Pearson, among others, had a particularly enjoyable evening. Come and see these same outstanding personalities and many others in the Minstrel Show next Sunday or Monday evening.

There will be two performances on Sunday, one at 3 in the afternoon and the other at 8 p. m. There will also be a performance on Monday evening at 8 o'clock. The place will be the St. Joseph's School Auditorium at Ridge and Lake Ave., Wilmette.

P. G. K. Ed Cunningham, very able chairman of the production, respectfully requests as many as can possibly do so to come on Monday night rather than on Sunday because of the large amount of tickets sold, all of which refer to the Sunday night performance. All tickets will be good for either night.

Come early and avoid the rush for choice parking spots, both outside and inside the auditorium. From the snapshot previews enjoyed by your most humble servant, we warn you that this show should roll 'em in the aisles. So long, brother, be seein' you at the show.

Franciscan Friars Who Accompanied Columbus Honored in New Book

More than 700 friars of the Order of St. Francis of Assisi who labored as missionaries in Spanish Florida and Cuba are honored in the "Biographical Dictionary" whose author is Rev. Maynard Geiger, O.F.M., Ph.D., of Old Mission Santa Barbara, Cal.

Probably few know that the activity of the Franciscans in the New World had its beginnings in the Caribbean area. On the second epochal voyage made by Columbus, he and his men were accompanied by friars. Their missionary work began in Hispaniola. Fr. Geiger states that "Later, with Santo Domingo as its center, the Province of the Holy Cross was formed. This Province included the territories of Hispaniola, Cuba, Florida and Venezuela. It was the Province of the Caribbean."

Franciscans arrived on the Florida coast in 1573, when members of the Order came from Spain and settled at Santa Elena in the region now known as South Carolina. This foundation did not thrive and eventually was terminated. Yet it served as the beginning of Franciscan work in a section later to grow into a province. Fr. Geiger says of its subsequent development:

"Before 1600 the title of custodio was given to the prelate of the friars in Florida. Cuba still belonged to the Province of the Holy Cross. In 1609, Fray Bernardo de Salva, commissary general of the Indies, in a patent dated November 18, informed Fray Pedro Ruiz, then in Spain, that Florida and Cuba were to constitute a single custody. This was done for the purpose of administration. Father Ruiz was named custodian of the enlarged custody. This arrangement was confirmed by the king, at Lerma, in 1610. The provincial of the Province of the Holy Cross, however, opposed this division. Finally the matter was ironed out, and on May 5, 1611, at Santiago de Cuba, Florida and Cuba became a custody de facto as well as a de jure."

Soon this custody was raisd to the dignity of a province. This action came at the General Chapter of the Order, held in Rome in 1612. Fray Juan Beautista Capilla became the first provincial . . . The first Chapter of the newly formed Province was held in December of 1616. The area of the Province included Spanish Florida (Florida, Georgia and South Carolina) and Cuba.

In 1597 an Indian revolt destroyed the missions and brought to a temporary close the work of the friars in Georgia. By 1606, however, they had regained their lost territory. Numerous Indian conversions resulted from the unselfish labor of these religious.

Franciscans entered Pensacola and toward the end of the 17th century sent a mission to the Carlos Indians in the southern part of the peninsula. This mission was not successful.

In the "introduction" to his book, Fr. Geiger traces briefly the missonary work of these pioneers. Alphabetically arranged, their names are presented, together with a concise account of their work where the data was available.

Cleveland K. of C. Will Outfit New C.Y.O. Home

Cleveland's Catholic Youth Organization will soon be using one of the most unique estates in the nation. The former Timken property on the Lake Shore boulevard has been purchased by the Diocese of Cleveland for $155,000. It was once valued at $1,125,000. The outstanding feature of the estate is the great five-story steel sphere, which was erected to treat diabetes sufferers under pressure, a theory of the late Dr. W. H. Cunningham.

The steel sphere, connected to the main building, is 64 feet in diameter and has 38 bedrooms, each with private bath. The top floor is a large recreation room. Two horizontal steel pressure tanks connect the administration building with the sphere. The Knights of Columbus in Cleveland will sponsor the rehabilitation of the property.

St. Paul Is Planning Perfect Program for 'Lads and Dads Nite'

1-3 Tues. . . . . 6713 Olmsted Dr.

"HOW SOON WE FORGET" could have been the title of the short sermon given by our chaplain during the celebration of the Mass in St. Paul of the Cross Church this morning. How appropriate the sermon was could have best been attested to by those of our council who had "forgotten to remember" that this was the Sunday which had been designated so that we could gather, in a body, to pray for the repose of the souls of our brothers who have passed into the great beyond. Yet there was a fine attendance at the services and all credit is due those who didn't find it too difficult to help make the showing what it was.

Time is, indeed, passing swiftly and we see in the schedule prepared by the lecturer that the meeting night of Nov. 18 will be "Fathers and Sons Night." The principal entertainment will consist of a showing of the movies "From Trees to Tribunes" but the refreshments; Ah! the Refreshments! Lecturer Joe McDowell is a favorite with the youngsters and is planning with such care that not one will be disappointed. Bring up those sons of yours to the next meeting and let them get acquainted with each other.

Hard on the heels of the next meeting night will be the "Fall Festival and Harvest Party." We do not have any dope as yet about this affair but promise to have something in the next column. We do wish to remind you that, while the details are not yet available, you should reserve Saturday night, Nov. 22 for a date with your "best girl" to attend this annual council Fall-time frolics at which everyone is assured a wonderful time.

It won't be long now until you will be reading "so many shopping days before Christmas." We have been informed that the committee, headed by D.G.K. Eddie Simon have gone a long way toward securing the needed things for our Christmas party. This year, as in years past, the committee will send out request for information cards to the council membership. The information desired by the committee is the number of children, specifying their names and ages, whom you will bring to the party so that the committee can intelligently arrange for suitable gifts to each child in attendance. Please be sure to cooperate with the committee by sending these post cards, with complete information, without fail and without delay.

Don't you believe it Rochester-tailored Overcoats are NOT always expensive!

ED MURPHY

That's the way it used to be. *But no more—if you know your way around!* Not so far back, MR. BIG was the only citizen who could afford that luxury—*a Rochester-tailored overcoat.* He selected it in red plush surroundings, *paid plenty,* and wore it with a proud swelling of the chest. And rightfully so. A Rochester-created overcoat was—*and still is*—the masterpiece of tailoring art. Well, this year *you* and *you* and *I* are going to join Mr. Big in the enjoyment of Rochester's suave style and skillful needlework. *And we're going to do it at Bond's—without fancy prices!*

Pray for the Dead

The fall of autumn leaves brings sad memories. It recalls our own life which so often has been as fruitless as the sere and yellow leaf. We think of hopes that are lost. Reflecting upon our littleness we think with more gratitude of the goodness of God. We also think of others. The Church again shows her wisdom in appointing the month of November for the devotion to the souls in Purgatory.

The Church is a real mother of souls. She not only teaches the eternal truths, preaches the Infinite Justice of God, but she also loves her own with the sympathetic heart of a mother; she follows them even beyond the grave. Each of us has our treasures among the dead. In November, we think of them more kindly than during the other times of the year. To pray for the dead is the greatest of all Christian charities. None of God's creatures is so poor, none so helpless. To pray for the dead is a generous thing. It is the fairest flower of faith, the sweetest offering of our creed of charity. These souls know God even better than we do. They desire Him as they know Him. God loves these souls. He died on the Cross that they might be with Him. If He detains them behind hot prison bars, it is because He cannot cease to be just. If He could, in keeping with His Infinite Perfection, He would immediately release every soul in Purgatory. It may be said that we can do for these poor souls what even God Himself cannot do.

Pray for the dead! Pray that their Kyrie may be soon turned into a glad Gloria. When they are with God they will not forget us. They will remember that it was our prayers and suffrages that hastened their delivery. The day will come when we are of the souls in Purgatory. We will have saints in Heaven to pray for us because they are grateful to us.

Pray for the dead! We owe it to those that were dear to us on earth. Some of us owe it to the one to whom, under God, we owe everything. Pray for those who may be in Purgatory, because we did not set them the right example. Pray for those who have no one to pray for them. Pray particularly for the souls of Protestants.

Pray for the dead! Even though justice does not demand it, it is the call of the greatest Christian charity.

NCCS Is Doing Its Job

People who believed in the slogan of last Spring "Don't Say No to the USO," were more than gratified last week to learn that in the short space of a few months, more than 260 United Service Organization units are now operating throughout the nation serving both the military and industrial armies for national defense.

We, as Catholics, should be particularly proud of the fact that 59 of the USO clubs and centers are now being operated by the National Catholic Community Service, and more are being opened every week. When the Bishops of the country designated NCCS as the official Catholic agency to meet community needs growing out of mobilization for national defense, it had an exceptionally difficult task ahead of it.

Yet almost overnight we have seen the National Catholic Community Service grow into a powerful, nation-wide organization that is doing a competent and thorough job for the men of the armed forces and the women in defense industries. It had a tremendous job to do and we now have ample evidence that it is doing everything expected of it, and more.

Beyond the work of providing recreational, educational and religious guidance through its clubs, the NCCS and the other USO agencies, sent field men into the maneuver areas of the Northwest, Louisiana and the Carolinas to see that every possible convenience was made available to men working day and night in the mock war games.

Every American is glad to know that the USO and its member agencies are keeping faith with the public because the morale it builds is everybody's business. And now that contracts have been let through the War Department for 107 of the new USO buildings, we can rest assured that the USO will do an even better job in the months ahead.

But we must all remember that the National Catholic Community Service and the other agencies of the USO needs the constant support of every citizen and community in the United States. Only through the wholehearted cooperation of all Americans can the extensive USO program be carried out. Helping them is our duty as citizens and Catholics to the defenders of our country. Their morale is a mirror of our morale and we cannot let them or ourselves down in this hour of crisis.

I have told you of the man who always put on his spectacles when about to eat cherries, in order that the fruit might look larger and more tempting. San Salvador Pays Fitting Tribute to Dead with 'Prayer'

2-4 Mon. . . . . 24 E. 114th Pl.

Oh Lord, a sacred peace we crave:
For this, with all our leaders brave
We pray that Thy Almighty Hand
Will guard and guide our wondrous land.
We'll melt with love the swords of men
To make of them the noblest pen.
With this, dear God, our hope and aim,
Let us enshrine Old Glory's fame.

For us our Fathers died by sword,
And loved ones spent their lives, Oh Lord.
Give us unselfish hearts like theirs
To prove our thanks as worthy heirs.
Direct our thoughts to holy deeds:
Let love abide amongst the creeds.
Pray, send Thy blessings ev'ry day:
Forgive the wrong we do or say.

The Flag of Young America
With spirit of Columbia
Reflects of Thee, Oh Lord, a light
That fills our veins and souls with might.
To keep this emblem ever free,
A guiding star to Liberty,
We place it in Thy watchful care
And humbly end our nation's prayer.

—Reverend Francis C. Young.

In Memoriam the above poem is dedicated to our dead of the last World War. It was presented to our council by Father Young quite some time ago and has hung in the parlor ever since. It's only fitting and proper that our membership turn out in full force for Memorial Services on next Monday evening.

There will be a short business meeting that will start promptly at 8:15 p. m. and then the program by your Lecturer and Warden will follow. Don't forget to mark you calendar reserving this date for your edification. Any of the new members who have never witnessed one of our Memorial services as conducted by Bro. Francis J. McMahon will long remember the eulogy as delivered by our genial personality in the person of Francis J. McMahon.

At Holy Rosary Irish Church last Sunday the council approached the rail in a body at the 8 o'clock Mass. There was a good turnout to the tune of about one hundred members, who afterwards were served with a wonderful breakfast. At the breakfast, words of wisdom were dispensed by our Past Chaplain, Rev. Edw. S. Keough and his genial assistant, Father Maloney.

Father Keough in his remarks stressed the fact that the Knights should adhere to the position taken by them in the last World War as they will probably be called upon in present conditions of unrest and strife prevalent in our country today. He also stated we should try to swell our ranks to the quantity of years gone by. I know the Membership Committee will function 100 per cent before the drive ends.

DOTS AND DASHES

Seen at our semi-annual Communion last Sunday were some of the old timers like, Tom Cully, "Bill" Schudler the three Fiske brothers, John, Joe and Frank, also the following, Joe Lenzen, Phil Thullen Peter Hoogland, Hugo Haub and Luke O'Boyle. It really feels good to see the old timers turn out en masse at all our Catholic Activity functions.

Don't forget Father Al Rebedeau's annual Turkey Nite, Nov. 18, at St. Christina's Parish, 110th and Homan Aves. We understand our Past Chaplain Father Taillon has not been in the best of health. Also among the ailing are "Sunny" La Roche who is in the Ingalls Memorial Hospital undergoing an operation for hearing. Good luck and a speedy recovery to you "Sunny". Bro. Joe Hocholik in the sunny southland at New Orleans. Watch out for the southern belles, Joe.

Step up and see the new improvements at the clubhouse.

The Parish Bowling League had a hectic session last Thursday and after the fireworks we find Emil Royer's St. Louis frenchmen leading the parade. See you next week.

Chinese Catholics Reach Record Total of 3,262,678

Fears that the Far Eastern war might bring missionary progress in China to a standstill are dissipated by the Zikawei Sinological bureau's report that the Catholic population reachd 3,262,678 in 1940 to show a gain of 79,728 over the previous year. Adult Baptisms in 1939-40 reached the highest total in history—111,747.

The first year of the Sino-Japanese war (July 1, 1937, to June 30, 1938) brought the worst period for missionary activity in China, but since then the Church's work has begun to settle back into some kind of normalcy. The war has brought destruction to much mission property, has made refugees of many mission workers and native Christians, has impeded communications, and has interfered with religious activities in many other ways. Nevertheless, steady progress is being made and in some districts mass conversions are being reported.

On the evening of Wednesday, April 6 1910, Phil Sheridan Council held its an nual post-Lenten informal dancing party at the Oaks Club in Austin. Approxi mately 150 couples attended the affair.

A few preliminary dances ushered in the cotillon which was interrupted, after several figures, by the entrance of Mr. and Mrs. Chauncy Olcott. Mr. Olcott made a little speech in which he told how hard he had worked that day and as a result he would not be able to sing for the party guests. He was interrupted by a half-suppressed, feminine "Oh" in which disappointment was the dominant feeling and after that Chauncy "could not have been Irish had he failed to sing" so that the assemblage was treated to several numbers among them the favorite "Wild Irish Rose."

O'Connell Moves to Larger Quarters at 1016 No. Dearborn

2-4 Tues. . . . . 1016 N. Dearborn St.

Due to the ever-increasing number of members attending the council meetings, and due to the fact that O'Connell is growing by leaps and bounds, it has been necessary for us to procure a larger chamber for our meetings. While we retain our usual schedule of meeting on the second and fourth Tuesday, the location has been changed to "Foresters Hall," 1016 N. Dearborn St., where the meetings will be held beginning Nov. 11.

Your Dance Committee, under the leadership of Bro. Vic LaPorte, is working very hard to make our affair of Feb. 7, 1942, the greatest success of O'Connell history. In order that this may become an accomplished fact, it is necessary for each one of us to get behind him with all our support. As you know, our new Grand Knight has placed a goal for this dance and $1,000 is quite a task, but when you consider that we have 55 new O'Connellites in the past three months that goal seems not only possible but probable. Let's get behind this dance 100 per cent.

For your spiritual edification be it hereby known that on Nov. 30 there will be held at the Villa Redeemer Church in Glen View, another of the famous "Hour of Recollection" Retreats. Past Grand Knight Bro. John Stubing and P. G. K. Bro. Ben Nathan are in charge and will be most happy to arrange for your attending. Make your arrangements by calling Bro. Stubing at Keystone 6004, or Bro. Nathan at Long Beach 8762.

Our Chaplain, Rev. Paul Schlimm, has invited O'Connell members and their wives to attend his Sunday evening parties. These affairs have become very popular and are especially enjoyable because we are always sure to see some of our friends present. For this reason Sunday evening, Nov. 9, has been set aside and designated "Daniel O'Connell Night at Old St. Joseph's." Every member and his wife are most cordially invited to attend.

SICK LIST

During the past week Bro. Frank Cubito was called upon to give a blood transfusion to his niece. We learn with sorrow that Miss Tarranova has since passed away. May we offer our deepest sympathy to the bereaved family?

Bro. George Erkenswick's daughter was taken to the hospital but latest reports are that she is coming along nicely.

Rev. John Lauretti, recently recovered from a slight but irritating confinement to bed, is up and around again. Last meeting night his absence was caused by the fact that he was in Detroit.

AROUND AND ABOUT

Our blood donors' group now boasts 61 members. Maybe P. G. K. Bro. Ben Nathan will arrange to have that nurse come up to the next meeting and we can swell the group to 80 or 90.

Bro. Frank Monardo, a groom for two weeks now, paid us a visit last meeting. He is returning to his job in Cleveland soon, but promises to be with us in spirit.

Bros. Jerry Sansone and Pat Faraci are now the proud owners of their own club, I am reliably informed.

The song "Three O'Clock in the Morning" is the theme song of our erstwhile pinochlers, Bros. Frank McAuliff, Henry Meier and John Stubing. Your scribe was kibitzing.

Bro. Frank Ranerri has done himself rather proud. His own application was read for the first time on May 13, and since his short membership in the council he has already brought in three new members. That is what I would call a good start. Two weeks ago I announced that Bro. Ranierri's mother was very ill; there hasn't been much improvement in her condition, but if you members will continue to remember her in your prayers I feel sure he will be able to give us a favorable report very soon.

Bro. Joseph Stornello's wife is up and around again and in good health. This we are all glad to hear because as you know she was a mighty sick lady for a while.

In the near future you will see some very important announcements in O'Connell's column. I'm not at liberty to say just what they are, but when the time comes they will make very interesting reading, and add much to the national prestige which Daniel O'Connell Council now enjoys.

I hope every one noticed the splendid write-up our council received on the first page of last week's issue. Brothers, it is plain to see that our small council is becoming one of the league leaders. Identify yourself with your council by attending its meetings and see what makes the wheels go around.

Damen Will Celebrate Its 'Old-Timers Night' Thursday, December 18

1-3 Thurs. . . . . 6 No. Hamlin Ave.

The second meeting of Damen Council during the month of December has been set aside to do honor to the "Old Timers." This meeting will be conducted entirely by the Men of Experience. Due to the fact that this will be our Christmas Meeting and the lecturer, George Reithal, Jr., has a few surprises planned for the occasion we would suggest that you make a special effort not only to be present but also Be On Time so that you will not miss the opening ceremony.

Our November 29th party to be held at the Parkside Hall, 444 No. Parkside Ave., will be an affair you will be mighty sorry to miss. Better plan now to be among those present at this grand "Gay 90's" party and invite your friends to join you on that evening when "Gaiety Will Reign as King."

The entire cost of admission will be only one dollar per person for an evening of dancing, entertainment and refreshments.

Brother Homer Shaver, our membership chairman, would like to receive a full 100 per cent co-operation from the members of Damen Council to assist him in attaining our quota for the year. We hope this request will not be in vain as Bro. Shaver is a hard working chairman and deserves your support. Bring that application with you to the next meeting.

The "Gathering of the Clans" party to be conducted by Brothers Cullen, Condon, Colfer and Reilly must be going to be a real humdinger. This quartet of "Gaelic Brothers" has been planning the affair for the past two months and to date has not yet completed their arrangements. Perhaps they need a good Scotch arbitrator. We suggest Lecturer George Reithal, Jr., phone Kedzie 0960.

THE MERRY MEN

The Stack Typewriters defeated the John Gormans two games despite the absence of the "star typist," Capt. Wm. Page. Frank Farrell had another lucky night for the Stacks. Capt. Tom Cullen pulled a "Casey at Bat" to win the lone game for the Gormans.

The McEnery Realtors had a twin victory over the Cassidy Tires. Father Donahue fired the heavy guns for the McEnerys. Joe King rolled a new season high series to lead the Cassidy attack.

The Kelly Couplers took the McMahon Undertakers for a pair of games. Capt. Joe Kulisky and John Speyer showed their old-time tournament form to roll the Kellys to a new season high team game. Henry Henningsen made the head-lines by helping the McMahons to the single victory.

The Reliable Credit won two games from the Brown Plumbers. Wm. Crowley and Frank Hayden paced the Creditmen. "Tiny" Tom Brown spilled the maples for a healthy average to save the champions from a triple defeat.

Newman's Fitzgeralds Take Leading Position in Bowling Standings

1-3 Thurs., St. Mary's Hall, Evanston

Well, brothers, this is my first week as scribe. There isn't much news this time, but I promise more for the next issue.

Bro. George Hebson's mother is in St. Francis Hospital very ill, so kindly remember her in your prayers.

Bro. Lloyd O. Manning just brought me the bowling notes from George Hebson's filling station. Claims it took three hours to get them. By the way, do any of you fellows know what the middle initial "O" in Slim's name stands for?

Joe Schaeffer now has 50 blood donors; that's good, but Newman's spirit is 100 per cent.

Brothers, if you have any news for me please call me at Bro. "Vitality Boost" Devine's, Gre. 0624, and I will appreciate any news you have to dish.

I've often wondered why some one in our council has never suggested a "Federal Credit Union" for our brothers. Not being gifted with a silver tongue, this is my chance of putting it before you.

The purpose of a "Credit Union" is to promate thrift among its members by affording them an opportunity for accumulating their savings and to create for them a source of credit for loans for provident or productive purposes.

This is really a wonderful thing; you can receive as high as 6 per cent on your savings, and if you take out a loan the interest must not exceed 1 per cent per month on the unpaid balance, including all charges of making the loan.

This has proven most successful in many places, so why not in Newman Council and if you brothers want some literature on it I will be more than glad to get it for you.

NAZARETH ASKS MORE MEMBERSHIP EFFORTS

2-4 Tues. ..... 17 W. Harris, La Grange

How are you making out on membership, men? What about a few applications right quick. Nothing would make your Grand Knight happier. Stan. Hegberg showed up at the last meeting and presented two now, how about a few more from the rest of you? While on this subject how do you stand in regards to dues and assesments. In case you have forgotten, may we remind you that the by-laws specify that all dues and assessments are payable in advance at the beginning of each quarter. When you wait until the end of the quarter you are actually three months in arrears. Our Fin. Sec. advises that the receiving window is open 24 hours a day, seven days a week. Now is the time to pay up to the end of the year.

COUNCIL ITEMS

Brother Joe Woods, our inside guard, has been finding it increasingly difficult to attend meetings due to the pressing duties of his job. As a consequence he has tendered his resignation. We regret this very much as Joe is a faithful and conscientious member of our council and has discharged his duties well. We will endeavor to elect a successor at our next meeting.

On the sick list we find Jimmy Robinson of Westmont, who was recently laid low with an attack of flu. Dr. M. F. Geehan of Riverside, who has been a member of Nazareth for a good many years and who formerly was our examining physician is confined to the Veterans Hospital at Danville. If you should happen to be in that vicinity he will appreciate a visit.

We regret to advise that Mrs. Poulin, mother of Ambrose Poulin of Downers Grove, died last week. She was 84 years old. Even though we have been expecting it for some time the passing of Jack Warner came as a shock. No matter how tough the going, and it never was easy for Jack, he was always there with that happy smile, a cheery greeting and a warm handshake. Please remember him in your prayers.

Score one more for our blood donors. Last Tuesday your scribe donated a pint of that precious fluid at Alexian Brothers Hospital. The patient was a Mr. Kreup of Holy Trinity Parish in Westmont who has been sick for some time. Brother Anton Ziegweid had previously donated a pint of blood to this same patient. This last transfusion being Irish blood is what wil turn the trick.

Don't forget our annual Turkey Night, Nov. 11. Be on hand that night and we'll give you a free bird.

Glad to report the success of another brother. This time it is Geo. Landry of La Grange. George who is former president of the village board of La Grange Park and former president of his parish Holy Name Society, is now a staff director of the O.P.M. One of those "dollar a year" men. Congratulations George, but we are wondering what you are going to do with the change after you pay your expenses out of that dollar.

ANNUAL DINNER

Now for that annual dinner. Got your tickets yet? Better get organized. This is going to be the biggest event of its kind Nazareth has ever seen. The place Edgewood Valley Country Club, the date Nov. 15. P.G.K. Homer Buckley will be the master of ceremonies. We will have most of the P.G.K.'s of the council present that night. Such as P.G.K's Peabody, Bender, Foley, Himpler, Simmons and many others will be present. Now don't think this is going to be one of those affairs where speakers bore you to tears. Absolutely not. Talking will be cut to the minimum. The evening will be given over to good eats, dancing and a general good time. Lay your plans now and be there.

PIN POINTS

Last Monday night, the former league leaders slipped farther behind. We refer to the Universals who led the league until deposed by the hard-hitting Elms team. The two teams met last Monday in a grudge battle. The Elms, despite the absence of Joe Spellman took two games. Leo's Chickens took two from Lindys, the Triangles did the same to the McGough team. Fairview Club took three from Watkins and the News Agency did the same to the Lukes outfit. Grabiec of the Universals took top honors with a 555 series.

Standings, Elms won 18 lost 3, Universals won 16 lost 5, Triangles won 13, lost 8, Fairview Club won 12, lost 9; Lukes tied with Lindys and News Agency, each with 9 won and 12 lost. Next comes Watkins and Leo's Chickens each with 7 and 14. Filling the cellar is McGoughs 5 won and 16 lost.

NEW RETREAT DIRECTOR NAMED

Scranton, Pa.—The Rev. Fidelis Rice, C.P., has been appointed to succeed the Rev. Charles F. Lang, C.P., as director of closed retreats for women at St. Gabriel's convent.

Attend Commodore Barry's 36th annual dancing party Saturday evening, November 8th at Madison A. C. Hall, 4711 W. Madison St. Music by Elmer Kaiser.

Calumet Will Have Armistice Program at Next Meeting

2-4 Mon. . . . . 6648 Stony Island Ave.

Past National Vice Commander Matthew J. Murphy of the American Legion will be the principal speaker at our next meeting.

Detachments from Admiral Benson Post No. 83 Catholic War Veterans and from Fort Dearborn Post No. 268 of the American Legion will advance and retire the Flag of our Country at the opening and closing of the meeting. There have been other notables from various Veterans Organizations invited to be present and you can be assured of an enlightening and patriotic meeting. Come one, come all and bring your wives, sweethearts, daughters and sisters. Refreshments will be served.

Bowling standings:

	W.	L.		W.	L.
Mose Cronin	16	5	Ray's	11	10
Murphy & Son.	12	9	McNichols	9	12
O'Hanley	12	9	Indiana Ser.	9	12
Whalen	11	10	Wilson & Raf.	8	13
Stone's	11	10	Cummings	6	15

The bowlers are coming along fine now that the season is in full swing. Last week the Whalen's won two games from the Cummings' Morticians. D.G.K. Joe O'Connor's 206 game prevented his team from being shut out. Ray's Boosters aided by young Billy Roche won the odd game from Stone's Shell Service. Lou O'Hanley's 170 game (my, my) helped his team win the odd game from Murphy & Son Fur., Wilson & Rafferty Florals won two from McNichols Standard Ser. Joe Skibinski proved to be a bum prophet as his team lost 3 games to the leading Maas Cronin Pub. As we said before the boys are getting hot as these scores will indicate: W. Roche, 545; Curley Ward, 220-542; Bill Bowes, 530; Mike Murphy, 245-573; Bill McNichols, 223-569; Gartlen, 202-506; J. Heaton, 230-529; C. Egan, 201-516.

SCRAPS

Leo Council will hold a buffet supperdance at Leo Clubhouse on Sat., Nov. 15. The total cost will be $1.60 per person and a grand time is assured. John J. Kelly is the chairman. We regret to report the death of Bro. Ralph E. Lee who passed away in California. The funeral was yesterday. We received a report that Joe Sullivan was injured in an automobile accident. The extent of the injuries is not known.

I hear we are going to have some amber fluid at the next meeting so don't miss it. Maybe we can get Ed. Maas or Bill McNichols to play us a tune. We are Walsh, Andy O'Brien, and John and Ed. Dillon at the next meeting. We received a card from P.G.K. Bill Birmingham who is having a fine time out in Arizona.

The Sunday Evening Club's last meeting was very well attended and everyone had a good time. The next meeting will be Nov. 16. Among those who attended were Mr. and Mrs. Wilf Byrne, Ty Hyland and wife, Pellegrini and wife, Bob Ward and wife, Tom and Mary Hartnett, John Lawler, Bob Hardy, Tom Holly, and many others. It was a quiz night at the meeting and Bob Hardy wanted to know the name of the first king of China. Wasn't it Chop Suey, Bob?

Weber Grateful for Perfect Degree Team at Recent Induction

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Believe it or not, but I've been looking forward to this column for quite some time and now that the time is here, I'll have to admit I'm a little shaky at the knees. It's not because I have nothing to write, but the fact that there is so much and it takes a good man to do the job. They can't hang a man for trying, so what can I lose.

First of all a short meeting was held and presided over by G.K. Jos Nowakowski. The reports of committees were very brief, although a little more time was allotted the chairman of membership, John J. Mazur. Right here I might add that if it wasn't for Bro. John's enthusiasm we certainly would not have such a splendid gathering of dignitaries as we had Monday night. Bro. John deserves a vote of thanks.

After a short recess, G.K. Jos. Nowakowski turned the gavel over to the worthy state sec'y, Ray Gleason, who from then on conducted and officiated over the degree work as G.K.

Some time ago when our D.D. Charles Ruzkowski informed us at Weber Council that Cook County chairman of membership, Guy Macina, promised to have a crack degree team for Nov. 3—he really meant it. You may have witnessed other degrees, but you should have seen this one....not a miss or a fumble.

If the team didn't impress the new candidates with the importance of their degrees, then I don't think it can be done. Believe me when I say that the degrees were emexplified so perfectly that every brother present was actuall in there taking his First and Second all over again. You brothers who did not attend this particular ceremony really missed something.

Just about now it's time to give some credit to the "Judge Bolton Class." It really was a class and I know that the Hon. Judge Bolton was not disappointed in it. D.D. Charles Ruzkowski presented to the assembly, the members of the degree team. As each member was presented he received an ovation fit for a king. A thousand thanks to the members of the team.

Thanks to you Bro. Guy Macina for your splendid co-operation, and to you, State Sec'y Roy Gleasan, may I say that a finer man could not act as our G.K. for the evening. You can be sure that each and every member of our Council wishes to thank you personally. Not only was it a pleasure to have you with us, but we deem it an honor.

May I also extend thanks to Bro. Bob DuMais, national chairman of the blood donors committee. We'll be looking forward to that talk on your pet subject. Many thanks to the organist and the choir—your music and voices blended to the occasion.

Now getting down to that fellow, Judge John Bolton, I've never had the pleasure of meeting him personally, but after seeing and listening to him Monday night, I feel as if I'd known him for a long time. His talk was interesting, educational, and entertaining.

SCRIBBLES

Bro. Charley Niedojadlo sitting next to me kept mumbling. "I have to get up at 3 o'clock in the morning."

Weber Council has a hero. During the meeting the hall rapidly became filled with smoke. Sizing up the situation, Bro. Anton Kraft dashed between the rows of chairs and braved the dense smoke to open a window and let in some fresh air. A medal for Bro. Kraft.

Who gave James Swietek that oversized cigar?

Upon entering the Council chambers Bro. Mitchell Mazurek was so surprised that he turned around three times. Ask him why.

Lecturer Doc Dziubski was pretty well fagged out when the evening finally came to an end.

St. Pat's Had Record Attendance at Cabaret Party Held Last Week

1-3 Tues. . . . . 6 N. Hamlin Ave.

Our Cabaret Party was indeed a huge success. The main dining room of the Midwest Athletic Club was crowded early and an adjoining room had to be opened to take care of the overflow. Employees of the Club testified that it was the largest crowd that they had ever served. The members and their guests started in immediately to have an enjoyable evening and gaity reigned supreme.

Bro. George "Drummer Boy" Burns and his swell band had the dance floor crowded all evening, the boys mixing "hot" numbers with the old-time favorites to please all. Ample refreshments were served and well partaken of.

During one of the band's rest periods, Rox "Pappy" Latelle and his Four Pins supplied the music—pardon me—discord. Pappy's bandsmen were John Burke, pianist, Jimmy De Tolve at the guitar, Joe Farrell, a second Heifetz at the violin, Andy Corrigan, percussionist, and what a mean drum he beats. Rox could not get his boys to agree on the same tune so their band was a howling success.

Prominent among our guests were: State Deputy Leo Flynn and Mrs. Flynn, P.G.K. Byrne of Carroll Council, Bro. Odling and wife, Mr. and Mrs. Brady, Dr. and Mrs. Chapman, Roy Bedore, G.K. of Father Setters, Ass't Director of the N.C.C.S. Service Men's Club, and his wife, Ed McGorry, Vice Pres. of the Fourth Degree Club of Oak Park Council and his wife.

Many of our members were present. Among them: G.K. Tom Cregan and family, D.G.K. Wm. O'Connell, host to a large group of friends, Chas. E. Patterson and his family, John Miller, P.G.K. Frank Kevil, John Egan, Leroy McCrory, Sal Giunta, the De Franks, the McAuliffes and many others too numerous to mention.

The members owe a vote of thanks to the officers and especially Lecturer John O'Shaughnessy for their splendid work in presenting this party. John was everywhere in the hall seeing to it that all had a good time. When the band played "Home Sweet Home" it was indeed with a feeling of regret that such a wonderful evening had to come to an end.

TURKEY NIGHT

At our next meeting, Tuesday, Nov. 18, St. Pat's will have its annual Turkey Night. This event has been on our program longer than your scribe can remember, so I don't think that the members have to be told anything else than it's Turkey Night. So come one, and come all.

As Turkey Night is in the nature of a home-coming party to our members, D.G.K. Bill O'Connell, chairman Blood Donors Group, has announced that on the same evening he will have present a technician from Loretto Hospital to type all the members who care to join this most worthy group.

This really is a swell chance to join this group, eliminating all effort involved in going to the hospital for typing; besides you're almost sure of walking out with that Thanksgiving bird.

BOWLING

Well, we finally went over the top in the Majors, St. Pat's taking Hughes Council 2 to 1 last Friday night. The boys had the old zip and fight. Rox Latelle coming up with high game, 235 for the dollar award. Several of the members came out to root for the boys so a little moral support does good. Hope to see more of the Brothers up at the alley in the future and back that fighting team of ours.

In our Council league the boys are really getting down to business. The boys making every ball count. Last night the Deir Morticians took the Damato Taps for 2, Fio Rito Cartage taking 2 from the Cahill Printers. The Taglia Pubs beating the Rex Paints 2 to 1, Freda Meats dropping 2 to the Allegretti Grills, Emergency Radio trimming the Gentile Trimmers for 3.

High game of the evening went to Harry Piovosi of the Dier Mortician with a 256. O. K., Harry. The standings as of November 3:

	W.	L.
Fio Rito Cartage	14	
Freda Meats	13	
Allegretti Grills	12	
Emergency Radio	12	
Cahill Printers	11	1
Taglia's Pubs	10	1
Dier Morticians	10	1
Rex Paints	9	1
Damato Taps	8	1
Kentile Trimmers	6	1

KETTELER'S NEXT MEET HAS DOUBLE PROGRAM

2-4 Mon. . . . . 3437 Ogden Ave.

The meeting of Nov. 10, Monday, will see the Council holding its annual Memorial Service and Turkey night combined. One of the most impressive services held within the Council Chambers is the Memorial Service and, of course, the Turkey night speaks for itself. Although our worthy Lecturer, Thomas Bogan has been incapacitated all week with a serious cold, Tom refused to be stopped and promises to furnish the brothers with another outstanding program.

Grand Knight Edward Oakes extends a sincere invitation to all brothers to attend. Eddie assures us that everyone will have an enjoyable evening and believes that this meeting will reach the standards set by the Old-Timers' meeting of Oct. 27, which is something to shoot at. At any rate, keep the evening of November 10 in mind and you may be rewarded by one of the many numerous turkeys that will be awarded to the fortunate members.

DONORS

P.G.K. Sam White, chairman of the Blood Donor group, certainly is keeping the activity of his committee up to an exemplary norm. Here is a copy of a letter recently received:

"My dear Mr. White: I want to take this opportunity to thank you for coming to the hospital several weeks ago and having your blood typed. ..... the little boy from....., who needs the transfusions, is better, and it is likely that the doctors will want to give the transfusions sometime soon in which case they will get in touch with you. We all appreciate your generous spirit, and these few lines take to you our appreciative thanks. Sincerely yours, Medical Social Service."

Responding to the above appeal, Sam himself, and brothers F. G. Bonkalski, George Youkn, and A. Prebil submitted to transfusions to help this young lad who is suffering from first degree burns occurred in a disasterous fire outside of the city. Such actions speak for themselves, but we can add our commendations to that of the sender of the above quoted letter.

Our financial secretary, John P. Bonk, has established quite a layout in his home, 2716 W. 23rd Pl. (second floor). John has provided himself with a modern lighting system, a mahogany desk and complete sets of files. It is all very systematic and, carrying out this efficiency, John states that every Wednesday will see him in his "office" to take care of the needs of the brothers. His phone is Crawford 0416.

Last Thursday two of the bowlers of the past year who are now in the armed service of our country visited major recreation alleys to visit their many friends who were bowling. Mitchell Markowicz, 129 Infantry, Company I, Camp Forrest, Tenn., was one and the other was Roman Kujawa, 108 Ord. Co., 33d. Div., Camp Forrest, Tenn., was the other. Both brothers looked remarkably fit and we offer our best wishes. Can't you come back as generals, boys?

BOWLING

The Bona Drugs finally made an end of the ties for first place as they swept their three game series with the Phillies Boosters. Al Bona blasted the naples for a nice 584 series closely followed by his team mate Jack Pender who had 577 to lead the drug men. That eft handed artist with the big hook, Frank Zak, led the Boosters with a 490 effort.

The Stanek Press took the odd game from the J. B. Suerth Morticians as Ray Kuchocki and S. Dusek led the press men with 573 and 571 respectively. G. Cummings again led the Morticians with a nice 568 helped along by R. Kaczmarski who had 520.

The Dr. Peszynski Boosters took the odd game from the Gorski Electric in the closest matches of the evening. Our Grand Knight E. Oakes finally came to life and led the doctors with a 544 series aided by A. March who had 522. Joe Foltyn continued his good shooting by wheeling in a 577 series to lead the Electrics.

The Bilmar Tavern also took the odd game from the Tomera Range Oil team as S. Korbas and L. Pirzyk led the tavern boys with 553 and 530 respectively. L. Slaski did the heavy shooting for the lefthanders with 541.

The Luczak Lawyers trimmed the Art Ilt Furniture boys two games with C. Koravec showing the way with 520.

The Clifton Park Cigars took two games from the St. Paul Federals led by Eddie Plewa who had 572. Dock Wasnicka led the Federals with a neat 590 series.

The Ziarko Tavern team took two games from the Wojcik Floor Sanders as J. Sargent showed the way with a 565 aided by E. Wenckowski who had 560 even. A. Sliwa led the Wojciks with 564.

Last but not least the Dr. Krupa Boosters really turned on the heat as they took two games from the Fruzyna Morticians by blasting out the high series of the year. Dr. M. Krupa really got hot with a nice 632 series aided by Chas. Bonk and Vince Ponic who had 572 and 545. Harold Nowakowski was high for the Fruzynas with 539 helped by E. Gruszczynski who had 510.

Our major team finally came to life in grand style and took the powerful Brownson team for three straight games. Ray Suchocki was the big gun of the attack as he pounded out a great 693 series which is shooting in any man's league. Dr. M. Krupa helped greatly with a nice 613 try. Next week we engage the Chicago Council quintet which has proved itself many a time to be quite tough. Remember your attendance at these games is greatly appreciated, so try and come out and give the boys the hand they deserve.

Hen. Shields All Set for Grand Evening at Party Next Wednesday

Nov. 12-26 . . 446 N. Parkside Ave.

Next Wednesday evening, Nov. 12, is the time and occasion Sir Knights and their ladies have been looking forward to with much anticipation. Lecturer Bill Phalen is going all out for this evening with a great program of games, cards, entertainment and refreshments to the end that a delightful evening will be enjoyed by all present.

That there will be much game and glee during the evening is a foregone conclusion, as the interesting and absorbing games which were played at the spring and September ladies' nights will again be repeated. You shouldn't overlook this opportunity for fun and enjoyment and we sincerely hope you won't.

BOWLING

The last session for the council bowling league was a good night for three of the teams who managed to make a clean sweep of their series. The John J. Hayes Hatters took all three games from the Midland Pipe & Supply outfit, winning the third game by only three pins. The Ray Foley Grill bunch were in great form, taking three from the Harwood Florals, and Ed J. Riley and his Insurance Writers arose to the occasion and won three from the Frank M. Hayes Barbecues.

In the series between the M. C. Fogarty Men's Wear and Costello & Son Boosters, both teams had their ups and downs, with the Costellos finally taking two.

In high score brackets we find Frank Gould with 210, 194, 202 for total of 606, followed by Bill Cronin with 228, Ron McGillevray 226, Lifka 202, 213, Quill 216, Hickey 211, Butler 208, and Roy Murray 201.

Our gang in the West Side Major League have been doing a little better lately; a week ago they won two games from St. Paul of the Cross, and last Friday they won two from Quigley, Jim Gibbons shooting 633, Tim Fleming 584 and Frank Gould 540.

Probably the new bowling shirts which they donned recently had something to do with the improved showing, and in addition our good friend Larry Hayes of the John J. Hayes Hatters donated some beautiful new ties to go with the shirts. Well, just remember, you guys, while those ties are better looking than the ones you usually wear, they are to be worn only on Friday evenings and not for Sunday good also. Thanks a lot, Jerry.

THE SOUNDING BOARD

Our chaplain, Father James Doherty, is again faced with a lot of work, having been reappointed general chairman of the St. Catherine of Sienna parish fall festival which opens on Thursday, Nov. 13, and continues until Sunday, Nov. 16. P. G. G.'s Tom Butler and Frank Daley will each have a booth to look after, P. F. S. Charlie Kelly and Bro. Joe Gladstone assisting here and there as needed. Now if our other P. G. K.'s, Clarence McDonald, Bill Ortl and Jim Oakey, also St. Catherine parishioners, had been given jobs, we would have a full house of P. G. K.'s on the job.

Bill Cooney, Tom and Jim Hosty and "Bud" Kennedy spent last weekend at Mayslake in retreat with the Staym Club's annual visit.

Our deceased Past Grand Knights, Dr. E. J. Clancy, Oliver Barry, Dr. E. N. Redden and Edward J. Lawler, will be remembered in a Memorial Mass said for them by Father Doherty at St. Catherine's Church at 7 a. m. on Nov. 12.

While corn beef and cabbage is supposed to be an Irish dish, we can't recall the old timers from Cahersiveen, Ballingarry, Knockanefune and Bantry Bay saying much about it. Our lore runs to Irish stew, colcannon and potatoes and point. Be that as it may, we have a corn beef and cabbage dinner to consider on Dec. 10 when the Past Grand Knights assemble for the family reunion.

Next Tuesday is Armistice Day. You might offer a prayer for the boys in training now as well as for the boys who didn't come home twenty-three years ago. G'bye.

St. Rita Solicits Prompt Action on Dance Ad Program

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Turning in the first book, containing over a hundred dollars in ads, Chairman Harold Hilbert this week called upon the members of St. Rita Council to redouble their efforts to secure ads and patrons for the Home Association's "Mortgage Dance" to be held Saturday, Dec. 13, in Flynn's Hall at 3236 W. 63rd St.

Harold pointed out that the dance is only five weeks away and urged the brothers to "start right now to visit the butcher, the baker, the candlestickmaker and anybody else that may be a prospective customer." He was joined by Jack Bracken, chairman of the Home Association, in the plea that the sales be turned in as soon as possible in order that the ad book may "be lined up."

From all indications the dance is sure to be a social success, and if every brother does his part it should be just as successful on the financial side. As you know, the proceeds will go toward lifting the mortgage from atop the old homestead, so let that be your "sales-talk" in disposing of the tickets.

Priced at 55 cents, distribution of the ducats has now been completed. Their sale is up to you. Flynn's Hall, site of the 2034 Club's last two winter cabaret parties, is one of the finest on the South Side. The dance floor is large, there is plenty of room for tables and the accoustics are sure to do justice to the music of Art Dunn and his orchestra. Adequate parking space is available adjacent to the building.

If through some oversight you have not received your tickets you may do so by calling Hilbert at the Manor Radio Shoppe, Republic 6350, or Bracken at Grovehill 2793.

2034 CLUB

Edward Kundrat, secretary of our Fourth Degree, forwards us the following notes on the organization's meeting of October 30:

A motion made by Doc Hoffman and seconded by Frank Small that the 2034 Club take a full page ad for the Home Association's dance was unanimously approved. . . . William Balswick was selected as tentative chairman of a St. Valentine's Cabaret Party to be held around that date . . . Plans were discussed for the club's annual Christmas party for the children of members, to be held in the clubhouse Dec. 28. John O'Brien was appointed chairman . . . (Joe Zavrel was named chairman of the 1943 Christmas Party) . . . Frank Zavrel was appointed chairman of the next exemplification of the Fourth Degree to be held next February.

THINGUMBOBS

Last night was Ladies' Night at our regular meeting. Our notice from Recorder Jack Devlin announced that Little Johnny Jones, nationally known musician and humorist, would head an all-star show prepared for the ladies. It also reported there would be dancing and refreshments and that gifts of flowers and perfume would be given to the weaker sex. More about same next week . . . Dr. Jim Foley was the guest of Mrs. Kehl, wife of our medical examiner, on her radio program last Saturday . . . "Kid" Brennan celebrated his golden wedding anniversary last Sunday . . . The correct addresses of the two brothers is not known. They are asked to get in touch with Joe at 7956 S. Union Ave. . . .

Columbus Will Stage Fifth Annual Benefit Card Party Wednesday

2-4 Tues. . . . . 6932 N. Clark St.

Fifth Annual Card Party next Wednesday night!

The event we have been working on so hard for the last two months is fast approaching. On Wednesday evening, November 12, at the 50th Ward Democratic Headquarters, 6424 N. Western Avenue, our 5th annual charity card party will take place. Each year for the last four years, the card party has been a grand success and this year we are hoping for even a better turnout. Each member is asked to come and bring as many friends as possible. It is only by so doing that we can make this, our fifth party, a huge success.

Members' wives are asked to bring cakes again this year and a prize will be awarded to some one bringing a cake. We depend on these cakes furnished by the women to serve cake and coffee after the cards. The coffee will be donated and brewed by the Stewart and Ashby Coffee Company, so all we will have to furnish is the cake.

Many gifts will be distributed to the guests, and among these valuable items will be a set of tickets to the Northwestern-Notre Dame game. Turkeys will also be given away during the evening. Dr. Schuler is in charge of this department. All members who promised a donation are asked to see that they are in the hall early the night of the party or to deliver them to Dr. Schuler at his home before November 12.

This year your council has pledged $100.00 of the profits of this party to the Mayslake Building fund and the remainder will be for charitable work to be used by our Catholic Action Committee as it sees fit. The chairman of this Committee is Walter P. Nietschmann.

Now that you have all the dope, won't you come, bring your friends or otherwise support your card party. Last but not least, admission, 50c; tax, 5c. I'll be seeing you Wednesday night, November 12.

BARRY ISSUES LAST CALL ON NOV. 8 PARTY

1-3 Tues. . . . . 2856 Washington Blvd.

This is the last reminder for all of you regarding our 36th Anniversary Dance and entertainment. Don't forget to set aside Saturday, November 8, for the dance.

This does not only apply to the younger set, but all. We also trust that all the young ladies will be there to shake the boys out of their bashfulness, and to prove to them just what a great time can be had when a congenial group of folks get together in the name of FUN. So HURRY! HURRY!! HURRY!!!

MEMBERSHIP DRIVE

As you have been told in the past in this column, there is a membership drive on, and we do expect that every member will do his level best to get as many new members as possible into Barry Council. This means not only new members but old members who for some reason or other have dropped out during these past years.

There are many men who would become members, and good ones if they were only asked, but they are hesitant about going about it themselves. I know this to be true because I was one of them myself. It so happened that a friend of mine asked me if I was a member, and when I said no, he asked me why not, and all I could say was that I had never been asked.

That, my friends, is the reason why many a good man is not a member of the Knights of Columbus. Why not do your share and ask a few of your friends whom you know to be good, practical Catholics, and if we all do that I am sure we will have a roster of members that will be the envy of all other councils.

FUTURE CHAMPS

In the West Side K. C. Major's Bowling League, Barry took two games from the Chicago Council, and is now in first place. Frank Soldat bowled a 614, having a 232 game, while Bones Boyles totaled 597 with a 234 game, and Charles DeVito totaled 541. The scores were:

				Total
Barry	935	907	888	2722
Chicago	941	896	786	2602

On Friday evening, November 14, Barry will bowl Ketteler on Alleys 7 and 8 at the Cascade Alleys, 3825 W. Madison St. Please try to be on hand to witness this event, for two reasons. First, these boys bowl a swell game, and secondly, these fellows need rooters. Who don't.

BARRY NEWS

May we, as a council, express our deepest sympathies to the entire family of Frank Halas in the loss of his beloved wife, Mary Halas, on Sunday, November 2?

TWENTY YEARS after they were married by Bishop Bernard J. Shiel, Mr. and Mrs. Peter Orofino, 2118 Wesley St., Berwyn, will entertain the prelate at a dinner in the Illinois Athletic Club tonight. John Pane-Glasser, tenor of the Chicago Opera, will sing.

There will be a special musical play written by Mrs. Herman Devries who, with her husband, music critic of the Herald-American, will be among the guests. The play will be sung by the Orofino's 16-year-old daughter, Marie, and Keith Smejkal. Also among the guests will be Judge and Mrs. John F. Bolton, Judge and Mrs. Lambert Hayes, and Mr. and Mrs. Lowell Hoyt. Mr. Orofino is a wholesale stationer.

BARRY BOWLING LEAGUE

We held our first party for the benefit of the bowling league on Oct. 29. These affairs will be held every Wednesday night at Barry clubhouse and we would like all the bowlers and their friends to take them in, as your efforts will be well repaid. We are trying to send a big delegation of bowlers to the National K. of C. Bowling Tournament which will be held at Cleveland, Ohio, next year and the more we have at our parties the more we can send, so mark up next Wednesday night at Barry clubhouse and enjoy yourself with a swell bunch.

Ahern Morticians won two from Mid-West Auto, with Tom Ferrarrini getting 554 series and Art McLean high game with 234. John Foley had 546 series and 212 high game for Mid-West. American Air Lines won two from Crowley Cafe with Rocco Tarsitano getting 550 series and Milt Horan high game with 217. Crowley Cafe used a star bowler in their lineup in the person of Bill Radke who was shooting for the Oldsmobile speed demon John Wall, who was laid up with a bad knee. Harry Kloth had high game for Crowleys with 183.

T.W.A. won two from Garfield Restaurant, with Charley Urbain getting 538 series along with 214 high game. Lou Rosenmayer had 560 series along with 206 high game for Garfields. Sheehan Chilis won two from Senator Keane without service of Al. O'Malley, who was home with a touch of flu. The expert ticket seller, Cousin Larry Westphal, had 527 series and 200 high game for Sheehans, and Charley Svoma hung up a new high individual game with a score of 253 for Keanes and did a nice evening's work with his 618 series.

Kedzie Coal won two from De Mares Coal, with Captain Pat Crowley getting 502 series and Frank Malone high game of 203. Lou Racine had high series for De Mares with 193 high game. Little Jack Restaurant made a clean sweep of their series with United Air Lines and are now leading the league by three games. George Rose, the anchorman of the Little Jacks, has sure been shooting consistent pins as the young mail man came through with a 980 series with 226 high game for his team-mates.

Phil Cullen, the lawnmower expert operator of Oak Park, had high series of 513 and Ollie Klineman had high game of 182 for United Air Lines. Smith Funeral Home won two from Recorder Kaindl with Ted (Dynamite) Biedzrycki getting 500 series with 180 high game for Smiths, and Don Fornero with 508 series and 195 high game, was the big boy for Kaindls.

Last week's prize winners were C. Svoma, C. Probst, C. Urbain, A. McLean, J. Szafran, B. De Mares, Geo. Minich and John Wilson.

We expect to have the shirts ready for the boys next week and any of the bowlers who has not turned in his shirt, will they please see that it is in next week as we would like to get the teams all fixed up. Last but not least, remember Wednesday night at Barry clubhouse for that swell party.

La Rabida Loses an Old Time Member in Death of J. Kirkland

2-4 Tues. . . . . 6236 Princeton Ave.

Brother James Kirkland, an insurance member of La Rabida for the past 31 years, passed away unexpectedly on Oct. 31 at his home, 7801 Lowe Ave. Bro. Kirkland was operated on at Little Company of Mary Hospital about six weeks ago for gall bladder ailment. The operation was a success and he showed such a marked degree of improvement that his complete recovery was predicted.

Just eleven days before his death he had returned to his home and was feeling fine, when a change occurred from which he never rallied. On Sunday evening, Nov. 2, a large delegation from the council, led by Grand Knight John Farrell, called at Curley's Funeral Chapel and paid their last respects. The funeral was held on Monday with services at St. Sabina's Church and burial in Holy Sepulchre.

Bro. Kirkland was for many years an active member, having served the council as its Treasurer and Trustee, respectively. He was always active on committee work and seldom missed a La Rabida affair. His "million dollar smile" will indeed be missed from the council chamber. He is survived by his wife, Frances, and son, John. The officers and members of La Rabida Council extend to the bereaved family sincere sympathy in their hour of sorrow.

NEXT MEETING

The next meeting of La Rabida Council will be held on Tuesday evening, Nov. 11, and will be a business session. Final arrangements will be made for our annual memorial meeting to be held on Nov. 25. By the way, rumor has it that next meeting will be Turkey Night.

The last meeting of La Rabida was held on Tuesday, Oct. 28, at which time the council paid tribute to P. G. K. Con Driscoll. A large crowd, led by D. D. Patrick Woods, was on hand to extend good wishes to Bro. Driscoll as well as many of the Grand Knights and members from the neighboring councils. A beautiful gold wrist watch was presented to Bro. Driscoll by the council as a slight token of its appreciation for his splendid endeavors in our behalf. A splendid repast prepared by our Lecturer, Dr. Latchford, was enjoyed by all present.

SEEKS EMPLOYMENT

Bro. Fred L. Shanahan, 6410 S. Peoria St., a member of La Rabida Council for many years, is seeking employment. He has had many years' experience as a clerk in industrial plants. If you can help this brother solve his problem, please get in touch with him at once.

HERE AND THERE: Mr. Michael O'Connor, father of Bro. Joseph O'Connor, is recuperating following a tumor operation performed at Chicago Hospital.

BOWLING: The bowling results of Monday, Nov. 3, are as follows: Cogan Coconuts took three games from the Has Beens, while Kapple Chicks were taking two out of three from Dion Quints. The standings:

	W.	L.
Kapple Chicks	19	5
Dion Quints	13	11
Cogan Coconuts	9	15

JUDGE M. D. HARTIGAN

Monday night November 10 is the night we will honor our War Veterans. The program will start with a short business meeting; then a Color Guard will present the flag of the United States and the banner of the Knights of Columbus in a colorful ceremony. Following the presentation of the colors, messages will be given from the Grand Knight and from our guest of the evening, Judge Mathew Hartigan who will talk on "Your Country and My Country."

All the members of the council are invited to attend this meeting. It would be a great joy to Grand Knight John McKean and his staff to see every chair in the Chamber filled. Why not stop by your Brother Knight's home and bring him up to this meeting.

WE HIT THE FRONT PAGE

Last week's issue of THE COLUMBIAN carried the names of Dan O'Connell and St. James Councils as the only two in Chicago to earn listing as Honor Roll Councils. Credit is due to Membership Chairman Robert E. Lee, and to all those members who brought in new members. Don't stop working Brothers we can still hit the Century Club, if every member brings in a new member.

SOFTBALL TROPHY — I wonder if Manager Michael Connolly is going to present the softball trophies to the council Monday night. They will sure look handsome in front of those certificates we are going to work for.

BLABBERMOUTH REPORTS

Saturday night November 15 is the night of Leo Fourths Thanksgiving Party at 820 West Garfield Blvd. Tickets are $1.65 per person. Speaking about parties, the Admiral Benson Post No. 83, Catholic War Veterans, will hold a Card Party and Dance at the 132nd Infantry Armory at 2653 W. Madison St. tickets are 55c including tax, BUT any Soldier or Sailor in uniform will be admitted free. All editors of Fort Sheridan and Great Lakes Naval Station and nearby army camps please copy.

The members of St. James enjoyed a wonderful time with Larry Duby's Mooses last Saturday night. Those members who could not attend our Mask Ball and the reasons they gave are as follows: Joe McGivern was hunting dear in Wisconsin, Jim McKenna is still bowling with a broken arm, and James Sweeney gave a transfusion at the South Shore Hospital. A great discovery was made, remember Aunt Jemima at the Ball? Well she was Mrs. James J O'Malley.

THE HONORARY DEGREE will be exemplified on Dec. 8 and all who have reached the age of 65 and have been a Knight for at least 25 years are eligible. You are requested to write the Chairman of the evening Chancellor Dr. C. J. Strobel at 6315 So. Halsted St.

THE FOURTH DEGREE CLUB will hold a meeting at 8:00 tonight at the residence of Dr. C. J. Strobel, 9426 Bell Ave. (3 blocks east of Western Ave.) This will be the most important meeting of the Club this fall so try and be present.

Fr. O'Connor Will Hold New Year's Eve Celebration

1-3 Thurs. . . . 4660 N. Kedzie Ave.

Yes, sir, the plans are all set, it's to be a New Year's Eve party at Gross Park Hall, 2125 W. Roscoe street, $6 per couple, including your set-ups, turkey sandwiches, beer, noisemakers and favors. The only trouble is that the hall will hold only about 125 couples, so it's up to you to put your bid in early for reservations. This is one New Year's Eve yours truly is going to have a good time on a saw-buck, even if I have to wind up drinking the free beer.

A word from the maple maulers: Christo Printers still retained their first place tie with the Shamrocks by defeating the Furman Funerals two games and losing the last one by only two pins. For the Printers, George Fleischhauer bowled them over for 518. For Furmans, Harry Engert got 479, and Jack McGuire had a 197 game. The Shamrocks took a new lease on life by winning two games from the Widtmans and losing the third by five pins. For the Shamrocks, Maury O'Brien, got a nice 582 series, with Kotnaur, Jr., contributing 496. Dick Navin himself and a brand new ball rolled a 212 game.

For the butchers, George Loohs had 556 with a neat 225 game. The Navins and Nolans staged three close battles, with the Navins winning two. For the insurance gang, Wilson came to life with a fine 591 series, ably helped out with a 532 for Con Doody with a high game of 222. Cummings, the league's president, shot a nice 584, helped by Cuningham with 501. Dr. Macdonald is back again with a bigger and better hook.

The Alliance Life team won two from the King Coals. Bechtold led with 581. Bob Ternes had 544 for the Coals. Chuck Bartosch is back again anchoring for the Coals, replacing Bill King, who is temporarily incapacitated. The Alliance introduced a new insurance man on their team named Schmidt. Jim Coleman is confined to the hospital, we hear, and will be lost to us for the season. Sorry to hear it, Jim.

BOWLING SPONSORS

The Alliance Life Insurance Co. team is sponsored by Bernie Kamins, who also bowls with them, and is usually the one who is stuck for the drinks in the beer frame. Zernie, as you can readily understand, is in the life insurance business with offices at 705 N. Michigan avenue; he has been a member (a very active one, too) of Fr. O'Connor Council ever since he transferred from Spalding Council in Peoria, where he was a Grand Knight. Whenever you have more insurance in mind, give Bernie some consideration. He is really deserving of it. Bernie's mottor is "You pay while you earn, we pay while you burn."

SCRIBE'S SCRIBBLINGS

Bro. Ed Droske surprised us all when he announced the arrival of a brand new baby girl, Mary Eileen, on Oct. 26. Congratulations, Ed. I know just how proud you feel, being experienced in announcing new arrivals. Both mother and daughter are doing well under the capable care of Bro. Dr. Tom Plant at the St. Mary of Nazareth Hospital.

Ed Bartosch has a new innovation for better bowling. He shoots a strike, rushes back to the stands and picks up the newspaper until his next shot, then rushes out and shoots another strike. It works, too, to the tune of 236 in one game. Even Bill King's adversaries regret that he will not be bowling with the Coals; they miss him a lot, especially so after the first game when Bill usually buys a drink for both teams. A certain Irishman, whom we bowl against next week, suggested that I hint to Bill to make arrangements with the alley proprietor. Could it be that he is looking forward to that drink? WHO IS GRANDMA?

Your scribe, being publicity manager for the coming cabaret jarty, has written to so many local papers to put the news item in their columns that I will not be able to check up on all the papers. So if anyone reads these write-ups, clip them for me and send them to "Tex" Williams, 4445 N. Christiana avenue. At our first meeting in December we are going to have a first and second degree initiation.

Refreshments will consist of cider and ughnuts, and should be the climax of very successful evening. We hope for large attendance of the ladies and ungsters, as we are assured that Mr. ilger's talks will be most inspiring. eep the date in mind and bring up your ends and prospective members. The stivities will get under way shortly ter nine o'clock.

FALL COMMUNION SUNDAY

Recent discussions at council meetings s been the cause of a committee being pointed to select a date for the Fall ›mmunion Sunday and breakfast for ›embers of Auburn Park Council. The mmittee is working on this at present d full details will be forthcoming in a ture issue of the Columbian. It will be ›her the third Sunday in November or ssibly Thanksgiving morning.

AUBURN PARK BOWLING

The council bowling league will have first social get-together tonight (Fri›y, November 7) in Dick Knight's base›nt, 7636 S. Emerald Ave., at 8 p. m. ›e affair is open not only to the bowl›s but also to the council members and ›ir friends. The purpose of the affair to stimulate interest in the bowling ›gue and to provide a means for the ›wlers and non-bowlers to enjoy an eve›ning of entertainment. There will be refreshments, card games and perhaps Brother John Claussen will be there to fill request numbers on his accordian. So if you want to join in the fun, stop over to Knight's basement, 7636 S. Emerald Ave., tonight.

The league standings show a very close race is in store for the balance of the season. Two games separate the first and last team. The standings are:

	Won	Lost
Roger Sheehy & Sons	7	5
Larry & Lou Place	6	6
Knight's Florists	6	6
Geraghty Coals	5	7

Brother Harris of Knight's Florists bowled a 202 game for high game for the evening. Mike Gorman is coming back to life after bowling for the past 2 weeks in a dream, a fine example of a newlywed. Brother Reed still is putting his foot over the foul line according to Bob Murphy, so his 409 series for the evening will have to be discounted. Tom Patterson suggested that we will build a fence on the foul line to keep Reed back of the line. The bowling league is losing another man to Uncle Sam. Brother McDonough is expected to join the army on the 14th. He sold his gas station in order to be ready to answer the call.

The officers of the bowling league are considering having a Turkey Shoot the Monday before Thanksgiving. The method of deciding the winners has been suggested as total pins over a bowler's average. More news next week on that.

Loyola-Hyde Pk. Holds Memorial Service at Next Thursday's Meet

2-4 Thurs. . . . . 7435 Cottage Grove Ave.

Loyola-Hyde Park Council will conduct its Memorial Service at the next meeting, Thursday, Nov. 13, and we would like to have a full house. We owe at least that much respect to our former associates. Just visualize if you can, having such old loyal members as P.G.K. Thomas Mott, former Lecturer James Dinnerville, P.G.K. Scanlan, Honorary Chicago Delegate John Keegan, Bro. Borgeau and many more of our former active members once more with us in spirit if not in body. God bless them all and may He have mercy on their souls. Let's honor them in our humble way by our attendance at this service.

MEMORIAL COMMUNION

We found many old members as well as many of our new members at St. Thomas the Apostle Church for the Memorial Communion last week. St. Dorothy's parish was represented by John Joyce and his 79th St. boys; St. Philip Neri and Our Lady of Peace parishes representation was headed by P.G.K. Dick Judge; St. Cyril's was headed by John Fitzgerald; St. Laurence parish delegation was led by G.K. Jack McGuire; Holy Cross parish by Bro. Lefty Styler; St. Ambrose by Miles Barrett and St. Clara's by Scribe Geo. V. Birmingham. St. Columbanus, Christ the King, St. Bride's and many others were also represented. The breakfast was ably served by Mrs. Ann McGuire, Mrs. R. L. Judge, Mrs. A. Jacobs and Mrs. G. V. Birmingham. The council thanks them for their efficiency in this big job.

FIESTA, DEC. 6

Attend Loyola-Hyde Park's Big Annual Fiesta for the raising of funds to make up Christmas baskets for the poor and to finance our Christmas Party for the kids at Grand Crossing Park, 75th & Ingleside on Dec. 28. Our council has invited all neighboring councils to participate in this event. It will be held in American Legion Hall, upper floor of the southwest corner of 63rd & Woodlawn. You are asked to sell at least one book of tickets for this affair. Won't you do your share and make your returns as soon as possible.

A fine orchestra has been engaged, a floor show will be presented, refreshments will delight you, and various entertainment will keep you busy all evening. All we ask you to do is help sell the tickets, but do it now. It will facilitate matters greatly if early returns are made. Arrange with your friends now to attend our Fiesta on Dec. 6th.

DOWLING LADIES SAY LAST MEETING IS TOPS

2-4 Tues. . . . . 3625 So. Hoyne

At our last meeting Tuesday evening, October 28 the entertainment was planned for our ladies and their friends. The program under the direction of our hard working member Harry J. Lorden was a success. Our lecturer Earl Dunne asked Bro. Lorden to act as chairman and he really put the party over with a bang. He has established a record in our council that will be very hard to beat as anything that he attempts to do is always sucessful. The ladies surely enjoyed the evening with games, dancing and movies of the Lorden-Skillen wedding.

Our lecturer is aiming to please all members of the family and from time to time will promote entertainment satisfactory to all and in between all he asked is your support by attending meetings.

SPECIAL NOTICE

Our next regular meeting will be held on Tuesday, Nov. 18, instead of Nov. 11, Armistice Day. The night will be our Memorial and Turkey Night and is in charge of our memorial Chairman Micheal P. Carroll. He solicits your wholehearted support to pay respect to our departed Brothers—This night is one of solemnity and is a beautiful ceremony to witness and if you have not attended in the past make it a date.

MEMBERSHIP DRIVE

We are now going with full steam ahead in the membership drive and most of your officers are campaigning for members with that old Dowling spirit. We had our first initiation on last Monday evening at Weber Council and from all indications we will have another large class for the next degree.

It does not take much effort to get a new member because in most cases the prospect is waiting for an invitation. Our recorder Tom Gallagher is chairman of memberships and will appreciate your cooperation. The initiation fee is now $5.00 and the insurance rate is the lowest available. Remember our slogan, "Every member get a member." For applications contact any officer or phone Tom Laf. 8081.

CUFF NOTES

Leo XIII Council is holding a buffet Dinner Dance in the Club House 820 W. Garfield Blvd. on Saturday evening, November 15. The total cost is but $1.65 per person, and the Chairman assures all that attend a very enjoyable evening.

I am waiting for returns and tickets from the Charity Ball. If you did not make a remittance do so at once as you are holding up our report. If you know of any brother in our Council that has joined the service, turn in his name and location to Recorder Tom Gallagher.

Oak Park Will Hold Open House at Mon. 'Service Men's Nite'

2-4 Mon. . . . . 641 S. Scoville Ave.

The next meeting on Monday, Nov. 10. will be followed at 9 o'clock with an open program featuring entertainment and refreshments for all your friends. The feature of the evening will be the excellent pictures secured from the U. S. Navy department showing actual life among the men of the United States Navy. A large number of the boys in the neighborhood are now engaged in that service and we are sure that those who see these pictures will be better informed as to the many things that the gobs talked about. A representative of the Navy will accompany the film and explain the movie in a brief talk.

In order that we show our appreciation and our interest we should have a capacity crowd on that night. Every member living in Oak Park, Forest Park, Austin, Berwyn, River Forest or points nearby should be there with their friends.

HARVEST PARTY

The Harvest Party will follow on Saturday night, Nov. 15. This will be the big event of the social year. The clubhouse will be ready for a capacity crowd that night. From top to bottom the old landmark of the southern Oak Park district will actually sing with joy as the inside is filled with happy people, intent on an evening of wholesome entertainment.

For the youth there will be dancing As the Lecturer so aptly puts it, there will be square, round, and even rug cutting. Cards will be featured for those who do not dance. There will be gifts galore and at least one for each table.

Refreshments will be on hand, including hot and cold beverages. You may be sure that no one will go away hungry.

Lecturer Harold Du Chateau and his committee are working very hard on this affair and all of the members of the council are urged to support the affair. To put the council back in the position of prominence that it once held we will need your support. Get your shoulder to the wheel and give it a turn. You will feel better for it.

Our Patriotic Club is now meeting at 1904 W. 35th St. and Bro. Geo Spencer will receive applications for members desiring to take the 4th degree in March.

Our Grand Knight Frank J. Barker has been on the sick list, but is coming along nicely.

PIN TUMBLERS

The boys are still bowling like a classic league, with 200 individual games as a mere trifle. Marty Deiterick of the Dr. Laibe's had a 572 series and Art Christian of the Gormleys had a 567 series without a 200 game. Harry Lorden Sr. had a 563 series and beleive it or not "Water Ball Spencer" had a 563 series. This was the reason the Dr. Michels took 2 games from the Dalaeges and put them in 2nd spot for the year, with a total of 2428 pins. The high series is 2440.

John Conway of the Dalaeges had a 529 series. Ed Blythe of the Zintaks had 536 and helped defeat the Hartnetts 2 games. It is suggested that Love and Hartnett throw away those new balls. John (Butcher Boy) Snyder had 528 and Capt. Harry Lepenske of the Beams had 510 series but still lost 2 games to the Hot Gormley's Gene (Red Bow Tie) Connelly the heavy man for the Dunne Tires had a 509 series.

The bowlers have suggested that we invite some of our members up to join our fun on Thursday nights at Marzana's Alleys on 63rd St. just west of Spaulding Ave. You can root or rib as the boys love it. Last week we had Mrs. Mellerke and daughter Loraine, Miss Phillips, Mrs. Skillen, Mrs, Rose Snyder and Mrs. Come On Daddy Lorden.

FLASH FLASH

Harry Lorden Sr. and his team were rolling a refreshment frame and it happened that son-in-law Bob Skillen was the man in the hole. Like a good father-in-law, Brother Lorden blew an easy spare, thereby taking the load off of Bob but not the razzing from his opposition and I mean Spencer. We father-in-laws must get a good standing with the sons or else we lose out with the lady folks. (Come on Daddy).

Setters Lines Up No Less Than 40 Turks for Members' Choice

2-4 Thurs. . . . . 4711 Madison St.

Father Setters Council will celebrate the Thanksgiving season in its well-established manner, by presenting to all the members the annual party known as Thanksgiving Turkey Night, on the Monday evening preceding the holiday. Proceedings will commence at eight-thirty and all Settersites are urged to be present in the customary chambers at that hour.

At the conclusion of the regular formal business session the lecturer will introduce some forty plump turkeys to the assembled brothers and the exciting ceremonies attendant upon the distribution of the birds will take place. According to Council statisticians who have studied the matter in some detail, the odds against you in this contest are ridiculously small, even less, in fact, than any other game of chance and skill. Hence, you, as an individual member, stand an excellent chance of taking one of the birds home with you.

So, upon the theory that a word to the wise is sufficient, we'll pass from this subject with the gentle hint that the lads who get up to the meeting chambers early will have their choice of the lucky seats.

COMING EVENTS

The Council calendar of coming events is literally packed with interesting and important items. For your reference we're again listing the principal attractions:

THURSDAY, DEC. 11: The first regular Council meeting for the month of December. In addition to the regular business matters there will be a program of interest presented by the lecturer.

SUNDAY, DEC. 21: The Children's Christmas Party will be held for the younger members of the families of all council members. By special arrangement, Santa Claus has agreed to be present in order to preside at the distribution of gifts.

SATURDAY, JAN. 31: The annual Dinner Dance will be held at the Midwest Athletic Club, Madison Street and Hamlin Avenue. Further details of this event will be announced at a later date.

Blue Island Honors Deceased Members in Special Meeting

1-3 Tues. . . . . Gregory & New St.

Last meeting was Memorial Nite. It was set aside as the one night in the year when the council pays respect to the memory of our departed brothers. No doubt many of the assembled Knights remembered the time when the deceased answered the roll call and was on the floor to make a motion, second one or raise a point on the question. When the council sponsored a dance, party, picnic or any kind of an affair their support of the occasion was an assured thing. As officers many of our departed brothers were the finest this or any other organization could have desired.

The council was indeed wealthy in good, sound leaders and the result of the work of many of those who did not answer the roll call Tuesday night, is our fine council of today. It was their foundation upon which our Order in Blue Island built one of the best fraternal bodies. As State Deputy Leo Flynn stated in his remarks, it is our duty as their successors to carry on and in the trying times of today as never before, we should look back upon their records for inspiration and guidance. May their souls rest in peace.

COUNCIL ITEMS

The council extends their congratulations to Bro. Edw. Tuomey and Mrs. Tuomey upon their 54 years of wedded life. To Bro. Stan Rosaves and Mrs. Rosaves Congratulatoins upon the birth of a baby boy last Monday morning (early). Also, to Bro. Tony Chovanec and Mrs. Chovanec upon the birth of a baby girl last Wednesday. No wonder Hickey took three games, eh, Tony! Treasurer Joe Lentz has returned from his trip to the Sunny South. Mrs. Lentz and Joe both are still quite fond of Illinois. Bro. Andy Phillips, Sr., and Mrs. spent the week end in Colorado and they report having a fine time. You guessed it, they took the "Rocket."

SOCIAL NOTES: Mr. and Mrs. Thos. Donavon of Des Plaines spent Saturday evening in Blue Island in company with Mr. and Mrs. Andrew Phillips, Jr., in a nice quiet manner. Bro. Tom hasn't much to say any more, fellas! Sorry to hear that Bro. Bill Gerdes broke his wrist last week, and also that the daughter of Bro. Lowell Frasor met with an accident. The child is doing nicely. Lowell says, for which we are all very happy. The very young daughter of Bro. Geo. Hansen is on the mend after a long siege. Bro. Hein Rack is on the road to recovery and is seen up town once in a while. Lecturer Justin Boyd drove to DeKalb Sunday and bowled on Butch Kallaway's alleys. Tuning up for the K. C. League.

Congratulations to Grand Knight Hansen and his staff of officers for the very fine manner in which the Memorial Night was conducted. Where are the East Siders keeping themselves? Also, the old gang from the Southwest Side?

BOWLING

At our last session on the Bowling Alleys at Chaykens the maples flew and the averages went up (some of them). The standings were drawn closer and all in all every one has a fine time. Maybe not all, but most of us did.

The high team game is still in the possession of the Hickey's with 1007 while the high team series changed hands and landed in the Marks' possession with a total of 2830. Stan Zamaituk has the high individual game score with a 227 while Chovanec has the high series for individuals with 594. The leaders in the average department are Chovanec, Creighton and J. Gabay all tie for 171. Zamaituk in second spot with 168. Waszak third with 166, while Marshalek, C. Komada and Parsons are tied for 4th with 161.

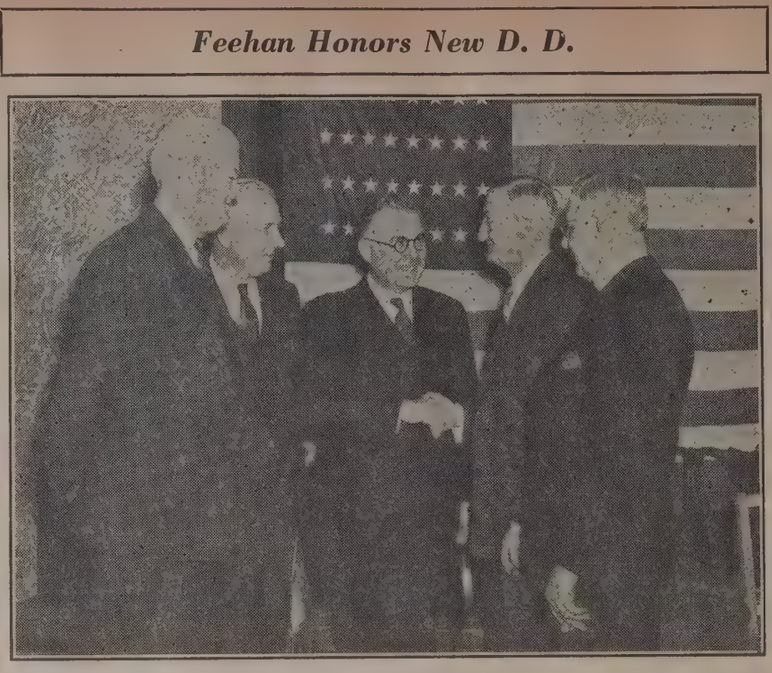
The Landgrafs took two from Martins last week with Creighton getting 534 for the winners and Paetsch (Hot Stuff) rolling 512. The Golden Builders took it on the chin for two from Hallinans. Waszak was high man for the winners, 501, while J. Gabay walked off with 483. Einhorn defeated Haas 2 to 1 and in this struggle Rosaves took top honors with 548 for the "one horns" with Monehen getting the high series for the Haas with 506. Before we forget to mention it, the Marks took three games from Hickeys and also high series, or did we make a note of the fact earlier in the write-up. . . . Every game was nip and tuck, the margin of victory narrow.

It seems as though the lads from the Mortuary on Burr Oak Avenue found the Marks team not the "Easy Marks" of old. New blood has been added to the team. Okay, okay, I'll stop, Jim. Any hoo, Chovanec was the high man for the Victors with 594, two games were 200 or better, while Parsons had 504 for the losers. That's all.

PONTIAC, Mich.—The Pontiac Pioneer Girls' Bowling League is the largest in the country. It has 60 teams.

Attend Commodore Barry's 36th annual dancing party Saturday evening, November 8th at Madison A. C. Hall, 4711 W. Madison St. Music by Elmer Kaiser.

Feehan Honors New D. D.



2-4 Tues. . . . . Hamlin and Madison

The night of Oct. 28 will be long remembered by a large crowd of Feehan members and their guests as "Harold Crotty Night." Many celebrities were on hand to add their praises to those of his fellows, as tribute was paid our newest District Deputy.

Among the visitors who tendered their compliments to Bro. Harold were, as pictured above, left to right, State Sec. Ray Gleason, Grand Knight Jim Collins, State Deputy Leo M. Flynn, honor guest D.D. Harold Crotty and Phil Nillis, Master of the Fourth Degree.

Others present were G.K. Ed Bachner and P.G.K. Ray St. Aubin of Phil Sheridan Council, G.K. Tom O'Keefe of Cardinal Council and past D.G.K. John Dougherty of Auburn Park Council, each of whom stressed the high qualifications of our new D.D. for his office, emphasizing particularly his aggressiveness and his refusal to become discouraged in the face of overwhelming odds.

After a word of greeting and congratulations had been tendered the honored guest by many of his own council brethren, notably Past State Deputy Judge Le Roy Hackett, P.G.K. Tom Collins, P.G.K. Art Harmon, and P.G.K. Walter Brouder, a slight token of the council's appreciation in the form of a traveling kit for his paraphernalia was presented to him by Past State Sec., P.G.K. Geo. Lyon.

Needless to say, Bro. George could hardly add to the paens of praise which had already been directed at Bro. Crotty, but he did remind his audience of a few of the high spots in Harold's career in Feehan and of the great debt of gratitude our council will always owe him. Many old time and, of recent years, seldom seen, members ventured out to add their well-wishes and they in turn were especially welcomed. In all, it was a glorious evening and an excellent meeting.

PARTY

Bro. Harold Crotty has accepted the chairmanship of our coming party at the Madison A. C. on Wednesday, Nov. 26. This alone should do much to assure its success—but he'll need some help. It's a large hall and we'll all have to get out and peddle a goodly number of those $1.10's to fill it up. The time is short, so you must work quickly—make your returns to Bro. Len McSteen, the ticket chairman.

BOWLING

League Standings: Lemon Kings, 18-6; Harmon Electrics, Ed Kaindl Boosters, 15-9; Malee's Fihting Irish, Illinois Laundry, 13-11; N. Preib Cleaners, 12-12; Harold Crotty Boosters, Judge Hackett's Pioneers, 11-13; Hanley's Tavern, 10-14; Quinn's Inn, J. J. Collins Sons, 9-15, and Pat Riley's Colts, 8-16.

League Leaders: Individual averages—Geo. Becker, 190; Joe Collins, 184; Jim Collins, 183; Bill Barrett, 176; Frank McQuillan, 173, and Jim McQuillan, 171.

High game: Dinny Malone, 243; John Fogarty, 236; Harold Julius, 233.

Team high series: Malee's Fighting Irish, 2669; Crotty's, 2602; Harmons, 2571. All other highs unchanged.

Honor rollers: Harold Julius, 233; Ed Condon, 222; Jim McQuillan, 219; Ray Tuohy, 214; Joe Collins, 213, 205; Len McSteen, 207, and Jimmy Collins, 203.

WHY DO THEY DO IT?

The grapevine has it that on Saturday, the 15, Bro. Joe Tunney, the handsome gendarme, will middle-aisle it with Miss Helen Barrett at St. Andrew's Church. Well, it couldn't happen to a nicer fellow—our congrats to the lad and our very best wishes to Miss B. But what of the other gals? Looks like they'll have to settle for Coakley.

At the bottom of our weekly bowling sheets for the last few weeks, there has appeared the following legend: "Captains note—Make your collections and pay Treas. John Schoemer early in the first game. Signed, Aug. Tamburrino, Sec." And who do you suppose it is that Treas. Schoemer must wait on every week in order to close the books? You guessed it—Sec. Tamburrino.

Did we ever tell you about the fellow who got up at 5:30 to attend 8:00 o'clock Mass? And he lives only a few blocks from the church too. When he arrived, he wondered at the small attendance and the many uniforms, conductors, police, firemen, bus drivers, et al. Next time the clocks are to be changed, Mrs. G.K. will attend to the matter herself and turn the hands in the proper direction.

P.S.—The Kingfish went back to bed on his return from mass—proving that there is no justice.

GREETINGS: To Bros. George Gleason, Earl Grondy, James J. Hayes, Tony Tamburrino and the Rev. Joseph M. Gallevan, who celebrate birthdays this week.

Brownson Will Offer Thanksgiving Birds at Meeting, Nov. 14th

2-4 Fri. . . . . 4754 N. Western

Traditionally our next meeting, Friday, Nov. 14, should be the largest of the year. Yes, it's Turkey Night. And besides the opportunity of taking home your Thanksgiving dinner—which is, you know—on Nov. 20—Catholic Action chairman, Tom Phillips, will have a real treat for the large anticipated gathering.

Tom will have as his guest on that evening, the Rev. Father Klyber, C.S.S.R., of the Redemptorist Monastery at Glenview, Ill. Father Klyber will talk on the present Jewish question and since Father Klyber is a Jewish convert himself, he is well qualified to speak on this timely subject. So that sufficient time may be given to Father Klyber and to the distribution of the turkeys, the meeting will start one-half hour earlier, at 8 o'clock.

MEMORIAL MASS

For the rest of the congregation attending the 7:30 o'clock Mass at Queen of Angels Church last Sunday morning, it was a wonderful sight to see one side of the main aisle filled with members of the Altar and Rosary Society, and the other side filled with Brownson's members attending the Memorial Mass being offered for their deceased members.

Close to eighty members were in attendance. But why on such a beautiful morning over three hundred of our other members were conspicuous by their absence, we don't know. Besides the beautiful solemnity of the occasion it was also his opportunity for those who find it hard to attend meetings to see and again greet their fellow Knights.

Among those present who have not been seen in a long time were Bros. Healy, Maher, Dowd, Jos. Sima, Berry, Baker, McMahon, Langelund, Spielman, Ed. Kelly, E. Garrity, T. Lally, John and Charlie Quinn, Devoky, James Neary, Alex Ciesinski, Karas, Herhandey and Dan Murphy. The breakfast arranged by Bro. Tom Phillips in the school hall was one of the finest, if not the best, we have ever had.

Barn Dance

The Catholic Girls Club of St. Joseph's Church have invited our members to attend their 2nd Annual Barn Dance to be held tonight, Nov. 7, at the school hall, Southport and Belden Ave. Miss Irene Karas, sister of Bro. Stanley Karas, is chairlady. Tickets are 28c.

BOWLING

The new league leaders are the Ervin L. Ewald, D.D.S. team. They took a fancy to newly shellacked alleys and took three games from the former leaders, McPhee's Undertakers. The losers want their scores buried. (Paging Bro. Norman McPhee.) Joe Good felt good when his new mates knocked 'em down for a 216 game and a 514 series, helping his team, the Skinner Sporting Goods, take two games from Ald. John Grealis, who were ready to bury a big guy by the name of Al had he been present.

The "Best team" (Best Furniture Co.) will go places this season with boys like George Gaffke and Stanley Karas getting series over 500 right along. They took the Cullum Club camp for two. John Paulus was high man with 536, and with the help of his teammate, John Donlan's 512, made it easy for Bob Fortman's Rosewood to take three games from Doose Studio. Capt. Alex Ciesinski will sure change his lineup after his anchorman rolled a 100 game. Standings:

	W.
Ewald's	13
McPhee's	11
Fortman's Rosewood	11
Doose Studio	8
Best Furniture	8
Cullom Club	8
Skinner's Sporting Goods	7
Ald. John Grealis	6

Only American Indian Who Is Catholic Priest Heads Wisconsin Parish

There is one priest in the United States who has the perfect answer for people who brag that their ancestors came over on the Mayflower. He is the Rev. Philip Gordon, pastor of St. Patrick's Church, Centuria, Wis. His ancestors, Chippewa Indians, were here long before the May- flower was built.

Father Gordon is believed to be the only American Indian who is a priest. But, strangely enough, he has not one Indian in his congregation. It is com- posed mostly of Catholics of Irish and German descent. His parish is large and includes the villages of Luck, Mill- town, Balsam Lake and St. Croix Falls in Polk County, Wis.

HEADED PARISH FOR 18 YEARS

Father Gordon has had charge of this parish for the past 18 years but before that he served among the Chippewa In- dians at the missions in Sawyer County, Wis. There under his direction a stone church and rectory were built, modeled after a Chippewa Indian medicine lodge.

Though he received his early educa- tion in the United States, Father Gor- don completed his studies for the priest- hood at the University of Innsbruck in Austria. Since the German occupation of that country the university has been closed and its students and faculty dis- persed.

At the commencement exercises of the university of Notre Dame in 1933, he re- ceived the honorary degree of Doctor of Laws. He wore his Indian headdress during the exercises and was an outstand- ing figure.

Father Gordon has done considerable traveling abroad and took part in the International Eucharistic Congress that was held in Dublin, Ireland.

STRESS MISSION OPPORTUNITIES

In recent years the condition of the American Indian has improved consider- ably, Father Gordon believes, but he points out that there is still a great op- portunity for Catholic missionaries among them.

"For many years," he says, "Indians were subjected to a super-paternalism that robbed them of all ideas of respon- sibility. Their health was in bad shape and the race seemed doomed to early extinction. The scene has changed. Now we have new hopes and if the present Indian administration will continue its efforts with proper support of the states, like Wisconsin with its 10,000 Indians, there is a future for my race."

How Nazi Conquerors Strip Poles Told in Report to Cath. Paper

ST. AUGUSTINE, Fla.—The extent to which the Nazi conquerors of Poland have stripped the Polish people of their material possessions as well as of their liberties is described in the sec- ond of a series of articles on the Nazi rule in Poland published by the Florida Catholic.

The article states that the Nazi mas- ters, through a series of decrees since the conquest of Poland, have annexed provinces of landed property, contain- ing large and small estates; forbidden Poles to engage in wholesale or retail trade or to conduct shops; taken all city property away from Poles; confis- cated bank deposits; confiscated the funds of pious foundations and the moneys contributed by Polish work- men to Health Insurance Associations; evicted Poles from their homes and taken over houses and furnishings; have reduced salaries; and imposed special and heavy assessments for new buildings and for social welfare work.

Most tragic of all, according to the article, were the mass deportations of Poles from annexed provinces in the winter of 1939-40 so as to make ready for German colonization. The article estimates that the number of Polish homes thus broken up was 300,000 and the number of deported as high as 1,500,000.

"Perhaps no chapter in history of modern cruelty is more revolting" than these deportations, says the article. "Hundreds of thousands of human be- ings were driven from their homes, often in the dead of night, with but a few moments' notice," charges the "Florida Catholic," "were loaded upon unheated cattle cars, and sent on a journey which at times lasted for sev- eral days." The paper adds that "tens of thousands of children, of the sick and of the aged, died during these ter- rible deportations." "The survivors," it says, "were often dumped off into the open country of the Gouvernement Gen- eral—the vast concentration camps destined for the enslaved Poles by their Nazi masters. One shudders to think of the sufferings of these unhappy people in a temperature which fre- quently reaches 25 degrees below zero."

The paper says that often Polish in- habitants were told their possessions, such as household furniture and even sacred religious vessels, would have to be "inspected," but would be returned. Instead they were stored under seal in the Kreigsbeutestelle, "war booty warehouses."

St. Anthony's Retreat at Mayslake Enjoyed by Several Members

1-3 Thurs. . . . . 73rd and Grand Ave.

To a few of our brother members of St. Anthony de Padua Council, the Mays- lake Retreat will be a pleasant memory for the coming year and also something to look forward to when the date has been set for our annual retreat next year.

Chairman Andrew Ruff wishes to thank all those who cooperated with him in making this Retreat a success for our council. The number of members at- tending was gratifying and would have been larger had it not been for last min- ute cancellations. We hope that you can all go next time.

Did you know that we have already reached our quota of new applications for this year? It is also a fact that they were secured by only four or five mem- bers. How about you, and you, and you (and me)?

If we all join in with our membership committee we can put our counucil in the Century Club. It is possible! Remember what we did in the Barbecue Drive. Let's get together and do it again. That fellow you are palling around with is probably just waiting for you to approach him on the subject. Bring in his application at the next meeting.

Historic Place Scene of Church Blessing

Digby, N. S. — When the Most Rev. John T. McNally, Archbishop of Hali- fax, blessed the new St. Patrick's Church here it was an event of more than local interest, for this parish stands within the confines of Canada's oldest parish, that of Annapolis, where the first Mass in the Dominion was celebrated at Port Royal 337 years ago. That was in 1604; four years before the present city of Quebec was founded.

The present church replaces a smaller church, also dedicated to St. Patrick, which was erected in 1834 and served the parish for more than 100 years. Plans for the present edifice were drawn in 1931 soon after the Rev. Leo Murphy, present pastor, came to the parish.

In thanking his parishioners for their co-operation, Father Murphy also pub- licly thanked the many Protestants and Jews who had given donations.

When plans were drawn Father Mur- phy visited the lumber mills in the Acadian districts of the Province ask- ing for donations of lumber. Catholic and non-Catholic dealers readily re- sponded and assured Father Murphy of practically enough to meet his needs. Other materials were donated by paint dealers, roofing companies, nail deal- ers, plumbing supply houses and build- ing supply dealers.

Ravenswood Centers Attention on Program Honoring PGK Morgan

1-3 Wed. . . . . 1521 Wilson Ave.

This little piece is being pounded out by ye scribe on the eve of the big party at our clubhouse honoring P. G. K. Charles Morgan. There is no point in listing the many features planned for the entertainment of the assemblage. Those who attend will know all about it. Next week there will be a recap in this column for those who unfortunately were unable to go to the party. But it can be said that Ravenswood members and their guests will be treated to the best in the way of fraternal entertainment.

A LITTLE STUFF

Congratulations to Bro. Ed Moorman, who now is numbered among Ravens- wood's select circle of grandfathers. His daughter, Mrs. Edward Stayes, gave birth to a son October 9th. Did you know that through Ravenswood Council's social ac- tivities Trustee Wilbur Beaton and his brother William made the acquaintance of two sisters a few years ago. Later the brothers Beaton each chose one of the sisters for a wife (or was it the other way around?) Now they live in identical houses, which they own, side by side on the same street, each have three children, two boys and one girl (in that order for each family) and are in business together. Your scribe has run out of birthdays for this week. Apologies to those missed on account of an incomplete list. Let's give the scribe some help in completing the birthday list, then, besides having all the birthdays mentioned in the column, everyone will receive a birthday card. Have you fixed the fact that Trustee Farrow is chairman of the Christmas Cheer Committee firmly in your mind? Do you realize that he is almost the sole collection agent for the fund, besides do- ing the promoting? Your scribe wishes to express his sincerest appreciation for the help given him by the editor of The Co- lumbian.

Hawaii Soldier Served Mass for Present Pope

Among the soldiers stationed at Hickam Field is one young Catholic who has had the privilege of serving as altar boy for His Holiness Pope Pius XII.

He is Corporal Samuel W. Maloney of the 14th Bomb Squadron at the army air- field.

Corporal Maloney had been altar boy for several years at the Sacred Heart Church in Newton Center, Mass., when, in 1936, the present Pope visited the Unit- ed States as Papal Secretary of State.

The then Cardinal Pacelli went to Bos- ton and was the house guest of the Most Rev. Francis J. Spellman, then Auxiliary Bishop of Boston and pastor of the New- ton Center church. Bishop Spellman, who is now Archbishop of New York, assigned young Maloney as one of the altar boys when the Cardinal celebrated the Mass during his visit.

Corporal Maloney is active in Catholic affairs in the Army. He is a member of Hickam Holy Name Society and is a member of the Cathedral unit of the CYO.

Americus Will Gather for Regular Session Next Tuesday Evening

2-4 Tues. . . 3350 W. Jackson Blvd.

The next regular meeting of Americus Council will be held Tuesday evening, Nov. 11, at 3350 Jackson boulevard. The meeting, as usual, will start promptly at 8:30. Business of importance will be discussed, new applicants will be up for consideration and the Kush Keg will roll again. At the last meeting the name of Patrick J. Ryan, 6125 Melrose street, was called and hearing no response, the lecturer announced another roll at the next meeting. It was tough on Pat not being there.

We had a grand crowd of members and prospectives, with their ladies, at our Hallowe'en party. Some of the boys really looked good eating doughnuts and drinking cider. Some of the guests may have noted something different about our worthy lecturer, P. G. K. Ned Kelly, on that evening. Well, there was Ned conducting the party when he should have been out celebrating his tenth wedding anniversary. We think the council owes him a vote of thanks for putting aside his own celebration to conduct our party. Needless to say, we offer our congratulations and hope that Mae and Ned will live to celebrate many, many anniversaries with their lovely family.

Two new applications were presented at the last meeting: John Colfer, proposed by the chairman of the membership committee, P. G. K. Jim Mooney, and Edward Gillespie, proposed by his brother, Alderman Joseph Gillespie. Let's keep going, brothers, and we can still make that "Quota Made" goal.

Private Bob Moore of Uncle Sam's army is in town. Bob, one of our star softball players, is home on a furlough and we hope he will be with us at the next meeting. Perhaps he could tell us some of his experiences.

As you know, the Fall Festival at Our Lady of Sorrows Church starts Saturday evening, Nov. 8, and will run through Nov. 16. It would be nice if Americus was represented in goodly numbers to help our worthy chaplain, Father Scheltinga, in this deserving cause. Come up and visit with the boys working around the parish hall at 332 S. Albany avenue. It may bring back memories to some of you. Remember, we held our meetings in the lower hall for years.

In the Oct. 24 issue of The Columbian a picture appeared, a ball team that played for Americus many years ago. As a matter of fact, some of those pictured as players now have sons who are getting too old to play. There were two mistakes in the names listed under the photo. The man listed as D. D. Holz should have been D. D. Peter S. Hoy, of fond memory, and the other, Joseph Cornwall, should have been James Cornwall. We are sorry. We know the picture must have brought back memories to some of our old-timers.

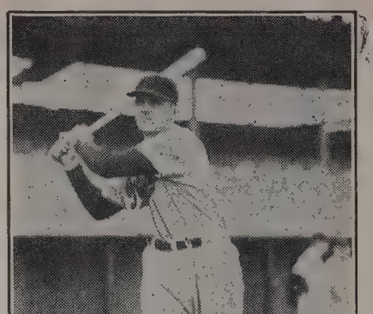
We are approaching the Yuletide season and, brothers, in your hustle and bustle do not forget the Chicago Chapter Xmas Cheer Fund. If each member gave 25c we know that on Christmas morning there would be a lot of happy old people and orphans offering their prayers for the Knights of Columbus.

Owing to some misunderstanding we did not get the standings of the bowlers in time for this week's issue, but will surely have them next week. Last Friday night the O'Rourkes took two games from the Costellos, and the Corsos (probably because the captain was absent) beat the Scotts two games. Geo. Hart came through with a 198 for high game, followed by the old Col. Ed Aylward with 193.

Things to remember: Meeting next Tuesday night. If you are going to join the 4th, our chairman, Bro. Albert J. Horan, says you had better get in early. Keep the 25th of November open. our lecturer has something up his sleeve. Get an application, we need only 28 to make "Quota Made." Visit Father Scheltinga at the fall festival See Jack Crawford at the meeting or send your dues to him at 5061 Cougress street. Put your odd pennies in the big jar on the pedestal in the council chambers. They go for Christmas Cheer and you never miss the money you give to charity. Good football game Sunday—St. Philip vs. St. Pita at 2 p. m. at St. Philip Stadium. This should be a honey. Well, g'bye now.

Attend Commodore Barry's 36th annual dancing party Saturday evening, November 8th at Madison A. C. Hall, 4711 W. Madison St. Music by Elmer Kaiser.

New Bond Star



Nick Etten, National League baseball star and former three-letter man at St. Rita High School here, is the latest recruit to join the sales staff of the Bond Clothing Stores in Chicago. Etten, who began his baseball career at Vilanova College and later played with the semi-pro Duffy Floral team on Chicago's south side, is now one of the top salesmen at the Bond's store at 6339 South Halsted St.

Although Etten anticipates returning to his regular berth with the Philadelphia Phillies next spring, he will be at the Bond store to serve his friends until the spring training period opens. Etten, whose batting average was fifth high in the National League this year, intends to place among the top Bond salesmen this fall. "There's no outs here," he quipped, "for every Bond suit is a sure-fire hit."

Genoa Council Lays Plans for 'Jim Riley Nite' at Dec. 1 Meet

1-3 Mon. . . . . 7439 Cottage Grove Ave.

Genoa Council held its last regular meeting Monday evening. The meeting was called to order by G. K. Robert Stadler and after a report from the various committee chairmen, some very interesting sidelights were given by some of the members present. There was nothing of great importance handled in the business end so we will get right down to the matters of interest that were discovered.

Congratulations are in order for Bro. Joseph Markeby, who during the past few days was made a sergeant in the United States Army. Bro. Markeby was a draftee under the Selective Service Act and was one of Genoa Council's active members when he was in Chicago. Genoa Council feels proud of you, Bro. Markeby, and we hope that this is just the beginning of a long and enviable career in the army.

G. K. Robert Stadler is being congratulated these days because during the past two weeks he has been made a school engineer on the Civil Service list, having passed said examination with high honor.

EXTRA! EXTRA!

At the meeting of the council the other night Bro. Donohoe suggested that if there were any machinists in the council who were unemployed and desirous of securing employment that he would like to have them contact a Mr. Boyd, general foreman of the Youngstown Sheet & Tube Co. at Indiana Harbor immediately and mention their connection with the council and they would be given first consideration. The Youngstown Sheet & Tube Co. can use between 20 and 25 good men. So here is your opportunity to make arrangements at once.

Thank you, Bro. Donohoe, for this fine information and we wish any other member of the council that knows of any openings would also convey this information to the council so that we can put all our men back to work.

"JIM RILEY NIGHT"

P. G. K. James F. Riley, Jr., is to receive an ovation on Dec. 1, which is the first meeting night in December. Arrangements are under way at this time and we earnestly request every member of the council to hold that night in readiness to attend the council. You will hear more about this in the next issues of the Columbian, but for the present bear it in mind that you have a date Dec. 1.

ILLINOIS PLANS FOR TURKEY NITE NOV. 17

1-3 Mon. . . . . 64 E. Lake St

Gentlemen, we have just heard th bugle blow to say that the deadline i exactly one hour away. Not as muc time as we would like to take to prop erly inform you of domestic, nationa and international affairs. Today w deal solely with domestic matters First, to say that we regret to repor that Phil Sharkey is still in the hos pital. Phil has good days and day that are not so good. We are glad t report that quite a number of th brothers have called on him, which i just as it should be. Our chairman, Jir Upington, took a leading part in this

The last meeting was a business on at which discussion was had on mat ters of general interest to Illinoi Council and from which, we believe much good will accrue.

William J. Groden, chairman of th membership committee, has promise action on two fronts. The Grand Knigh is arranging for a Mass for our de ceased members and is also going int a huddle with the lecturer for an ap propriate program for our next meetin which will be Monday, Nov. 17. Mar that date off on your calendar and per haps thereby save yourself a trip t the butcher shop immediately befor Thanksgiving. 'Nuf said. A word t the wise is sufficient. And so we ar calling all members to assemble on tha occasion.

Brother John Gegan is convalescin at his home and is making considerabl progress. However, visiting, as ye might be left undone. The chairman Deputy Grand Knight Upington, ha all of such matters under his watchfu eye.

We have read of great improvemen in the new membership line from othe Council minutes and while Illinoi Council has made a start we are hop ing for a more substantial showin during the current year.

Matrimony is undoubtedly not only sacrament but an otherwise great insti tution. It has varying effects and c course, mostly for the good. Take th case of our Brother, George M. Boe who was quite a constant attendant a Council meetings and took an activ part. For that matter we know his in terest in the Council is at the presen as great as ever. However, we mis him from meetings since his marriag to the charming young lady from Mil waukee and we are convinced tha while we miss his absence and advic it is in fact, a tribute to the graciou lady who now answers to Mrs. Georg M. Boes. We wish we could say to he to release George occasionally. Na in fact, to urge him to come down t meetings. At the same time, we reit erate that his record of what is indee connubial bliss is the best advertise ment for the marriage mart.

Take the case of our Advocate Ge ald J. Haley; married, wife and child assistant principal of one of our hig schools. We have been missing hi greatly from our meetings for the pas two months and would like to say t Mrs. Haley "send him down to ou meetings—he can be of assistance. There are scores of splendid fellow who forget to attend meetings of th council to an alarming extent.

I suppose there are talking points o both sides. Many of us attend fro habit, plus an unconscious feeling o duty.

You will notice, I hope that we hav not dwelt this time, with grave inter national problems. Perhaps because w are not sufficiently inspired plus th thought that it may be advisable to oc casionally leave such matters to electe representatives and then too, there i always the thought that one or two o our brothers might take exception t our frank expression.

Until next week then, keep in min November 17.

Gen. Sherman Asks Members to Forward News Items to Scribe

1-3 Tues. . . . . 4300 W. North

Brothers, news is scarse and with the editor blue penciling a few lines here and there it makes it worse, Anyhow, it has been brought to my attention and, why, I don't know, that various social events such as marriages, births, deaths, vacations, anniversaries, illness, drafteés and other items of interest to some or all of us have not been published in this column. Who is to blame? We cannot publish what we don't know or hear about, so if you have any items of interest or information they will be appreciated by card or phone to Frank J. Mootz, Keeler and Cortland Sts., Spa 9497.

Now on with the meeting and I hope all were there, for there were unlimited turkeys and a lot of them free. I hope everyone that attended he meeting took home a bird. Next Meeting will be dedicated to the new candidates so all new members arrange to be present at Lions Building, 4312 W. North Ave., Tuesday night, Nov. 18 at 8:30 P. M. Let's have a large attendance to welcome these new members in the council.

MEMORIAL MASS. . . . Our Grand Knight has designated Thursday, Nov. 20, Thanksgiven Day, to honor the deceased members of our council. A Solemn Requiem High Mass will be celebrated by our chaplain, the Rev. Father M. Sesterhenn at Our Lady of Angels Church, Hamlin and Iowa, at 11 A. M. All brother Knights and their families are urged to attend this impressive ceremony.

AROUND AND ABOUT

At the officers' meeting held at Grand Knight Welker's residence last Friday night the following members were appointed to the sick committee: Pat Moran, Lou Maschek, Tom Kiegher and Al Gerlach with Deputy Grand Knight Hans Slepecka as chairman. Rumor is around that G.K. Welker is contemplating reviving the Christmas party for the children. Let's all get behind this and put it over and give the kiddies a treat. Just received word that the silent strong man of Klinnert's team last year, Brother Bud Groh, is now known as Private C. H. Groh, Battery B, 34th, C. A. T. B., Barrack 571, Camp Wallace, Texas. You know, fellows, it gets mighty lonesome so far away from home and a letter now and then will help brighten life for Bud and I'm sure he will answer all letters. Another good fellow and bowling captain, Zoltek brought back from the Dakotas. The contest between Jimmy's Lounge and Tremko Boosters brought out seven members of the 10 pin club. How about the seven pin next week? The honeymooners showed up at the alleys last Thursday and brought Mrs. Bernie Janco along to root for the boys. A card from Eddie Geary and he wants to know whether Charlie Koscal bowled two or three games to get 266. Only one game, Eddie, and I have not seen your nephew around the alleys for the last two weeks. See you next week with the standings.

BOWLERS' STUFF

The standings did not change much last week, but Frank Veysey was high with 213. John Zoltek 211, and lo and behold, Bill Free 203. Bill figures on going duck hunting in the Mississippi Bottoms this week. Good luck, Bill, bring one around so I will know what a duck looks like. The only ones I've seen were what John

Tonti Members Leave for Mayslake Retreat This Evening (Friday)

1-3 Thurs. . . 4221 Irving Park Blvd.

The Tonti delegation leaves tonight for the "Spiritual Country Club," Mayslake, Hinsdale, Ill. If you cannot go with the group Friday, it will still be possible for you to make the retreat by coming out Saturday. We will all return in time for work Monday morning with ligth hearts and spirit renewed.

November, the month devoted to "the poor souls in Purgatory," brings us to another Memorial Mass to be offered for deceased brothers of Tonti Council. This mass will be said at St. Wenceslaus Church, Sunday, Nov. 30. Here we encounter one more advantage of belonging to the K. of C. Even after your family and relatives pass on, you are still remembered in the Annual Memorial Mass offered by your council. So it is but proper that we, the living members of Tonti Council, assemble and pray for our deceased brethren, as we shall some day wish to be remembered.

MEMBERSHIP

What progress are you making with that prospective member? What other inducements are necessary? We have fraternalism, our insurance features are on a par with the best, and certainly Tonti Council is the best council in the K. of C. You know that. Then there is that swell House Bowling League of ours, where every sponsor is a member of the council. Drop in some Tuesday evening at 9 o'clock at Goldhammer's, Milwaukee and Pulaski road, and look the boys over. With your co-operation, the membership chairman, Joseph Spekowski, feels sure that Tonti will become a member of the "Quota-made Class."

D. D. Charles Ruzkowski, chairman of our Christmas Cheer Committee, is completing his plans for the Xmas Cheer party to be held Thursday, Dec. 4. The nature of the awards has not been definitely decided upon, but rest assured they will be worth while. Remember, we have a quota to make here, too, but we are proud to say that Tonti has never yet fallen below its designated quota, and for the last two years has ranked in seventh place out of 64 councils. There is no reason in the world why we can't better our position this Christmas. Cake and coffee will be served at the party, and pss't, pss't, Charlie will soon be ringing the ladies for their prize cakes.

FOURTH DEGREE

On March 1, 1942, the Fourth Degree of the Knights of Columbus will be exemplified. All third degree members in good standing over a period of two years are eligible for this highest K. of C. degree. If you are interested, you can obtain an application blank from any Fortonti member or from the financial secretary. Speaking of the financial secretary, your attention is called to the fact that dues and insurance assessments are due.

As Thanksgiving this year falls on the regular meeting night, that meeting will be called off. At this writing no definite information is available whether another night will be selected in lieu thereof. A definite statement to this effect will appeal in next week's Columbian.

Your attention has been drawn to the Memorial Mass, the Xmas Cheer party and now we ask you to mark the following dates on your calendar: Dec. 18, our own Christmas party; on Saturday, Jan. 17, 1942, Tonti's big dance. A high-class orchestra has been engaged and the dance committee is putting forth every effort to make this Tonti's biggest and best dance ever.

Quigley Numbers Returns for Fall Dance Sat., Nov. 22

1-3 Tues. . . . . 1035 W. 31st St.

Two weeks remain until the date of Quigley's Fall Festival Dance. The work accomplished between now and Nov. 22 will spell a financial success or just another affair. The general chairman, Stanley Szczecinski exhorts every member to do what he can—the results mean so much to Quigley Council. A dance meeting is held every Friday evening at 8:15 p. m., and refreshments are served. Try to attend one of these meetings and see for yourself—the spirit that is being displayed.

Ticket money should be turned over as quickly as possible to Stanley Szczecinski or John Jankowski. Additional tickets can be obtained at the clubhouse or from the above.

The financial success can be built up tremendously by the securing of ad space for our souvenir program. A quarter page will sell for $2.50; ½ page, $5.00; full game, $10.00. Turn in copy at regular meeting nights of Nov. 4 and 18 or at any Friday dance meeting. Copy can also be turned over to Fin. Sec'y John Jankowski or to ad-chairman John Golden. The results to date are encouraging. A total or $320.00 has been realized, but with the Quigley spirit this should be but a start. Patron ads sell for 50c. What little bit can you do to put Quigley Council back on the map?

THIS SUNDAY, NOV. 9

Quigley will participate with Flanders Post of the American Legion in the dedication and blessing of the American Flag at St. Mary's Church. All members desiring to parade with Quigley are to meet at the Quigley clubhouse at 12:30 p. m., Sunday, Nov. 9. Likewise all Quadrangle members are urged to be present in full regalia. The Quadrangle club will hold a short and snappy drill Friday evening, Nov. 7, at 8:30 o'clock at the clubhouse.

ON NOV. 18 Quigley will conduct its annual "Poultry Night." 1,000 pounds of fowl is to be given to the members. Also on Nov. 18 the Blood Donor chairman, Wm. Lenz, Jr., will have a technician present to type any new volunteers to the donor group. G.K. Leo J. Gawrych was the latest member of this unit to give a transfusion. Wm. Lenz recently submitted to his fourth blood transfusion. Let's give these energetic Quigley leaders the necessary help.

WE ARE NOW

In the process of acquiring the names and addresses of all Quigley members serving in our Nation's Armed Forces. An honorary bulletin will be erected in the clubhouse as soon as the list increases. A page will be dedicated to them in our souvenir program for the Fall Festival Dance, Nov. 22. Turn names over to any member of the Quigley Knight Staff or to the N. C. C. S. chairman, John Janeczko, Sr., or to Fin. Sec'y John Jankowski.

The following are the latest we have received: Pvt. Thomas Kunka, Company B, 14th Training Batt, Camp Wheeler, Ga., Platoon 1.

Captain Valentine E. Siedlinski, Fort Sill, Okla.

John A. Wronski, Company "B," 76th Infantry, TNG B11, Camp Roberts, Calif.

Pvt. Leo Smevtek, Recruit Depot, Marine Copp Base, San Diego, Calif.

THE MAJORS

Dropped a couple last week but still remained in a three-way tie for first in the West Side K. of C. League. A. J. Berny, Ben Dalton, Vic Tocwish, E. Brodroff and W. Szykowny are the stalwarts who roll on a Friday evening at 8:00 p. m. at the Cascade Alleys, Hamlin and Madison.

The most difficult task, yours truly is undergoing at present, is the inability to secure information regarding the Home Bowling League. But do know that Bill Finucane, Smidowicz Bakery, Dr. Pierzynski, Bridgeport Realty, Dr. Prominski, Jeff's "32" Club, and the Pomierski Morticians have re-entered teams in this year's league and Mozlika's Undertaking establishment has filled the spot vacated by the Quadrangle Club.

To these sponsors we owe our patronage. Their attitude is one of real sportsmanship. The least we can do is mention a word here and there. They certainly deserve it.

Carroll's Dinner Dance at Midwest Highlight of Year

Next Meet Nov. 18. . 6 N. Hamlin Ave.

REMEMBER NOV. 15? WE'RE ALL FOR IT! That is the date of our annual "FALL PARTY AND SUPPER DANCE" to be held in the main dining room at the Midwest Athletic Club, 6 N, Hamlin avenue.

As the zero hour nears in the committee's steadily increasing intake of reservation orders for the gala celebration on Saturday, Nov. 15, members of the party's committee voiced its amazement at the very little solicitation which was necessary and were loud in its opinion that this will be one of the most entertaining social affairs sponsored by any individual council of the order in recent years.

This yearly event always attracts a capacity crowd, and from the interest already manifest among the members of our council as well as from the various other neighboring councils, this November affair will be no exception. Reservation orders are also flowing in from many of the leaders in the Knights of Columbus, who have expressed their desire to join in another one of Carroll's "extravagancias."

The merriment will take place in the spacious ballroom of the Midwest Athletic Club, where the guests will dine and dance to the music of that ever-popular Charles T. Montgomery and his fine orchestra. An especially appropriate repertoire of dance music has been arranged to include a number of the favorite old timers and enough rhumba and boogie-woogie numbers to delight even the youngest and most sprightly of the merrymakers.

In order that the final arrangements might be made with the management of the Midwest Athletic Club, it is absolutely necessary that those who have already made their reservations and desire further accommodations, as well as those who have not yet signified their intention of attending should contact Party Chairman Ken L. Torgeson at Kedzie 7328, or Recorder George F. Rauh at Mansfield 2188. The cost is $1.50 per plate.

M. B. CUMMINS

The members of Charles Carroll Council were shocked with the sad news of the untimely death of our dearly beloved Bro. M. B. Cummins, who resided it 120 S. Austin boulevard, Oak Park, Ill. Mr. Cummins was the loving husband of Mrs. M. B. Cummins, whose father passed away only eighteen days apart. Her father was John H. Maney, charter member of Carroll Council in 1903.

Last Thursday evening many of the brother knights, led by our worthy chaplain, Rev. John S. Kennedy, O. P., attended the wake to pay their last respects to the man who "truly led a knight's life to the end." Our deepest sympathy to Mrs. Cummins is extended by the officers and members and we pray for the repose of his soul.

CARROLLITES

Pvt. Dan J. Ryan, Jr., is now in Chicago on a fifteen day furlough and has certainly been doing some "stepping out," too.

George J. Hunt has finally gotten those troublesome tonsils removed and it won't be long until he'll be his same old self. The council misses that active spirit, which is so characteristic of George.

Pvt. Joseph V. Powers is reported to be expecting to leave Camp Forrest soon. Can it be that a pretty little miss is getting tired of writing letters?

John McInerney, one of the newcomers to the intra-council bowling league this year, has become the proud papa of a fine baby boy. Congratulations, John, and here's hoping that you continue to "bowl 'em over."

TURKEY NIGHT NEXT!

Here is a list of the coming attractions which will command the interest of each and every member for the balance of the calendar year:

FALL PARTY AND SUPPER DANCE: Saturday, Nov. 15. Join in with the merrymakers of Carroll Council and dine and dance to the ultra-superb music of Charles T. Montgomery and his ever-popular orchestra. The cost is $1.50 per plate.

ANNUAL TURKEY NIGHT: Tuesday, Nov. 18. This event is open to members only. Get that carving knife ready for that nice fat fowl to grace your table on Thanksgiving Day.

OPEN HOUSE: Tuesday, Dec. 2. Special Agent A. H. Johnson, in charge of the Chicago office of the F. B. I., will address the membership on a timely topic. The recently released film, "You Can't Get Away With It," will be shown. You may bring as your guests any of your prospective members.. Refreshments will be served.

ANNUAL CHRISTMAS PARTY! Tuesday, Dec. 16. Another stirring message will be voiced by our beloved chaplain, Rev. John S. Kennedy. Gifts will be presented to the members and refreshments will be served. This event is open to members only.

St. Augustine's Have Four Teams Tied for Top Bowling Honors

1-3 Mon.. . . . . 5209 S. Justine St.

Well, we certainly have "one of those" columns this week. No news what so ever. If it weren't for the bowling notes, we wouldn't have a column at all. Guess we will run into weeks like this now and then and make up for it later on. If you members want to avoid these short columns, why not drop us a line once in a while and let us know of anything new. The phone number is Boul. 7312.

TEN PIN TAPS

Dutchmans Tavern and Schaefer Barbers hooked up in one of those grudge battles last Wednesday. These meetings are more of a personal feud between Nic Schaefer and Herman Schiller, the sponsor of the Dutchmen, with the loser coming in for a lot of ribbing. Seems as though the Dutchmen have the Indian Sign on the Barbers, and found little difficulty taking 2 from the Schaefers. Jake Leitzen paced the winners with 233-629. Charlie Subr and John Kurtz led the Barbers with 525 and 510 respectively.

The Ted Kloeckner Florals took the odd game from the Johnnie McCabes. Schabes with 552 and Ralph Amann with 519 led the Florals, while Dan Burke was high for the McCabes with 505.

Mack Bros. Movers did an about face and licked the Heinen Morticians 3 times. P.G.K. Bill Boettger was largely responsible, rolling three nice games and showing a good deal of improvement.

Puetz Markets won 2 from Bonthron Service. John Ossowski, apparently recovered from his recent automobile accident, led the Butchers with 552.

Just to show how close the race is, four teams are tied for first place and only 3 games separate the last team from the first.

Don't forget next meeting is Turkey Nite.

Neri Plans Annual Turkey Night Nov. 18 to Aid Service Men

1-3 Tues. . . . . 7515 Yates Ave.

Another member of St. Philip Neri Council has joined the armed forces of the United States. Bro. Joe Lapota left last Monday for induction. Perhaps as Bro. Lapota was receiving his full uniform plans were under way by G.K. William T. O'Neill to dedicate Turkey Night on November 18 to the boys in service. G.K. O'Neill said,

"St. Philip Neri Council made a fine gesture to aid the boys in camp by reducing their dues one-half. However, I believe we can do better than that. Heretofore 'Turkey Night' was just a council affair in which certain members went home with free turkeys. Now we have our boys in camp to think of. A little effort by every member on 'Turkey Night' can cut the cost of membership further."

Bro. Lapota has been an exemplary member; he was regular in attendance at the meetings and participated in council events whenever he could. He was a member of the softball and bowling teams. His absence like his brother members who are serving their government will be keenly felt by the council. Financial Secretary Henry Doolin will have the complete list of the number of members who are serving the colors for the next issue.

SICK COMMITTEE

Bro. James M. O'Connor, chairman of the membership committee, will call a meeting in the near future to decide future action on prospective members and Bro. O'Connor who is also chairman of the sick and condolence committee would appreciate any member's sending in news items regarding illness or deaths of members. He remarked,

"It is difficult to reach everyone. If the members would just give me a call or G.K. O'Neill, we will see that it is properly announced at the meeting and recorded in this column."

Bro. Pat Woods, chairman of the council's silver anniversary night has set January 28 as the date at South Shore Country Club. Further details will be announced later.

The council's bowling team, in St. Bride pin league, rests in fourth place under the name of Rachs. Members of the aggregation are: Emmett McDonald, Herman Sumner, Walter Greene, Johnny Miner, Henry Doolin, John Rach, Paul O'Keefe and Joe Lapota (who recently left for the army).

Officers of Leo Council invite all members of St. Philip Neri Council to attend the buffet supper-dance sponsored by the former unit on November 15. Further details can be had from G.K. O'Neill.

Bro. Joe Bernard is improving according to the latest reports.

Another great social function of the council is scheduled for December 5. It is the card party of which Bro. Doolin is chairman and his wife co-chairman. This is one of the popular affairs of the council if the attendance and revenue are any criteria.

McHale Issues Early Reminder of Important Meet on November 18

1-3 Tues. . . . . 150 W. 69th St.

While it is somewhat early to write about our next meeting, which will be on Nov. 18, I thought that perhaps a little reminder wouldn't hurt. You certainly don't want to miss the meeting because it will be our annual Memorial Night, and besides, Lecturer Leo Wemple will give away a few Thanksgiving turkeys. Complete details **regarding the meeting** will be given in our column next week.

FOOD FOR THOUGHT

Our council has been so active recently that it reminds me of our activities of many years ago when so many of our members made every effort to do things that would make Archbishop McHale Council THE council in Illinois.

The officers of our council, starting with the man who organized it, P. G. K. Con Kelly and continuing on throughout the years up to the present time, never had a desire to make our council a large one, but they did want it to be a real council, to consist of men who would be untiring in their efforts to make it outstanding in the way of accomplishments for the good of our members and of our Order.

That our officers have succeeded in their efforts has been proven often in the past and now our present officers in the past few months have done things that make our council stand out very prominently among the councils in the State.

Each and every member of our council should be very proud of his membership in it, for to be a member of Archbishop McHale Council is an honor.

A REQUEST

G. K. John Kelly has asked me to remind our members of some of their duties as members of the Knights of Columbus.

One of the duties, and perhaps it can be considered the most important, is that we pay our respects to a deceased brother by attending the wake and saying prayers for the departed.

Each and every one of you should instruct the members of your family to notify any officer or member of our council in case sickness or death occur in the family.

So often deaths are not reported and our officers cannot notify the membership of the death before burial.

And when you are notified of a death, please be considerate and attend the wake with your brother members. You know it is very discouraging to a Grand Knight to have a small representation at a wake after the great amount of work and trouble he goes through to notify you of a death.

HERE AND THERE

Honorary Chaplain Rev. Walter E. Croarkin will deliver an address at the Memorial Meeting of Perez Council, 67th and May Sts., on Thursday, Nov. 13.

G. K. John Kelly, P. G. K. Barney Perona and P. G. K. Will Mugg last Sunday visited Father Croarkin in Chicago Heights and also Father Edwin Hoover in Joliet. You recall that these two priests, members of our council for many years, were recently made pastors.

Loyola-Hyde Park Council notifies us that we will make a terrible mistake if we don't attend their eighth annual Fiesta on Saturday evening, Dec. 6, at 6310 Woodlawn Ave. Admission is only 25 cents.

We are very sorry indeed to report that Grand Knight Dick Phillip of Englewo Council is still very seriously ill and yo prayers are requested for his recove We are also sorry to report that t good old McHale standbys, Bill Car and John Lee, are still ill.

Pinta Stresses Urgent Need for Cooperation in Membership Driv

1-3 Thurs. . . . . St. Mary's Riverda

It has been previously mentioned The Columbian and at our council mee ings how important the coming mem bership campaign is to the future of o council. So far the efforts made by few, though in earnest, are by no mea enough. It is not hard to sell our Ord to those who know our past achiev ments.

At present there are within the pari boundaries a number of newcomers w are eligible but ignorant of the gre principles of our Order and its work wit in Holy Mother Church. We appeal e pecially to those brothers who come daily contact with many young fello to acquaint them with, and make the understand that they are really missi something.

This, brothers, is just a reminder the most important work to come. T sooner we get this done the rest w easily follow.

Garcia Moreno Will Give the Boys the Bird at Next Meet

2-4 Tues. . . . 155st & Lexington Ave.

Turkey nite, an annual event in our council will take place Tuesday evening, Nov. 11. The tickets sent to you by the Lecturer will, if sold, supply the interest and enthusiasm to make the evening an interesting one. The affair is part of the Lecturer's program to raise funds to entertain the members, and to take part in the Order's program of Catholic Action. The promotion of this affair will put no extra burden on any member and we expect each member to do his part for his council.

The officers ask most of all, that we be present at this meeting. Ten turkeys and six ducks will be given away along with the turkey lunch and refreshments. There is only a few days left to go, so let's all make that last effort to do our part. Our present officers are doing their part towards the progress of our council. They deserve our cooperation, and are justified in asking all of us to make turkey nite a success. The deadline for returns is Tuesday eve, Nov. 11. All are asked to have their returns at this meeting early.

NEW RADIO PROGRAM UNDER WAY

Chicago Will Treat Softball Squad to Dinner Tues. Nite

2-4 Tues. . . . . 64 E. Lake St.

TUESDAY, NOVEMBER 11, is observed throughout the nation as Armistice Day. Chicago Council No. 182 will meet that evening and will celebrate by tendering a 6 o'clock dinner to the soft-ball team and then distributing a quantity of turkeys, bacons and hams during the meeting.

The dinner for the softball team will be served at the Triangle Restaurant at 6 South Clark St., where a private dining room has been reserved. Mr. Toffenetti will jingle his Triangle at the hour of six, at which time the ball players, with whetted appetites, will draw up their chairs at the guests' table and the rest of us will congregate at tables set for four, six or "ate," as the case may be. We who are not on the team will settle our own checks. The players are the guests—and welcome, too. (By the way, how is Joe Crain?)

After the dinner, we move over to our hall in the DePaul Building, where the regular business meeting will be held as usual. Financial Secretary Nick Reuland will be on hand to receive dues, assessments and donations for Christmas Cheer.

Turkeys, hams and bacon follow promptly upon the adjournment of the formal meeting and then it will be your opportunity to find out what you are going to take home. That will be very nice. You must attend that night if you want to qualify and we are not telling here how we hand them out, but if you have attended these affairs before, you'll know.

DON'T FORGET

November 14th—Morrison Hotel—that card party for Father Kilderry's Sts. Peter and Paul Parish (Cary, Illinois). As we explained in last week's issue, the upkeep of Father Kilderry's church and school is largely dependent upon the generosity of summer visitors and of those who attend this party. We might remark that those summer visitors buy lots of tickets for this party but there is plenty of room for many more from Chicago Council.

Fifty turkeys, donated by a number of the farmers in the parish will be given away.

COMMUNION SUNDAY

November 30th, has been designated as the semi-annual Communion Sunday for the members of Chicago Council and their families. The Mass at St. Peter's Church, Clark and Polk Streets, is at eight o'clock after which there will be informal breakfast in the refectory.

Chicago Council as observed this November Communion Sunday for several years and the attendance is increasing as time goes on. It might be a bit of penance to get up early on a gray November morning but it's well worth it—certainly your sacrifice would be offered up for the Poor Souls in Purgatory. You'll be surprised how good it makes you feel. And bring the family.

BOWLING

Despite the torrential downpour last Friday evening, all teams in the K. of C. Westside League went into action at the appointed hour and in full force. Chicago's team met up with the strong outfit from Barry and, while they succeeded in taking the first session with a five-point margin, they had to concede the other two games to Barry, one with only an eleven-point difference. Our team went into action bereft of the services of Frank Parenti whose personal duties had called him elsewhere, but the unexpected appearance of Sam Carroll (who was supposed to be attending evening school) revived the fighting spirit, especially after Sam, sensing the situation, searched for and borrowed shoes and then lined up with the team, using a ball not his own. The ill-fitting shoes and the unfamiliar ball were a considerable handicap to Sam otherwise that second game might have been Chicago's and then there would have been fourteen teams tied for first place instead of Barry leading the field with a scant margin.. Gus Caponi was tops for our team with 591 (and a 211 game) while Leo Franz totalled 579 (with a 217 game). Ken Schlorf rolled 519.

Leo Franz promised his wife a new pair of bowling shoes the first time she tipped a 200 game. Well, in last Thursday's session she registered one game at 212. So—she has the new shoes and Leo is rejoicing in her ability.

Hughes Has Fine Group Turnout at Communion Sunday

1-3 Tues. . . . 4711 W. Madison St.

Hughes Council's semi-annual Communion Sunday, Nov. 2, was well attended, a gratifying number being at St. John Nepomucene Church, 30th and Lowe, far the 8 o'clock mass. Our own beloved Father Jed—Rev. Francis Jedlicka—pastor of old St. John's celebrated the mass.

A forceful speaker, Father Jed had a message of importance for his brother knights of Hughes, and none of his listeners but were impressed with his effective presentation of the importance of the gift of faith, the need of hope, and the blessedness of charity—the greatest of the triumvirate of virtues!

When we were much younger, we can remember listening with awe to the youthful and brilliant pastor of Our Lady of Good Council Church at Western avenue near Walton street, for that was Father Jedlicka's parish some years ago, and during the interim he has done much good in building up various parishes so that today he is recognized as one of the most able prelates of the great Chicago archdiocese.

Breakfast was served in the church auditorium after the mass. There Father Jed gave an intimate talk that disclosed his versatility and certainly, if rated as an after-dinner speaker, he would rank with the immortals of the festive board. It would be a good thing if some of our younger knights were reminded that in the course of his membership Father Francis Jedlicka induced at least a couple of hundred Catholic gentlemen to enroll in our ranks. That is inspiration for the rest of us to get busy in the current membership campaign.

AMONG THOSE PRESENT

G. K. George N. Daly and D. G. K. James A. Ryan led the membership to the altar to receive the Holy Eucharist, and practically the entire roster of officers were in attendance, as well as a creditable sprinkling of P. G. K.'s and an encouraging number of members. But as the veteran Mike Kirby remarked, "There is no good reason why the membership should not turn out 100 per cent for Communion Sundays. Only twice a year are we asked to make this outward manifestation of our faith by receiving Holy Communion in a body. It would be a wonderful thing for Hughes Council if we could get everybody out to receive in the spring." Yes, it would be a wonderful thing. Mike Kirby, and here's hoping that all who are physically able to attend receive when the next Communion Sunday rolls around.

LAST MEETING

Hughes Council's activities have been coming so fast and furiously of late that we haven't the space to keep you abreast of current goings-on. But at the Tuesday, November 4, session, Hughes Council's Divisional Softball champions were honored. Lecturer Ray O'Brien had a fitting program and the players were presented with suitable tokens.

As for coming events, don't forget that the November 18 meeting will be the Thanksgiving party, with turkeys to be given away free. Come yourself and bring your friends. The December 2 meeting will witness the exemplification of the First and Second degrees. On December 16, Hughes Council will present a Ladies' Christmas party. Circle the dates.

BRO. THOMAS P. DAILEY, chairman of Catholic Action, would have been gratified with the Communion Sunday turnout. We are glad to report, via D.G.K. James Ryan, that Tom expected to leave the Presbtyerian hospital last Monday. Also that Sir Knight Charles Votava, Sr., is now back home, feeling exceptionally fit, and that Mrs. Votava also had an opportunity to rest at Sacred Heart sanitarium.

BRO. JOHN F. KORBEL and Bro. Frank Van Heule are "letter men" in the membership campaign. John has come through with three new applications so far while Frank has signed up four applicants. Chairman William Kane is prepared to give every assistance to you, too. By the way, add to the names of candidate sponsors recently published those of P.G.K. Harold F. Enright and Bro. P. J. LaRocca.

BE SURE to listen to Morris Sachs' Amateur Hour on the radio next Sunday. A special singer that has the good wishes of Hughes Council members. If you want more facts, telephone G.K. George N. Daly, Nevada 2465.

BOWLING NOTES

THE MAJORS found the lumber tough last Friday and dropped a pair of games to St. Patrick's Council, a team which previously had won only a single game. That's the way it is in this game of ten pins. Despite a 224 count by Elmer O'Brien, Hughes dropped the opener, copped the second by a comfortable margin, then just failed to overtake St. Pat's in the final.

A RED-HOT fight in the Council league each Friday, 7 p. m. in the Cascade alleys, 3827 W. Madison St. Secretary Harold Enright intimates that some may have griped about the retroactive handicap arrangement, but this plan certainly worked out most advantageously, with what only four games separating the first place team from the cellar occupants. This is really some going in a ten-team league.

The Ward Builder Blues swept their series with the erstwhile first-place Peter M. Kellys last Friday to go into a tie for the lead with the Ald. Richard M. Walsh 36th Ward Boosters, which whitewashed the John H. McKeown Cartage team. The Blues were paced by McGivney with a brilliant 589 series. The Ald. Walsh squad found Capt. Tom McDonnell providing the inspirational leadership with a close to 600 total.

The Ward Builder Golds won all three from the Votava Auto-Fixers, though Charlie Junior tried valiantly to prevent this rout. Joe Delaney was top man for the Golds with 568. The Toomeys tooks the odd game from Lauterbach Coal, Flaherty high for the Toomeys. The latter copped the opener by the margain of one pin. The William J. Benes Boosters, led by Pechata, swept their series with Malone & Clancy Undertakers. The standing now is something like this:

	W	L		W	L
Ald. Walsh...	11	7	Benes Boost...	9	9

Washington Goes Easy on Printer's Ink This Trip—There's a Reason

1-3 Tues. . . . 5th Ave. & Wash. Bl.

As far as any interesting up-to-the-minute news is concerned this week's column is a blank. Monday night, 10 p. m., the kids all asleep, the house nice and quiet; the Mrs. out celebrating our 14th wedding anniversary playing bridge with the girls and me without a single news item to write about. But at least I tried.

Bro. Recorder McAuliffe always a fertile source of info. was attending a "Sons of the Legion" meeting with offspring Joe. Had a very enjoyable phone chat with Mrs. McAuliffe. Called G.K. John Joseph Ryan, the man who uses green ink and a reliable source of Washington warblings but he wasn't home. Phoned Lecturer Belden for some advance dope on Ladies' Night, Nov. 18—he wasn't home. D.G.K. Sanservino was called—he wasn't home—what a home-loving crowd.

After a temporary absence, George Washington's portrait once again adorns our council chambers.

Bro. Ed. Murphy, the "Casey Jones" of the C. & N. W., deserves a paragraph all to himself as he has promised to try and make the Nov. 18 meeting. Ed. has been putting in 13 hour stretches which makes it difficult to get out to council meetings. Several times a week we work thirteen hours or more and that in itself is a good reason to attend council meetings for the opportunity to relax and enjoy the grand fellowship of associating with your own kind.

Last week we had the pleasure of becoming acquainted with Harold F. DuChateau, editor of the Columbian and (Mrs. Scribe—please note!!—Mrs. Ed.) please skip—his charming right bower Miss O'Malley. It was very graciously explained to your scribe just why it was necessary to sometimes delete, omit and cut some of his stuff and I'm wondering if this will get through?

Keep the news rolling in brothers. This futile attempt at writing a column now comes to a close.

EXCEPT FOR

One, or maybe two little items here Johnny might be first, the "Service Men's Night" at Oak Park Council next Monday, Nov. 10. There will be some "real" (not punny is it?) movies of the U. S. Navy in action and a captain, admiral or maybe just a gob to tell us about our first line of defense. Refreshments after the movie. You are all invited—if big John Ryan is coming let us know and we'll put another bean in the pot so we'll have enough for all.

Number two is the council's Harvest Party on Saturday, Nov. 18. You are all welcome with your ladies. Tickets are 50c a person and there'll be enough dancing, food and entertainment to make your G.K. say he's had his money's worth! No foolin'. Both affairs at the club house, 641 So. Scoville. Now you can use our column next time!—Ed.

DEARBORN HAS 200 AT MEMORIAL MASS

1-4 Thurs. . . . . 820 W. Garfield Blvd.

Another great Memorial Mass has been said for the repose of the souls of faithful Dearborn members who have departed this life. Some 200 members of our council attended the Memorial Mass, received Communion and partook of a delightful breakfast at Santa Maria Incoronata Church.

Everything as planned by our Catholic Action Chairman, Bro. Anthony Wilhelm, was planned perfectly and executed in the same manner. Bro. Anthony Pidone, who told your scribe that this parish has been his "home" since he was a young boy, was also largely responsible for the great success of the affair. Bro. Pidone arranged for the Young Ladies' Sodality, of which Miss Jennie Venezia is the president, to serve the breakfast and may we take this opportunity to compliment them on doing such a fine and efficient job. Rev. Fr. Lazzari, the pastor, said the Mass and preached a very fine sermon about the good work Dearborn has done. He urged all the men in the church who were not with the Dearborn group to join the K. of C.'s, and especially to join Ft. Dearborn.

Immediately following the breakfast G.K. Devereaux introduced to the knights Judge Mathew Hartigan, long a member of our council, who spoke some mighty powerful words in a very short talk. As our G.K. mentioned the Memorial Mass and Memorial Night at the council chambers is a new practice just started 3 years ago but increasing in popularity each year.

We are very grateful to Fr. Lazzari for his kind hospitality, to Bro. Tony Pidone for his untiring efforts and to all the members who left their beds early on a Sunday morning to honor the memory of our departed brothers. May they rest in peace.

"GREEN BUCK" PARTY

D.G.K. John Downes, together with G.K. John Devereaux, announce that the committees have all been made and by this time there should be many tickets in circulation for our great party, Dec. 6.

The chairmen and their committees are as follows: D.G.K. John Downes, chairman of the party, assisted by Bros. Mike Mercury, Arrangement; Al. Riley, Refreshment; J. A. Richard, Reception; Lee. P. J. McCarthy, Entertainment; A. Pidone, Purchasing; John Logan, Jr., Dance, and Frank Gerry, Publicity. Owen Brady and John Feilen are the cashiers and Andy Frain's Ushers and Usherettes will be on hand to do the checking.

The purpose of this affair is, as you know, to give the children of the members of Dearborn a grand Christmas Party. The G.K. predicts that if this party is a success that the kids will have a Christmas Party that they will never forget. He promises something very different from what they have received in the past few years so let's go to the "Green Buck" party Dec. 6 in order that Santa Claus can stop at the council chambers with a sled overloaded with toys, candy, pop and all the things kids enjoy at the holiday season.

D.G.K. Downes has made some elaborate preparations for this party but we know that he cannot do it all. He must have some help from the members. John is a hard, willing worker and all that he asks is your wholehearted co-operation in this great undertaking. Here is a fact that we should like to impress upon your mind: if each member would take but one ticket the party would be a huge success. Now that's not asking too much. We should be willing to support our officers in their endeavors to that extent and it won't place a burden on anyone. Get in touch with Bro. Dave Kerwin who has charge of the ticket distribution and tell him you would like to have some tickets and then encourage your friends to form their own parties, occupy a whole table together and have a grand time.

Best Membership Records in Years Is Reported Here

Local Councils Increase Efforts to Gain 40% Quotas by End of Year Deadline

To the nation's current watchwords of "Keep 'Em Flying," "Keep 'Em Rolling" and "Keep 'Em Sailing," the Knights of Columbus councils of the Chicago area have added one more of their own—"Keep 'Em Coming." To the uninitiated—and no pun is intended—the explanation, that every council in the jurisdiction is "all-out" after new membership records, may be necessary to a full understanding of the adopted battlecry. But to the hard-working, rank-and-file member, "Keep 'Em Coming" means that there is to be no let up in the flood of new applications that are each day flowing into the hands of most local Grand Knights.

Already this year, three of the smaller councils have kept enough applications "coming in" to meet the intake quota not wholely due until December 31, six weeks hence.

Gains Are Nation-wide

All over the nation, similar reports indicate that the Knights of Columbus are this year to enjoy one of the most fruitful periods in its sixty years history. Increased additions and reduced suspensions are balancing up gratifying net figures that assure enlarged man-power for the entire Order and its many service programs.

Last week's report from the Supreme Office revealed that the past October broke a fourteen year record for membership intakes for that month. Further analysis shows that the past month was also the best of any October since 1920—a twenty-one-year record—for the number of insurance applications received at the Supreme Physician's office.

All these figures and records add up to one conclusion—with a bit more push and effort every council, every district and every jurisdiction can go over the top in this official year.

EARLY DEADLINE FOR THANKSGIVING ISSUE

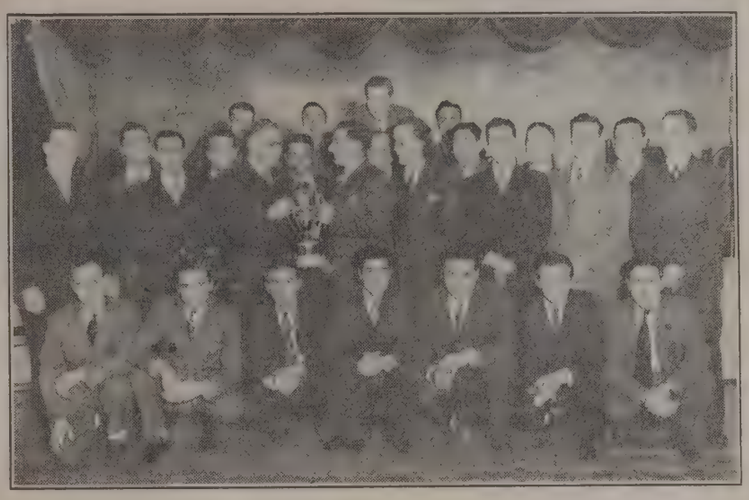
Because next Thursday, November 20, is Thanksgiving Day and will be celebrated as a National Holiday, all linotype and mailing departments of The Columbian will be shut down.

In order to insure our regular week-end delivery it is therefore necessary to advance the regular Columbian deadline to Monday evening, November 17.

All scribes are asked to submit their Council copy for next Friday's issue as far in advance of this deadline as is possible. All mailings made late Sunday afternoon, November 16, should be by Special Delivery in order to insure arrival in time for the Monday evening deadline.

Any extra cooperation on the part of the Council scribes will be greatly appreciated by your Columbian staff.

St. Cyr Gets Softball Award



St. Cyr Council, proud of its championship K. of C. softball team, sent an escort of 60 members to the annual league banquet last week Thursday to see their boys awarded the Leo M. Flynn championship cup. The delegation was the largest single council group at the affair.

Team members and council officers pictured above are: Front row, from left, Joe Lopes, Anthony Magno, Dan De Stefano, Peter Montana, Morris Liberti, Ed Klimek and Sam Ippolito.

Upper row (l. to r.), Florian J. Botica, Joe Cannizzo, Joe Geraci, Phil Piazza, Frank Costa, State Deputy Leo M. Flynn, Jasper Campisi, Herb Morin, Mgr. Vic Priola, Joe Lucania, D. D. Marco de Stefano, Pres. Joe McGreal, Sam Leto, G. K. Joe Maggiore, Dom Domle, D.G.K. Lawrence La Rocco, James Priola, Paul De Stefano and Lefty Jeldum.

La Salle Assembly to Present Annual 'Turkey Night' Program Here Tuesday

LaSalle General Assembly, Fourth Degree Knights of Columbus each year head-lines its regular November meeting with the always-popular "Turkey Night" feature. This year's annual Pre-Thanksgiving session will be held next Tuesday evening, November 18 at the Palmer House. If previous affairs of the same nature can be taken as precedent, the "S.R.O." sign will be hung out shortly after 8:30 p. m.

A short but important business session will precede an exceptionally fine musical program. Members of the Patrons' Committee will be on hand to chaperon the turkeys and see that they find Sir Knights willing to escort them to waiting ovens and Thankgiving tables.

Members of LaSalle Assembly, the largest and most active in America, are already enjoining their eligible Third Degree fellow council members to enroll in the Fourth Degree at the next exemplification, which, according to recently appointed Master, Philip C. Nilles, will be held at the Palmer House on Sunday, March 1, 1942.

In addition to his announcements of the date, Master Nilles advises that interest in the Fourth Degree is at a high peak here and that observations would indicate a record breaking class for the 1942 ceremonial. Members of the armed forces, Army, Navy and Marine Corp will be permitted to take the degree in uniform, he said. Required dress for civilian candidates is the regular full dress suit.

A similar waiver of the full dress requirements in 1918 resulted in one of the most colorful exemplifications ever held in Chicago. Over two hundred candidates wearing the khaki uniform of the first A.E.F. or the blue of naval service were initiated on the Sunday afternoon of March 3.

The entire class was second in number only to that exemplified in 1919 when on November 3, seven hundred soldiers and sailors—then but recently returned from active service in World War I—made up slightly more than half of the largest class ever inducted into the Fourth Degree in any single exemplification.

SIR PHILIP GIBBS TO LECTURE AT CHARLES CARROLL FORUM SUNDAY

Sir Philip Gibbs, who will lecture exclusively in Chicago, before the Charles Carroll Forum on Sunday, Nov. 16, at 3:30 o'clock at the Palmer House, arrived in the United States recently aboard the Yankee Clipper from Lisbon. This is the first visit of the famous English author to America since 1922. "The Spirit of Britain" will be the subject of this, the fourth address in the 1941-1942 series of the Charles Carroll Forum.

The Rev. James A. Magner, founder and executive secretary of the Charles Carroll Forum, will come from Washington for the lecture.

Sir Philip Gibbs, interviewed after his arrival in the United States said "The Clipper, the most romantic airship in the world today, is the only sure link between a world at war and a world at peace."

Softball Banquet Closes Season on Note of Success

300 Fans Attend Tenth Annual Banquet to Honor New League Champs

Slightly more than 300 Knights of Columbus sport fans turned their attention from more seasonal sporting activity to attend the annual Knights of Columbus Softball Banquet at the Midwest Athletic Club last week Thursday in honor of the 1941 champions from St. Cyr Council.

Few times in the league's ten year history has an attendance of so large a group marked the post-season "Champion's Dinner", annual occasion for the distribution of winner's trophies and other sectional awards. St. Cyr Council alone was responsible for a delegation of some sixty members, while Leo XIII Council, provided an escort of more than twenty for its beloved squad of "Fighting Irish", second place winners in this tenth annual tournament.

Popular Program Features

Fully meriting the exceptional attendance was the banquet program which included addresses from most of the leading local Knights of Columbus figures as well as many of the more prominent civic leaders.

William Blake, famous "Big Nine" football referee, handled the difficult task of M.C. with ample evidence of the good judgment and quick wit that has brought him so much fame as one of the nation's leading gridiron "judges". Blake, a member and current Lecturer of St. Philip Neri Council here, enlivened the program with a constant flow of interesting and humorous anecdotes.

Award Victor's Trophies

Among the other notable guests was State Deputy, Leo M. Flynn who as donor of the first place trophy, made the presentation to St. Cyr and predicted a big year for the league next season. La Salle De Michaels made the second place award to the runner-up team from Leo in behalf of Edward J. Kaindl, Recorder of Cook County.

The third place award to St. James Council through the courtesy of Clayton Smith, president of the County Board, was presented by Past President of the League and Grand Knight of Barry Council, "Barney" Cunningham. Frank McGillen, P.G.K. of Genoa Council, awarded Santa Maria Council, the fourth place cup donated by James M. Whalen, Sanitary District Trustee.

Election Is Next Business

Divisional championship awards were also presented to the six sectional winners, Hughes Council, champions of the West Division; Auburn Park Council of the Southwest; St. Francis of the West; St. Cyr of the North; St. James of the South Shore sector and Leo XIII of the Central Division. Donors of these divisional trophies were Judge John F. O'Connell; Judge John F. Bolton, Past State Deputy; May and Halas Company; Philip C. Nilles, Master of the Fourth Degree; Fred B. Snite and the Midwest Athletic Club.

FR. O'CONNOR HOST TO DEGREE CLASS DEC. 4

1-3 Thurs.....4660 N. Kedzie Ave.

Dec. 4 is degree night. At our regular meeting hall our councill will hold sway over the first and second degree initiation of our order. Not only will it be for our own members but for the members of the north side councils adjoining us. A large class is expected.

This will not only be an evening for you to enjoy and long remember, but it is an evening that you, as a member of the Knights of Columbus and Fr. O'Connor Council, should feel it your duty to make this meeting and assist in giving these new members a hearty welcome.

We are saddened to learn of the death of Bro. John P. Remus. A delegation of Fr. O'Connor members attended his wake last Friday evening and offered up a rosary for the soul of our departed brother. And to his beloved family Fr. O'Connor extends its deepest sympathy in their hour of bereavement.

BOWLING NEWS

The Navin's Inn, without Navin, walloped the Shamrocks, with Navin, for three games and took over undisputed possession of first place. Tom Gaughan led the winners with 593 and now boasts an average of 190. Cummings helped a lot with 507. Introducing Rutzen, a new bowler for the Navins. For the Shamrocks Dick Navin led with 523 but nobody helped him. King Coals took two games from the Christo Printers; Bartosch had a 590 series and Bob Ternes 542. For the printers Barney (Sinclair) Speck had 490.

The Furman Funerals took two games from the Kaminless Alliance Life. Harry Engert led with 513; Wermich, Sr., father of Clare, is now a member of this team. Bechtold led the insurance team with a nice 569. The Nolan Insurance team defeated the Widtmann Meats two games. Dr. Macdonald had 538 to lead the winners; Phil Doyle, back in shape, bowled 514. Geo. Loohs had 446 for the losers.

OUR BOWLING SPONSORS

NAVIN'S INN—That everpresent name in our bowling league is sponsored by our well-known brother, Dick Navin. Dick is and has been for as long as I can remember a very active member of the council. He has always been ready to give us his assistance and when the occasion arose we could always bank on Dick for a quarter, half, or barrel of refreshments. Navin's tavern, at 3115 Montrose—the address is hardly necessary—is one of the best known meeting places on the north side. There is always a crowd at Navin's Inn, a crowd that you can enjoy. So any time you are in the neighborhood just drop in. Dick will appreciate it and you will meet a lot of your friends there, and if you want to listen to stories—well, Dick is a mighty hunter and fisherman.

SCRIBE'S SCRIBBLING

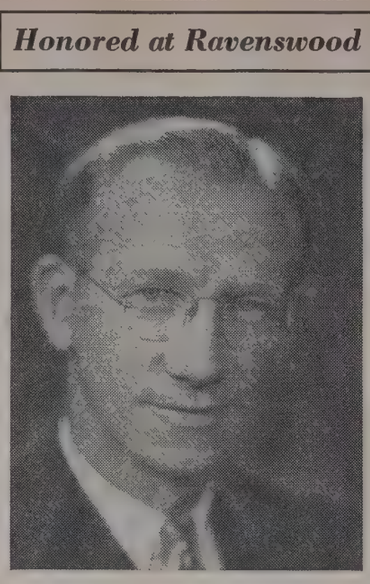
Joe Brady, the little speed demon, is leading St. Veronica's Holy Name Bowling League with an average of 186. Must be easy alleys to bowl as I have seen Joe bowl (address of your scribe is China after that remark). Charles Rank is secretary of St. Edward's Holy Name Bowling League. . . . Clare Raymond finally closed his summer palace last Sunday up at Lauterdale, Wis. He said he just had to get back to Chicago to keep up with the meeting and entertainment program of Fr. O Connor that he has been reading so much about. Can't blame him either, because it's really worthwhile this year.

Bro. Hugh Davis and his wife, Kay, left for Miami, Fla., on Nov. 6—just when we were enjoying that cold, rainy spell here in Chicago. Some people get all the breaks! Well, Hugh, have a good time, but don't write the council that you are having a swell time and wish we were there, as we will be wishing the same thing, and you can't use wishes for transportation. . . . Bro. Fred Nessler is going to lose another of his beautiful daughters—Genevieve this time—in marriage to a well-known Albany Parker named John Wesley. The date for the forthcoming occasion is Nov. 20, Thanksgiving Day. Fran O'Grady will act as best man, George McLaughlin, John Golden and Matt Needham will act as ushers. Yours truly, being John's brother-in-law, will also get a piece of wedding cake that day. John will soon become a member of Fr. O'Connor Council, I hope!!

At our last meeting Joe Nolan was appointed chairman of the Christmas Cheer fund. Ed Heckinger, who did such a swell job of it last year, had to give it up, but promised to help all he could. This Christmas Cheer fund is for a most worthy cause and you know when you donate 25 cents, 50 cents or $1 that some needy family will be made happy on Christmas day. So, fellows, whatever you can spare give it to Joe any time or any place you see him.

The strongest living thing, in proportion to its size, is the beetle. Some of those six-legged Samsons can carry 850times their own weight. If man were proportionally strong he could lift seventy tons.

Honored at Ravenswood



P. G. K. CHARLES MORGAN

1-3 Wed.....1521 Wilson Ave.

Charlie Morgan night is now history, history of a sort that is not soon forgotten. Numerous times within the tenure of this writer have there been excellent parties and celebrations, but never one to equal the festive occasion of a week ago Wednesday evening.

The regular business meeting convened early and all unnecessary discussions and business was dispensed with in order that none of our distinguished guests might be kept waiting. At the conclusion of the evening's speeches and entertainment, PGK Morgan was presented with a set of the finest golf clubs any golfer ever laid eyes upon. An especially fine feed and gab fest closed the evening's fun, unless you might wish to include the workmanlike way in which a number of our talented householders took hold and helped Lecturer Al Carroll clean up the kitchen as part of the fun.

The roster of speakers ranged from State Deputy Leo Flynn to the honored guest of the evening, PGK Charles Morgan. In between these two knights we were honored to have a few words addressed to us by State Secretary Ray Gleason, District Deputy Edward Molyneaux, District Deputy Henry Phoenix, District Deputy Frank Wolleber of De Soto Council and PGK John McIllvaine, who presented our council's token of esteem to Bro. Morgan. Judge Erwin Hasten was with us during the business meeting but due to an earlier appointment was forced to leave.

Ye scribe would not like to make an attempt to present a palm to any one speaker in designation as the most interesting of the evening. Suffice to say that never has this writer heard a group of speakers that equaled those named for forceful yet personable delivery. They had only the highest praise for the work and effort PGK Morgan put forth in carrying out his duties, whatsoever they may have been, through his more than twenty years of knighthood. In addition each of the speakers reminded us of the fact that not only is Charles Morgan an outstanding knight, but he is also one of the best attorneys in the city; most of all he is the finest gentleman one could know.

ENTERTAINMENT

The evening's entertainment started with fifteen minutes of laughter-provoking trickery and a little kidding of the audience by Jack Herbert, a master of legedermain and whimsical jokery. He left the crowd in an amused state of mind by a succession of foolers. The high point of his act was his vivid portrayal of what happens to the poor rabbit when an absent-minded magician forgets to empty his pockets before sending his clothes to the cleaners.

A few of our fellows missed the business meeting and a still fewer number missed the early entertainment, but none of the final crowd missed the feed that brought the evening to fulfillment, and we do mean fulfillment. Especial thanks to Recorder Dave Heelan, who so efficiently handled the food details for Lecturer Carroll and the two very fine gentlemen, Dick Collins and Grat Garran, staunch friends of PGK Morgan, for their fine preparation of the meat, coffee and sauce. It may be said of them that they are gentlemen, doubtlessly scholars, and definitely fine cooks.

It is impossible to list here all the Ravenswooders and guests who attended, but your writer can say that he met a few of his council brothers for the first time, which should give some indication of how the boys turned out for Charley Morgan night. Our Lady of Lourdes Holy Name Society was well represented among the guests.

Remember the early (Monday evening) deadline for next week's Columbian!

Oak Park to Hold Harvest Ball at Club Sat. Evening

2-4 Mon. . . . 641 So. Scoville Ave., O. Pk.

The unusual attendance of 84 members who turned up for Monday night's meeting was to G. K. Cagney and his staff. A heartwarming forecast to the success of Oak Park Council's "Harvest Party" tomorrow evening, Saturday, Nov. 15.

Preparations right now are for an attendance tomorrow night of more than 250 couples. Lecturer DuChateau and his committee have the club-house decked out from stem to stern with enough party features to insure literally everyone with the time of his life.

In the main hall upstairs an able orchestra will keep dancing toes a-tapping all evening long, while on the first floor card enthusiasts will vie for table honors in any game of their choice. Special gifts, one for each table, plus enough others to tax the capacity of the most genial Santa Claus will be distributed throughout the evening. Refreshments, provided by Oak Park's own Ladies Auxiliary, will be served from mid-evening on.

Admission to the party Saturday is but fifty cents the person including tax. The fun begins at 8:30. If, by any queer quirk of Fate you are now without tickets, don't hesitate, come right over anyway, there will be plenty of tickets at the door. But come early, come a-running and bring your family and your friends. For fifty cents you can't go wrong! Fun is what we're going to have and the more the merrier!

LAST MEETING

A seat in third row center at the premier of "Moby Dick" may be as close as a lot of Oak Park Council members ever got to salt water but after Monday night's meeting every one of the 84 (by actual count) members who attended to see the official movies of the United States Navy in action are died in the wool "salts."

Along with the three reels of exciting naval pictures that depicted action in the fleets' air, sub and battle-wagon divisions of service, Ensign "Bud" Jennings and Signalman First Class, K. H. Polk told the boys how really good Uncle Sam's gobs and the ships they sail are. Even Frank Ertell wanted to join up after the feature so you know it was good!

Following the entertainment the boys stopped off at the first floor (below decks really) and had a plentyful serving of baked beans and brown bread. No matter how good navy cooks get, we believe our own bean baker is tops for only two were left after the boys finished. Both the remaining beans are to be kept for Kallal and his bowling team as soon as they get far enough up out of the cellar to take nourishment.

Another highlight of the program was the presence of our new District Deputy, Harold Crotty, who gave an all too short address on Order membership. Come back again D. D. Crotty, we know a good man when we see one.

La Rabida to Attend Memorial Mass at St. Anselm's on Thursday

2-4 Tues. . . . . 6236 Princeton Ave.

On Thanksgiving morning, Thursday, Nov. 20, the members of La Rabida Council will assemble at St. Anselm's Church, 61st St. and Michigan, where our Annual Memorial Mass for the repose of the souls of our departed members will be celebrated at 9 o'clock.

The Rev. Father Heffels, the new pastor of St. Anselm's Church, has been gracious enough to extend to us the courtesy of a special Mass at 9 o'clock so that the members may take advantage of the holiday and an extra hour of rest.

This annual Mass usually attracts a large turnout from the membership of the council, so please let this year's "Memento to the Dead" be no exception. Following the words of Holy Scripture, "We loved and respected them in life, so let us not forget them in death," it is the wish of our worthy Grand Knight, John Farrell, that every member of the council make an earnest endeavor to be present.

MARY ROGERS DIES

Mrs. Mary Rogers, wife of the late Joseph F. Rogers, a deceased member of La Rabida Council and a life-long member of St. Anne's parish, died at her home, 219 W. Garfield Blvd., on Oct. 29. A large delegation from our council attended the wake to pay our respects to this good woman.

Funeral was held on Monday, Nov. 3, with solemn Requiem High Mass at St. Anne's Church. Burial was at Calvary Cemetery. A beautiful tribute was paid to the memory of Mrs. Rogers by the Rt. Rev. Msgr. Francis Purcell, pastor of St. Mel's Church, who reviewed her fifty-odd years as a member of St. Anne's parish.

It will be remembered that Mrs. Rogers raised from boyhood, Bro. Stanley O'Carroll, a member of La Rabida Council, who later was to become one of the outstanding Boy Scout leaders in this part of the country and one whose long connections with the Juvenile Court of this great city, as juvenile officer has made him an authority on this momentous subject.

Mrs. Rogers may well rest in peace in the thought that she has raised to manhood Bro. O'Carroll, a perfect example of the qualities that a Christian Catholic gentleman should possess.

MEMORIAL MEETING

La Rabida's annual Memorial Meeting, usually held the meeting following our Memorial Mass, will be held this year on Tuesday, Nov. 25, at our regular meeting hall. La Rabida, who in late years has become well known for its outstanding nights, will endeavor to make this year's affair no exception. As usual, many outstanding dignitaries of the Order will participate with the council on this solemn occasion. Our worthy District Deputy, Patrick Woods will deliver an address on "Our Order and Its Dead," while our own P.G.K Edw. J. Scahill, will deliver the eulogy. Keep this date in mind, brothers, and be present with us on this occasion.

BOWLING

The bowling results of Monday, Nov. 10, are as follows: The Dion Quints took three games from the Cogan Coconuts, while Kapple Chicks were making a clean sweep of their three games with the Has Beens. The standings:

	W.	L.
Kapple Chicks	22	5
Dion Quints	16	11
Cogan Coconuts	9	18
Has Beens	7	20

St. Anthony Enjoyed Excellent Attendance at Last Council Meet

1-3 Thurs.....73rd and Grand Ave.

Our last meeting was a "honey." Even with the weather man working against us, and he must have worked overtime to collect all that rain, snow, etc., we had a very good attendance. We wish to thank our guests, State Secretary Ray Gleason, Ludwig Streck, PGK of Cardinal Council, and Technician Swintek of Archbishop Weber Council, for honoring us with their presence. Past State Deputy Henry Lynch was unable to attend due to the sudden death of his brother, George. We offer Henry and the Lynch family our sincere sympathy.

Bro. Ray Gleason, after tossing some well-earned bouquets in the direction of our grand knight, John Deignan, gave a short but very interesting talk on the accomplishments of our order and praised our council on the fine work we have done in the past year. He also mentioned the work the Chicago Chapter is doing in Christmas Cheer and reminded the brothers that it is again time to send in their contributions so that this great work may continue.

Bro. Streck added a few more verbal roses to Bro. Deignan's bouquet and thanked the council for the cooperation given to him in the recent barbecue. Bro. Swintek, technician, after typing nine of the brothers, explained how the blood donor group operates and how, by knowing where these various types of blood may be found, has been the means of saving many lives. Every brother should be typed and be ready to answer the call if needed.

Did you know we have a bowling league? It is going full blast and meets every Tuesday evening at the Neva Alleys. We understand that a couple more bowlers can be used, so why not come up and join the fun? You'll get more than your money's worth.

Congratulations are in order for Charles Hart, Jr., son of Bro. Charles Hart, who was married last Saturday in St. Gertrude's Church in Franklin Park. Good luck, Charles, and many years of happiness.

Bro. Frank Speknek left the meeting with a big smile on his face and an order for a big turkey in his pocket. Frank was winner of the attendance prize. . . . Those doughnuts tasted mighty good and so did the coffee. . . . Someone wrote a song entitled "Why Don't We Do This More Often?" As I said, those doughnuts were certainly good.

FRENCH PEASANTS GIVE CITY CHILDREN HOMES

Under the auspices of the Catholic Agricultural League and the Catholic Labor League, peasant families are receiving into their homes children from the cities where distress is greater. Those families unable to accommodate children in their own homes are contributing money for their maintenance. Each family receives financial aid in caring for child-guests, but no profit is made.

So far 600 children from Lyon, 300 from Grenoble, 250 from Bourg, 100 from Roanne, Montpellier and other towns, and 50 from St. Etienne have been placed on farms, and the committee is seeking temporary homes for 500 additional children.

Quigley Poultry Night Next Tuesday to Pack Clubhouse

1-3 Tues. . . . . 1035 W. 31st St.

On Nov. 18 the Quigley clubhouse will be the scene of the peppiest meeting held this year. Lecturer Kasper Knasiak has invited 1,000 pounds of poultry (turkeys, geese and ducks) to this meeting. The general idea is for the members to dispose of these birds of feathers.

Every member is eligible to take home a Thanksgiving bird. Your presence is your ticket—and visit the new clubrooms on the second floor. These rooms equipped with pool and ping pong tables, card and gymnasium equipment and other facilities are at the service of every member on every night of the week.

Also on this night, Nov. 18, Wm. Lenz will have a technician present who will type any member desiring to join Quigley's Blood Donor Unit. The service this group has already performed is remarkable and more members are needed to continue on with this charitable endeavor.

Deadline for ads in the souvenir program will be on Nov. 18. If at all possible try and bring in at least one ad. Patrons sell at fifty cents.

The dance, to be held on Nov. 22, is attracting wide attention, and promises to be our greatest dancing social. Ticket money can be turned in to Chairman Stanley Szczecinski or Fin. Sec'y John Jankowski.

POLISH RETREAT

The date of the Polish Retreat at Mayslake has been changed to December 19. The entire retreat will be conducted in the Polish language. Rev. Cyril Mitera, O.F.M., will be the retreat master.

Quigley members who desire more information are asked to contact our Retreat Chairman, John Karzewski. This class is sponsored by John Sierocinski and Julius Skrydlewski.

Bolder Landry, one-time cowboy and professional rodeo rider, is now studying for the priesthood, according to the La Jeunesse Ouvriere, official publication of the Catholic Young Workers or Jocists. In his activities as rodeo rider, young Landry is said to have crossed the United States sixteen times from east to west and seven times from north to south. He has also exhibited his horsemanship in Canada, Mexico and South America.

Let 'er blow—who cares!

This is no time for a windy story. *Saturday is Nov. 15* – one jump ahead of Winter. Out comes the old overcoat. *M-m-m*, pretty sad looking – sort of frowzy at the edges. *"John – don't you dare wear that thing."* And then it starts blowing. Now hold on, take it easy – from here on it's a cinch. Like most smart men, you'll naturally barge into Bond's – do your picking from a huge selection – pay the same low price as always—*and that's that!* Of course you know in advance that *all* Bond overcoats are *Rochester tailored* –that's one big reason for going there. And with Bond prices untouched by any boost, well–*let 'er blow, who cares! You're* all set no matter *what* happens.

The Eternal Voice

From a building surrounded by the city of Rome is raised to the world time and again the voice of a single man—a man who is spiritual ruler of almost 400,000,000 Catholics—civil ruler of a few hundred subjects in a country of some 160 acres—the Vatican State.

Often his voice is raised in benediction, in spiritual direction—raised to fulfill the obligation imposed upon his predecessor, the first Pope, by the command of our Lord to St. Peter: "Feed my lambs! Feed my sheep!"—raised by authority of Him who said: "Who heareth you, heareth Me."

No army or navy or air-fleet or submarines has the Holy Father. No forts or entrenchments or weapons of defense. Yet time and again his voice rings out, rebuking war-lords, armed to the teeth—deploring murder and persecution and the robbing of man of his innate rights—censuring those who deny God, who make a god of the state, who make of their own race the elect of mankind.

Again and again without fear or favor, the Voice of the Vatican is raised against the enslavement of the laboring man through excessive capitalism, the slaughter of the innocent through so-called mercy-killing, the crime against man's body through sterilization, the sin against God and nature through contraception, the threat against civilization through Godless education, the ruin to family and state through divorce.

No matter how popular the sin or the error—no matter how threatening is he who is rebuked, the Voice of the Vicar of Christ comes forth that he who has ears may hear, that the evil may be made manifest, that men of goodwill may know and act and be saved.

Peter, the first Pope, and many other Popes raised their voices and were murdered. Our present Holy Father and his successors may suffer a like fate; but the Voice of the Papacy cannot be stilled; for that voice is the echo of another which 1900 years ago guaranteed its own perpetuity by the promise: "Heaven and earth will pass away, but My word will not pass away."—Catholic Information Society of Narberth.

First Loop Showing of Film on Mass to Be Given Here Mon.

The first day of the Loop exhibitions of "The Eternal Gift," at the Woods Theater on Monday, November 17, will be under the auspices of the Catholic Order of Foresters, according to an announcement from Father Hugh Calkins, O.S.M., of the Servite Fathers, director of the Chicago Presentation.

This presentation will be known officially as "Catholic Order of Foresters' Day at 'The Eternal Gift'."

"Polish Relief Fund Day" will follow on Tuesday, November 18, at the Woods Theater under the auspices of the Polish Roman Catholic Union. The Polish relief fund is used to help alleviate the suffering of Polish war victims.

"It has been a desire very close to us to have a Loop presentation of this superb soundfilm dramatization of the central doctrine of Catholicism," said Father Calkins. "It is indeed a great step forward in bringing the Mass to the masses to have this exhibition at the Woods in the very heart of Chicago's theatrical Rialto and it's most significant of the trend of the times. We hope that our people will make this Loop presentation another record breaker in the very theater where 'Gone with the Wind' was shown so long."

BARRY MEMBER IS CHAIRMAN

Father Calkins announced that James W. Cotter, 205 N. Long Ave., an attorney with offices at 100 N. La Salle St., has been chosen chairman of the Loop exhibition. Mr. Cotter is a member of Barry Council, K. of C., executive secretary of the Chicago Catholic Men's Club, delegate to the Catholic Youth Senate, member of the Holy Name Lecture Bureau, and a director of the St. Mel Alumni Association.

Joseph Francis Sheen, brother of Rt. Rev. Msgr. Fulton J. Sheen, Narrator in "The Eternal Gift," is general chairman of the Chicago presentation of this great soundfilm.

The Woods theater will have nine performances daily, starting at 8 o'clock in the morning and ending the next morning at 2 o'clock.

A private exhibition of the soundfilm for more than seventy members of the Hierarchy, including ten Archbishops, from all parts of the country, will be given November 18 in the Grand Ballroom of the Drake Hotel. The members of the Hierarchy are gathering here for the annual meeting of the Catholic Church Extension Society. His Excellency, Most Reverend William D. O'Brien, president of the society, will be host to the visitors.

Hildebrand Memorial Mass Will Be Offered Thanksgiving Morning

1-3 Thurs. . . . . 5711 W. Chicago

Despite inclement weather, the Old Timers' Nite was a grand success. . . . Proper tribute to those stalwarts was the theme of the evening, and we are happy that so many of them were on hand to participate in the program. . . . Happy indeed to see Brother A. Angelo after ten years' absence. . . . Jim Gillen numbers among the youthful men, despite his many years of service. . . . Ed. McGeean is the only Charter member left on the list. . . . Somewhat of a distinction. . . . The momentous event of the moment is the Memorial Mass at St. Agatha's Church on Thanksgiving morning, Nov. 20, 9 o'clock. . . . We anticipate that a large gathering will be on hand to pay tribute to those Brother Knights who have preceded us to the Great Beyond. . . . No more fitting tribute than for you to attend the Holy Mass offered for their eternal happiness. . . . Bring the family.

Barry to Sponsor Series of Weekly Parties at Club

1-3 Tues. . . . . 2856 Washington Blvd.

How about getting that crowd up to the Wednesday night parties at the clubhouse? You know these parties are sponsored by Barry Bowling League and you will be well repaid for your efforts. Proceeds of the parties are to send a large delegation to the coming National K. of C. Bowling Tournament at Cleveland, Ohio, and so we would like to see more of the bowlers and their friends attend. The committee in charge is planning on sending the largest Barry delegation in history to Cleveland next year, and to do this we need your support; make this a reality by attending these parties.

Last session Recorder Kaindls won two from Sheehan Chili's, and in this battle our good friend, Frank (Duke) Lane, shot a 707 series with scores of 236, 223 and 248, which helped the team shoot a new second high team series with a 2,539 score. Al. O'Malley sure was hot with a 572 series and 222 high game for Sheehans.

Garfield Restaurant locked horns with league leading Little Jacks and knocked off the leaders for three games and are now tied with them for first place. Lou Rosenmayer shot a 546 series with 203 high game for Garfields, and Captain George Rose shot a 487 series with 181 high game for Little Jacks. Dennis Doherty, a new bowler on Garfields, gave a good account of himself in his first night out and we are looking forward to seeing this young man way up on the list before long.

Kedzie Coal won two from Ahern Morticians with Joe Crowley getting 548 series with 212 high game. Captain Tom Ferrarrini had 567 series with second high game of year with 251 for Aherns.

Cunningham Insurance won three from American Air Lines with only three men as our worthy President George Minich was laid up with a carbuncle and has to take things easy for a while. The southpaw anchorman, Mike Cunningham, shot a 546 series with 193 high game for his boys, and Rocco Tarsitano had 515 series with 203 high game for American Air Lines.

Faucher Bros. won two from Crowley Cafe with John Tamburrino getting 537 series and Pesty Jim Conley had 207 high game for Fauchers. Harry Kloth had 501 series with 170 high game for Crowley Cafe. Our good friend, Bill Radke, had a large gallery watch him bowl and the young man picked up some hard spares for his many friends.

T. W. A. Air Lines won three from United Air Lines with Charley Urbain getting 557 series and Mort Flynn high game with 206. Phil Cullen shot a 509 series with Joe Kurtz getting 210 high game for United Air Lines.

Mid-West Auto won two from De Mares Coal with John Foley getting 494 series and 198 high game, and Junior Ed. Morgan getting 188 high game and Bernard De Mares getting high series with 489.

Smith Funeral Home won two from Senator Keane's with Ted (Dynamite) Biedzrycki getting 546 series with 196 high game. Charley Svoma shot a 549 series with 207 high game for Senator Keane's.

Prize winners last week were Tom Ferrarrini, Al. O'Malley, Joe Kurtz, Milt Horan, Junior Ed. Morgan, B. De Mares, W. Riedl and John Wilson.

"Heads up," bowlers, line up that party for our Wednesday night parties and help us put them over, as the bigger the crowds the better times we are going to give the boys.

ANNIVERSARY PARTY

Well, the 36th, Anniversary Dance is now a thing of the past, but believe you me, it will linger in the minds of those who were present as oneof the most enjoyed functions ever given by the Commodore Barry Council. There was a capacity crowd, and one of the most friendly I have ever witnessed.

Elmer Kaiser's orchestra was never better, and the soloists he brought with him were exceptionally clever. Those who didn't wish to dance, sat at the tables and enjoyed the refreshments, and watched the dancers, and others went downstairs and bowled. We should give Bill Kennelly, and all the members of his various committees a great big hand for a wonderfully planned and executed evening, and one we will remember for a long, long time.

MEMBERSHIP DRIVE

Letters are being mailed out tomorrow to all members of Barry Council, officially informing them of the "Membership Drive" beginning at once and lasting through June 30. During this drive the initiation fees will be lowered to $5.00. It is hoped that every member—even if not named on the committee—will co-operate with the officers and Chairman of the Committee, D.D. George P. Bamber.

Our goal is to have every member of the Council obtain a new member or a re-instatement. Some will find it easier to contact former members than to obtain new members; and you will receive the same credit for a re-instatement as for a new member.

Don't forget, there will be a meeting of the 1776 Club, Friday, Nov. 14, at the clubhouse, where plans that have been previously planned will be crystalized. Try to be present, those of you who are eligible.

The Barry Majors are still in first place in the West Side K. of C. Bowling League although they are tied now with five other teams. Barry received the short end last week having lost two games to Phil Sheridan Council. The Series were Barry 888-898-838—total 2624. Sheridan Council 853-1021-913—total 2787. Charlie DeVito was high man for Barry with a 186 average, and Frank Soldat was second with a 182 average. On Friday, Nov. 14, Barry will bowl Bishop Ketteler Council, and on Friday, Nov. 21, they will meet Hughes at the Cascade Alleys. Fellows, what we need is a bigger rooting section for our team.

"IDLE CHATTER"

The members of Commodore Barry Council do not want to brag or boast, but in this case we feel we are justified, for we have in one of our officers a man that can enter any eating contest we know about. When a man can sit down at a table and finish an eight course dinner and then go to another table and do the same thing over again, we claim this man is well qualified to enter any contest, especially softball banquets. Yes, sir, and believe it or not, this man is our own Grand Knight, Bernard J. Cunningham. (Mr. Ripley, please take notice!)

Gene De Labadia, daughter of Bro. John De Labadia, was married Sept. 27 to Ralph Cantano at Our Lady of Sorrows Church. Bro. Barney Fornero was one of the soloists at the wedding.

We just got a flash from our good friend, Barney Fornero, the classy tonsorial artist from Madison St. and Crawford Ave., who announces that he will give a $1 weekly prize in trade for the highest game bowled in Barry's Bowling League on Thursday nights. So, bowlers, get those string of strikes and give Barney a call.

Our hard working and go-getter Lecturer, Bill Kennelly, made a lot of members happy at last meeting when he saw that fifteen of the members would have turkey for Thanksgiving. The lucky ones are Rocco Tarsitano (2), D. Roche, Jim Mariga, Joe Farmer, Barney Cunningham, John Tamburrino, R. Hyland, Sam Falcone, R. Delaney, John Chase, Jim O'Neil, Wm. La Pariere, John Donohue, Frank Kucera and Albert Ill.

CONDOLENCE

The officers and members of Commodore Barry Council wish to extend their deepest sympathy to Bro. Al. Tierney and his brother and sister on the recent death of their beloved father, who passed away last week and was buried from St. Mel's Church, Monday, Nov. 10, with interment at Calvary Cemetery.

Catholic Casino to Sing at Thanksgiving Mass in Holy Name Cathedral

The Catholic Casino Male Chorus in which many Knights of Columbus hold leading membership will sing at the Thanksgiving Mass to be celebrated at the Holy Name Cathedral next Thursday morning at 10 o'clock.

His Excellency, Archbishop Samuel A. Stritch, will officiate at the mass and will be escorted by an Honor Guard of Fourth Degree members of the Knights of Columbus.

All members of the Order are invited to attend the Solemn Mass.

Aquinas Gobblers to Be Guests of Honor This Tuesday Evening

1-3 Tues. . . . . 5441 S. Ashland

Grand Knight James Sweeney and Lecturer Wm. Golden have planned an excellent Thanksgiving meeting to be held at the council chambers on Tuesday, Nov. 18. The business meeting will start at 8:30 and after that anything is likely to happen.

To tip you off, don't buy a turkey until you have attended the meeting because, sure as heck, you will bring one home free. As an added attraction, Bill Golden will show an excellent moving picture that covers all phases of sports. Refreshments, of course, will be served.

Last week the Grand Knight's lowly team found themselves and took three games from the leading Peltons by scores of 827, 728, 828, to 812, 813, 736. Sweeney and Hanley led the winner's attack with a series of 535 and 515 each. Pelton led the losers with 504.

The McNamaras went into a first place tie with the Peltons by winning three games from the McGraths, and the Sheehys rounded out the evening by winning three from the O'Malleys. Tonight the boys are rolling for turkeys so you can bet that those pins sure will fly.

St. Francis 'Fran-Fours' Will Stage Party Tomorrow

2-4 Thurs.....4715 W. Madison St.

Tomorrow evening (Saturday) the Fran-Fours, fourth degree club of St. Francis Xavier Council, will hold its fourth annual fall party at St. Agatha's Hall, Kedzie Ave. and Douglas Blvd. You and your friends are cordially invited to attend this shindig. The donation is one buck and that includes everything—dancing, entertainment and refreshments.

A special feature will be the serving of Italian sausage (both sweet and hot—take your pick). Don't let it bother you if you haven't purchased your tickets. You can always buy them at the door. But be sure to attend; you're bound to have a good time!

In one month our coming Father Breen class will be history. What will you have done to help make this one of the glorious events in the history of our council? Surely you are planning to do your share. You still have time. Many of your friends are waiting for you to ask them to join the Knights of Columbus.

All you have to do is step right up with an application and have them fill it out right away. Then bring the applications to the next meeting, Nov. 27, to be read for the first time. We have only two meetings left. Don't let any grass grow under your feet.

The Father Breen class will be held Sunday, Dec. 14, at St. Phillip High School. The three major degrees of our order will be exemplified; the first and second will be in the morning and the third in the afternoon.

DANCE

We just want to remind you that our 24th annual dance will take place Saturday, Feb. 14, 1942, at the Ashland Blvd. Auditorium. The dance medleys will be played by Bro. Torry Muro's orchestra. Torry expects to get a furlough to personally direct the orchestra but if he can't, Bro. Butch Rutili will lead.

You can obtain tickets and patron ad blanks by attending the committee meetings held every Tuesday evening at Babe Criola's home, 3024 W. Flournoy St. Don't wait until you receive a card to attend one of these meetings. We can't get around to sending every member a card, but we would like to see a larger number of members show up on Tuesday nights. Chairman Nick Masse cannot run the dance by himself. He needs your cooperation. Give it to him.

THIS AND THAT

Our annual children's Christmas party will be better than ever. This is the promise of John Caruso, chairman of the committee. The party will be held Dec. 21 at the Garfield Park refectory, and is held exclusively for the children of the members. In order to be eligible you have to come to the meetings for the tickets. None will be mailed. If your children are talented in any way, tell John about it. He's going to present valuable gifts to the most talented. . . . What's this we hear about Dan Laurino changing his name to Daisy Mae? Let us in on it, Dan. . . . Sorry to hear that Bro. Jimmy Gallo's seven-weeks-old baby is sick in a hospital. . . . Our condolences are extended to Sir Knight Terry Pasquale on the recent death of his mother-in-law, Mrs. Catherine Trimarco. . . . It may be a little late, but we'd like to praise Bro. Salvatore Rizzo on that song he wrote for Father Breen. Sol introduced the song, which is written to the tune of "Mother Machree," at the Father Breen affair.

BOWLING

A lead of one game is still being enjoyed by the Izzo Undertakers by virtue of their two victories over the Giugliano Florists last Monday night. Dot Pies held their second place position by sweeping their series from Paterno Pizzeria. Famous Potato Chips moved into third place by cleaning up on Coletta's representatives in the league. Orlando Buffet, Lido Restaurant and Bacigalupo Undertakers won two games each from the Ald. Pacelli, Senate Electric and Marks Motors teams.

Incidentally, due to the advanced deadline next week, we will not be able to give you any bowling news.

Ray Bray and Al Baisi, guards on the Chicago Bears football team, attended the bowling session as guests of Sheik Pintozzi. They expect to attend our next meeting accompanied by a few more of their teammates.

Highest three-game series were rolled by: J. Caporelli, 569; S. Cirrintano, 545; O. Furlan, 535; T. Salvo, 530; C. Principe, 526; H. Garippo, 518; L. Merisso, 517; S. Randazzo, 515; B. Melé, 514; J. Pauletto, 512; E. Marinelli, 508; C. Criola, 507, and J. Defily, 500.

Standings:

Remember the early (Monday evening) deadline for next week's Columbian!

CHICAGO'S COMMUNION DATE IS SET FOR NOV. 30

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council's meeting last Tuesday evening was one of the best attended in a long time. The softball team, minus a couple who had to work and another pair who bowl in one of the big leagues, was on hand in numbers, headed by Manager Paul Rito, league delegate Richard Cole, and Chairman of Athletic Activities Matt Ryan (who is also team mascot).

Chairman Richard C. Murphy of the Membership Committee, spoke with considerable force concerning the urgent need for our members to wake up and build up our membership. While he agreed with Sam Taylor's idea of raising one's own candidates, Brother Murphy reminded the members that this would take a long time and right now, right at our elbows, were many likely prospects to bring into Chicago Council and it was our duty to bring them in.

D. D. Henry Phoenix seconded Chairman Murphy's address and again reminded us that our new policy for applications required that at least five dollars (one-half of the initiation fee) accompany the application. This would do away with a pile-up of applications that get no further than the usual council action. An applicant who has put up money will not lose interest.

COMING EVENTS

A BIG SURPRISE is promised for our next meeting, occurring on Tuesday, November 25th, according to Lecturer Charles Schroeder. Read next week's column for further details.

SUNDAY, NOVEMBER 30, is the day set for Chicago Council's semi-annual Communion Sunday. Eight o'clock Mass at St. Peter's, Polk and Clark, followed by an informal breakfast in the refectory. Invite the members of your family—or your friends. Return the postal card recently enclosed in the Council's letter, signifying whether or not you plan to attend, and how many guests you are bringing. This information is necessary so our committee can inform the people who manage the cafeteria. The breakfast, by the way, is 40c for each person.

CHRISTMAS CHEER. D. D. Arthur Donoghue said that Chicago Chapter's letter of invitation will be in the mails in a few days. Every knight is asked to donate two-bits (or more) to this undertaking which is organized to bring Christmas happiness to children and adults in our Catholic institutions.

Our Financial Secretary, in mailing his bills, has added 25c for Christmas Cheer; but payment of this charge is not compulsory. But since there are a number of our members who are unable to pay anything to this fund, the rest of us are invited to increase our donation to make up the difference. How much you may donate depends entirely upon your love for children and your desire to make them a bit happier during the holidays. Remember, too, the cost of toys, dolls, and other things are away up this year.

CONDOLENCE

Chicago Council No. 182 mourns with Grand Knight Henry J. Lynch on the death of his brother, Captain George E. Lynch, a charter member of Hennepin-Shields Council 967, and prior to his retirement a year ago, a member of Chicago's police department with thirty-nine years of service.

Chicago Council extends to Grand Knight Lynch, to his brother and sister, and to the bereaved wife and daughter, a message of sincere sympathy in this hour of sorrow and we unite with them in prayers for the eternal repose of the soul of Captain Lynch.

BOWLING

Chicago Council's bowlers got some satisfaction out of taking one of the three games from Ketteler last Friday. The margin was only two pins. We were close on the other two contests until the very end. Leo Franz chalked up a 575 series, with Jim Minnick, coming after him with 557 and Ken Schlorf with 550. We have a six-man combination now and low man rests the following week. Thus Carroll comes in and Capone looks on when we take on St. Paul this week.

SICK LIST—Joe Klinger, back from the Veterans' Hospital in Milwaukee, awaits only the word from his physician before taking up his duties once more with the Douglas Park "L." He expects to attend our semi-annual Communion Sunday gathering at St. Peter's on Nov. 30 with two guests.

Bill Serritella seems to have stepped away from the medicine and is looking forward to a meeting night in the not-too-far-distant future when he can come down and say "Trank you" personally to all the members who provided blood transfusions for him.

Ed. J. Donnelly, 4440 Washington Blvd., has been a sick man for a long, long time and is at present confined to his bed. Members living near Brother Donnelly ought to drop in on him.

P.G.K. Edward A. O'Connor is definitely improving, carefully following the doctor's orders.

A couple of weeks ago, at the suggestion of Fin. Sec'y Nicholas J. Reuland, the Scribe put in a paragraph addressed to insurance members with the suggestion that they check up on the beneficiaries named in their certificates. When a beneficiary dies, the member should arrange for the "Change of Beneficiary" without delay. Neglect of this detail sometimes causes no end of trouble.

CHURCH MUSIC: You are invited to attend the 12 o'clock High Mass at St. Vincent's (Webster and Sheffield) on Sunday, Nov. 23, to hear a new Mass composed by Frank O'Connor, the organist of Chicago Council.

Brownson to Stage Smoker to Benefit Kiddies' Xmas Party

2-4 Fri. . . . 4754 N. Western Ave.

To the adult Catholic Christmas has its religious significance but, to the little ones Christmas means Santa Claus, and Santa means gifts and toys. For years the children and grandchildren of our members have come to look forward to Brownson's party for them, usually held on the Sunday afternoon between Christmas and New Years.

This year will be no different to the little ones even though Santa may be busy on the defense program. To make this year's party possible, as in the past, Lecturer Walter Evrard will have a smoker or buck party next Tuesday evening, Nov. 18, on the second floor of 4740 N. Western Ave. Just think, all you eat and all you can drink for $1.00 at the same time enabling the Council to get gifts for your children. To show the rest of the members they are behind this party 100% the Council's league bowlers will suspend bowling on that evening and will attend in a body.

Tell your friends about this smoker and bring them with you and help Walter to make this year's children's party the biggest and best ever.

TONIGHT'S MEETING

If you have not already done so you still have time to make up your mind to attend the biggest meeting of the year TONIGHT. Who knows, you may be one of the lucky ones to go home with a turkey. Even if you don't the evening will be well spent as Catholic Action Chairman Tom Phillips will have the Rev. Father Klyber, a Jewish convert, present to talk on the world wide Jewish question. It should be most interesting as well as very educational.

BOWLING

Top honors last week go to Johnnie Adams who rolled 600 for the Cullom Club, who won two games from the Bob Fortman's Rosewood team. Luddy Walsh 547 and Frank Mawson 538 were high for the losers. Welcome to our league, Tom Phillips. Tom filled the vacancy left by John Papke, who was sent to Oakland, Cal. Tom got 461 but his 180 high game saved a shut-out for the Skinners Sporting Goods team by the leading Dr. Erwin L. Ewald team. Old reliable Benny Baucaro was high for the leaders with 542. Alex Ciesinski, Capt. of the Doose Studio, got himself a sweet 565 series including a 225 game, thereby helping his team to win three from the Best Furniture Co. boys. Stanley Karas was high for the Best team with 552.

Norman McPhee's Undertakers buried the Ald. John Grealis team two games. Walter (Lecturer) Evrard getting a 227 game and a 511 series. Almost his weight. "Tiny" Long's 517 was high for the 44th Ward. Bro. Leo Degan, who transferred to South Bend, Ind., Council about 10 years ago and will be remembered for his work in our minstrel shows, was up to the alleys last week and wishes to be remembered to all his friends in Brownson. Standing:

MEMBERSHIP CHAIRMAN

Frank C. O'Connor has again been appointed chairman of the membership committee and, with characteristic energy, has announced the opening of our membership drive. In making the announcement, the chairman points out that circumstances in general and the improved economic status of prospective candidates have combined to make this a golden opportunity for building up the manpower of our organization.

All council members are urged to participate in the work of this committee and to sponsor the names of eligible friends as candidates for membership. Ample literature is available for the assistance of sponsors and may be had from the committee chairman or the Fin. Sec'y William J. Erwin.

Marquette Greets Its Newly Elected Chancellor, H. E. Wilhelm

1-3 Thurs. . . . . Devon and Ridge

Our Ladies Night, following the last meeting, went over in great style and Lecturer Henrick and his entertainment committee are to be thanked very much for their hard work.

It is congratulations to Bro. Henry E. Wilhelm! He is now our new chancellor, having been elected at our last meeting to the seat vacated by the resignation of Bro. Patrick T. Driscoll.

BOWLING: Last week, the Griffins took two from the Donoghues. F. Loderbauer led the Griffins with 521, while Bro. Walter Panko was high for the Donoghues with 436.

On the other alley, Delanas won two from the McGuire Wildcats. High for the Delanas was A. Ahern with a score of 556, while P.G.K. Geo. Loderbauer led the McGuires with a 527 score.

COUNCIL NEWS

P.G.K. Tom Griffin was one of the speakers at the Softball League Banquet where they paid honor to the champions from St. Cyr Council. Word comes to ye scribe that Bro. Earl Gallagher is back home and discharged from the army because he is over the twenty-eight year age limit. We hope to see him at our next meeting on Dec. 4.

Tonight, Friday, Nov. 14, is the night to attend St. Timothy's 11th Annual Dance and Card Party at the Edgewater Beach Hotel. A grand time is assured all. Bro. Hugh O'Hara is convalescing at his home, 2240 Berteau Ave., and would appreciate some of the Brothers dropping in for a visit. Regretfuly we report that the mother of Bro. John M. Lajka has passed away. The funeral was on Tuesday last. The members will pray for her eternal peace.

DOWLING'S MEMORIAL COMMUNION THIS SUN.

2-4 Tues. . . . . 3625 S. Hoyne

Next Sunday morning, Nov. 16, at the eight o'clock Mass at Our Lady of Good Council Church, 36th St. and S. Hermitage Ave., we will receive Holy Communion for the souls of our departed Brother. This is our annual memorial communion and it should not require any insistence on the part of our Chairman or Grand Knight to have you attend.

We have lost eleven Brothers during the year and many of them were very close to the members. You knew them in life, "Let's not forget them in death." Our council in past years always made a wonderful showing at memorial Communion and this year should surpass all others. The Mass is offered up for our departed and with the offering of your Communion we will help these poor souls.

Immediately after Mass our Lecturer has arranged for breakfast to be served in the basement by the Ladies of Isabella and from past experiences you will be handled in an excellent manner. Your recorder, Tom Gallagher, would appreciate it if you would meet at 35th St. and Hermitage Ave. at 7:45 a. m. and parade to the church. The purpose of the procession is to inspire the young Catholic gentlemen in the vicinity.

MEMORIAL NIGHT—TURKEY NIGHT

Tuesday evening, Nov. 18, is set aside as our annual memorial night and is one of our most important meetings, as it is an exercise in which the council members in a body pay their respects to our departed Brothers. It will be an exercise that will be remembered by all that attend.

We were unfortunate during the past year and eleven of our Brothers passed into eternity and they are as follows: Rev. Bernard Brady, Cyril Drankiewicz, Thomas J. Flanagan, J. Frank Connelly, Stephen Dowling, Eugene Cashman, Patrick F. Crinnion, Chas. L. Hennes, Judge John J. Rooney, Henry Boyd, Sr., and Dr. Geo. F. Bracken.

Our Chairman for this beautiful ceremony is Michael P. Carroll and he has left nothing undone to add to the solemnity of the occasion. At the conclusion of the Memorial our annual turkey night program will follow and many members will take home their Thanksgiving dinner.

MEMBERSHIP

Our membership drive is in full swing and the campaign points to success. On last Monday evening, Nov. 3, we were present at Weber Council to witness 12 of our candidates take their First and Second degrees and we wish to congratulate these new members as this class was an honor to the Order. The degrees were exemplified by the St. Paul of the Cross Council and was performed in an excellent manner. We had the pleasure of having our Past State Deputy John Bolton as a guest of Weber Council and the class was dedicated in his honor.

We had about 50 members from our council present and by our applause they knew we were there. Brother Gallagher wishes to thank the members for their response and hope they keep enthused. Our next degree will be held at Madonna Council on December 12th and our desire is to have at least 20 candidates. This will be easy if each member will only try to get one applicant. The initiation is only $5.00 and we have insurance to offer that cannot be equaled.

The meeting of December 9 will be membership night and our chairman, Tom Gallagher will start a final drive. Keep this date open and bring up your prospective candidates.

CUFF NOTES

WE STILL have some Charity ball tickets out that have not been paid for; if you happen to have one of these I would appreciate an early return as I must make our report to the Chicago chanter at once.

THE PATRIOTIC CLUB of our Fourth degree held their meeting Nov. 4 at the new meeting hall, 1904 W. 35th St., and it seems agreeable to all.

The O'Rourkes and Connellys were well represented at the degrees, but watch out for the Lorden's at the next.

Our Grand Knight, Frank Barker, was on the sick list but is batting 1000 once more. It's hard to keep a good man down. Mart Deiterick is our chairman for the Blood Donor Group and will call a meeting in the near future. Your G. K. solicits your cooperation to Bro. Deiterick in this very worthy cause.

If you know of a Brother that is sick our D.G.K. Jack Deschner would appreciate a phone call advising him of same: Beverly 1499.

Yes! We are going to have a winter dance and you will get details in the near future.

PIN TUMBLERS

We had plenty of upsets last week and left some of the teams in a mood to take revenge, so you can look for some red hot games next week. The Hartnetts were red hot and took 3 games from the strong Gormley team and also established a new high team series of 2498 but were followed by the Dalaeges with 2410 and a 3 game win from the Dunne Tires, the last year Champs but this year's Chumps. Earle Dunne better get out and pump some air into these flat tires. Dr. Michels Dentists shot 2399 to defeat the Dr. Laibes 2 games and if it were not for a terrible disgraceful game of 114 that Come On Daddy Lorden shot but he felt so embarrassed he set up the refreshments for both teams.

The Zintaks shot a 2340 series to beat the Cong. Beams 2 games. The league is like bananas—all in a bunch—only five games separating the first and last team. Each week we can see the bowlers improving.

500 class bowlers: Harry Lepenske, 562; G Man Riley, 548; Waterball Spencer, 541; "Giddap Whoa" Lorden, 520; Red Bow Tie Gene Connelly, 516; John Conway and New Ball Geo. Love, 513.

Because of the rainy weather we did not have many of the fair sex present but the regulars were on hand: Mrs. Skillen, Grace Phillips and Henry Fortier's lovely daughter with her soldier boy husband. We do not know her wedded name but will say they make a wonderful couple.

If Joe Marks don't show up shortly we will send a Chicago squad after him and bring him in from Cicero. If it is the Mrs., Joe, we will assure her he is in very good company.

Brother Joe Nowak is in Hines Hospital, Ward C-308. He has been confined there since September, but according to latest reports he is coming along nicely.

Gen. Sherman to Pay Tribute to Its Dead at Mass on Thursday

1-3 Tues. . . . . 4300 W. North Ave.

A memorial mass for the deceased members of Sherman Council will be celebrated at Our Lady of Angels Church, Hamlin and Iowa streets, Thursday, Nov. 20, at 11 a. m. As you know, this is Thanksgiving Day and most of you fellows are home from work so why not make it a point to hear mass and say a prayer for our departed brothers?

At our last meeting we were entertained by Bro. Ed McIntyre, of Brownson Council, who just returned from California. Ed really has "a line" and it went over big. Thanks a lot, Ed, and come again soon. We had a large attendance at the meeting with a lot of new faces present. Why wait for turkey night, fellows, come up more often and enjoy the discussions, refreshments, etc.

Don't forget the Xmas party which is in the making. Grand Knight Welker informs me he will appoint a committee and have a meeting on the Xmas party within the next week. There were 39 men who took home 53 turkeys. The big winners were Ben Ferring, Frank Mootz, and John Ruh with 3 each; Vince Brauch, Sol Carbone, George Ehler, Al Gerlach, John Jannich, Tom Judge, J. O'Connell, and Frank Veysey with 2 each; Ed Arens, E. Blanford, T. Clark, L. Clark, W. Connell, J. Diesenroth, F. DeLucca, M. Ellgass, J. Foy, G. Gies, J. Groh, E. Hoffman, L. Janco, F. Kennedy, H. Kohl, B. Kohl, L. Kolsaak, C. Koscal, J. LeRoy, F. Lies, J. Lang, Joe Marine, J. Ryan, N. Richter, J. Trausch, T. Tierney, R. Vineyard and J. St. Pierre, one each. All I can say to the rest of you is, better luck next time.

AROUND AND ABOUT

Another good fellow and bowling captain, Bro. Tony Ficht, will be unable to finish out the season or attend meetings. Tony was called on by his company to work nights due to defense orders. Sorry, Tony, we surely will miss you on Thursday nights. It seems that now we have an organist, the boys would like to hear some singing in the council chamber. How about it, Harry Kohl, Hans Slepicka, Ed Arens, Bill Free, John Jannich and the rest of you song birds? The father of Bro. Ed Arens is seriously ill in the hospital and your prayers are urged for his recovery.

CONDOLENCE: The father of Bro. Charles and Anthony Haug passed away very suddenly Sunday, Nov. 9. The council attended the wake at Kolsaak Funeral Parlor Tuesday night. "Requiescat in Pace."

MEMBERSHIP DRIVE: Chairman Matt Ellgass elaborated on the membership drive and asks us all to put our shoulders to the wheel and expend a little more effort in securing applications.

BOWLERS' STUFF

High games of the week: Buckley, 221 and 570; Connelly, 222 and 560; Veysey, 212; Holterhoff, 205; Koscal, 201; Mootz, 396; Janco 83 and two fouls. The standings as of Nov. 6:

Madonna Sponsors Dance at La Salle Hotel Wednesday

2-4 Fri. . . . . 4624 Emerald Ave.

Next Wednesday night marks the umpteenth anniversary of Madonna's Thanksgiving Eve dances. In selecting the Hotel La Salle for the affair. Lecturer James McGrath certainly used the old noodle, because since it's centrally located there will be no kicks coming from those who live in Joliet, Elgin and Waukegan about being out of the way.

The Illinois room will provide the setting for the holiday ball, and if you're from Iowa, Indiana or Michigan, come on anyway, take off your shoes and enjoy yourself. Since the pay in advance idea proved so popular at our summer affair, it will be used again, the cost being a dollar fifty per couple, or two dollars per couple at the door. Naturally, there will be a small charge for set-ups, but through special arrangements with the Republican National Committee, Duke has secured chairs free of charge.

The next thing to be done is to make the place look like a Democratic patronage committee's waiting room. Here's how you do it: You phone five friends an' ask 'em to go, an' they call five, an' they call five, and THEY call five. An' pretty soon your phone rings an' some one asks "How about goin' to Madonna's dance on Thanksgiving Eve?" So you go. It's lotsa fun.

Right now we'd better get the correct band in the Illinois room. Remember last week we said Joe McNerny's Musicteers would play? Well, we're a liar. Duke now says it'll be Tom Lennon's Lullaby Laddies.

Wednesday, Nov. 19, La Salle Hotel, 9 p. m.

LOOKING

Like newly uniformed Texaco dealers, Madonna's Merry, Mad, Bowling League is scaring the life outta itself. We're afraid to visit the boys now for fear one of 'em will grab our shoes, another polish our glasses while a third tries to check the gas and oil. The shirts are nifties, though; each fella has his name stitched into the cloth right over his heart. Wreathed 'round the names are a true lovers' knot and a clove of garlic.

THE SCORE

	W.	L.		W.	L.
Duffys	11	1	O'Connells	4	8
Boyles	9	3	Goldens	4	8
Doodys	7	5	Millers	4	8
McCarthys	5	7	Keans	4	8

Eddie Barry took last week's slump to heart. He pinned up a new league high game, 222.

Little Joe in triplets you might say. Pat Smith and Tom Carmody also had nice series. George Noonan kept the Duffy Florals red hot by taking McCarth's Choir for a ride. Ed Lee's Doodys also took three straight from Goeing's Millers. Ed must be pretty bad to let Jackson jump ahead on the standings.

MADONNA'S MUTTERING

Frank O'Hare is laid up at home, but he's beating off Ole Man Sickness.

Father Jimmy Farrell is back in the hospital with a splintered ankle. Holy Cross this time. Stop in to see him.

Our fifth man in the service is Pvt. John M. Collins, 123rd Field Artillery, H. Q. Battery, 1st Battalion, Camp Forrest, Tenn.

Leo Council will conduct a buffet supper dance at their clubhouse, 820 W. Garfield boulevard, tomorrow night, Saturday, Nov. 15. Under the direction of Jack Kelly, the total cost per person will be a dollar sixty-five cents. Some fun.

IN MEMORIAM

Memorial masses for P. G. K. Austin O'Malley will be said at the Church of St. Kilian, 87th and May streets, on Saturday, Nov. 29, at 6:30 a. m. and on Wednesday, Dec. 3, at 7 a. m. Members are invited to attend.

Ridge Members Will Have Fowl Time at Next Tuesday's Meet

1-3 Tues.....8219 S. Halsted St.

Ridge Council's next meeting, Tuesday, Nov. 18, will be turkey night. There will be some nice big luscious fowl for several members, so come on up—you may be one of them.

MEMORIAL MASS

Thursday, Nov. 20, Thanksgiving morn, Ridge Council will hold its memorial mass at Sacred Heart Shrine, 117th and Church Sts., at 9 o'clock. On this Thanksgiving morning, when we have so much to be thankful for, every member of Ridge should take an hour out to pay his respects to the memories of our departed brothers, several of whom passed away in this past year.

Bro. Ernie Johnson narrowly escaped death last Tuesday, Nov. 4, while on his way to Joliet. The car which he was driving was cut off by a milk truck and forced him onto the granite siding and turned him over four times—once more and he would have rolled into a quarry about 200 feet deep. His leg was badly bruised but he was saved from being crushed by the steering wheel when the back of his seat broke off. (You are very fortunate, Ernie, and must have prayed fast. Hoping to see you at the meetings real soon.)

On Dec. 2 Ridge Council will be host to South Section No. 2, with a first and second degree. Have you a new applicant yet in order to make it a success for Ridge Council? If not, how about getting busy immediately, as it is only a few weeks away.

Fr. Setters in Modern Thanksgiving Setting Next Monday Evening

2-4 Thurs. . . . . 4711 W. Madison

As all you lads remember from your first readers (if you didn't play hookey from school the day the subject was covered) the Pilgrim Fathers who landed at Plymouth Rock in 1620 had a mighty tough time of it for the first year or so. Later on, things got better, what with aid from the Federal Farm Administration, the W.P.A. and such-like. So, to celebrate better times the governor of the colony proclaimed a day of thanksgiving and sent several of the boys out into the woods to shoot some turkeys for the festive banquet.

Along about this time, the Grande Knight of Father Setters Council got wind of the idea and thought it would be a shame to let the Pilgrims outshine the Knights of Columbus in anything. So, he at once proclaimed a similar holiday.

As a preliminary to the celebration, the Grande Knight (a direct ancestor, by the way, of the present incumbent) sent several of the mightiest hunters in the council out into the wintry woods to slay some birds. The hunting party included the Lavin boys, the Kissanes, the Fiks and other famous clans whose names are still prominent on the roster of the organization.

On the Monday evening immediately preceding the holiday, the hunters returned, laden with all kinds of game, including some forty plump turkeys. The Grande Knights summoned all the members in the colony together and distributed the trophies of the hunt among them. Unfortunately, history is a little obscure at this point, so we don't know whether the lads rolled dice or played some form of stud poker for the birds, but anyway the distribution was fairly made between the stout-hearted forefathers of the present members.

Such, me brothers, was the origin of the ancient ceremony of Turkey Night, which will be repeated in this Year of Our Lord, 1941, on next Monday evening, November 17. There'll be the same spirited contest for the choicest birds, the same jolly good fellowship and the same quantity of turkeys distributed since it happens that the band of hunters dispatched into the woods for this year's hunt has brought back exactly forty of the plumpest, tenderest gobblers that ever graced a Thanksgiving Dinner.

And now that the history lesson is over, the Grand Knight arises to suggest that all members assemble promptly at eight-thirty on Monday evening in order that Turkey Night can get under way at an early hour.

Tonti Plans for Christmas Cheer Party, Dec. 4th

1-3 Thurs. . . 4221 Irving Park Blvd.

Last Thursday's meeting was a very enjoyable one, and more so for the following: George Mayer, Edw. S. Deka, John Jarotkiewic, Ed Pielczynski, Ed Jasinski, Walter McHale, Walter L. Spatz, Albert J. Jionke, Stanley Banas and D. D. Charles F. Ruzkowski, all of whom went home with gobblers. Those of us who were not so fortunate congratulate the winners and console ourselves with the thought that perhaps next year we will be among the lucky ones.

As previously announced there will not be another meeting in November, as Thanksgiving falls on our regular meeting night. Therefore, our next meeting will be on Dec. 4. This meeting has been set aside as the Christmas Cheer party. To every Knight of Columbus, Christmas Cheer means the giving of happiness to the less fortunate. Every year during the Yule season the K. of C. visit the Orphan's Home, the Homes for the Aged, and other like institutions.

We know from experience that the cost of everything is much higher this year, therefore we solicit your full cooperation and support. D. D. Charles Ruzkowski, chairman of our Christmas Cheer, is putting forth every effort to make this party a huge success. Cake and coffee will be served, the cakes to be provided by our charming wives, so says Charlie, who is busy on the phone these days ringing the ladies. The party is to start at 8 p. m. sharp. However, the members are hereby informed that the council will hold a short business meeting, starting promptly at 7:30 p. m.

The second meeting in December will be a Christmas party for the members of Tonti Council. Keep reading this column for more definite details.

The third activity that we are all looking forward to will be the pre-Lenten dance at the Gross Park ballroom, 123 Roscoe street, Saturday, Jan. 17, 1942. Music by Roman George and his orchestra. Arrange to keep this date open for this affair.

The Fortonti Club will now meet at Stella's Hall, at Belmont and Kostner, on the fourth Friday of each month instead of the fourth Thursday, as heretofore. There will be a fish fry on the opening night at their new headquarters, Friday, Nov. 28. March 1 may be far off, but if you are contemplating on that fourth degree, now is the time to place yourself on that budget system so that you can be financially prepared to sign on the dotted line. In these perilous times we certainly need the spirit of patriotism and the fourth degree is a patriotic degree. All third degree members in good standing for over two years are eligible.

MEMBERSHIP

In order to have fourth degree members it is necessary to have third degree candidates. How are we to get those new members? Let's try this system: Tell them that we have a good bowling team, that our meetings are short and a good program of entertainment is provided, including various games and refreshments. Although these points may not be the main objective, they will be helpful. We can then tell them that besides belonging to the greatest Catholic lay society, we have a wonderful insurance system that will offer protection for their dear ones. The end of the year is close at hand, so let's strive to enroll that neighbor and Catholic gentleman into Tonti Council.

The following members made the annual retreat at Mayslake last Friday: Sir Knight Louis T. Buettner, D. D. Charles Ruzkowski, P. G. K. J. Robert Anderson, P. G. K. Eugene Raith, Financial Secretary Frank Ruzkowski, Trustee Ed Deka, Lecturer Ray Ruzkowski, Dr. Frocki and Medical Examiner Phalen, with his son Vincent. Those of us who were unable to make this retreat should endeavor before the year ends to visit Mayslake over a weekend.

From the report of the secretary of the House Bowling League, competition is very keen and next week we will have you the standings and a word about the sponsors. Ray Gort, one of the bowlers, received his orders to report to Uncle Sam and is now at Camp Grant for his preliminary training. Ray left Nov. 6 and is the sixth council member in the armed forces. Don't forget these members when you come to the meeting. Bring along a package of cigarettes, chewing gum, stamps, shaving cream and blades or drop a few pennies in the "barrel of fun." A Xmas package will be sent to each one of them.

Just a reminder that the Memorial mass for the council's deceased members will be offered at St. Wenceslaus Church, Sunday, Nov. 30, at 8 a. m. Every brother should be present to offer up this mass for our departed brothers.

Remember the early (Monday evening) deadline for next week's Columbian!

DE LA SALLE TO HOLD TURKEY PARTY TUES.

1-3 Tues. . . . . 1105 E. 47th St.

Have you heard??? De La Salle's big Turkey party on Nov. 18th. This is just another warning not to miss it. Those delectable, plump, tender and appetizing birds will be given away absolutely free on that night. Just so there will be no excuse, let me remind you that this is the second notice of this party, and let there be no man who claims that he did have no knowledge of it.

If you have ordered your bird by this time you probably will have another for that day on which we offer our thanks to our Almighty God for the blessings. He has showered upon us during the past year. If you have not ordered it, hold off until you leave the meeting, because you shouldn't go home disappointed. Of course, there will be so many of our brothers in attendance that a very few will have to do their own buying; but your chance is as good as the next fellow's.

While on the subject of our next meeting we also have the extreme pleasure to announce that our esteemed District Deputy, Bro. Ed Molyneaux will be present and has guaranteed an evening of excellent entertainment under his personal supervision. If you haven't as yet entered the holiday spirit, show up at De La Salle Chambers, 1105 E. 47th st., on Nov. 18, at 8 p. m. and have yourself imbued with the spirit of the holidays that follow shortly thereafter.

COMMUNION SUNDAY

As previously announced our Communion Sunday is Nov. 23, at 8 o'clock Mass at St. Ambrose church, with breakfast to be served in the council chambers immediately thereafter. Mark the date, so we will be sure to have the usual large turnout. This is the the one annual event that should be well attended by the Council members, for it exemplifies the Catholic spirit of the Knights of Columbus, which, after all is its primary and most symbolic purpose.

We who are Catholics can in these trying days appreciate the efficacy of prayer and reparation to Almighty God, and it is our duty through prayer to beseech Him to guide us, and our leaders at a time when we and they need divine help more than ever before.

Bro. Jack McDonald just got under the wire last meeting and managed to win the attendance gift. Had he been another five minutes late he would have gone home without that extra bulge in his pocket.

As announced in the last issue of the Columbian, the ladies were to be invited to our Turkey night, but at the meeting it was decided to postpone the ladies' night for a short while. I know that you are disappointed girls, but you won't be for long, because some definite plans are to be formulated shortly for a social evening that will be the highlight of De La Salle calender.

Seems as if we must sign off until the 18th when we will all be at the Turkey night. Till then, may we say good bye.

Neri Men Will Stage Benefit Program for Soldiers Tuesday Eve.

1-3 Tues. . . . . 7515 Yates Ave.

The old fashioned "Turkey Night" when members of St. Philip Neri Council turn out!

That is what Chairman Emmett McDonald is looking forward to at the next meeting, which will be dedicated to the council members away at camp. He said: "The members have an incentive to be present—aiding their brothers who are serving their country. Just what we can do for the boys at camp depends upon the attendance. If there ever was a time when a member should attend it is next Tuesday night. If every member would drop in for a few minutes and only left one dime, our objective would be reached. Christmas is coming and we want to remember them. If we can reduce their dues further, we will do that too. This can only be done if every member brings along that 10-cent piece. Members who will be remembered are Francis X. Duffy, John McMurrough, Joe Lopota, Edward Youngs, Frank Newburger, and Richard Carroll.

Members of the "Turkey Night" committee are: Thomas S. Daly, Emmett F. Burke, George Morin, Herman, Sumner, John Melchior, William J. Biety, Gerald J. Graham, Harry Aubushon, S. J. Crowell, Joseph McPhee, Edward I. Foley, and Charles S. Kowalski.

LAST MEETING

Bro Joseph H. Rollheiser did things up "brown" as chairman of "Our Lady of Peace Night," which featured the last meeting. After the showing of motion pictures portraying Carlsbad Cavern and Grand Canyon, followed by comments by Miss Mildred Hughes, a program was presented by parishioners of Our Lady of Peace church to another large crowd which is the rule this year instead of the exception at St. Philip Neri affairs.

Piano selections of "Salut a Pesth" and "Russell of Spring" were rendered by Miss Geraldine Mills. Mrs. William Coulson sang "My Hero" and "I'll Take You Home Again Kathleen," while Clarence Harper's presentations were "My Irish Rose," "Mother McCree" and "Irish Eyes Are Smiling." Then there was Geraldine Roche's "Stars Brightly Shining" and "My Johann." Mrs. Phillip De Marais accompanied the first two songbirds and Mrs. R. V. Lobraico the last named.

Mrs. John O'Brien, who is a member of the Chicago Musical College faculty, gave a monologue on "Cutting from Longfellow." Mrs. O'Brien, who will be remembered in the last world war, when she appeared at various K. of C. benefit affairs, then introduced her pupil, Wesley Sutherland. He gave two father-son dialogues—"Jimmy's First Football Game" and "The Great Game of Baseball."

Bro. John Nussbaum, who made a special trip from the north side with his wife and family to attend, was introduced.

"NERI-TEAS"

Bro. George O'Donnell, Chairman of Hallowe'en party, thanks everyone who helped in any way to make it a success. There were 85 couples present.

Bro. Joseph Lopota was tendered a farewell party by his friends at the Caravel Club before he left to join the army. G.K. O'Neill and Brothers George O'Donnell and Henry Doolin were invited as guests.

Bro. Pat Woods, chairman of the council's 25 anniversary party, announces the reasonable price of $7.50 per couple. This includes besides the dinner, tipping and parking of cars. South Shore Country Club will be the scene.

St. Philip Neri Council was well represented at the Knights of Columbus annual softball banquet. In addition to the players and their manager, Henry Doolin, Harry Bitter, Al Stevenson, George O'Donnell, and Bill Spinar were in attendance. William Blake, Big Ten official and lecturer of St. Philip Neri Council, acted as toastmaster.

A meeting of the card party committee met last Monday night to complete plans for the affair to be held on December 5th.

Americus Wants One Application Per Week to Meet Dec. 31 Quota

2-4 Tues. . . . . 3350 W. Jackson Blvd.

Well, this next week brings us Thanksgiving Day, the day set aside in this country of ours to thank God for the blessings He has bestowed upon us. You may ask, what have I to be thankful for? Maybe you have had some tough breaks but we are sure that if you think back you will find some place in the last twelve months for which you can say a prayer of thanks. Look around and I know that you will find many people who got worse breaks than you. From what we hear from the rest of the world, we in the U.S.A. must be living in heaven. (Wonder what started me writing like this, must be something I ate.)

We have less than six weeks left before the New Year rolls around; by that time we are supposed to have forty per cent (40%) of our yearly quota of new members. At the present writing we have four new applications and four reinstatements leaving us six to go. There will be First and Second degrees held next month and if you get that application in at the next meeting it will be acted upon before the dead line. So, brothers, let's get busy and give our Membership Chairman P.G.K. Jim Mooney a hand in putting us in the "Quota Made" class. Let's get there.

The Fall Festival at Our Lady of Sorrows Parish closes this Sunday, Nov. 16, so you still have a few nights left to take it in. On Sunday evening the 1942 De Luxe Dodge Sedan will be given away. Let's all get together and give Father Scheltinga a hand with this affair. The money derived from this Carnival goes to pay for the schooling of needy children so please let's help. Meet all the gang in the parish hall at 332 S. Albany Ave. any night this week.

We would like to know if there is anything we can do to increase attendance at our meetings. Have you any ideas? If you have just drop a note to the G.K. George Howlett, 3110 Polk Street, or sand it to Fin. Sec. Jack Crawford, 5061 Congress Street, when you are sending in your dues. Our Lecturer P.G.K. Ned Kelly has some plans which he does not care to make known yet but we know he would be glad to get some suggestions from the members.

BOWLING NOTES

The standings of the Bowling League including the game of Oct. 31st are as follows:

Teams	Won	Lost	Pct.	Av.	High
O'Rourke's	15	6	.714	777	890
Costello's	10	11	.476	764	894
Scott's	9	12	.429	775	856
Corso's	8	13	.381	745	831

High series—O'Rourke's, 2488; Costello's, 2475.

Individual high three games—McGuire, 598; O'Rourke, 581.

Individual high single game—Leahy, 248; Costello, 230; McGuire, 218.

Last Friday the O'Rourke's kept going by taking 2 games from the Corso's, with Captain Jay shooting for the high game of the evening, with a 232. The Costello's trimmed Scott's Arm Breakers in two games. Jim Hogan had a 191 game for second high of the evening. The boys are taking their bowling very serious these days. It seems George Hart and Phil Koop are having a tough fight to keep a certain position in the league standings. We don't know just what it is but we do know George was up practicing Saturday with some high class keglers, so Koop better watch his step.

What happened to McDermott last Friday night at the bowling alley? Did he fall or was he pushed? The fact remains that Mac did hurt his shoulder and claims there is a piece of bone missing. Our advice would be to examine some of the other bowlers, you know where, between their ears, and a tip to the legal talent of the council, there may be a law suit come out of this, so you better get your bids in early. You can get the name of the defendant from the writer for a consideration. We do hope Mac gets better fast so he can keep up with his tenpinnings.

Leo Members to Take Turkeys Home After Meeting on Tuesday

1-3 Tues. . . . . 820 W. Garfield Blvd.

Our Grand Knight, J. Lawrence Breen, has designated our next meeting to be held Tuesday, Nov. 18, as Leo Council's Turkey Nite. A flock of birds will be placed on the block for that nice Thanksgiving dinner. Come up and get yours.

At this meeting the "Fighting Irish" of Leo will be presented with sweaters, for the hard work and fine sportsmanship shown by them on the softball fields in the past three years. Our team has won the Central Division championship for the years 1939, 1940 and 1941.

Our genial Lecturer, John Vaughan, has prepared a very fine program of entertainment and refreshments to round out the evening after the business part of the meeting. Our Grand Knight has arranged for a special agent of the Order to give a very interesting talk on insurance. So, brothers, be on hand early as the meeting will be called to order promptly at 8:15 p. m.

BLOOD DONOR: Bro. Louis Shovan was a blood donor at the Mercy Hospital last week.

CONDOLENCE: The officers and members of Leo Council extend their deepest sympathies to Bro. Ed Gaul, whose father passed away. May his soul rest in peace.

LEO FOURTHS

Tomorrow, Saturday, Nov. 15, is the night of Leo Fourths Annual Thanksgiving Party at Leo Clubhouse. It is not too late for reservations. If you have not made arrangements call Atlantic 9644 or see John J. Kelly, secretary of Leo Fourths at the door.

HERE AND THERE: Bro. Bill Cullina dropped in at the clubhouse the other night. Glad to see you around again, Bill. If you are looking for a hall for a wedding party, card party or dance see Bro. Pat Grady. The halls in the clubhouse may be had at reasonable rates.

DUES: Bro. P. Joseph McNamara is at the clubhouse every Tuesday and Friday evening, to take care of all members who wish to pay dues.

St. Pat's Will Give Choice Turkeys at Meet Next Tuesday

1-3 Tues. . . . . 6 N. Hamlin Ave.

Tuesday, Nov. 18, our next meeting, will be Turkey Night. Through the years this occasion has been the most popular event of the year. Lecturer John O'Shaughnessy announces that the supply of birds is plentiful and as usual we will have the regular lavish layout of food and beverages. The meeting will be short and snappy. So see you next meeting.

Another feature of the evening will be the presence of a technician from Loretto Hospital to type all those who wish to join the Blood Donors.

G. K. Tom Cregan and D. G. K. Wm. O'Connell are very anxious to hit the century mark. Only a few to go, so step right up and let the little lady have a sample of your blood.

Being typed does not necessarily mean that you will have to give a transfusion, but through the identification card given you with your classification it safeguards you in case of a serious accident. Precious minutes are saved by the fact that the doctor would immediately know your blood type. So even in a selfish light, joining the Blood Donors will be to your great advantage.

Brother Joe Romano responded to a call for a transfusion given to a brother of Carroll Council at the Illinois Research Hospital. Good work, Joe.

Bro. Ed McGinty, who took a turn for the worse, was operated on Nov. 4 and given a transfusion by Sam Pellicane. Sam is to be particularly commended because he immediately left his job to give Ed some of his life-giving fluid.

Frank Bondegan, another Blood Donor, gave a transfusion to his niece last week. So, fellow members, there is no greater humanitarian cause in which you can partake than the Blood Donors.

CATHOLIC ACTION

Chairman Joe De Frank briefly spoke on the memory of our departed brothers and the poor souls and presented a motion that carried that St. Pat's have a Memorial Mass said this month in their memory. The date will be given in a later issue.

FOURTH DEGREE

Bro. Art Maloney, president of the St. Pat's Fourth Degree Club, announces that the St. Pat's squad will hold an open meeting on the evening of Dec. 10 at the Veterans of Foreign War Hall, 47th and Madison. Sir Knights and their ladies are cordially invited, as well as all eligible Third Degree members and ladies.

There will be dancing and refreshments. Art and his fellow Fourths are anxious to have a large class for the Fourth Degree next spring. So come on, all you Thirds, and join the patriotic degree, which in these times is indeed appropriate. Guest of honor of the above mentioned evening will be Master of the Fourth Degree Philip C. Nilles.

BOWLING

Our team in the Majors wishes to thank the Hughes squad for the high degree of sportsmanship they exhibited in their recent match. Hughes' team is composed of Bros. Gavant, Slanina, O'Brien, Kohalske and Kaminski.

Well, we returned to our old habit of dropping three games, our team losing three to Hennepin-Shields. Our team doesn't seem to function unless we have a group of members to give them moral support, so let's turn out Tuesday nights, 8:30, at the Cascades.

In our Council League, some of the teams are really getting hot; in fact, the winners last night were really going to town. Results were:

Deir Morticians 3, Gentile Trimmers 0; Damato Taps 3, Frida Meats 0; Allegretti Grills 3, Cahill Printers 0; Taglia Pubs 3, Emergency Radios 0; and Fio Rito Cartage 2, Rex Paints 1, which leaves the standings:

	W.	L.
Fio Rito Cartage	16	8
Allegretti Grills	15	9
Taglia's Pubs	13	11
Deir Morticians	13	11
Freda Meats	13	11
Emergency Radios	12	12
Cahill Printers	11	13
Damato Taps	11	13
Rex Paints	10	14
Gentile Trimmers	6	18

Rox "Pappy" Latelle took the honors of the evening with a high game of 243. Last night was one of railroads and splits. "Drummer Boy" Burns was even on his knees asking for deliverance. Every pin picked up had to be worked for.

COUNCIL NEWS

Financial Secretary John McAuliffe asks that the following members give him their correct address. All letters to these members are continually returned: Wm. J. Dooly, John P. Krasneski, John J. Cooney, Wm. Spero, Wm. F. Kelly, Lawrence Walsh. These brothers can reach John at Columbus 2609, or 5051 W. Congress St.

P. G. K. Kevil asks support from the members in enabling to give the former boys of the Working Boys' Home a Christmas dinner. Proceeds will go for athletic equipment. John O'Shaughnessy, Jr., son of our worthy Lecturer, is to be drafted into service Nov. 17. Best wishes, John, Jr.

Among those present at our last meeting was our P. G. K., Chas. E. Patterson. Charlie has been kept from past meetings because of his work. Glad to see you, Charles. Also a new member, Joe Marinello.

CONDOLENCES: We regret to announce that Bro. John Bernard Ross passed away recently in Stockton, Ill. May he rest in peace.

Pinta Hears Important Discussion by Field Agent, John Cushing

1-3 Thurs. . . . . St. Mary's, Riverdale

Last meeting we had Field Agent Bro. Cushing give us a very interesting talk on the insurance benefits of our Order. Acting almost as Professor Quiz, only instead he gave the answers to many questions which would be asked by those to be reinstated or those ready to join our Order.

It was surprising to note that many important facts were not realized before. Bro. Cushing's visit was most heartily received by the membership committee and we hope he will visit us more often.

PINTA ITEMS

Bro. Al Schuman is confined to St. Margaret's Hospital in Hammond with a fractured shoulder. His confinement will be a lengthy one and we of Pinta can make it very much easier by paying him a visit as often as possible.

Though our charter has always been draped in time of memorial, the council is sponsoring a drape contest. The best drawing of an impressive drape will receive special honor.

Christine Denham, daughter of Past Grand Knight Dave Denham, was married to Ed Hoffman last Saturday. The council extends congratulations and best wishes of health and happiness.

Auburn Park Bowlers Enjoy First of Many Coming Winter Socials

2-4 Thurs. . . . . 7740 S. Emerald Ave.

On Friday evening, November 7, the officers and members of Auburn Park Council's newly organized bowling league held a party for the bowlers and their friends at the home of Past Grand Knight Richard J. Knight, 7636 Emerald Ave. A very good attendance enjoyed the hospitality of the committee in charge with various card games and refreshments being the activity of the evening. The President of the Bowling League, Brother Walter Fox, is to be congratulated. Understand all the bowlers were on hand. They promise to have these affairs throughout the winter season.

SOFT BALL BANQUET

As reported in a previous issue of this column the council voted banquet tickets be furnished to every member of the softball team in appreciation of their efforts during the playing season. At the banquet last Thursday evening at the Mid-West Athletic Club the Grand Knight Harry J. Cox reported thirteen of Auburn's members were on hand. During the course of the evening they received the trophy from the League for winning our Sectional title.

FIRST AND SECOND DEGREE

The next First and Second Degree will be held at Ridge Council, 82nd and Halsted Street, on Tuesday evening, December 2. This degree is to initiate the candidates of councils in the south group of which Auburn Park is a member. Any of you who have candidates are asked to see that they are on hand not later than eight o'clock on this evening. There will be a Third degree on the following Friday, December 5, at Perez Clubhouse, 67th and May Streets. If you have any prospects you better get their applications in so they may be eligible for this class.

Our council has to again make its membership quota in order to repeat its accomplishments of a year ago. Keep in mind we will have our own First and Second degree during March, but in the meantime we want to get all possible members into our ranks.

AUBURN PARK BOWLING

According to the latest information from the bowling front, there are different signs of a "blitz" by some of the teams in our league. Larry and Lou's Place team led by John Walsh is really mowing down the opposition. They won three games from Dick Knight's Florists who had won 3 games the previous week. Our Grand Knight, Harry Cox, bowling for the Larry & Lou really showed the boys a trick or two. He is improving with each game.

Roger Sheehy & Sons' team led by John Coughlin took 2 games from Geraghty Coals because "Vince" Flynn started hitting his stride with a 201 game to top off the 3 games. Tom Patterson was shooting against his younger brother Harold. Although he had the better of the scores each game, Harold was in there fighting. Brother Mike Gorman was a perfect example of a newlywed. He came up late to the alleys; he could not find his regular ball, and consequently his scores were far below normal!

The National Knights of Columbus Bowling Tournament is to be held in Cleveland, Ohio, next year. There is a South Side Special leaving the week after Easter. If enough of the bowlers want to take in the tournament, the bowlers will start putting the money away in a special kitty.

This week we would like to pay tribute to Roger Sheehy and Sons for sponsoring a team in our bowling league. Mr. Roger Sheehy, Sr., has long been an active member of the council. Because of the pressing needs of his business, he has not been able to be present at all the gatherings, but you can always count on him in the pinch. His son "Rog," Jr., who was married just recently was a member of the softball team for a couple of years with his brother Jack who beat him up the center aisle by a few months. Jack is now playing on the council team, and played a great game in the finals. If he did not bowl the same night with the Times league, he would probably be bowling on Sheehy team in our league. In closing may we say that if the occasion arises when you need the personnel services of a reliable funeral director, keep the name of Roger Sheehy & Sons in mind. Their spacious chapel will well accommodate the people, and you can count on them to take care of the details in their special manner.

Loyola-Hyde Park Is Busy Making Plans for 'Fiesta' on Dec. 6

2-4 Thurs. . . . . 7435 Cottage Grove

Loyola-Hyde Park Council will celebrate its Annual "Fiesta," in just three weeks from this Saturday evening, which should be Saturday, December 6. The place is the American Legion Halls of Woodlawn Post at 6308 Woodlawn Ave. As in the past over twenty-two Councils of the south and west sides have been invited. Much hard planning has been going on by your officers and if you will check over other south side council Columbian news you will see where they have been visiting other councils to advertise this festivity for you. Now then is it too much to ask you, the members of Loyola themselves, to get your books in early so more planning can be done.

You know we usually have a nationally known radio commentator to handle the mike and announce the acts of entertainment and floor shows. We have also selected a very fine radio as a gift for some attendant, and there will be many others. A wonderful orchestra has been engaged and since "Fiesta" means feast, a lot of good food will be served. Because of all this we need your book returns as soon as you possibly can make them. We expect some in at next meeting. Let's get them in now!

NEXT MEETING NOV. 27

Conducting the entertainment of the next meeting will be our own Brother Joseph Gonzalez, who has fine movies of Mexico. He will lecture as we are taken on a tour through Mexico via the screen. Another fine movie will also be shown. Brother Joe is quite an authority on Mexican history and has been known for years as a capable Lecturer.

John Williamson enlisted in the Navy, getting a Petty Officer electrician rating.

Bud Joyce, we are sorry to report, was operated on for appendicitis. He is at St. George hospital, 78th and Normal. Please pay him a visit.

INVITATION — Archbishop Quigley Council invites Loyola members to their Fall Festival Dance, Saturday, Nov. 22, at Quigley's new beautiful club house, 1035 West 31st St. Tickets, 45 cents. Good time assured all. Let's attend.

TEN-PIN NEWS

Next Friday will be a special night at Esquire Alleys at 80th and South Park. Bowling starts as usual at 9:00 p. m., but following bowling, music by Sponsor Ed Hoskin and his accordion, and refreshments will be served. Our sponsors deserve much credit. Snooper observed Hagstrom furnished his boys at the alleys with a case of refreshments. However, the Anchor Liquors furnished their opponents with the amber fluid, which might account for their beating them last week. Tom and Jerry bought the teams green ties. Hadstrom bought his boys brown ties. You must come up and see our teams in action. Turkeys will be given away this Friday. Be on hand to get yours.

Newman to Stage 'Greatest Show of All Time,' Nov. 29

1-3 Thurs. . . . . St. Mary's Hall, Evans,

On Saturday evening, November 29, Newman is going to put on its greatest show of all time, in the form of a cabaret party. Bro. Greg. Konald is working day and night on this affair and all Greg. needs now is an overflowing crowd, to dance to a nine-piece orchestra, to see entertainment that can't be duplicated for less than five dollars in any night club, and on top of that you will sit at one of the gayly decorated tables and have something to eat. So, brothers, bring your wife or girl friend, and all you brothers from surrounding councils are invited to attend. The place, St. Mary's Hall at Lake and Oak, Evanston.

Our Chaplain Fr. Mockenhaupt honored us with his presence at the last meeting, and promises he won't miss another meeting through his own fault.

There won't be another meeting until Dec. 4 when we will confer the 1st and 2nd degrees on waiting candidates. Our flag team, consisting of Bros. K. Lawson, G. Amidon, J. Kinsella, H. Witty, R. Baldner, J. Brennan, L. Bisson, J. Ludlow, A. Mascolina, N. Muldoon, E. Atchison and G. Konald, journeyed to the Chicago Chapter and put on their demonstration which was very well received. Bro. Jake Smith and G.K. Gehant celebrated their birthday on All Saints' Day (what a contrast) by spending the day at Brookfield Zoo.

Bros. T. Jans and Marty Vose were seen at Grass Lake last Sunday carrying guns, decoys and an empty bag on their backs. They were walking north and about ten feet behind them there was five overfed ducks basking in the sunshine.

Seeing Newman hasn't any Turkey Night, Bros. Reid and Vin. Ratcliffe have decided to run one themselves on Nov. 18 so stop in and see these two "Lone Rangers" at 1951 Howard St. and get yourself a Thanksgiving dinner. Bro. Leo Smith is down at Somerset, Kentucky rubbing elbows with the hillbilly's promises to bring back some "pickle jars." Bro. Dan McCann is ill at St. Francis Hospital; speedy recovery, Dan. Bro. Joe Schaeffer and wife went down to Greenville, Miss., with his daughter, Mrs. Steigleman, who will make her home there with Bro. Lieutenant Tom Seigleman.

Bro. H. Mersch's son leaves for the army next week. Bro. Geo. Amidon, Jr., enlisted and leaves next week for Miss. Don't forget to leave your address with senior, Geo. Bro. T. Schultz is home on a 15-day furlough and attended the last meeting and enjoyed it thoroughly. Talking about that last meeting wasn't it a "Lulu"? Many thanks to Bros. Ed Coursey, Tim and Mat Jans for those great pictures of the Bear game, and for having the coach and some of the players there. The camera-man was Bro. Joel Conway never mind Hollywood he belongs to Newman.

Newman's tonsorial artists, Ed. Cremin and T. Zicco, telling Dan Harrigan to wear his hair in a pompadour. Every morning ye scribe sees a truck with the name Corcoran Bros. Plasterers, on the side of it driven by Mat, and what I want to know is, if that is the other half of the business sitting beside you, Mat, and why don't you sign him up as a K. of C. member? Bro. L. Bisson says if he talks for more than two minutes he will supply the council with cigars at the following meeting.

You brothers who haven't made returns for the boxing show please do so as soon as possible.

St. Paul Father and Sons' Knight to Be Held Tues.

3 Tues. . . . . 6713 Olmsted Ave.

St. Paul of the Cross degree team exemplified the first and second degrees for a class of 49 candidates under the auspices of Archbishop Weber Council in the southwest side. They were accompanied by the council's choir, torch and banner bearers and a half dozen or just plain council supporters. This intercouncil spirit of assistance was greatly appreciated by the officers of the several councils who sent their candidates to the Archbishop Weber Council chambers for the exemplification and certainly added to the prestige of the council whose degree team and others came from the other side of the city to assist in this noble work of inducting the candidates into the Knights of Columbus. The degree took place on Monday, Nov. 3.

ON TUESDAY evening, in our own council chambers, were those who will happily remember the date as the occasion when they got something for nothing. Turkey birds will appear on many Thanksgiving Day menu cards as a result of the prolific dispensing of awards for these much desired members of the fowl family. We can hear some of the members saying "the only thing wrong about the whole evening was the way Bill Krien kept coming up as a winner." Well, it seems as there has to be someone who gets the lion's share. Last year it was Fr. Kiley; this year it was Bill Krein; next year it will be someone else—we hope. Anyway, a lot of the fellows are expecting dinner invitations for Thanksgiving Day to Bill's house.

COMING EVENTS

NEXT TUESDAY evening will be "Fathers and Sons' Night" in the council chambers. As explained in last week's column the major attraction will be a showing of picture "From Trees to Tribunes" and in addition another picture covering the highlights of the sporting events of the past year. Refreshments suitable for the occasion will be served to the youngsters and their dads. Make it a point to bring your male offspring to the meeting next Tuesday evening and let Joe McDowell show them what a swell time he has in store for them.

THE FALL FESTIVAL and Harvest Party came in for a little discussion at the last meeting. Plans are being arranged to have the party in the council chambers on Saturday evening, Nov. 22. This, as you will realize, is an innovation for the annual fall party but it is hoped by the committee that a larger turnout will be had because of the close proximity to home, the serving of a buffet lunch will simplify the service and reduce the cost, it eliminates the transportation problem and should not detract one iota from the fun and enjoyment we've had at our other parties.

The hall will be suitably decorated and nothing will be missed except the higher cost of a party held on the "outside." IF this is what you have been wanting, now is the time to respond, as your desires in such matters will be judged by the support you give it. For some reason or other, members have been hesitant about voicing their wishes, so all that is left to the committee is to judge by your attendance. Therefore, speak with performance at this fall party. Support your council activities.

BOWLING

Secretary of the council bowlers, Bill Brunkhorst, tosses a pass to us with up-to-the-minute "dope" attached.

Team standing as of Nov. 6, 1941:

	W.	L.		W.	L.
Stinsons	17	10	Georges	13	14
Suerths	16	11	Fetters	12	15
Pers	16	11	Ne'man-Zieg.	11	16
Luczaks	15	12	Columbia	8	19

Stinson's held their one game lead by taking two games from Fetter's Storage. Heimerle was tops for Stinsons with 550, Urban and Guenther with 539 each. Sass led his own aggregation with 510, Kelly had 500. Perz's Advocates took the odd game from Luczak's Plasterers. Wolf was high for Matt's youngsters with 486, Mount got 465. Rodney led Luczak's with 488, C. Luczak 462.

George's Store took two games from Columbia Envelopes. Simon led with 531 for the vistors; Shea got 472. Bill Krein led his aggregation with 539, King counted 489.

Last year's champions, Newman-Zieglers, dropped all three games to Suerth's Morticians. Paul Kasper was high for Suerths with 504, Lidinsky 530 and Sebastian 500. Porazinski led his team with 607, "Comes a Revolution" Ziegler 469.

High games for the evening were: Porazinski 247, Krein 236, Heimerle 222 and Urban 210.

WE HEAR THAT P. G. K. Richard (Dick) Stretch has some films of his recent trip to California. What's more, Dick promised to show them in the council chambers one of these nights. . . . We see by the lecturer's program that Dec. 2 is a swell night to show them, Dick so why not make it a definite date?

Feehan Will Present 'All-American Night' Tuesday, Nov. 18th

2-4 Tues. . . . . Hamlin and Madison

"Dear Brothers:

We are printing herewith an open letter written by Bro. Wingfield:

On next Tuesday, Nov. 18, we will celebrate 'All American Night.' Lecturer Earl Grondy has secured the film 'The American Way,' the showing of which will highlight the evening. Several genuine All-American members of the local pro-grid outfits, are expected to be present to lend the proper aura of authenticity to the occasion.

This will be an open meeting and will feature the usual Feehan refreshments. Line up that prospect today and bring him over to this meeting. He is a cinch to enjoy the evening. Bring your fountain pen along with you and sign him up before he leaves the hall. He'll always thank you for having done so. (Signed) R. Wingfield (Chairman, Membership Com.)"

PARTY

Chairman Harold Crotty has formed "squads" of workers for Feehan's Big Party, which you all know is to be held at the Madison A.C. (the old K. of C. Clubhouse) on Wednesday, Nov. 26. (That's a week from next Wednesday, chums). These squads are divided into the "Radium Squad," which comprises those members who figure to bring in $100.00 for the party (this figure includes both tickets and program ads) the "Diamond Squad," including the $75.00 boys; the "Golden Squad," who can produce $50.00 revenue; and the "Silver Squad," who are expected to scrape up $25.00, all told.

Anyone who wishes to have his name entered as a member of any of these squads is advised to do so immediately, as there may be a handsome reward forthcoming to those who produce. If you can't do as much as $25.00 worth of business, don't feel too discouraged. Do what you can, and any effort you may make will be duly appreciated. These tickets at $1.10 are a bargain, considering the possibilities, and the advertising, too, is reasonable, as we expect as many as 1,500 guests, a good percentage of whom are concentrated in your merchants' own back yard. So take off the brakes, lads, and let's get this thing rolling.

BOWLING

Still leading the parade, but showing signs of the constant pressure are the somewhat unconscious Lemon King Senators, 19-5; Harmon Electrics, 17-10; Kaindl Boosters, 16-11; Illinois Laundry, 15-12; Malee's Fighting Irish, and N. Preib Cleaners, 14-13; Judge Hackett's Pioneers, 13-14; Harold Crotty Boosters and Hanley's Tavern, 12-15; J.J. Collins Sons, 11-16; Quinn's Inn, 10-17, and Pat Riley's Colts, 9-18.

In the individual list it's still Geo. Becker, 186; Joe Collins, 183, Jim Collins, 183; Frank McQuillan, 174; Bill Barrett, 174, Frank Wheeler, 171, and Jim McQuillan, 170. The only change in the "highs" was Joe Collins, 236, tied with John Fogarty for second high game, with Dinny Malone's 243 in first place.

FLASHES

Good news of the return from hospital trips of Bros. Joe Caulfield, an old-time member, and Frank J. Bent, president of the Plumber's Union. Both boys underwent a little surgical repair which seems to have taken care of everything.

Sad news of an automobile accident which befell Bro. Joe and Mrs. Michels on last Sunday afternoon. Both were injured, Mrs. Michels the more seriously. She is under treatment at St. Anthony's Hospital. It is our earnest hope that her injuries will not prove of a very serious nature.

BIRTHDAY GREETINGS: To Bros. Hugh M. Feeley, Frank L. Kott, Paul R. Becker, Thos. J. Carroll, Frank P. Lavin, Joseph F. Dunne, Robt. Wingfield and William F. Dunne, who celebrate this week.

St. James Will Put On a Turkey Dinner at Nov. 24 Meeting

2-4 Mon. . . . . 64th and University

Turkeys! Turkeys! Turkeys everywhere, all around the chamber the night of Nov. 24, the familiar chairs which the members occupy will be in the same place and in front of these chairs will be tables set with all the implements necessary to a feast. WHY? Because Lecturer Peter Wehle has designated this one night of the year as Turkey Night, and he is putting on a turkey dinner free to the members of St. James with the council's compliments.

Can you just picture the chamber—tables laid in the shape of a horseshoe and covered with white table cloths, the shiney silverware, the salt and pepper shakers, the cups for cranberries, and that good old aroma of coffee steaming from the cups? While you can eat all the turkey you want at this meeting, you can still take home one of the same brand of turkeys. HOW? Easy. Remember how you got one last year and how the other members got theirs, well, all I can say is tell your wife or mother not to buy one too soon as you may be one of the lucky ones and bring home the bacon—sorry, I mean turkey.

Lecturer Peter Wehle states that this Night of Nights, Turkey Night, and the feast the council is giving to the members is the only manner the council can show to the members the appreciation for the grand success of the Harvest Festival and Mask Ball, which went over with a big bang due to the support and enthusiasm shown by the council members in putting the party over. I want to compliment Jack Greene and his associates who worked in the Casino the night of the Ball, for they sure helped to make this a lively party.

LAST MEETING—Talks given by Judge Matt. Hartigan and Legionnaire Butler, Past Commander, were interesting and timely and the council extends its sincere thanks to those gentlemen, also to Bro. Tom Kelly, who acted as arrangements chairman. Past Grand Knight Frank Prindeville acted as introductory speaker for the Armistice Night program.

BLABBERMOUTH REPORTS

Well! Well! Two slices of folding stuff is the face value of the ducats to the Madonna Toe Crushers; this includes the Lend-Lease tax, Bundles for Britain; Mufflers for Madonna, and Diapers for Donegan. Advance payment gets a cash discount of four bits, figure it out for yourself, but Madonna Council is having a Thanksgiving Eve Party at the Hotel LaSalle, Nov. 19. This is really the season for parties, so, the Leo Fourths are going to entertain you for a buck sixty-five (slang for $1.65) and their shindig is polishing the floors at 820 W. Garfield Blvd., Saturday night.

Our OWN Fourth Degree Club will hold their Annual New Year's Eve Jamboree on the night of Dec. 31 in the Grand Ballroom of the Hayes Hotel and the cost to this affair will be $4.40 per COUPLE, and this includes the tax for an evening's pleasure. There is no need for me to tell you how good this party is—just look at the record of attendance at this annual affair for the past four years and you will be doing yourself a favor by making your reservations early.

The scribe of this column wishes to state that he gave the correct date for the Fourth Degree Club's meeting, which was held last Friday night in Doc Strobel's home, BUT the notices which were sent out in the mail about a meeting at the same place for tonight (Friday) were cancelled by telephone, and those who have forgotten about the cancelled meeting, this will serve notice to the members of the Fourth Degree Club that there will be NO meeting tonight.

I understand that the team was down to the Softball Banquet with Grand Knight John McKean and Deputy Grand Knight Thomas J. Groark, and I hope they had an enjoyable time. Bro. Mike Connolly received the trophy for the team. Also present were Athletic Commissioner Ed. Enright, Bros. Ray Erhart, Joe Ferraro, and they too enjoyed a wonderful time.

Bro. Doc Adams is confined to bed because of a very bad fall.

Chi. Heights Invites Early News Reports for Next Columbian

4 Monday . . . . . 1537 Otto Blvd.

Thanksgiving Day will be celebrated on Thursday, November 20, and it is the request of our editor that all council notes be in the Columbian office not later than Monday, November 17. So, any brothers having any news, please get in touch with me not later than Saturday. The telephone number is 1855. The address 45 West Main street. I hope to give those who failed to attend our last meeting, if there were any, the report of our Home Finding Committee. This will be a very interesting report.

How many of our members read the editorial, "Pray for the Dead," in last week's Columbian? This is one of the most interesting writings that I have read for many a day. The composer should be congratulated. It brings home to us the purpose for which Holy Mother Church has designated the month of November. Look up your copy and read this article. I am sure it will be very much to your satisfaction.

Brother Jimmie Dionne was in town for a couple of days. He says, "Camp life is swell!" What else could he say? Officer Pete Trumpicki was seen the other day with an enlarged jaw. It must have been a toothache. We can look forward to a duck dinner at one of our future meetings, providing that Doc Armbruster furnishes the ducks. Bud Ruff says he can prepare them and likes to eat his own cooking.

We were sorry to hear that D. D. Henry Hilgendorf was on the sick list, but are glad that he is OK again. It's hard to keep a good man down.

BLUE ISL. WILL START NEXT MEETING EARLY

1-3 Tues., Gregory and New, Blue Island

Our next council meeting will be called at 7:30 sharp Tuesday evening. This change is due to the Turkey Night program that Co-Lecturers J. Boyd and Wieland have worked out for the lads and lassies. All are invited. Friends, sweethearts, wives or sisters. Refreshments will be served.

The attendance at our last meeting was excellent. It is a step in the right direction, and Grand Knight Hansen expresses his thanks for the interest and urges all to continue the splendid work and bring another member with you next meeting. Among those present at our last session were State Deputy Flynn, who gave a very inspiring and interesting talk on "Our Order and Its Dead"; D. D. Martens, who again urged a continued drive on membership; Special Agent John Cushing stressing the insurance feature of the Order; our Chaplain, Fr. Gooss, reminding us all to remember the dead and ather Koretke complimenting the council on the fine attendance.

Along the wall where the rank and file sit and as often said before, the "backbone" of the council, sat Bro. Ed Watrobka and Bro. John Grand champ, who were just released with honorable discharge from the army. Both lads expressed their thanks to the council for the remembrances they received during their stay in the armed forces.

The singing of Trustee Monehen and Bro. Gorden Seidel during the memorial services was very good. Nice work, lads. Thanks to Bro. Fred Horwath, the table decorations of palms and ferns made a fine setting for the services. After the meeting one could see Fin. Sec. Paetsch getting around among the lads and you may gamble that a little bug was put in many an ear about dues. How about yours?

Understand D. D. Hilgendorf has been ill and is at home recuperating. Hurry it along, Hank; we missed you last meeting. Father Penesabene is still a patient at Columbus Hospital. We are praying for you, Father, and hope for your speedy recovery. A welcome to Henry Werniak and some of the lads from the South side. That goes to the East side also. We should have more though, fellas. How about it? The Hickey gang were all present. Bro. James is our Outside Guard and gave orders for the team to be present or else.

BOWLING

Einhorn Beverages by defeating the once proud and powerful Landgraf team climbed into a tie for first place with Marks'. Pres. Rosaves was high for the victors with 521 while "Fat" Novak gathered 509 for the losers. Rosaves passed cigars that eve and it is noted here that for four Wednesdays in a row cigars have been given out.

After a tied game was rolled and won by Marks against Hallinans the Clothiers came out on top two for one. Paced by John Pajak and Mrs. Louis La Rotonda, the Hallinans made Marks work all the way down the line. Pajok rolled a nice 525 series, while Tony Chovance polled a 547. Lowell Frasoe was high man for the Hickeys, getting 558 and pacing the team to a two game win over the Haas Jack Rabbits. John Russ was high for the Rabbits with 464. The Gerdes Builders (not Golden) took two games from the Martins with C. Komada high for the losers with 510 and Al Klein and J. Gabay hot stuff for the winners, 536 and 568 respectively. The individual standings are as follows: Pajak, 175; Gabay, 174; Chovanes, 173; Creighton, 170.

It doesn't cost a thing to say, "Good Morning," even if it's raining.

ST. RITA TO RECEIVE COMMUNION THURSDAY

1-3 Thurs.....6048 S. Fairfield Ave.

On Thursday next, Thanksgiving Day, the annual memorial mass of St. Rita Council will be celebrated at **St. Rita Chapel, 63rd St. and Oakley Ave., at 8:30 a. m.**

Chairman Howard Jeffers urges all members who are able to assemble outside at 8:20, from where they will march into the chapel in a body. He also requests that all members who have council badges wear them. Our council choir, led by Bruno Fracassi, will sing the mass.

Brothers, we suggest that you take the above notice to heart. There could be no more fitting way to begin Thanksgiving Day than by attending mass with your fellow members of St. Rita Council. As many brothers as possible are also asked to receive holy communion.

Despite inclement weather nearly 200 members and friends of St. Rita Council attended "ladies' night" at our regular meeting a week ago last night. And the show presented by Lecturer Harold Hilbert was well worth the venture into the elements.

Headlined by Little Johnny Jones, nationally-known humorist and magician, the program included music by a fine five-piece band, dancing, amateur selections by the less timid attendants and last, but not, etc., refreshments.

Members who did their bit to make the affair a success—by tending bar and performing other tasks—included Bill Stoeller, Frank Holek, "Karbo" Karbowski, Joe Clerkin, Paul Bernoski and John McNally. The names of those who volunteered to present the ladies with gifts of perfume and pin on their corsages are too numerous to mention.

Offhand, we remember the names of the following members attending, practically all of them with their wives, daughters or friends:

Ted Lee, Charlie Nash, Frank Holek, Joe Shanahan, John McGowan, Jack Devlin, Frank Small, Doc Hoffman, Chris Mathis, Doc Kehl, Frank Zavrel, Ray Bernoski, Pete Salvatori, Doc Foley, Jack Kelly, Jack Quinn, Turk Sanders, Joe Philbin, Ray Sullivan, John Gaynor, Art Manfredi, Herman Kurent, Jim Boyce, Ed Kundrat, Powers, Bob Condon, Bill Donovan, Connie O'Sullivan, Bruno Fracassi, Jack Bracken, John Robinson, Howard Jeffers and John Flynn.

DANCE

Have you secured any ads or patrons for the Home Association's "mortgage dance," to be held Saturday, Dec. 13, in Flynn's Hall at 3236 W. 63rd St.? If not, why not? Don't forget that the proceeds of the affair will go toward lifting the mortgage from atop the old homestead, so get busy.

The following brothers have reported to Lecturer Hilbert that they will turn in the accompanying amount of ads and patrons: Ted Lee, $100; George Kucharski, $100; Pete Salvatori, $100; John McGowan, $75; Art Manfredi, $50; Jack Kelly, $35; Jim Boyce, $60; Joe Philbin, $75; Herman Kurent, $25; Ted Ranicke, $35; Jack Bracken, $50; John Vonch, $35; Joe Clerkin, $25, and Charlie Nash, $25.

Besides the campaign on ads and patrons, don't forget to sell your tickets. And if you want more, you can get same by calling Hilbert at the Manor Radio Shoppe, Republic 6350, or Bracken at Grovehill 2793. Flynn's Hall, site of the 2034 Club's last two winter cabaret parties, is one of the finest on the south side. The dance floor is large, there is plenty of room for tables and the accoustics are sure to do justice to the music of Art Dunn and his orchestra. Adequate parking space is available adjacent to the building.

LETTERS

If the tenor of letters from members of St. Rita Council now in the armed forces are any true indication, the council's organization of a service men's committee, under Chairman Bill Stoeller, is "just what the doctor ordered."

From Ed Greene, stationed at Gowen Field, Boise, Idaho, comes a note terming the committee "a welcome innovation that is in keeping with the good work done by the Knights of Columbus in the past." Ed thanks Bill for a package from the council and states that "this air corps is not as bad as it is made out," explaining:

"It isn't an awful lot different than civilian life except that we are quite removed from home and friends we cultivated before entering the army.

"I met G. K. Lee's son out here, a fellow whom I didn't know at home despite the fact that we had so much in common. Here's hoping that everything is going in good order for St. Rita Council, and that all the members are enjoying good health."

A letter from George Makinson of the U. S. Coast Guard radio station, Wilmette, Ill., is along the same line. In part it reads:

"It was a very pleasant surprise to receive a carton of cigarets so unexpectedly through the mail. This act of thoughtfulness on the part of the council will not be forgotten, and I hope that in the near future I will be able to show my appreciation by doing something for St. Rita's in return."

George closes with the "hope" that he will be able to get home for Thanksgiving or Christmas. Again the above feelings are reiterated in a letter from Joe Yaeger, assigned to Fort Brady, Mich., who also adds his "thanks for sending The Columbian out here." Joe asks Financial Secretary Shanahan to send him a traveling membership card that he may carry for identification purposes.

STRIKES TO "SPARE": We haven't any room for bowling notes this week but our life wouldn't be worth a plugged nickel if we didn't tell of "Little Fat Stuff" Kucharski's 256 game last Friday night and his subsequent high series. But on second thought why should we print it? We're not afraid of him. So we won't.

P. S.—Wallie Condon of the South Fairfield Condons will be married to Miss Mary Connors at St. Rita's Church Thanksgiving Day. (Who says it can't happen here?)

San Salvador Service in Honor of Beloved Dead Very Impressive

2-4 Mon. . . . . 24 E. 114th Pl.

The council chamber was set in a manner fitting and proper with respect to the honoring of our dead. The services were conducted by the Grand Knight Jos. M. DuBois, assisted by the officers and our Chaplain, Father Exler.

P.G.K. Francis McMahon left no stone unturned and through his untiring efforts those in attendance were well rewarded listening to the eulogy as delivered by the narrator, Francis McMahon. The council should feel proud that it has the most complete record of any with reference to Memorial Services. Our thanks to you, Frank, for your untiring efforts in behalf of our council.

THANKSGIVING

I imagine our thanks should be spent toward the fact that we can push our feet under the table and break bread with the rest of our families thinking of how wonderful it must be to still be in the land of the free. There is more to look forward to this year than in the past and although many of the boys may be in camp on this Thanksgiving Day our sincere wishes are that the only maneuvers that they will do will be to dissect the well known bird called the turkey.

Our prayers will be offered up to a successful termination of their time of their service in the Army of Uncle Sam. Let us hear from some of the boys so your letters can be read in the council chambers.

TURKEY NITE

If you have been given the bird by any of your pals in the past, here is your chance to even the misgivings. Father Al Rebedeau of St. Christina parish, has 25 of our fine feathered friends he is just itching to give away on Tuesday evening, Nov. 18. Your presence on this evening will be greatly appreciated by Father Al.

PARISH BOWLING LEAGUE

Last Thursday saw some of the supposed stronger teams lead with their chins and draw it in again, assimilating three solid defeats on its point. The teams are fairly well bunched and anything can happen.

Let us see you out there every Thursday rooting for your favorite team. Competition is really keen and sportsmanship prevails throughout the league. Tim Griffin can be seen running up and down the alleys collecting the well known Do-Re-Mi. Both he and the president of the league, "Buff Marcolin," are always in attendance too, and out for the welfare of all the participants.

DOTS AND DASHES

Brother Mike Nie has been released from St. Elizabeth's hospital on the North Side and is now convalescing at home. Mike had a real serious operation and is now well on the road to recovery. We also understand that Father Shortall is confined to the Little Company of Mary Hospital. You all remember Father Shortall who was formerly in our midst.

Grand Knight Phillips of Englewood has also been released from a sojourn in the Chicago Memorial hospital. Bro. Phillips is a good friend of our council and has been back and forth in the institutes of healing trying to enjoy the health he so righteously deserves. Our apology to Tom Groark for omitting his name as he was in attendance on Italian Nite. It was an oversight on our part, Tom.

Several of the council members were in attendance at services honoring the dead at the statue in Palmer Park. Have you seen the new addition to the canteen as so ably built by that well known man with the oratorical ability, Bro. "Bill" Schuller? He came out of retirement to do this job.

The next improvement in the very near future will be the replastering of the meeting hall on the third floor. A contract has already been let and as soon as the roof can be repaired work will start on the meeting hall. Come up and spend an evening with the keeper of the bees in the person of the genial personality known as Geo. Mason. Your visit is always welcome.

De Soto Has Busy Week-end Starting at Tonight's Meet

2-4 Fri. . . . . Clark and Belmont

Five Fridays in one month certainly makes it tough going for the scribe. It is usually hard enough to wheedle the news out of the members when we see them, but with the meetings three weeks apart we're stumped. At any rate we must confess that we received no less than five telephone calls this past week in answer to our plea for news.

De Soto is in for a busy week-end with the meeting this evening and the Baldric and Sword card party tomorrow.

Lecturer Irv Schultz and his committee are scheduled to lead their well trained and speedy stable of hayburners to the meeting this evening to perform for the members. According to advance notices, the horse races are going to be new and different than any entertainment heretofore presented to the council. After the evening's races have been run, those members having the highest number of points will be presented with some very fine prizes. This program should be very interesting and entertaining, so plan to attend.

TOMORROW evening, Saturday, Nov. 15, De Soto's Fourth Degree Club, the Baldric and Sword, will stage a benefit card party at the home of Bro. Ed Connell at 4015 N. Monitor Ave. Tickets are 35 cents.

Proceeds of the affair will be donated to a very worthy charity, De Soto's Xmas Cheer Fund. A most cordial welcome is extended to all members of De Soto and their friends.

COUNCIL ITEMS

De Soto was well represented at the K. C. Softball League banquet held at the Midwest Athletic Club last week. A handsome trophy was presented to the new champions, St. Cyr Council. G. K. Gene Scanlan, Bros. Harvey Dohm, Art Booz and Irv Schultz attended and assured the champs they would run into some tough competition from De Soto again next season.

WE NOW have an opportunity to write about a young fellow who for the past two years has been writing about others in his duties as editor of De Soto's bowling news, and doing a swell job of it. The quiet and peaceful life of single blissfulness must have become too monotonous for Bro. Hank Nierman, Jr., for on Thanksgiving morning he will middle-aisle it with Miss La Vergne Murray at the 10 o'clock Mass at St. Francis Xavier Church. Reception will be held at the Gross Park Hall at 7:30 p. m. All members of De Soto have been cordially invited to attend. The bride and groom will leave on a honeymoon trip after the reception but refuse to divulge their destination. Best wishes to the happy couple.

THE JURY Commissioners of Cook County had the services of two De Soto members during the past two weeks when Bros. Art Booz and Adolph Sutter saw to it that justice was carried out. They had as a companion in the jury box G. K. Joe Maggorio of St. Cyr Council.

BRO. MATT BRAUN was recently thrown for a loss by an arm infection which resulted from an old injury. He was confined to the hospital for about ten days but has since returned home and will be required to remain there for some time. Bro. Matt would certainly enjoy a visit from members of the council; drop in and see him at 7048 Oleander Ave.

Just learned that Bro. Cliff Moran, member of De Soto's Male Chorus, is convalescing at his home in Highland Park after undergoing an operation for the removal of cartilage in his knee (sounds like a football injury). We understand that he is spending his hours reading "Keys of Kingdom" instead of the Master Plumbers' Journal.

HERE IS one for you pinochle fans to duplicate: Last Friday evening, which Bros. Clarence Bredeman, Ed. Gobat and Joe Rabini were engaged in a little game of three-handed pinochle, Bro. Bredeman was dealt the unbelievable hand of 1500 and added another ten points py picking up a nine in the blind. It happens once in a lifetime, so the boys had a few extra drinks on that one.

HAPPY to hear that Mrs. Margaret Sturch, wife of Bro. Ed. Sturch, is well on the road to recovery after her recent appendectomy.

BRO. JOE MERKI's son Al is wintering at Fort Warren, Wyoming, at the expense of Uncle Sam. Just learned that Bro. James J. Toohey, a new member in the council, may be reached at Battery C, 29th B. N. 7th Reg. F. A. R. T. C., Fort Sills, Oklahoma.

Speaking of the army and soldiers, we note that Bro. Ed. Cremerius, the attorney, is rendering valuable service to the Government as Appeals Agent for one of the local draft boards.

If you would have the wife and family properly entertained and in good company while you are at the meeting this evening, why not send them to the Annual Dance and Card Party being given this evening, Friday, Nov. 14, at the Edgewater Beach Hotel by St. Timothy's Parish under the leadership of Bro. Eddie O'Malley as chairman. There are over 185 prizes to be given away. The fee i $1 per person, tax included.

Bro. and Mrs. Ed. Connelly and daugh ter, and Mrs. Pat Scanlon, wife of Bro Pat Scanlon, are vacationing at St. Petersburg, Fla. We can just see Bro. Ed fanning himself beneath a giant palm tre while we're up here ready to get out th old overcoat and mittens.

Have you recognized the smiling fac of Bro. Bob O'Keefe published in th Bond Clothing Co.'s ad in the Columbia each week. Bob is a member of De Sot and is located at the Lincoln-Belmon store of the Bond organization.

During the past week Bro. Georg Schuster answered the call of the Chi cago Chapter for blood donors and trav eled all the way out to the Englewoo Hospital to make a donation of his bloo A noble act of charity, good work, Georg

Bro. Dick Smith has been spending th past week pheasant hunting at McHenry Ill. If Dick shoots a gun like he snare those drives around third base, the pheas ants are sure in for a trimming.

De Soto's Majors are really putting u a battle to stay in first place in th North Side Bowling League. Last Mon day evening Lafayette won three game while De Soto managed to win two game from Ouilmette, thus throwing them int a tie with Lafayette for first place games won and lost. However, our boy hold a slight edge in percentage points.

Fort Dearborn Council is running Green Buck party, Dec. 6, at Carpen ters Hall located at 64th and Halsted There will be dancing and refreshment at a dollar per person. Fort Dearbor has always turned out in large number for our affairs so here is a chance for u to reciprocate.

Financial Secretary, Charles H. Hugue let, Sr., makes an appeal to all member to remit dues and assessments. Too man members have grown careless and falle far in arears. The council has to forwar the national and state per capita whethe the members have paid or not, conse quently the members put an added bur den on the already strained finances o the council. So let's pay up, Brothers.

McHale Will Receive Communion Sun. at St. Carthage Church

1-3 Tues. . . . . 150 W. 69th St.

Next Sunday, November 16, is the day all good McHale members will receive Holy Communion in a body at the eight o'clock mass at St. Carthage Church, 73rd St. and Yale Ave.

Our worthy chaplain, Rev. James Quirk, assistant at St. Carthage Church, expects to see a large number of McHale members at our mass that morning, so brothers, don't disappoint him.

Bro. Tom Hackett, who is in charge of the breakfast which will be served after the mass at our meeting hall, 150 West 69th St., has promised that he will serve a breakfast fit for a king and that there will be plenty to eat for every one.

Now don't forget—mass at eight o'clock and a swell breakfast afterwards.

MEMORIAL NIGHT

This year will be at our hall on next Tuesday, November 18, at 8:30 p. m. This certainly is the one meeting of the year that you should not miss. It is the only meeting of the year that we dedicate to our departed brothers.

If you remember, last year there were nearly one hundred and twenty members present at our memorial services, so—this year let's have more than that—every member should attend.

After the services, Lecturer Leo Wemple will give away a flock of turkeys. Who knows—you may get one.

HERE AND THERE

We have just learned that Bro. John Fay, a charter member of our council, died on August 27 in County Cavan, Ireland. . . . Miss Ann Carey, a sister of Bro. Wm. Carey, Sr., and Bro. George Carey, was struck by an automobile on Nov. 2nd at 32nd and Emerald. . . . The mother of P.G.K. Tom Mulroy and Bro. Frank Mulroy likewise was hit by a car at 67th and Perry on November 5. We are glad to report that she was not seriously injured, although she was taken to St. Bernard's Hospital. . . . Bro. Leo Kereiva and Bro. Leo Wemple were two of our members who attended the annual K. of C. Softball banquet. . . . P.G.K. Jerry Sheehan has been appointed chairman of our annual anniversary dinner dance which will be in February—you'll hear a lot about this later.

Many of the bowlers remember Ray, our star twirler on the softball team.

We are taking one of the sponsor's each week and tell you something about him. This evening we would like to tell you about the Ryan Dentist. This team is sponsored by Bro. (Doc.) Frank S. Ryan, a member of McHale Council since 1913 when his brother, Tom Ryan, was Grand Knight. G.K. Tom Ryan has since returned to his eternal reward. At one time there were five brothers members of our council.

Doc. has always been an outstanding member of our council, past president of the Mt. CALUMET MEMORIAL DRAWS LARGE CROWD

2-4 Mon. . . . . 6646 Stony Island Ave.

The meeting last Monday was another one to be proud of. The meetings are getting better attended all the time and those of you members who keep your slippers on and remain at home don't know what you are missing.

The last meeting was the memorial meeting and we think it was one of the best that we ever had. A very good talk explaining the American Legion's actions at the last convention in Milwaukee was given by Math. D. Murphy, past commander, Police Post 207 and past national vice-commander, A. M. We also had Mr. Peterson, adjutent, Jackson Park Post; Wallace, the past commander of Jackson Park Post; Past Com. Timothy Hennessy of Com. Barry Post 83, C.W.V.; Past Com. Michael Touhy of Adm. Benson 83, C.W.V.; Comrades, S. of A., Bill Larkin and Bart O'Gallagher, all of Adm. Benson 83, C.W.V. We also had Comrades Ed Remmile, Tom Day and PGK Jim Lynch, all of Fort Dearborn Post 268, A.M., and Comrade Demaris of Woodlawn Post 175.

We had some very good singing by PGK Wilf Byrne and ex-Scribe Maurice Smith (Maurice, by the way, brought back some good fish stories from Spooner), who were ably assisted on the piano by Mrs. Wilf Byrne. Mary O'Gallagher, the daughter of Bart, sang and danced for us, and this pretty little Irish colleen was very good. After the meeting was over we all had a little amber fluid and everyone was well satisfied. We had a big surprise at the meeting when Bob Hardy wanted to sing.

Our most distinguished visitor was our new district deputy, Guy Macina, who gave a wonderful talk. You could tell by the enthusiasm in his voice that Bro. Macina is going to do all in his power to help Calumet, and we, in turn, are going to make him proud that he has such a council as Calumet under his jurisdiction.

NEXT MEETING

The next meeting is the first and second degrees meeting and Calumet will be host to the other councils in our district. The chairman of the membership committee, John Rickord, makes an appeal for all of you members to send in your applications for new membership so that we will make these degrees one of the best attended in our records.

NOV. 16 is the next meeting of the Sunday Evening Club, and Chairman Frank Davis has set up a wonderful program. Old-time movies will be shown and everyone is invited to attend. Don't forget Calumet's New Year's Eve party. Send in for your reservations now.

Martin Mongan, who joined Calumet in 1902, just celebrated his 50th wedding anniversary last month. Congrats, Martin, and many more happy years. Loyola-Hyde Park invites our members to its big annual fiesta and dance, floor show and entertainment given annually for the Christmas fund for the poor. The place will be the American Legion Halls, 6308 Woodlawn Ave., and the admission is only 25 cents per person.

D.G.K. REPORT: These brothers are convalescing at home and would like a visit from some of you brothers: Ber. Condon, J. Walter, Thos. Clark, Chas. West, John Ahern and Jim Shannessy. Arch Mahoney is still confined to the Hines Hospital in room A-327. Drop in and see Arch and he will make you some coffee.

We regret to announce the deaths of Bros. Michael Stenvens, Ralph Lee and James Cummings. The officers and members of Calumet extend to the bereaved families of these brothers sincere sympathy in their hour of sorrow.

Stone's Shell Station went into third place by bowling over their heads to win the odd game from the Whalen Boosters. Illinois Will Supply Thanksgiving Dinners at Monday's Meeting

1-3 Mon. . . . . 64 East Lake Street

The scribe and his bride of 25 years departed for points south, therefore appears the temporary scribe. Illinois must carry on.

The next meeting on Monday, November 17, is Turkey Night and there is a surprise in store for you. Don't fail to attend.

Bro. Groden, chairman of the Membership Committee, inquires "have you signed up your prospective new member? If not, why not?"

Our anniversary party in January will be an order of business. Be present and assist in its planning.

Phil Sharkey returned to his home on the mend from Garfield Park Community Hospital. Hope to see you soon Phil.

Our Brother, Ferdinand J. Repel, who for a number of years was a trustee of the council and active in its affairs, lost his aunt, Miss Catherine Repel, last week. Bro. Repel made his home with his aunt since early childhood. She went to her eternal reward after a lingering illness. May her soul rest in peace. Our sympathies are extended to Bro. Repel and his and her relatives.

Bro. Phillip Foley, one of the senior members, departed this life last Saturday and the council extends its sympathies to the family.

Santa Maria's Annual Thanksgiving Party Is Tomorrow (Saturday)

2-4 Thurs. . . . . 9020 Commercial Ave.

Tomorrow, Saturday, Nov. 15, is the big night for Santa Maria's annual Thanksgiving Party at the South Chicago Masonic Temple, 91st St. and Exchange Ave. Everything is in readiness and the doors will be thrown wide open at 8:00 o'clock.

The committee, headed by G. K. Joe Komar, P. G. K. Al Schott and Lecturer Bob Lynn, is looking for the biggest crowd of fun seekers that the council has ever had at any of its parties. Don't let anything stand in your way to disappoint them by not attending.

Weeks of preparation and hard work have gone into this party. It's up to every member to show his appreciation by attending. Don't come by yourself. Bring along a friend or several of them.

There will be games, entertainment, turkeys, music, and food (all you can eat). Bring along your appetite. The refreshment committee promises not to be dismayed by even the most hearty one.

P. G. K. Al Schott has stacks of gifts all ready to be handed out. Remember to bring your cards along for the major awards. All the brothers are asked to be on hand early to help in whatever way they can. We would like to keep up Santa Maria's reputation for being a gracious host, so we need every pair of hands we can get to make our guests comfortable.

A special invitation has been extended to our sister organization, the Daughters of Isabella, Santa Maria Circle. We will be on the lookout for our friends, the D. of I.'s, as they always help to make our parties a success both by their presence and help.

Last but not least! Remember the party is free, but don't leave your purse or billfold at home. We have some ideas on hand to make you part with a few dimes at least.

NOTES: We haven't had any news of P. G. K. Jim Conners lately. We wonder how he is getting along after his recent illness. Whatever has become of our Iron dole Brethren? We haven't seen them at meetings lately. How about it. Brothers Elmer Nash, Mickey Whalen, Jerome De Laurentes, Joe Grande and others? Don't forget your dues. Fin. Sec. Crowe says the end of the year will soon be here and he'd like to have his books all up to snuff with each member in good standing.

Ketteler Sponsors Memorial Mass Thanksgiving Day

2-4 Mon. . . . . 3437 Ogden Ave.

Grand Knight Edward Oakes announces that the annual Memorial Mass will be sung at St. Paul's Church on Thanksgiving morning at 8 o'clock. It is fitting and proper that a large number of Brothers attend this service which some day will be offered for the repose of their own souls. Father Regis McCoy, O.S.B., a very active member of our Council who is assigned to this church, has stated that he will hear confessions before Mass so that the Brothers will be given the opportunity to receive the Holy Eucharist at this service.

Remember the date, the time, and the place—Thanksgiving morning, Nov. 20, 8 o'clock, St. Paul's Church, 22d Place and Hoyne Ave.

The meeting of Nov. 10 was twofold in scope. Memorial services were held for the repose of the souls of Brothers Edward J. Dymek, Harry Fish, Joseph Dubek, John J. Gerstner, Max F. Koch, Dennis A. Horan, Fred Houdek, Frank C. Zeglar, William Ebben, and Martin Senica, who were called to their eternal reward within the past year. Reverend Regis McCoy, O.S.B., led the Brothers in offering prayers for the repose of their souls.

Then, since this was the last meeting before Thanksgiving, turkeys were awarded to many Brothers. It was a "fowl" night for Brothers Adam Panek, Dennis Koch, John A. Smuda, Chester P. Zarzecki, Chester Daniel, worthy Treasurer Frank Wollenberg, James P. Fish, H. J. Agnew, Paul Drysch, G. McGann, Edward Losos, E. J. Holland, L. Nowakowski, John M. Kruszkowski, James Smyth, Adam Szott, worthy Financial Secretary John P. Bonk, Stanley A. Kerstin, Charles Frenige, Jr.

We were honored to have with us at this meeting our energetic member, Rev. Regis McCoy, O.S.B., and Brother Benjamin Bernasek, of Cardinal Council, who is Field Agent for our Council.

OUR WORTHY ADVOCATE, Alexander Olszewski requests brothers who have been tardy in making returns on their dance tickets to do so as soon as possible so that he can finish his report by the next meeting if possible.

HEN.-SHIELDS MOURNS DEATH OF CAPT. LYNCH

Nov. 26-Dec. 12.....446 N. Parkside Ave.

Members of the council and legions of friends of Captain George E. Lynch were saddened by the news of his sudden death which occurred last Wednesday following a heart attack while out driving in his automobile at Lake and Kilpatrick Ave. Squad 2 of the fire department at engine house company 67 tried to revive him but was unsuccessful.

Bro. Lynch was a member of the order for nearly forty years, joining Illinois Council at the start of the century, and a few years later assisted in organizing General James Shields Council of which he was a charter member. He also helped organize Charles Carroll Council, retaining, however, his membership in Shields. Until the last few years he was always active in council affairs and for many years was council delegate to state conventions. He was a brother of Henry J. Lynch, past state deputy, now chairman of the Catholic Home Finding Association.

Capt. Lynch was born in Chicago and in 1901 joined the Chicago police department; promoted to sergeant in 1915, lieutenant in 1924, and was acting captain of the Austin station when made a full captain in May, 1938, which position he held at the time of his retirement in 1940.

Surviving are his widow, Mrs. Anna D'Arcy Lynch, and a daughter, Rosemary. Members of the council paid their respects in person at the funeral home, 5321 Madison St., last Friday evening, and funeral services were held at Resurrection Church Saturday morning, Nov. 8, with burial in Mt. Carmel.

To the members of Bro. Lynch's family we offer our sincere sympathy. May his soul rest in peace.

NEXT MEETING

It would seem that we were a trifle presumptious in moving Thanksgiving back to the proper date where tradition had always placed it, as we discover it will again be a week ahead of time on Nov. 20.

At any rate the council will be able to hold two meetings in November without infringing on holiday eves, the second meeting coming Wednesday, Nov. 26. You may be sure that Mr. Phelan, our lecturer of the year, will cook up something worth while on that evening.

BOWLING

All close series this week. The John J. Hayes Hatters took two from the Harwood Florals, Roy Winterhalter of the Hatters shooting 235 in the first. What he got in the last was from desperation.

Costello & Son Boosters won two from the Frank M. Hayes Barbeques with only a difference of thirty pins in three games. Ron McGillivray's 206 helped the Ed. J. Riley Insurance writers take the first game, but after that spurt the M. C. Fogarty Men's Wear had no trouble in winning the next two, Walsh helping with 201.

Midland Pipe & Supply and Ray Foley's Grill split the first two games and with Eddie Mulholland's 220 in the final for the Midland Pipes, against Charlie Quill's 212 for the Foleys, the Midlands came c with two. For reports on our big leag boys see the sports page.

Damen Has Part in Dedication Services at Damen Hall Sun.

1-3 Thursdays . . . 6 No. Hamlin Ave.

The council was honored last meeting by the presence of Rev. Henry S.J. assist- ant pastor of Holy Family Church, who extended a personal invitation to the members to attend the blessing and un- veiling of the "Bronze Plaque" in "Da- men Hall" next Sunday morning, Nov. 16.

The unveiling will take place immedi- ately following a special Solemn High Mass at 10:45 a. m. in Holy Family Church. Dedication services will be in charge of the Rev. Nicholas H. Mann, S.J., pastor of Holy Family Church, and president of St. Ignatius High School.

At the conclusion of blessing Rev. Mann will make a short address of thanks to those who made this venture a success. Cafeteria lunch will be available for those who wish to remain and renew old friend- ships. Up to date movies of the doings of the parish as well as pictures of by- gone years will help make your visit a most enjoyable one.

We hope all the members of the Da- men Council who can possibly attend will be present to do honor to the memory of Father Damen, that famed missionary who founded Holy Family Parish and erected 15 Catholic buildings over a span of 20 years on Chicago's great West Side.

Our new D. D., Brother W. Hopkins, paid the council his initial visit and gave a short, well pointed talk to the mem- bers. Thank you, Bro. Hopkins for your inspiring words.

The following brothers got the bird last meeting: G.K. John Caulfield (twice); M. Condon (twice); James I. Feeney, T. Tierney, W. Berg, Wm. Cassidy, J. Lard- ner, L. Dowd, D. J. O'Brien and D. D. Wm. Hopkins.

Lecturer George Reithal, Jr., was a very downcast young man last meeting, due to his failure to obtain the adver- tised tickets, however, his substitute tickets for the Bears vs. Cleveland were cheerfully received by the following: F. Hayden, H. Henningsen, H. Prince, P. Grimes, L. McCann and "Little Georgie," our hard working lecturer.

SPECIAL NOTICE

Brother James Crowley, our genial financial secretary, would like to remind the members in arrears that payment of dues is a very important item in the wel- fare of any council. If in doubt about yours, get in touch with "Genial Jim;" his address is 4339 Wilcox street and phone number Marshfield 7096. Phone to- day. Don't delay.

Gar. Moreno Puts in a Good Word for a Hard Working Officer

2-4 Tues. . . . . 155th & Lexington

Did you ever get censured for doing your duty? Why do I ask? Well, the office of financial secretary of our coun- cil, held by Louis Beaupre, who is now an agent of the Supreme Office by vir- tue of the new insurance setup of our order, is the one who has been unjustly censured by some members recently put on the Automatic Assessment Loan. The insurance laws of our order are very strict and must be obeyed if each unit of our order is to function properly and protect its insurance members.

May I call to the members' attention that "Columbia," the monthly maga- zine of our order, contains each month the official notice of your assessment? Here it is as of Nov. 1, 1941: Official assessment No. 668. Brothers: This is notice of insurance assessment as pro- vided by the laws of our order, due this date and payable within thirty days under penalty imposed by said laws. Members must make payments to the financial secretaries of their respective councils. Councils must make payment to Supreme Secretary as provided by law. How many of us read the above notice each month and live up to the law? Very few. We all should know that when we get delinquent in our obligations we automatically put our- selves on the A. A. L.

We find many ways to censure our financial secretary, but we don't take ourselves into consideration, for if we did we'd pay all our obligations as they fall due, and if we did that there would be no such thing as the A. A. L. So, brother knights, let's not forget our obligations to our council and loved ones. The latter must be protected, and to protect them we must meet our obligations. So let's all get serious about these obligations, and we who are in arrears get them cleaned up by the first of the year.

I might add that Bro. Louis Beaupre deserves to be congratulated on the splendid job he has done as financial secretary. And any member who has censured him for being put on the A. A. L. in my humble way of thinking owes him an apology.

Washington Conducts Impressive Memorial Service Last Tuesday

1-3 Tues. . . 5th Ave. & Wash. Blvd.

In attendance, interest and impres- siveness, Washington's Memorial Ser- vice Meeting on Nov. 4 was unsur- passed. Our popular and well beloved chaplain, Father Muzik, delivered a beautiful tribute to our departed broth- ers and in his sincere forceful manner brought home to every knight present the reminder of what a narrow thread separates us from this world and the next.

Father Muzik gave his interpretation of death as a "Gateway" through which we enter the next phase of our exist- ence. For us who are fortunate in pos- sessing our Holy Faith, death is not the end of all, but an entrance to the hereafter with all its possibilities of joy and eternal life. Several times in the past Father Muzik has addressed us, but Tuesday night he struck a new high in the type of eloquent oratory which none will soon forget.

District Deputy Geo. Bamber honored us with his presence and in his remarks solicited the continued cooperation of Washington Council in successfully furthering the four step "LOPP" (Leadership, Organization, Program anl Persistency) success plan. He stressed the importance of the membership com- mittee functions, the need for active council participation by members, the proper handling of publicity and sev- eral other pertinent subjects.

WEEKLY WHEEZE

Have just heard that Fin. Sec'y Bob Lovejoy is in Westlake Hospital for a general checkup. It seems a man who works as hard as Bob does, would re- quire a daily check, but we're sure the Docs will find Bob hitting on all six.

Father John J. Dillon and Robt. J. Cizek, both new additions to our rolls, each spoke a few words on their re- actions to the first and second degree. Both were deeply impressed and we gather that Bro. Cizek is a little more than curious as to what is yet in store. Mario Zanoni, brother of Joe, the groom, has transferred from Americus to Washington. He was also welcomed at this meeting. Fred Dolle of Oak Park also paid us a visit and we are hoping far his transfer soon.

J. D. Solon, a young man of poise and a nephew of Recorder McAuliffe, submitted an interesting account of the week spent at the American Legion Boys' Convention at Springfield, Ill., last summer. His attendance at this gathering was sponsored by this coun- cil and Young Mr. Solon's report, indi- cated he enjoyed it a lot when he thanked the council for sending him to the conclave.

LADIES' NIGHT

The way things are shaping up, Nov. 18th, Ladies' Night, will be a really grand affair. Many games in addition to the annual turkey night are just a few of the attractions planned for that evening. A movie entitled "Know Your Navy" will be presented by two repre- sentatives from Loyola University and a representative of the Maywood-Mel- rose Park Physicians' Club will deliver a short talk of great interest to all. For an evening of profitable enjoyment bring the best girl along to show her a good time and also what a swell bunch of fellows you associate.

FT. DEARBORN STAGES IMPRESSIVE MEMORIAL

1-4 Thurs. . . . . 820 W. Garfield Blvd.

If anyone were to try to describe the beauty and solemnity of our Memorial Night in the council chambers, mere words would fail by far to justly describe exactly how magnificent this solemn service in honor of our deceased brothers, really was. The darkened room, illuminated only by the huge cross upon which were 135 small lights representing each one, a deceased member; when the recorder called the name of the brother our warden answered in the negative as to his presence and one light was extinguished, the various renditions of sacred music by visiting and brother knights, the prayers and solicitations by Rev. Fr. Dussman, all made for the most impressive ceremony which will be long remembered by those who attended.

Bro. and charter member J. A. Richert told us of how Dearborn was founded and that those men were gentlemen of high standards and we should try to maintain those standards set up by them. He recalled the many good times they had together, and said that there was not a day goes by that he does not pray for the repose of the souls of those who have passed on.

Judge Gibson E. Gorman of Ridge Council spoke on "Our Order and Its Dead." He reminded us that our order made it imperative and one of the most important points in its program, to pray for its deceased members. He requested that we never cease our practice of remembering our dead and continue having ceremonies of this nature throughout the years to come.

Rev. Fr. Dussman probably struck upon the importance of the service when he said that he had prepared a speech but that the impressiveness of the ceremony demanded that he say what he felt in his heart rather than what he had intended to talk about. We can readily understand why Fr. Dussman has such an immense following. He speaks as though he were talking to each and every person in his audience individually. His personality and manner of delivering his speech is far beyond description. No one could do justice to his speech no matter how hard he tried to elaborate upon it. Suffice it to say that each and every person in the hall that evening listened to him with much admiration and perfect attention, saying afterwards that his talk was altogether too short.

The "Requiem," "Panis Angelious," and "Taps" were sung by Mr. Thomas Kenyon who has a splendid tenor voice. A violin solo of Gounod's "Ave Maria" was given by Mr. George Richert and Emerson's "Agnus Dei" was sung by Bro. Bob Du Mais. Buglers sounding taps were Master Kenneth McDonald and Master Carl Artus. Prayers for the repose of our deceased brother members' souls were then said by our G.K. Devereaux and the ceremony closed by all members singing "Holy God."

May we take this opportunity to thank Fr. Dussman and all those men who took an active part in making this year's Memorial Service the great success it was. The huge illuminated cross we spoke of above was made and presented for our use by Bro. James Gaul and the organist for the evening was Bro. Jos. Cognac of La Rabida Council.

In honoring and praying for our dead we perform one of God's most important works of mercy, let us not forget them even though their time and work on this earth is finished. May they have Eternal Peace.

BLOOD DONORS

There were 3 members of Dearborn who answered the call for mercy recently and donated blood transfusions. They were: Bro. Tony Pidone to G.K. Richard Phillips of Englewood Council at the Chicago Memorial Hospital. Bro. John Eichlin to Geo. Grotto at St. Bernard's Hospital. Bro. J. J. McCarthy at the Chicago Memorial Hospital.

DEARBORN had nine candidates in the class on Nov. 1 at Weber Council and we wish to welcome these men to our council and hope to see them active and attend all our meetings. They are: Dr. Phillip Campagna, Geo. T. Sullivan, E. J. Tinkler, Wm. V. Tinkler, Jos. J. Arrigo, E. W. Walsh, Alexander J. Sosmann, C. M. Lazarski and Wm. H. Thielen.

There will be another 1st and 2nd degree given at Madonna Council on Dec. 12, so all members are requested to get their candidates lined up and applications in by that time.

R. I. P.

We regret to announce the death of Bro. James Gaul's father who died last week. We pray that he may rest in peace.

It was also with much sorrow that we received the information regarding the death of an infant baby girl, born to Bro. and Mrs. Harold Du Chateau, editor of the Columbian. We are sure that as long as God saw fit to take her from this world, she now is one of His multitude of Angels administering unto Him. Please accept the condolences of Ft. Dearborn, Harold, and we hope Mrs. Du Chateau recovers her health soon.

Bro. Wm. Lynn is very ill with pneumonia and we pray that he is feeling better by this time.

P.G.K. Francis McCurry was in attendance at the Memorial Night ceremony.

Bro. and Warden of Commodore Barry Quillenci was also at the meeting as was St. James' Lecturer Pete Wehle. We like to see visitors from other councils in our chambers and we want them to know that they are always welcome. Call again, boys.

After the Memorial Service was over the turkeys were awarded to Mike Mercury, Frank Gerry, Geo. Richart, H. Manzetti, Jas. Ciccia, Bernard Feilen, R. M. Kerwin, Frank Laporte, Chas. Read, O. Heilmann.

"GREEN BUCK" NITE

Yes, brothers, Dec. 6 is Dearborn's big night and the days now are getting fewer before it arrives. Let's take those tickets out of our dresser drawer or out of our pockets and get them into circulation. What? You haven't any tickets yet? Well get in touch with Bro. Dave Kerwin right away and tell him to send you some. Please don't put it off any longer. Get the tickets out and the $1.10 in, in order that we may be assured of a huge success. Only a very small percentage of the membership have taken tickets so far, according to Bro. Kerwin, which we know isn't the right way to do this business. Don't let Tom, Dick, or Harry do all the work, but pitch in and let's help. If we are going to let just a few men do everything the thing is a cinch to be a bust.

This kind of an undertaking, at such a great expense, demands the co-operation of each and every member of the council. So let's all push and push together for the success of our "Green Buck" party. The cause is a good one and we will be fully repaid when we see the smiles and hear the shouts of joy from the kids at our Christmas party on Dec. 21 at McHale clubhouse, 69th and Wentworth Ave. G.K. Devereaux and chairman of the party, D.G.K. Downes are doing everything in their power to make it a success and now it is up to us to see that the old Dearborn spirit is again reborn making this party one that will go down in the council's history as the greatest re-union and greatest social events of all time.

Nazareth Tries and Tries—Results Are Quite Satisfactory

2-4 Tues.....17 W. Harris, La Grange

Did you ever reach out for something without looking, close your hand and find that there was nothing in it? Well, that is what is happening to your scribe right at this moment. He reaches down into that old newsbag and, sad to relate, comes up empty-handed. Come on, noodle, do your stuff. Pretty tough going, though, after having put in twelve hours a day for many straight days. The old noggin just doesn't want to percolate.

We recently called your attention to the fact that many brothers seem to be getting a bit careless about keeping up their dues and assessments. This is a matter which should merit your most serious attention. Now look, men, we have told you time and again that this is your council and its success or failure is entirely in your hands. It cannot operate on good intentions, which leads us up to this question: How do you stand? Are your payments up to date? That would mean being paid in full up to Dec. 31.

We call particular attention to the insurance requirements which specify that all assessments must be kept up in full at all times. When you allow them to fall behind, you are actually permitting your benefit certificate to lapse. We know you would not intentionally do that because in so doing you are placing the welfare of your loved ones in jeopardy. Just make a check and if you have permitted yourself to fall behind, take care of it now. Remember next month you will have other demands on your pocketbook.

SICK LIST

We regret to report that our popular Mike Simon has run into "dat ole debbil" Bad Luck. Mike's family has recently been sick and as if that were not enough we hear that a truck ran over Mike's foot. Don't know how serious the injury is but we hope it is not too serious.

Bro. Elmer F. Scott is at the Union Printers' Home, Colorado Springs, Colo., and would appreciate a "get well" card from his friends in the council.

Bro. White is still hospitalized and we know he is only too happy when one of us visits him. After all he is getting along in years, and after having spent many acitve ones in knighthood he is made quite happy when one of the boys drops in to see him. Jimmy Robinson of Westmont has recovered from his recent attack of the "flu" and is back in circulation again. We have no report to make on Bro. Schaffhauser. He suffered a fractured leg some time ago and at last reports was still confined to the hospital.

By the way, you men of the Third Order, have you made your annual retreat yet? Remember you are required to make at least one each year, and inasmuch as tempus fugits you had better get busy if you have not yet made your retreat. This is in line with the principles of Catholic Action, so get busy. When we mention the subject of Catholic Action we are always afraid we will get started and not stop. We ask again what you do with the Catholic publications which enter your home. When you are through reading them why not lay them away and get in touch with Bro. Emil Polivka, who will see to it that they are picked up and put to good use.

This is your last call for that anniversary dinner and dance. Most of you will receive this issue on Friday, so if you have not made your reservation yet do it right now. Communicate with P.G.K. Galvin or Recorder Joe Halm immediately and say you will be there. Remember this will be positively the finest affair of its kind that Nazareth has ever put on. A wonderful dinner followed by dancing, all for $2.25 per plate. The place is Edgewood Valley Country Club, the time for the reception 7 p. m. Dinner promptly at 8 p. m. No dry, long-drawn out speeches to bore you. Just a full evening of fun and pleasure. We'll be seeing you there.

PIN POINTS

Last Monday ye scribe was unable to be present at the alleys, due to the fact that somebody has to keep the fruits and vegetables rolling across the country to your tables, so again Mrs. Scribe stepped into the breach with her usual good job of reporting. Here's the dope she brought in. The Triangles led by Haggerty's 498 took two from the Lukes. This despite Joe Noeth's 541 series for the losers. The McGough Lumber team, paced by Kolnicks fine 564 series, took two from the News Agency. The Fairview Club took two from the Lindy's. Ansley for the losers came through with a 529 series. His team mate, Stacey, threw a 510 but they were not heavy enough.

The competition for first place is getting hot again. The Universals, by taking two from the Leos Chickens, crept up to within a game of a tie for the coveted position. This was due to the fact that the league-leading Elms team dropped two to the Watkins outfit. Standings: Elms won 19, lost 5; Universals won 18, lost 6; Triangles won 15, lost 9; Fairviews won 14, lost 5; Lukes won 10, lost 14; News Agency won 10, lost 14; Watkins won 9, lost 15; Leos won 8, lost 14, and McGoughs won 7, lost 17.

Late word comes that we will hold our annual Memorial Mass for all deceased members of Nazareth on Thanksgiving morning at St. Joseph's Church, Downers Grove. Exact time of the mass is not now available but we'll try to let you know by yhone during the week.

Doc Dziubski has given me a schedule of events for the rest of the year and I'm passing them on to you so that you can keep the dates open for these particular meetings.

Julius Martynowicz Night" on Dec. 1, and a Kiddies Christmas party, in conjunction with 100 percent attendance night on Dec. 15. The above fills the bill for this year. Help make the above nights a big success by having a big attendance.

Dan O'Connell Will Honor Jos. Meier at Next Initiation

2-4 Tues. . . . . 1016 N. Dearborn St.

On Dec. 4, Daniel O'Connell Council will put through all its new candidates eligible for the First and Second Degrees at an exemplification sponsored by Father O'Connor Council at their chambers, 4660 N. Kedzie Ave. This degree class will be known as "Past Grand Knight Joseph C. Meier Class." To date we have seven men eligible to take this degree. If the applications keep coming in as they have in the past few months we should have a very representative class of men numbering around the 20 mark. P.G.K. Joseph C. Meier has always been an ardent worker for the council and has brought much distinction to our group both in State and national affairs of the Order. It behooves each one of us therefore to bring in as many applications as possible, so that the class will be a large one.

As you noticed in last week's edition there was mention made of another "Hour of Recollection" Retreat, to be held at the Villa Redeemer Church in Glenview, Ill., on Nov. 30, Sunday morning. Past Grand Knight John Stubing is chairman of the committee for making arrangements for a delegation of O'Connellites to make this spiritual Retreat. By calling Bro. Stubing at Keystone 6004, or Bro. Nathan at Long Beach 8762 you can make arrangements to attend this most pleasant spiritual ceremony. It is hoped that a delegation of at least 50 men will attend.

It is hoped and from present indications it seems quite probable, that our next meeting, Nov. 25, will be a great one in the history of Daniel O'Connell Council, at which time (barring complications) several State officers, notably our State Deputy, Leo M. Flynn, and our State Secretary, Ray Gleason and several District Deputies including Bro. Guy Macina and our own District Deputy, Marco De Steffano, will be present. With such a list of notables it seems that every Daniel O'Connell member should make a special effort to attend this very important meeting on Nov. 25.

A little reminder that last Sunday, Nov. 9, was Daniel O'Connell Night at old St. Joseph's weekly Sunday evening party. With the exception of a few officers and members and their wives, there was not as large a crowd as we would have liked. However, you may redeem yourself by taking a tip from those of us who were in attendance that the evining passes very quickly and for a nominal fee a great deal of entertainment and excitement can easily be yours if you'll plan on spending your Sunday evening hours of 8:30 to 10:30 at old St. Joseph's lower school hall.

SICK LIST

The chairman of our sick and relief committee has been less active during the past week due to the fact that the boys and their families are keeping in trim. We note, however, that the condition of Bro. Frank Raneir's mother remains about the same, and we're hoping for the best. Also that Bro. George Erkenswick's daughter is improving rapidly.

Questions: Has Bro. Dominick Faraci sold his argument for purchasing a farm to the better half?

Is Bro. Vic Scimeca still trying to collect for the fire at the Swanee barbecue?

Did Bro. Jack Malone catch up with the bird who dented his new Buick's fender?

Is our Fourth Degree Club chairman, Bro. Frank McAuliffe, getting all the co-operation from the eligible members that he should?

What team runs into worse luck than Daniel O'Connell's? Judge Quilici Boosters who met Brownson last week and took three on the chin. Responsible of course were their two heavy men, Joe Sinke with 645 and March Matz with 587.

Can you identify the following from the nicknames below?

Jerry Schultz, Radio Paul, Old Pappy, Slips, Dinger, Tee, Kaiser, Pee Wee, Kansas, Sheik, The Cut, Green, Tappy. Identify these 14 men at the next meeting and 25 copper pieces goes into Xmas Cheer Barrel.

Ye Olde Scribe's finger tips are getting black and blue from the hunt and peck system that I use when I type up these notes, so I'll call it quits for now.

Bro. Chester Krazecki, who had been pacing to and fro wondering what the long-legged bird would bring, was rewarded for his vigilance with a baby boy to be named Ronald very shortly. Congratulations!

deadline for next week's Columbian!

UNIVERSITY'S TURKEY NIGHT IS NOV. 25TH

2-4 Tues. . . St. Ignatius Auditorium

Our next meeting, Nov. 25, will be the annual Turkey Night, the date allowing the members to celebrate the traditional Thanksgiving in addition to the proclaimed day. This will also be Ladies Night, with cards and appropriate table prizes. And to top off the celebration Mine Host Lecturer Waibel will serve a turkey supper. There will be no charge for members and their ladies, but for fifty cents extra you may bring an outside guest to a two dollar party. Arrangements will be made to spread out if the meeting hall proves too small, so don't be afraid of being crowded in or crowded out.

P.G.K. Bart Quigley has made all arrangements for the semi-annual Communion Mass and Breakfast on Nov. 30. The Mass will take place at St. Ignatius Church at 8 o'clock, breakfast to follow immediately afterwards in the St. Ignatius gymnasium. Chairman Quigley and the Membership Committee call attention to this opportunity for the brothers to bring prospective candidates to this Mass and Breakfast—an admirable time to interest that friend you know should be with us in University. Let's have a real crowd!

CHRISTMAS CHEER: That energetic bell-ringer, P.G.K. Jack Garrity, chairman of the Christmas Cheer Committee, has started his campaign to put University at the top of the column this year. Surprise Jack next time you see him by offering your quarter, half or dollar to him before he has a chance to ask for it. He deserves many such surprises for the efforts he has made for so many years to cheer up the orplans and old folks at Christmas time.

BOWLING

Our silence on the subject of pin-spilling might give some of our fireside members the idea that the bowling league was defunct. A personal inspection of the alleys last Friday night however, amazed the scribe—here is an activity that brings out more members and more opportunity for fraternizing than anything else the Council does. True, some of the participants cannot properly be called bowlers, but they get as much fun out of it as those aristocrats of the alley, Ryan, Doyle, Rohr, Malone and Schmit. Drop around the Howard bowl next Friday and join the enthusiastic gallery.

Secretary Tom Dasse gives us the following league information as of Nov. 7:

	Won	Lost
Joyce Movers	20	4
United Employers	19	5
Fenlon Funerals	13	11
Innisfail Inners	13	11
McGraw Tailors	9	15
McGovern Meaters	9	15
Keenan Boosters	7	17
Moran Printers	6	18

Individual high three games: P. Ryan, 684; E. Doyle, 632; J. Rohr, 631.

Individual high single game: J. Malone, 253; P. Ryan, 241; F. Schmit, 237.

Friday, Nov. 7, McGovenr Meats took 3 games from the Keenanites; United Employment Agencies took 3 from Moran Printers; Fenlon Funerals lost 3 to Innisfail In; Joyce Movers took from Lenny McGraw's Tailors. Phil Ryan, set high individual three-game series with 684 pins.

Guy Stanwood, we regret to report, has (not is) a bad heel, but hopes to be back on the job next Friday.

Fin. Sec'y Dillon was celebrating his birthday—which one of the "dangerous forties," he refused to disclose. His score was probably affected by his realization of his advancing years—Sec'y Dasse mercifully spared us the details.

PERSONALS

CONDOLENCES: Our sympathy is extended to Brother and Mrs. Ray Healy in the recent death of Mrs. Healy's father, Olaf Anderson. R. I. P.

SOFTBALL DINNER: We haven't heard any report on the success of University's participation in the League Softball Dinner, held this year according to Tom Moore some place between La Salle street and San Francisco. Your sleuth will endeavor to clear up the details by next week.

HOST-GAUL: Fred Rondeau tells us that he attended the wedding on Oct 30 at Racine (or was it Kenosha?) of Bro. Bernard Gaul and Marion Host. Congratulations!

RETREAT: Rember that Father Oliver's latchstring at Mayslake is always out for his brothers in University Council. You don't have to wait for a crowd from the Council—every wek-end is ours according to Fr. Oliver. Just give him a ring at Harrison 2110.

Contrary to popular belief, a cold climate is not a direct cause of pneumonia. The death rate from that disease in some of the oldest Canadian provinces is lower than in most of our States.

Remember the early (Monday evening) deadline for next week's Columbian!

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. HUGHES SOFTBALLERS FETED AT LAST MEET

1-3 Tues. . . . 4711 W. Madison St.

Hughes Council's softball team, champions of the Far West Division of the K. of C. Softball League, were honored at the Tuesday, Nov. 4, meeting. Advocate Art Kreutzer, gifted, suave, capable of sustained brilliance, was the chairman, and under his velvety touch the proceedings moved smoothly. Treasurer Charles A. O'Malley, league delegate for Hughes, gave the boys a fitting verbal send-off, and Mgr. Frank Linskey, who piloted the team to the sectional crown and into the city-wide championship finals, had words of praise for every member of the squad.

Hughes Council's good friend and able secretary of the softball league, Bro. John Burke, represented the league in his wontedly brilliant manner, and the portals of Hughes chambers are always open wide for the presence of Bro. Burke—who says the nicest things! Each player was presented with a token of the esteem in which he is held by the membership of Hughes. Following the Nov. 4 meeting, the council entertained the players at the annual softball league banquet in the Midwest Athletic Club on Thursday, Nov. 6. From all reports, this was a swell affair and everybody went home well satisfied.

TURKEY NIGHT

Next meeting will be "Turkey Night." Nobody ever willingly misses one of Hughes' big Thanksgiving meeting nights and certainly you will want to be present next Tuesday, Nov. 18, when the succulent fowl will be given away. Yea, man, given away—and with food prices what they are, it will help no end to get the main portion of your Thanksgiving dinner for nix!

Lecturer Raymond O'Brien has surrounded himself with a capable corps of assistants for the Nov. 18 session in the Madison Athletic Club, 4723 W. Madison street, so you can tell the family that this year you'll provide the turkey—if you're lucky.

Keep in mind that on Tuesday, Dec. 16, Hughes Council will offer a "Ladies' Christmas Party," one of those gala functions for which our unit has become famous. The lecturer, with the advice and assistance of G. K. George N. Daly, has ambitious plans for the ladies' party, so promise your better half, your sweetheart or your sister—all three, in fact—that there will be a special program designed to entertain them on Dec. 16.

Meantime, on Tuesday, Dec. 2, Hughes Council will exemplify the First and Second degrees. This is in accordance with the program laid down for councils in the west area. Bro. William Kane, chairman of the membership committee, has been setting new records and a sizable class of candidates will be enrolled. If you have any prospects not yet on the dotted line, get in touch with Chairman Kane. Just a few more fellows like Bro. Frank Van Heule and Bro. John Korbell and Hughes' ranks would swell to the proportions of P.G.K. Bob Quinlan's days!

COUNCIL ITEMS

D. G. K. James A. Ryan made the initial appeal for Christmas Cheer funds at the last meeting. Whatever you can afford to contribute—a quarter, dollar or what—get it to Jim Ryan promptly so that the young ones may be assured a happy Xmas.

G. K. Bailey was particularly pleased with the attendance of our brother knights, absorbed from Commercial Council, both at meetings and particularly at Communion Sunday. Special mention for Andrew Gallagher, Daniel McConville, George Hoberg, P. P. O'Rourke and P. T. O'Rourke. A couple of Hughes old-timers at old St. John's were P. Gartland and Leopold Rysavy. Incidentally, don't forget to submit a communion card, signed by your pastor, to the G. K. or financial secretary in case you were not in attendance at Hughes' Communion Sunday on Nov. 2 at Father Francis Jedlicka's St. John Nepomucene Church.

Highes' good friend, Rev. M. A. Canning, formerly of St. Charles Barromeo parish, is present pastor at St. Ferdinand Church, and has just completed erection of a 24-room school at Barry and Mason avenues. When in that neighborhood, pay your respects to Father Canning.

That little fellow who cheers so lustily for Fin. Sec. Daniel Harper on Friday bowling nights is a mighty smart 'un. Maybe you noticed in the New World where Richard Harper, son of the financial secretary, received honorable mention in the picture contest, then Dick came through as the capital winner last week. His interest, fine effort and remarkable intelligence rated victory. Incidentally, Joan Gildarski, daughter of a Hughes member, also rated honorable mention.

Bro. Frank Fitzpatrick underwent an appendectomy and was confined to Oak Park Hospital. D. G. K. James Ryan reported on Frank's condition at last meeting. Also said that Sir Knight Charles Votava is home again in fine shape, Sir Knight Tom Dailey, chairman of Catholic Action, also is out of the hospital and greatly improved, while Thad Dietz is helping the Ward Blues win many bowling games. Bro. John Slomski is still confined to the County Hospital, Ward 15, Bed 15.

Jack Rusnak and Stanley Para, two of Hughes Council's stalwarts, continue to star in the South Shore Bowling League.

BOWLING NOTES

The Majors copped the odd game from St. Paul on last Friday in the Cascade Recreation. The team of Slanina, Garant, O'Brien, Kaminski, and Kowalski won the opener in good style, then dropped the middle game by 18 pins, but were inspired by Bro. John Meehan to fashion an easy victory in the final, by more than 100 pins. P.G.K. Elmer O'Brien led the assault in the third game with 224, while Al Kowalski had 223 count earlier.

After being knocked out of a first place tie a week ago, the Peter M. Kellys, paced by that same John Meehan with 580, scored a triple win over Malone & Clancy to roar back in the lead with a single game margin over the Ald. Richard M. Walsh 36th Ward Boosters and the Ward Builder Blues, which are deadlocked for second place.

The Ald. Walsh team dropped two games to Toomey Tavern, despite a splendid 620 series by Capt. Tom McDonnell, who chalked up about five in a row to win the first game for his team. Frank Bolen had a good series, but it was Charlie Stuart who drew the loudest applause when he cut down the 6-7 split. Nice going, Charlie.

Civil War broke out when the Ward Builder Golds and the Ward Blues, both teams sponsored by Athletic Director Elmo L. Ward—no better contractor anywhere—fought it out last Friday, with the Golds winning the odd game. Al Gilbert paced the victors while Murphy did his best for the Blues to stem the tide.

The Votava Auto-Fixers, led by P.G.K. John Bannon, won two from Lauterbach Coals, with Charlie Reilly pacing the latter. The Wm. J. Benes team copped the odd from the John H. McKeown Cartage, Korbel hot for the winners with Capt. Bob Monahan leading the McKeowns. Just to show off in front of his lovely wife, Rita, who was present.

By the way, the Peter M. Kelly Morticians blossomed forth last week with highly fashionable shirts. Now watch for the last word in bowling apparel, for the John McKeown Cartage have just ordered new raiment.

Pay a visit to Bro. Frank Linskey's bowling alleys at 508 W. Monroe street. Frank will be glad to see you.

Genoa's Turkey Night Next Monday Expected to Attract Full House

1-3 Mon. . . . . 7439 Cottage Grove Ave.

The next meeting on Monday, Nov. 17, of Genoa Council should be sufficient attraction for every member of Genoa Council to make a special effort to be present, for Turkeys are to be given away that night.

As is customary on this meeting prior to Thanksgiving night, a great many of the members of the council will go home with an order for the Thanksgiving Turkey. You might just as well be the lucky one. Be present and enjoy two really pleasant days. Monday meeting night and Thanksgiving as a result of Monday's generosity.

G. K. Robert Stadler and the officers of the council earnestly request each member to be present to indulge in this grand affair. This will be a splendid opportunity to show your interest in council affairs and thus greatly encourage Lecturer James Hyman.

FINANCIAL SECRETARY

Bro. Philip Jordan, Genoa's hardworking financial secretary, is anxious to hear from some of the members who are in arrears on their dues and premiums. Contact Bro. Jordan Monday evening at the meeting. The council is anxious to keep all the accounts as up to date as possible. Even though you may be in arrears is no reason why you should remain away from the meetings. Show your interest in the council, and if it is possible the council will make every effort to help you.

Contact a member tonight and arrange to come up to the meeting. You will thoroughly enjoy it and it will help you to get back in the swing of things again.

Chairman James F. Riley, Jr., of the membership committee, is anxious to secure new applications. Each member of the council should make an effort to secure at least one new member. Will you do your part?

The members of the council would like to see some of the former active members at the meeting Thursday, such as Bro. Walsh, Bro. John Powers, Bro. Bill Butcher, P.G.K. K. P. O'Gallagher. Suppose you put aside anything you might have scheduled for Monday and attend the meeting, fellows.

Leo Council will hold a Buffet Supper Dance on Saturday evening, November 15, at their club house. A special invitation is extended to Genoa Council members and their friends.

THE MOUNT VERNON HOUSE of 1941 will officially be closed on Friday, Nov. 28. It is located at 345 N. Malden in La Grange Park — Open Daily from 10 a.m. to 9 p.m.

Novena Contest to Be Judged by Supreme Knight

Three Widely-known Catholics Will Select Best of Christmas Crib Displays

A national Christmas Crib contest to promote greater activity in larger outdoor cribs for both churches and commercial establishments has been announced by the Perpetual Novena in honor of Our Sorrowful Mother, with the selection of nationally-known Catholics as judges.

They are Father Daniel A. Lord S.J., editor-in-chief of the Queen's Work, St. Louis, Mo., brilliant lecturer and writer; Sister Stanisia, of the Academy of Our Lady, highly acclaimed portrait painter; and the Hon. Francis P. Matthew, Omaha Nebr., Supreme Knight of the K. of C.

This unique contest is open to everyone in the United States and Canada with the winners receiving plaques in the three following classifications: For the finest outdoor crib in the Chicago Archdiocese; the best such display outside this Archdiocese; and the best crib, either inside or outdoor to be displayed in a commercial establishment in Chicago or elsewhere.

Movement Began Four Years Ago

Members of the Novena staff started working four years ago toward the more widespread display of Christmas cribs at business institutions and stores. The appeal was met with national enthusiasm and immediate response. Setting the pace was the magnificent outdoor Crib at Our Lady of Sorrows Church, West Jackson Blvd. and South Albany Ave., Shrine of the Perpetual Novena. Hundreds of thousands of persons from all parts of the country have viewed the Christmas Cribs displayed there each year.

Contestants need only to persuade a commercial establishment to erect an indoor or outdoor Christmas Crib or to have pastors display outdoor Cribs; then submit a photograph and a description of not more than 200 words to the Christmas Crib Contest Editor, Novena Notes, 3121 West Jackson Blvd., Chicago.

This unusual contest closes midnight, Dec. 25, and the decisions of the three distinguished judges will be final. Duplicate awards will be made in case of ties. While the size of the Crib will not be considered necessarily, it must be mentioned.

K. C. Softball Delegates Will Elect New Officers at Meeting Wednesday

The Knights of Columbus Softball League will hold its annual election of officers on Wednesday, November 26, at the Midwest Athletic Club, 6 North Hamlin Avenue, at 7 o'clock. Only regular delegates or their alternates are entitled to vote at this session.

To Feature American Legion at La Grange Model Home Tuesday

Tuesday, November 25, has been declared American Legion Day at the Mount Vernon House, located at 345 N. Malden Avenue, in La Grange Park. This decision was taken at a recent executive session of the house committee, as a tribute to the fine co-operation the men and women of St. Francis Xavier Parish at La Grange have received in the working out of their project from the Local La Grange Post No. 41.

The Mount Vernon House is scheduled to close at 6 p. m. on November 28, and the Mount Vernon House Festival Party will open that same Friday evening at 8:00. The party, which is being held at the Paradise Ballroom, Pulaski Road at Washington Boulevard, promises to furnish the season's greatest thriller, to the tune of Emil Flindt's well-known Varsity Crew.

Throughout the five months' history of the Mount Vernon House a patriotic note has been beautifully maintained.

For American Legion Day at the Mount Vernon House all admissions will be free. Not only are the Legionnaires and their ladies invited to be guests of the men and women of St. Francis Parish on that day, but an equally direct and cordial invitation is extended for November 25 to the Veterans of Foreign Wars, the Spanish American War and to all service and ex-service men, as well as to their wives and families. The House will be opened as usual, from 10 a. m. to 9 p. m.

Brilliant Banquet Climaxes Degrees Honoring Matthews

Supreme Knight Addresses Seven Hundred Guests Following Degree Ceremonials at Springfield, Nov. 9

One hundred new candidates were advanced to membership in the Knights of Columbus at Springfield, Illinois, Sunday, Nov. 9, in a day long ceremonial that culminated in a brilliant banquet honoring Supreme Knight Francis P. Matthews. With the Supreme Knight, who was the principle speaker at the banquet Sunday evening, were such prominent persons as the Most Rev. James A. Griffin, bishop of Springfield and State Chaplain of the Knights of Columbus; Michael J. Howlett, Supreme Director of the Order; Leo M. Flynn, State Deputy; William D. Rose, chairman of membership in the Springfield diocese; Henry J. Lynch, superintendent of the Catholic Home Finding Association; Loran L. Ducey of Champaign, Master of the Fourth Degree, and James D. Sheehan, Grand Knight of Springfield Council. Nine central Illinois District Deputies and twenty-seven Grand Knights were also present.

700 at Banquet

A total of seven hundred guests attended the banquet which was held in the Springfield K. of C. Auditorium at six-thirty o'clock following the exemplifications of the three degrees of the order Sunday afternoon. Supreme Knight Matthews delivered the principal address in which he interpreted the significance of the sixty years of the life of the Order. He gave an eulogy of Father McGivney, founder of the Order, and discussed the Knights of Columbus insurance plan. He told of the Order's relief work in disasters, the welfare work in the first World War, endowment of the Catholic University, direction of local work by 2,700 councils, and charity in many times of stress.

Mr. Matthews explained the Knights of Columbus plan of boy work, stressing the idea behind the junior branch of the Order—the Columbian Squires, the third Illinois unit of which had been instituted just a week previously when on November 2 the ceremonial team of the Monsignor Downey Circle No. 362 of East St. Louis, Ill., installed the forty-eight charter members of the Joseph Becker Circle at Jacksonville, Ill.

Turning to the Order's program of service to church and country, Mr. Matthews drew attention to the fact that the Knights of Columbus had but recently proudly answered the personal calls for service of both the vatican and of the president of the United States.

Bishop Griffin Speaks

Following the address of the Supreme Knight and concluding the program, His Excellency Bishop Griffin, comparing the programs of the Knights of Columbus and the Catholic church, said:

"The Church can give you a program and make saints of you, but you must follow the program. Likewise, the Knights of Columbus has a program to help make you better Catholics and citizens, but you must follow the program in an active way."

The bishop added that "the Knights of Columbus is a department of the Church, and as long as the Knights think and act as the Catholic church thinks and acts, all will be well with both."

Discussing the international situation, Bishop Griffin exclaimed that "human relations are not to be solved by mathematical formulaes because of the differences due to individuals. The Church must face this diversity of life. There is nothing selfish in the spirit of the Catholic church. She is interested in the salvation of souls.

"We stand and pray for peace," the bishop said. Quoting Pope Pius XII, Bishop Griffin declared that "peace is the fruit of justice," and added that "peace will not come from London, Mosow, Berlin or even Washington, but it will be the result of justice as desired by the Holy Father."

Bishop Griffin pleaded that "we who are Americans should give serious thought to the subject of upholding the hands of authority."

"I am going to follow the American flag wherever it goes," the bishop declared in concluding, "and I know there will be a good number of Knights of Columbus leading the way!"

The audience sang the "Star Spangled Banner," "America," and "God Bless America."

Order Leaders in Tribute to Lincoln

Francis P. Matthews, Supreme Knight of the Knights of Columbus is pictured above as he placed a wreath on Lincoln's tomb in Oak Ridge cemetery at Springfield, Sunday, Nov. 9. Accompanying the Supreme Knight were, from left, Rev. L. J. Mattingly, James D. Sheehan, Grand Knight of Springfield Council; Leo M. Flynn, State Deputy and Michael J. Howlett, Supreme Director.

Neri Will Feature 'Football Night' at Meeting, Dec. 2

1-3 Tues. . . . . 7515 Yates Ave.

Verbal pigskins will be thrown into the air at the next meeting of St. Philip Neri Council when "Football Night" will be observed.

It is very fitting that the chairman of the affair is William A. Blake, Big Ten official. What he has in store has not been divulged as yet but from rumors circulating, it will be a night well worth attending. That it will be interesting is gathered from the talk that has pervaded the council meetings during the grid season. There are many questions that fans have been in doubt about and of course "Professor" Blake will be put on the spot. In other words there is a probability the meeting will end up with a forum.

Local color will be added to the meeting by Bro. E. J. Ryan, a member of the committee. Bro. Ryan, who is a prosperous merchant of 71st street, 79th street and Edgewater Beach Hotel, is a former independent football league president. He headed the Calumet Region Senior circuit composed of the leading heavyweight elevens of the South Side. Among the teams were James W. Ryan Blues, 124th Field Artillery Armory, Payne Dodgers of South Deering, Buoscio-Bonivirs of East Side, and Hegewisch.

Then there is Bro. Hary M. O'Rourke, who is a member of Mayor Edward J. Kelly's Christmas Basket Fund committee, which sponsors the annual public and parochial high school football games each year at Soldiers' Field. Bro. O'Rourke will have the audience sitting on its chairs, figuratively speaking, when he begins to tell of the hair-raising battles he has seen besides the behind-the-scene incidents. Bro. O'Rourke also is a member of the committee.

Members of the committee besides the aforementioned three are: Joseph J. Zang, H. J. Zegers, Herman J. Holthoefer, Dr. F. R. O'Grady, Thomas P. King, Frank A. Mancina, Charles N. Girsch, A. Waller Mason, Charles P. McGill and Charles T. Scott.

The same week will see the card party to be held on December 5. Bro. and Mrs. Henry J. Doolin are chairman and co-chairman respectively. If the last meeting of the committee is any criterion, the card party will be bigger and better and will smash all previous records for attendance. The following are members of the committee of the party which will be held at the Caravel Club:

Messrs. and Mesdames: George S. Rieg, Joseph O'Reilly, William Jamieson, C. I. McDermott, Al F. Stephenson, R. V. Lobraico, C. J. Rubey, J. J. Reynolds, R. P. Duffy, J. P. McGoorty, Jr., William P. Carroll, J. H. Wilson, H. J. Zegers, Pat Woods, J. P. Quigley, Peter Kreten, E. J. Donnellan, Sr., W. J. Delaney, Thomas J. O'Hara, Harry M. O'Rourke, James A. Lavelle, M. J. Vanderheyden, John Zidek, M. J. McCaughey, William J. Thorpe and D. J. Hansen. The price of a ticket is 55 cents, including tax.

SOUTH SHOREITIS: Mrs. William Spinar is ill at home. . . . Bro. John Minor is chairman of the Service Men's Committee. . . . The council's pin team took it on the chin again for three. . . . It rests now in fourth place in St. Bride Holy Name league. . . . Don't forget the silver anniversary party. Just put a quarter away each week in the old sock, which you will never miss, and then the party will be a free gift to you. . . . Miss Marguerite K. Rubey, daughter of Bro. Rubey, became the bride of Ensign Frank Edward J. Carey, Jr., last Wednesday. Bro. Rubey is president of the P. J. Rubey Company, Inc., cigar agency.

Damen Inaugurates 'Program of Progress' at Party Sat., Nov. 29

1-3 Thurs. . . . . 6 N. Hamlin Ave.

The council will inaugurate a new Program of Progress with our second annual High Jinks Cabaret Party, Saturday evening, November 29th, at the Parkside Hall, 444 N. Parkside Ave.

Lecturer George Reithal, Jr., our chairman, has arranged a four-leaf clover of surprises: (1) A Rib-tickler M. C. from a top notch Broadway Nite Club. (2) A well-known dance band direct from the "Gay White Way." (3) A delectable choice of sandwiches. (4) A popular brand of refreshing beverage. You cannot possibly make a mistake by attending. **Don't be selfish** invite your friends to join you for an evening of pleasure that's bound to be **T-O-P-S.**

Keeping in line with the Program of Progress we will have a "Suggestion Box" at all meetings starting with the first meeting in December.

The idea in a nut shell is simply to help your officers plan interesting meetings and successful affairs. This plan will also enable some member who may be a timid to voice his suggestions a chance to have his ideas discussed. Write your idea in as few words as possible and deposit it in the Suggestion Box.

The Grand Knight, John Caulfield, wishes to thank the members who attended the Dedication Services of Damen Hall last Sunday morning. It was a very interesting affair and we of Damen Council should feel a certain amount of pride in having our name inscribed forever on the donor's plaque.

Brothers boost the "Old Timers" meeting. Let's make it a regular old fashioned Damen get-together on Thursday evening, December 18. Just keep in mind one week before Christmas "I have a date."

THE MERRY MEN

The last session of the Damenite Bowlers created quite a change in the league standings.

The Brown Plumbers won three games from the Stack Typewriters to advance to second place. Capt. P. Brown high for the Plumbers. R. McJohn high for the Stacks.

The McEnery Realtors took a triple victory from the Kelly Couplers to roll into a four-way tie for third place. T. Jordan the honor man for the Realtors.

The John Gormans lost the first game to the Reliable Credit but with the addition of a Ghost Bowler managed to win the last two games in one of those you hit-em and we get-em contests. Fossier high for the Senators. K. Phelan high for the Creditmen.

The Merry Men pledge 100 per cent attendance at the Council High Jinks Cabaret Party on November 29.

Ketteler to Hold Open Meeting at Nov. 24 Session

2-4 Mon. . . . . .3434 Ogden Ave.

The meeting of Monday, November 24, will be an open meeting. Lecturer Thomas Bogan has been busy lining up an attractive program and has arranged quite a diversified bill. He will present several members of the Chicago Bears, some of the well known coaches of the Chicago area, and a series of vaudeville acts.

As this is an open meeting, Grand Knight Edward Oakes extends an invitation to the brothers to bring their friends who are not members.

KETTELER ITEMS

On November 15 Brother and Mrs. Frank Karolczak celebrated their silver wedding anniversary. At a reception held in Pilsen Turner Hall that evening a very large gathering of their friends turned out to offer congratulations and to wish the happy couple many more years of happiness. One of the guests was our worthy chaplain, Rev. S. A. Derwinski.

Brother Stanley Baginski, formerly on the sick list, reported to the Sick and Visiting Chairman, D.G.K. Ralph Slaski, that he visited brother Guzan. Brother Guzan was well pleased with the thoughtfulness of brother Baginski and hopes that other brothers will take the time to drop in on him or sick members.

The retreat to be given in the Polish language at Mayslake and scheduled for this month has been postponed until Dec. 19.

BOWLING HISTORY

Twenty-eight years ago Bishop Ketteler Council organized its bowling league. Matches were held at the Greenlight Bowling Alleys which featured three regulation alleys. Bowling was held on four nights of each week with such teams as Athletics (W. Collins Capt.), Lincolns (T. Bulger Capt.), Wind's Colts (R. Wind Capt.), Jinx B. Maier Capt.), Das Nix (W. Bender Capt.), Radke's Cubs (P. Radke Capt.), Crawfords (F. Schaber Capt.), and the Neversweats (T. Carl Capt.),

The Neversweats and Wind's Colts each won 40 and lost 23 in the season. The Neversweats had high game, 955, and Wind's Colts high series, 2714. Leading bowlers were J. Russell, F. Boehler, Wind, Dockenday, Maier, Casey, Forest, Groth, and Jedlicka. Doran had high game, 243, and Darmstadt had high series, 642. The boys were pretty good then, too.

BOWLING RESULTS

The Bona Drugs tightened their grip on first place by sweeping the three game series from the Dr. Krupa Dentists. Al Bona and Jack Pender shared the high honors by shooting 518 apiece. Dr. M. Krupa led his team with a nice 585 series but to no avail.

The Stanek Press team lost the odd game to the Fruzyna Morticians as C. Wachala and H. Nowakowski led the Morticians with 548 and 527 respectively. R. Suchocki was the high man of the evening with a brilliant 613 series for the Staneks.

The Bilmar Tavern team also took the odd game from the Gorski Electric as Leo Pirzyk and E. Wojtanowski led the team with 567 and 516. Matt Foltyn was high for the electricians with 520.

The Wojcik Floor Sanders took the odd game from the ole lefthanders. the Tomera Range Oil, as E. Ciolkowski and John Bonk led them with 554 and 509. The Tomeras were paced by A. Iwanski and R. Slaski, who had 530 and 529.

The Luczak Lawyers also took the odd game from the Dr. Peszynski Boosters, being led by Dick Martin, who rolled a nice 575. Ted Gomolski and our worthy grand knight, Eddie Oakes, shared the spotlight for the Doctors with 580 and 569.

The up and coming Phil Nilles Boosters took the odd game away from the Clifton Park Cigars as Ray Schaber pounded out a neat 554 to lead them. Ed Plewa was high for the cigar men with 557.

The St. Paul Federals took two games from the Suerth Morticians, being led by Dr. B. Kvasnicka and Ed Holland, who had 534 and 515. M. Dolan and G. Cummings were high for the Morticians with 523 and 516.

The Ziarko Tavern team kept driving for that first place berth by also sweeping their set with the Art Bilt Furniture team as Rudy Noga led them with 526. Myles Bulat led the Art Bilt team with a nice 610 series.

The Major team encountered a stiff opponent in the Barry Council and dropped two games last Friday night. R. Suchocki led the team with a sweet 634 series, closely followed by that veteran, who incidentally made his first start this year on the west side, with 580.

La Rabida's Memorial Service Is Scheduled for Tuesday Evening

2-4 Tues. . . . . 6236 Princeton Ave.

The next meeting of La Rabida Council will be held on Tuesday evening, Nov. 25, and will be known as Memorial Night. Following a short business meeting that will start promptly at 8:15 o'clock, a recess will be declared and the council chamber appropriately prepared for the ceremonies.

The ritual for the occasion will be handled by our own officers, assisted by the chaplain, Rev. Thomas Dennehy. D. D. Patrick Woods, well known to the membership as an outstanding orator, will deliver an address on our Order and its dead, while P. G. K. Edward J. Scahill, who gained wide recognition as an orator, will deliver the eulogy.

As I have heretofare reiterated, Memorial Night at La Rabida Council has become an institution. The thoroughness with which the ceremonies of the evening are carried out is well known throughout the jurisdiction. The famous electric cross with its many lights, each representative of a deceased member, has caused much favorable comment among those in attendance.

LAST MEETING

The last meeting of La Rabida Council was held on Tuesday evening, Nov. 11, and after the regular business session the gavel was turned over to our lecturer, Dr. John Latchford. He proceeded to dispose of some Thanksgiving fowl. The following were successful in taking home turkeys: James J. Hallinan, P. G. K. John Mahon and Bro. Charles Mullins, Inside Guard of Leo Council and a visitor at our meeting. Dr. John Latchford, William P. Mahoney and Patrick J. Lee were the recipients of chickens.

HERE AND THERE

Bro. Edward Martin is in Little Company of Mary Hospital where he is convalescing following a hernia operation. Bro. Jerome Conway has returned to civil life after a three month stay in the army. He looks in the "pink."

Bro. James J. Cleary, a lieutenant in the Blackhorse Division and stationed at Camp Livingston, Louisiana, has fully recovered from the effects of a skull fracture. He reports that he is feeling fine. I might add that he is making a splendid record in the army as an officer.

Loyola-Hyde Park Council will hold its 8th Annual Fiesta on Saturday evening, Dec. 6, at Woodlawn Post American Legion Hall, 6310 Woodlawn Ave.

La Rabida Council's annual "Ladies Night" will be held on Tuesday evening, Dec. 9, at our council hall. Our worthy lecturer, Dr. Latchford, is sparing no effort in an attempt to make this occasion one long to be remembered. Keep the date in mind, brothers, and have your ladies on hand for another pleasant evening.

Illinois Turkey Nite Program Draws Large and Lively Program

1-3 Mon. . . . . .64 E. Lake St.

Last meeting of the council was one productive of much merriment, good fellowship and even profitable to a considerable group of the brothers who carried home with them the more important part of the Thanksgiving dinner. The lucky ones—Bros. Stukel, Stecher, Adler, Upington and Robb—went away with grade "A" gifts. Others who had the Goddess of Illinois Council smile on them in a smaller way were Bros. Pasbach, Gareau, Groden, O'Rahilly, Frank Kelly, Boes, E. D. Martin and D. F. Murphy.

We are glad to see once again W. K. Richardson, whose business is such that he may now attend the council meetings with greater regularity; ditto for J. Malcolm Semmes and many others whose presence helps to make meetings more cheerful.

On the sick field good reports were heard of the recovery of Phil Sharkey, Arthur R. Martin, Sr., and John T. Gegan. There seems to be no appreciable change in the condition of Dr. McGregor. Bro. Martin is not quite able to receive visitors as yet. As to the others—why not drop in for a minute or even telephone as to their welfare.

In looking at the history of our late Bro. Philip J. Foley, it will be noted that he was one of the pioneers of Illinois Council. In fact he entered the council March 23, 1898, some two months after it was organized. A man of very high character, of course, prominent in the business world in Chicago and the surrounding counties. He raised a family which anyone could be proud of, and while we can but offer our prayers and sympathy to his widow and surviving children, on his own account he has left a memorial of good deeds and work well performed which we believe must serve to soften the grief which comes from the departure of such a man. May his soul rest in peace.

Jan. 16, 1942, will be the 44th anniversary of Illinois Council. Still with us is quite a group of charter members—men of pioneer knighthood in these parts and most of whom have continued to take a lively interest in the affairs of the council and the order. To these men and to the great fellows who followed them in subsequent years, Illinois Council owes a debt of gratitude for having made possible for us to create friendships of great value, personally and as an aid to the church in carrying on its great mission.

Newman Proud of Library Founded by Its Chaplain

1-3 Thurs. . . . . St. Mary's Hall

Thirteen is considered an unlucky number, but Nov. 13 will always remain in our chaplain, Father Mockenhaupt's, memory. For on that day, St. Nicholas' new school library was dedicated. Everyone I spoke to agreed that it was the finest and best stocked school library in the Midwest. You really have something to be proud of, Father. District Deputy Jim Corcoran was one of the principal speakers of the evening.

Speaking of Jim, have you Brothers heard him on Station WAIT, Monday, Wednesday and Thursday at 9:30 A. M., laying down the law to the lawbreakers?

Steve Doyle has ventured into a new business at 6846 N. Western Ave. If any of you fellows are in the vicinity drop in and say "hello."

Bro. John Dondelinger claims he hasn't had much time to come to the meetings recently but I understand he purchased two watches from Bro. Julian Alter. So John you should have plenty of time now.

Glad to see Bro. Ray Cook at the last meeting. Come up oftener, Ray.

The Council joins me in congratulating Bro. Robert Reitz and Miss Wanda Pientka, who were married last Saturday morning at St. Nicholas' Church.

Don't forget Nov. 29 is Newman's biggest night. Dance, entertainment and eats all gratis. Furthermore, Joe Majkowski has promised us a brand new floor. So come one and all and enjoy yourselves to your heart's content.

On Sunday, Dec. 14, the Holy Name Societies of the four parishes in Evanston will receive Holy Communion at 8 o'clock mass in St. Mary's, celebrated by Msgr. Hillenbrand. Breakfast will be served in the school hall immediately after mass. Now, Brothers, all K. of C. members belong to the Holy Name — if not, they should — so please, fellows, let's fill the Church to the door.

Another date to remember is next meeting night, Dec. 4. First and Second Degrees will be conferred, and that glorious repast on the third floor.

The Council offers its belated condolences to Bro. Mat Fronzack and to the wife of Dr. Osejda on the death of their mothers.

R. I. P. Bro. Bill Connor is home on a two-week furlough but is sorry he won't be able to be with us on the 29th. Also on leave is Bro. Dave McCann, who visited his uncle, P. G. K. Dan McCann, in St. Francis' Hospital and found him progressing nicely.

On the road to recovery are the aunt of P. G. K. Hayes and the mother of Bro. G. Hebson.

Bros. O'Mahoney, Atchison and Amidon will call on you for the Christmas Cheer donation, so dig in, Brothers, and give to this worthy cause.

Oak Park Delighted at Success of Harvest Party Last Saturday

2-4 Mon. . . . . 641 S. Scoville

The Harvest Party at the clubhouse on last Saturday night was a splendid success. Grand Knight Joe Cagney and Lecturer Harold DuChateau both extend their thanks to the many loyal members who helped make the party such a fine round of entertainment. Particularly pleasing was the attendance of many of those who have been away from Oak Park affairs for so long. They all agreed that the party was one that showed the old time spirit and that Oak Park Council was on the move.

A large number of the members and many friends of the council donated gifts that were a fine addition to the possessions of the lucky persons. A few turkeys and ducks and baskets of groceries donated by John Einswiller and John Koeller were also among the things that went home with lucky people.

This affair was a grand evening of fine fun, enjoyed in full by more than 200 guests. The affair was a success in the fullest sense, financially, socially, and fraternally. If you were not there you should have been. Try your darndest to be with us at the next one. Follow the council in its activities, help wherever you can and participate in the rise of Oak Park Council to greater prominence.

Once more our thanks to the many who assisted in making this party such a success. We do not name them individually for fear of leaving some out, but most of you know who they are, and the knowledge that they did a job well is their reward.

COUNCIL ITEMS

BOWLING schedules for the balance of the year will soon be distributed to the bowlers. If you know any of the members who are bowlers and still not on one of the teams, just have them come over to the clubhouse and mention the fact. There are some places available.

We are sorry to learn of the accident in which Mrs. Tom Doane received a broken arm. Mrs. Doane, always active, has been one of those who worked hard at many of the affairs for the council and is well known among the members and their wives. We hope that she will not be long incapacitated and that she will soon be back at her usual activities.

Another accident was that of Al Noakes, who leaned a little hard against a chair and cracked a rib. Al is still as pleasant as ever in spite of the pain.

COMMUNION SUNDAY

Sunday, November 30, will be Communion Sunday for all members of the Council. The members will receive Communion at the eight o'clock Mass at Ascension Church. Breakfast will be served at the clubhouse following the Mass.

Speaker at the breakfast will be our present State Deputy Leo M. Flynn.

To those who have heard Brother Flynn no urging to be present is necessary, but to those who are to have that pleasure for the first time we can truthfully say that you have a real treat coming. Brother Flynn is a dynamic speaker, logical and forceful in his arguments and one who leaves you at the end of his talk with the feeling that you have gained something by listening. Don't miss November 30 at Ascension Church.

Blue Island to Make Its Membership Drive Year 'Round Activity

1-3 Tues. . . . . Gregory and New Sts.

The council seems to be rolling along smoothly and all are aiming toward building up the membership and Chairman Tom Parsons asks all to make a sincere effort to aid the "Drive." It is the wish of the officers that the members realize that this so-called "Drive" continues the year around.

As we keep abreast of the Order's activities we notice that many of our neighbors are joining that very select group of councils who have reached their quota. Why can't we of Blue Island join that body? It can be done and will be done. It has been the custom of Blue Island to answer the requests of the state officers with a 100 per cent fulfillment. It is Grand Knight Hansen's wish that Blue Island keep that record and have a class ready for the sectional degree to be held soon.

It is "Granddad" now for D.G.K. Dohrman. Congrats, Gramps! To Brother John Gabor and Mrs. Gabor we say congratulations upon the birth of a boy at St. Francis last week.

Also to Mrs. and Bro. Dick Strand the same expression for the same reason. Future Knight, eh Brothers? It is "Granddad" for Bro. Louis Glim too. Congrats, Gramp.

Don't forget to stop in and see Brother Frank Frasor at his new place of business, formerly "Landgrafs."

Sorry to report that Bro. Eldon Juby is very ill. It is our wish that he have a speedy recovery.

Not much news this week for notes. Seems like all the members are busy getting new applications for Bro. Parson's new campaign. Fin. Secy. Paetsch and Mrs. Paetsch drove to Oak Park last Saturday to represent Blue Island at Oak Park Council's Party. Hello, Hal! How are things? Were you at the last meeting to get your turkey? Hello, Dick Walsh. How are you? Joe Tragnitz has been missed at our last few meetings. So were you. Make it a point to attend the next one.

BOWLING

They did it again! The Einhorn's Beverage team took two from Mark's Store for Men. The Clothiers forgot that they must knock the maple down and not sneak the ball thru ala Roulo and Seyforth and Justin Boyd.

With Novak gathering 489 for the Beer Boys, the Einhorns went into the league lead. Tony Chovanec rolled a nice 247 game, bringing his total pins for the evening to 551. That's pins. The Hickey team was victorious twice against Gerdes Builders. L. Frasor polled 544 pins for Hickey, while Rigoni grouped a nice 522.

Martin's team took two from the Haas Boys. C. Komada was the pace setter for the winners, with a 478, while the big gun for Haas rolled a 524 series. The Hallinan team took the count from the Landgraf team. Joe Marshalek copped honors for the Hallinans with 530, while Kirsch garnered 502 for the victors.

It might be stated here that Chovanec has high game for the season with his 247 and has high series with 594 and no handicap. The League will give a bowling ball and shoes away on December 17. It might be a Christmas gift for some one. The little books are circulating, so get some now.

CALUMET WORKS FOR LARGE DEGREE CLASS

2-4 Mon. . . 6646 Stony Island Ave.

The next meeting of Calumet will be the installation of the first and second degrees. As this is a very important meeting, Chairman of the Membership Committee John Rickord asks each member to bring in a new member in order that the class representing Calumet will make a showing that will make all the other councils envious.

We wonder how many of you members have ever tried to sign up a new member. We wonder if those of you that have knew how to go about it. In order to sell anything it is necessary to have a sincere, enthusiastic belief in what you are selling. Secondly, no matter how great your enthusiasm may be, you cannot sell your product or service if you are unable to contact logical prospects. Tell the prospective members what it means to be a Knight of Columbus. Membership in our order is of course open only to practical Catholics. Membership in our order is obtained only by invitation. In this way we are able to maintain a very high type of membership.

Our order was founded approximately 60 years ago. The reasons for existence of the order as stated in the charter granted by the state of Connecticut are the same today as they were 60 years ago. They have stood the test of time. We aim to render pecuniary aid to our members and beneficiaries of members; to render mutual aid and assistance to our sick and disabled members; to promote and conduct educational, charitable, religious, social welfare, war relief and welfare and public relief work.

We have excellent clubhouse facilities in the Southmoor Hotel. These quarters are open to our members all the time. We have a ten-team bowling league, a softball team that plays in the K. of C. Softball League. We have a social club that meets twice a month on Sunday evenings in the council clubrooms. We also have a blood donor group that has done noble work in volunteering for blood transfusions. Once a year we give a public demonstration of our faith by receiving Holy Communion in a body. Each week we receive a publication called The Columbian, which is the order's official newspaper for the Chicago area. Once a month we receive The Columbia, the order's national publication. This magazine is distributed to knights throughout the world. It has the general news of the order and some very interesting short stories and news of general interest.

There are many other interesting activities that would interest a new member, yet the total cost for one year is only ten dollars. Think of it, a weekly newspaper, a monthly magazine, dozens of interesting activities and events, plus friendship with hundreds of men of your own kind, Catholics, who think and believe as you do. So, brothers, try to keep some of these thoughts in mind when you approach a prospect, and we are sure that when the meeting starts Monday that Calumet will have one of the largest classes taking a degree in the history of the Order.

Ted Davis, son of Frank and brother of Gene, solo'd last Tuesday and is now headed for the Naval Base at Corpus Christi to take advanced flying. We have been hearing wonderful reports about Ed Popjoy in his new position out in Aurora. It looks like Genoa's Scribe has a drag with the Editor because he cuts us everytime we say something about him. We forgot to mention in the last Columbian that all the praise for the wonderful meeting last Monday was due to the hard work of Tom Walsh. Tom's enthusiasm should be a spark to set all of the new members happy and proud that they joined Calumet Council.

CHICAGO, NOVEMBER 21, 1941 — 100

In Memoriam

Oftentimes in a man's life, the words with which he would console a friend will not come. In times of joy, a quick smile or a sincere handclasp is enough to convey the warmth of feeling that is engendered, one for another. But in those too frequent hours of sadness, when the dry tears of heartfelt grief well up to blot into insignificance the expressions of sympathy one would offer his stricken comrade, words and even deeds, stand as empty sentinels of our emotion.

And so it is now, with receipt of knowledge that death, even as it must to all men, has come to Frank O'Connor, Scribe of Chicago Council and second oldest in years of service of all Columbian authors.

In our own inexperienced years, we have many times placed the halo of hero worship upon the brow of some inspiring figure to often find our god stood with feet of clay. Today we know—since death's lean finger has drawn back the veil of comradery that cloaked our friend's goodliness from our eyes—that unknowingly we had given to Frank O'Connor, our hero's crown. We know no man wore it more deservedly, and none earned it more unassumingly, for to Frank O'Connor, the making of friends and the quiet devotion to their service, were the main founts of his living. The wide compass of his interests and abilities were proof of this and always, these qualities so often reticently held by most of us, he dedicated with a full hand to the advancement of his acquaintances.

Few were the hours of Frank O'Connor's life not spent in open service to his fellowmen, and though these actions may not earn a printed record in man's encyclopedias we know they have all been entered by a Divine Hand upon a more lasting volume. Though we may never find Frank O'Connor's name, upon the pages of man-made histories, we know he will not soon be forgotten, for the affections with which he sowed the garden of his life will ever blossom in the quiet corners of many memories.

Americus Has Several Items on Program for Next Tuesday's Meet

2-4 Tues. . . . . 3350 W. Jackson Blvd.

The next regular meeting of Americus Council will be held Tuesday evening, Nov. 25, at 3350 Jackson Blvd. The gavel will fall at 8:30 P.M. as usual. New members will be voted on and there are matters of importance to be discussed. The Lecturer will bring out the Kush Keg, it is growing larger all the time, and he has other things up his sleeve for that night.

Our last meeting was a short business session. It being Armistice Night, most of the brothers had places to go after the meeting. The old Keg was out and the name that was drawn was Walter L. Welsh, 3315 Polk St. He was not present, but his Dad, Brother Ed Welsh, remarked "I wanted him to come with me but he said he had some home work to do." Well, Walter, that is one time it cost you money to do your school work. Better get the work done early after this and come up to the meetings with Dad.

Two new applications were presented at the last meeting. William Hogan was proposed by his brother, Secretary James Hogan of our Bowling League, and Patrick O'Bryan presented by Brother Jay O'Rourke, who stopped long enough in his walk up and down the corridor of the hospital to sign up Pat. Oh; we forgot to tell you, Mrs. O'Rourke presented Jay with a lovely baby daughter on that day. At last reports mother and baby are doing fine and daddy is around taking care of his three sons.

The chairman of our Membership Committee, P. G. K. Mooney, in his report said that if the brothers kept going at their present rate we had a chance to get our "Quoto Made" so brothers, let's keep going and do just that. We are sure that you can find at least one eligible man in your neighborhood to sign on the dotted line.

Our worthy lecturer, P. G. K. Ned Kelly, missed the last meeting, being detained in Milwaukee on business. Nice place to be detained, we'll say, and Trustee P. G. K. Leo Joyce, Fred Scott and Wilbur Murphy took care of the Americus Booth at the Our Lady of Sorrows Parish Fall Festival on that evening, while Trustee John O'Brien as Commander of Cornwall Post of the American Legion had to welcome the guests at the clubhouse at their Open House.

During the past week our members gave two more transfusions to patients in hospitals. As we understand it, Brother Tom Gannon turned over some of his "red" at St. Luke's and Recorder John Whalen had some of the flush taken out of his cheeks at St. Ann's. These Brothers should be complimented for the work they are doing, giving not only their blood but their time also, to keep up the good work that the K. of C.'s have started in the Blood Donor Movement and we are proud to say that Americus has quite a few "givers" in our Donor Group.

It looks like the Bowling League let us down this week. We did learn however that Corso's Olives bombarded the Costello's in two games and that Mrs. Leahy will not have to worry about something to put in the middle of the table on Thanksgiving Day because Trustee Bill Leahy took the turkey shoot from Trustee John O'Brien by one pin. (How them Finance Guys can go when it means food on the table.)

About twenty of the brothers assisted Father Scheltinga on different nights at the Fall Festival and they gathered in a few of the well-known shekels for him (we said a few, it could have been a lot more without us kicking). Two of our Brothers, Bailiff Al. Horan and Alderman Jos. Gillespie, made quite a hit as they made their rounds of the booths dropping pesos along the way. We hope that the affair was a financial success for our worthy chaplain.

According to present plans the meeting of Dec. 9 will be known as Turkey Night and everyone should be present to try and get a bird for Christmas. It is intended that the wives and sweethearts of the members also be there. You know sometimes you are not lucky but the lady in your life may be. Why not keep that night open for your Council?

DON'T FORGETS. Your dues; Christmas Cheer; Meeting next Tuesday; The Fourth Degre is drawing nearer; Get an application; Be good to your folks; Invite a service man out to dinner; See the Eternal Gift picture; That Turkey Night is Dec. 9; To wind the clock and get to bed early, tomorrow may be a brighter day. G'bye now.

It is difficult to thread a needle with one eye closed because perception of depth requires two eyes.

CHICAGO MOURNS FRANK V. O'CONNOR

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council members were startled and grieved to learn of the sudden death of our organist and scribe, Frank V. O'Connor. His death occurred last Friday evening after a final rehearsal of a new "Mass" composed by him and which, under his direction, was to have been sung for the first time at St. Vincent's Church at the 12:00 o'clock Mass on next Sunday, November 23.

He had during the past 25 years as director of the Junior Choristers of St. Vincent's composed many compositions of church music which were accepted and approved by the church fathers.

He was devoted to the musical training and development of the Junior Choristers of St. Vincent's; many of his former pupils have made their mark in the musical world. Prominent among them are several Priests, and especially noted is Father O'Malley, director of the famous Paulist Choir of St. Mary's Church.

Frank was the organist of Chicago Council, Knights of Columbus, and was planning to prepare an appropriate Mass for the celebration of the Golden Jubilee of our council, which will take place in July of 1946.

(Editor's Note—As one of our oldest scribes in point of service, Frank O'Connor was a frequent visitor to The Columbian office. This writer, among the long list of Frank's acquaintances, had perhaps the least right to the expectancy of any of his favor, yet we feel there are few who would as readily offer more in our behalf. The weekly preparation of his Columbian story, gave us a firsthand knowledge of the circumspection with which he judged his efforts so that no single offense would be given to any reader. Many times, in the course of these duties, he was called upon to perform some unpleasant task, but no effort, no matter to what length the hour or at what cost the energy, ever brought forth his rebuke or censure. Our loss, in the passing of Frank O'Connor, is more than that of a capable and conscientious scribe; it is the taking away of something that made our tasks less difficult and our living more pleasant.)

Frank joined Chicago Council in 1905, was proposed by his beloved father of fond memory, James P. O'Connor. Surviving him are his brothers James, John R., Joseph T., Past Grand Knight and District Deputy Edward A., and a sister, Mrs. J. P. (Nell) White.

In business Frank was associated with O'Malley Brothers, 170 N. Clinton Street, as heating engineer.

Chicago Council deeply mourns and will long remember this beloved and cherished brother.

His gracious and unselfish service, his unstinting and unceasing self sacrifice in our behalf, his countless unsung acts of kindness and above all the nobility of his character have endeared him in the hearts of all who knew him.

He was a living example of practical Catholicity and the embodiment of those great ideals which are the very life of our honored Order. It can well be said that our little world was made better and brighter for his having passed this way.

To his immediate family we extend our most heartfelt sympathy in their hour of sorrow.

McHale Gathers for Interesting Breakfast Following Communion

1-3 Tues. . . . . 150 W. 69th St.

I regret to report that the showing at our Council Communion last Sunday was somewhat disappointing in view of the fact that only ninety of our members were there. Your officers expected a larger attendance and arrangements were made to take care of many more.

Our worthy chaplain, Rev. James Quirk, said the Mass and then joined the members at the club-house for breakfast.

The breakfast was served under the direction of Chairman Tom Hackett and Lecturer Leo Wemple. Many members took turns helping with the serving—so many helped that I was unable to remember all the names.

After the breakfast, Chairman Hackett called upon several guests for a few remarks. Our D. D. Ed. Molyneux was in good form as usual and praised us for our good work. Then we heard from a specially invited guest, Frank Gustine, the star second baseman of the Pittsburg baseball club.

P. G. K. O'Gallagher of Genoa Council then delivered the principal address of the morning. Among the other guests present were Bro. Larry Quirk of Perez Council and Bro. Bently Baker of Loyola-Hyde Park Council.

The members present were glad to see Bro. Larry Frank, who came from Fort Wayne just to receive Holy Communion with us. Treasurer Chas. Wooding rushed to Chicago from Minneapolis to be present. P. G. K. Will Collins came from Wheaton. The spirit shown by the above mentioned members is the kind of spirit that all of our members should have.

After the speeches were over, the members had a real good time by just sitting around and visiting with one another.

HERE AND THERE

Due to Thanksgiving, our notes had to get in to The Columbian a day earlier than usual, so we cannot give you any bowling news until next week. . . . Archbishop Quigley Council announces a Fall Festival Dance at their clubhouse, 1035 West 31st St., on Saturday, November 22. . . . We are glad to report that G. K. Dick Phillips of Englewood Council has returned home after spending many weeks in a hospital. . . . Bro. Will Carey, Sr., who has been ill, was present with us Sunday morning. . . . Bro. Leo Wimple, Bro. Jack Rogers and Mrs. Rogers, Bro. Pat O'Connor, Bro. Jim Schatte, Bro. Mel Collins, Bro. Bill Mugg, Dr. and Mrs. Reay were seen together last Sunday evening.

Auburn Pk. Armistice Day Program Brings Out Capacity Crowd

2-4 Thurs. . . . . 740 S. Emerald Ave.

Our Deputy Grand Knight, John Coughlin, who made the necessary arrangements for the Armistice Day Program which was held in conjunction with our regular Council meeting on Thursday evening, November 13, is to be commended for a very creditable job. All present, and every available seat in the hall was filled, had a very enjoyable evening.

Brother Coughlin, an Ex-Service man, is an active member of Commodore Vanderbilt Post of the American Legion, which has composed largely of New York Central Railroad employes. He had, as guest speaker of the evening, Commander Anthony Hilgers of the Fourth District of the American Legion, Department of Illinois, who is a resident in our community. Mr. Hilgers' discourse held the audience spellbound, and those of the members who were not in attendance really missed something in the way of real entertainment.

The Color Guard of Commodore Vanderbilt Post of the American Legion presented the colors in a most impressive ceremony, and our own worthy Chaplain read the Invocation. The other speakers of the evening were Commander Jones of Vanderbilt Post, and our own State Deputy Leo M. Flynn, who although very busy managed to find time to be in attendance in this meeting and his remarks also were very well taken. After the colors were retired refreshments were served, and it was really one of the outstanding social affairs in the history of Auburn Park.

COMMITTEE REPORTS

Brother John Coughlin, Chairman of the Sick Committee, reported at the last meeting that Brother Tom Patterson, one of our star bowlers, had his tonsils removed on Thursday, November 13. Brother Coughlin was quite worried inasmuch as Brother Patterson is bowling on his team. John hopes that Brother Patterson is ready for the bowling activity in the very near future.

Reverend William L. Shortall is ill in the Little Company of Mary Hospital on West 95th Street at California Ave. and would appreciate a visit from any of the brothers who care to drop out and see him. Brother Val Jones' wife has returned home from the hospital and is well on the way to recovery.

RICHARD J. KNIGHT, our energetic Lecturer, make the announcement that at the next council meeting, Thursday, November 27, a talking movie will be shown entitled "The Industrial Front." It is sponsored by the U. S. Government and is under the supervision of the National Youth Administration, better known as the N. Y. A. The business meeting will get under way promptly at 8:15 and the entertainment about nine o'clock.

YOU WILL soon receive full particulars in the mail about our Communion Sunday on November 23 at St. Leo High School Chapel, 79th and Sangamon Streets, at eight thirty o'clock Mass. The service is to be offered for the deceased members of the council. Breakfast will be served in the Cafeteria immediately following the Mass, the expense of which will be absorbed by the council. Let's show our new Chaplain Rev. W. L. Devereaux that our membership are ever mindful of the deceased particularly during the month of November and have a large turnout on this occasion.

FOURTH DEGREE PARTY

Through the courtesy of Brother Dick Knight who has again offered the use of his basement for another of those famous parties, where everyone kicks in a buck and stays as long as he wants and does what he wants the Fourths will hold open house on Friday evening, November 28. Brother Knight resides at 7636 Emerald Ave. The proceeds of this affair will be used for the Fourth Degree Exemplification to be held Sunday, March 1, at the Palmer House. Brother Clausen extends a most cordial invitation to all Third Degree members and their friends to join with us on this occasion.

COMING EVENTS: December 3rd—Card Party at the Auburn Park Masonic Hall, 7832 Union Ave. Price of admission, 50c per person, the proceeds to be used to defray the expense of our Annual Children's Christmas Party.

HEN.-SHIELDS STANDS ON FORMALITY-TO-WIT

Nov. 26-Dec. 12 . . 446 N. Parkside Ave.

Delivered by hand as of November 21, this report on the motions, proceedings and progress of Hennepin-Shields Council, Knights of Columbus, to be printed in your excellent gazette for the information and guidance of our brothers who have pledged secrecy in knighthood for the welfare of humanity and the benefits of our loyal Order.

A number of important things have occurred in our bailiwick since last report which shall be set down, more or less in their order of importance, to-wit:

ITEM: At the games and jousts devised by our most excellent Lecturer William Phelan, there was great glee and festivity, although between times the fair ladies were so intent with their skill that they showed scant attention to their Knightly partners. True, they were more adept in solving the intricate designs furnished as will be attested by fair ladies Mrs. Irene Shealy, Mrs. Ed. Riley, Mrs. Frank West, Mrs. Coakley, Miss Helen Helphry and Miss Genevieve Keenan.

Sir Knights, no doubt, were dazzled by the presence of so many of the fair sex resulting in muddled wits so that only P. O'Brien, Robert Quill, Tom Tyrrel, and A. O'Brien could proudly present evidence of their skill.

And once again, when the turkeys were released in the courtyard, it was the ladies who showed the greatest fleetness of foot and guile with the result that the families of Miss Isabelle Sigo and Mrs. George C. Wild will find the tasty bird decorating their Thanksgiving table.

Two of these recent magic talking boxes could be understood and controlled only by Ed. Lawler, Jr., and Joe Kohls, both brothers of our illustrious council so each took one home for his further amusement and communications through the invisible land of Ether. Radio 'tis called, but it is all confusing. Through this magic talking box, one hears this and one hears that, so that it is all very conflicting and bewildering.

ITEM: At the games' conclusion, the entire company hurried to the Comissary where they were served forthwith with a concoction known as chicken a le king, tasty and satisfying, indeed. Mine Host and Brother Sir Knight Frank Hayes served this repast, departing for the moment from his accustomed wayside inn, at a place called Harlem and North Avenue, known as Frank Hayes Barbecue where he doth serve wondrous meals to hungry wayfarers.

ITEM: The efforts and assistance of those kind ladies and gallant Knights who aided the success of the tilts are greatly appreciated. Their names are not recorded here but rather in the great Book of Good Deeds which is everlasting.

ITEM: In the absence of worthy Sir Grand Knight Cummins, our Deputy Grand Knight Michael Hussey, substituted with well chosen words calling attention to the Requiem Mass which will be read by the Rev. Father James Doherty for the deceased past grand knights of our council in the parish church of St. Catherine of Siena on Dec. 12 at 7:00 A. M., and also to the grand gathering that same evening in the great council hall to do honor and feast our living past grand knights with a hearty corn beef and cabbage dinner.

ITEM: Our Grand Knight was well represented by his most charming wife, Mistress Mary and his most gracious mother, Mrs. Dan Cummins. Our Grand Knight at the moment was visiting that far off land of Florida where 'tis said flowers bloom the year 'round, and it is whispered that our Grand Knight went forth in search of the Fountain of Youth, however, there is strong rumor that such search is unnecessary as the future will reveal.

ITEM: Our good Knight, John Rafter, scored 1,750 in the horseshoe tournament and no doubt will be happy to repeat at the next conclave.

ITEM: Our sympathy to our Brother Daniel J. O'Connell, in the loss of his father, Thomas, whose funeral was held last Friday from Resurrection Chruch with burial in St. Joseph's. May his soul rest in peace.

ITEM: With the pagan custom of changing partners in the marriage game so prevalent in these times, it is indeed refreshing to note the twenty-first wedding anniversary of Mr. and Mrs. James Zarcone, who celebrated their beginning of happiness together on October 31, with a dinner at the Edgewater Beach Marine Dining Room and winding up with a gay dance at the Congress. Congratulations and continued happiness are wished to Sir Knight James and his fair spouse, Sylvia.

ITEM: It is hoped these proceedings will be faithfully recorded in your esteemed journal, Sir Knight Editor, as they are of grave importance to the many concerned.

P.S.: Two husky gentlemen with kindly faces and friendly smiles have just arrived bearing a double breasted jacket with straps on the sleeves. So it would seem, the last word must be: G'BYE.

Feehan Will Radiate Hospitality at Party Next Wednesday Night

2-4 Tues. . . . . Hamlin and Madison

"Ladies' Night" in the standard Feehan tradition was held on Tuesday, Nov. 11. An overflow crowd, which taxed the capacity of the hall to its limits, enjoyed a very fine and exciting evening. Some two dozen turkeys were passed out to the lucky ones, who rent the air with their triumphant shouts of joy.

Earl Grondy, making his debut as lecturer pro tem (having taken over Joe Collins' job, he being engaged out of town and unable to get in for the meetings), has asked us to thank the gals for showing up in such large numbers and insuring so successful an evening by the charm and graciousness of their presence. We in turn, want to congratulate Earl on an auspicious start and wish him as much success in his future efforts.

WEDNESDAY, NOV. 26

Lest you have overlooked the matter (in which case shooting is too good for you), is the night of our big party. You still have plenty of time to dispose of any number of those $1.10's. The supply is unlimited and so, for all practical considerations, is the capacity of the hall. Said hall being the old K. of C. clubhouse ballroom at Madison and Cicero. If you still have an ad that you haven't turned in, do it now, as there is yet time enough, if you hurry.

Bro. Harold Crotty is devoting every effort to making this affair the most profitable ever staged by Feehan Council. His able assistants, Program Chairman Bill Collins and Ticket Chairman Len McSteen, have likewise been putting in extra hours, so it behooves us to do our bit in order to capitalize on their efforts. The harvest is here boys, let's do a little reaping.

BOWLING

Joe Collins' 604 series gave him third high in that category behind Jim Collins' 607 and George Becker's leading 644.

Individual leaders: Joe Collins 186, George Becker 185, Jimmy Collins 184, Frank McQuillan 174, Bill Barrett and Frank Wheeler 171, and Jim McQuillan 170. Hildebrand Members Attend Memorial Mass Thanksgiving Morn

We know those who attended the Memorial Mass on Thanksgiving Day enjoyed the holiday more because of that, and we hasten to compliment all on the fine attendance . . . The bowlers report a splendid evening of entertainment and fun after the regular games Tuesday evening, when the ladies joined with them in doing short work to a stuffed turkey and all the trimmings . . . The Grand Knight was the carver de luxe and his wielding of the glittering blade met with unanimous approval . . . The Gout caught up with PGK Bill Murphy causing him to miss his regular bowling turn . . . Latest report is that Bill Byrne has joined the ranks of Grand Dads, and our congratulations to him and Mrs. Byrne on their new roles . . . The Fifteen Minute Club is gaining in popularity . . . Charter members are holding fast to their resolutions and the new members are showing an enthusiastic response to the idea . . . Haven't seen Joe Garvey since he joined the ranks of Benedicts.

LEO FOURTHS STAGE BRILLIANT SOCIAL

1-3 Tues. . . . . 820 W. Garfield Blvd.

Leo Fourth's Thanksgiving Party held at our clubhouse last week was indeed a huge success. The large hall was crowded early and the members and their friends started in immediately to have an enjoyable evening. Goodfellowship reigned supreme.

The members of Leo Fourths owe a vote of thanks to the officers for their splendid work on this party. When the orchestra played "Home Sweet Home" it was indeed with a feeling of regret that such a wonderful evening had to come to an end. The winner of the 15-lb. turkey was Mrs. Frank Gajewicz.

HERE AND THERE

Winners at last Tuesday's afternoon weekly social were Mrs. K. Schick, M. Cunningham, M. Smith, G. Donnelly, S. Paxton, Elsie Eib, B. Bartel, M. Floran, R. Bilek, G. Scheibel, Mrs. E. Passwater, Mrs. Harte, P. Kanier, A. Devlin, A. Schnrendoe, Mrs. R. Wense and Mrs. Clara Ponton.

The officers and members of Leo Council extend their deepest sympathies to Bro. Rev. Wm. Burns whose sister Mrs. Margaret Daley recently passed on. May her soul rest in peace.

SOFTBALL

The next time, brothers, you are in the clubhouse be sure and take a look at the new trophy that our softball team was awarded at the annual softball banquet.

Loyola-Hyde Park Council invites the members of Leo to join them at their Annual Fiesta to be held at the American Legion Hall, 63rd St. and Woodlawn Ave., on Saturday eve., Dec. 6, for the benefit of Christmas charities. The price of admission is 25c per person.

Winners at Leo's turkey nite will be in next weeks' issue.

Garcia Moreno Holds Memorial Service at Next Tuesday's Meet

2-4 Tues. . . . 155th St. & Lexington Ave.

Tuesday evening, November 25th, is our Council's annual Memorial Night, dedicated to our members who have depatred this life. We all mourn the loss of these beloved members, who through their membership, loyalty and cooperation built the foundation of our Council. As we fondly recall them, they left behind them a record of accomplishments that will be difficult to equal. They were the inspiration of countless men whose ideals were blended into all that has made our Order.

We of Garcia Moreno will always miss their ever wise advice, their friendly handclasp and above all, the thought that there has gone from our midst the finest Knights that has been our pleasure to know. And as we now gaze back over our association with them we cherish their virtues and mourn at the stern decree of faith that closed the story of their life.—

"There is a link death cannot sever:
Love and remembrance last forever."

NOTES OF MEETING

Turkey nite is now past hitsory, and it was a success. It could have gone over bigger, but with the loyalty and cooperation of the members who put over turkey nite, we will come out on top yet.

About 80 members took part. No doubt the officers are disappointed that more of the members didn't attend, but it's over now, so lets all keep up the spirit that makes a council move. It was, however a grand sight to see so many of the oldtimers present.

Rev. Fr. Cousineau, Pastor of St. George Church, St. George, Ill., was present, and his talk was very inspiring. Our thanks to Father for his visit, and compliments. Bro. Cushing, Field Agent for the Order, urged more Chaplains to visit their council often and help to build the membership of Catholic organizations. The Knights of Columbus need strength today, he added and we members must supply new members, or decay. Other visitors were Maurice Le Claire and Eugene Bouchard of St. Viator's Council, Kankakee. Come again, visitors, we hope you enjoyed your visit.

Winners of the turkeys and ducks were: Barney Dryja, Wm. McClaren, Ella Johnson, B. Springman, John Obernessor (two), John Gordon, Andrew Zacker, James Cisson, P. J. Skerry, Katherine Spindler, Wm. Sheehan, Ed. Zmuda, Mrs. T. Zwvezyen, Victor Seek. A turkey lunch was served after the meeting. Lecturer Henry Stein and G.K. John Mech add their sincere thanks to the members for their splendid cooperation.

BOWLING NEWS

Shea's Champs won two games from the Home Liquor team who hold second place in the league. DeMayo 522, Shea 495 and Hilgendorf 483 were the boys who put the skids under the liquor team. Santeford's 502 was top score for the Liquor team. Olivers Drug Store also put over two wins. Posen Lumber Co. being on the short end. Al Crowder 520 and Frank Duck were top men for the drug store boys. Louie Cerekwicki 482, Kocielski 457. No wonder they lost, a shortage of lumber, or pins I mean. Wm. O'Hara Boosters put over two wins, Goletz Tavern taking it on the chin. Bruce 494, Knoll 491 were the O'Hara gang's best pin getters, while Billie Powers Jr. 499 topped the tavern boys.

Ring Democrats league leader drop two games to the Eagle Coal Co., who bowled a 2421 series. Bill Lemons' 552 was top for the coal bin boys, and this score also won him a turkey for his Thanksgiving dinner. Congratulations, Bill. Roy Dainton's 609 was the feature bowling of the series, and his bowling was for naught as his team won the first game by two pins, but the Ring team still hold first place.

BIT O' NEWS

Sorry to report that Bro. Simon Ryan is confined at Ingalls Memorial Hospital. Our sincere wishes for a speedy recovery. Our congratulations to the Mother of P.G.K. James Mann on the recent celebration of another birthday.

We found on the side lines at the last meeting: Peter Scanlon, Frank Del Nagro, J. M. McGrath, Anthony Malito, Peter Plante. Ed. Carney, Tom Condon, Albert Berner, John Pogaria, Leonard Broderick, Al Mehosasik, Louis Wasso and Carol Bull. It's good to see you, gang. Come often!

The bowlers on the Eagle Coal Co. team extend their sincere thanks to Brother Joseph Drolet for the new bowling shirts of blue and gold. Don't forget Brother Drolet, when in need of coal. Until next week—Cheerio.

Ravenswood Scribe Lines Up Two New Xmas Party Guests

1-3 Wed. . . . . 1521 Wilson Ave.

Last week it was a pleasure to sit down and bat out the weekly column because of the super abundance of news available. This week your author is going to have a not so easy time of it, though he can remember more acute shortages. Maybe this is a letdown. Looking forward to a huge Thanksgiving feed does not tend to dampen the spirit any, but there no doubt will be a great number of knights lacking a feeling of fire and determination at the time this piece comes through the mails, since the big dinner will be past and the effects of over eating will be just starting to wear off. Here's hoping everyone of you knights and your families had the best Thanksgiving ever.

REST IN PEACE

Thomas Gallagher, a Ravenswood Knight of long standing, passed to his eternal reward Nov. 6th. He left a large number of relatives and friends to mourn his passing. May the Perpetual Light shine eternally upon his soul.

NEWSIES

Birthday greetings to Financial Secretary Matt Blesius for November 24th.—Ravenswood was very well represented among the Holy Name men of Our Lady of Lourdes who received Holy Communion and attended the afternoon and evening services of The Day of Recollection at Chaplain Msgr. Campbell's parish. Your Scribe noticed the following knights at the devotions: Bros. Henry Mawicke, Mike Metzger, Pat Waters, Dennis Breshnahan, Wm. Fletcher, George Sayer, Charles Rogers, Doc McCambridge, Dick Kenney and John Hackett. We may have been represented by others that the writer missed in the long file of men marching from the school to the church. Msgr. Campbell is to be congratulated on his efforts in the men's behalf.—Remember that plans are going forward at a good pace for the annual Christmas Party for Ravenswood's youngsters and also make a note of the fact that Trustee Peter Farrow is collecting for the Christmas Cheer fund. Some money has already been turned in to P.G.K. Farrow, but not nearly enough to carry out the good deeds that we have become accustomed to doing. Mail your donation to Peter Farrow, 2030 Giddings St., if you can't get up to the next meeting to personally hand it in. There is little time left before Christmas. Don't let the fact that Thanksgiving and Christmas are farther apart fool you any. They still come quite close together. By the way, the Christmas party will be the Sunday afternoon before Christmas.—Your scribe G. W. "Wally" Mann and Mrs. Mann happily announce the arrival on Nov. 12 of twins, a daughter Barbara and a son Henry.

Fr. O'Connor Is Proud of Success of Cabaret Party

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

As predicted with confidence, the dance and cabaret party held at our clubrooms Saturday, Nov. 15, was the grand success we said it would be. Full credit going to our Lecturer Ed Zaleski. A large and light-hearted crowd attended and everyone seemed to enjoy it immensely. If you did not attend this affair, just follow me through these lines and you will be sorry that you were not there.

Upon entering, you were met by two smiling young lads from the council who extracted your 50c for admission. Then everyone was given a white or pink carnation at the check room. From there you proceeded to the dance hall all bedecked in gay colors. For your drinks you ordered just what your heart desired from our new service bar right inside the dance hall.

The orchestra, a ten piece outfit, was really the talk of the evening, ten young lads and a girl singer who really knew their music and how to give out. During one of the intermissions John Golden and his boys held their turkey session and made a number of our guests happy by presenting them with an order for a bird.

Late in the evening a Grand March was held and everybody received a patriotic paper hat. Then a large basket of balloons was released from the ceiling and 1000 and 1 hands reached for them hoping that the one that they caught had the $10 bill, $5 bill or $1 bill in them.

After this everyone settled down to their tables to watch a splendid program of entertainment. The dancing lasted until the wee hours of the morning and everyone went home well satisfied.

BOWLING DOPE

Nobody else could do it but the Shamrocks; they succeeded in losing four games in one night to the Cristo Printers. For the Printers, Mike Hibbeler rolled 530, Barney Speck 510. For the Shamrocks. Kotnaur, the second, tried hard with 538 and a 239 game but nobody else helped him.

The strong Navin Inn team succeeded in holding on to first place by shellacking the Kaminless Alliance team for three games; for the winners Tom Guaghan had 556, Ed Cummings 544, Bill Cunningham 538, Rutzen 501, and Jim Clancy was absent. Bechtold stood out for the losers with a nice 564.

Best bet of the day, Dr. Macdonald's 604, to pace the Nolan Insurance in a two game win over the Kingless Coals, Ed Wilson helped with 537. For the Coals, Bartosch had 555 with a 237 game, Kotnaur, the first, had 503. The question is who bet Doc a drink on each game.

The Widtmann Meats being in good voice won two games from the Furman Funerals. Larry O'Shea starred with 516. Reinke was high for the Furman's with 507 and Wermich had 522.

BOWLING SPONSORS

The Nolan Insurance team is sponsored by Joe Nolan, past Grand Knight of Fr. O'Connor Council and our Official Greeter. Joe has been active in the council work and affairs ever since he joined, having transferred from Fr. Setters Council in 1928. From then his rise has been fast and well-deserved. In 1932, he was elected chancellor, then deputy grand knight and later on grand knight of the council.

He not only sponsors a bowling team in our league, but bowls with them himself. Joe, as you know, is in the insurance brokerage business and is able to handle any kind of insurance. His home and office is at 5064 W. Monroe St. Phone number is Mansfield 9509. Give Joe a ring whenever you need insurance or advice about insurance. Joe says, "Insurance is like Noah's Ark—it doesn't do you any good on dry land, but you must be prepared for the flood."

SCRIBE'S SCRIBBLINGS

Something we would all like to know, Dick—Was the tie that the magician cut up your own, or was in part of his stock in trade? . . . We all noticed Bernie Kamin's enthusiastic applause when the little girl went into her exotic dance. Did you really enjoy it that much or was she a relative of yours, Bernie? . . . Somebody borrowed my pencil (with name gold stamped) to get a girl's phone number. I hope he got the phone number, because I didn't get my pencil. . . . The drummer in the orchestra must have been English because he sure could rrrroll those drums. We all hope to see them back at our next dance. . . . George Blonn, Sr., as usual, brought up his bevy of beautiful girls. . . . Powers (the lucky stiff) won a turkey and by the time he got back to his table, somebody else gave him the bird (not turkey). . . . Our sincere thanks to all the officers and members who worked so hard at the dance and to their wives and sweethearts who sat out so many dances and appeared to be enjoying it, while their husbands and boy friends worked. . . . Our next meeting will be the First and Second degree initiation. Don't fail to attend.

TONTI MEMORIAL MASS SET FOR NOVEMBER 30

1-3 Thurs. . . . . 4221 Irving Park Road

Chancellor Al Zelazny, chairman of our Catholic Action Committee, has arranged for a Memorial Mass to be offered for the deceased members of the council at St. Wenceslaus Church, Roscoe and Lawndale Ave., Sunday, November 30, at 8 o'clock. Scripture tells us that it is a holy and wholesome thought to pray for the dead. Membership in the Knights of Columbus makes it imperative, and one of the most important points in its program is to pray for its deceased members. Therefore, let none of us neglect, this duty and obligation. No doubt many of us will take one step further, and offer Holy Communion for this intention.

You are also reminded that a requiem high mass will be offered Saturday, November 22, at 8 o'clock a. m., at St. Edward's Church, Sunnyside and Kostner Aves., for the repose of the soul of Mrs. Frances Ruzkowski, wife of our financial secretary, Frank Ruzkowski, and mother of D.D. Charles Ruzkowski, lecturer, Ray Ruzkowski, and Bro. Edward Ruzkowski. As this mass will be said on Saturday when many of our brothers are free from work, it is expected that all who can will attend.

From headquarters, information is given that 18 jurisdictions have obtained 40 per cent of their quota, as set down by the Supreme Council. Our quota up to December 31, 1941, is 19. At the present writing we have 6, with 13 to go. Have you spoken to that prospective candidate who attended the open meeting? Bro. Joseph Spekowski, chairman of our Membership Committee, is wide awake at the switch. He has sponsored 3 of the 6 new members obtained, and this should be an incentive to all of us. The initiation fee is only $5.00, and we have insurance that cannot be equaled.

Tonti Council, as per official schedule of council degree classes for this jurisdiction, will hold a First and Second Degree on March 5. A long time has elapsed since our last degree class, and we are therefore most anxious to place Tonti Council on the Honor Roll, and to keep up with the Illinois slogan, "Let's Beat New York." Should you need any literature, see the Membership Chairman.

CHRISTMAS CHEER

This is one activity in which our council always strives to fulfill its quota. In fact, for the last 6 years we have always surpassed our given mark. Much of this success is attributed to the untiring efforts of D.D. Charles Ruskowski, chairman of the Christmas Cheer Committee. After a brief business session beginning at 7:30 p. m. on Thursday evening, December 4, the much-talked about Christmas Cheer Party will take place. Games will be played, and coffee and cake will be served (from past experience, the cakes themselves are an inducement, as they are all made by our better halves). This party is not restricted to Tonti members and their families alone, but your friends and neighbors are also cordially invited.

DECEMBER 18 MEETING: All there is to say about this meeting, is that it will be the council's Christmas Party. More details in following issues. We brought to your attention last week, that our pre-Lenten dance will be held at Gross Park Ballroom, 2123 Roscoe St., Saturday, January 17, 1942. Lecturer Ray Ruzkowski reports that committees have been chosen, and that there will be an Ad program. Also, that tickets are ready for distribution. Your wholehearted cooperation is solicited, so start lining up your parties.

BOWLING: From the President of the Bowling League we learn that a tie exists for first place. The Lemanski's by winning 3 games tied the Lambrechts, who suffered one defeat. Boys, competition is really keen.

We take this opportunity to express our congratulations to Bro. Peter H. Schwaba, Judge of the Superior Court, who so triumphantly led the Judicial ticket at the recent election. The Judge, always a strong enthusiast of Tonti Athletics, and for some time donor of the council's championship golf trophy, is now offering a trophy for the championship team of the House Bowling League.

Bro. Hank Scheffler from all indications is a better bowler than he is a hunter. Three hunting trips netted him exactly 1 rabbit and 15 dozen fresh eggs. No alibis. Bro. Ray Demski, chairman of athletics, is confined to his home with head injuries suffered when a sign fell while delivering mail on his regular route.

Bro. Charles Kadolph, who worked so diligently at the last barbecue, by disposing of 7 books, is sojourning in Cleveland, Ohio, perhaps getting in trim for the next barbecue campaign. Have a good time, Charlie.

BOOST TONTI'S DANCE!

St. Augustine to Keep Members Well Informed on Council Programs

1-3 Mon. . . . . 5209 S. Justine St.

What did you think of that circular you received last week announcing coming events at future council meetings? Sounded interesting, didn't it? The lecturer's program is well arranged and planned several meetings in advance. These notices will be sent out to the members from time to time to keep you posted on the activities of the council.

TEN PIN TAPS: Schaefer Barbers dropped the odd game to the Kloeckner Florals last week. Schades led the Florals with 234-558 aided by Tony Follman with 505. Charlie Subr led the Barbers with 201-588. Joe Handzik rolled 511.

Heinen Morticians swept their series from the Puetz Markets. Kozlowski led the Heinens with 537. John Ossowski was high for the Butchers with 201-511.

Dutchman's Tavern took three from the Mack Bros., movers. Leitzen led the Dutchmen with 224-553 aided by Brietzke with 200-534 and Doc Serr with 221-506. John Kolmodin was high for the Macks with 534.

The Johnnie McCabes got hot and took all three from the Bonthrons. Dan Burke set the pace with a nice 232-606 series. John Putz had 217-567, Frank Putz 200-560, and Joe Putz 232-511. In this series the McCabes broke high team game by 52 pins and high team series by over 200 pins.

Congratulations to Bro. Ray Heinen who will be married to Miss Esther Novak on Sat., Nov. 22, 4:00 p. m., at St. Joseph's Church, 38th and California Ave. Ray is the son of Joe Heinen, the custodian of the clubhouse. All members are invited to the nuptials.

It is with deep regret that we learn of the death of Mr. Schmidt, father-in-law of Bro. Frank Hecht, on Nov. 11. It is also our very unpleasant duty to report the sudden death on Nov. 13 of Mr. John Putz, a familiar figure around the clubhouse. Mr. Putz was the father of Frank, Joe, and John Putz and father-in-law of Jim Burke, all council members. We also have just learned of the death of Mr. John Murphy, father of Bro. Bud Murphy, who passed away on Nov. 14. May their souls rest in peace.

Washington Asks Each Member's Cooperation in Membership Drive

1-3 Tues. . . . . 5th Ave. & Wash.. Blvd.

Brothers, have you made any effort to line up at least one candidate who will be ready to take the First and Second degree at Washington's 33rd anniversary meeting Dec. 2nd? I have been working on two reinstatements and it would seem that it shoudl be much easier to accomplish good results with a lapsed brother than it is with a prospective member.

How any brother who was once an active knight, and still considers himself a practical Catholic, will allow his interest and zeal in K. C. work to completely wane is a puzzling quirk. Since this degree is to be exemplified right here in our council chambers let us not be outdone by the visiting councils in the number of candidates to be presented.

Membership Chairman, D.G.K. Sanservino, and his aides are doing excellent work in getting new applicants signed up but you will remember that Dominic told us a few meetings back that it wasn't a one or two man job but something for the entire council to get behind and "gettem signed up."

Amazing Bob Lovejoy, fin. sec. deluxe, is spending an additional week in Westlake hospital. Sunday evening we dropped in to say hello and here was Bob with applications, receipts and record books strewn all over the bed. What a grand example of the real Knighthood spirit.

Members of our council from G.K. Grandfellow Ryan, who did everything except wash dishes, down to your scribe who took a couple of nickel chances, were well represented as workers and visitors at St. Eulaila's Fall Festival which closed a successful three-day run last Tuesday night.

Nov. 30, 8 o'clock Mass at St. Eulalia, will be our next council Communcion Sunday. Let's contiune the satisfactory attendance records set at recent Communion Sundays. As Father Muzik once told the council, "I know of no sight more inspiring than a group of men such as the Knights of Columbus receiving Holy Communion in a body."

Our middle-most daughter, age five, was talking about Santa today and that reminded me that Dec. 16 is our annual children's Christmas party and I know two kids who are looking forward to it. That brings to mind Father and Sons' Night, Jan. 20, at which time we will show the American League baseball movie and have as guests some outstanding stars from the world of sports. This will be a bangup affair so make a date now with your son or someone else's son to be on hand Jan. 20.

This column should have come to a close about four inches ago but we must report what a grand time Mr. and Mrs. Scribe enjoyed at Oak Park Council's Harvest Ball last Saturday night. In addition to meeting a lot of fine people, enjoying the cards, dancing and refreshments, it was our first visit to the O. P. clubhouse which we think is an excellent layout. Thanks, Bro. Harold DuChateau, for inviting us to your swell party.

Carroll Will Hear F. B. I. Expert at Open Meet, Dec. 2

Next Meet Dec. 2....6 N. Hamlin Ave.

The next regular meeting, Tuesday, Dec. 2, 1941, will be an open meeting for the members, their prospects, and friends.

Featured at this "Open Session" will be Special Agent A. H. Johnson, an authoritative speaker on government problems from the Federal Bureau of Investigation, United States Department of Justice, who will address the membership and their friends. Besides this all-important talk on vital problems confronting our government, their cause and cure, the recently released sound film, "You Can't Get Away With It," will be shown.

Don't forget the date, Tuesday evening, Dec. 2, Midwest Athletic Club, 6 N. Hamlin Ave. You won't want to miss it and your friends will remember this evening for a long time to come. Round up your prospects and friends now and invite them to this "special date." They will thank you for it and you will be glad that we suggested it to you.

Refreshments will be served by our famous caterer, Hank Evert. You know the rest. The date—Tuesday, Dec. 2, at 8:15 p. m.

Another date for you to mark on your favorite calendar is the Annual Christmas Party, which Carroll Council holds as one of its favorites. Here is the date—Tuesday, Dec. 16. The annual message will be delivered by our worthy chaplain, Rev. John S. Kennedy, O.P. This meeting is for members exclusively.

Watch The Columbian for full particulars on other meetings to follow, you don't want to miss any of them.

The La Salle General Assembly, Fourth Degree Knights of Columbus, announce the date of the next class to be held in Chicago on Sunday, March 1, 1942. Widespread interest in this class has already taken root and observance would indicate another record-breaking class for 1942 ceremonial. Members of the armed forces, Army, Navy and Marine Corp will be permitted to take the degree in uniform. The required dress for civilian candidates is the regular full dress suit. The 1942 exemplifications promises to be one of the most colorful ever held in Chicago.

Requirements for initiation into the Fourth Degree of our Order are that a member belong to a Council for at least two years and be a Third Degree member in good standing in that Council. The Fourth Degree Chairman of Carroll Council is George J. Hunt, who has given our Council a fine class each year that he has held that capacity and we look to another record-breaker on March 1, 1942. Members interested in taking this degree may contact Chairman Hunt between now and next February. The sooner that you make known your intentions the better class may be formed and arrangements may be made accordingly. More details about this later on, but now is the time to begin thinking about the matter.

t. Dearborn Is Determined to Top Member Quota

Thurs. . . . . 820 W. Garfield Blvd.

Vhat does it mean when we say a ncil has a quota to make in mem- ship? It means that there has been certain amount of responsibility ed upon the officers and members hat council, in seeing to it that it reases its membership each and ry year of its existence. Any or- ization, no matter how large or ll, needs new blood, new ideas, new nt, new names and faces to take the e of those who have either passed or who have retired from active y. How many names can we recall hose men, who, in years gone by e been very active, but now, because ll health or some other obligations ed upon them, must spend or use r time elsewhere. Many times a nge of employment takes a member of town permanently, thus bringing services to his council to a stop. eports recently in the Columbian e told us of the great gains in mem- ship throughout the nation. "Keep Coming" is the watchword that been added for the Knights of umbus. We are told that this past ober broke a 14 year record for nbership intake, and further investi- ion revealed that it was the best October since 1920.

ll of these startling figures and new hs in new membership boils down ne conclusion, i.e. if we just put a le more effort and give a little more sideration to this matter of new nbers, co-operating with our G.K. our membership committee, Fort rborn should have no trouble in n exceeding its quota this year.

Hughes Members Given the Bird at Tuesday's Meet

1-3 Tues. . . . . 4711 W. Madison St.

The Tuesday, November 18, meeting was "Thanksgiving Turkey Night" for Hughes Council. Just two days before the holiday, the new Lecturer, John F. Korbel, and his committee distributed a number of the fine plump birds to fortunate members. With an early deadline for this issue, we are unable to give the names of the lucky fellows, but it goes without saying that anybody who had their fill of one of the tender birds on the holiday, pushed back from the table with a wide smile and that contented feeling that comes only from having done full justice to your Thanksgiving Day dinner.

HAIL, THE NEW LECTURER

G.K. George N. Daly announces that Bro. Raymond J. O'Brien had to relinquish his duties as Lecturer and in his stead the G.K. has appointed Bro. John F. Korbel. It was owing to press of business that Bro. O'Brien had to forego the position in which he was rapidly making a name for himself, and only after consideration of the circumstances did the G.K. accept the resignation and then with the greatest reluctance. Young Ray O'Brien has the talent, the personality, the initiative—in short, the showmanship abilities—to have proved one of the outstanding Lecturers in the history of Hughes, consequently it is a source of regret to all that business pressure compelled the resignation.

As for the newly appointed Lecturer, Bro. John F. Korbel, what is there that we can say that has not already been said? John is one of the stalwarts in Hughes, a grand fellow, a real hustler, one with the drive, determination and enterprise to be immensely successful. Bro. Korbel rendered yeoman's service on the Membership and Barbecue Committees in seasons agone and over a period of years he has contributed immeasurably to the advancement of Hughes Council.

Among the first order of business on Tuesday, December 2, will be the exemplification of the First and Second degrees. In accordance with the program for West Side Councils, Hughes is host on December 2 for the other units in this particular group. G.K. George N. Daly, the Lecturer, and all officers are eager to see that this exemplification goes off in superb style. Chairman William Kane of the Membership Committee has been breaking all previous records in his campaign to sign up prospects, and it is urged that all sponsors of candidates see that they are on hand for the December 2 exemplification in the club house chambers.

Lecturer John Korbel has big plans for the Ladies' Christmas Party on Tuesday, December 16. Don't miss this affair. We could give it advance billing like a Hollywood extravaganza, but nearly everybody knows that the Ladies' Parties tossed by Hughes Council are without parallel.

Fin. Sec. Daniel L. Harper has been named General Chairman of Hughes Council's Children's Christmas Party. That's real news—a special party for the kiddies. The full personnel of the committee guarantees that nothing will be left undone to make this event highly successful.

The G.K. has a committee investigating every angle to see just what should be done in the way of a Hughes Council Dance. Perhaps not just an affair like those sponsored in previous years, but something a little different. The details will be ready for release in an early issue.

On November 26 in the Madison Athletic Club Feehan Council will hold a game social. You're invited and will have a jolly good time. Keep in mind, too, that Hughes Council is contemplating such a party on our own.

BOWLING NOTES

A big gallery of Hughes fans watched the hot struggle with Quigley last Friday night in the Cascade, when our Major team faced the strong aggregation from the South Side. Five teams, including our champs, were deadlocked for first place in the West Side K. of C. Bowling League when the fireworks started. Our team romped to an easy win in the opener, had their troubles in the second game, which Quigley snared, and then after Quigley had jumped out to an early lead in the finals, Hughes fought back courageously. Only a mere ten pins behind going into the final frame, Slanina got tapped, brought home the spare and then threw in a strike. Clarence Garant, with four consecutive strikes up, threw in three more perfect ten-counts—seven in a row—and 236 game. P.G.K. Elmer O'Brien, with a double up, added a third strike, then he also was tapped on a pocket hit. The boys looked like they might pull it out of the fire, but when the totals were summed up Quigley had 984, Hughes 975, a nine-pin difference. It was a good game.

The Majors do not provide the only fireworks. In the Council League the results of Friday's bowling found three teams deadlocked for first place, with others tied for second—or should it be fourth? At any rate, the Peter M. Kelly Morticians, the Elmo Ward Builder Blues and the William J. Benes Haberdashers are all tied for first.

The Benes took all three games from the Ward Builder Golds, despite the presence of individual leader Joe Delaney in the Golds lineup. Guess last year's captain Art Carroll should have been bowling, instead of on the sidelines, for the Golds didn't get too much. At least Bill Benes himself, who won the buck, said "We didn't get anything to beat them; they just couldn't mark."

Lauterbach Coal defeated Ald. Richard M. Walsh 36th Ward Boosters two out of three, while the Ward Blues copped the odd from McKeown Cartage, the final by a meager six-pin margin. Commissioner Nick Mulroe was red in the face after that one! The Votavas, led by John Bannon, won two from the tied-for-the-lead Kelleys, while Malone & Clancy took the odd from the Toomey Taverneers.

Come down to the Cascade Recreation, Madison near Hamlin, Friday at 7 p. m. and watch the Council Leaguers mash the maples.

St. Pat's Will Strive for Membership Honor Roll During Campaign

1-3 Tues. . . . . 6 N. Hamlin Ave.

With Thanksgiving past, it brings realization that the year is drawing to a close. This leaves little time left if we want to make the membership honor roll. We are supposed to have 40 per cent of our yearly quota in by the New Year. There is a large field of possible prospects, perhaps your neighbor or the fellow at the next desk is waiting for some one to ask him into the Knights of Columbus.

Explaining the wonderful insurance, protection of his loved ones, the good fellowship, that our meetings are not long and boresome, that we have a wonderful social program planned. These indeed are inducements that any Catholic gentleman could not resist. So until the end of the year, put forth a little more than usual effort and try to put St. Pat's over in new memberships.

While on the subject of membership, another kindred subject comes to mind, that of attendance at meetings. We have been having some nice meetings, but they could be better. Your Lecturer, John O'Shaughnessy, works hard to make them pleasant. Your officers have laid out a program whereby each meeting night will have something special. Visiting brothers have expressed amazement at the fact that we give so much to the members. They can't believe that it is not a very special occasion. So, brothers, you who do not make the regular meetings are really losing most of the enjoyment of being a Knight. Make a resolution now to be faithful in attendance and thereby reap the dividends of fraternalism to which you are entitled as a Knight.

CHRISTMAS CHEER

Bro. Jos. Gentile, chairman of the Christmas Cheer Committee, is going around with that gleam in his eye. So when you see Joe, give him a donation for this wonderful cause. Together with all the efforts of other councils, these donations swell to a goodly sum and are expended to the benefit of the inmates in our Catholic institutions.

BOWLING: We have only a report of the Majors as we go to press before the Council League rolls. St. Pat's won one game from Feehan last Friday in a spirited match. If Bill O'Connell, who was away on an errand of mercy, was present with that new ball the results would be different. Rox Latelle took the dollar with a high game of 222.

COUNCIL NEWS: Bro. Ed. McGinty is still seriously ill in the West Suburban Hospital. Joe Latelle, a candidate, opened a drug store at 4200 Van Buren..

St. Rita Bowlers Lend Strength to Success of Party

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

The St. Rita Council Bowling League, long the backbone of our council, made its move last Friday in the campaign to make the Home Association's "Mortgage Dance" a rousing success. With the seventy keglers already doing their part in the sale of tickets, President Doc Hoffman announced after meeting with the 14 team captains that each quintet will be represented in the ad and patron list.

We haven't a detailed report from Chairman Harold Hilbert as to returns, but he advises us that so far things are going along as well as can be expected. It was learned that Bro. John Vonch has all the city's politicos lined up for tickets and places on the ad and patron list.

The affair is only three weeks away, brothers, so let's get busy. Get your tickets out of that drawer tonight and sell them. If you have already disposed of your original quota you may secure more by contacting Hilbert at the Manor Radio Shoppe, Republic 6350, or Jack Bracken, Chairman of the Home Association, at Grovehill 2793. The other trustees of the association, who are doing their part, are Ted Ranicke and Bro. Vonch.

Remember the dance is December 13 in Flynn's Hall at 3236 W. 63rd St. Tickets are 55 cents each. Art Dunn and his orchestra will furnish the music. Adequate parking space is available adjacent to the hall.

Members of our council, led by Chairman Howard Jeffers, attended a memorial Mass at St. Rita Chapel, 63rd St. and Oakley Ave., at 8:30 a. m. yesterday. Complete details will appear in next week's column.

STRIKES TO "SPARE"

In last week's column we reported that "Little Fat Stuff" Kucharski rolled the second high game for the season of 256. We erred. The round-boy scored 251, still second high game, but his real feat of the night was a high series, to date, of 683. Last Friday's results:

Reid's Pharmacy won 2 games from Thomas Byrne Boosters. F. Holek 546 and F. Small 523 for Reids. C. Nash 566 and McGowan 534 for Byrne's.

Egan Undertakers won 2 games from Manor Radio. Meyers, turkey winner, had 516—handicap 207—total 723, and J. Devlin 481 for Egans. Dr. Jun 516 and Gus Hilbert 437 for the Manor Radio.

Sharf Boosters won 2 games from Sullivan Morticians. Karbowski 531, Bracken 531, and Lee 518 for the Sharfs. Art Manfredi 603 for Sullivans.

Kelly & Flynn Florists won 3 games from Colony Inn. Ray Bernoski, turkey winner, 648—handicap 69—total 717. Joe Philbin 581, and Kelly 425, for his florists. L. Kiaurakis 571 and McCormick 457 for the Colony Inn.

Bernoski Drewery's Ale won 3 games from Tourist Motors. Ted Ranicke 589, Tomsak 546, and J. Bernoski 520 for his team. F. Connelly 503, and Gorney 496 for the Tourists.

Stoeller's Grocery won 2 games from Fleming Realtors. Stoeller 558, Stanciak 554, and Lehner 551 for Stoellers. Ed. Kundrat 525 and Fleming 354 for his Realtors.

Doctors won 2 games from J. J. Gallagher & Son. Dr. Hoffman 575 and Dr. Kehl 499 for the Doctors. G. Kucharski 523, O'Brien 510 and T. Kucharski 506 for the Gallaghers.

San Salvador Tells Reasons for Charity and Unity in Order

2-4 Mon. . . . . 24 E. 114th Pl.

In its highest and widest sense charity includes love of God and love of man. The latter kind of love is so closely connected with and dependent upon the former that neither under the Christian dispensation can be adequately set forth without the other.

As a virtue, charity is the habit or power which disposes us to love God above all creatures for Himself, and to love ourselves and our neighbors for the sake of God. When this power or habit is directly infused into the soul by God, the virtue is supernatural; when it is acquired through repeated personal acts, it is natural. Thus when a person with the virtue of charity assists a needy neighbor on account of the words of Christ that act is one of supernatural charity.

Accordingly, charity may be popularly defined as the habit, desire or act of relieving the physical, mental, moral or spiritual needs of one's fellows. Your council officers and members need the charity of your soul in building up a bigger and better organization.

All people admit that unity of some kind is indispensable to the existence of any well-ordered society. Many Christians, however, hold that the unity necessary for the true Church of Christ need be nothing more than a certain spiritual bond, or if external it need be only in a general way, inasmuch as all acknowledge the same God and reverence the same Christ. Some of you will probably be wondering why your Scribe decided to insert the above two discourses. Well, in these troubled times it pays for us to be charitable toward our fellowmen. In unity our organization can prosper as witnessed in the last World War. The Knights will again be called upon to do their duty, and it behooves us to be well organized in spirit as well as in unity. Let us respond to the call and swell our ranks with the rank and file of the "Catholic laity."

PARISH BOWLING

Last week there were some rapid changes in the team standings. When a team wins three games they really jump to the top of the league in a hurry. St. Salomea's No. 2 team set the season's high for three games when they upset St. Louis Frenchmen. Their score was a 2825 series. St. Willibrod's Foresters' No. 1 team was also victorious in three games.

We are no Walter Winchell, but we have it on good authority that Bro. Bob Caverlee is the proud father of a bouncing baby boy. Our congratulations to you both, Bob. Bro. Mike Nie is now recuperating at his home up north. Our sincere apologies to "Skipper Powers" in his recent bereavement, the loss of his daughter.

ST. CYR IN TRIBUTE TO CHAMP BALL PLAYERS

1-3 Mon. . . . . 1609 N. Halsted

The long heralded Softball Party has come and gone, but the memory will live forever. Last Monday night 300 members and ladies, in accepting the challenge in last week's Columbian, joined many dignitaries of the Order, to pay honor to Vic Priola's softball warriors in their successful quest of the 1941 K. of C. championship.

The proceedings began when Mgr. Priola presented G.K. Joe Maggiore with the beautiful trophy given by our esteemed State Deputy Leo Flynn. Then Vic presented the following members of the team with beautiful sport jackets: Eddie Klimek, Joe Cannizzo, Jasper Campise, Phil Piazza, Joe Geraci, Frank Costa, Lefty Jeldum, Babe Ippolito, Morris Liberti, Dan Dessefano, Florian Botica, Sam Leto, Joe Lopes, Anthony Magno, Pete Montana, Herb Morin, Jim Priola, and Dom Donile. In addition a jacket was given to Joe Lucania as delegate.

From then on, the meeting was turned over to D.D. Marco Dessefano, whose first act was to give a gift to Jim Cappetta as a token for his services as retiring president of the bowling league. Then began the laudatory speeches of the dignitaries, climaxed by a sterling talk by our own State Deputy Leo Flynn, who praised St. Cyr for its outstanding achievements.

Joining him were P.G.K. Bob Anderson of Tonti, member of the State Athletic Commission; Pres. of the League, Joe McGreal; Sec'y of League, John Burke; G.K. Lou Buettner of Tonti, P.G.K. Raith of Tonti, Tommy Groak of St. James, Phil Masi, famed catcher of Boston Braves, D.D. Guy Macina, D.D. Joe O'Neill, and the following St. Cyrites, G.K. Joe Maggiore, Chaplain Rev. Tom Lo Cascio, P.G.K. Anthony Brancato, P.G.K. Clarence Wittenmeier and Past Lecturer Emil Francione, who was visiting from Milwaukee.

The program then assumed a lighter and more frivolous aspect beginning with the showing of movie films by Treas. Chas. Micucci. After that the audience was escorted by Lecturer Anthony Scarpinato to ante-chamber rooms, where famed St. Cyr hot beef sandwiches and other refreshments were served.

BOWLING

Even the bowling league has caught up with the tempo of the dizzy pace set by the Council. For last week, led by Dapper Emory Fonte with a 237, and your scribe-pro-tem with a 235, Bond Clothes established a new record high single game in the six years of the league's existence with a 1005. This tops last year's 1004 which incidentally was also set by Bonds.

The other bowlers of the team are D.G.K. Larry LaRocco, Jim Cappetta, and Hank Maggio. The group also captured the high 3 games with 2530. Individual high games were monopolized by Mike Cavaretta with a 254 high single, and 592 high series. The standings among the four leaders have not changed. Erie Clothiers is first with 20 wins and 10 losses, followed by Cheer Up's 18 and 12, Maniscalco's 17 and 13 and Cancilla Construction's 16 and 14.

CYRIOUSLY SPEAKING

According to latest reports by Distributor of tickets, Sam Lupo, there are 2,200 dance ducats in the hands of Cyrites. Sub-committee ad prog chairman, Joe Lucania, states that in ads are already in and he adds G.K. BARRY BOWLING LEAGUE

Bowling Tournament in veland, Ohio, next year. We assure l if you will help us we will show you best time you ever had in your life, get that party together and let us see l up there.

After eight weeks of bowling we find team pretty much bunched. In last ek's bowling the four top teams took n the chin; the first casualty was the ding Little Jack Restaurant who lost to Tom Ferrarini's Ahern Mortu- ns, and would have lost three only the t game which was a tie was won by tle Jacks on the roll off. Art McLean the pace for the Aherns with a 555 ies and a 210 high game. Bill Murray t a 527 series with 190 high game.

The Kedzie Coals, made up mostly of Crowley family, namely Ray, Joe, Pat l brother-in-law, Bill Mueller, along h Frank Malone, won two from Gar- d Restaurant and with these two con- ts we find Little Jacks, Garfields, and dzie Coal all tied up for first place. nk (Soapy) Owens shot a 528 series h 200 high game for Garfields.

De Mares Coal won two from T.W.A. lines with little junior Eddie Morgan ting a 512 series and 231 high game. rt Flynn shot 520 series and Jack nahue had high game with 207 for W.A. Airlines. The United Air Lines pped out of their slump and made a an sweep of their series with Faucher s. Ollie Klineman, the flying ace of United Air Lines, shot a 553 series h 217 high game, and John Tamburo shot his usual 517 series with 187 h game for Faucher Bros.

Smith Funeral Home won two from erican Air Lines with Leo Capuanni rying the boys on a 580 series with nes of 209, 209 and 162. Harry Kaskey ms to hit his stride as the young man shot a 539 series with 199 high game for American Air Lines.

Mid-West Auto won two from Shehan Chili with John Foley getting a 519 series and 184 high game. Al O'Malley shot a 500 series with Country Cousin Larry Westphal getting 188 high game for Sheehans.

Recorder Kaindls with two new men, namely Bill Dillon and Don Fornero, added to their lineup, seem to have hit their stride and are going to make trouble for the rest of the teams as the boys started their drive by taking Crowley Cafe for three wins with Bill Dillon doing the heavy work with his 547 series and Don Fornero getting high game. Frank (Yip) Byrne had high series for Crowley Cafe with Harry Kloth getting high game of 187.

Senator Keane won two from Cunningham Insurance with Captain Charley Svoma getting 524 series with a 179 high game. Southpaw Mike Cunningham had 187 high game and Jim Russell 495 series for Cunninghams.

Prize winners last week were: L. Capuanni 209, Frank Owens 200, Don Fornero 201, Ollie Klineman 217, Ed. Morgan 231, Lou. Piecchietta 202, Joe Korty 172 and Frank (Yip) Byrne 191. We find that little junior Eddie Morgan had high game last week so he is in line for a nice trimming date with Barney Fornero, our tonsorial artist friend.

Now get that party together and let us see you at the Wednesday night socials.

LOYOLA H.-P. PLANS FOR ANNUAL FIESTA

2-4 Thurs. . . . .7435 Cottage Grove

ATTENTION, LOYOLA-HYDE PARK MEMBERS: Just two weeks from Saturday the most colossal and most gorgeous display of fun, frolic and entertainment, dance, food and refreshment that was ever offered will be dished out to one of the largest (we hope) gathering of knights our council has seen for years.

Our officers have been working hard for weeks, they have been visiting other councils and extending invitations to our neighbors to attend. So why shoud we not ask our own members to come, bring their ladies and a party of friends? You'll have the time of your life. The place is big enough for all. The show will be fine. The cause a most worthy one.

Yoy know that every year our council invites underprivileged youth of our community to a Christmas party and we send out Christmas baskets to the poor. It is through the proceeds of the fiesta that we are able to continue this custom. Only once a year do we urge every member to sell at least one book for this activity. It is only two weeks off and we must have the book returns in, so send yours as soon as possible. Let's all pull together and make this the biggest. Come over to the FIESTA NIGHT of KNIGHTS at Woodlawn American Legion halls. located at 6308 WOODLAWN AVENUE on Saturday evening, Dec. 6, and meet knights from all over the south and west sides. Celebrate with us and have a good time doing a good deed. Admission is only 25c.

TOUR OF MEXICO

At the next meeting, Thursday, Nov. 28, gorgeous pictures of Mexico will be shown. The meting will be conducted by Bro. Joseph Gonzalez, who will be the lecturer for the evening. Joe is an authority on Mexican history. Chili con carne will be served.

Loyola-Hyde Park members attended the wake of the father of our brother knight, Rev. Father Kilroy. May his soul rest in peace. Our memorial service at the last meet was the finest Loyola ever saw. Our chaplain, Rev. Father Gerald Scanlan conducted, and the eulogy was masterfully rendered by our good neighbor, P. G. K. Frank McGillen of Genoa Council, while another good friend, P. G. K. James Brown of Santa Maria, furnished the organ records and loud speaker system. The hall decorations were furnished by our own P. G. K. Lawler, who also acted as lecturer.

DOWLING'S MEMORIAL SERVICE WELL STAGED

2-4 Tues. . . . . 3625 S. Hoyne

On last Tuesday evening we had a very large attendance that participated in paying homage to our departed brothers. We had a total of eleven deceased brothers during the past year. Our chairman of the memorial, Bro. Michael P. Carroll, with the assistance of Assistant Chairman Thos. W. Gallagher, put on these exercises in a manner that will be remembered for years by those that were present.

The principal parts were performed by our own members and the singing was by our Bros. Tom Perry and Geo. W. Connelly, Jr. The eulogy by our P. G. K., Wm. E. Furlong, "Our Order and Its Dead," was presented by our P. G. K. and Past State Deputy, John F. Bolton. It was a very stirring ceremony and the solemnity of the occasion was very appropriate. Bro. Carroll is to be congratulated on his wonderful work in preparing for the memorial.

NEXT MEETING NOV. 25

We will meet on our regular meeting night, Tuesday, Nov. 25, at our council chambers in St. Maurice's Hall, and from now on we will meet on the second and fourth Tuesday as usual.

Our Membership Chairman, Tom Gallagher, is soliciting your help in his campaign for new members and is anxious to have a class of fifteen candidates for the first and second degree to be held at Madonna Council on Friday evening, Dec. 12, to be followed on Sunday, Dec. 14, with a large third degree exemplification at Leo Clubhouse.

If he can fulfill his desire for fifteen candidates we would have about thirty members for the major degree. It is not much of a task to sign up one member and if you approach a prospect he will gladly accept as perhaps he was waiting for an invitation to join.

CUFF NOTES

Mr. and Mrs. Walter McCollom celebrated their 25th wedding anniversary on Saturday, Nov. 15, by having a Mass of thanksgiving at St. Agnes Church at 9 a. m. They were married in this same church 25 years ago. They have three sons, Walter, Donald and Jack. Their son Walter joined the U. S. Service on Nov. 14. They reside at 3523 S. Western Blvd. Mr. McCollom is an old-time member of our council and we congratulate the happy couple on their silver wedding anniversary and wish them many more years of happy wedded life.

Mrs. M. Hall, the mother of Bro. Joe English and mother-in-law of our popular member, Mike Carroll, met with an accident last week and is confined in the Little Company of Mary Hospital. Mrs. Hall is known to many of our members as she used to prepare breakfast for our Communion breakfast in past years. We wish her a speedy recovery.

Our G. K. Frank J. Barker, Geo. Connelly, Sr., and John O'Rourke are getting the spring fever in the winter. They must have their seasons mixed up as they went out and shot 18 holes of golf last Sunday. They better forget the golf and practice up on their bowling.

Our popular young singer, Geo. Connelly, Jr., is now the proprietor of the G. F. Mooney Plumbing Co., located at 411 N. State St. The company is a large organization and we congratulate George on his success.

PIN TUMBLERS

At the finish of last week's bowling the teams were all bunched very closely. The following is the league standing: Hartnetts won 15, lost 12; Beams won 16, lost 11; Dr. Michels won 14, lost 13; Zintaks won 14, lost 13; Gormleys won 13, lost 14; Dr. Laibes won 13, lost 14; Dalaeges won 12, lost 15; Dunne Tires won 11, lost 16.

Ed Blythe, the captain of the Zintaks, was hotter than a furnace last week with games of 187, 217, 221, making a 625 series and high three games of the year.

Earl Dunne must have called Geo. Connelly, Sr., on the carpet and inflated those flat tires because the Dunne Tires took three games from the Gormleys. Red Bow Tie Gene Connelly shot a 531 series. The hot Hartnetts won two games from the Dr. Laibes as three of their team shot 500 series. New Ball Love 215, John Francis Hartnett 513, and G Man Riley, their captain, had a 522. The Laibes were good but not good enough as Mart LaBuda had 513 and Mart Deiterick 502. Dr. Joe Laibe, the sponsor, saved the day for his team by shooting a 187.

Harry Lepenske, the captain of the Beams, and "Butcher Boy" Snyder of the same team had series of 524 and 522 and beat the Dalaeges two games. John O'Rourke of the Dalaeges had a 519 series. "Oh Pete" Tom Jankowski has been on the sick list and is missed by his teammates. We hope he will be on the job next week. Also our G. K., Frank Barker, and Kasey were absent.

Our gallery of lady rooters is on the increase; it was extra large last week. Our own Dr. Brosnan has a young harem following his bowling. Last week he was accompanied by one young lady and shortly after another one came, then later another one, and after that we gave up. If your curiosity was aroused and you want more information you will have to ask the Doctor. I will set you straight though. The Doctor is single.

Marquette Plans on Lively Meetings for Coming Winter Months

1-3 Thurs. . . . . 1928 Devon Ave.

Marquette Council sincerely trusts that those lucky members who won their Thanksgiving dinner at our last meeting enjoyed themselves.

Lecturer Henrick and his entertainment Committee are busy now making plans for the enjoyment of our members for all meetings this winter. . . . P.G.K. Tom Griffin attended St. Timothy's annual Edgewater Beach dance last Friday night. Needless to say a score of Marquette members, who are parishioners of St. Timothy, were present. . . . The general chairman of this dance and card party was Mr. Edward P. O'Malley, and the chairlady was Mrs. Edward C. Schoen, mother of Bro. Edward C. Schoen of our council.

Warden Pettis and wife spent last week-end on the far south side as guests of Bro. and Mrs. Robert Bagley. Chancellor Henry E .Wilhelm, with his lovely better half, dining at Ray Powers last Saturday night, nearly missed that dance they planned to attend.

Financial Secretary Joseph Sacheck asks that the members be prompt in the payment of their dues and assessments. We have to meet our bills on time and the members who are late in payment work a hardship on the council. Bro. Sacheck's address is 3235 W. Ohio st. His telephone is Kedzie 0701.

BOWLING

Last week the Donoghues won two from the Delanas. High man for the Donoghues was Bro. Joe Hermann with a score of 482. High for the Delanas was A. Dhim with 542.

On the other alley the McGuires won two from the Griffins. High for the McGuires was Frank Welch with 518, and high man for the Griffins was Frank Loderbauer with 519.

Standings to date are:

	Won	Lost
Delana Demons	16	8
Griffin Tigers	12	12
Donoghue Tricks	11	13
McGuire Wildcats	9	15

G. K. Hesse attended Columbus Council's card party last Saturday night. Our G.K. is quite a card player; every Tuesday night you may see him at St. Henry's clubhouse.

BROWNSON LAUDS FINE DISCOURSE OF PRIEST

2-4 Fri. . . . . 4754 N. Western Ave.

Last Friday night marked a new high in Brownson Council meetings. To a meeting hall filled to capacity and with past grand knights galore in attendance, the Rev. Arthur Klyber of the Redemptorist Monastery, Gyenview, gave an exceptionally fine talk on "The Jewish Problem."

Father Klyber, a former orthodox Jew, prefaced his address with a very human, down-to-earth account of his own conversion and subsequent call to the holy priesthood. In the address itself he traced the historical background of the Jews and analyzed the religious psychological factors which have made them a people set apart. Father Klyber has dedicated himself to promoting a better understanding between Catholics and Jews. In a cause so worthy, he is an eminently qualified crusader, and Brownson Council wishes him great success in his endeavors.

The question and answer period which followed his talk brought to a successful conclusion the Catholic Action section of the program, and, it being "turkey night," Lecturer Walter Evrard then trotted out those luscious birds. As was to be expected, PGK Tom Rudd went home—not with one, but three! Dick O'Malley showed that he got rid of his bad luck as well as his appendix during his sojourn in the hospital a month ago, by taking home two birds. Jimmy O'Byrne and Joe Settinger were two others who had more than their share of luck by also getting two.

Others who got their Thanksgiving dinner by being present were: Walter Nigorski, Frank Kohler, Eugene Wermerskirchen, Frank Divoky, George Lukasiewicz, Ed Showalter, Tony Miller, Ed Schmitt, Tom Casey, Mike McCormick, John Salzinger, Joe Rill, Charlie Lannon, Charlie Quinn, Burt Thompson, Ed Steinbach, Walter Ryan, Matt Kass and Eddie Karrer.

MEMBERSHIP

Membership Chairman Frank C. O'Connor was sure beaming at the last meeting when our GK read off four new applications brought in by Bro. Hugh Brennan, son of PGK John Brennan. As Frank said after the meeting, "if only some of our older members would show one-fourth the interest of this newly-initiated member, Brownson would soon be back to the high place it held in our order." Nice going, Bro. Hugh Brennan!

R. I. P.

It is with a heavy heart that we announce the sudden death of Bro. Frank V. O'Connor of Chicago Council and a brother of Jack and Jim O'Connor of this council. Frank, who had been in charge of the wonderful altar boys' choir of St. Vincent's Church for a number of years, was well known by everyone who ever lived in our former parish.

It was Frank who always played the organ at our memorial and annual communion Sunday masses. His passing will be deeply felt in and around Old St. Vincent's Church. To our brothers and other members of the bereaved family Brownson offers its most sincere sympathy. May his soul rest in peace.

Gen. Sherman Assures Snappy Program on All Sports Night, Dec. 2nd

1-3 Tues. . . . . 4300 W. North Av.

The next meeting of our council will be known as "All Sports Night" and will be held Dec. 2nd. Our Lecturer Frank Veysey and Asst. Frank Kennedy are working hard to make this a success and promise us an entertaining and educational meeting, with several celebrities present to give us their views and experiences. Grand Knight Welker also requests your presence at this meeting as there are various things in connection with the Xmas Party to be gone over. Fellows if you want this affair to be a big success it will mean a little effort on the part of all of us so let's get going and give our Grand Knight and the committee a little co-operation. After all this party is for YOUR kiddies.

BLOOD DONOR GROUP. . . Bro. Bernie Janco reports that St. Anne's Hospital is not in a position to handle us at this time, but informs me that the State Chairman is making arrangements with another hospital or to have a technician come up to the council in the near future.

AROUND AND ABOUT

SICK REPORT. . . Looks like the boys are getting well again as Patrick Buckley is at home, and Joe Burke is also convalescing at home, and would like visitors. John Klingemeyer is in good shape again and would also appreciate a few visitors. Brother Durkin is still at Hines Hospital, Room 210, and Fred Antlesberger is still in the hospital.

Two big events at St. Philomena's parish, one the dedication of the new Flag Pole, Sunday, Nov. 16, at 3:30 P. M. and the other the Golden Wedding Anniversary of Mr. and Mrs. Bernhard Ferring, the parents of one of our new members, Brother Ben Ferring. Father John Ferring, another son and brother Knight, will officiate at the ceremony. Mr. and Mrs. Ferring are the recipients of a radiogram of congratulations from His Holiness, Pope Pius, and also a personal letter from Archbishop Samuel A. Strich. We of Sherman council wish them many more years of happily married life.

CONDOLENCE. . . The Father of Brother Ed Arens passed on to his eternal reward after a long illness. The services were conducted from his home to St. Agatha's Church. Sat. Nov. 15, at 11 A. M. "Requiescat in Pace."

BOWLERS STUFF

Turkeys given away and railroads picked! Toney Cirone picked the 6-7-10, and Bill Fetz the 5-7-10. Joe Foy and Doc Henson went home richer by a nice turkey. Lucky fellows. Glen Realty got a new high game of 995 and second high series of 2707. Schmitz Printers are high with 2709. Other high games were Royal Blue 947, Roche Ellgass 936, Glen Realty 917, Kolsaak 916. The only 200 games bowled this week were by Bert Welker, an even 200 and 204, and his teammate Bill Fetz, 221 and 587. Loiselle's Royal Blue swept the series from Cirone Barbers. Kolsaaks's took two from Roche Ellgass. Jimmy's Lounge took two from Schmitz Printers. Collins two from Klinnerts, and Glen Realty two from Tremko's.

Santa Maria's Semi-Annual Communion to Take Place Dec. 21st

2-4 Thurs. . . . . 9020 Commercial Ave.

Sunday, Dec. 21, is the date that has been announced by our chaplain, Rev. Father Terlecke, for the council's semi-annual Communion. Both Father Terlecke and P.G.K. Jim Komar join in urging every member to look upon this semi-annual event as a duty that cannot be put aside. After all you must go to church somewhere so why not put a little extra effort into the matter and go to St. Peter and Paul Church on the semi-annual Communion Sunday and receive all the benefits that are yours when you receive the Eucharist in a body.

As an extra treat for the faithful, Father Terlecke says he is planning on having some of the young ladies of his parish serve a breakfast to the communicants. By the way, this may be one of your last opportunities to receive Communion in the old St. Peter and Paul Church, as the new Church is rapidly nearing completion and perhaps will be ready for services after the first of the year.

MEMBERSHIP

Just what have you been doing about membership? At the risk of repeating ourselves over and over again and after we see we will have to keep on reminding you of the most important phase of fraternal work. Too often our members get into a rut and take the attitude "let someone else do it." That is not so bad if there is someone else that can, but in the case of membership it is not a one-man job. Each one of you has to get out and do your share. No one else can do it for you.

BOWLING

The bowling league has been progressing in a fine manner each and every Tuesday at the Cheltenham Bowling Alleys. It looks like bowling has become the number one indoor sport from the looks of the crowded alleys everywhere. Practically the only way you can get to bowl these days is to join a league which has reserved alleys beforehand. That is exactly what our fore-sighted members have done. However, if any of you members would like to bowl an occasional game, come down to the league on Tuesday. Substitutes are always needed.

NOTES: An account of the Thanksgiving Party and Ladies Night will appear in the coming issue. Keep in mind the Christmas Cheer collection. Trustee Joe Gerlich will soon be collecting for it. Are you saving for a possible Fourth Degree membership? If not, why don't you?

A woman will pardon want of sense quicker than lack of manners.

ST. FRANCIS TO HONOR SOFTBALLERS THURS.

2-4 Thurs. . . . . 4715 W. Madison

Next on St. Francis Xavier Council's calendar of activities is Softball Night, Thursday evening, Nov. 27, in our Council chambers, when we will honor our softball team, winners of the west section championship in the K. of C. league. Come to join in the fun. There'll be plenty of it. We're going to have some "Big Bears" with us as a special treat.

If you want to know what a "Big Bear" is, you'll have to be present. Members of the softball team who will be feted are: Manager Joe Consoli, Captain Nick Masse, "Butch" Rutili, who led the entire city in batting in the city finals, Sheik Pintozzi, Frank Tallarico, Al Caruso, Ned Locascio, Gino and Eddie Neri, Angelo Vitallo, Leo Marcantonio, Carmen Tano, Casper Cosentino, Ted Petronski, Jimmy O'Donnelly and George Furlan.

If twenty or more applications are brought in at the meeting next week, the 1941 Father Breen Class is sure to be a success. That is not asking for too much, when you consider that if one out of every three members brought in just one apiece, we'd be a cinch to repeat for the Century Club. What's more important at the present time is to get enough applications for the December 14th exemplification of the First, Second and Third degrees at St. Philip's High School. Bring the application next Thursday and you'll make Father Breen, the officers and members of the Council proud of you.

Sponsors of insurance candidates should see to it that applicants pass their medical examinations in plenty of time. Do not have them wait until the last minute. Have them call Doctor A. L. Vincenti, the medical examiner, Nevada 0005, for appointments.

Why not come down to 3024 W. Flournoy street some Tuesday night to attend one of the dance committee meetings? Nick Masse, chairman, would like to see all the members attend.

John Caruso, chairman of the Children's Christmas party committee, states he has received the names of many children who will attend the affair but only one who will entertain. If you have any children who are talented in any way, be sure to leave their names with John. Beautiful gifts will be presented to the entertainers.

If you haven't registered your children for the party—all those between the ages of one to ten—you can still do so at the next meeting. There will positively be no tickets mailed to anyone. The party will be held Sunday afternoon, December 21, at the Garfield Park Refectory.

ST. FRANCIS-TICS

Every night ought to be turkey night if the attendance at the last meeting is any criterion. The chambers were filled to capacity. That is the way it should be at every meeting. Last Saturday's FranFour party was well-attended and well-liked....Everyone present enjoyed the entertaining offerings of Bro. Vincent Gottschal who came as a guest of Joe Consoli. Another well-liked feature was t Italian sausage sandwiches, which we cooked by Bap Mele, the G.K. a P.G.K. Frank Vitullo....There were the hall two "one-armed bandits" th attracted much attention (and nickel ....Sir Knight John Belpedio's rend tions of popular numbers received t plaudits of all. Nazareth Pleased at Fine Turnout for Last Meeting

2-4 Tues. . . . . 17 W. Harris St. LaGrange, Ill.

We must make comment on that last meeting. Such meetings make your officers happy. We know from personal observation that your Grand Knight is particularly pleased when he takes up the gavel looks around the chamber and finds it practically full. That was the situation at the last meeting. As we looked around we were glad to see so many of those very fine fellows whose names dot our membership roll.

Among them were our Chaplain Rev. Fr. O'Shea, also Fr. Stokes from Holy Trinity Parish, Westmount. It is not often that a council is blessed with two such outstanding young members of the clergy. We are fortunate in having them so actively participating in our affairs. Others present were P.G.K. Robinson, Himpler, and James Sr. Tony Zeigweid, Manny Coan, Mike Brislane, Spevak, Willems our new treasurer, J. J. Morrissey Wagenkicht and others.

Brother Buller, Sr., who recently transferred to our council, gave us much to think about in his appeal for activities to attract the young man to our ranks. Let us hope we have more of this from the membership. The entire evening was replete with lively discussions on various subjects and that is as it should be, inasmuch as it is the only way our problems can be settled to the benefit of all concerned.

Fr. Stokes gave a very fine talk on the activities of our blood donor group expressing the sincere thanks of his parishioner, Mr. Kruep, for the recent blood donations which he received and which have enabled him to return to his daily duties.

The lucky gentlemen who took home orders for turkeys were Gersch, Brislane with two each, Ziegweid, Bessler, Buller, Sr., Wrona and P.G.K. Robinson. Our G.K. was limping painfully. Complained of a bad knee. Our thanks to the lecturer for the fine turkey dinner which he served with the able cooperation of that chef par excellence, Roy Barta.

SICK LIST

On our sick list we find brother Schaffhauser still confined. Recorder Halm recently visited him and reports he is doing well. Mrs. Morris, wife of Steven, Morris, one of our west end bowling stalwarts, recently was taken to the hospital with an attack of appendicitis. Have no report as to her present condition. Hope this is a case of "no news is good news." Joe Woods of Downers Grove has recently been sick, and we hope it is nothing serious.

P.G.K. Robinson's son, Eddie, who has been studying at the Jesuit Novitiate, Milford, Ohio, recently took his first vows as a Jesuit priest. Eddie now has the privilege of appending that coveted and honored S.J. after his name. We know that Jimmy and Mrs. Robinson feel a justifiable pride in which we of Nazareth share.

Our next meeting which will be held Nov. 25th is your scribe's night to howl. Lecturer Lester has booked that BIG league baseball picture for our entertainment. Hope you birds who patronize that other thing called a National League will come in and get smartened up as to how it is done. This night is to be our annual "Father and Sons Night" so bring along that youngster no matter how young or how old he is.

DINNER DANCE

Wish we had the space necessary to tell about that annual dinner dance held last Saturday night at Edgewood Valley Country Club. It certainly was a distinguished assemblage. Outstanding among those present were P.G.K.s Peabody, Buckley, Galvin, Bender, Schmidt, Robinson and Himpler.

P.G.K. Buckley, the speaker of the evening gave us a very inspiring talk. Addressed mainly to the mothers and fathers among us, his talk gave us much to think about. This column on behalf of the council expresses sincere thanks for his fine words. The evening was one which will be long remembered. Those of you who did not attend certainly missed something. There was an air of merriment throughout and the dancing continued into the wee sma' hours, including many fancy dance steps that were never written in the book but were performed by Trustee Martin.

DE SOTO STARTS WORK ON CHRISTMAS CHEER

2-4 Friday . . . . . Clark and Belmont

On last Friday evening a representative gathering of De Sotoans turned out and heard Dist. Deputy Henry L. Phoenix praise the wonderful manner in which De Soto's degree team exemplified the First and Second degrees on Oct. 24th. G.K. Eugene P. Scanlan supplemented the Dist. Deputy's talk with the statement that judging from the attendance at the recent degrees everyone, but the members of De Soto, know of the splendid and impressive degrees put on in our council chambers.

Bro. Wm. H. Glancey, chairman of De Soto's Christmas Cheer Committee, formally opened his drive for Christmas funds. Although the response was gratifying, our chairman intends to give the entire membership an opportunity to participate in the Christmas Cheer drive.

In order that all members will be contacted, the council's complete roster will be divided among each of the ten council delegates to the Chicago Chapter. The names of the delegates will be published in the next issue of the Columbian. In the event the committee happens to miss you, do not hesitate sending your contribution to Chairman Wm. H. Glancy, 3169 N. Pine Grove Ave., or your scribe and acting treasurer of the committee, Norm Mertes, 33 N. LaSalle St.

At the meeting Bro. Emmett Harrington, pinch-hitting for Bro. Fred Gebhardt, chairman of the Fourth Degree Committee, called the members' attention to the fact that on Sunday afternoon, March 1, 1942, the exemplification of the Patriotic Degree of the Order, the Fourth degree, will take place at the Palmer House.

All Third degree members of two years' standing are eligible to join the Fourth degree. The usual initiation fee includes the banquet at the Palmer House and the Baldric and Sword, which is presented to the members. All men participating in this solemn ceremony are required to be garbed in full dress attire.

Bro. Gebhardt has devised a plan whereby the members desiring to join may pay the fee in installments at each meeting, between now and March 1, thus giving a greater number of men an opportunity to join.

P.G.K. Frank Wohlleber, Chairman of the Blood Donor Group, announced that Bros. John Connelly and Joseph Harker recently submitted to blood transfusions in behalf of Sister Ludwinia, technician in charge of the blood bank at St. Francis hospital in Evanston. This was a very noble act of charity toward one who has always gone out of her way to help others.

ENTERTAINMENT

The horse races presented at the meeting by Lecturer Irv. Schultz and his committee really kept all of the members cheering the entire evening. Many of the men went home with some very fine prizes consisting of smoking stands, ash trays, cocktail shakers, glassware and card tables. Brother Nic Kasper in addition to winning one of the prizes in the races, walked off with a very handsome electric clock, as attendance prize.

Lucky members were Bros. A. J. Andrews, D. C. Bear, Frank J. Braband, John Brandl, Gus Brieske, Joe Casolari, E. C. Connell, Nick Engels, R. E. Fagan, Harry Foerster, H. A. Hagemann, Andy Heing, J. Heing, Phil Jacobs, Roy Kessler, John Kolb, Aug. Mellenthin, Dr. Elmer Mertes, C. Noe, Nondus, Hank Nierman, Sr., Joe Redtke, F. Rincsak, and Clem Schorn.

At the next meeting Irv. Schultz promises to conduct the annual turkey night.

DE SOTO ITEMS

Last Saturday evening, Nov. 15, approximately 140 De Sotoans and their friends attended the Baldric and Sword card party at the home of Bro. Ed. Connell. G.K. Gene Scanlan received a 16-lb. ham while Bro. Phil Ofenlosh was awarded a quart of bourbon.

The officers of the Baldric and Sword wish to publicly thank Bro. Ed and Mrs. Connell for the use of their home and for their efforts in behalf of the party. Mrs. May Schageman, wife of Bro. Dick Schageman, Eleanor Kennedy, wife of Bro. Jim Kennedy, and the boy bartender, Bob Connell, son of Bro. Ed., rendered valuable services in assisting the committee. Proceeds of the affair will be donated to De Soto's Christmas Cheer Fund.

BRO. ED. AGNEW'S plans for raising a football team hit a snag in the wee hours of the morning of Friday, Nov. 14, when the stork left a seven and one-half pound bundle for his wife Adelaide at St. Elizabeth's hospital, labeled Baby Girl Agnew. Mrs. Agnew is the daughter of Bro. John Brost, Sr., who is now a proud grandpappy for the fourth time.

ALL DE SOTO extends its most heartfelt sympathy to Bro. Henry Theisen on the death of his father, John C. Theisen, who passed away on Nov. 12. Funeral was held from Bro. Birren's mortuary to St. Gregory's Church, where Requiem High Mass was celebrated, thence to St. Henry's Cemetery. May his soul rest in peace.

ON SUNDAY afternoon, Dec. 14th, De Soto's Male Chorus will travel out to Hines Veterans' hospital at Maywood, Ill., to entertain the patients.

G.K. GENE SCANLAN announces that a meeting of the trustees will be called within the next few weeks and requests that the members make an effort to bring their dues up to date before that time. Financial Secretaries Richard A. Erbash, 1940 Irving Park Road, and Michael J. Behles, 3851 N. Hamliton Ave., will be happy to hear from the members.

BRO. PHIL OFENLOCH'S son is now located at Camp Robinson, in California.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

MADONNA MAKES BID FOR CHRISTMAS CHEER

2-4 Fri. . . . . 4624 Emerald Ave.

Every once in a while we lads who do the scribbling get a break in the way of short deadlines which we love to use as alibis. Of course, we'd like to plug the dance again but it will be past history by the time The Columbian is delivered.

NOW IS THE TIME

To bring out the subject of Christmas Cheer, dust it off, and slip it to you mopes. This year more than ever we ought to kick in a little heavier than usual or else Uncle Henry Morgenthau will get it next March. Christmas Cheer is one of the most familiar items in Madonna's budget since it was originated by a member of happy memory, John Miller.

Briefly, the idea is to assess each member the sum of 25 cents per year to cover the expense incurred by the Chicago Chapter Committee, which spreads a little sunshine in the various Catholic institutions on Christmas morning.

Let's make it a real Christmas for everyone.

THE DUFFY FLORALS

Are pacing the bowling league with Captain George Noonon whipping up the horses. Last week a new high was set by Eddie King with a score of 224 and the team broke the single high for teams by rolling 1005.

Ed Goeing must be taking the Jackson threat seriously, for although the difference in the standings is but two-tenths of a point, he's going to make sure his lead is increased. Ed was spotted at 63rd and Halsted being measured for a new ball, and his measurements were being taken by Jackson.

THE CLUBHOUSE

Is still open to all comers, especially on Thursday and Friday nights, the former being 66 night and the latter the usual Friday night parties. Charlie Scannell's office looks pretty swanky now with the French doors newly installed, and since the final carnival report has come through, Chairman Ed Goeing plans on starting a survey of the exterior of the building.

Last meeting was one of the best we've had in a long time as far as oratory is concerned. Every one in the place had a chance to talk and it was refreshing to hear the "younger" set express itself. Kevin Hough, Pat Smith and John Goldrick, to name a few, have the makings of orators.

Next meeting will be held at Madonna Clubhouse on Friday night, Nov. 28. At this meeting will be inaugurated a system of rewarding members for their attendance. Sponsored by Bro. Larry Kean, the idea is to confine the business only to members who are present and conscious, and it's to be hoped that this plus the refreshments served at every gathering will boost the attendance rating.

NOTES TO YOU

Madonna's contributions to Chicago's police department (which, by the way, is pretty large) has been pretty active lately. Capt. Gene Barry is back at his desk at Brighton Park after a tough bout with an eye infection which, thank goodness, is clearing up.

Capt. Andy Barry has found a little time from his assignment to squeeze in a few bowling nights with the bunch in an attempt to beat son Edward, who is also a minion.

Lecturer James McGrath is keeping things peaceful in the Hyde Park sector by being natural, a perfect gentleman in an Irish community. And our latest gift to the force, our songbird from the South, our Bayou Boy, Forrest Bordelon, comes out of training school this week to go on traffic duty in the Loop. Well, State St. can't be any worse than it is now.

WE DEPLORE

The type of journalism (?) such as appeared in St. James' column last week. (Our best friends tell us everything, which makes Listerine a liar.) The eminent McBride no doubt enjoyed writing it and we hasten to inform him that we couldn't wear the things. What's that old saying: "Cursed be the didie that binds"?

But it's the action of the Randolph St. Scoundrel (look that one up, it's good) who mangles our references to things and lets that one by. There ain't no justice. (Look us up is O. K., but please don't call us "it."—Ed.)

Chicago Heights Will Put Much Effort Into Its Membership Drive

2-4 Monday . . . . . 1537 Otto Blvd.

We are still striving for an increase in membership by the first of the year. Surely we can do as well as some of our neighbors who are reporting increases at freguent intervals. We have a larger field to select from than many other councils. True, we haven't much to offer a prospect in the way of clubrooms or social diversions—although we have our share—but there are many other advantages in being a member of the Knights of Columbus. So, brothers, let's all try our level best for that application.

Your Home Finding Committee submitted its report at our last meeting. They were advised to look into the cost of renting one of our former places for clubrooms and report back at our next meeting at which time final action is anticipated. They also told of several more rooms obtainable for our meetings. Your officers again appeal to all brothers to try and come to this meeting and discuss the above situation. How about the brothers from Glenwood turning out for this meeting?

Bro. Bob Gaseor is enjoying his vacation way down in Missouri. Frank Herbst who has been on the sick list is again up and around. Oscar Fox has returned from a hunting trip. He's still hunting. Geo. Ruff had better luck on his trip down to Lacon. He brought back the ducks. Ask the scribe who got so excited during the Notre Dame-Northwestern game that he poured a bottle of beer on his sandwich instead of the catsup.

Columbus Attendance Stamps Benefit Card Party Huge Success

2-4 Tues.....6932 N. Clark St.

Our Annual Charity Card Party has come and gone and orchids are due to Grand Knight, Al Irving, and Lecturer, Dr. R. C. Schuler, and their assistants. The affair was a grand success in every way. The hall at 6424 North Western Avenue, the use of which was donated again through the good offices of Ed. Kelly, was filled to capacity by members of the Council, their families and their friends. It was a pleasure to see of the older members who are loyal supporters of Columbus Council, but whose faces are not often seen in the Council Chambers. In this group were, W. G. Sturm, Doug Moore, Frank Murphy, Vincent Green, Joe McAlinden and John Hayes.

Mrs. R. C. Schuler in her very capable manner again took charge of the refreshments. She was assisted by Mrs. Frank Coffey, Miss Dorothy Ross, Mrs. Al Irving, Mrs. Frank Prendergast, Mrs. L. Claude Dollahan and others. We are very grateful to these ladies and to all of those who brought cakes. The drawings for the ladies who baked the cakes were won by Mrs. Walter Nietchmann and Mrs. L. Claude Dollahan.

About 75 gifts were distributed. Three special awards were won by Doug Moore, Marion Johnson, daughter of our deceased brother Bill Johnson, and Martin Schuler, nephew of Dr. Schuler. These prizes were: a bathroom scale, donated by the Council, a tenderized ham, donated by Wilson and Company, through Harold Roche. and two table lamps, donated by Grand Knight Al Irving. Some 25 turkeys were also handed out. Some of the lucky winners were: Walter Nietchmann, Miss Beatrice Adorjan, who received two, John Hayes, Al Weimeskirch, Norbert Burnham, Jr. and Fred Ray. There was also a gift at every table. The winner of the Notre Dame-Northwestern Football tickets was Dr. F. J. Linane.

Enos Hamer did his usual masterful job at the microphone and was in charge of the turkey wheel. He was ably assisted by Fred Sextro, Sr., Dr. Courtney and Harold Borchardt. Al Weimeskirch, Walter Nietchmann, Frank Coffey and Ed. Roche assisted greatly in arrangements and in serving the refreshments.

It is impossible to remember all who deserve special mention for their share in making the party a success. Dr. Shuler, who worked hard and long and who assumed the chief responsibility as General Chairman, is very grateful to all of the members who supported the party. Miss Mary Jane Schuler, charming young daughter of Dr. and Mrs. Schuler assisted in the gift distribution as did the Honorable John J. Griffin, Judge of the Municipal Court, and a distinguished member of our Council.

RETREAT DEC. 5

At the next meeting a report of the income and expenses will be received. As previously announced, the net profit will be used for charitable activities, and first upon the list is $100.00 to be given to the Franciscan Fathers for their new Retreat House at Mayslake. The Annual Retreat of the Council at Mayslake is scheduled for December 5. The presentation of the $100.00 will no doubt be made at the close of this retreat. We would like very much to have the biggest class that we have ever had.

On Monday night, November 10, several of us were the guests at dinner of Walter Nietchmann and J. Arthur Shay who are co-sponsors of this retreat class. The dinner was held for the purpose of initiating the preliminary work. Among those present were Reverend Charles A. Burke, Spiritual Director of the Holy Name Society of St. Jerome's Church. He promised his cooperation in getting members of the Society to make the retreat. From advance reports, it looks like we will have a good crowd. Remember the date, December 5, and join us. If you need transportation, call Walter Nietschmann who will try to arrange it for you.

Illinois K. of C. Bowlers to Open Tourney on Jan. 3

Eleventh Annual Tournament Will Continue Over Week-ends to Sunday, January 25

John A. Dix, President of the Illinois Knights of Columbus Bowling Association, announced today that Saturday, January 3, had been set as the opening date of the Eleventh Annual K. of C. State Bowling Tournament. As in past years the tournament will be held at the Congress Recreation Center, 31 East Congress street, and will continue over four week ends from January 3 to January 25.

All games in the 1942 tournament will be bowled under the handicap system. According to President Dix, the handicap allowed will be two-thirds of the difference between 190 and the highest average set in any league competition where at least fifteen games have been posted as of November 29, 1941. Thirty-five pins per game will be the maximum allowed any one bowler.

Team Events First

One small change has been made in this year's schedule in that the team events will be bowled first with the double and singles events following on the last two week-ends. The first of the team events will get underway on Saturday, January 3 and 4, with others following on January 10 and 11. The balance of the team events will be held on Saturday, January 17.

Competition in the doubles and singles events is scheduled for Sunday, January 18, and the week-end following so that all matches will be over on January 25.

Entry Deadline, Dec. 6

Entry reservations have been mailed to all council league secretaries wtih the exception that they will be returned before the closing date on December 6. In order to insure the acquisition of preferred dates, entries should be returned at once.

STAGE ELABORATE PARTY TONIGHT AS FINALE IN MODEL HOME PROJECT

Activities of the Mount Vernon House of 1941, sponsored by the men and women of St. Francis Xavier parish of La Grange, are fast drawing to a close. The Festival Party at Paradise ballroom this evening will mark the termination of the project. Arthur E. Canty, Commander of Cook County Council of the American Legion, will officiate at the ceremony, assisted by Roy H. Webb, Commander of La Grange Post No. 41, and Arthur E. Boyer, Commander of Western Springs Post No. 154.

There is every indication that the number of visitors to the Mount Vernon House during the last week will equal if not exceed the peak so far recorded. It is interesting and pleasing to note that by far the great majority of the visitors have advised that they learned of the project through the publicity and advertising in the Columbian and the New World.

Sir Knights Fill Hall to Attend Assembly's Annual Turkey Night

Every available chair in the Red Lacquer Room of the Palmer House was filled on the occasion of La Salle Assembly's pre-Thanksgiving pro-Thanksgiving program on Tuesday evening, November 18. An excellent program of musical and novelty entertainment was presented; and before the evening was over dozens upon dozens of fine turkeys had been given into the safekeeping of an equal number of fortunate Sir Knights.

State Deputy Leo M. Flynn was the featured speaker of the evening. In a very interesting and well-received address he reviewed the program being made in all of the units of the Order throughout the state.

He urged the Fourth Degree members present to enter whole-heartedly into the work in their respective councils to the end that Illinois become outstanding among the jurisdictions of the Knights of Columbus. He especially urged the Sir Knights to cooperate with the Master of the Fourth Degree in Northern Illinois in building the Fourth Degree class on March 1, 1942, into one of record-breaking proportions.

Wednesday, Dec. 10, is the date set for the Assembly's "Christmas Gift Night." Another excellent program will be presented on that evening, and Santa Claus will be on hand to present each member with an attractive gift. Members are requested to note the date—Wednesday, Dec. 10, as no further mail notice will be sent out.

K. C.'s to Sponsor Entertainments at NCCS-USO Club

Plan for Semi-Weekly Programs to Be Conducted by Individual Local Councils

Beginning this Sunday, November 30, a semi-weekly program of entertainment will be sponsored at the National Catholic Community Service Center, 1122 South Wabash avenue, by the local Knights of Columbus in the interest of the men in military service, Rev. Harold J. Kenny, chairman of entertainment at the U.S.O. club, announces.

Superior Judge John F. Bolton, Past State Deputy, has been invited to take part in the opening program Sunday along with other talent to be provided by Father Perez Council, of which Edmond J. Molyneux, chairman of the Order's N.C.C.S.-U.S.O. committee, is Past Grand Knight. Other councils will provide talent on subsequent Sundays. The afternoon program will include dancing and a 3 p. m. "Quiz Test" broadcast over station WHIP.

Ping-Pong Tournament

On Wednesday evenings each week, the Knights will sponsor a ping-pong tournament for the soldiers and sailors with cigarettes and cash awards as prizes. Chicago Council will start this phase of the activities on Dec. 3 under the leadership of P.G.K. Henry J. Phoenix, secretary of the K. of C.'s N.C.C.S. unit. Play is free to any service man.

Sir Knights Get Free Turkeys

Theodore E. Cornell, Comptroller of La Salle Assembly, Fourth Degree, proved a capable and energetic host again on Tuesday, Nov. 18, when he and the officers of the Assembly distributed a dozen crates of plump turkeys free to the attending Sir Knights.

Several acts of professional entertainment also kept the large crowd of Sir Knights well pleased throughout the evening. The next Assembly party will be on December 10, Christmas gift night.

Dearborn's "Green Buck" Party Will Take Place Dec. 6

1-3 Thursday.....820 W. Garfield Boul.

Some interesting and encouraging news has just been given us by the chairman of the ticket committee, Bro. Dave Kerwin, when he told us the good news that many of the members have called him for tickets for the "Green Buck" party and dance Ft. Dearborn is having on Dec. 6. He said that there are now over 700 tickets in circulation and that more requests are coming in regularly.

More good news about the party was told by G. K. Devereaux when he said that over 100 members attended the committee meeting last week and sat down to go into the final stretch in making preparations for the big event. That, gentlemen, is the cooperation we have been asking for since the first plans of the party were put into action. That little word means much to any organization. Action—that's what we want and usually when Dearborn members get their shoulders to the wheels action is what we get.

As long as we are talking about workers and hard work, let's take this opportunity to compliment our G. K. and our D. K. G. on the conscientious, industrious, and able-bodied, willing men that they picked to fill the responsible positions on various committee. Don't any one of you people think for a minute that if there was any doubt in the G. K.'s or general chairman's minds that these men would shirk their duties that they still would be named on the various committees. Action brings results and for your information we are glad to report that results are becoming more evident every day. Right now we'll bet our old straw hat that this party goes down in Dearborn history as one of the greatest parties of all time.

Our G. K., general chairman, John Downes, the co-chairmen, Bros. Joe Nix, Tom Tynan, Anthony Pidone, Dave Kerwin and Wm. Lynn are all anxious for a great success and we shall give it to them and to the Council. We know that these men and all the men on the committees have spent practically all of their available time lately in making preparations for this event. It is hard work to prepare to entertain 700 people for an entire evening, not child's play.

People know a bargain when they see one and all of us can tell our friends of the bargain Dearborn is letting them in on if they attend this party and dance. There isn't any place in the city where anyone can get as much entertainment for his $1.10 than at 6414 S. Halsted St. on Saturday, Dec. 6. If you go any place at all we'll bet you spend at least that or more, so you might as well come over to Dearborn's party and join the merry crowd. We will take all bets now that there won't be a person who will say afterward that they were sorry that they attended.

NEWS ABOUT KNIGHTS

It has been reported that Bro. Ray Falco has been married and may we take this opportunity to extend to the happy couple our wishes for the best of health, happiness and success. If it is possible, Ray, come to a meeting and let us congratulate you personally.

Thanks to Bro. Larry Kean, editor of the West Kenwood News, for writing up the "Green Buck" party in his community newspaper. Thanks to the scribe of St. James Council who gave us a plug last week, as we did not even have to request him to do it. Now there's cooperation.

The Christmas party for the kids will be at McHale Clubhouse at 69th and Wentworth Ave., on Dec. 21.

Congratulations are also in order for Bro. Chas. Read, who has passed all the necessary examinations required for fireman on the Chicago Fire Dept.

What do you know, and what do you think about a fellow who wins three Thanksgiving turkeys. Bro. Oscar Heilmann set that record at the meeting of the La Salle Assembly last week. He and Bros. De Beck, Fred Ernst, Jerry O'Sullivan all went home with the birds. Later we heard that Oscar gave one of his turks to a family who really needed it and. Brothers, that's Oscar.

Bro. Joe Fitzgerald's smiling face was a sight for sore eyes, as it's been some time since he has been associating with those bad boys that always sit at the long table after the meetings. He didn't get a turkey, although we heard him say he had 25 tickets in the box with his name on them.

Silk Hat Auxiliary announces that there will be an election of officers on Friday, Dec. 5, at the home of Mrs. John Downes, 8831 S. Paulina St. It is requested that every member be present.

R.I.P.—We regret to announce that the wife of Bro. Bernard Clancy passed away last week. May we extend the condolences of the Council and pray that she may rest in peace.

ATTENTION—For those who want to get tickets for the "Green Buck" party write or 'phone the following:

John J. Devereaux, 105 E. 74th St., Aberdeen 3882; John P. Downes, 8831 S. Paulina St., Beverly 7475; Jos. J. Nix, 7208 Prairie Ave., Aberdeen 2967; David S. Kerwin, 5407 S. May St., Boul. 2070.

Phil Sheridan to Be Host to the Ladies at the Dec. 4th Meeting

1-3 Thurs.....446 N. Parkside Ave.

Thursday, Dec. 4, 1941, will be ladies' night at Phil Sheridan Council. A very short but important business meeting will be held promptly at 8:15 p. m. and the special events will get under way by 9 o'clock.

There will be moving pictures to start the festivities, and these will be followed by games. Refreshments will be served free. Turkeys will also be awarded to add to the enjoyment. Come on over and bring your friends.

MEMBERSHIP

Bro. Weaver has announced a plan for securing memberships, which tentatively is as follows: The present members will be divided into a number of teams headed by a captain; appropriate prizes will be offered for the teams securing the most new members. The slogan for the campaign will be "Sixty new members for the sixtieth anniversary," as the order will celebrate its sixtieth anniversary on March 29, 1942. Team captains will be announced in next week's Columbian. Let's get behind Bro. Weaver and make this campaign a success.

Word has been received that Bro. George Hancock has moved back to the city from the country. Hope to see you at the meetings, George.

BOWLING—Last Friday, Nov. 21, our bowlers won two games from Hennepin-Shields and are in second place. Nice going, fellows; keep it up.

Don't forget Thursday, Dec. 4, is ladies' night.

Ridge Prepares for Large Degree Class Next Tuesday Night

1-3 Tuesday.....8219 S. Halsted St.

At our last meeting of Tuesday, November 18, Ridge Council had a swell turn-out for turkey night, with a lot of the old-timers among us; Brother Jim Ward, Pete Heile, John Luxon and Jim Sheridan, the latter was one of the lucky members to take home a turkey. Also among the lucky ones were Brothers Ed Hyland, Frank McGlinn, Mike Thometz, and John Pieziński.

We would like to see these same brothers plus many more at our next meeting, Dec. 2; on which night Ridge Council puts on a first and second degree; playing host to South Section No. 2—St. Rita, Perez, Auburn Park, Englewood, LaRabida and McHale Councils.

Our DGK McGlinn has put forth great efforts to secure a fine degree team, and from these names submitted to the scribe, has done the finest job possible with such veterans as Frank McGillen of Genoa as GK, Chris Mathis of St. Rita, DGK; Dr. C. J. Strobel of St. James, Chancellor; Peter J. Wehle, St. James, Warden; Charles H. Huguelet, Englewood, Financial Secretary; Dick Knight, Auburn Park, Inside Guard, and our own uncomparable Frank McGlinn as the I.

This is as fine a team as can be put together, and one to bring out every member interested in Knighthood. An invitation is hereby issued to DD William Lowry and PGK Frank Parker to bring their gang from Joliet, also GK Cardosi of St. Viator's Council of Kankakee. They know they are always welcome at Ridge Council.

COUNCIL NEWS

Brother John Luxon's son is home on a furlough from Camp Forrest, Tennessee, to marry the girl he left behind. Lots of good luck and happiness is the wish of Ridge Council.

Don't forget your quarter for the Xmas Cheer Fund, and make some unfortunate youth happy on Christmas Day. Financial Sec'y Oehman did a wonderful business with the aid of Mike Feyerer at our last meeting so be sure to see him at our next meeting, and you will reap untold blessings for this small sum to a worthy charity.

Genoa Council invites Ridge members to honor their PGK Jim Riley on Monday, Dec. 1, at their clubhouse, 7439 Cottage Grove Avenue.

On Saturday evening, Dec. 6, Loyola-Hyde Park Council will give their Eighth Annual Fiesta at Woodlawn Post American Legion Hall, 6310 Woodlawn Avenue, to help their Children's Xmas Benefit Fund. There will be a huge floor show, dancing, and many fine gifts, among them a $100 radio; all for the small sum of twenty-five cents. There will also be refreshments, if you have more than a two-bit piece in your pocket.

The actual number of languages spoken in the world, according to the French Academy, is close to 3,000.

According to the Chicago Tribune, the World War cost us 126,000 in dead, 234,000 in wounded, and sixty-two billion dollars.

Fr. O'Connor Is Planning Santa's Visit on Dec. 18th

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

Plans are well underway to entertain the children at our regular meeting of December 18th and Santa Claus has promised to be there to greet each and every little tot and give him a present from his big bag of toys that he carries with him.

This is one evening that you owe to your wife and family to spend with them right here in our Council chambers. Plan now to bring the entire family and don't let anything change them.

Our Lecturer, Ed. Zaleski, will have a world of entertainment for the children that the grownups will enjoy too.

Don't forget that our next regular meeting, Dec. 4, is the First and Second Degree initiation night and we hope to see a large turnout of members.

BOWLING NOTES

The top spot in the news today goes to the King Coals who stopped the progress of the leading Navin team. The Coals won two games with Bartsch showing the way with 519. For Navin team, Tom Gaughan continues to pound them with 577 but league Pres. Cummings topped him with 580 and also carried home a turkey.

The Alliance Life team won two games from the Nolan's Insurance, Bechtold shot a nice 597 series and believe it or not, Bern Kamins shot 540 and carried home a turkey. For the Nolan's, Doyle finally hit his stride with 511 and the other half of the combination, Doddy, shot 501.

The Sharmrocks finally found the Furman Funerals on an off night and won two games. For the Shamrocks, Kotnaur, the second, had 523; Engert was best for the losers with 496.

The Widtmann Meats took the Cristo Printers for two games, George Loohs had 533, Keehan 511 and Sullivan 489; for the Printers, Fleischauer had 513, Hibbeler 496 and Cy Clancy 493.

Turkey winners were Ed. Cummings with 637, Bern Kamins 645, John Golden 628.

Near winners were Bechtold 634, Loohs 604, Doyle 625, Hibbeler 600, Keehan 622, Nolan 613, Sullivan 616, Metzen 602 and Cy Clancy 601.

OUR BOWLING SPONSORS

Furman's Funeral team is sponsored by a Brother Knight of our Council, Al Furman, who for some 20 years has always been active and willing to asist us whenever he was asked.

Al also is a very active Holy Name member of Our Lady of Mercy Parish, in which he has resided for the last 20 odd years, having been elected president of the Holy Name Society no less than three times.

Brother Furman has been in the undertaking business ever since he has been with us in this community and his business has grown with the neighborhood. His Funeral Home is located at 3100 W. Iriving Park Road. As large and beautiful as his home has always seemed, Al has found reason to put on another addition with a most modern atmosphere yet in keeping with the solemnity for which his place is used. If you are in the neighborhood of 3100 Irving Park Road, drop in and inspect his place. Al will welcome you.

SCRIBE'S SCRIBBLINGS

There was quite a stir at the Council the other night regarding our Lecturer's expense account in obtaining suitable entertainment for the Cabaret Dance. The bill was submitted to the tune of $29.00 spent in such places as The Silver Cloud, Chez Paree and The Tunnel. After quite a little discussion, Brother Zaleski agreed to cut the bill in half as he said he had enjoyed the places very much. The argument was so real and heated at times that a lot of the newer Brothers really though that he was being put on the pan. It was all faked, including the places named . . . Brother Joe Nolan wishes me to send out an appeal to all the Brothers for the Christmas Cheer Fund, so, at the next meeting when you see Joe, give him any loose change or one of those extra greenbacks. Joe did pretty good last meeting at our turkey night. Several attendance awards were handed out and most of the winners turned them over to the Christmas Cheer Fund. Nice going, fellows . . . Every year someone really goes to town at our turkey contest. This year the prize goes to the Karas family. Father and son went home with three birds that night . . . Turkey night was a grand success with many free birds being given. Yours truly, was the recipient of one of the free ones, in fact, the last gift of the evening . . . Congratulations are in order for Brother Tom Durkin. Mr. and Mrs. Durkin went shopping Nov. 13th for one baby boy at the St. Vincent's Orphanage and now they have a bundle of joy in their home called Mickey Durkin. We hope that the Chairman of the Membership Committee in 1959 will keep this in mind. Maybe Tom will bring the Missus and youngster to our Christmas party. How about it Tom? . . . A WARNING: Please be advised that unless your reservation is in before the 15th of December, with the necessary $6.00, that you may be left out of the New Year's Eve party. Better make sure, call Superior 3840 during the day or Sunnyside 1356 in the evenings and ask for Ed. Zaleski, or see Ed at the next meeting.

Sherman Gets Ready to Play Santa Claus at Kiddie Xmas Party

1-3 Tues. . . . . 4300 W. North Ave.

The turkeys must have been good at the Palmer House last Tuesday night judging from the attendance at our regular meeting. Well, the next meeting will be of interest to all of us for there will be movie shots of championship baseball, football, boxing, silver skates, golden gloves, etc. This show is put on through the courtesy of WGN and will last about 45 minutes so don't forget All Sports night at Sherman's next meeting, Tuesday, Dec. 2nd.

I am happy to report a record crowd at our Memorial Mass last Thursday. There were about 750 present and Grand Knight Welker extends his thanks for the fine turnout.

THIRD DEGREE: Tell the little woman you have a date for Friday the 12th of Dec. at St. Cyr Council, Belmont and Clark St.; there will be 17 men from Sherman taking their degrees. Your presence is urgently requested as this degree is educational and some of us need a little brushing up on our knighthood.

XMAS Party is all set for the 28th of December at Our Lady of Angels' hall. There is a lot of work in connection with a party of this kind so if all of you who are appointed on committees will co-operate I'm sure it will go over. In order that we may prepare for YOUR children at Sherman's Xmas party kindly paste the following on a penny post card and mail to Grand Knight Bert Welker, 1645 No. Latrobe Ave., or drop it off to Frank J. Mootz at Keeler and Cortland St.:

I will attend Sherman's Xmas party with the following guests:

It is very urgent that these cards be returned at once as time is getting very short and fellows remember this party is for YOUR children.

AROUND AND ABOUT

Received a letter from Private Clarence (Bud) Groh who has been in Texas for the last four weeks. Bud says it is warm down there and would like to know how all the boys are doing. What say, some of you fellows, write and let Bud know what's doing. Financial Secy. Joe Diesenroth had no report to make on lapsations. Well, they say no news is good news.

Business Leaders Head Campaign for Religious Training in All Schools

A striking illustration of the growing cognition of the necessity of moral d religious training as a part of the ational public school system is afforded r an announcement of the Chamber of ommerce of the United States of a move focus educational effort more directly on current problems. A committee has en set up by the National Chamber to perate with a similar committee of the merican Association of School Administrators in bringing about the establishment of local groups of business men and school officials to discuss educational matters and carry out the program.

The two committees, operating jointly, have outlined the objectives they have in mind as a starting point for the undertaking. Their declaration emphasizes the necessity of promoting a better understanding of American traditions and institutions and the development of a religious background as one of the fundamentals to be considered. In the declaration they state, among other things:

"The fundamental bases of American citizenship are political and religious freedom, therefore, understanding of the Bill of Rights, the Constitution and the fundamentals of our economy go hand in hand with an understanding of the Bible itself.

"There has been too little appreciation that an intelligent belief in God is the greatest obstacle that dictatorship has to overcome. Yet it is a sad commentary that in the United States some 65 million people have no religious church affiliation. This is a definite challenge to the community. We must return to early fundamentals, i.e., each God-fearing family must see that its members clearly understand the tenets of its particular faith. While the responsibility is that of the family and the church, the schools must facilitate their work. A truly God-fearing nation is a strong nation.

"In order that the schools may play an increasingly effective part in our complex life, and that their work may be brought home to the community, it is proposed that local committees of business men and superintendents of schools adopt programs which are in keeping with the present-day problem and needs of their respective communities."

In 1926 American football was played only in the United States. Today it is played in over sixty different countries.

Over 80 per cent of all foot troubles, according to one authority, originate with poorly fitted shoes.

Get off your high horse, Mr. Big

Times have changed, mister—the distinction of wearing a *Rochester-tailored Overcoat* is no longer reserved for the chosen few. This year, Bond opens the way for a lot of men to enjoy *Rochester quality* who could never afford it before. Yes, we mean the same suave style, same rich woolens, same smooth needlework in which you've always taken pride. ***But look at Bond prices!*** You see, Bond is the only retail clothier with a tailoring plant in Rochester. The Bond store near you is part of that plant. As a business man, you know how such a streamlined system cuts costs. So if you notice many of the men on your payroll wearing overcoats like yours, give them credit for knowing a good thing when they see it. ***Why not join the Swing to Bond's yourself?***

"Life's Irksome Problems"

Not a few of life's most irksome problems are of our own peculiar making. For instance—and just for the sake of developing the point, as they say—let us consider our own current membership drive.

It is actually a fact that never in all our years as a member of the Knights of Columbus, and this, by the way, dates back a great many years, have we witnessed a more energetic, a more earnest and a more enthusiastic campaign for members than the drive which is now well under way.

From the Grand Knights of the councils all the way along the line to the Outside Guards—and we shouldn't overlook the regular and loyal members of the councils—all are out there, day and night, plugging away, ringing door bells, shaking hands, pleading with fellows, with the sole objective in mind of securing another application.

And the thing is going over big. It is still a little early to make anything like an accurate forecast. But, just the same, it isn't too early to say that this drive will go far over the mark. It may develop into a sensation. All the earmarks for that are here. We have listened to membership chairmen who make claims like increasing their council membership by ten, fifteen and even twenty per cent. In fact—(name upon request)—we heard one of these committeemen say that after this thing is over his council will go so far above the quota that it will surprise everybody including himself.

After all, why shouldn't it be successful? A real, active movement toward the Knights of Columbus is long overdue. The Knights of Columbus merit more consideration than what they have been receiving. They're doing things. The order is plodding ahead. It always rises to the top in a time like this, in an emergency situation, and it doesn't stop, as the world knows, until the crisis is over.

Another thing, and you can't deny but that this is important—business is good. Business is getting better. Industry is booming along. Wherever you go, in and out of the city, factory chimneys are smoking again; and that means that men are working and earning, and that money is in circulation. It also means that the unemployment lists are decreasing steadily. What is more detrimental to fraternal organizations, to clubs, lodges and societies, no matter how good and irrespective of how worth while, than a growing list of unemployment? Nothing!

But, all of this doesn't complete the picture. There is still another viewpoint. This, we might say, is the rosy and brighter side of the thing. And what we have in mind, in connection with this membership drive, has a direct bearing upon the introductory paragraph of this story. Namely, that we make it difficult for ourselves.

For example, we heard a man say to his Grand Knight that if he were able to secure only one-half, just 50 per cent of all those prospects whom he approached, who seemed to be sincerely interested in the Order, who seemed to want to join by all means, who were of the right caliber but who, for no good reason which he could find, simply refused to sign the paper, that he would be able to enlarge the council membership to such an extent that they would have to move to newer and larger quarters.

This man said, openly, that he couldn't give any reason for it. It simply existed. "These men do everything but reach out for the applications, but they won't sign up."

We don't profess to know all the answers. We don't happen to be the famous Mr. Anthony. Our solution may be wrong. But, just the same, we'll wager all the tea in China—and some of the gold in Fort Knox, too—that the reason for this very situation is something which we could correct in the shortest order.

The situation of which we are about to speak is so general that it shouldn't be confined alone to the Knights of Columbus. It's an old, old failing; one which has existed as long as lodges have been incorporated in this and other states. It's so common, in fact, that most of us can't recognize it for anything other than a necessary evil.

At any rate, unless we miss our guess much of the trouble is to be found in the old scare campaign which we associate with joining the Knights of Columbus. We scare the candidates to death with threats and promises. We scare the prospects. We go around preaching and talking about the severity of our degrees, about riding the goat, about "Taking care of you fellows the night you take your degrees."

We ought to stop it. We should take steps now, along with this great membership drive, to put a halt to silly and foolish talk such as this. The evil is of long standing and it will take time to eradicate it. But, let's get going now.

We can recall still another case—a very personal one at that. Perhaps we shouldn't admit too much, but the very thing which kept this fellow away from the Knights of Columbus was the fear of initiation. He heard so much about it that it became a fixed fear amounting to little less than fright. And it didn't help matters either when, after signing up, he was told by a friend—but not by the good brother who produced the application—that "You waited plenty long, brother, and you're going to pay for it."

Yes, sir, as we said in the beginning, not a few of life's most irksome problems are of our own peculiar making.

BARRY IS IMPRESSED AT MEMORIAL SERVICE

1-3 Tues. . . . 2856 Washington Blvd.

To understand the full force and effect of degree work, it is often necessary to analyze the significance attached to it. We sometimes lose the trend of our Order's various rituals by our failure to grasp them fully. Essentially, degree work must be presented by capable officers in order to convey the lessons desired.

So it was at our last meeting, which, in conjunction with the anniversary program, your officers set aside as a tribute to the departed, in the form of commemorative service night. The meeting was unusual, as it represented the first time in the Council's history that the memorial ritual was given. To those who attended, a finer feeling certainty resulted from taking part in paying tribute and respect to the departed members.

Henceforth, the commemorative services will be held annually in the month of All Souls, November. To District Deputy McKeown, our sincere thanks for his splendid talk. Grand Knight Cunningham, Deputy Grand Knight Tamburrino, Chancellor, Minich, Warden Wuintalli, Inside Guard O'Neill, Outside Guards Szafran and Kuczak, and Recorder Dunne gave evidence of their special study of the service. Lecturer Bill Kennelly, and Shirley Conley handled their part of the work capably. Father Fitzgerald our Chaplain, as always, was excellent. Barney Fornero as vocalist and Ray J. Hoyland at the piano contributed splendidly. Dick Condon furnished the palms.

We can say for the Council, to all that attended and to our official staff, and guests, Well Done, and another milestone on the path of progress.

"DAD'S"

A "Dad's" has been formed with John P. (Crow) Goggin as chairman. In case you don't get the meaning of (Crow) it is an old nickname or distinguishing mark from another John Goggin. And, if you are curious as to the meaning of the caption and the reason for the organization of the committee, you can get in touch with John Goggin, and he will give you the "low down."

Do you know the meaning of the Latin inscriptions over the fireplaces on the second floor. The answer will be given in the next issue.

MEMBERSHIP BRIEFS—By this time everyone has received a letter on our membership drive and we earnestly hope you are keeping this matter in mind. As a suggestion, how about giving your boy, should he be eighteen years or older, a Xmas present by paying his initiation fee into the Council? The committee intends to make use of this column by offering suggestions from time to time in order to help our members in their efforts.

Brother Tom Geegan has already started the ball rolling by turning in two applications, and John Tamburrino, D.G.K., has turned in one, and Joe Crowley has brought in his brother-in-law as a member. This I would say was a pretty good start; how about some of the rest of us doing something?

NEWS FROM THE AIR

Brother James J. Conley, formerly of Conley and Groth, well known tailors, discountinued business some time ago. However he is still in the clothing business at his old stand with Ed. V. Price & Co., 327 W. Van Buren St. Jim is in charge of city sales and will be very happy to see any of his old friends from Barry, and incidentally, some new ones too.

Michael Cunningham after eleven years in business in the Insurance Exchange Building, has moved his offices to Room 1605, 120 S. La Salle St. He is, however, still doing business with the same high grade companies as in the past viz., The Aetna Life, and affiliated companies of Hartford, Connecticut.

Recorder Joe Dunne wishes every member of Barry Council would use the Xmas Cheer envelope, in the proper way. Remember the orphans and the aged at Xmas time by your donation to the Knights of Columbus, Xmas Cheer Fund.

BARRY BOWLING LEAGUE

You know the bowling league is sponsoring special parties every Wednesday night at the clubhouse, the proceeds of which are to be used for the coming K. of C. bowling tournament in Cleveland, Ohio. The committee in charge is anxious to have the largest delegation ever sent by Barry Council to this bowling tournament. The way the bowlers are supporting this project is very disappointing to the committee and does not show the real Barry spirit. Why not get your friends together and come down to these parties; we can assure you a very good time. As our good friend Andrew Thomas Greeley used to say to his champion Barry softball team "Heads Up." Let's see you at the socials.

Since last week was turkey week the boys had an off night, but we are showing the standing of the teams after ni weeks of bowling.

AUBURN PARK HAS FINE COMMUNION TURNOUT

& 4 Thurs. . . . 7740 S. Emerald

For the first time in the history of Auburn Park Council it was decided to have a semi-annual Communion where the brothers might approach the Holy Table during the month of November for the repose of the souls of the departed members. There was a large attendance in spite of the first snow fall of the year and the sudden drop in temperature. The members assembled at 79th and Sangamon streets at St. Leo's chapel to attend the eight-thirty o'clock Mass sung by our beloved and energetic Chaplain, Rev. William L. Devereaux. In his remarks from the altar he congratulated the members for their splendid showing. After Mass, the members marched to the basement of the High School to partake of a wonderful repast served by the ladies. Those who assisted in serving the breakfast were Mrs. Harry J. Cox, Mrs. Geo. Wrocklage, Mrs. James McLellan and Mrs. John W. Corcoran, and we are very grateful to the good ladies for the fine assistance they render each year in making these Communion breakfasts a success.

A number of old-time officers were on hand for the occasion: Past Grand Knights John Rush, Michael A. Dwyer, Michael McDermott, John F. Shanahan, John H. Clausen, John W. Corcoran and our present lecturer and Past Grand Knight Richard J. Knight. Each of the above past officers were called upon to take a bow, and we regret that it was impossible to have our chaplain at the breakfast, inasmuch as he had to say another mass.

We understanud that the reason P.G.K. Brother John J. Lyons was not present was that he has been home sick for the past ten days. Hope John is well on the road to recovery and is soon able to resume his duties in the Mutual National Bank.

IN MEMORIAM

The Grand Knight announced after the breakfast that the mother of Brother Joseph Coggins and Rev. Leo Coggins had passed away, and asked the members to remain and attend the wake in a body at her late residence at 61st and Morgan streets. We had a very representative showing at this wake and we extend to Brother and Father Coggins our deepest sympathy. May her soul rest in peace. Also had a late report that the grandmother of Brother James Casey, Mrs. Hussey, was laid to rest a week ago last Monday, and the members not having received a report were unable to attend the wake, although at this late date we extend our deepest sympathy to Brother Casey and the bereaved members of his family.

NOTES

Brother James Casey has returned to civil life after having served four months and a half in the army at Camp Roberts in California. His release was due to the age limit. Bud says that army life isn't bad at all, but he is glad to be back in Auburn Park again. Looks like Auburn Park is going to grade Uncle Sam soldiers. Brother Casey returns home and his pal and Brother Knight Jack Trahey expects to join the armed forces very soon.

I have not received a detailed report from the Secretary of the Bowling League, Brother Tom Cole, for the past several weeks, but understand the winners of the turkey shoot which was held by the Bowling League just prior to Thanksgiving were none other than Brother Tom "Dowie" Burke, Brother Tom Patterson and last but not least our own Grand Knight Harry J. Cox. Father Smith, please take note of these winners. You will recall what you said about Harry Cox as a bowler. Looks like he is pretty good when the chips are down.

Don't forget tonight (Friday) is the night of the Fourth Degree Party to be held in Brother Dick Knight's basement at 7636 Emerald Ave. The price of admission is $1.00 and that takes in the entire evening's festivities. The proceeds of this affair are to go into the Fourth Degree Club treasury to promote activities on the day of the Fourth Degree at the Palmer House, March 1st.

In order to aid financially in the annual Children's Christmas Party it was decided to have a card party on December 4 at the Auburn Park Masonic Hall, 7832 Union Ave., at 50c per copy. Bro. Neil Houtsma is in charge of the affair and you will receive tickets in the mail. You will be doing noble work in assisting in this affair to make the Christmas Party the success it has been for many years. Let's have a large turn-out.

Attend Loyola-Hyde Park Council's "Fiesta Night," Saturday, Dec. 6, at 6308 Woodlawn Ave.

Newman Will Hold Dancing Party at St. Mary's Sat.

1-3 Thurs.....St. Mary's Hall, Evanston

"It's later than you think," is what the folks in the newspapers are saying, and with a glance at the calendar we can step right in line and issue the same warning, for tomorrow (Saturday) Nov. 29, Newman members and their ladies will gather at St. Mary's Hall to enjoy one of the year's most entertaining programs.

Chairman Greg Konald and his committee have put together what promises to be a really "smart" dance and party program. Henry Gendron and his orchestra will set the musical pace and furnish the tuneful background for the presentation of several fine acts of entertainment—acts that, by the way, were procured from the floor shows of several loop hotels and will include the Joel Armstrong dance team and Bob Ridge, tenor from Wayne King's orchestra.

Card games will be offered from 8 o'clock, dancing from 9 and the first number of the floor show will get under way at 10. Refreshments will be served at 11. Admissin tickets, entitling the member and his guest to attendance, are now in the mail.

DEGREES NEXT THURSDAY

A second important function this week will be the degree exemplification of Thursday, Dec. 4, our next regular meeting night. A large class of candidates is expected from our council and every sponsor is urged to personally escort his prospect to the degrees and to act as host for the evening's program. Gifts for attendance as well as refreshments will be available.

Since Newman is host to all councils of North Division One for these degrees, a particularly impressive program is planned. All council members are asked to attend a special meeting to convene at 7:50 Thursday evening preceding the degree work which will get under way promptly at 8:30. Candidates and their sponsors should be on hand in advance of 8:30 so that all details may be arranged in time to allow the exemplification to start on schedule.

BOWLING

Last bowling night, while the Hebsons were indulging in their usual refreshments, in walks Bro. T. Zicco of Smiths with six glasses of milk. Result of the game will be found below.

Well, brothers, I think I will sign off now, but before I do that I want to thank Bro. George Hebson for his fine cooperation in handling the bowling notes. Next month your scribe will be Bro. Ed Fitzgerald. I know he will do a better job than I've done, so often may your telephone ring, Ed.

Feehan Sees Success for Annual Party in Efforts of Chairmen

2-4 Tues. . . . . Hamlin and Madison

When this appears in print, the big annual party will be all over and undoubtedly chalked up as another Feehan success. Without any foreknowledge of the final box score, we want to congratulate the Party Chairman, Harold Crotty, and his assistants, Program Chairman Bill Collins and Ticket Chairman Ken McSteen, on the excellent job they accomplished. Anything other than a smash success would be an insult to their efforts.

LAST MEETING: Before a goodly crowd of members and guests, Lecturer Earl Grondy paraded his All-American Night. The sport film, "The All-American Way," was highly enjoyed by the crowd, as was also an educational short which showed in detail the making of a modern newspaper—from tree to newsstand. G. K. Jimmy Collins welcomed the guests and prospective members, and Lecturer Earl Grondy promised many interesting meetings for the immediate future. The usual refreshments were enjoyed and another nice meeting became history.

TODAY'S MORAL

Habits are very easily formed but are very frequently difficult to break. We were reminded of this only yesterday when we learned of the incident of the over-ambitious auditor. This fine, albeit not too bright lad (a member of Feehan Council, by the by) does a bit of traveling for his firm, getting out of town for a two or three day stretch every now and then.

Arriving in Podunk, or Peoria, or Champaign, he visits his firm's clients, copies the necessary data, and moves on to the next stop. This all becomes a very routine matter and if one is soft enough in the head he can waltz right through his schedule with his mind several miles away. So you can see for yourself that it was no trick at all for Fogarty to barge into a certain place of business, stick his nose into the outfit's books, copy some important data and take his departure, only to learn on returning home that his firm no longer handled that particular account.

Word has been received of the illness of Bro. Frank J. Bent and of his return to Garfield Park Hospital. Feehan hopes for Bro. Bent's early recovery and rapid return to health.

Noted the presence of Feehan's newest bridegroom, Bro. Joe Tunney, at the meeting. A good start; hope Joe can get away every meeting night.

GREETINGS to Bros. J. L. McDonald, Edw. F. Condon, Jr., Wm. T. O'Meara, John A. Swierkowski, Peter Cantalupo and Simon Mravec, who celebrate birthdays this week.

CONDOLENCES

After several months of severe illness, and just when improvement appeared to be setting in, death came last Thursday to Mrs. Ann Edler, wife of Financial Secretary Howard Edler. Unfortunately, we were not privileged to know her well, but her intimate friends, and they were legion, referred continuously to Ann Edler's cheerfulness and constant good spirits. Despite her intense suffering, we learn that she maintained this same pleasant demeanor until the very last, and certain it is that her presence in the next world will radiate the same aura that so brightened her corner in life. To Bro. Howard, whose burden has been so great for so long, and to little Howard, Feehan Council proffers its warmest sympathy and its deepest grief, secure in the consolation that she has found peace. May God rest her soul.

To Bro. Robert Mullins, who so recently lost his mother, Feehan Council extends its sincere sympathy once more in the death of his dad. Mr. Mullins, who was also the father-in-law of Bro. Harry Barrett, died on Wednesday, Nov. 12. Many members gathered in a body to pay their respects to the surviving members of the family.

Chicago Heights Will Strive for Complete Enrollment of Donors

2-4 Mon. . . . . 1537 Otto Blvd.

Our D.G.K. Walter McMurray is asking for more action in our Blood Donors' drive. You know what this is all about, so I will not go into detail. We never know when the occasion will arise when some one near and dear to us will be in need of a transfusion and we want to have as many brothers available as possible to meet the emergency. Why not see Dr. Armbruster and be typed so Bro. McMurray can add your name to the ever growing list?

Did you recognize the old timers in last week's issue of the "Town Crier"? The two brothers wearing the iron hats, standing alongside of old St. Agnes Church? That's right, Otto Shander and the departed Tom Whalen. This picture is really one for the books.

Another old timer, Joe "Banana" Pusteri, paid yours truly a visit on Sunday last. Joe wanted to know if any one found out about the lock. I couldn't tell him the truth.

Bachman, Hrdina & Co. attended N. D.-S. C. football game last Saturday. They came home well satisfied and hardly able to talk above a whisper. There must be a streak of Irish somewhere.

This will be one time when my secretary (wife) and buddy Charlie "Luggen" Murphy won't be able to add anything to my notes as they did last week. I didn't intend to tell anything on Murphy but if that N. D.-N. U. game lasted much longer he would be calling on the donors for help. Yes, it was that bad.

Ketteler's Open Meeting Attracts Large Attendance

2-4 Mon. . . . . 3437 Ogden Ave.

At the open meeting of November 24 a large gathering of brothers and their guests gathered to enjoy a very pleasant evening. Our worthy Lecturer, Thomas Bogan turned the gavel over to Jimmy Thompson of radio and vaudeville fame. Jimmy turned in a magnificent job as m. c. for the evening. Three of the Chicago Bears football team, Messrs. Fred Gillies, advisory coach, George Wilson, end, and Bill Osmanski, fullback, were presented and gave brief talks, then answered questions.

For some unknown reason or other none of the audience volunteered to serve for an actual demonstration of the way of doing things. Mr. Andy Pilney, formerly All-American of Notre Dame and now coach of St. Mel explained the problems of coaching high school football. Then Rube Appleberry of radio fame gave a demonstration of pitching as it should not be done. The Ink Spots rendered an old time vaudeville act. All in all it was a very enjoyable evening with entertainment of the lighter sort. G.K. Edward Oakes and Lecturer Tom Bogan are to be complimented on the selection of personnel for the program.

Our State Deputy, Leo M. Flynn, presented the only serious phase of the meeting in a well presented hitsory of the Knights of Columbus and the problems facing Catholic men today. It was a talk that certainly made the many nonmembers do some serious thinking and some of the members too.

Once again we were honored by having Rev. Regis McCoy, O.S.B., present. Father McCoy manages to attend the meetings quite regularly in spite of the very arduous tasks that befall him. We take this opportunity to congratulate Father McCoy on his appointment as chaplain of the Ketteler L G A club.

KETTELER ITEMS

Brother Frank Boehler announces that Brother and Mrs. John Odrowski were the eighty thousandth visitorse to the Mount Vernon home which is soon to have a new owner. Brother and Mrs. Odrowski received awards for their timely entrance.

On November 28 our worthy Treasurer, Francis Wollenberg, and Mrs. Wollenberg will celebrate their thirteenth wedding anniversary. We offer our congratulations for many more.

Brother Ray Schaber is still trying to do things by "halves" for the Christmas Cheer. Next time you see Ray, give it a thought. This is really an opportunity to play Santa Claus for some youngster who otherwise would have a very dreary Christmas.

Our Mayslake Retreat Chairman, Frank Boehler, announces that a retreat will be given December 19 in the Polish language. This is quite a fitting preparation for a Christian Christmas for brothers and their friends of Polish extraction, as all the exercises will be conducted in Polish. If anyone wants to make this retreat and is bothered by problems of transportation, Frank has offered his services to provide it.

Mail addressed to the following brothers has been returned to the Recorder because of erroneous addresses: Rev. Harold H. Sieger, 1613 S. 49th Ave., Cicero; Messrs. Paul P. Parchem, 4251 Irving Park Rd.; Victor T. Malecki, 1532 W. Superior St.; Dominick E. Jenicek, 3520 S. Kedvale Ave.; Lawrence J. Sieger, 1613 S. 49th Ct., Cicero; Joseph A. Kucharski, 4449 S. Francisco; and John J. McNulty, 1300 W. 68th St. Will anyone knowing the correct addresses of these brothers please communicate with our worthy recorder, Joseph Sargent, 1001 Mason ave.?

Santa Maria Chalks Up Another Success with Holiday Party

2-4 Thurs. . . . . 9020 Commercial Ave.

Now that the Thanksgiving Party recently sponsored by Santa Maria Council has come and gone and can be listed among the grand successes offered by our council for the entertainment of its members and friends, there will be a short lull until the next attraction can be made ready. This will probably be some sort of Christmas Party.

In the meantime, don't forget about the council's bowling league which goes on each Tuesday at the Cheltenham Bowling Alleys, be the weather fair or foul (no pun intended). All of the seven teams are right up there in the running with only a small margin of wins and losses between the first and last.

While registrations for permanent places on the teams are closed, replacements are constantly needed and hardly a Tuesday goes by without some newcomers being taken into the ranks. The league rolls promptly at nine. Watch the Daily Calumet for team standings.

THANKSGIVING PARTY

Over five hundred members and guests crowded into the lower hall of the South Chicago Masonic Temple for Santa Maria's Thanksgiving Party. Some idea of the extent of the gathering may be gained when you realize over ninety gifts and twenty-five turkeys were awarded to members and guests. Committeeman P. G. K. Al Schott did himself right proud by selecting those handsome refrigerator jars filled with assorted fruits.

As always, G. K. Joe Komar, Jim Malloy, P. G. K. Jim Brown, P. G. K. Michael McParland, John Crowe, Joe Burke, John Cullen, Joe Gerlich, William Jakse, Dan Doherty, Tom Manning, Bill Henry and Mike Fagan were right there and all over the place seeing that everything was in order and all the crowd having a good time.

A special word of praise goes to Miss Agnes Dorigan, Mrs. Laura Brown, Mrs. John Crowe and Mrs. Jim Malloy for their efficient handling of the refreshments. The crowd made short work of the gallons of coffee and piles of sandwiches these ladies made, which is proof of their excellence. We are sure everyone went away well pleased with the good time they had and the financial situation was gratifying.

A side-line on the party: Everyone was having such a good time, one guest departed leaving behind him or her his Saturday shopping. The loser can have same by calling Fin. Sec. John Crowe at his home. Bro. Crowe found the bundle and has it awaiting its claimant.

NOTES

Bro. John P. Mortimer is seriously ill at the Little Company of Mary Hospital. No visitors are allowed. Please pray for his speedy recovery. A list of the people at the Notre Dame-Southern California game reads like the roster of Santa Maria members. Just about everyone from Bro. Joe Higgins to Bro. John Nash was present.

Christmas Cheer will soon be here (poem). See Trustee Joe Gerlich, who has charge of the collecting.

Fin. Sec. Crowe says "dues give him the blues" (another poem). In all seriousness, Bro. Crowe advises all to catch up, as he would like to balance his books for the soon-to-be-ended year.

HOLD THAT LINE

As a Knight of Columbus you have helped to build a powerful defense for our Faith and your family. In every play, each member must hold his place against all attacks. That line must never break.

Families are easily defended from privation or poverty through our thrifty and safe protection plan. If you are insurable, use this helpful plan to the limit. And protect your own investment by paying all insurance assessments promptly.

Your wing of the defense line is held by your Council, led by your Grand Knight and officers. They must rely on you for unflinching support in running programs of benefit and protection for members, their families, communities and Faith. Here a strong attack is a telling defense.

These officers need your cooperation in prompt payment of all Council dues and bills. This is also a vital part of the defense plan. So, play your position well—Cover your man—Hold that line!

Meeting next Thursday Nite. Bring a new member!

Garcia Moreno Recalls Strength and Purposes of Founding Fathers

2-4 Tues. . 155th St. & Lexington Ave.

Garcia Moreno Council was instituted Oct. 6, 1912. The leader in the organizing group was Rev. George T. McCarthy, who was Pastor of Ascension Parish at that time.

When our council was organized bigotry was rife in the neighborhood, and had reached such a pitch that Catholic workmen were frequently discharged because of their religion. Through the influence of the Council and efforts of the zealous priests this feeling has almost entirely disappeared, and during the World War, especially, all citizens worked in harmony.

We of the Council today should thank our former pastor and his men whose courage and tenacity saw the need of a Catholic Lay Organization in our city. With firm convictions and strong hearts these few men had the courage to withstand the storms from without and fought valiantly, to make our Council what they thought it should be. Advancement was made little by little, until our little group grew to over three hundred members by 1941. Needless to say, we are proud of our advancement, but we're not satisfied that we have reached our goal.

An active membership campaign must be instituted to reach every Catholic man within our scope. If we all join in an active membership campaign, our efforts will be rewarded with new life and blood for our Council, which all Councils must have to progress. It is not to be understood that we are satisfied, and are just coasting. It is our purpose to continue every effort to increase our membership, and to further advance the interest of those who constitute our membership.

Let us all reflect a moment back to that memorial of Oct. 6, 1912, when this Council came to life with a membership of 61. The officers elected at that time were G.K. Wm. E. Powers, now deceased; D.G.K. Howard Schultz, deceased; Chancellor James Munro; Recorder Charles O. Whalen, deceased Financial Secretary Henry Hilgendorf Treasurer William Horan, deceased Chaplain Rev. George T. McCarthy Only two men of the above officers are still active members, namely, P.G.K James Munro and the Honorable D.D Henry Hilgendorf, whose names add lustre to the Kights of Columbus. Let all of us add a prayer for our deceased officers and members, and renew the spirit of 1912; they so honorably demonstrated.

Be proud of your Council, your city and the Catholic men who make up the various parishes in our midst, and be proud that you can ask your Catholic friends to join an organization that had to figfht to live, but enjoys the confidence of all today. The Order's membership campaign is now in progress in all Councils. That's a part of the Order, Catholic Action program. So let's all, chaplains, officers and members unite in this part of the program, that our Council will grow and prosper. Ask your Catholic friend to join today. He will thank you many times, as I have silently thanked the man who visited my home many years ago. A stranger to me, I'll never forget his visit and his friendship over these long period of years. That brother who visited the scribe was D.D. Henry Hilgendorf.

BIT O' NEWS

Friday, Nov. 28, Louis Beaupre and wife will celebrate another wedding anniversary. Best wishes to a happy pair. Earl Roache of our Council as a member of the blood donor group was called to St. Francis hospital to give his blood to save the life of one of our city firemen. The stricken fireman showed improvement, and no transfusion was needed. The charity call of Brother Roache to give his blood is charity in its finest form. All members can join the blood donor group by contacting D.G.K. Joseph Dehnert.

A letter from Private First Class Jack White from Manila, Philippines. He sends his regards to all. Also a card to Clyde White from Private Erwin Lunn, Columbia, S. C. D.D. Henry Hilgendorf, Frank McComb, Charles Moran and Scribe visited Perez Council at Lockport, Ill.

The father of the Walenga boys of our Council is confined to the home of his son, Matt. We wish him a speedy recovery. G.K. John Mech, Louis Beaupre and Scribe visited Simon Ryan and Ed Sedlack at Ingalls hospital. Bro. Ryan is coming along fine and should be home soon. Bro. Sedlack we are sorry to report told us that he will have a limb amputated. Not very cheerful news. Brother James Gribbens is confined to his home at 6959 East End ave., Chicago, on account of illness. Keep our sick in mind, and when possible visit them. Cheerio.

ST. PAT'S HAS RECORD ATTENDANCE AT MEET

1-3 Tues.....6 N. Hamlin Ave.

On our last regular meeting Tuesday, Nov. 18, St. Pat's was host to the largest crowd on a turkey night in recent years. Those upon whom the Goddess of Luck smiled were: Roy De Frank, Dave De Frank, Sam Pellicane, Joe Marinello, DGK Wm. J. O'Connell, Jimmy Orlando, Anthony Pallato, Ed Sheehan, John (Lucky) Stawpert, who waltzed home with a bird under each arm, as also did Past Fin. Secy. Geo. Altier, Mike Fiorito, PGK Frank Kevil, Fred Capaletti, Jim Ragona, Jack McAuliffe, Geo. Burns, Jim Crowley, John Schmidt, Walter Carbonel, W. J. Welch, Vincent Lynn and Fred Fitz.

It was a lively and animated meeting with plenty of good-natured ribbing and conviviality.

Another big event of the evening was the typing of volunteers for the blood donors' group. Twenty-one members marched up to Miss Helen Jackemice, technician from Loretto Hospital, and were typed.

New members of the group are: James Moffett, Fred Cappaletti, Mike Conroy, Jim Crowley, A. De Stephano, Herman Helmanson, J. Walsh, Joe Marinello, Bernard Vinci, John Keating, Walter Carbonel, E. Fior, John Stawpert, Andy Corrigan, Eugene Petramalo, Dave De Frank, another Dave De Frank (his cousin), Ludwig Bergant, Thos. Milfred, Roy Larson and FS Jack McAuliffe, who was retyped. This brings St. Pat's well over the century mark, at which we have been aiming for a long time.

The council extended a vote of thanks to Miss Jackemice for her time and effort and also to Sister Mary Stephen of Loretto Hospital, who donated the serum.

Don't forget that on the evening of Dec. 10, at the V.F.W. Hall, 47th and Madison St., St. Pat's fourth degree club will hold open house and ladies' night. All fourths and their ladies and all thirds who are eligible to join the fourth, with their wives are cordially invited. There will be dancing, entertainment and refreshments.

JOHN BURKE reports that the softball banquet was an outstanding social and financial success. Bro. Burke thanked St. Pat's and all other councils for their cooperation.

GK TOM CREGAN appointed Roy De Frank chairman of the service men's committee, whose work will be supplying members of our council in the service with reading matter, stamps, stationery and other small items. When Roy announces his committee let's get behind them and give 100 per cent cooperation.

BOWLING

Our team in the majors is still being consistent, dropping two and picking one to Chicago Council, although with a little break in the last game it could have been ours.

In our own league we have two weeks to report. The night of Monday, Nov. 17, the results were:

Taglia's Pubs 1, Cahill Printers 2; Emergency Radios 2, Deir Morticians 1; Gentile Trimmers 2, Rex Paints 1; Fioreto Cartage 3, Freda Meats 0; Allegretti Grills 2, Damato Taps 1.

High game of the evening went to Joe Eisa of the Rex Paints with a 230. It was also turkey night at the alleys and the lucky five who got the birds were Frank Caprio, GK Tom Cregan, Mike Fiorito, Joe Eisa and Jim McAuliffe.

On Monday, Nov. 24, the results were: Allegretti Grills 2, Taglia's Pubs 1; Rex Paints 2, Frida Meats 1; Deir Morticians 2, Fioreto Cartage 1; Damato Taps 2, Emergency Radio 1; Gentile Trimmers 3, Cahill Printers 0.

The standings are:

COUNCIL NEWS

Frank Damato cheered too hard last week at Notre Dame game and is laid up with a sprained ankle. Mike Fiorito was hunting last week, bagging one rabbit and three squirrels.

John Salter was at last meeting, back in circulation after a six-month siege of illness. Some of the oldtimers were present, among them John Stawpert, Jim Crowley, Pat Kennedy.

Bro. Robert Holmes, now in the service in Alaska, wrote a very descriptive letter of his surroundings and duties and wishes to hear from the brothers. His address: Pvt. Robert Holmes, 36035142, Co. D, 4th Inf., 2d Platoon, Fort Richardson, Alaska.

LOYOLA-HYDE PARK Council invites all members of St. Pat's and their ladies to its fiesta, to be held Saturday, Dec. 6, at American Legion Hall, 6308 Woodlawn Ave. Admission 25 cents. Dancing, refreshments, floor show.

CONDOLENCES: St. Patrick's Council extends deepest sympathy to the family of our late Bro. Ed McGinty. Ed was a member of our Patsquad and four of his fellow brothers served as guard of honor—Bros. Arthur Maloney, PGK Al Thompson, Fred Fitz and Wm. Finn.

Ouilmette's Minstrel Show

One of the most elaborate council productions of the year was presented by Ouilmette Council on Nov. 9 and 10, when half a hundred knights and ladies sang their way through the rollicking lines of a superb Minstrel Show. The cast is pictured above after the Sunday evening performance that attracted more than 500 couples.

P. G. K. Bro. Ed. Cunningham wishes to extend his personal thanks and congratulations to all the brother members and their friends who helped to make our Minstrel Show such an outstanding success. The event was wonderful entertainment; it did fine things for the prestige of the council, gave us a great deal of welcome and wholesome publicity, and as to the financial results we refer you to our financial secretary whose beaming countenance is answer enough.

From present indications the show appears to be established as an annual event. Bro. Ed. Hanke reported at Monday's meeting that he had fifteen tickets guaranteed for next year's performance. That's what we would term long-range promotion!

Bro. Ed. Cunningham wishes to advise the members that the group pictures of the cast, taken after the performance Monday evening, are now available to anyone desiring them, at fifty cents per picture. If you would like to have one you had better order one immediately. Bro. Ed. Cunningham's phone number is Wilmette 4215. Confidentially, brothers, if you call Bro. Cunningham often enough you might be fortunate enough to hear that voice again—you know that cute little trick that did the "Voice of the Flag" number in the Minstrel Show. That would be Bro. Cunningham's daughter, Mariellan.

All members who have not already done so, are requested to return their tickets to Bro. Peter J. Steffens by next Monday night as the law requires that we pay an admission tax on each ticket.

COUNCIL NOTES

Bro. Lawrence Schaefer, chairman of the Brothers in Service Committee, has selected a very appropriate Christmas gift for the sons and brothers of members of the council now in the service of Uncle Sam and requests each member who has such a brother or son to send the name and address to Bro. Lawrence Schaefer so that the packages may be in the mail to reach the boys before Christmas.

The bowling race continues to be a nip and tuck affair with the pole and cellar positions changing weekly. Before it slips our mind, we feel that you should know that there were two birds up for high series and high game at last Thursday's bowling event, won by yours truly and Bro. Ed. Hoffaman, respectively.

For the benefit of you fellows who like to figure the percentages and for Bro. Matt Thalmann way down there in the West Indies, here's how you stand:

St. James Will Confer Honorary Degrees at December 8 Meeting

2-4 Mon. . . . . 64th and University

In recognition of their exemplary loyalty and distinguished service for over twenty-five years, six Brother Knights of our council will be recipients of the Honorary Degree of our Order on Dec. 8. The impressive ceremony will be conducted by the officers of our council and the following Brother Knights will receive the degree: Patrick Duffy, John Flavin, Edward T. Hamilton, John P. King, Joseph P. McGillivray and Michael J. McGuire.

The Honorary Degree Certificate, Membership Cards and Honorary Buttons will be presented and a picture will be taken of the class and the degree team. The degree team will be comprised of Grand Knight John McKean, DGK Thomas J. Groark, Chan. Dr. C. J. Strobel, and Warden Peter J. Wehle.

LAST MONDAY NIGHT there was a fine attendance and it was a good thing that the extra chairs were placed around. The lecturer, Peter Wehle, was consulting with the "Oh Gee" board about the size of the crowd. It sure looks like Ivory Soap's 99 44/100 per cent trade mark would apply to the membership which attended the turkey feast. There was plenty of bird for everyone. Trukeys were taken home by C. J. O'Neil, F. W. Prindeville, J. McGivern, Henry Woodmaster, H. Connelly, F. X. Strobel, G. Thornton, C. J. Phillips, John P. Greene, Mark Hanly, Wm. C. Deveny, Fred Zimmerman and Dr. C. J. Strobel. The officers were very pleased to be host to the visiting brothers and hope to see them in the chambers frequently.

AUDIT

The Auditors' Report compiled by Bro. James Riley, the Grand Knight and the Trustees was submitted to the officers and the committee chairmen recently and was read at the last meeting of the Council. All were pleased to learn that the Council was in a very good financial condition; however, mention was made of some Brother Knights who are in arrears with their dues, assessments and insurance payments. To these few may we request that you see the Financial Secretary NOW! Don't forget, Christmas is coming and you may not be able to spare the cash then.

D. G. K. Thos. Groark reports the death of Sir Knight Edward D. Connors, Past President of the Fourth Degree Club. Members of the club attended the wake and funeral. He had friends in all walks of life who showed their respect by attending his last rites. I would like to express the thanks of his Brother Knights to those railroad officials of the New York Central, Nickel Plate Road, Pennsylvania, Rock Island Lines, Illinois Central, Milwaukee Road and the others who attended the funeral. Let us not forget him in our prays.

The wife of Bro. Patrick Fahey is very ill and is confined in the hospital.

ALL SPONSORS and their candidates for the Third Degree are requested to be at Father Perez Council Clubhouse, 67th and May St., on Friday evening, Dec. 5, at 8 P. M. sharp.

NEW YEAR'S EVE JAMBOREE: Here it comes, brothers: Dec. 31, Hayes Hotel, $4.40 per couple, tax included. General Chairman D. G. K. Thomas Groark has obtained Joe Rosner's Orchestra to furnish the music for the evening.

BLABBERMOUTH: The letter received from "Nose Trouble" will be carried in the next issue of the Columbian; thanks, Brother Knight. Bro. and Mrs. Martin Fahey have returned from Florida. Bring that tan to the next meeting, Marty. The turkey supply man for the last meeting was none other than Jerry Laughlin. Christmas Cheer made its appearance and G. K. McKean appointed a committee to do the collecting of the two-bit pieces.

O'Connell Activity Is High as Dance Plans Become Main Interest

2-4 Tuesday.....1016 N. Dearborn St.

Since the last meeting, your dance committee has met to organize its plans for our coming festival to be held Feb. 7, 1942, at the Foresters Hall, 1016 N. Dearborn St. You noticed in last week's issue all the names of the committee chairmen and vice chairmen were published. The committee chairmen will, during the next few weeks, notify the members whom they have assigned to them. We sincerely hope that when you are called upon to assist in this great work, you will respond promptly.

Just around the corner lies one of the most beautiful seasons of the year, Christmas. During this season most every one is inspired with a feeling of charity, more so than at any other time of the year. This year most of us are in better financial condition than we have been for a long time, but while we are planning all the pleasant surprises for our loved ones, let us not forget those who do not have loved ones to care for them, I mean the orphaned, and the inmates of the old people's homes.

It is these people who most need an encouraging word during this season, or a small remembrance to let them know the world has not entirely forgotten them. For this reason I appeal to you to be most generous when you are asked to contribute to the Christmas Cheer Fund. Brother Henry Meier, chairman of this committee, will be on hand early before each meeting to take your contributions. To date the returns have been fairly good, but as yet we are a long way from meeting our quota.

The sick list has been decreasing from the number of notes I have received, I find that the only one on the sick list is Brother Paul Marciano whom we hope will be with us at the next meeting.

The long-legged bird has been hovering about the home of Brother Frank Viveritto. We all hope it's a future O'Connellite. Some time ago Brother Oscar Viveritto became the daddy of twins. Brother Frank is wondering if he's going to tie the record.

Has anyone seen the picture "Sergeant York? If not, see Brother John Spatafora. He'll tell you all about it. In order to appreciate this one you should have been up to the committee meeting. Between the telling of the story of Sergeant York and the heckling we all had a lot of fun and I do mean fun, all good naturedly of course.

Brother Edward Gauna, GK, who was unable to attend the meeting the night the committee met, did a swell job of directing via telephone. Which just goes to prove that even if he couldn't be at the meeting, his heart was there and his ideas presented many angles for the committee to thrash out. That's what we want, active cooperation.

St. Rita Is Busy Planning Success of Dec. 13 Dance

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Reservations for tables at the Home Association's "Mortgage Dance" to be held two weeks from tomorrow night in Flynn's Hall at 3236 W. 63rd St., began to pour in to Chairman Harold Hilbert this week. As we have told you before, large tables that will accommodate from ten to sixteen persons will be set up around the spacious dance floor. If you plan on bringing a large party to the affair, do not neglect to contact Harold and make arrangements so you and your friends will be able to sit together.

From talking to members throughout the week, we take it that the tickets to the dance are going like hot-cakes. If you have not sold yours as yet, you had better take them out of the drawer and get busy right away. Remember the dance is December 13—only fourteen days away. And don't forget the ad and patron list. Go out today and ask your friends and the butcher, the baker, the candlestick maker, or what have you, to sign up.

If you wish to secure more tickets, turn in ads or patrons, or make reservations, you may do so by contacting Harold at the Manor Radio Shoppe, 6322 S. Western Ave., Rep. 6350. Art Dunne and his orchestra will furnish music for the dance. Adequate parking space is available adjacent to the hall.

G. K. Ted Lee informs us that a dance meeting, open to all members, will be held at the clubhouse tonight (Friday). All who are able are urged to attend.

MEMORIAL MASS

Nearly 100 members of St. Rita Council, led by Chairman Howard Jeffers, attended our Memorial Mass at St. Rita Chapel, 63rd St. and Oakley Ave., Thanksgiving morning. Many of the brothers received Holy Communion. A council choir, composed of Bruno Frocassi, Dr. Kehl, and Ed Molengraft, assisted at the mass.

Thingumbobs

P. G. K. Doc Hoffman has been appointed chairman of the council's 1941 Christmas Cheer campaign. Have an open heart and purse when you hear from him in the next few weeks. . . . Joe Grish is the first member to pay his entire dues for the coming year. . . . Why not follow suit and join the Year in Advance club immediately. . . . Ridge Council will stage a first and second degree in their quarters at 8216 S. Halsted St., next Tuesday, Dec. 2. If you have any candidates please contact G. K. Lee. . . . Our council will sponsor a third degree at Perez clubhouse, next Friday, Dec. 5.

LETTERS

The weather on the West Coast isn't all its touted to be by the California Chamber of Commerce, according to Bro. Robert Duffy, now a member of Company B, 2nd platoon, 87th infantry training battalion, at Camp Roberts, California. Bob says:

"Everything is coming along pretty well. This camp is a fine place, except for the long distance to Frisco and Los Angeles and the fact that it is pretty rainy here most of the time."

Bob informs Bro. Bill Stoeller, chairman of our soldiers' committee that he hopes to be home for the Christmas holidays, and if so he will drop in and see the brothers. Bill also received a letter from Bro. Paul Orsinger, now a sergeant at Camp Callan, Calif., which we will relay to the members in next week's column.

De La Salle Plans Gay Card Party for Ladies, December 9

1-3 Tues. . . . . 1105 E. 47th St.

My dear knights, Nov. 18 is passed and gone, just a memory in the sands of time, and looking into the crystal globe, in the near future I see a good time in store for the ladies, for the knights voted to purchase $50 in gifts for your coming card party. Beautiful awards, plenty of refreshments and everything is free! So remember the time, date and place, Tuesday, December 9th, at the Council Hall, 8:30 p. m.

Now it's up to you ladies to see that the old boy friend does not give you the slip on that night. Tell him to dust off the old derby and crank up the bus, you are going places. The hall will be all decked out for a real party setting and there will be a Knight of Columbus to look after your every need.

THANKSGIVING MEETING

Bro. John MacDonald still has a couple of horseshoes in his pocket; he drew the first bird at the Thanksgiving meeting. Second honors went to Bro. Joe O'Brien, who also took over the Anchor in the absence of our worthy Grand Knight; he carried on with due decorum and distinction. Bro. Joe having served in the Navy is at home on the bridge. Our D. G. Knight has served with honors as an officer in every branch of our Council.

Our genial and most popular brother, guardian of the inner door, chef de delectable of refreshments, portable and affable—yes, you guessed right—Bro. Bill Bardon, drew a bird and working on his good nature the boys wanted him to cook it at the hall. The following are a few of the old-timers present at the last meeting: Bros. Francis E. Croarkin, Charles H. Roche, John D. Goss, Patrick F. Clarke, John A. Looby, Michael Troy, Dr. James S. Dunn, Alex A. MacDonald, Art Guthmann, James D. Marshall, Thomas C. McArdle, James H. Clarke, Sam F. Schenkalowski.

Bro. John Wideman is confined to his bed for a few days with a cold, and we hope to see him around soon again. A large body of the brothers attended Communion at St. Ambrose Church despite the bad weather and the following knights had breakfast in the Council Hall: Edmond J. Molyneux, D. D.; Emmet Markey, G. K.; James W. Crowe, P. G. K.; Chas. H. Roche, P. G. K.; Patrick F. Clarke, P. G. K.; Honorable John P. McGoorty, Dr. R. J. Walsh, Richard M. O'Brien, Michael Troy, Eugene C. Kenny, John G. Our Financial Secretary, Richard Zeller, notifies all council members that his address has been changed to 4527 Ellis Ave.

(Mr. Scribe, would you furnish us with your phone number so we might contact you in case of necessity? Thanks.—Ed.)

Quigley Donor Group Passes Goal of 300 to Lead All Councils

1-3 Tues. . . . . 1035 W. 31st St.

On Nov. 18, Quigley Council held a blood typing, and after the evening's activities had been consummated it was found that the high mark of 289 was left far behind and that a new mark, 308 active blood donor members, would prevail until a later date.

This new mark, of course, increases the council's lead over the entire order. Chairman Wm. Lenz once remarked his goal was 300, and now expects to definitely establish this group in the hearts of all spirit-minded Quigleyites as well as all charity-minded individuals.

The group to date has given 70 blood transfusions at a savings of many dollars. They have cooperated with the state chairman, Robert Du Mais, and many individuals, if the circumstances warranted it, to the best interests of human charity.

QUIGLEY CAME

Out in great crowds to attend the Nov. 22nd Fall Festival Dance. No greater crowd ever jammed the Quigley clubhouse. The dance was a huge social and financial success. Chairman Stanley Szczecinski, his committees, and every member of Quigley who lent his suport to this affair are to be congratulated.

The council is now preparing for the Dec. 21st Children's Christmas Party and the Dec. 31st New Year's Eve affair.

The children's Christmas party on Sunday, Dec. 21, is for the children of Quigley's members. There is no charge for this affair.

The New Year's Eve Party will cost $2.50 per person, and, of course, includes everything.

Brownson's Smoker Makes Mr. Santa's Visit a Certainty

2-4 Fri. . . . . 4754 N. Western

Because some of our members, with a large number of their friends, attended the smoker held last Tuesday evening, the kiddies are assured a fine Christmas party on Sunday, Dec. 28. From the standpoint of attendance as well as financially, last week's party was the best ever held. A large number of those present went home with turkeys, hams and bacons, and everyone had one swell time.

Fearing a shortage of toys and other gifts for the children, the Christmas party committee will send out next week to all our members a card to be filled and returned, showing the names and ages of the children who will attend the party. Cooperation of the members in returning these cards as soon as possible will be greatly appreciated by the committee.

DEGREES: All members who have proposed candidates for membership recently are urged to see that these candidates are present at Father O'Connor Council's meeting hall, 4660 N. Kedzie Ave., on Thursday evening, Dec. 4, at which time the honors of the first and second degrees will be conferred on all candidates of councils in the second district, north division. Members should show their interest in those they have sponsored for membership, by calling for them that evening and accompanying them to the degrees.

PICK-UPS

We have just heard of two more nimrods in our council. Bro. Joseph Hollerbach, the Undertaker, and Bro. Nick Buriegi, proprietor of the Best Furniture Co., spent their vacations recently in South Dakota, and both claim to have got their limit of pheasants. P. G. K. Frank Kohler and his cousin, Bro. Gene Wermerskirchen, have long been known in local hunters circles, although a number of the boys are still looking forward to a long promised pheasant or duck dinner. Former inside guard, Wm. Gannon and the Mrs., are now suburbanites, having moved to Elmhurst, Ill.

Bro. Joe Sinke will be one of the seventy contestants in the Chicago Tribune All-Star elimination bowling tournament to be held in the Coliseum, Dec. 7 to 14. We're all wishing Joe the best of luck. John Donlan, captain of our softball team, and Bros. John Adams, Stanley Karas, Frank Papke, Joe Sinke, John Paulus, Jim O'Byrne, Jim Skinner, Joe Good, George Gaffke and Bill Steinbach, attended the recent K. of C. Softball Banquet honoring this year's champions, St. Cyr. The boys all hope that next year they will be at the head table.

BOWLING

The bowlers all attended the smoker last Tuesday evening but the previous week saw plenty of excitement. Dr. Ewald's team that has enjoyed the lead for several weeks are now in a three way tie for first place. Doc's team lost three games to Bob Fortman's Rosewood boys and are now tied with them and the Norman McPhee's Undertakers, who took two games from the Doose Studio. The Alderman John J. Grealis team, minus the alderman himself, lost three more games this time to the Cullom Club. Better hurry back, John. Doug Pons' 255 game and 592 series made it easy for the Cullom gang. The Best Furniture Company team finally came to life and took all three games from Jimmy Skinner's Sporting goods team. Our major team in the west division has started to roll and are now out in front by two games. The north side team is finding the going a little tougher and are five games behind the leaders. Standings:

Ewald, D.D.S.	15	9	Doose Studio	12	12
McPhee	15	9	Best Furn. Co.	11	13

Illinois' Scribe Pays Deserving Tribute to His 'Brothers-in-Ink'

1-3 Mon. . . . . 64 E. Lake St.

Now a word for Columbian scribes. This scribe volunteers a word for the sixty-three other scribes. A group of hard workers on the whole, whose names seldom get into print and who are quite satisfied to grind out the best column they know how under what amounts to, in the average case, most difficult circumstances. It matters not how perfect the scribe's English may be; rather, do we look to the meat of his article.

Does he publish the news of his council? Does he have anything to say of interest to his own council and perhaps to the order as a whole? Does he express his ideas clearly and intelligently without being too much afraid of being caught offside? If he does, we believe he serves the purpose, intended for him. And so, brothers of all councils, hats off to the scribes of Cook county! May their avenues of information increase and their ability to describe what is happening improve.

PETER'S PENCE

Seldom, if ever, did the reigning Pontiff require so much assistance from the good old U.S.A. as he does at the present time. All of Europe as well as much of Asia and Africa are engulfed in fratricidal strife, so it is to be expected that the Holy Father will be strengthened in his great responsibility by a responsive appeal to his call for Peter's Pence. You still have time to contribute.

For those of our members who depend on this column for a picture of the international situation, it would appear that things are finally coming to a natural level. Herr Hitler, while not at bay, seems to be, at long last, face to face with what might very well be his day of reckoning. We should bear in mind that the Congress of the United States has gone on record many times that the ultimate aim of the people of the United States is the defeat of Hitlerism. On that score everyone says they are agreed.

At our last meeting we were glad to note the presence of Bro. George M. Boes. He continues to look as fit as a fiddle; also, Bro. John T. Vitullo, the well-known contractor. At the same time we have missed the occasional visits of Arthur J. Vezina. We can continue and say the same thing about Austin E. Torney, Ed Sinnott, Cyril W. Tierney, a young man raising a family; Leonard J. Slattery, who seems to be successful in staying away from matrimony; Thomas J. Rigney of the River Forest Rigneys, whom we doubt we would recognize (and isn't this doleful when we bow before some brother's bier?); John W. Reeve, who took on a spurt of attending for the past year and whom we trust will again resume such an excellent habit; Ferdinand J. Rappel, the well-known C.P.A., who also seems to be impervious to the wiles of the fair sex; our charter member, Tom Ryan of Oak Park, while as youthful looking as a boy, continues to be evasive from the standpoint of saying "good evening" to the brothers on the first and third Mondays in De Paul Hall.

Rene Morel, in the merchandising business in the Merchandise Mart—a business man, a sportsman and a very well met gentleman who has been hesitating too much. We know it isn't for lack of knowledge of the password. To Florian J. Monzel, the gentleman with the disarming smile, of 1903 Estes Ave., we feel like saying, "What ailest thou, Hagar?" We could say a word to Robert B. Bloom of South Euclid, Ohio, and Rev. Father P. Coupal, who travels a circle within a radius of 800 miles from Perryville, Missouri. Brother Michael R. Joyce of Gary, Indiana, comes in occasionally, and we are so glad to see him. Right Rev. Moses E. Kiley, our most distinguished member, Archbishop of Milwaukee, Wisconsin, of course, we can scarcely expect much personal attention from. Needless to say, our members are flattered at being able to count him as one of us. Then there is Raymond A. Krickl, former officer of the council until his business called him to Euclid, Ohio, where he lives at 20260 Miller Ave.

Also out of town is Walter M. Miller, Denver, Colorado, and Joseph G. Murphy of California, a charter member of the council, a retired business man. These latter are some of our out-of-town members whom we value highly and to whom we bid the best that the holiday season may find for them.

To our brothers in and out of Illinois, please remember that we, as members of the order, have many things in common and it is by banding together in unison that the greatest good may be accomplished.

Our next meeting is Dec. 1 at De Paul Hall.

Bowling to Stage Open Meeting in Member Drive

4 Tues. . . . . 3625 S. Hoyne Ave.

Tuesday evening, Dec. 9, will be designated as membership night at Bowling and our lecturer has turned this meeting over to our membership chairman, Tom Gallagher. The meeting will be an open one for your prospective candidates and we hope to pack the hall to capacity as the Council is going to great expense to entertain you and our prospects.

The chairman would appreciate if you will bring all your Catholic gentlemen friends regardless if they contemplate joining or not. They will not be bored by long talks as the plans are to have as little speechmaking as possible.

Our chairman is not satisfied with results to date and is discouraged by the efforts of our members and especially the officers as this next class is known in their class and they do not seem enthused. He asked that I make a special appeal to you members in our column to at least try to get an application. He is a little downhearted about the activity in the campaign and a few applications would encourage him.

The following is the record of sponsors since the drive started:

Pat Lenihan, 3; Tom Perry, 1; Tom Gallagher, 6; Dick Kelly, 2; John Cunningham, 1; Geo. Connelly Sr., 1; Geo. Connelly Jr., 1; Tom Connelly, 1; Harry Borden Sr., 4; John O'Rourke, 1; J. Horgan, 1; Steve Duggan, 1; Judge Harris, 2; making a total of 25. 12 of these candidates received their First and Second and 13 will take theirs on December 12.

A few of our officers have secured restatements which is just as good as new candidates. They are as follows: Justin Haley, 1; Chas. Gagnon, 3; John Kruve, 3; Tom Gallagher, 1. The above is just a start and if a few join in and help we can swell this amount.

DEGREES DECEMBER 12

Friday evening, Dec. 12, at Madonna Council, 4522 S. Wallace St., our candidates will take the First and Second degree in conjunction with candidates from other south side councils. We have 13 for this class and our grand Knight would appreciate the same response we received for our last degrees with members in attendance. It is a good incentive to a new member to be introduced and receive a good applause from his Council; it shows he is welcome and makes him feel right at home.

Sunday afternoon, Dec. 14, the major degree will be exemplified at Leo Clubhouse, 820 W. Garfield Blvd. The degree will start promptly at 2 p. m. and again we urge you to attend. We will have approximately 25 of our members doing this degree.

CUFF NOTES

Bro. Mart Kenny Jr. and Chester Krupyjwoda came in from camp to receive communion Sunday with our Council, they are both in the service. Our recorder received a very nice letter from Bro. Bert Bracken, a brother of our late medical examiner, Dr. Backen. The family were very well pleased with our action in their bereavement.

About 200 members attended our meeting and 15 took home free turkeys;

DICK KELLY, DOWLING K. OF C. IS ELECTED TO HEAD "GROUND HOG" CLUB

The officers and members of Daniel Dowling Council are happy to learn that Past Grand Knight Dick Kelly was unanimously elected to the office of president for the year 1942 by the Ground Hog Club of Chicago at their election held Tuesday, Nov. 18. He will be installed in office at their annual banquet Saturday, Feb. 7, 1942.

The Ground Hog Club is an organization of men employed in underground construction work by the city, state, Sanitary District, and the public utility companies. While comparatively young, having been organized only last year, the club already boasts a membership of approximately four hundred. It is nonsectical, its sole purpose being to promote good fellowship amongst men employed in underground work. The emblem of the club is a ground hog wearing a miner's helmet, and its annual banquet is held on the Saturday nearest to Ground Hog Day.

During the past year Dick has been chairman of Entertainment, and the splendid manner in which he handled his duties has won for him the friendship and esteem of every member of the club. Dowling Council is gratified to know that his associates have recognized his sterling qualities of leadership and predict a truly successful year for the club under his guidance. Dick has been engaged in construction work for the past 27 years as an engineer for the Sanitary District of Chicago.

they were as follows: John Howe, Hugh Feeley, Louis Filips, Con Ryan, Geo. Froelich, Geo. Connelly Sr., Tony Vidmont, Ed Blyth, Tom McGurn, Arthur Stahlke, Stephen Tanderic, Pat Dillon, Wm. Brosnan, Joe Cusack and P.S.D. John F. Bolton.

If you proposed a member be sure to have him at Madonna Dec. 12 and you will help your chairman.

Brother Geo. Spencer is taking applications for the Fourth degree and if you are interested get in touch with him or John Struve, as the time is getting short.

Mr. and Mrs. Uldric Gignac, the loving parents of Brother George Gignac, celebrated their 60th wedding anniversary with a Mass at St. Joseph and St. Anne church in Brighton Park. They hold the honor of being the first couple to celebrate the 60th anniversary in this parish. They have 7 children and 17 grandchildren and 8 great grandchildren.

Bro. Thos. Scanlon of 6224 S. Fairfield Ave., has been confined in the U. S. Marine hospital at 4141 Clarendon Ave., in Ward 3-B since the middle of February. He would appreciate a visit. He sends his best wishes to the members. Bro. Joe Nowak is in Hines hospital Ward C-308.

Bro. Jack Purtil, Gust Laga, Al Dalaege, Austin Haley and our G.K. Frank Barker are on the sick list. We pray for their speedy recovery and hope to see them up and around in the near future.

Mr. Sidney J. Keate, the loving father of Brother Art Keate and the brother-in-law of our lecturer and P.G.K. Earle Dunne passed away on Saturday, November 22, and was buried from his home at 2509 W. Pershing road on Tuesday.

Mr. Edward Cawley, the loving brother of Bro. Frank Cawley, was buried on last Saturday from Thos. Dunlap's chapel. We are again sorry the news of this death was not forwarded to our secretary as the Cawley brothers were very popular among our members and it is with regret that we did not turn out to pay our respects in a body. We extend our sincere sympathy and pray for the repose of their souls.

PIN TUMBLERS

We did not bowl last Thursday because of Thanksgiving Day but watch the scores after the layoff.

Our good friend, Father Fischer of St. Maurice parish, challenged our league to a tournament with his Holy Name Society League. The cost will be only $1.00 to bowl and no prizes but the proceeds will be used to purchase Christmas baskets for the poor of St. Maurice's parish. The meet will be held at the Peterson Bowling Alleys, 35th St. and Archer Ave. on Saturday night, December 6, at 9 p. m.

The National Tournament to be held some time in January at the C.Y.O. alleys will close entries on Dec. 6, and if you intend to bowl in this tournament advise John Hartnett or Harry Lorden Sr., as the date is drawing close.

St. Joseph's Will Be on Regular Schedule with Thursday's Meet

1-3 Thurs. . . 57th St. & Archer, Summit

There was no regular meeting last week owing to Thanksgiving falling on the 20th which day we hope you all enjoyed. The second November meeting as you were advised, was held on Thursday, Nov. 27, and we hope to have details for you next week.

On Nov. 18, G. K. Lloyd, your D. G. K., and Bros. Bannon and Flaherty took a trip to Lockport Council where Bro. Flaherty showed three very interesting travel pictures which were much enjoyed by all present.

A coincidence brought to light that evening was the fact that it was exactly twenty-four years previously that Bro. Steve Bannon took his Third Degree. Both Steve and his dad originated from Lockport and Jas. Bannon, Sr., remained a member of Lockport until the time of his death, while Steve transferred to our council.

Last Sunday, Nov. 23, the council attended the 7:30 Mass at St. Blase for Communion Sunday with a turnout of about 25 per cent of our active membership and afterwards were served breakfast in the Community Building. The breakfast especially honored our charter members of whom the following were present: Bros. E. A. Wilson, Michael Foran, Bern Kirk and Jos. Johnstone.

Lecturer Frank Foran did a nice job of preparing an adequate and appetizing breakfast which was a credit to his maiden efforts as lecturer. Bro. J. Flaherty assisted in preparing the meal, which was ably supervised by those two good friends of our council, Mrs. Lloyd and Mrs. Tinman. Our sincere thanks to these two ladies. Bros. Dick Lloyd, Frank Foran and the writer were the only three to stay behind after breakfast for that unwanted job of K. P.

Your combination D. G. K. and Scribe has noticed with interest that our members do read The Columbian. Since we missed two issues, we had many remarks made to us as to what was the matter. We did miss one week when there was absolutely no news and the week before last we had news which we mailed "Special Delivery" but did not reach the office in time.

However, we are glad to learn our efforts are missed when not published, although not much is said about the combined effort to accomplish a task on which we have practically no cooperation.

We hear Bro. Charles Busch, Sr., is down at his winter home in Florida and if he should see these notes we would be glad to have a card from him. There is a "drive" on to collect waste paper and if any of you have paper or board you do not want, put it to a good cause by calling me at Summit 177W. Our local scouts are collecting all they can and the proceeds received from sale are being put to equipment of a camp for our local boys out in Willow Springs District.

To bring the council schedule back to normal there will be a regular meeting next Thursday, Dec. 4. Why not plan to be there. Come up early and join in the Pinochle Tournament sponsored by Bro. Tomlonovich.

University to Hold Communion Sun. at St. Ignatius Church

2-4 Tuesday . . St. Ignatius Auditorium

Information Please: If you haven't already signified your intention of attending the semi-annual Communion Mass and breakfast this Sunday, pick up your phone and tell Chairman P.G.K. Bart Quigley. You can reach him at Randolph 6171 or at his home, Rogers Park 3559. Judging by past performances, our members are glad of the opportunity to attend the Holy Sacrifice in a body and a larger attendance is expected this Sunday than ever before.

Breakfast will be served by Harding's in the St. Ignatius School Gymnasium immediately after the Mass. If you can't make the Mass but can attend the breakfast, be sure to come. And don't forget to phone Bart so he will know the approximate number to expect.

NOTES AND NOTABLES

Seen at the Service Men's night was James J. Coughlin. Jim's duties at the Washburne Continuation Trade School keep him occupied on Tuesday nights ordinarily, but he had the night off because of the Armistice holiday.

Still another infrequent visitor was Thomas J. Dwyer of 6142 Hamilton Ave. who found our present quarters so much more convenient, appropriate and comfortable that he promised to become one of the Council regulars.

John J. Garrity, P.G.K., is the name of the Christmas Cheer-leader—in case you don't know to whom your contribution should be given. If you want Jack to come and get it phone him at Hollycourt, 7374 or Rogers Park 4476. He promises to make all collections as easy and painless as possible.

Bowling notes are still elusive. The tale told by one wife that friend husband didn't return from the Howard Bowl until 4 a. m. Saturday may point to the difficulty—though the husband in question was positively not our League Secretary.

Seen at the Fourth Degree Turkey night on Nov. 18—none of the University Fourths except your scribe (who went home turkeyless). Probably all the others decided they'd rather wait for University's own turkey celebration, to which we must now rush in the hope that our efforts to catch a bird will be more successful.

It is claimed that "Antidisestablishmentarianism" is the longest single word in the English language.

According to one of our health publications, one pat of butter contains enough energy for walking about one and one-third miles.

San Salvador Will Honor Chaplain at Party on Saturday

2-4 Mon. . . . . 24 East 114th Place

On next Saturday in St. Willibrord's Parish Hall, a party will be given in honor of Father Exler. The parishoners and their friends will pay tribute to our chaplain who admits he will then attain the half century mark. The committee in charge invites the members of our council to be in attendance at his party and your presence will be greatly appreciated. There will be different forms of amusement for your entertainment, including dancing and refreshments will also be served.

THE ETERNAL GIFT: For your edification and entertainment this wonderful picture portraying the Mass, will be shown in the school hall at St. Christina's Parish, 110th and Homan Ave., on Dec. 3. You have noticed the publication in various issues of the Columbian of this wonderful picture. Now you can see this picture at a convenient hour on Dec. 3, namely, at 1:30 p. m., 3:30 p. m., 7 p. m. and at 8:30 p. m.

The fee is a nominal one: Adults will be assessed only the small sum of 50c and children under 16 will be admitted for the small sum of 11c. You will also be helping Father Al Rebedeau in the wonderful work he is doing at St. Christina's Parish.

KIDDIES XMAS PARTY

Our lecturer has now started the wheels in motion for an elaborate party for the kiddies on Sunday, Dec. 21, at 2 p. m. As you no doubt know, the annual party is run in conjunction with the L. of I.'s who have always graciously consented to be a party and part of this annual affair. Santa Claus will again pay his annual visit to our clubrooms to help the children enjoy themselves.

Make your preparations early and tell the kiddies to have their stockings ready on the fireplace. The D. of I.'s already have some of the gifts in mind that will be given to the kiddies on that date. Let us also be prepared early, that the children will have a day long to be remembered.

NEWS FLASHES

Have any of you seen that new minion of the law patrolling the streets in Roseland? He has completed his preliminary training and now is ready to dispense justice in our vicinity. He was also seen directing traffic at Wabash and Lake Sts. More power to you, Lou, and a lot of success in your new position.

It is with a great deal of regret that we announce the death of Anton Pass, a local fireman. His wife is an ardent worker for our council, belonging to the local circle of the D. of I.'s and is always seen at our Xmas Party. Our sincere regrets to her in her hour of sorrow.

At our last meeting, some wonderful motion pictures were shown by our lecturer, Oscar Hines. Our apologies are in order for not having any notes in the column pertaining to the showing of the pictures, as we had no knowledge of what was transpiring.

Seen at the last meeting was that warden of a few years back, in the personage of Phil Thullen. He promised he would be up next Friday to see if he could get some of the boys to donate. Missed at the Friday evening socials are Joe Fitzgerald, Bob Caverlee and Walt Dreher. What's wrong, boys, no pass for Friday.

Don't forget Loyola-Hyde Park's annual Fiesta on Dec. 6th at the Legion clubrooms, 6308 S. Woodlawn Ave. Past Grand Knight and a group of the boys graced our council chambers at the meeting Monday.

Father Taillon's wrist is now on the mend after having been fractured a few weeks back. Don't forget the Xmas Party and also to make a pledge to attend your council meeting. Your Chaplain gave a splendid talk that was really appreciated by those in attendance. See you next week.

Tonti's Christmas Party Proceeds to Aid Chapter Fund

1-3 Thursday....4221 Irving Park Blvd.

Do you believe in Santa Claus? The Knights of Columbus do. Each year they bring joy and happiness to the many young and old confined in the various Catholic institutions in Cook County. To many this is their only glimpse of Santa Claus. The Chicago Chapter, the governing board of the Knights of Columbus of Cook County, undertakes this gigantic task through the medium of placing quotas on each Council.

D.D. Charles Ruszkowski, chairman of our Council's Christmas Cheer Committee, has arranged a party to raise Tonti's quota. Games will be played and cake and coffee will be served gratis. (These cakes, through the efforts of Charlie, will be baked by our own sweethearts.) Bear in mind that this party is not restricted to Tonti members alone, bring along your families, friends and neighbors. The more the merrier and greater the Christmas Cheer. The party will begin at 8:00 p. m., Thursday, Dec. 4. (There will be a short business meeting at 7:30 p. m.)

BARREL OF FUN

This idea, which originated in our Council, is spreading like wild fire throughout the city. Others have different names for it but the idea is the same. We don't limit ourselves to just smokes, but our Barrel of Fun accepts chewing gum, stamps, razor blades, shaving cream, stationery, and even cash contributions. The latter means placing your name on the Tonti Council Welfare Defense Service Social Club Honor Roll.

At the present writing, six of our brother members are in the service of our country and will be away from home on Christmas. P.G.K. John Olsta, chairman of our Welfare Committee, is going to send each of these boys a Christmas gift package from Tonti Council, and is depending on you and the Barrel of Fun to make these packages as appropriate as possible.

FORTONTI FISH FRY TONIGHT (FRIDAY)—The Fortonti Club initiates the invasion of their new meeting quarters tonight, Friday, Nov. 28, at Stella's Hall, Kostner and Belmont Aves. This will be an open meeting, to which Tonti members, their wives, and friends are invited. There will be a free fish fry, and refreshments will be dispensed at nominal cost.

A little bird told us that the Rev. L. Jasinski, chaplain of the Fortonti Club, and P.G.K. John Olsta, president of the Fortonti, went home each burdened with a big bird (turkey) from the La Salle Assembly last Tuesday.

MEMORIAL MASS

All members are expected to meet Sunday morning, Nov. 30, at 7:45 a. m., in the parish hall of St. Wenceslaus Church, Roscoe and Lawndale Ave., to attend the Council's Memorial Mass, which will be celebrated at 8:00 a. m. It would be a splendid gesture to also offer Holy Communion for our deceased brethren.

The officers and members of Tonti Council extend their deepest sympathy to Trustee Ed Deka on the passing of his dear mother. Led by G.K. Louis T. Buettner, the Council paid its respects last Friday evening. May her soul rest in peace.

MEMBERSHIP—Only two more meetings remain before the end of this year. What progress have you made with that prospective candidate? 19 is the goal, with 13 to go. Bro. Frank Ruzkowski, our hard-working financial secretary, is anxious to hear from those members who are in arrears in their dues and premiums. Even though you may be in arrears is no reason why you should remain away from the meetings. Show your interest in the Council and if it is possible the Council will make every effort to help you.

BOOST TONTI'S DANCE—Saturday, Jan. 17, 1942, the night of our big dance, may seem far away, but after the Christmas whirl, you will realize that it's only a couple weeks off. Tickets are now available and you are asked to spread the news and date to your friends as Lecturer Ray Ruzkowski and his committee promise a wonderful evening of entertainment at the Gross Park Ballroom, 2123 Roscoe St.

BOWLING

After 10 weeks of bowling, our house league shows a deadlock existing between the Lemanski Service Station and the Lambrecht Jewelers. The race is getting hotter as each bowler is beginning to hit his stride. Wanted, a 175 average bowler for the Spencer Coals. The League standings:

Soldier Enjoys Assembly Party

Private Peter Neff, right above, was greeted by State Deputy Leo M. Flynn at the La Salle Assembly Turkey Night, Nov. 18, and was introduced to the hundreds of Sir Knights who filled the Red Lacquer Room at the Palmer House to enjoy the Assembly program. Neff, a stranger to Chicago, found the Sir Knights knew just the right formula for taking a tired soldier's mind off his troubles.

Weber Pleased with Constant Success of All Council Affairs

1-3 Mon.....4758 S. Pulaski Rd.

There is no denying the fact that Weber Council is wide-awake. Up to date for this year we have had several affairs and they were all successful. The last of these was ladies' night. I have been to many social gatherings, but never to one so friendly and gay.

It was just like a big family get-together. The music was supplied by a group of young men led by the talented son of our GK, Jos. Nowakowski. Proof that the music was good is that the floor was constantly filled with dancers.

There's only one thing that puzzles me and that is how does Bro. Stanley Fortuna manage to skip in between the dancers all the way across the hall with refreshments in each hand and safely deliver same to ladies on the other side. Wotta man, but wotta mess if he should trip!

I wonder if anyone else noticed how cute Jimmy Kanak looked in his wife's new hat.

During the festivities the GK called upon the president of the fourth degree club, Jos. Zapotoczny, to deliver a short message. After a harumpff and guffaw, Bro. Joe in a loud voice said (quote): "I got some tickets for Weber Fours' dance" (unquote). Very well done, Bro. Joe.

The feature attraction of the evening was the distribution of turkeys. Following are the winners: Bro. Jos. Kiedroski, Mrs. John Mazer, Olga Mamowicz, Mrs. Jos. Nowakowski, Helen Zdziarski, Walter Lesniak, Mrs. Joseph Mazer, Mrs. J. Kanak, Mrs. Vince Lelewicz, Mrs. S. Fortuna and Mrs. J. Czapelski.

HERE 'N' THERE

Bro. Chester Nowaczyk is now the proud owner of a grocery store on the corner of 47th St. and Komensky Ave. Wishing you a lot of success.

A word to Casey Chromik informing him that he will hereafter receive his Columbian.

Bro. Matt Pozeski, just out of the Illinois Research Hospital, looks like a new man, and I sincerely hope that he feels the same.

If ever PGK Stanley Jaworski calls you aside for a heart-to-heart and man-to-man talk, be on guard, for he's ready to get you. I had one of those talks last Monday night, and Bro. Joe Zapotoczny, who is in cahoots with Bro. Stanley, shoved two tickets into my hand, and I paid him before realizing what they were up to.

Bro. John Trzos claims that he must have been feeling pretty good if Doc Dzlubski, the lecturer, could get him to sell tickets. Bro. John did a good job at that.

I received word from Bro. Anton Kraft that Webers annual dance will take place on January 31, at the Court Ballroom. Tickets will be 55c per and the music will be furnished by George Foster and his orchestra. Bro. Kraft also asks for a little help in getting ads for the program in by the first meeting in December. Give your full support to this dance.

A last reminder that Arch. Weber will honor our P.G.K. Julius Martynowicz at this coming meeting. How about being present at Julius Martynowicz Night.

Guest of honor at the Communio breakfast will be our State Deput Leo M. Flynn, who as one of the mo forceful and inspiring leaders the Ord has known in a decade, will deliver h personal greetings to the membersh of Oak Park Council.

The visit of so high an official the Order is an honor which Oak Par Council has not enjoyed in sever years; this, with the fact that Sta Deputy Flynn is generally acknow edged to be an entertaining and dy namic speaker, should fill the hall capacity. A very small indication the State Deputy's interest in th council is the fact that he will journe from the extreme South Side to with the members Sunday mornin This courtesy certainly deserves less a token of appreciation than capacity attendance to greet him.

BUSINESS ITEMS

First item of unfinished business the last meeting was the acknowled ment of the best ticket salesman our recent party. Honors, after G. Joe Cagney, who sold 30 tickets r fused to be considered in the matte were tied by Fred Bonk, Earl Kelle John Weibler, Thomas Stiel, M Frigon and Joe Kamin. Of these, Ea Kelley came up with first honors a took the award of one bottle of Bo and Lillard. Bonded, too. Anoth identical prize was earned by Jac Tighe in the "Information Pleas quiz contest that constituted our e tertainment program and kept all th lads on their toes for more than thre quarters of an hour. Pumpkin pie a coffee were served after the meetin

We learn with some pride that Pa Fitzgerald, son of our late Record and brother of Mark Fitzgerald, h successfully passed the bar examin tions and has been admitted to pra tice in Illinois.

A news item of interest to many the members was nearly missed wh we neglected to report the wedding Mary Catherine Duffy, daughter John J. Duffy of Oak Park Council, Resurrection Church, where she becam Mrs. Koenig. Our heartiest congrat lations.

Oak Park may be a slow town b things happen fast just the same. Mo day night with eyes agleam Lee O'Do nell grabbed your Scribe and happi shouted, "It's a boy!" Then on Tue day our rising young barrister, Jo Moran, with the same gleam but a di ferent pitch, came over and announc a young lady had been added to th family. Congratulations to the pa ents and youngsters.

Oak Park grandpas are still in th running, too! Bro. Vauthier informe us that his daughter and her husban Mr. and Mrs. Robert Ryan, became th parents of a son, Robert Dennis, October 3rd. We'll bet that Bro. Wa thier is more than ever anxious to g back home now off that weekly trip see the new grandson.

Americus Has an Easy Answer for Xmas Shoppers

2-4 Tues. . . . . 3350 W. Jackson Blvd.

About this time of the year you generally start looking around for some ideas on what to buy the folks for Christmas. Sometimes it is hard to decide just what to get for your close friends and near relatives. Perhaps there is a son or a brother in your family, or maybe a dear friend who would be eligible to join the Insurance group of the Knights of Columbus. Don't you think that a young man would appreciate it if you presented him with the cost of his initiation into our Order as a Christmas gift? We know that in after years he would look back and bless you for having given him his start in knighthood.

After all, our insurance not only gives you financial protection at the same cost as any old line company of the same standing but it also entitles you to share in the spiritual comforts that come only from an Order with such fine principles as ours has. So, brothers, scan the list and see if you can't find someone on it that is deserving of this grand gift; then get in touch with one of the officers and they will do the rest.

QUESTION?

We are asking again for the names of Americus Council members in the service of their country. At present we have the names of four brothers: John Mooney, Bob Moore, Frank Sattler and Jack Welsh, and we would like to have all the brothers listed above drop a card to the G. K., George Howlett, 3110 Polk St., and give him your address and advise him, if you can, whether you will be at camp at Christmas time. If anyone knows of any others in the service, get in touch with the G. K. or any of the officers.

In the bowling department last week the Costellos took the O'Rourkes for three games and Scott's A.B. nosed out the Corsos in the odd. The high game of the evening went to the Old Colonel, Ed Aylward, with 203; Mooney was second with 191. We find out now that two turkeys were on the prize list the week before and that Al Stagg captured the other one; we thank Joe McGuire for this information—he lost out by one pin.

Wonder what happened to our Lecturer, P. G. K. Ned Kelly, in Milwaukee. He was laid up for a week after his return. This should bring back memories to Bro. Henry Ryan of his trip to Schlitz Town some years ago; we are betting it does. It should also remind John Hassett of the Lockwood Ave. Hassetts, of the boat trip up there when he talked to some people for fifteen minutes before he found out they were deaf and dumb. Then there was the gentleman who lost his nolars coming home from Brew Town one evening, or was it morning? My, my, what stories you could tell about that town. A few of the brothers will remember the time the sheriff of Milwaukee County joined the Ancient Order of the Y. D.s, and how! Those were the days. Wonder if Ryan and Hassett are too old to come to the meetings now.

Thanksgiving was celebrated in grand style at the club on Kedzie Ave. P. G. K. Mooney and O. G. Corso attended the Fourth Degree Party and Jim was given a turkey and before they got home he gave Archie the bird. Jay O'Rourke has a great hospital story; have him tell you. D. G. K. Powers has one, too, while our Recorder, John Whalen, just listens.

Letter of appreciation has been received by the chairman of our Blood Donor Group, P. G. K. Leo Joyce, from P. K. John Ryan of Washington Council. Any time we can help, give us a call, John.

DON'T FORGETS: Turkey night December 9, and bring your sweetheart with you; the ladies love to get turkeys, too. Give a quarter (more if you can spare it) to the Christmas Cheer Fund of the Chicago Chapter. Get a new member now—we want to be "Quoto Made" by December 31st. Start working on our Fourth Degree class. Send your dues to Jack Crawford, 5061 Congress St. Start the new year with a clean slate. Keep the night open for the Big Party at the Corinthall Post Club House. The date Saturday, December 6th. More about it next week.

To our Charter Members: Americus Council will be thirty-five years old in 1942. We would like to have all Charter Members get in touch with one of the officers so that we can make arrangements to celebrate the occasion. Be on the square with yourself and keep the home fires burning. G'bye, now.

In Buitenzorg, Java, it thunders over three hundred days of the year.

SETTERS BEGINS EARLY PLANS FOR YULE PARTY

2nd & 4th Thursdays . . . 4711 Madison St.

Having just tucked away three of the most successful parties in the long history of Father Setters Council, namely, the Testimonial Celebration in honor of P.G.K. Maurice J. Kissane and Emil Fik, the Ladies Night and Thanksgiving Turkey Night, the organization now finds itself going into the mid-season stretch with the throttle wide open, all cylinders roaring and with enthusiasm at an all-time high.

The immediate cause of all the fuss and furor is Christmas Turkey Night which will explode with a bang on Monday evening December 22. All the lads who managed by means both fair and 'fowl' to win a turkey at the Thanksgiving party have the crust to think they're going to win again, while those who were left without even holding the bag at the previous shindig think it's their turn at last.

Therefore, a packed house for the session on the evening of December 22 is a moral certainty, and, to accommodate the jam, the Grand Knight has ordered the large auditorium and called out extra police reserves for the occasion. Officers Lenguadora, Nelligan and O'Donnell will be in charge, with all the parphernalia necessary to quell any riots which may break out.

At this point we had better assure you that it's going to be an orderly party, just in case we may have over-sold our product and caused tremors among the faint of heart. Seriously though, we do expect a capacity crowd and so, with our customary solicitude for your comfort, we suggest that you manage to be present in the hall a little early so as to pick out lucky seats for the turkey drawing, and, without any more ado, we'll pass from that to another subject.

SANTA CLAUS

Dispatches have just arrived from the North Pole advising Grand Knight Roy P. Bedore and Lecturer Edward J. Lavin of the personal appearance of ole Santa Claus himself at the children's Christmas party, to be held at the Madison Athletic Club, 4711 Madison St., on Sunday afternoon, Dec. 21. This is quite a favor on the part of the old boy as there's always considerable demand upon his time at this season of the year. The truth of the matter is, however, that he had such a good time with all the boys and girls at last year's party that he will genuinely enjoy being with the same group again this year.

Santa's letter really ought to be quoted in full at this point, but it went into quite some detail about the toys and candy he's going to bring for the kids and we want that phase of the party to be a surprise. At any rate, it is fairly safe to divulge that he will have a gift and some candy for each boy and girl. In addition there will be an extensive bill of entertainment suited to the occasion.

The members of Father Setters Council will receive further information about the children's Christmas party in a few days. Meanwhile the grand knight and lecturer would like to have about fifty members volunteer at the first December meeting to act as assistants to Santa Claus at the party.

WEDDING BELLS

Mr. and Mrs. Joseph O'Donnell of 5025 W. Adams St. announce the forthcoming marriage of their daughter, Eileen, to Mr. Paul Koenig. The wedding will take place Saturday, Nov. 29, at 12 o'clock at Resurrection Church. A reception will be held in the evening at 8 o'clock in the Alpine Room of the Lions' Club.

Miss O'Donnell, Mr. Koenig and the bride's parents have an unusually wide circle of friends among the members of Father Setters Council, all of whom take this opportunity to express sincere best wishes on this happy occasion.

CONDOLENCES

Cassio Tambirino, of 1921 West Erie Street, a member of Fr. Setters Council for many years passed away early this week. The funeral took place Thursday at 9:00 a. m. from the chapel at 624 N. Western Ave., to Holy Rosary Church with interment at Mount Carmel Cemetery.

In addition ot being a member of Fr. Setters, Bro. Tambirino was a member of the Chicago Federation of Music, Local No. 10. He is survived by a daughter, Mary, and two sons, James and John, and a sister, Mrs. Maria De Salvia.

Leo Enjoys Holiday Meet as Many Take Home Prize Packages

1-3 Tuesday.....820 W. Garfield Blvd.

The last meeting of Leo Council was held on Tuesday, Nov. 18. The meeting was one productive of much merriment and goodfellowship. After the regular business session, Grand Knight Breen turned the gavel over to our Lecturer John Vaughan. He at once proceeded to dispose of some Thanksgiving fowl. The following were the lucky members who took home turkeys: Capt. Kercher, Jim Foley, Jim Butler, Joe O'Dea, John Canning, Ralph Courchini, John Cashman, Frank O'Connor and Chas. Guldan.

LEO NOTES

Our Inside Guard Bro. Charles Mullins paid a profitable visit to La Rabida's last meeting and came home with a turkey. Outside Guard Bro. Thomas Sinon is busy passing out smokes to his friends. His wife presented him with a baby boy a short time ago. Mrs. Sinon and the future member of Leo are in fine shape.

It was very good to see D.G.K. Bill Doody and Jim Grannon back at the clubhouse. Both have recovered from their recent illness.

Bro. Thos. O'Sullivan has been appointed chairman of the Catholic Action Committee. Tommy is one of Leo's most energetic members. He will give strength and force to this committee. Bro. Thos. O'Sullivan is not only active in Leo's affairs but due to his winning personality Tommy is also very prominent in the Letter Carriers Union Branch No. 11.

The following members have been appointed to the house committee: D. D. Clarence Wagner, P.G.K. John Ruberry, Trustee James M. Brown, Art Goodman and Ray McMahon. The committee will have a very interesting report for the members at the next meeting. They will report on the proper use and care of the clubhouse, and hope to make the clubrooms more interesting for the members.

BLOOD DONORS—Dr. Miles Gallagher reports that at the last meeting 18 members joined Leo's Blood Donor Group. Keep up the good work, brothers.

LEO COUNCIL, under the very capable leadership of our Grand Knight, seems to be rolling along smoothly and all members are aiming toward building up the Council membership. If you have a brother or friend who would care to become a member of the Order have them sign the application at once so they may take their First and Second Degrees to be conferred at Madonna's clubhouse on Dec. 12, and the Third Degree at Leo on Dec. 14. Surely we can do as well as other Councils who are reporting increases at frequent intervals.

DUES-R-DUE

Financial Secretary P. Joseph McNamara has been instructed by the Special Agent of the Order who spoke at the last meeting to be more severe with members regarding prompt payment of dues. Bro. McNamara is at the clubhouse every Tuesday and Friday evening.

The next meeting of Leo Council will be held Tuesday, Dec. 2. (To that observing member, more little notes, please. Your Scribe.)

Washington Party in Honor of Ladies Hits Entertainment Peak

1-3 Tues. . . 5th & Washington, Maywood

The ladies, bless their hearts, with all their charm and feminine loveliness graced the portals of our council chambers last Tuesday night. It's an established tradition that Ladies' Night at Washington is always a success. This year's party was tops—everything was done up brown, and Louis Russo must feel happy at the success of his first conducted council social. To the few who were unfortunate in not being there we can only say you missed a grand time, sister.

Following a short business session which accomplished much in a half hour, the evening festivities got under way. Our thanks to Jimmy Ostler and Jerry Sarahan of Loyola University for their interesting presentation of the "Know Your Navy" feature. Rear Admiral Art Geiser added the official touch to this part of the program.

Numerous turkeys were present to help increase the Thanksgiving happiness and we are glad that Mrs. Bob Lovejoy for the fourth consecutive year caught one of the birds. The name Joe worked magic when it came to landing a free turkey as Joe Zanoni, Joe Lorenzo, and Joe Rauzi were some of the lucky chaps in addition to Art Geiser, Louis Russo and Washington's oldest living PGK, John B. McFall.

Bro. and Mrs. Alex Kryger of St. Anthony's Council were among the visiting guests who enjoyed the entertainment, cards and refreshments. Alex will always reserve a corner in his heart for Washington Council, as it was here the first and second degrees were conferred upon him last February.

WASHINGTON WINDWARD

FELICITATIONS and happy good wishes to Bro. and Mrs. Fred H. Bowen on their 25th wedding anniversary, which was observed by the celebration of a High Mass at St. Eulalia Church, Saturday morning, Nov. 22. Another 25 years of wedded bliss is our wish for this happy young couple.

SYMPATHY is extended to Bro. and Mrs. George Kastelnik in the loss of her foster father, Mr. John Walton, who recently passed away at Mason City, Ill. Following a lingering illness, Joe Moreno, a former member of this council and brother-in-law of Bro. Carmine Nunziato, died last Tuesday at Hines Hospital. To his family and loved ones we extend our sympathy.

ONE OF THE BUSIEST men this side of Mars, our own GK, J. J. Ryan, will now be more busy as he has just been honored by election to the board of governors of the Medinah Club, so John Joseph is now a brass hat. By the way, he wasn't kidding at all when he mentioned at the last meeting his chances of winning a defense bond at St. Eulalia festival. Next day came notice that he was winner of a $25 bond. What a lucky knight he was that night.

St. Simeon's Church, Marshall Ave. and Washington Blvd., are holding their 12th annual fall bazaar, Saturday and Sunday, Nov. 29 and 30. Saturday is set aside for the youngsters and on Sunday the ladies will serve dinner from 12:30 to 4 p. m.; price only 60 cents. There will be many valuable attractions, and for the pastor, Father Dan, who is ill, we hope the members of Washington Council will help, by their attendance, to make this a successful affair.

Dec. 2nd, our next meeting, is one of the most important dates on the calendar. At that time the first and second degrees will be conferred upon a large class. The seven new applications read off at the last meeting indicate the membership committee has really taken their task to heart and is doing a grand job.

In closing, please remember, brothers, to be at St. Eulalia Church for the 8 o clock Mass, Nov. 30th, at which time our council will receive Holy Communion in a body.

Englewood Will Hear Charles P. Megan at Communion Breakfast

2-4 Mon. . . . . 150 W. 69th St.

Englewood's semi-annual Communion Sunday is Sunday, November 30, at St. Bernard's Church, 65th St. at Stewart Ave. It is expected that all members will attend the Mass and afterward partake in the wonderful breakfast which Chairman Adolph Minster has arranged.

Brother Charles P. Megan, one of the most prominent attorneys in the country, former receiver for the C. N. W. R. R. will be guest speaker. All who know Bro. Megan realize that quite a treat is in store. It is hoped that our great chaplain, Father Geheb will be able to be with us. The semi-annual Communion is a good example of Catholic Action and we would do well in these days to make a really great showing. We will assemble at 7:45 a. m. and march in at 7:55, so let's all be there.

Due to the early deadline for last issue we were unable to announce that Trustee John P. O'Brien, Fin. Secy. Chas. H. Huguelet, P. G. K. W. J. Cleary, Treasurer Adolph Minster, through Lecturer Johnny Lyons' turkey night, enjoyed wonderful Thanksgiving turkeys.

Brother John Cushing, special agent from the Supreme office paid us a visit last meeting and asked us to build up our insurance membership.

G. K. Richard A. Phillips is still at home but regaining his strength rapidly. Visitors are allowed and Dick would be glad to see any of the brothers.

By unanimous vote of the members present, Charles H. Huguelet, Sr., was appointed chairman of the Blood Donors Committee. Englewood has a large list registered at St. Bernard's Hospital and quite a few of our brothers have already donated blood to people in dire need of it. Anyone who would like to be typed and registered can contact Brother Huguelet. If any brother is in need of blood or any member of his family, Chairman Huguelet should be called and he will arrange for a donor if it is at all possible.

Next meeting at Genoa Council will be "P. G. K. James Riley Nite," according to Francis Poynton, son of James P. Poynton, advocate of Englewood. Jim Riley is the youngest P. G. K. in Cook County.

John E. Huguelet, P. G. K. of Englewood, is now living in Detroit again after spending a little more than a year in Pittsburgh.

Raymond J. Budinger, P. G. K., is at home with a serious stomach illness.

Ed Connelley, who is an accountant with the U. S. Army Air Corps, attended last meeting. He is stationed at the Studebaker plant at South Bend, Ind. He also is attending classes at the University of Notre Dame.

Attend Loyola-Hyde Park Council's "Fiesta Night," Saturday, Dec. 6, at 6308 Woodlawn Ave.

Carroll Will Hear FBI Expert at Meeting, Dec. 2

Next Meet, Dec. 2, Madison and Hamlin

An overflow attendance of Carroll members, their friends and prospective members is expected at the next regular meeting of the membership, Tuesday evening, December 2, which has been designated as "Open House."

By special arrangement, Carroll Council has secured the services of A. H. Johnson, special agent in charge of the Chicago office of the Federal Bureau of Investigation, United States Department of Justice, who comes to our organization well-advised on present governmental problems. Special Agent Johnson fully merits the large attendance that is expected at this gathering in our club rooms in the Midwest Athletic Club, 6 North Hamlin avenue.

Besides this "all-important" lecture, the recently released sound film entitled, "You Can't Get Away with It," will be exhibited for the enjoyment of the membership and their guests.

Refreshments will be served by our famous caterer, Hank Evert, who promises a "surprise" for the boys. If you haven't been with us for awhile, "drop in" and get acquainted again. Bring as your guests any of your friends or prospects. They'll enjoy the evening and thank you for it afterwards.

REMEMBER THE DATE — Next Tuesday evening, December 2, Parkview Room, Midwest Athletic Club, Madison at Hamlin.

CHRISTMAS GIFT NIGHT

Carroll's annual "Christmas Gift Night" will be held on December 16, when the membership will receive their gifts and enjoy the "fun and free-for-all" with the "boys."

STORK EXPRESS: During the early part of October, last, Mr. and Mrs. John Ford, Jr., were presented with a beautiful baby girl, who they have named, Carol. Congratulations and best wishes to the proud papa and mama.

Another busy family are the Mr. and Mrs. Gordon J. Kickels, who have been presented with a lovely girl on Friday, November 21. The Carroll membership extends their best wishes and blessings.

Charter Member John B. Clark is still confined at the Montrose Hospital, located at 2546 West Montrose avenue. Any members desiring to visit with John will be greatly appreciated.

TURKEY NIGHT SUCCESS

Carroll's annual "Turkey Night" was a huge success and thirty-six members carried some mighty fine birds home for their Thanksgiving dinners. Refreshments were served after the main business of the evening and the membership joined in a "social goodtime." Assisting with the evening's program were Edward Whelan, Robert O'Day, George J. Hunt, Daniel J. Ryan, Sr., Don Ryan, Daniel J. O'Connell, James J. Walsh, Michael Martin and Kenneth L. Torgeson.

LAURELS FOR CARROLL—Another gala dinner party and dance has gone into the records of Charles Carroll Council, stamped a complete success by the three hundred knights and ladies who enjoyed the annual "Fall Party and Supper Dance" on Saturday evening, November 15, at the Midwest Athletic Club.

Long before the designated hour of nine o'clock, the merrimakers packed the main dining room to its four walls. Shortly before dinner was served, party favors were distributed by the Reception Committee, which started the festivities of the evening. The dancers were pleased by the grand repertoire of dance music offered by Charles T. Montgomery.

Many dignitaries of the Order were present to join in the annual celebration by Carroll Council. State Deputy Leo Flynn voiced his approval of a really splendid gathering and on leaving the hall many of the members were loud in their opinion that "this was the biggest and best to date."

BOWLING 'EM OVER

Team Standings:

	Won	Lost
Deljer Press	20	7
Ford Realtors	16	11
Preib Cleaners	15	11
Barton Shell Service	12	15
Garfield Cafe	9	18
O'Keefe Coal Co.	8	18

George Hunt's Garfield Cafe team have come out of the cellar and defeated the Deljer Press team two games. Jim McNamara was high for Deljer with 535; Dan Ryan high for Garfield Cafe with 488.

The Barton Shell team went off their training schedule for Thanksgiving and dropped three games to the Ford Realtors. Charles Schmidt was high for the Realtors with 523 and Tom Ryan high for the Bartons with 463.

A fierce battle went on last Friday evening between the Preib Cleaners and the O'Keefe Coals, but after the smoke had cleared, each team came out with one game apiece and the third game was tied. Mike O'Connell, the big gun who had just rolled a new high series of 599, was in a hurry to keep a date with (well that might be a bit personal) and had already changed his shoes, therefore the last game will be decided on a later date to be set by the League Secretary Joe Bradley. Jim Crosby was high for O'Keefes with 520.

ST. AUGUSTINE HANGS S.R.O. SIGN AT MEET

1-3 Mon. . . . . 5209 S. Justine St.

Well, they finally had to hang up the old "SRO" sign at last Monday's meeting. We can't remember the last time a meeting was so well attended. Looks like the members are beginning to realize that they are missing something by not attending meetings regularly. Maybe that circular sent out to each member as a reminder, was responsible for the good turnout. In attendance at the meeting we saw honorary member Charles Hanus. Other faces of the long ago were: Adam Skwierz, Ed Fisher, Pete Opitz, Marty Bobber, Matt Meyers, John Krump and Nick Theilmann CBM of Great Lakes. (Nick says: "If they keep up with me they are good men.")

Fr. Theo, our chaplain, gave a very inspiring talk on the old get-together spirit of St. Augustine Council that he heard about before becoming chaplain of the council. He added a little extra volume and when he finished he was given a round of applause such as has not been heard in the chamber in a long time. If the members pick up the enthusiasm the Chaplain is trying to inspire, we'll be back on top of the list in active councils.

Bro. Matt Meyers won the door prize (1 turkey). Twenty-two other birds were distributed during the course of the evening to the following happy members: George Kazmer, Mike Popernik, Fred Horn, Henry Clemens, Chris Thelen, Dan Burke, Joe Handzik, A. Glazer, Adam Skwierz, Ed Hanus, Geo. Copps, G. K., Frank Liscovec, Joe Liscovec, Nic Schaefer, Jr., Joe Wolff, Ben Novak, Ray Sullivan and Stanley Kozlowski, who got a turkey and 2 ducks. As usual, refreshments were served by Lect. Henry Rieger after the meeting.

TEN PIN TAPS

Heinen Morticians took the odd game from the Schaefer Barbers by the slim margin of one pin. John Horan paced the Heinens with 202-222-617, aided by Stan Kozlowski with 504. Joe Handzik was high for the Barbers with 540, closely followed by Nic Schaefer, Sr., with 527. The Ted Kloeckner Florals took 2 from Puetz Markets with Wolfer leading the attack with 207-529. Tony Follman also rolled a 207 game. Al Labuhn was high for the losers with 200-507.

Mack Bros. took 2 on the chin from Bonthron Service. Chris Thelen led the Bonthrons with 504. John Kolmodin was high man on the Macks. After dropping the first game, the McCabes came back to take 2 from the Dutchmans Tavern, much to the discomfort of Jake Leitzen who drew the 5-7-10 split for the first time in his 25 years of bowling. Phil Breitzke led the Dutchmen with 201-517 aided by a 207 game from Doc Serr. John Putz was high for the McCabes with 524.

The turkey given by the league was won by Frank Putz of the Johnnie McCabes. We note that Recorder Dr. F. N. Werner is a regular rooter at the bowling alley on Wed. night. His absence on a team is due to his attendance at night school.

Congratulations to Bro. Willard Schmidt and wife on the birth of a little baby girl on Nov. 18, 1941. This makes P. G. K Mike Heinen a grandpa again.

Bro. Tony Follman was telling us at the bowling alley the other night that he and his wife just returned from a visit to Cleveland where they spent a few days with Eb Follman, our former Fin. Secy. who is now a member of Lakewood, Ohio, Council. This council incidentally is sponsoring the National Bowling Tournament at Cleveland next spring. Tony says that Eb is getting in shape for this tournament and holds a 170 avg. in the Lakewood Council League.

Mike Popernik, chairman of our membership committee, turned in 3 new applications at the last meeting. This makes 5 in 2 meetings. Nice going, Mike. Anybody else got any prospective members in view? Bring their applications up to the next meeting. It won't be long till we can put on a first and second degree if applications come in at this rate.

Now that we are drawing near the end of the year, it is only fitting that each and every member take a checkup on his financial standing. In doing this, don't fail to take into consideration your council dues. Are you paid up to date? If not, why not drop around and see Al Labuhn at the next meeting. He will be glad to help you straighten out your account.

Attend Loyola-Hyde Park Council's "Fiesta Night," Saturday, Dec. 6, at 6308 Woodlawn Ave.

St. Paul Expects Good Turnout at Party Saturday

1-3 Tues. . . . . 6713 Olmsted Ave.

The council's Fall Festival and Harvest Party date is upon us. This Saturday (tomorrow) in our own council chambers, the stage will be all set, the hall decorated, and the committee will be waiting to welcome you to an evening of fun, frivolity and frolics.

The lecturer and his committee have completed all the arrangements down to the minutest detail; nothing remains to be done except that all the members hie themselves to the place of our regular meeting with their "bestest" girl on their arm and their "pleasantest" smile on their faces prepared to join in the festivities and mix with the others for an evening of thorough enjoyment. A buffet lunch will be served with all the trimmings in regular smorgasbord style; you can eat as little or as much and as often as you like.

Of course, there will be entertainment and music that will make you want "to dance the soles off both your shoes" with just enough rest in-between to enable you to get your breath.

Your officers—we said this before—have been striving diligently to hit upon the things which will appeal to the council membership and the arrangements for this year are an effort in another direction to find the answer to that problem. Many of the members have endorsed the plans of the committee but we will need many more "ayes" in attendance to know that this is what you really want and are interested in.

Whether they are on the right road, in the proximity of your neighborhood and understand the language you speak will be known to them by land-marks of your shadow as you pass into the doorway, the friendliness of the atmosphere as your beaming countenances are recognized and your response to the welcome which will be awaiting you. They will be looking for you next Saturday evening. We hope we'll be seeing yuh!

Chairman of the membership committee, Geo. (What a man!) Ellwanger suggests that we remind you that you'll have to be getting busy if you are going to get that new member into the council before the year is over. What's wrong with your getting a friend or relative to join an organization which we are sure you are proud to be a member of. Why, nothing of course. It's the thing to do and "it'll be a favor you'll be doin' 'em" which 'twill be difficult for them to repay. So let's all get behind the council's membership program and see if we can't get further than the twenty yard stripe and into touch-down territory.

It is about time we went over the goal line and added a point after touch-down for good measure. There is great need for men on the gridiron if we are to win, more than the spectators in the grand stands or even the cheer leaders on the side lines. Will you get into the line for a little time on the offense? Just long enough to get another to take your place to carry on? There is no need for someone to ask you. Carry on, on your own initiative and bring in the results.

WE HEAR THAT

Some folks are just not to be denied. We found ourselves feeling somewhat sorry for our chaplain in that he didn't measure up to his usual successes on "turkey nite" but alas!—and alack! He doesn't need sympathy; he takes pretty good care of I, all by himself, if given only half a chance. Yup, you guessed it. He "drugged" one of them foul things home after bowling last Thursday night. They say too that it wasn't by "crook" this time; it was by the "hook" on that bowling ball of "his'n." Oh me!

The above notes were exactly as we had written them for last week's column which, due to several circumstances arrived too late for publication. However, since our Fall Festival and Harvest Party had to be postponed until Saturday, Nov. 29, it probably is just as well that the circumstances developed as they did. We understand that you will have received a letter from the lecturer "explaining all" by the time you read this so we will "skip it" for the nonce.

HUGHES IS HOST TO DEGREE CLASS DEC. 2

1-3 Tues. . . . . 4711 W. Madison

Lecturer John F. Korbel made his debut officially at Hughes Council's Thanksgiving Turkey Night on Tuesday, Nov. 18, and he was an immediate success; in the vernacular, a "wow!" As successor to Bro. Raymond O'Brien, it appears that Bro. Korbel will add to the laurels he gained while chairman of the Barbecue Committee and also while heading the Membership Campaign Committee.

G. K. George N. Daly was particularly gratified with the Thanksgiving meeting program and turnout, for as is usual, quite a number of brother knights showed for turkey night! The unit was honored by the presence of the entire squad of major bowlers.

Lecturer Korbel was mighty generous in passing out free turkeys and according to a list compiled by D. G. K. James A. Ryan, the following received the big birds for their holiday dinner: Anthony Slanina, Thomas McDonnell, Nicholas Mulroe, Capt. Lynch, Joseph Zahradnik, R. J. Fitzgibbons, Val Rand, Al Korbel, Frank Svec, George Pecchata, Frank Kaminski, Charles Votava, Jr., Elmer J. O'Brien, Michael Kirby, Al Gilbert, Charles O'Malley, Alf McDonough, George Kocian, Paul Petrie, George N. Daly, Frank Kamper, Irving Giroux, John Korbel, Walter Dieduch, Emil Bouszka, Frank Van Heule, Robert Monahan, John Nogajewski, and Dietz. The mile-wide smiles these brothers wore proudly toting home the immense turkeys was something to write about!

COMING MEETINGS

At the next meeting, Tuesday, Dec. 2, Hughes Council will be host to the West Division Group for the exemplification of the First and Second degrees in the Madison Athletic Club. Bro. William Kane, chairman of the Membership Committee, has a good group of candidates for our unit. The attendance of all brother knights is urgently solicited.

Fin. Sec. Daniel L. Harper will announce at the Dec. 2 meeting the details of Hughes Council's Christmas Party for the kiddies. This is intended primarily for the children and grandchildren of members of Hughes Council. "Dinny" is chairman of this affair.

Lecturer John F. Korbel has things under control for the Ladies' Night Christmas Party at the December 16 meeting. You've got a date. Incidentally, when thinking about your Christmas cards for this year, don't forget that Bro. Korbel can supply your needs.

COUNCIL NEWS

We regret to report the death of Mrs. Blanche Lavery (nee Dailey), beloved wife of Joseph J., and sister of Bros. Thomas P. Dailey and Bernard Dailey, aunt of Bros. Roy and Robert Bergeron. Mrs. Lavery died last week and a large delegation of members paid their respects on Wednesday night. Funeral was Friday, November 21, to St. Francis of Rome Church. Interment, Mount Carmel. May her soul rest in peace.

D. G. K. reported on the illness of Bro. William Dvorak of Lisle, Ill. Bill is laid up with an attack of yellow jaundice, and the prayers of all members are requested for Bro. Dvorak's quick and complete recovery.

D. G. K. Jim Ryan also reported on Christmas Cheer Committee and urged every member of Hughes Council to make his contribution to the fund. Our D. D. Art Donoghue supplemented the D. G. K.'s remarks on the subject and stressed the great need of generosity, but most of all the need for every member to do a little bit to help swell the Christmas Cheer Fund. So send your quarter or more—or pay it to Bro. Ryan at the Dec. 2 meeting.

P. G. K. Elmer J. O'Brien gave a plug to the Illinois K. of C. Bowling Tournament and solicited the entries of as many teams as possible from Hughes. We had 14 or 15 last time. This tournament, a handicap affair, opens Saturday, January 3, at CYO alleys, Congress and Wabash. If you are interested, check with one of the council league officials or a council officer.

Hughes Council expected to be represented by a bang-up delegation at the testimonial to Bro. Capt. Lynch, and P. G. K. Harold F. Enright was in charge of Hughes' ticket sales. P. G. K. Louis Postilion gave all the handsome details of the testimonial at the last meeting, and everybody was enthusiastic to attend. Incidentally, Bro. Lynch was present at the meeting and got a rousing hand.

FOURTH DEGREE CLUB

Elmo L. Ward has been plugging the Fourth Degree Club in Hughes and now with President Joe Ryan to bolster his urgent appeals, desirable action on the part of All Sir Knights is anticipated. If you have received the Patriotic Degree, get in touch with one of the aforementioned brothers.

By the way, Joe Ryan is also chairman of the Dance Committee and relays word that some precise details will be released in a very short time. "Hughes will have a dance," declares Joe, "and just what form this party will take, all of the details are still to be ironed out.

We regret to learn of the illness of the wife of Bro. John Caulfield, G. K. of Damen, and Hughes members will join in offering prayers for her speedy and complete recovery.

Don't forget—First and Second Degrees next meeting. And the Ladies Christmas Party on December 16.

The Council Bowling League had a very snappy session on last Friday and as you've been told before, competition is extremely keen in the league, usually with anywhere from two to four teams tied for first, and little margin between the top place occupants and the cellar team.

La Rabida Will Honor Ladies with Another Grand Party, Dec. 9

2-4 Tues. . . . . 6236 Princeton Ave.

The next meeting of La Rabida Council will be held on Tuesday evening, Dec. 9, and will be known as "Ladies' Night." On this occasion, the officers and members of the council will pay proper tribute to their ladies in what promises to be a most enjoyable evening.

Our worthy lecturer, Dr. John Latchford, is leaving no stone unturned in an endeavor to make this affair one long to be remembered. We all recall the splendid manner in which the ladies reacted to the last "Ladies' Night," and you can take a tip from me that this year's effort will be even better. So make your plans now to be with us on this occasion.

FOURTH DEGREE: Seven La Rabidians attended the annual Turkey Night given by La Salle Assembly Fourth Degree, which this year was held at the Palmer House on Tues., Nov. 18. Those in attendance were Sir Knights Frank Healey, Basil Giaretta, Lawrence V. Kraus, Frank Follis, William Lyman, Harry Dion and George Griffin. Bros. Follis and Giaretta were lucky in bagging the coveted turkeys.

DUES

Bro. John Mahon, our worthy financial secretary, requests all those who may be in arrears in their dues, to pay same as soon as convenient. Bro. Mahon is anticipating a visit from the Field Agent, sent out periodically by the Supreme Council. He, by virtue of his office, may suspend delinquent members without the consent of council officers. Bro. Mahon resides at 6746 Lowe Ave. Telephone 6579.

CHANGE OF ADDRESS: If you are among those who found it necessary to change your address this month, and have failed to notify the council officers and the Columbian, please do so without delay. Several letters recently mailed out were returned marked "moved, left no address," which notation indicates that not even the postal authorities were notified. So if you have moved, get in touch with Recorder Patrick J. Lee, 8335 S. May St., telephone Radcliffe 8329.

MEMBERSHIP

Bro. Lawrence V. Kraus, chairman of the council's membership committee, says that new members are the life blood of our organization. For our council to keep abreast of other councils and fill our quota of new members, it is necessary for us to get seven applications by Dec. 15. We can do this and more if each member of La Rabida will call our membership chairman and give him the name and address of any neighbor or friend who would make a good member, and he will do the rest.

May I add that Bro. Kraus has worked hard and long on the membership committee in order to bring new members into the council. Get behind this movement, brothers, and cooperate with your chairman 100%. Bro. Kraus may be reached by telephone at Radcliffe 5187.

BOWLING

The bowling results of November 24 are as follows: Has Beens took 3 games from Cogan Coconuts while Dion Quints were winning 3 games from the Kapple Chicks. The individual high series for the evening are as follows: Ed Wodarski, 566; Ray Mahoney, 558; "Great Angelo," 542; John Gera, 527; Dan A'Hearn, 516, and Jos. Cassidy, 510.

SPECIAL: On Thursday evening, Dec. 4, La Rabida Fourths will hold their regular monthly meeting at Hofmann's Grill, 821 W. 69th St. The meeting will start promptly at seven o'clock with a steak dinner. Bro. Lawrence V. Kraus, president of the club, is anxious to have a large attendance present at this meeting.

Although the pay of an American soldier in the ranks runs roughly around thirty dollars a month and keep, he is in reality the highest paid soldier in the world. According to Leland Stowe, Chicago Daily News correspondent, the monthly pay of unmarried conscripts in ten foreign armies would amount to the following sums when translated into American coin: British Army, $15.17; German, $6; Italian, $1.50; Hungarian, $1.18; Bulgarian, 85 cents; French, 35 cents; Yugoslav, 30 cents; Greek, 25 cents; Rumanian, 20 cents, and the Turkish soldier, 5 cents.

Attend Loyola-Hyde Park Council's "Fiesta Night," Saturday, Dec. 6, at 6308 Woodlawn Ave.

St. Francis Asks More Effort for Fr. Breen Class

2-4 Thur. . . . . 4715 W. Madison St.

An urgent appeal is being made to the members of St. Francis Xavier Council to help make the Father Breen Class the success that it should be. We still have time to accomplish the task. Membership Chairman D.G.K. Salvatore Cirrintano is anxious to present to Father Breen as a birthday present, a class of 65 or more candidates on Sunday, December 14, at St. Phillip High School to receive the first, second and third degrees of our order.

So far there doesn't seem to be the enthusiasm we ordinarily have and there's no reason for the lack of it. Now, get up from your soft chair and do some mean hustling. Surely you know of some Catholic gentleman who would like to join the council and is just waiting for you to ask him. Well, what are you waiting for—a house to fall on you? Go out and get that application signed. Then bring it in at the next meeting, December 11.

CHRISTMAS PARTY

Final arrangements are being made for our annual Children's Christmas Party, which will take place on Sunday afternoon, December 21, at the Garfield Park Refectory, Hamlin avenue and Washington Blvd. If you have any children between the ages of one to ten, be sure to take them to the party. They'll have a time they'll never forget.

You must come to the next meeting for the tickets as none will be mailed to anyone. John Caruso, chairman of the committee, is looking for talented children to entertain. He will have beautiful gifts to distribute to the best liked entertainers. If any of your children have anything on the ball, be sure to let John know about it in plenty of time.

FLASHES

The dance committee meetings have been changed from Tuesday evenings to Friday and the place is still the same—3024 W. Flournoy street. This will give you guys who don't work on Saturday a chance to attend and the bowlers will be able to rest after Monday night's strenuous sessions. Now you haven't any excuses . . . Brother knights, you are asked to pay up your insurance and council dues. There will soon be an audit of the books.

Mr. and Mrs. Giuseppe Macaluso became the proud parents of a baby girl on November 3. Brother Macaluso is a charter member of the council . . . Larry Gregorio informs us that his nephew, Matthew Gregorio, announced his engagement to Miss Frances Valenti several weeks ago . . . Mrs. Mary Iacullo, wife of the Senate Electric mogul, celebrated her 35th birthday on Nov. 21 . . . The officers and members of the Fran Fours want to publicly thank Sir Knight Ernest Marcantonio on the wonderful work he did on their recent party. Ernie sold 36 tickets for the affair, which made him the outstanding leader in that department. Keep up the good work, Ernie.

Your prayers are requested for the repose of the soul of Mrs. Rose Indovino, who passed away two weeks ago. She was the mother of Bro. Nick Indovino and grandmother of Bro. Anthony La Rose.

Last week's turkey winners were Sal Cirrintano, Bap Mele, Scotty Frusolone, Carl Falzone, "Daisy Mae" Laurino and Joe Scelso, Jr.

The "500 or better" bowlers were: J. Defily, 502; S. Cirrintano, 571; C. Principe, 502; S. Defily, 514; B. Mele, 546; F. Pasquale, 512; M. Puccini, 509; A. Frusolone, 527; C. Poggetto, 541; J. Caporelli, 515; C. Speziale, 509; Dr. R. Nigro, 514; Dr. A. Vincenti, 554, and J. Consoli, 505. (The "docs" had another banner night.)

Monday night's results:

Believe it or not, the Lido Restaurant team won THREE games from the Famous Potato Chips. Marks Motors did likewise to the Paterno Pizzeria team. Despite Sal Defily's 644 series, the Senate Electrics won only two games from the Ald. Pacelli's. Other rubber games were won by Colettas, Orlando Buffet and Bacigalupos over the Izzos, Giuglianos and Dot Pies. Charlie Principe's 622 was a major factor in the Bacigalupo's victories over the Dot Pies.

Other high series were rolled by N. Masse, 539; C. Gregorio, 507; J. Defily, 502; F. Ferrara, 500; H. Garippo, 527; J. Caruso, 508; L. Merisso, 515; M. Puccini, 536; A. Vitallo, 516; S. Speziale, 561; P. Mazza, 577; F. Arito, 619 (another 600 series); C. Falzone, 555; D. Laurino, 508; A. Rossi, 581; O. Furlan, 509; R. Consalvo, 514, and N. Locascio, 508.

Aquinas Has Another Fine Program on Tap for Tuesday's Meeting

1-3 Tues. . . . . 5441 S. Ashland

Ten of the members who attended the meeting last Tuesday went home with a broad smile on their faces and turkeys in their arms. The turkeys were awarded to them as a result of a drawing planned by G. K. James Sweeney and Lecturer Bill Golden.

The lucky winners were Norm Pelton, Frank O'Hern, Rev. M. Conway (chaplain), John R. Cook, Bob McGrath, P.G.K. Dr. Hebenstreit, Tom McVady, Cliff Mollesen and Frank Wonesh.

Besides the awarding of turkeys, a movie, "Highlights of Sports," was shown.

A crowd of about 100 was in attendance at the meeting. You can plan on another evening of enjoyment by attending the meeting on Tuesday, Dec. 2.

BOWLING REPORT

The Peltons went into a tie for first place with the McNamaras by taking two out of three from the Sheeheys with scores of 777-787, 856-786 and 747-724. Paced by McCarthy's 508 series, the Sweeneys took all three games from the McGraths, 773-747, 737-690, 834-801.

The O'Malleys made it two out of three over the McNamaras, 823-809, 738-818, 794-772. McCarthy, Konrath, Fitzgerald rolled the high games for the evening, while Golden, McCarthy and Konrath rolled high series. The bowling league wishes to offer its deepest sympathy to James Collins on the passing of his brother, Emmett. May he rest in peace.

(Mr. Scribe—Would you please give us your phone number next week so that we can contact you in a hurry if necessary? Thanks.—Ed.)

Ravenswood Requests Your Contribution Now for Christmas Cheer

1-3 Wed. . . . . 1521 Wilson Ave.

According to the latest report from Trustee Peter Farrow, who is again serving as chairman of Ravenswood's Christmas Cheer committee, the majority of our members obviously have either forgotten about this annual collection or are putting off the actual contribution until the very last moment. To those who have negleced to either mail or hand their donation to PGK Farrow, let this warning hold good: Please make every effort to turn your bit in at the earliest possible moment.

Chairman Farrow's home address is 2030 Giddings St. Every one of us is aware of the fact that every council has a few members who have suffered one misfortune or another and can very well use a little financial help. Here is your chance to help out a brother member; were the circumstances reversed, he would willingly do the same for you.

A week ago last Monday Bro. Theodore G. Pontius was called to his eternal reward. He was the second member of Ravenswood Council to pass from our midst this month, the other being Bro. Thomas Gallagher. May the souls of our departed brothers rest in eternal peace.

DOINGS OF THE NEWS

This column has been very lax in reporting the doings of our bowlers, but after all you can't expect much bowling news from a fellow whose prowess at the sport is best attested by a 70 average. The old regulars are still hard at it in the league with Lourdes' Holy Name, but the biggest news for our bowlers is the coming Illinois Knights of Columbus tournament to be held Jan. 3 at the CYO alleys.

At the last council meeting it was decided to send as many five-man teams as there are bowlers in our council to fill out. Any of you members who are desirous of competing in this tournament will do well by calling GK Michael Citti at Key. 2023, or James O'Reilly, Ber. 6541. The entrance fee for each team will be paid by the council, but each man must pay his own bowling charges. Come on, all you bowlers, let's get hot and make a name for Ravenswood at the state tournament.

As mentioned here earlier this month, our annual Christmas party for the youngsters will be held at the clubhouse the afternoon of Dec. 21. The exact hour at which the fun will begin has not been definitely decided upon, but it will be in the neighborhood of 3 o'clock. Lecturer Al Carroll and his corps of assistants are busily engaged in mapping the details.

There will be presents for the kiddies and a whale of a lot of fun for everyone. Whatever you do, don't let this party go by without being there to enjoy it. If you haven't any youngsters of your own, you may be able to borrow one. In fact ye scribe could probably give you a little information about a few people to see should you want to secure the loan of little ones for the party.

DE SOTO MEMBERS WILL WIN TURKEYS TONIGHT

2-4 Fri. . . . . Clark and Belmont

After this evening's meeting many De Soto members will be looking for ward to a Sunday turkey dinner with the compliments of Lecturer Irv. Schultz. Irv. and his committee will present the annual De Soto Council Turkey Night which is always very popular among the members.

Bro. Wm. H. Glancey, chairman of the Christmas Cheer Committee, will certainly welcome a large gathering at the meeting, since he and his committee are in the midst of the 1941 De Soto Christmas Cheer drive which is conducted annually for the benefit of the various orphanages and old folks' homes throughout the city. If you have not as yet made your offering, kindly obtain an envelope from any of the following members of the committee: Bros. Wm. H. Glancey, Jos. A. Cella, Michael M. Behles, Sr., Kevin O'Shaughnessey, Harry A. Wehrheim, Louis J. Lechler, Henry Stricker, Sylvester Popke, John J Barrson, James J. Haussman and Norm Mertes.

CONDOLENCES

All De Soto joins in extending its most heartfelt sympathy to the family of Bro. Paul J. Patt, who passed to his eternal reward on November 17.

Bro. Patt was a member of De Soto for 22 years, having joined the Order in 1919. Many of the members attended the wake at Birren's mortuary on Tuesday evening, Nov. 18. Requiem High Mass was celebrated for the repose of his soul the following morning at St. Alphonsus Church. May his soul rest in peace.

COUNCIL EVENTS

CHANCELLOR C. J. STREHLOW, chairman of the membership committee, announces that several De Soto candidates will be initiated into the First and Second degrees of the Order at Father O'Connor Council, 4660 N. Kedzie Ave., on Thursday evening, Dec. 4, at 8 o'clock. He states that we need 16 new members in order to complete the council's 1941 membership quota. Mail your requests for forms and your signed applications to C. J. Strehlow at 1725 Mohawk St., or telephone Mohawk 0024.

ON MONDAY evening, Nov. 17, the Baldric and Sword Club treated its members to a surprise football program. Ray Nolting and Bob Snyder, backfield stars of the Chicago Bears, attended the meeting and explained the intricate system of plays that make up the famous "T" formation and the reason why the Bears are again in the thick of the battle for the championship. The members directed a barrage of questions at them, which were answered in a manner satisfactory to all. As a climax to a grand evening the officers distributed ten turkeys.

On Sunday afternoon the officers of the Baldric and Sword will meet at the home of Bro. Charley Pritzlaff to formulate plans for the election of officers at their next meeting on Dec. 15. The club's annual Christmas party will also be another feature of the next meeting.

THE TRUSTEES of De Soto Council met on Friday evening, Nov. 21, at the home of Bro. Vincent Braband. They examined the books of the Financial Secretaries and discussed matters concerning the financial structure of the council. Statements have already gone out to members who are delinquent in their dues. The trustees request that all members in arrears kindly give the matter their immediate attention in order to avoid possible suspension.

IN THE EVENT you've noticed Bro. Dick McCarter strutting around with his chest expanded ala "Jim Londos" and wandered why, it's because the "Mrs.," Ann McCarter, presented him with a 7½-lb. bouncing baby boy on Saturday, Nov. 22. With two daughters already members of the McCarter household, the addition of a boy was an important one to Dick.

OUR SYMPATHY to Mrs. Gus Brieske on the death of her sister, Sister Michaelene, P.H.C., who passed away on Monday, Nov. 24, after a long illness. Sister Michaelene was located at the Angel Guardian Orphange. Offer a prayer for the repose of her soul.

BRO. AND MRS. JOE CELLA enjoyed their Thanksgiving dinner in the company of their son, Joe, Jr., at Campion Academy, Prairie du Chien, Wis., where he is attending school.

DE SOTO extends its sympathy to former Dist. Deputy Ed O'Connor on the recent death of his brother Frank, who was a member of Chicago Council.

BOWLING REPORT

De Soto's Meister Braus are sure battling to hold first place in the North Side Division of the K. C. Bowling League. On Monday evening they took two games from Brownson Council, rolling games of 999, 881 and 929 for a 2809 series. Bro. Bill Henrich was high man again with a 613 series. The team has now won 22 games and lost 8.

After you finish writing your Christmas list, why not keep that pen in hand and write a letter to Capt. Vincent Sullivan, Ordnance Dept., Camp Custer, Michigan.

Another of DeSoto's members in the service is Private John Scanlon, 76th Infantry Training Battalion, Co. B., 4th Platoon, Camp Roberts, California. Drop him a line, he'll be happy to hear from DeSoto men.

Hen.-Shields Tribute to Past Grand Knights Is Mass on Dec. 10

Meeting Dec. 10....446 N. Parkside Ave.

On the morning of Wednesday, Dec. 10, at 7 o'clock, the Rev. Father James Doherty, chaplain of our Council, will say a Requiem Mass for our deceased Past Grand Knights. The deceased Past Grand Knights of Hennepin-Shields Council, to the best of our knowledge, are George T. Trumbull, Dr. Edward G. Clancy, Oliver Barry, Dr. Edward N. Redden and Edward J. Lawler.

We trust that as many members of the Council as can do so, who hold in esteem and cherish the memory of our departed Grand Knights, will attend Mass on that morning.

CALLING P.G.K.'s

In calling the names of Past Grand Knights on our rolls, we find the following: Anthony Czarnecki, Jeremiah A. Donovan, Hon. Judge Patrick B. Flanagan (hope you can make it, Judge), Frank J. Quinn, Clarence T. McDonald, Frank M. Hayes, Joseph G. Murphy, James D. Oakey, Peter J. Murphy, Frank A. Daley, Thomas J. Butler, William Welsh, William Orth, John A. Shealy and Charles J. Costello, Jr.

The Council invites and in fact gently insists that the above named attend and join the Past Grand Knights Re-union and Revival party, which will begin promptly Wednesday, Dec. 10, at 7 p. m. with a clatter of knives and forks (you won't need the knives) announcing the corn beef and cabbage dinner served by John P. Harding & Co. After that meal is stored away in your contented and busy tummy, our enterprising Lecturer Bill Phalen will conduct a program of entertainment that will keep you amused and interested until the final act.

The charge? Yes, there is a slight charge of ninety and nine cents, and don't tell us we couldn't carry ninety cents worth of corn beef, because that was a long, long time ago. Besides, think of all the vitamins you need nowadays.

PIN RACKET

The Harwood Florales were big tough sun flowers when they met M. C. Fogarty's Men's Wear outfit last Tuesday and went home with all three games tucked in their daisy chain. Roy Murray boosted his standing with 201.

Foley's Grill won their first two games and then dropped the last to Costello & Son Boosters. Frank Gould had 215, and Marty Moylan 201 for their respective teams. The Midland Pipes downed Ed Riley's Insurance Writers for two games, McGillivray of the Riley's knocking over 210.

In the family quarrel between Frank M. Hayes Barbeques and the John J. Hayes Hatters, the Barbeques were luckier in two games. If our decipherring the score is correct, Winterhalter rolled 200 and Gibbons rolled 226, 213 and 205. We will appreciated the scorekeepers sending us readable copies of the scores. Thanks.

THE SOUNDING BOARD

In former years, our Financial Secretary has been including in the dues statements a donation to the Chicago Chapter Christmas Cheer Committee. No such arrangement has been made this year, leaving it to each member to make direct their contributions to the Christmas Cheer Committee. We hope each member will be as generous as possible to this worthy and needful cause, remembering that in this sorely harassed world, CHARITY STILL BEGINS AT HOME.

A special communique from the North Pole advises that our old friend, Santa Claus will be present in person at the Children's Christmas party, Sunday, Dec. 21, to give us the privilege of a pre-Christmas visit. You may be sure he will keep his word, in spite of priorities, patrols and premiers.

Do you remember when some one said "Prosperity is just around the corner?" There are so many terrifying and bewildering things just around the corner now that we hate to make the turn. G'BYE.

(There are 107 leper colonies supported by the Propagation of the Faith. Your donation will do much to still the throb of the nerve pain which is the lot of the leper.)

CHICAGO—The Crowe Night Owl Women's League here, factory pin circuit, has a most unusual starting time. The girls start bowling at 2 o'clock in the morning.

Nazareth Recalls Time Is Near for Christmas Cheer

2-4 Tues. . . . 17 W. Harris, La Grange

Well, ye olde scribe, somewhat battered after having put in another of those twelve-hour days which are getting to be too common for comfort, answers the gong once more and comes up off his stool still swinging. Must be the streak of Irish in his makeup that keeps him coming up for each round. We Irish haven't any sense anyway. Well, we sit down before Miss Underwood No. 5 and try to collect a few scattered thoughts to put together and call it a column.

Christmas is coming and will be with us before we realize it. The purpose of that squib is to remind you that this year, as in previous ones, the Chicago Chapter will have its annual Christmas Cheer Fund. It should not be necessary for us to remind you of the enormous amount of good that is accomplished with the money we place in this fund each year. Many a youngster's eyes are made to sparkle and many an old person's heart is made happy at Christmas time through the generosity of our brothers throughout the Chicago area.

Nazareth has always contributed generously and we feel sure will do so again this year. It only takes a little to accomplish so much, and listen, men, you have just received your checks for your Christmas savings funds. If you haven't, you soon will. Well, how about pinching off, say, just one buck for the Christmas Cheer Fund. You'll never miss it and your own Christmas will be just that much happier. Please, don't forget.

Speaking about Christmas reminds us of several other things. You men of the Third Order of St. Francis, have you made your annual retreat yet? If not, you had better get going. The remaining time is getting very short now, so we suggest that you make your plans now and attend one of the remaining retreats of the year.

Another and very important thing we call to your attention is the matter of your council dues and assessments. How do you stand? Much as we dislike to keep harping away on one subject, we feel that this is one of such importance that we would be remiss if we did not call it to your attention. The end of the year is fast approaching and we know you would want to have the books of the council closed with your name on the right side of the ledger. Get your remittance in now to cover the period ending Dec. 31. Remember, after Christmas you will be broke, so do it now.

PIN POINTS

Due to the early deadline last week we were unable to give you the news of the bowlers. It looks, however, that the doings of the last week will make up for it. The west-end mastodons of the mineralite have gone and got themselves in a free-for-all. It might have appeared from past results that the battle would be between the Elms and the Universals, but from appearances now, neither of these teams can afford to sit back and relax.

The league leading Elms, who have been battling the Universals for that coveted first spot, put themselves three games in the lead last Monday by taking that many from the Triangles. The Universals, not to be outdone, came through by taking three from the Lindys. The McGoughs, occupants of the cellar, dumped the Watkins three straight. The Lukes team took two from the Fairviews and the News Agency took two from the Leo's Chickens. With the shooting of these games came several changes in the standings. The Big Four, viz., Elms, Universals, Triangles and Fairviews, lead the league in the order named. Incidentally, the Fairviews are but one game behind the Triangles.

The News Agency pulled themselves up into a tie with the Lukes team for fifth spot. One game behind them comes the Lindys. The surprise performance of the week was played by the McGoughs, up to now the undisputed occupants of the cellar. By trouncing the Watkins they jumped out of the cellar into a tie for seventh place. This makes a tie for two spots, the fifth and seventh. In the cellar now but only by one game, are Leo's Chickens. An off night by any team now would cause great damage.

Standings: Elms won 24, lost 6; Universals won 21, lost 9; Triangles won 18, lost 12; Fairviews won 17, lost 13; Lukes and News Agency tied with 13 won and 17 lost; Lindys won 12, lost 18; Watkins and McGoughs tied with 11 won and 19 lost; and Leo's Chickens won 10, lost 20.

Damen Cabaret Party Is Tomorrow (Saturday) Night, Parkside Hall

1-3 Thurs. . . . . 6 N. Hamlin Ave.

Saturday is the night of the Damen Cabaret Party at Parkside Hall, 444 N. Parkside Ave. Dancing, entertainment, refreshments and eats. Entire cost only one dollar and ten cents per person.

Lecturer George Reithal, Jr., has not left a stone unturned to assure you a pleasant and enjoyable evening. All that remains is your individual support by attendance to make this party a complete success.

Damen Council wishes to add its feeble words of congratulations to Brother Wm. J. Cassidy who was singularly honored at the "Bronze Tablet" dedication in the new Damen Hall. Rev. Nicholas Mann, S.J., pastor of Holy Family parish, stated that the earnest unselfish zeal of Wm. J. Cassidy, more than anyone else, was responsible for the "second wind," (so to speak) of Holy Family Parish, the new modern Damen Hall and that it was only fitting that his name should be the first to appear beneath the name of Rev. Arnold Damen, S.J., founder of Holy Family parish.

NEWS BITS

We regret our information regarding the illness of Mrs. Caulfield, wife of our Grand Knight, was slightly in error. Mrs. Caulfield is resting peacefully at the Garfield Park Hospital after a double major operation. We hope for a complete recovery real soon.

Bro. Parke Brown's daughter, Mrs. Arbor, is on the road to recovery after an emergency appendectomy at the Lorretta Hospital.

Bro. William Page is confined to his home due to an attack of sciatic rheumatism. We hope the speedball king of the Merry Men has a speedy recovery.

Bro. James I. Feeney of the "Everywhere West R. R." will receive his pension in the near future. Bro. James I. has always been so active, especially on Christmas Cheer, that we had no idea he could possibly be of pension age.

Bro. Tom Cullen has been going around with his curly head elevated lately because lovely Patsy Colfer, daughter of Bro. Al Colfer, had her picture in a certain monthly magazine. P. S.—Bro. Tommy is little "Patsy's" godfather.

THE MERRY MEN

Tuesday night, Nov. 18, was turkey night for the Damenite Bowlers. Lucky winners were: President R. McJohn, F. Murphy and P. Brown.

The Kelly Couplers won two games from the leading John J. Gormans. Capt. Tom Cullen of the Gormans was a big help to the Kelly's. Joe Kulisky, captain of the Kelly's, was out to win a turkey but settled for a goose.

The Stack Typewriters won a pair of games from the McEnery Realtors. Sponsor Tom Stack called on Bro. Pat Stack for assistance to aid his typists while Capt. Bill Page is on the shelf. L. McCann was high for the Realtors.

The Brown Plumbers and Cassidy Tires had a close contest. Both teams rolled the same total pins for the evening, BUT the Browns won two games and are now but one game out of first place.

The Reliable Credit won two games from the McMahon Undertakers. This contest was the longest on record, lasting almost three hours (you know a regular summer game).

Contrary to the opinion of most people rabbits are good swimmers.

Blue Island Sponsors Dance in Benefit of 'Smokes for Yanks'

1-3 Tuesday.....Gregory and New St.

The ball is rolling and gathers more momentum every turn. Toward what, you ask? Why haven't you heard about the dance for "Cigarettes for Yanks" that Blue Island K. C. are sponsoring on Friday Nite, Dec. 5.

The place is St. Benedict's hall. The admission price is two packages of popular brand cigarettes per person. Music will be furnished by a five-piece band. The bar will be open under the supervision of Joe Wieland and his gang. Your Council will be proud indeed if you turn out for this occasion accompanied by another couple as all civic, fraternal organizations will be present.

Our Council has been taking an active part in the citizen's Patriotic Group and it's through that agency that the cigarettes will be distributed. City officials, prominent citizens, will be there. Make it your business to be present.

MOVING UP

The Council is on the move again. Keep out in front, attend the doings, get that new application signed, be a real member. At our last meeting some of our lads certainly were lucky. Turkeys and more turkeys were given away.

The winners list is too long for the column, so we will just say plenty were won. A fine crowd was present, sandwiches were furnished and a good time was had by all.

Congratulations to Bro. Robt. St. Aubin, our Warden, upon his marriage last Thanksgiving Day at St. Benedict's Church. To Frank St. Aubin we say that he will have to attend the meetings now cause Bob can't.

Outside Guard James Hickey will be busy explaining why the "pep meeting" last Saturday nite at Oak Forest. Understand Bro. Paul Ulrich had some real first hand "Brother Knight" experience on that same night or was it morning? Bro. Fred Barzen out on Burr Oak and Cicero Ave., where he operates a gas station and sandwich shop and a tow truck, did the trick for Paul, Thanks, Fred.

BOWLING

On the alleys last week the Hickeys were really hot. They had to be 'cause Einhorn Bevs. were sizzling too. The Morticians took two games and grabbed high team series with 2854—they hold high team game with 1007. Capt. Parsons had a 568 for the winners with Novak getting 527 for the losers. The Marks team were beaten at the end of the evening but upon awakening the next day found an extra pin and took two from Haas.

Thanks to League Sec'y Parsons who found the pin the tie game shouldn't have been, and lucky Marks won with Judge Seyfarth setting the pace with 530. Setting the pace for Haas was Zamartuk with 513. D. Boyd was bowling duckpins, they say.

The Gerdes Builders took it on the chin for two games from Landgrafs with Creighton rolling 489 and J. Gabay of the Builders getting 492. The Martin Five whitewashed Hallinans three games with Klein somehow or other finding himself with 560 for the evening, with Florist Horwath rolling an even 500. The standings are close and but few games separate the leaders from the tail-enders.

To the bereaved family of Bro. Eldon Juby, Blue Island Council extends its condolences and sympathy. Bro. Juby passed away last week and was buried from St. Margaret's Church. May his soul rest in peace.

Attend Loyola-Hyde Park Council's "Fiesta Night," Saturday, Dec. 6, at 6308 Woodlawn Ave.

Calumet Enjoys Fine Attendance at Degree Class

2-4 Mon. . . . . 6646 Stony Island

Last Monday Calumet was host to surrounding councils in putting on the First and Second Degrees. We had a very good class and our officers' work in putting on the degrees was splendid. Those who took the degrees were Dennis Cummings, John Lyons, Ralph Gaking, Joseph Duchak, Thomas LaMasney, Paul Payette, Frank Conry, Casimir Szymanski, John McDonald, George Petit, and James Nelson. To all of these new members we say, "Welcome to Calumet."

The officers of Calumet appreciate the support of the other councils that participated in the degrees. Among our noted guests were: from Genoa Council, G. K. Stadler, Fin. Sec. Philip Jordon, and Scribe Francis Poynton; from St. Philip Neri Council, G. K. O'Neil, P.G.K. Quigley, Treas. Bitters, Rec. John Minor, and Fin. Sec. Henry Doolin; from Garcia Moreno, G. K. John Mech, Leo 'Pop' White, P.G.K.; Joe Dehnert, D.G.K.; Mem. Chair. John Begnoche, and Fin. Sec. Louie Beaupre; our Dist. Dep. and P.G.K. Guy Macina and Frank McMahon, who was the Inquisitor of the degrees; while from Pinta Council we had G.K. Stanley, D.G.K. John Stepenski, and John Zmarche; G.K. McGuire and P.G.K. Lawler represented Loyola-Hyde Park Council.

It was good to see Joe Cummings (of the Drexel Ave. Cummings), Thomas D. Dillon and a lot of the old-timers at the meeting. Keep on coming up, fellows. All members know Joe Cummings from over on South Park at 79th St., a former officer and an active and interested member. For many years Joe has sponsored a team in Calumet's Bowling League. We salute you, Joe Cummings, a grand fellow and a real Knight of Columbus. We hope your team, the Cummings Morticians, climb out of the cellar and put someone else there. (Anyone but the Whalens.) Joe's son, Dennis F., was a candidate last Monday night.

SUNDAY EVENING CLUB: "Hit the Jack Pot" is the name of a new and novel program to be given by the Sunday Niters on next Sunday (Nov. 30) in the council clubrooms. According to a report received from Frank Davis and John Lawler, co-chairmen of this activity, all of the jack pots that you have missed in your lifetime fade into significance in comparison to the "Jack Pot" of the Sunday Niters.

NEW YEAR'S EVE PARTY: If you miss this party you will be kicking yourself for the next 40 years. It is Calumet's 40th Anniversary, to be presented at Perez clubhouse, with plenty of refreshments . . . a spot on the dance floor . . . music by a noted band. If you will leave two bucks with young Wilf Byrne, he will reserve a table for you. If you miss this affair, you will be in the doghouse for a year.

D.G.K. REPORT: Jim Higgins was injured in an accident at work. Drop around to 205 E. Marquette Road and see Jim. We regret to announce the death of Bro. Ray Murphy's wife, also the death of beloved Eddie Connors, who joined the council in 1909 and received his Fourth Degree in 1914. About 75 members attended the wake on Thanksgiving Day. Calumet also acted as pallbearers at the funeral. Eddie's death comes as a shock to all of us. Two nights before he died he was up in the clubrooms talking and kidding with us for quite a while.

When you hear news like this it takes something out of you and makes you stop and think. Are we all ready to die? Have we all led the devoted, good and clean lives as Eddie did? Eddie was a perfect example of a Knight of Columbus. Always ready to help, with a true spirit, all of the chairmen of the committees. I don't think I can put into words what would express the sorrow of the members. Calumet certainly will miss Eddie Connors. May his soul rest in peace.

SCRAPS: Jim Shinners just missed the hall of fame in bowling the other night. He had a 278 game and a 665 series. Eleven strikes in all. Too bad, Jim. Al Munno gave a sparkler to Rose Chianelli Thanksgiving Day. Vinc. Sheridan was elected Pres. of the Loyola Alum. the other night. Mon. evening Genoa Council will honor P.G.K. Jim Riley, Jr., at their clubrooms. All officers, members, and friends of Calumet are invited to be present.

Don't forget Loyola-Hyde Park's Annual Fiesta Dec. 6th, at 6310 Woodlawn Ave. Admission is only 25 cents and a very enjoyable evening is promised.

Someone has rather accurately described the elephant as looking as if it wore buggy trousers that always needed pressing.

Attend Loyola-Hyde Park Council's "Fiesta Night," Saturday, Dec. 6, at 6308 Woodlawn Ave.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

ST. CYR BOWLERS NEAR END OF FIRST ROUND

1-3 Mon. . . . . 1609 N. Halsted

Ever so often comes a time in a Scribe's writing when news of general interest is lacking. Big events, like the Century Club celebration and the softball party, are history, and other events such as the annual Christmas Party and the big dance are still in the future. However, we have picked up enough odds and ends to make a column.

BOWLING

The bowling tournament, according to Sec. "Coke" Coniglio, is now drawing to a close in the first round. There are four more nights. The standings to date follow:

Team.	W.	L.
Erie Clothing	21	12
Maniscalco	20	13
Cheer-Up	19	14
Cancilla	18	15
Rubinelli	17	16
Bond's	17	16
Lucania	17	16
Falson Elec.	17	16
Dr. Lendino	16	17
Racine Fuel	16	17
Archer Glass	16	17
De Cola	16	17
Strano	14	19
Mohawk	14	19
Continental	14	19
P. J. Morreale	12	21

Although Erie Clothiers lead the pack, it is Bond's Clothing making bowling history. Last week it was the all-time high single game. This week, led by Hank Maggio's 571, the Madison St. lads totaled a 2582 in 3 games to again break the record for the season's high. Lucania was a poor second with 2402 and Erie followed with a 2346. Racine Fuel managed to capture the evening's high single with 919. In the individual scores Joe Cannizzo's 223 won the high single, topping Coniglio's 214.

CYR-IOUSLY SPEAKING

Upon a motion made and passed St. Cyr will have Mass said for the repose of ex-Warden Ed Dupere, whose passing away was not reported to the officers in time for a council wake.

We are sorry to report the death of the mother of Bro. Carl Latino. A large group of members attended the wake at Louis De Cola's chapel on Tuesday evening. We join the many friends of the deceased in praying for the repose of her soul.

It was a different sort of a bird that arrived at Dr. Tee Nicosia's home for Thanksgiving last week. This bird could fly and left a large size baby boy at the aforementioned home. Latest reports that mother and baby are doing well. A good place to give out cigars is at the meeting next Monday, Tee.

"Slug McGee" Jim Wing was appointed by G. K. Maggiore as chairman of the Christmas Cheer Fund, a post filled well by P. G. K. Wittenmeier for several years . . . A good cause and a good chairman . . . Contributions of 25c or more from each member is the goal of the committee.

Nick Massaracchia and his harmony masters, aided and abetted by Joe Bunzol and Sam Greco, supplied the music at the last meeting. The younger element danced and engaged in some "floor show" scenes, much to the delight of the older folks, who were content to call the evening a huge success . . . The gift to Jim Cappetta was a beautiful belt and buckle with the K. C. emblem inscribed thereon . . . Congratulations to P. G. K. Judge Joseph Burke upon his recent installation as Exalted Ruler of the Chicago Elks lodge . . . Did anyone find a brown sport jacket at the softball party at 333 North Ave several weeks ago? . . . If so, contact Joe Zeno, 1303 Mohawk St

The butchers who served St. Cyr in the turkey distributions are Liborio Patti, Joe Cippola, Gaetano Strano, Henry Mareci and Sam Piraino . . . Joseph Triolo has been confined at the Alexian Bros. hospital, where Mike Cavaretta and Vic Priola recently contributed blood . . . Constantine Pappas has left St. Joseph hospital and is now recuperating at his home, 2952 Flournoy St.

Joe Cannizzo's high sincle 233 and your Scribe's 84 pins above average, won the two turkeys donated by the Lucania boys and the Rubinelli boys . . . Incidentally, "Slug McGee" Wing and Tony Cancilla won theirs at the La Salle General Assembly . . . The latter and Joe Arcuri were not at the alleys last Wednesday . . . And we suspect for a very good reason . . . Jim Giambrone's romantic endeavors will soon come to a successful termination . . . Don't be surprised of an engagement announcement in the next few weeks . . . and then wedding bells so that Jim need not travel to Chicago Heights three or four times a week . . . "Curly Locks" John Alongi is seen more often at the meetings now that he gave up bowling on Monday evenings . . . No news on the dance, so that we assume everything functioning nicely . . . You "would-be" hunters take note . . . G. K. Joe Maggiore and Rudy Johncola bagged maximum number of pheasants and rabbits . . . Editor Harold Du Chateau's knife slipped on Thanksgiving Day and sliced our column last week instead of the turkey. (Well, Sam, I had to get back at Clarence Wittenmier somehow for not slipping me a turkey at the Assembly Party Tuesday. Wait until next MAY! I'll really get him.—Ed.)

McHale to Honor Tom Mulroy, P.G.K., Next Tuesday, December 2

1-3 Tues. . . . . 150 W. 69th St.

Our next meeting will be on Tuesday, December 2, and will be devoted to honoring our newest Past Grand Knight, Thomas Aloysius Mulroy.

Tom has been a McHale member for a number of years and has always been an active and willing worker for our council. Don't miss this meeting—you'll enjoy it and furthermore I believe Lecturer Leo Wemple will have something for each of us after the meeting.

CHRISTMAS CHEER

In just a few more weeks the Chicago Chapter Christmas Cheer Committee will again start out on its annual task of providing toys and other gifts for the hundreds of children and old folks in many of the institutions of Chicago.

However, it will be impossible for them to play Santa Claus to anyone without your help. When our F. S. Earle Edgeworth adds to your next invoice for dues, the small item of twenty-five cents for Christmas Cheer, don't be a "piker" and not pay it—be a good fellow—be charitable, send in as much as you can.

HERE AND THERE

Genoa Council invites us to attend their night for P. G. K. Bro. James Riley at 7439 Cottage Grove Ave. on Monday, December first. . . . Bro. John Lee has returned to his home from the hospital where he was confined for some time. . . . We regret to report that the mother of Brothers John and Harold Rodi was struck by an auto last week. Just how badly she was injured we don't know. . . . Wonder were Bro. Dick Desmond is keeping imhself these days—has not been to a meeting for a long time. . . . Bro. Tom Hackett sure got a workout helping with the memorial services, Recorder Ed McGuire kept Tom on the jump. . . . P. G. K. Bob Darcy says he will be at the next meeting sure. . . . Bro. Dr Frank Ryan gave the boys a little dope at our last meeting on how to bet on the Notre Dame-Southern California game

Were you one of the many McHale members who attended our meeting Tuesday, Nov. 18? If you were among the missing, you missed a wonderful meeting. Our services were conducted under the direction of Grand Knight John J. Kelly. They were well planned and very impressive.

The speaker of the evening was Past Grnad Knight, Bro. Frank McGillen of Genoa Council who delivered an eloquent address on "Our Order and Its Dead." And the vocal selections were rendered by our old friend, Bro. Jack Cunningham of Perez Council.

After the services, the gavel was turned over to Lecturer Leo Wemple who gave away six huge turkeys to the following lucky ones: Tom Flood, A. R. Zelinko, Martin Poole, Geo. F. Stokes, Bill Schaefer and Leo Wemple.

This week we would like to tell you something about another sponsor of a team in our bowling league, "Moninger Jewelers." This concern is located at 37 South Wabash Ave. (5th floor); telephone Dearborn 7280. It is one of the most complete and outstanding jewelry concerns in the city. The owner of this company is our own popular Deputy Grand Knight and President of our bowling league, Thomas J. Garvin, who also is now in his 26th year with the Continental Ill. Natl. Bank and Trust Co. Tommy, perhaps, is one of the best known and best liked persons on La Salle St. For years he was in charge of the personnel department, and at the present time is a "Stocks and Bond Trader." When downtown drop in at the Moninger Jewelers. Tommy's employee's will be pleased to show you around.

Thackeray tells of an Irish woman begging alms who, seeing him put his hand into his pocket, said: "May the blessing of God follow you!" But when he only pulled out his snuffbox instead of the expected coin, she immediately added, "But may it never overtake you!"

MADONNA PARTY RATES NEW SUCCESS HONORS

2-4 Fri. . . . . 4624 Emerald Ave.

Without a doubt, it was a knockout. You said it kid! Madonna's Thanksgiving Eve dance was a lulu, just as it always is. And we finally convinced his nibs, the Squeak of Randolph Street, that our affairs are just what we say they are—and let's see him deny it.

[No sir, we won't deny any part of it—you kids certainly know how to party. From the very first, when after sneaking by that chubby rascal at the door, we crawled up from under our table, until the very last, when we slipped as quietly back, we enjoyed a real hooper-doer. Only once did we have any trepidations about coming and that was the few minutes that we were being chased by a runaway Conga line. Even then—after sighting comely little Mary Lynch, who headed the darn thing—we were convinced that getting trampled to death that way could be pleasant. Yes, sir, the editorial hat and bonnet are neatly dipped in a three-plume salute. You kids can really swing it.—Ed.]

The Illinois Room at the Hotel La Salle was comfortably packed with one of the largest crowds we've had at such an affair in some time, and Duke McGrath is to be congratulated on his fine handling of the dance.

With DGK Marty Morrison, Duke and Eddie Griffin providing some impromptu vocalizing, and Joe Bell and Mary Lynch executing some werry, werry neat dancing, the mob enjoyed itself thoroughly. On the antics of our relatives we shall draw a discreet veil of silence. This also goes for his nibs, the Editor.

WHAT WAS NICE

about the dance was the fact that quite a few of the "old" regulars showed up. Folks like John Houlihan, "Bud" O'Leary, John Walsh, Capt. Andy Barry, Dr. Frank Fiore, Joe Boardman, Tom Byrnes, Mike Latchford, and Forrest Bordelon. Among the younger "regulars" we spotted GK Raleigh Kean, George Noonan, Wally O'Keefe, John Pollick, Tom Carmody, Ed Goeing, Larry and Ed Kean, Pat Smith, Danny Wilson, Matt Purpura, Ed Barry, Frank Jackson, "Hank" Ryan, Jim Quinlivan, Frank Speck, Dr. Charlie Zadjinski, Ollie Kenny, Bob Fitzgerald, Dr. Frank Smith and Vin Donegan.

It was a grand party and we hope those pictures that Frank Jackson snapped will develope O.K., especially the one of O'Keefe. (Note to his dad: Virginia Dare was active again). Next party, New Year's Eve—and the next, St. Patrick's Day.

COMES A NOTE

from Grand Knight Jack McGuire of Loyola-Hyde Park Council anent his council's big pow-wow of the year, their annual FIESTA, to be held on Saturday night, Dec. 6, at the Woodlawn American Legion Hall, 6308 S. Woodlawn Ave. For the admission price of 25 cents per person you get dancing, a floor show, a crack at some gifts, and if you want to shake loose a few nickels you can have food, refreshments and the opportunity to compete with everyone else for a hundred cartwheels. For two bits this seems like a dream, and if you don't believe this, read Loyola's column.

And from Genoa an invite from the eminent Frank Poynton to attend the meeting at which his council will pay honor to Past Grand Knight James F. Riley. This shindig is scheduled for Monday night, Dec. 1, at the clubrooms, 7439 Cottage Grove Ave. Refreshments? Of course! Tsk, tsk, all the invites we've been getting.

HERE WE GO AGAIN

As the years roll along we've found the best method of presenting the subject of Christmas Cheer is to sneak up behind you and slap you on the nut with a blackjack. In most cases this is sufficient to wake up the reticent boys, but then there is the perfectly numb gent on whom we have to practice "The Charge of the Light Brigade" (compliments, Commonwealth Edison Co.) before he realizes that we are spikking to him. So-o-o-o, cough up the regulation four bits, or, as we suggested last week, beat the treasury department out of a little bit by increasing the ante. Can you hear us?

TONIGHT IS FRIDAY

we hope, unless the postoffice changes our mind. It is also meeting night at Madonna Council and it marks the beginning of our Laplanders' Club. To those of you who are not hep yet, at each meeting we drop into some lucky member's lap five silver milk tops. Aw, come on, it's lots of fun. After the regular meeting there'll be keg-lined kelp milk mit pretzels and kitties on the table. And don't forget on Thursday eves the boys chase the 66 game up and down the walls.

THE WIND

blew in from the south tonight, carrying with it a few fragments of bowling news. It seems like the Duffys are determined to keep the lead while the Millers are in a dangerous slump, battling the Goldens for the prime cellar spot. The rest of the teams are sprawled in between while O'Connells shoot a little African dice.

Marty Morrison has been bringing heartthrob along lately—and getting h fever. Duke McGrath rolled high se of 571 to the chagrin of several of boys—particularly Ed Barry.

We can't look, but the scores be you lie:

	W.	L.		W
Duffys	15	3	Keans	
Boyles	13	5	O'Connells	
McCarthys	9	9	Goldens	
Doodys	8	10	Millers	

When are those mixed doubles con up, Jackson?

Johnny Miner Is Named 'Prexy' of Softball League

John Burke Is Voted Vice-President, Nick Masse Secretary, at Annual Elections

John E. Miner, an outstanding member of the Knights of Columbus Softball League here for the last eight years, was voted to head that athletic organization for the 1942 season in an unanimous vote of the league delegates last week Wednesday at the Midwest Athletic Club.

Named to serve with the new president in the annual election were John Burke of St. Patrick's Council, vice-president; Nick Masse, St. Francis Xavier Council, secretary; John Logan, Fort Dearborn Council, treasurer, and Joseph Hannapel, Englewood Council, sergeant-at-arms.

In electing Miner to the top administrative post of the Knights of Columbus League, the delegates acknowledged the young man's eight year record of service to Knights of Columbus softball activities that began in 1933 when he played with St. Philip Neri's team, and served the league as a delegate and team manager.

In addition to his present office, President Miner has also acted as league treasurer, secretary, publicity director and, until last week, as vice-president. He is a graduate of Mount Carmel High School and of De Paul University, and is now serving as Recorder of St. Philip Neri Council.

Other New Officers

The newly elected vice-president has been a member of the Order for twenty years as a member of St. Pat's Council. He has been an active player, league delegate and league officer holding the positions of sergeant-at-arms, publicity director and secretary.

The new secretary is known to league supporters as the former playing manager of the fighting aggregation from St. Francis Council. His conduct as a player, manager and league delegate makes him qualified to serve in his new office. During the 1941 season he was sergeant-at-arms.

One of the most loyal supporters of the softball league has been elected treasurer. He hails from Ft. Dearborn Council where he held the office of treasurer of the bowling league and has acted as manager of the softball team for the past four years.

The new sergeant-at-arms, Joseph Hannapel, has been active in K. of C. athletics for years, dating back to the old handball league when he was one of the star players. His faithful support of the league will make him an asset to his fellow officers.

Honor "Prexy" McGreal

The league, its officers, delegates managers and players owe a vote of thanks to Joe McGreal, its retiring president, for his efforts in their behalf. He gave unselfishly to make this league the best of its kind. His own council is honoring him on Monday, January 26, at the regular meeting of St. James Council at the Hayes Hotel, 64th and Woodlawn avenue. All his friends and acquaintances are urged to attend this affair in his honor.

Chapter Opens Drive for Christmas Cheer Donations

Contribution in Behalf of Orphaned and Aged Here Is Asked of Every Local Knight

By Harry Gerardin

The Christmas Cheer Committee enters the "Where-with-all" phase of its labors with this issue of Columbian.

The letter you will receive shortly opens with "A word explaining Christmas Cheer and we have your complete understanding."

You know, of course, that there are many thousands of children in Catholic orphanages and institutions such as the Ephpheta School for the Deaf, and the St. Joseph's Home for Friendless, in addition to the even larger numbers of youngsters, the little ones of a great city's poor families, who are mostly identified with our day nurseries, settlement houses and similar establishments.

These lads and little girls are now excitedly contemplating the approach of Christmas. They're hoping. Oh, they have some awareness of their personal status. They'd like electric trains and big doll houses but they're sensible about it and know that's a little too steep for them. It's O. K.; they aren't envious of the good fortune of contemporaries lucky enough to abide in the loving protection of affectionate fathers and mothers, of uncles, aunts and other relatives who are able and eager to do for them. But, for the unfortunate poor for whom we now speak, if no one remembered them with even one little present, what a bleak Christmas; what a heart-breaking disappointment that would be! God forbid that to happen here.

Ask Unanimous Support

Long before the phrase "Catholic Action" had been minted the Knights of Columbus of Cook County had taken cognizance of the plight of these little ones and a Christmas Cheer Committee was instituted to bring a little of the holiday happiness to the orphaned, the crippled, and children of the poor, and to the aged folks in the old people's homes. From its earliest beginnings, the Ladies of Isabella have zealously worked with this committee, looking after the little girls while the men concentrate on the boys.

Do you approve?

The letter which will reach you in a few days presumes that "this work among orphaned receives your warmest approbation." Surely you would not dispute that.

This yearly communication is mailed to every member of the Order of the Knights of Columbus within the Chicago Chapter area. Very briefly it tells the story of the orphaned, crippled and aged in Catholic institutions of Cook County; of their heartfelt hopes for some personal Christmas remembrance from "outside"; of our aim to satisfy that longing; and of the only means we have for meeting its cost—your individual generosity. Please look for this letter and act upon it when it comes. For the sake of the little ones involved, don't let it go out with the waste paper until it has served its high purpose.

K. C. Santas Visit Homes

Toys and sweets are bought and distributed to the youngsters: from a Knight of Columbus Santa Claus straight into each starry-eyed child's waiting, eager and hungry arms. More practical gifts rest beside the Christmas breakfast plate of the old men and women in old people's homes.

Christmas parties are staged everywhere and the calendar of visits to the larger places will be published here soon. Watch for it and give yourself the pleasure of witnessing one of these wildly exciting events in the lives of the poor children. Fol-

Martin J. "Marty" Hough, veteran member of Father O'Connor Council here and a leading figure in past Chicago Chapter Christmas Cheer drives will head the committee promoting the annual benefit campaign again this year. The 1941 drive will mark the thirtieth such annual campaign sponsored by the Chicago Knights.

SIR KNIGHTS TO ENJOY CHRISTMAS GIFT NIGHT ON WEDNESDAY EVENING

Sir Knights of the La Salle Assembly, Fourth Degree, will be entertained next Wednesday evening at the Assembly's "Christmas Gift Night." The annual party, one of the favorites among the Fourth Degree men is to be held at the Palmer House.

In addition to several excellent entertainment numbers, Santa Claus will be on hand to present each member with a personal gift. Admission to this, the last of the 1941 Assembly parties, will be by membership card only.

4 Major Degrees Mark 'First Half' in Member Drive

Third Degree Exemplifications This Week Will Put Total Intakes Near Thousand Mark

Four major or third degree exemplifications are scheduled within the next ten days as a wind up of one of the most productive six months' period of membership increases that the Chicago councils have experienced in more than a decade. An average of over a hundred First and Second degree candidates will be inducted in each of the four classes. With the addition of these candidates to full Order membership the total intakes for the Chicago units since July 1 will soar well beyond the 900 mark.

First of the scheduled four major exemplifications will take place this evening at St. Rita Council, 6710 South May street, for candidates from councils in South Sections 2, 3 and 4. On next Friday evening, Dec. 12, St. Cyr Council will be host to the north section councils in an exemplification at De Soto's Hall, Clark and Belmont avenue. Candidates from all councils in the three west sections will be inducted at the St. Francis Xavier exemplification Sunday, December 14, at St. Philip's gym, 3141 West Jackson boulevard.

Both of the evening exemplifications—tonight's and that of next Friday—will convene promptly at 8:30. The St. Francis class on December 14 will get underway at 2:30 p. m. All financial secretaries are urged to be on hand with their council candidates at least forty-five minutes before the degree work is scheduled to start.

"Dad and Sons Class" at Barry

A great amount of enthusiasm is being displayed in what is apparently a novel innovation in connection with the membership campaign as it is being staged by Commodore Barry Council No. 1118. At a meeting last Friday evening, some seventy-five "Dads," practically all charter members of the council, assembled to formulate plans for the initiation of their sons and friends at a special "father and sons class" to be held on Sunday morning, January 4, 1942, at their clubhouse.

These members, better termed the "Dads" or foundation stock of the council were filled with zeal and fervor in anticipation of the event. Arrangements, in the making, are for the fathers, their sons and friends to meet at the clubhouse on that Sunday morning, proceed to St. Matthews Church, approach Holy Communion in a body, then return to the clubhouse where breakfast will be served, after which they will participate in the ceremonies incidental to the initiation of their "boys."

Memorial to Early G.Ks.

As an additional commemorative event, this initiation will be designated as a memorial to two of Barry's first Grand Knights (now deceased) and will be known as the Charles L. Chambers and John L. Barrett memorial class. It is anticipated there will be some 75 to 100 candidates on hand for this occasion.

Christmas Cheer—

(Continued from page 1)

low them and their new presents into the classrooms or quarters and you'll soon find yourself on the floor, helping to put a mechano set together or to solve some other problem for an enthusiastically friendly young fellow who has just adopted you. It's a sensation you cannot soon shake off. Nor will you want to forget it.

When this happens to you, you will be greateful for my tip that you watch for the coming of the Christmas Cheer letter and that you promptly and generously heed its request. If you can afford a quarter, but no more, swell! If everyone put just that much into the fund, it would be ample. But just the same, checks are most gratefully accepted and needed for many of us put off and then forget this Christmas duty to the orphan and the poor.

Major Degrees—

(Continued from page 1)

According to Grand Knight Bernard J. Cunningham, a suitable program will be staged following the degrees at which time it will be possible for all of the new members, their "dads" and friends to get together and fraternize in the manner which has resulted in the cementing of friendships for years to come.

"Everyone knows how near and dear every son is to his dad," Cunningham said, "how he has dreamed that through the proper instrumentalities he might grow to manhood, accomplish many successes and truly be a credit to society. That these boys might make the right start in that direction, that their dads might have the opportunity to accomplish this end, this class is being arranged. The many befitting ceremonies, we also feel, will long be remembered by the boys as they grow into manhood and will enable them to better shoulder the many responsibilities of life as the various problems confront them."

Turns in 26 Applications

Another interesting sidelight in the current membership campaign is supplied from St. Francis Xavier Council where Sir Knight Anthony Manzo recently turned in twenty-six signed applications. Since the average increase for each council in the jurisdiction during the last six months has been 15 members, Bro. Colleta has, by his own efforts, almost doubled the best work that an entire council could do!

ST. RITA HIGH SCHOOL FOR BOYS HAS LARGEST ENROLLMENT IN WEST

St. Rita High School, a select school for boys conducted by the Augustinians, formerly opened its 1941-42 school year with the largest enrollment in the history of the school—1335 boys. From reports received, it appears that this enrollment is not only the largest of any boy's high school in Chicago, but also west of Pittsburgh. The freshman clas snumbered 455 boys.

Due to the increase in student body, the faculty has been augmented to fifty members. The following are the new members on the faculty: Reverend Mortimer Foley, O.S.A., of the Catholic University, Washington, D. C., who will teach History; Rev. John Galloway, O.S.A., Catholic University, Chemistry; Rev. Clarence Hart, O.S.A., St. Clare's, Detroit, Mich., English; Rev. Augustine Lamond, O.S.A., Catholic University, English; Rev. Mario Porreca, O.S.A., Catholic University, Sociology; Rev. C. Edward Stengel, O.S.A., St. Thomas High School, Rockford, Ill., Mathematics; Mr. Charles Baron, Technical Subjects, Mechanical Drawing; Mr. Francis Ernst, Civics; Mr. Paul Germann, Mathematics; Mr. Justin McCarthy, History; Mr. Robert Voelker, English; Mr. Clarence Zacher, Technical Subjects.

St. Rita High School recently purchased a piece of property for expansion purposes. This property is situated on the southwest corner of 63rd street and South Claremont avenue. It extends 150 feet on 63rd street and 125 feet on Claremont avenue.

Inaugurate K. C.'s USO Program

Judge John F. Bolton, right, past State Deputy of the Knights of Columbus in Illinois, delivered the principal address in a half-hour radio broadcast last Sunday that was an inaugural feature of the series of semi-weekly, Knights of Columbus sponsored entertainments to be offered at the N. C. C. S. Service Men's Club at 1122 S. Wabash Avenue here this winter.

Pictured with Judge Bolton are Archie C. Sterling, Army Air Corp.; James R. Wells, U. S. Navy and Arthur Schultz of the U. S. Marines Corp.

Sunday's entertainment was under the direction of Edmund Molyneux, of Father Perez Council, chairman of the Order's local N. C. C. S. unit. In addition to Judge Bolton's address on "The Monroe Doctrine," a half-hour's entertainment was supplied by Father Perez Council for the service men visiting the N. C. C. S. clubrooms.

On succeeding Sunday afternoons, other local councils will sponsor similar entertainments and on Wednesday evenings, a ping-pong tournament will be conducted by others of the sixty-four local K. C. units. Cash prizes and cigarettes were awarded winners in the Wednesday evening contests this week by Chicago Council, which sponsored the initial program.

An additional gift of $700.00 was given Father William A. O'Connor, director of the N. C. C. S. unit in the archdiocese on Monday of this week. The money represented the final returns from the Columbus Day Charity Ball sponsored by the local Knights in benefit of the Service Men's Club and brought the total donation to $2,200.00.

Brownson Names Bro. John Donlan as New Lecturer for Season

2-4 Fri. . . . . 4754 N. Western

Bro. John Donlan is Brownson's new lecturer. John, who was the popular manager of our softball team, succeeds Bro. Walter Evrand who, G. K. O'Neill announced at the last meeting asked to be relieved of his duties due to his work keeping him from devoting his time to the good of the Order. In the short time Walter has been lecturer, he has done a swell job. We feel sure however, that John is well qualified to step into the position.

Warden Tony Miller, as president of the Aldine Club, has extended a cordial invitation to his brother knights, and their friends, to attend the club's Winter Benefit Dance on Saturday evening, Dec. 6, at the Lake View Recreation Hall, 3239 N. Clark St. Besides Bro. Miller, a large number of our members are members of the club.

The dance arrangement committee includes Bros. Marshall V. Kearney, Alderman John Grealis, Frank Babrytzke, Joseph Dvoratchek, Wm. Herdegan, Ed. Schmitt, Joseph Monitor and James O'Connell. Tickets are 35c and may be secured at the door. There will be entertainment and refreshments and everyone is sure of a good time.

DUES

Financial Secretary Wm. Erwin advises that the fiscal year is rapidly drawing to a close and that his ledgers that run for five years must be rewritten, and he would appreciate the cooperation of those who are behind in their dues, if they would pay their obligations before the first of the year, so that balances would not have to be brought forward.

PICK-UPS: Bro. Tim Doody who had been a patient in Hines Hospital for about five weeks is now home and feeling much better.

Otto, of O. K. fame, is back in his old corner at Sheffield and Montana St., and would welcome a visit from his many friends in Brownson.

The Children's Christmas Party is all set for Sunday afternoon, Dec. 28. Be sure and fill in the card you receive with the names and the ages of the children you plan on bringing.

The regular council meeting scheduled for the day after Christmas, Dec. 26, has been suspended. The following meeting date is Jan. 9, 1942. Be sure and read carefully the notice you receive pertaining to our next meeting, Dec. 12. It will be one that no member should miss.

Bro. Walter Ryan has again been appointed a member of the Chicago Chapter Christmas Cheer Committee, and Walter asks that our members show better cooperation to this worthy cause this year. Last year, Brownson's average per member was fifteen cents. The chapter asks for only twenty-five cents from each member to make the orphans and the old people in our Catholic institutions happy. Don't lay your contribution envelope aside. Put your quarter in it and mail it right away.

Fundamentals of Good Home Making Taught at Mundelein College

When a student enrolls in the Home Economics department at Mundelein College, Chicago's skyscraper college for women, she doesn't study just cooking and sewing, but in the course of her collegiate career becomes a well poised, practical homemaker. True, she learns the intricacies of preparing a well balanced delectable meal and by the time she receives her degree is well versed in dress designing.

But the most impertant aspects of the home economics course are those which teach the student interior decorating, budgeting, and buying. The Cooperative Study Group of the Home Economics department last term completed a survey on the cost of the Minimum American Standard of Living.

Under the direction of their instructor, Sister Mary St. Remi, B.V.M., the students took an actual mismanaged Chicago family of four, whose income was $2400 per year, and showed them how to live comfortably on their money. They selected a home for the family, chose the furniture and color scheme, and budgeted such items as food, clothing and operating expenses.

When the college's various clubs plan parties they merely set the date for the social affair and leave everything in the hands of the Home Economics Department. Decorations, food, place cards, favors and even entertainment are provided by the future home makers.

Of the sixty-seven alumnae members who majored in home economics during their college days, 17 are married, 11 are teaching, 10 are dietitians, 6 are cafeteria managers, 5 are demonstrators, 3 are caterers, 3 are nutritionists, 1 is a designer and 1 is assistant foods editor of a local paper.

AMERICUS ENTERTAINS LADIES NEXT TUESDAY

2-4 Tues. . . . . 3350 W. Jackson Blvd.

The next regular meeting of Americus Council will be held Tuesday, Dec. 9, at 3350 Jackson Blvd. A short business session will start at 8:30 and will be over in time to welcome the ladies and start the entertainment of the evening at 9 o'clock.

This is to be our annual Turkey Night and we expect to have a goodly crowd present. The old Kush Keg will again be brought forth and it now contains a goodly sum so you should be there, your name may come up.

At our last meeting four new applicants were voted membership in Americus, namely: John Colfer, proposed by P.G.K. Jim Mooney; William Hogan, proposed by Jim Hogan; Edward Gillespie, proposed by Alderman Jos. Gillespie; and Patrick O'Bryan, presented by Jay O'Rourke. This makes six new members since the first of October and there is no reason why we should stop there; let's keep going and get in that "Quota Made Class."

COUNCIL ITEMS

The mother of Bro. Roy Leigh was called to her eternal reward on Nov. 25. Mrs. Leigh was in her 85th year and was one of the old-time residents of the West Side. To Roy and the family we offer our sincerest sympathy.

On Saturday evening, Dec. 6, the Cornwall Post of the American Legion will hold its annual Buck Party; proceeds of the affair will be used to purchase shoes for the poor children of the West Side. Our Trustee, John O'Brien, is Commander of the Post and the affair is being handled by Bros. Al. Horan, P.G.K.s Kelly and Mooney. Try and help in this worthy cause, brothers. The entry fee is one buck, and it will take place at the Post Country Club, First Ave. and 28th St.

During the past week we received letters from Privates Frank Sattler and Jack Welsh. Frank is still at Kesseler Field, Miss., and has not fully recovered from his injuries; keep plugging, Frank. Uncle Jock is somewhere in the wilds of North Carolina on maneuvers. Both of the boys expect furloughs before the holidays.

The race in the Bowling League has tightened up and from now on we look for a close contest. Last week Papa O'Rourke's babys beat Corso's Olives in the odd game and Costello's Prexies took two from Scott's A.B.s. Stagg had the high game with 213, followed by Harry Ryan with 187.

To bring back memories — in 1910 Americus was represented in the West Side K. of C. Bowling League by Dick Liston, Frank Young, Eddie Dunnigan, Mike Howlett, Hank McGlynn and Blondie McGarry, all the above with the exception of McGarry, who has passed to his eternal reward, are still members. It would be good to see them together again.

Our worthy Lecturer P.G.K. Ned Kelly came out too soon after his recent sick spell and has been confined to his bed since before our last meeting. The last report we have is that he is getting along nicely and we hope to be able to greet him at our Turkey Night.

Our Chaplain, Father Scheltinga, O.S.M., gave a very nice party for the workers at the Fall Festival; everybody had a swell time. You did not have to see Corso the other evening to know he was around; somebody put a piece of Limburger in Archie's pocket. And to Bro. Murphy, we will say, "We will never call you that again Will——er Bill." Recorder John Whalen was the recipient of a nice letter and some towels, to wipe his face, from a brother knight; it was in appreciation for a blood transfusion John had given.

Back in 1910 the Columbian had the following item: "The handsome and dashing young Recorder of Americus Council proved a hero when he rescued a young lady in distress." Who was our Recorder then? If you will look at our present silver-haired Chancellor you will see him in the flesh, just slightly older. We wonder if he was the hero in the play Americus gave about that time? The title was, "The Widow's Victim." Could be.

REMINDERS—Turkey Night, Dec. 9; Buck Party, Dec. 6; Degrees at St. Philip Gym, Dec. 14; Chicago Chapter Christmas Cheer; the quarter ends Dec. 31—have you paid your dues yet? Get a new member now. The 4th Degree is coming closer. Keep your feet dry and your tonsils wet and you will not get a cold. G'bye now.

No Danger of Statism in U. S.

Declaring that "we have gone far here in the United States without friction between Church and state," Bishop Hugh C. Boyle of Pittsburgh said that "our government has at no time grown uneasy because of our presence here; and, because religion holds the sources from which democracy derives, our government has been supported and strengthened by the presence of the Catholic Church in the U. S."

Marquette Will Begin Energetic Drive for Membership Increase

1-3 Thurs. . . . . 1928 Devon Ave.

Marquette Council is to start an energetic membership campaign, and you will be personally solicited and requested to do your part in this cause. Many of our members have never done a thing for the council. The least we expect from our membership is to invite their friends to join and participate with them in the greatest fraternal organization in the world. Won't you please cooperate by bringing into our council some upstanding Catholic man of your acquaintance?

BOWLING: Last week the Delanas won two from the McGuires. High man for the Delanas was G. Hough with a score of 524. Warden Pettis led the McGuires with a score of 476. The McGuires are rapidly getting the reputation as hard-luck team of the league, losing most of their games by small margins. Walter Pettis, the captain, says he is going to rally the boys next time out and that there will be no repetition of this showing.

On the other alleys, the Griffins won two from the Donoghues. High man for the Griffins was F. Kinsella with 496. High for the Donoghues was F. Thomson with a score of 422. Present standings are:

	Won	Lost
Delana Demons	20	10
Griffin's Tricks	15	15
Donoghue Tricks	13	17
McGuire Wildcats	12	18

COUNCIL NEWS: Ye scribe has been advised that Bros. Earl Gallagher and Eugene Goodrich are now back home in Chicago, having been honorably discharged from the Army. G. K. Hesse attended the induction ceremonies last Monday in the courtroom of Bro. Harold G. Ward, where he was sworn in as a Superior Court Judge.

Confidence Between Husband, Wife Urged

Mutual confidence between husband and wife was urged by His Holiness in addressing a group of 3,000, mostly newlyweds. "An open heart is a source of happiness in common life. We do not say that the confidence exchanged between husband and wife must be without limit, since there are secrets that cannot be revealed, such as professional secrets of doctors, lawyers, state officials, and military officers. In these cases the wife must show she trusts her husband and make no attempt to learn the secret."

I'm STUMPED!

Look, Boss—if you expect *me* to tell the world all about Bond overcoats in one short headline, here's my pencil—*you* write it. Yes, I know folks don't read details. If they did, this job would be a cinch.

Go ahead, tell 'em we've got a selection so large it'll make their eyes pop. Tell 'em every coat is Rochester styled and tailored in our own workrooms. Tell 'em how much this means in smooth fit—that "top-hat" air which always distinguishes Rochester-made overcoats. Tell 'em about all those richly woven woolens—so luxuriously warm, and how lightly they rest on a fellow's shoulders. And the huge line-up of sizes and models. Tell 'em how they collect cash dividends because we cut out all wasteful, in-between costs—by making Bond clothes in our own plants.

There it is, Boss. If *you* can squeeze *that* corking story into a few words up at the top, we ought to be swamped. *Oh! yes*—and don't forget to make it plenty strong that ***Bond prices have not been raised!***

St. Cyr Sponsors Third Degree on Next Friday Eve.

1-3 Mon. . . . . 1609 N. Halsted St.

Next Friday night, St. Cyr is sponsoring a Third Degree at Belmont Hall, 3205 N. Clark St. In former years, the degree was staged in the months of May and June, but under the new set-up devised by County Membership Chairman D. D. Guy Macina, it will be held next Friday.

There is no need to stress to the old members the importance of having a large turnout, and the younger members are asked to take heed to attend the initiation. Sponsors are especially asked to be present and to make sure their candidates will be there to receive the honors of the "third." There are about 20 St. Cyrites eligible, but other councils on the north side are joining us to make the class a large one.

THERE HAVE been signs that Christmas is close by, but when we announced the staging of St. Cyr's Children's Party, we know then that it is very close at hand. Lecturer Anthony Scarpinato, who hates to be called Tony, states that the evening of Monday, Dec. 22, has been set aside for the benefit of the children. If last year's party is a criterion of what we'll have this year, oh, boy, how I wish I was a kid again. Plenty of entertainment, refreshments, toys, soda pop, singing and of course dear ol' Santa Claus. So far, Joe Mercurio has promised to donate the fruit, Vince Collura the pop and Sal Greco the bags.

BOWLING

Only 2 more sessions and the first round of St. Cyr's bowling league will come to an end. At this point Erie Clothiers is warding off all challengers, as witnessed by its three smashing victories over the so-called "hot" Bond Clothiers. As we peruse the standings, 5 teams are still in the "money." They are Erie with 24 wins and 12 losses, Maniscalco 22 and 14, Cancilla 21 and 15, Cheer-Up and Falson Elec. 20 and 16. The others seem to be out of the running.

Last week Stranos 2479 and Lucanias 913 won the team high 3 games and single game, respectively. In the individual department, Vic Rizzo won top honors with a 618 three games, and a 245 single game. The leaders for the season are Ortolano 179, Frank Costa 171, Joe Geraci 171, Joe Cannizzo 171, Vic Rizzo 171 and Joe Barsano 170. Incidentally Vic's 618 ties Micucci's record for the season.

CHAIRMAN Jim Wing, serving for first time as head of the Chicago Chapter Cheer Fund Committee, proudly states that St. Cyr was the first council in the jurisdiction to make returns of its collections. And the contributions were manifold and bountiful. A good start, indeed, and we hope a good finish at the end.

ON SATURDAY EVENING, DEC. 13, the Triangle Social Club is giving its second annual dance at the Rivoli Ballroom, 4384 Elston Ave. Music by The Yachts Boys' Orchestra, Sam Greco, director. Tickets are 50c inc. wardrobe and tax.

From now on, no more mention of cigars will be made in this column, when announcing births of baby boys. . . It has been in vain, lately. . . Mr. and Mrs. Frank Barbaro have officially and legally adopted the baby girl they obtained from the Catholic Home Bureau. . . The ceremony took place this week at the County Court. . . Congratulations to them in their splendid gesture and we know little Mary has found her new surroundings most pleasant.

Sam Lupo announces 2,355 tickets in the hands of the members for the coming dance, Jan. 10, at the Lion's Bldg. . . The Lema family is certainly one to boast of St. Cyr's pride. . . While her son, Bro. John is away in Texas at the 65th Air Base, where he was lately promoted to position of navigator, Mrs. Mary Lema becomes one of the leaders in the ad program feature of the dance. . . This announcement will surprise some. . . Joe Lo Picollo, our Sedgwick St. butcher, has been in the service for 9 months, and now writes that he is stationed at our base in Honolulu, out there in the middle of the Pacific. . . Mitchell Cukla is in the city on furlough from Chanute Field. . . . 8 suspensions will be made at the end of the month. . . If any member is asked by D. G. K. Larry La Rocco to inquire about a brother to be suspended, kindly do so.

Roy Liberti recently received a call for blood and he gladly gave. . . Bro. William Howard was another contributor of blood to Bro. Joseph Triolo, who is now convalescing at home, 2128 Clifton Ave. . . . Who picked up G. K. Maggiore's green hat by mistake at the last meeting? . . . If you did, don't forget to contact the "chief" . . . Visitors to the recent Notre Dame-Southern Cal. game was P.G.K. Joe La Rocco. . . Chuck "Micooch" Micucci, of Racine Fuel fame, and yours truly, dropped in at the home of Fin. Sec. Saro LaRusso one day last week. . . And as per custom, took advantage of his hospitality.

Madonna Host to Degree Class at Dec. 12 Meeting

2-4 Fri. . . . . 4624 Emerald Ave.

On next Friday night, December 12, Madonna will be host to several other South Side Councils on the occasion of the exemplification of the First and Second Degrees. Chancellor Scannell is ready (we hope) with his degree team, and since he is also membership chairman, he'll have half a dozen or more candidates taking the degrees.

One of the most encouraging sights to greet the eye of a newly initiated knight is the presence of large numbers of his future brothers-in-arms. We hate to harp on this subject, but it still remains a fact that degrees can be better attended. Naturally, the other councils participating will have members present, but as hosts we should outdo ourselves not only in hospitality but also in attendance.

The regular council meeting will be called to order at 8:30 p. m., and all business will be held to a minimum, hence the degrees should start around 9 p. m., and be completed about 11 p. m.—that is, if the boys don't forget their lines. Refreshments later, of course. You have a date Dec. 12.

LAST MEETING

Was one packed full of action and debate, with Public Relations Counsellor Carmody on his feet every 4½ minutes. Being the inaugural night of the Laplanders Club, everyone had buck fever, and no one was more surprised than Scannell when Bill Kilbride, acting as master of ceremonies, dumped five silver box tops into Charlie's lap. The charitable Charles immediately invested his ill-gotten gains in white canes for blind pigs.

If you want more information on the lofty aims of the Laplanders, come out, come out wherever you are, and be on hand December 12.

ONLY FOURTEEN

Shopping days till Christmas, but only a few days to mail in your contribution for this year's work on Christmas Cheer.

It shouldn't be necessary at all to remind you of this charitable work at this time of the year, but we realize that everyone is busy buying gifts for Aunt Maizie and Uncle Snazzee and are prone to forget it till the last minute. So—if you do read this—slip us the dough, will you, Moe?

Didja notice that among the police and fire heroes, honorod by a local radio station, there were three Madonnaites? Capt. Andy Barry and Sgts. Tom Curtin and Eddie Donovan were the lads. We still think that Madonna has one of the largest representations on Chicago's police and fire forces. And we're proud of every one of 'em.

JACKSON IS A VIPER

And one of these days he and we-uns are going to "rassle" it out in the clubhouse coal pile, if he doesn't come through with the bowling dopes.

Sears Roebuck Adams did tell us, though, that the much heralded Mixed Doubles will be played on Sunday, Dec. 14, at the new Esquire Gutters located at 80th and South Park Ave.

For two and a half per couple you'll get three games of twirling plus eats and so forth at the club later. Better hurry and see Frank Jackson or Harold Kane, or you'll be frozen out.

OH, GOODY, GOODY!

Cometh in the U. S. Snail, a message from our distinguished brother ink-slinger Frank Gerry at Fort Dearborn Council. Frank would like us to remind you that the Green Buck Party and Dance given by Fort Dearborn will be held tomorrow night, Saturday, Dec. 6. The locale will be Carpenter's Hall, 6414 S. Halsted St. Starting at 9:30 p. m., you can get all the dancing, eating and drinking you can stand for a dollar ten—including tax. Music by Irving Fields and his Chicago Beach orchestra.

Pollick has finally settled down to earth and located for a long time (we hope).

Our Financial Secretary is now ensconced with the venetian blind Irish, his address being 8942 South Ada St. And John still has office hours at the clubhouse every Friday night from 8 to 9 o'clock. This is the last month of the year, how about cleaning up before the new year?—Louder, kid, we can't hear you.

(Our little Mutter's Man is being awfully quiet lately. Could it be that he's busy sending notes to Santa?—but we're getting awfully lonesome up here. Oh, Ralphie, come on back. You can have your marbles.—Ed.)

O'CONNELL HAS STATE OFFICERS AT MEETING

2-4 Tues. . . . . 1100 N. Franklin

"Celebrity Night" brought sixty per cent of O'Connell's membership to the council chambers. The brothers were introduced to our State Deputy Leo M. Flynn, State Secretary Ray Gleason, District Deputy Guy Macina, our own District Deputy Bro. Marco De Steffano and Brother Robert Du Mais, chairman of the Blood Donor Groups. The evening passed swiftly as we listened to the encouraging words of our state and district officers and visiting friends. We learned that our small Council is the most active in the membership drive in the state area. We learned that we stand a good chance of being the first council in the state to make the century club.

We learned that our small Council has 30 per cent of its members in the blood donors group, while the average number of members belonging to the blood donors group is ten per cent. We learned that we are taking not only quantity in our Council, but, above all, quality. We were encouraged to keep up the good work. Brothers, we are in the process of carving a niche for ourselves in the hall of fame. Let us press our efforts further and exceed all our plans.

Daniel O'Connell's next big feature is to be a Christmas party. Our Lecturer, who is doing so well with our big dance, has delegated this job to Bro. Jack Tantillo, who will act as chairman, with Bro. Vic Bonano as vice-chairman, and Brothers John Spatafora and Adolph LoBello as members of this committee.

Christmas Cheer donations will be cheerfully accepted by the chairman of this committee, Bro. Henry Meier, at the next meeting. Let's go way over the top this year.

Last Thursday evening, Daniel O'Connell Council initiated the following men in their first and second degrees, and we take this opportunity to welcome them to our Council. They are: Brothers Joseph Achino, James Meier, Phillip Passantino, James Tarara, John Lydon, Earl Mandolini, Albert Mandolini, Anthony De Mellio, John Lorenzini, Henry Baron, Santo Sciortino, and Joseph Montforti.

This brings our total to date 50 allocated as follows: 39 previously initiated, 12 initiated last Thursday evening, 8 reinstatements. The membership under the able guidance of Bro. John Cassato is doing splendidly.

HIGH LIGHTS

List of missing brothers (from meetings): Antonucio, Bernardi, Balswick, George Berns, Pat Bourke, Brown, Jim Burns, Jim Butler, John Cotter, Al Cauble, Bill Commins, and hows' about a little visit to the Council's new chambers. We meet at Foresters Hall, 1016 North Dearborn Street, at 8:30 p. m. We'll be glad to see you again.

Those wishing to know all about shooting rabbits should see our Worthy G.K. I am told he kills 'em without shells in the gun, and that when he hits a bunny you can see through it.

Bro. Joseph Bonano hasn't missed a meeting since his initiation. Nice going. Bro. Harry Burke returned from a duck hunting trip with enough evidence to supply all his friends with fowl. Bro. Al Baldassano promises to keep his eye on the traffic lights from now on. Ask Eddie; he knows.

Jim Shannessy, 6825 Harper Ave.;

Glad to see Bro. Leonard Bondi at the meetings again; seems like old times. Bro. Mario Virginelli, the florist, is requested to see the Grand Knight at the next meeting.

Bro. Joseph (Santa Claus) Meier will vend Christmas trees again this year at his usual corners, Armitage, Clark and Ogden Avenue. He promises the chairman a tree for the Christmas party and very special prices to the members.

Daniel O'Connell will initiate 51 members in the beautiful exemplification of the Third Degree Friday evening, December 12, at Belmont Hall, Belmont and Clark Streets, at 8:15 p. m. We urge every member to be on hand.

Calumet Host to Lads & Dads Mon. in Sport Program

2-4 Mon. . . . . 6646 Stony Island Ave.

Our very illustrious scribe, the son of Mrs. Lamb, has become connected with the Belt Line Railroad in a very important capacity. As he will be engaged in night work for a while this writer (guess who) has condescended to write this column. Of course I can't come close to Belt Line Lamb or that guy on Emerald Ave. when it comes to using good diction—dese, dat, dose, and dem.

This coming Monday we are going to have sport night at our regular meeting and every father is duty bound to bring his son. We are going to have some of the important coaches and players of the High School League as guests. We are also going to have Frank Shephard, who has been up to some of our meetings in the past and those of you who had the opportunity of seeing him must realize that he is one of the best magicians in the city.

Lecturer Scully has appointed Michael Patrick Aloysius Murphy chairman of the meeting. Everyone of you know the splendid work Mike has been doing over at Mount Carmel High School for a great number of years. All of the well known coaches and players of the Catholic League are personal friends of Mike's and he has contacted a great number of them who promise to be present. Don't forget now, Monday night, Dec. 8, Fathers and Sons Sport Night at Calumet.

Last Monday night about forty of our members paid a visit to Genoa Council to help honor P.G.K. Jim Riley. Jim has always been a good friend to Calumet and we were glad to participate in the testimonial. Among our group was G.K. Hyland (with a yellow flower), P.G.K.s Byrne, Lynch, and McGreal and incidentally Frank has promised to become more of a fixture around Calumet's meetings. Don't forget we have 13 candidates taking the 3rd degree this Friday, Dec. 5, at Perez Clubhouse, 67th and May St., at 8 o'clock sharp. All members should be on hand to help make this degree one of the best.

BOWLING STANDINGS

Cronins	21	9	Whalens	14	16
O'Hanley ...	20	10	McNichols ...	14	16
Murphy	16	14	Wilson & Raff.	13	17
Stones	16	14	Indiana	12	18
Rays	15	15	Cummings ..	9	21

We like to take this opportunity to tell all you members that the new sponsor of the Indiana Service Station is Joe Lamb. We were told of this change after the games last Thursday night. Bro. Lamb has appointed Joe Skibinski to manage the team. Henceforth they will be known as the fighting Irish. Bill Bowes of the O'Hanley team is leading the league at the present time with a 177 average. McNichols, Walsh, Heaton, and Murphy are right behind him though.

We want to remind all of you bowlers that there are still some of you that haven't paid your dollar entrance fee, so please do so as soon as possible. We need all of that pecunia in so that we will really be fat for that Cleveland trip. Before we forget about it, Bro. Munno was a little off his bowling stride last Thursday. Was it because he gave that big sparkler to Rose or was it because she told him to hurry home. Mike Murphy has the high game so far this year with 268, followed by McNichols with a 258 game.

SUNDAY EVENING CLUB: You can all tell about the popularity of the club by looking at the list of brothers and their wives that attended the last meeting. Here are some of them: Wilfred D. Byrne, Frank DeMarais, Bernard Gartlan, Joe O'Connor, Dominic Cirillo, Walter McDermott, Wilfred J. Byrne, August Litzou, Frank Davis, Terrence Scully, Ty Hyland, John Tierney, and last but not forgotten, Henry Pellegrini. You all know that we can't leave out Bob Hardy. Mrs. Jonker, the daughter of August Litzou, won the jackpot.

These members of our council, listed below, were all hard and faithful workers for Calumet Council during their long years in the Order, and in my conversation with most of them, they were most conscientious in this charitable work of spending a few moments with a sick brother. We can at least show our appreciation in a small way, by making a little visit to them.

GENOA HEAPS HONORS ON JAMES F. RILEY

1-3 Mon. . . . . 7439 Cottage Grove Ave.

The night that Genoa Council and its friends long waited for, came and passed with all the grandeur and success that any affair ever given by the Council received. A crowd that filled the hall came up in every way to the high expectations of those responsible for the evening. P. G. K. James F. Riley, Jr., received the plaudits of those present and responded with equal sincerity.

After a short business meeting held by the members of the Council, under the direction of G. K. Robert J. Stadler, the meeting was turned over to the chairman of the evening, Advocate and Scribe Francis X. Poynton.

After a few introductory remarks, various members and friends present were called upon and rose to the occasion with a spirit of friendliness and interest seldom displayed in any meeting of this nature. Thoughts of praise rolled from the lips of those called upon, and indeed to everyone present it was most laudable and pleasing.

All the state officials of the Knights of Columbus in Cook County were present, as also were the G. K.'s of many of the neighboring Councils, accompanied by P. G. K.'s and other friends of Jim Riley.

After hearing many encomiums heaped upon the guest of the evening, several solos were sung by Mr. Paul Ryan, accompanied at the piano by Mrs. Keating. Following this, "Clem the Magic Man" performed with great ability and held the interest of each and every person in the hall.

The address of the evening was made by P. G. K. Frank McGillen, Genoa's silver tongued orator. A presentation speech was extended by the Honorable Michael F. Mulcahy.

After receiving a beautiful desk lamp and pen and pencil set, P. G. K. Riley responded with his thanks and words of appreciation. P. G. K. Riley's words were most apropos.

Those present included, among others, the following: Jeremiah Sheehan, Guy Macina and Wilfred Byrne, District Deputies; Leo Flynn, State Deputy; Ray Gleason, State Secretary; Mr. Wall, President of Chicago Chapter of the K. of C.'s; Judges Gorman, Hermes and Harrigan of the Municipal Court; John Cella, athletic official, who presided at Soldiers' Field on the occasion of the City High School Championship game.

Father Joseph King, Chaplain of the Council; Father Ignatius Poynton, O. Carm and Father Corley, former chaplain of the Council, were present. Father Walsh was unable to attend but extended congratulations to the guest of the evening.

Calumet Council was without question the best represented of any of the outside councils. They had more than thirty members present. Among the officials of the various councils that were present were Ty Hyland, Grand Knight of Calumet; John McGuire, G. K. of Loyola-Hyde Park; G. K. Wm. O'Neill of St. Philip Neri.

Others present were: Arche Herman, Wm. Lawler, James Lynch, Francis McGreal, Joseph McGreal, James Brown, Michael Murphy, Walter Popjoy, William McNichols. Michael Cleary, Leo Conroy, John Lawler, Terrence Scully, Robert Ward, Captain George Gilmore, Joseph La Londe, Walter McDermott, Frank J. Wall, Wm. Wall, James O'Malley, John J. Mullaney, Earl Fischer, Joseph O'Connor, Joseph Skibinski, George Petit, Michael Murphy, Jr., Albert Pfeiffer, Charles Murphy, Patrick Concannon, Harry La Masney, Joseph C. Lamb, Ed. Kenney, Frank Garvey, Ed. Carroll, Marty O'Brien, Mike Cullen, James Kerins, Dr. John Higgins, the McQuillans, and John G. Ryan.

Well, there is no need to mention more names, but almost anybody you might mention that is active in Knights of Columbus affairs was present. Francis X. Poynton, chairman, and the officers of the Council, who acted as a committee to handle this occasion, wish to take this opportunity to thank each and every one who aided in making this affair the grandest yet put on by Genoa Council.

To Ed. McGinty, who cooperated to the fullest extent in handling the refreshments and furnishing the wherewithall to use with it, the Council extends heartfelt thanks. Telegrams were received from Captain Pat Brady, Dan Connerty and Tom Mulroy.

NEWS: Tom McSweeney was injured recently when he was pushed off a streetcar. However, he is well now and will be with us at the next meeting.

Congratulations are in line for Walter Healy, who became the proud father of a baby daughter born December 1. This is the third daughter for the Healy's.

Hildebrand Hastens to Carve Niche for Carver Bob Nearius

1-3 Thurs. . . . . 5711 W. Chicago

To correct an erroneous impression given in previous press notices, we hasten to say that the expert carver at the recent bowling festivities was Bob Nearius and not our illustrious prexy, who seemed to get credit for the fine job. . . So Bob, our apologies, and Harry, our regrets. . . Joe DeFilippo, ever willing and ready, added the necessary spice to the program by furnishing pickles, peppers, sauces and other garnishments. . . Sorry to have missed the deadline last week when the big news item of the month was the marriage of our enterprising Financial Secretary, Harry J. Leddy, Jr. . . Harry and Miss Stella Tousignant were joined in the holy bonds of matrimony at St. Angela's Church on Wednesday, November 19. . . To the happy bride and groom we join in offering our sincerest good wishes and heartiest congratulations. . . Next meeting, Thursday, December 18, when the turkeys will be on hand for the lucky ones, so boys come up and get your Christmas dinner. . . Sorry to report that P. G. K. Bill Murphy, has been confined to his home for the past two weeks due to illness and we hope he soon will be up and at 'em as in the past. . . The bowling league is having one of its best seasons and the lads are really warming up to championship form. . . Scores under the 200 mark are not inserted, but we know that this figure gets a terrible whacking each week. . . Results of last session show the J. P. Ryans coming down the home stretch in each game to take the full series from the Dean Steels while the Modern Cafe showed their caliber by taking the odd one from the O'Hara Undertakers. . . Soon the Christmas Cheer envelope will be at your door and we ask that you do your part this year to make our contribution equal the full quota of all members.

AUBURN PARK HONORS ITS SOFTBALL PLAYERS

2-4 Thurs. . . . . 7740 S. Emerald

After a short business meeting on Thursday evening, November 27, Grand Knight Harry J. Cox called on Brothers Tom Cole, Jr., our delegate to the League, and Paul Byrne, manager of the team, to present to the fifteen ball players a flannel jacket with the name of Auburn Park on the back and a K. of C. emblem on the sleeve. They were maroon and gray jackets with the lettering in gray and were very attractive. The boys, very proud of these sweaters, are certainly most deserving of the appreciation of the Council for their activity. Brother Paul Byrne also presented to each player the trophies presented by our Past State Deputy, Brother John F. Bolton. Thus rang down the curtain on another season.

Following this, Lecturer Dick Knight presented through the courtesy of Brother Michael Howlett, of the National Youth Administration, a movie entitled "Youth on the Industrial Front." It gave the details of what the government has accomplished in looking after the needs of the youth of our country and was a very interesting picture. Brother Michael Howlett, Jr., attended our council meeting on this occasion and made a splendid talk. This is the first visit Brother Howlett has made to Auburn's meeting, and we hope he will again be with us in the near future.

Brother Tom Cole, who has been active in athletic circles for many years in Auburn Park, having been one of the players on Auburn's team in the days of the K. of C. Basketball League, and for the past three years athletic director of the Council in the Soft Ball League, has announced that he will be unable to carry on next season in this capacity. He has turned the reins over to Brother Paul Byrne. Brother Cole is secretary of our newly organized bowling league, and keeps us informed of that activity in order that this column may be kept interesting for the bowlers.

FIESTA, DECEMBER 6

At our last meeting we had a visit of two old freinds of Auburn Park, Past Grand Knights Richard Judge and Archie Hermanns, both of Loyola Hyde Park Council. They extended an invitation to the members of our Council to join with them in their Annual Fiesta which will be held tomorrow, Saturday, December 6, at Woodlawn Post of the American Legion headquarters, 6308 Woodlawn Avenue. The price of admission is 25 cents and entitles each guest to dance and an attractive floor show. The proceeds will help the poor and needy at Christmas time.

Brothers John Clausen and Richard J. Knight promoted another of those Dollar Parties on last Friday evening at the home of Brother Knight, 7636 Emerald Avenue. These parties are for the benefit of the Fourth Degree Club, whereby they will be able to carry on at the Palmer House in the usual manner. There were over forty members present, and all had a very enjoyable time.

Through the courtesy of one of the clergy from St. Leo's Church, Brother Knight was presented with a box seat ticket on the fifty-yard line to the Leo-Tilden game last Saturday at Soldiers Field. This ticket was won by Trustee Brother Edward Morrissey, who never fails to be present at these affairs.

A cash award was made and none other than our former chaplain, Rev. Leo A. Smith, was the winner. Our chaplain, Rev. William L. Devereaux, was present and pulled the winning numbers. We should have these parties at least every month or six weeks if it is not asking too much of Brother Knight for the use of his basement as everyone seems to have a very enjoyable time there.

CHAMPIONS

After a wait of eight years our boys from Leo High School, under the direction of A. L. "Whitey" Cronin, finally emerged victorious and won the City Championship of Prep Football in the Chicago area. We are very proud to have the winners right here in our community and wish to congratulate the entire team along with their coaching staff, as well as the Christian Brothers at the high school. They all participated in a very successful season and have certainly worked very hard to gain these laurels.

On the Sunday prior to Christmas Day, at Leo High School Auditorium, 79th and Peoria Streets, Auburn Park Council will again play host to the children at the Annual Christmas Party. By paying for two or four tickets to last night's card party, whether you were in attendance or not, you will help to put this party over in a big way. Let's all do our part.

Ridge Sends Reminder That Christmas Cheer Donations Are Needed

1-3 Tues. . . . . 8219 S. Halsted St.

Have you seen Financial Sec. Pete Oehman yet for your donation to the Xmas Cheer Fund? If not, do so at once and help spread happiness and cheer to the children who are not as fortunate as yours. Gain your spiritual reward for this act of charity, and may God bless you and yours for the giving.

HEARD ABOUT TOWN: That P.G.K. "Chic" Kolman was at the game last Saturday pulling hard for St. Leo. (You really pulled a winner out of the bag this time, "Chic.")

Brother Jim Burke joined up with the Naval Reserve and left for training November 24. (Good luck to you, Jim, and let the council hear from you in the near future.)

The bowlers are on their way and are having a merry race, with Feyerer's Insurance leading the pack. Sanderson's Grocery are second and K & B Tavern third, with three teams tied for fourth place. Full details and standings in the next issue.

Every year Loyola-Hyde Park invites their neighbors to join in with them in fun and frolic and amusement. Another feature will be a grand gift of a hundred dollar radio and many others all given away on this night. You can still return your fiesta books to Art Jacobs, our financial secretary, at the table near the door on Fiesta Night. Assisting him will be Deputy Grand Knight Bentley J. Baker. The books must be in at the latest Fiesta Night. Because of tax requirements all unsold books must be accounted for.

LAST MEETING

Last meeting was a most interesting one as well as an evening full of entertainment and education. Joseph Gonzalez gave us a very inspiring talk on government relations between Mexico and America. Religion's return to Mexico was explained. The movies were interesting. The chili con carne, hot tamali, and refreshments were enjoyed by all.

Chancellor John Joyce is out of the hospital and we shall see him soon. May you recover speedily, John.

A baby girl was dropped off at the home of Mr. and Mrs. Tom Strasser.

Loyola-Hyde Park has been invited to attend a one-day retreat at St. Thomas, the Apostle Church, Sunday, Dec. 14, starting at 8 o'clock a. m. Donation, $1.00, and you get a meal included in this. Many Loyola-Hyde Park members will attend.

FOURTH DEGREE CLUB—Will meet every third Thursday at Walter Ochs' famous cellar, 7219 Lafayette. Exemplification Mar. 1st this year. Join our fourth, via payment plan.

Columbus Will Divide Card Party Receipts Among Needy Projects

2-4 Tues. . . . . 6932 N. Clark St.

At our last meeting our very capable Lecturer read a report of the income and expenses for our card party. It was a very satisfactory report and showed a tidy profit. The amount realized was slightly in excess of last year, although our expenses this year amounted to more than the year previous. As he turned a check for the net amount over to G.K. Al Irving, all those present in the council chambers arose to their feet in a stirring tribute to Dr. Schuler. No one can quite realize the immense amount of time and effort that he expended for the success of our party.

Our brother, Judge Robert Jerome Dunne, just got in under the wire with his tickets. He sent a special delivery letter to Dr. Schuler at the hall on the night of the party with his check and stubs enclosed. We appreciate your thoughtfulness, Judge, and are sorry that you could not use your tickets personally.

The net proceeds from this party will be spent as we have already told you in this column, namely, $100 to the Franciscan Fathers for the Mayslake Building Fund and the balance for Catholic Action activities of the council.

On the very day that these notes are published, Columbus Council will start its trek to Mayslake for its annual retreat. This year, St. Jerome's Holy Name Society has joined with the council to sponsor the retreat. Reverend Charles Burke, spiritual director of the Holy Name Society, has worked hard to advertise the retreat among the members of the Holy Name Society. On Wednesday night, Nov. 26, he called a special meeting for the purpose of acquainting the members with the retreat.

Next Wednesday night, Dec. 3, the Society is showing the Chicago Bear football picture, "Touchdown," with Paddy Driscoll himself as commentator. Members of the council are cordially invited to attend. At this meeting another announcement will be made of the annual retreat.

At this point you no doubt are aware that we are very anxious for all Columbus Council men to join us from Dec. 5 to Dec. 8 at Mayslake. Any inquiry regarding transportation or other details will be answered by the Chairman of our Retreat Committee, Walter Nietschmann, 1943 W. Estes, tel. no. Rogers Park 5920.

Our genial brother, Ed Roche, has been appointed by Grand Knight Al Irving to be Chairman of the Christmas Cheer Committee. At the last meeting, Ed made a good start in tackling most of the members for a dollar apiece. Please send whatever contribution you want to make for this Christmas Cheer Fund to Edward L. Roche, 1704 Estes Ave., tel. no. Briargate 2463. In the daytime, Ed will probably take time from selling securities and commodities if you want to call him at Harris Upham and Company, tel. no. Randolph 8560.

It was a nice picture the Tribune published the other day of Bill Fitzgerald and his bride. Chuck Sweeney is also a recent newlywed. Congratulations of the Council are extended to both these brothers.

The Fitzgerald family, incidentally, certainly turned out en masse for our card party.

Al Irving, our esteemed Grand Knight, had bad news to report at the last meeting. Two of his children are down with scarlet fever. We certainly wish them a speedy recovery.

Damen's Description of Cabaret Party Is One Word—Perfect

1-3 Thurs. . . . . 6 N. Hamlin Ave.

A perfect evening, an excellent hall, tuneful music, extraordinary entertainment and delicious refreshments were blended together last Saturday evening to the complete satisfaction of some three hundred joy-seeking adventurers who taxed the capacity of Parkside Hall.

One would need the eloquence of a modern fiction writer to do justice in an explanatory manner to this ecstatical affair.

Lecturer George Reithal, Jr., and his hard-working committee are to be congratulated on another successful Damen venture. When a complete report is available we feel sure that it will surpass our fondest hopes.

In conclusion, may I add that all in attendance agree 100 per cent that a repetition in the near future would be entirely in order.

THE MERRY MEN

The John J. Gormans increased their hold on first place with a triple win over the Cassidy Tires; "Curly" Cullen high for the Senators, James Crowley high for the Tiremen.

The Brown Plumbers won two games from the Kelly Couplers. Parke Brown featured a Lone Ranger attack for the Plumbers. Speyer played the part of Tonto for the Couplers.

The Reliable Credit took the McEnery Realtors for a pair of games. "Halo" Phelan was high for his Creditmen. "Spec" Jordan had a field day for the Mac's.

The McMahon Undertakers smashed the Stack Typewriters twice; Murphy high for the Undertakers, McJohn and Farrell high for the Typists.

MEMBERSHIP

Brother Peter Waytula returned to active duty on the membership committee last week and celebrated the occasion with three new applications. Why not drop in for a friendly visit at 1134 South Canal Street? Who can tell? Maybe Brother Peter will let you in on his secret formula. Remember: Nothing ventured—nothing gained and, Brother, we are definitely out to gain.

We are pleased to hear that Mrs. John Caulfield and Mrs. Arbor, recent hospital guests, have returned to their respective homes and are well on the road of recovery.

Watch next week's issue for some startling news with regard to no less than three Damenites who are preparing to join the "Benedict Club." Perhaps the weather has something to do with this—you know it does seem like spring.

THOMAS HARDY

Damen council lost another old-timer last week when Brother Thomas Hardy was called to his eternal reward. Our deepest regrets to his sister, Mrs. Burne, his daughter, Mrs. Boltz, and his son, Pvt. Thomas Hardy, Jr., of Camp Forest, Tenn. We also wish to convey our regrets to Brother Thomas Reeves in the loss of his sister, Mrs. Micheli, wife of Brother Louis Micheli of Americus Council. May their souls rest in peace.

OLD-TIMERS' NIGHT: Just a gentle reminder that the December 18 meeting of the council has been set aside to honor the former "Torch Bearers" of Damen Council. Lecturer George Reithal, Jr., has prepared an unusual program for the occasion in addition to the regular "Turkey Prizes" for attendance and refreshments of a yuletime flavor.

SPECIAL REQUEST: Grand Knight John Caulfield would like a complete up-to-date mailing list of the members now in the service of the United States forces before the Christmas holiday season. Will you please co-operate by sending this information as soon as possible to 4020 West Harrison Street. Thank you!

See you some Tuesday evening at the Cascade Alleys. "Watch your Brother Damenites bowl."

Newman Will Attend Holy Name Communion Services Sun., Dec. 14

1-3 Thurs. . . St. Mary's Hall, Evanston

The Holy Name Society of the four Catholic parishes in Evanston will receive Holy Communion at the 8 o'clock mass Sunday, December 14, at St. Mary s Church. The mass will be celebrated by the Very Rev. Msgr. Frederick Hillenbrand, St. Mary's pastor. The speaker will be Bishop B. J. Sheil.

Following the mass a breakfast will be held in the auditorium of St. Mary's School. PGK P. N. Jans, general chairman in charge of arrangements, invites and urges all members of Newman Council to be present.

Our next meeting on Thursday, December 18, will be "Gift Night." Keep that date in mind. The Children's Christmas Party will be held on Sunday afternoon, December 28. Santa Claus will again pay his annual visit to St. Mary's Hall to help the children enjoy themselves.

DEWMANEWS

We are indeed sorry to hear of the illness of Capt. Ed Mersch, who is confined in the Evanston Hospital. We hope you will be out soon. Also that Mrs. Mascolino, the mother of Paul and Anthony, is ill. The daughter of Jack Cervanka is also on the sick list. PGK Dan McCann is confined in St. Francis Hospital. Pay him a visit when in that vicinity. We understand that Brother Raymond Frost is back to work after a back injury.

Did you join the Polar Bears, Brother Zenner? I was informed you were recently pulled out of Lake Michigan.

If you notice the Deputy Grand Knight passing out the cigars at the next meeting instead of our worthy lecturer do not be surprised. His wife recently presented him with a baby girl, Sue Ann.

PARTY TALK

When Henry Gendron and the members of his orchestra put away their musical instruments at St. Mary's Hall late last Saturday evening, a moan went up from the crowd, for we were willing and ready to carry on all night. A surprisingly nice crowd turned out and the officers must feel happy at the success of Ladies' Night. I am sure everyone went home with the hope that Greg Konold would arrange another night like it in the very near future.

It was very pleasing indeed to see so many old-timers there. How about coming up to a meeting occasionally brothers. I noticed Bill Connor tripping the light fantastic and I was informed he expects Bill, Jr., home soon on a furlough. Did you note the expression on PGK Ken Lawson's face when the master of ceremonies and magician cut his neck tie? Or did he?- At least you got it back, Ken; and so did Tim after he had taken his off for precautionary measures.

LAST THURSDAY in St. Mary's Hall PGK Con Hayes was host to the Blood Donor's Group numbering about twenty. The banquet was given by Brother Hayes in appreciation of assistance given his sister. Brothers are urged to get in touch with Brother Joseph Schaefer and he will arrange to have you typed and also keep a record for future calls.

CHRISTMAS CHEER — In just a few more weeks the Chicago Chapter delegates of the Christmas Cheer Committee will start on their annual task of providing toys and other gifts for the hundreds of children and old folks in many of the institutions of Chicago. So when Brothers O'Mahoney, Atchison and Amidon ask for your donation don't be a piker, kick in, and be a good fellow; be charitable and give as much as you can.

Brother Ed H. Brown and many other members of Newman Council are to be praised for their efforts in the drive for $50,000 for the new school building in St. Athanasius parish.

MEMBERSHIP

Just what have you been doing about membership? Too often our members get into a rut and take the attitude "let someone else do it." That is not so bad if there is someone else that can, but in the case of membership it is not a one-man job. Each one of you has to get out and do your share. No one else can do it for you.

By the time this article goes to press our membership will be increased by approximately twenty members. Let's give Clif Dalton, Chairman of the Membership Committee, a big hand and promise to bring a new member into the Order.

St. Joseph's Efforts Will Be Expended for Increased Membership

1-3 Thurs. . 57th St. and Archer, Summit

The most gratifying attendance we have had for some time was that of Thursday, Nov. 27. We hope it wasn't just the thought of the fowl distribution that filled the hall, but that it was a portent of bigger and better meetings for the coming New Year.

Bro. Cushing, field agent for the Supreme Office, was present and gave an interesting talk on the Order, particularly relative to membership. Apropos of this talk, it might be well to mention that the larger percentage of residents of our community are Catholic and of these there are a large number eligible for membership in our Order.

Let's all make a resolution for the New Year to get at least one new member out of these potential candidates. Remember, if we are not going forward, we are going backward. There is no standing still.

The success of our recent Columbus Day Ball proved that "it can be done," so let's have a concerted drive for new members. In asking a good Catholic man to join our Order you have nothing to apologize for, but rather something you can offer with pride and that will be of advantage to your friend.

Bro. "Tony" Tomlonovich apparently is making a "go" of the bowling Sundays and announces that there will be a session on Sunday, Dec. 7, at Lambert's Alley, at 2:00 p. m. If you want two hours of good enjoyable recreation, plan to be there.

An artistic stand for our flag has been made and donated by Bros. "Tony" Tomlonovich and Robert Susich. It is of heavy metal and made so that there is no fear of the flag or our banner overturning as has happened. The Council thanks both of you.

The turkey distribution following our last meeting was accompained by delicious barbecue sandwiches and other refreshments, the goodness of which was proven by the fact that none were left. Again we have to thank some of our lady friends, Mrs. Foran (the barbecue expert), Mrs. Lloyd and Goldie Susich for K.P. duty.

The lucky ones to receive free dinners were: Ed Kirk, Jr., E. Cain, A. Imrisik, R. Susich, B. Kirk, S. Bannon, W. Maxa, D. Johnston, A. Jacques, J. Parizek, J. Uncal, S. Czarny, J. Lyznicki, L. Kirk, F. Czarny, B. Luniewicz, R. Finnegan and G. Tomich. We wonder what kind of "rabbit's foot" the Kirk family carry?

The Annual Christmas Party for the children of our members will be on Thursday, Dec. 18, and members with children up to the age of twelve must register the names, ages and whether boy or girl. This must be given to Bill Maxa not later than Dec. 10. His phone is Summit 663. If your child is not registered, don't blame anyone but yourself. Get their names in now.

St. Rita Sponsors Third Degree at Fr. Perez Tonight

1-3 Thurs. . . . 6048 S. Fairfield Ave.

Fifteen candidates from St. Rita Council and delegations of similar size from other south side councils will be inducted into the third degree at exemplification ceremonies tonight in Perez Clubhouse, 6710 S. May St.

As the degree is being sponsored by our council, our officers rightly expect a large number of members to attend and aid in the exemplification. Doc. Hoffman, president of our bowling league, and his fellow keglers, have co-operated in this effort by postponing their games scheduled for tonight so there is no excuse for the bowlers not turning out en masse.

Members sponsoring candidates are requested that they have their "recruits" at the hall at 8:30 o'clock, "fit and ready." Others intending to witness the degree should arrive at the clubhouse before 9 o'clock, the time set for the start of the exemplification. We are informed that the doors will be closed once the ceremonies have begun and no brothers will be admitted after that hour. Please be on time. Financial Secretary Joe Shanahan will be on hand to furnish you with the current password in the event you may have forgotten it.

DANCE

A week from tonight Flynn's Hall at 3236 W. 63rd St. will be the unofficial meeting place for all members of St. Rita when the Home Association stages its "Mortgage Dance." Chairman Harold Hilbert and his committee have done yeoman work, the rest is up to you.

During this coming week before the dance make a final effort to dispose of all your tickets and if you are able secure some last minute ads or patrons. Remember the dance is Dec. 13 at 3236 W. 63rd St. Price of admission 55 cents per person. Don't fail to attend.

UNCLE SAM

Delivered two interesting and important missives last week. The first is a note from Frank L. Gerry, scribe of Fort Dearborn Council, asking us to give a blast to:

Fort Dearborn's First Green Buck party and dance to be held at Carpenter's Hall, 6414 S. Halsted St., Saturday evening, Dec. 6. Music by Irving Fields and his Chicago Beach Orchestra. All you can eat and drink for $1.10, tax included. Dancing from 9:30 until

(Incidentally, Art Dunne and his renowned orchestra will furnish the music at our party).

The other letter—eight pages in length—comes to Bro. Bill Stoeller, chairman of our army committee, from Sergt. Paul Orsinger, at Camp Callan, Calif. Needless to say, the letter is too long to print, but you can take our word for it it is downright interesting. Paul tells, and in fine fashion too, of his life as a soldier, and thanks members of St. Rita for all they have done for him. He closes with the word that he will be in Chicago for the Christmas holidays and hopes to "see the brothers."

Stoeller's Grocery won 3 games from Tourist Motors. Lehner 601, Stoeller 569, insurance features of the order. Stanciak 533 and Baratto 522 for Stoellers. Gorney was high with 501 for the Tourists.

Sharf Boosters won 2 games from Colony Inn. G. K. Lee 534 and F. Bauer 513 for the Boosters. Sheridan had 524 and Kiaurakis 518 for the Colonys.

Manor Radio won 2 games from Fleming Realtors. Dr. Jun 587, Hilbert 585 and Leverenz 509 for the Manors. F. Sommers 618 and Healy 502 for the Realtors.

The slipping J. J. Gallagher & Sons lost 2 games to Sullivan Morticians. Gaynor 563, R. Sullivan 543 and Manfredi 507 for the Sullivans. T. Kucharski 547, O'Brien 511, "Little Fat" Kucharski 509 and Pete Salvatori 505 for the Gallaghers.

Garcia Moreno Asks Members to Cooperate for Council Progress

2-4 Tues. . . 155th St. and Lexington Ave.

Is Fraternity dead, or are you dead? Some men complain their council meetings are not interesting enough; others complain we should have club rooms; others complain we have a clique in the council, and on and on it goes, but the members who attend meetings don't seem to do any complaining.

There is nothing wrong with our council. The one and only thing that has kept our council in a rut is just too much charity shown to delinquent members. If every member of our council would pay his obligations as they fall due, our council could afford to do bigger and better things. Through this column our membership has been notified that the council wants its entire membership to be paid up by the first of the new year. Starting the first of the year all dues and assessments must be paid as they fall due. We mention this important item due to the action taken by the council a few weeks back. We also ask the wives and mothers of our members to keep a keen eye on that due book. That's their protection, and we feel if the wives and mothers of our members watch this due book, we will have very few members to put on the automatic assessment loan. Members must remember they and they alone are the cause of being placed on the A. A. L.

Members on the A. A. L. are not active members, pay no dues, and have nothing left of their membership, outside their insurance policy. Now there must be a reason for members to get that lax in their membership that they finally arrive on the A. A. L. and in many cases lose their membership. There is something in the picture that we don't seem to see.

Our council should be up and going strong. In fact, every organization should be at top speed, for right now everybody is working and it's no hardship to pay our obligations. Yet we must admit we are a dead council. Some won't agree with me, but when out of a membership of 300 members, only twenty-seven men attended the memorial services at our last meeting, for our departed members who numbered fifty-three, these must be something to the thought, "Is fraternity dead?" Think this over.

BOWLING NEWS

Frank Ring's Insurance team lost their third straight series, and hold first place by one game over the Home Liquor team. Ring's team lost two games to the cellar champs Goletz Boosters. Billie Powers, with 235 and 596 series, along with Hank Currier's 524, was tops for Goletz Boosters. Bob Dainton 551, Pop White 535, Clyde White 508, topped the Insurance team. Ring's 2455 total; Goletz 2388. Home Liquor and Eagle Coal Co. proved to be a very dull and uninteresting match. Both teams were terrible. Think not? . . .Well. Home Liquor 2289 and Eagle Coal 2260! John Rossmon 543, John Obernessor 469 were tops for the Liquor team, while Grady 480 and Charlie Jacks 475 and Home Liquor won all three games and are in second place. Posen Lumber Co. won two games and hold third position in the league. Posen 2387. Shea's Champs 2377. Louis Cerekwicki and Joe Gorski tied with 502, while for the losers. Shea 538, Hilgendorf 494. Aquinas' Basketball Team Is Entered in Visitation Hse. League

1-3 Tues. . . . 5441 S. Ashland Blvd.

After a lapse of eight years, Aquinas has another basketball team. The team is entered in the Visitation House League and will play all games in the parish center beginning Sunday, Dec. 14. Besides the Aquinas game, three other games will be played. Edgar Baldwin is manager of the team and promises that it will rival any team the council ever had, and, brother, that is a real boast.

The race in the bowling league is so tight that the last-place team can go into first place if all goes well tonight. Last Friday the McGraths beat the O'Malleys three times, 772-750, 814-809, 821-767. McGrath led the victors with a high game of 197 and series of 513. O'Malley led the losers with 190, 489.

The McNamaras held first place by taking two out of three from the Peltons, 801-770, 888-699, 760-772. Golden's 550 was high series for the winners, McNamara pulling down high game with 212. Johnson led the losers with a 474 series. The Sheehys took the best out of three from the Sweeneys, 861-729, 924-822, 774-784. Sheehy's 222 game and 497 series was the winner's best try, while Sweeney rolled 510 for the losers.

Chancellor Bill Reynolds is proud to announce that he is the father of a future grand knight. Congrats, Mr. and Mrs. . . . Tim McNamara deserted the bachelor ranks Thanksgiving Day. Mary Ryan was the lucky girl. . . . PGK Hebenstreit visited council chambers recently, being on leave from Camp Lee, where he is a lieutenant in the Medical Corps. . . . Another council visitor was Mr. O'Deal of Leo Council, who gave a splendid talk on the

Fr. O'Connor's Marty Hough Named to Head Christmas Cheer Fund

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

The Chicago Chapter again bestowed the honor on our own Marty Hough by reappointing him committee chairman of the Christmas Cheer campaign. This honor belongs to Marty alone, but we of Fr. O'Connor Council should feel justly proud of him.

We have two good reasons now to help fill our Christmas Cheer fund. First and primarily, the worthy cause for which we give our donations; secondly, we don't want to let Marty down in his own council.

For the benefit of our fireside members and those who will not get to see Marty or Joe Nolan, the chairman of Fr. O'Connor's Christmas Cheer fund, I will give you Mary's address so you can just enclose one of those crisp dollar bills in an envelope and send it to him with your well wishes. Just address Marty Hough, 3218 W. Eastwood Ave. Can we bank on you this year to be overgenerous? Thanks a lot, fellows. This generosity will be appreciated by the council, the order, and the needy who will eventually benefit from your donations. As for your reward, you know what the Good Book says about giving a cup of water in His name.

BOWLING NEWS

Top spot in the billing this week goes to the Widtmann Meat team, who broke a three-way tie for last place by whipping the Alliance Life team all three games. For the butchers, Geo. Loohs was high with 510, but he wasn't there, so Sullivan gets the nod with 480. For the Alliance team Bechtold shot 516 but no help.

Cristo Printers nudged the Navin team aside in two games and crawled into a tie for first place. For the Navins, Tom Gaughan continues his hot pace with 578. Geo. Fleischhauer shot a nice 533 for the printers.

Furman Funerals beat the Nolan Insurance two games. Harry Engert, hook ball and all, shot 555. For the Nolans (here they are again!) Doody 532, Doyle 515, and Wilson got 512.

It was father against son when the Shamrocks bowled the King Coals. Kotnaur, the first, won two games with the Coals, shooting 480; Kotnaur, the second, only won one game and shot 471. Bartosch was high for the Coals with 544. Bob Ternes shot 494.

ATTENTION, LADIES!

The scribe has lost most of his hair worrying about news for this column and he has done about everything in his power to get news of our council and its members, all to no avail. Our members either don't do anything or don't have anything happen to them, or they believe in the golden rule that "Silence is golden."

Sooooo, I am going to try a new idea. When your husband, brother, uncle, or whoever it may be, is involved in some kind of news, will you write it down and mail it to me? Let me know if he gets a raise in salary, gets a new set of false teeth or if he traded his 1923 Model "T" in on a new "Super-Duper Special." He may state out loud that he doesn't want his name in print, but deep down inside, you can bet he likes it. We all do.

Now don't let me down or I won't tell you about the cabaret party we intend to have because of the popular demand after the success of our last party. Just address C. ("Tex") Williams, 4445 N. Christiana Ave., Chicago.

CHRISTMAS PARTY: Don't forget our affair on Dec. 18. Bring along the wife and children and we assure you that they will have a good time. The meeting will be a very short one so that your family will not have to wait long.

NERI OFFERS FESTIVE PROGRAM TONIGHT

1-3 Tues. . . . . 7515 Yates Ave.

Everything is in readiness for St. Philip Neri's biggest social event of the season, the card and social party, which will be held tonight at Caravel Club, 7515 Yates Avenue.

Mrs. Henry Doolin, general co-chairman with her husband, reports the respective committeewomen are ready to entertain the largest crowd in the history of the council. Committee members are Mr. and Mrs. Cecil McDermott, door; Mr. and Mrs George O'Donnell, table; Mr. and Mrs. Henry Zegers, distribution, and Mr. and Mrs. George Rieg, refreshments.

The general admission is 55 cents, including tax. Cake and coffee will be served to climax the night's doings. Bridge, pinochle, etc., will be played. Christmas turkeys will be given away as an added incentive.

"Here is the last opportunity for members to make the year one of the best if not the best in aiding the council," said Chairman Henry Doolin. "The progress already made indicates a record-breaker in attendance which will insure a most successful season for the council."

The last affair to be sponsored by the council will be the Christmas party for the children. James Lynch and Pete Kreten are chairman and co-chairman respectively for the entertainment which will be staged December 20 at the Caravel Club.

DEGREES DECEMBER 16

The next meeting — December 16 — will mark the conferring of the first and second degrees at the Caravel Club. Chairman James O'Connor expects a large number from St. Philip Neri to be initiated into the Knights of Columbus. Brother O'Connor said:

"A little extra effort between now and the next meeting by the members in the direction of new candidates will net a substantial increase for St. Philip Neri Council. We all have had some persons in mind and for unknown reasons we didn't get around to see them. Start now; the prospects are waiting for us to invite them into the council."

SOUTH SHOREITIS

Brother Henry Doolin should be able to give a detailed account of the Leo-Tilden game. He sat with the metropolitan newspaper photographers in an enclosure safe from the weather elements and high at an advantageous point.

Don't forget: Tomorrow evening is "Fiesta Night" at 6308 Woodlawn avenue. Loyola-Hyde Park Council is sponsor. GK Jack McGuire has accepted every invitation of St. Philip Neri and it is only fair that we reciprocate.

The mother of Mrs. William Blake is convalescing from a major operation at Oak Park Hospital. The son of Brother and Mrs. Blake is nursing a broken left arm after trying to follow in the foot steps of his illustrious dad, who is currently a Big Ten official. The injury was sustained in a grid game.

Brother Stephen Crowell, who is a policeman, removed the cast from his leg which was injured while on duty when a safety sign fell on the foot. Stephen is a brother of Ray, who also is a member of the council.

Chicago Honors Frank O'Connor with Solemn Tribute at Last Meet

2-4 Tues. . . . . 64 E. Lake St.

Those who were unfortunate enough not to be present at our last meeting missed a most beautiful and impressive candlelight ceremony in memory of our beloved organist, Frank O'Connor. The opening and closing odes were sung without piano accompaniment and the council chambers were in darkness, except for the candles flickering in the hands of the members, and the spotlight turned upon the draped piano which will feel his masterful touch no longer.

Our Grand Knight, Henry J. Lynch, conceived and carried out this beautiful ceremony which will be long remembered by those who saw and participated in it. Whatever tribute we may pay to Frank O'Connor will fade into insignificance beside his contributions to this council and the order.

N.C.C.S. WORK

You will already have noted in the columns of the "Columbian" and in the "New World" and other publications, the prominent part our order is taking in the work of the N.C.C.S. Center at 1122 So. Wabash Ave. Our council is in the forefront and recently sponsored the first Wednesday night ping pong tournament for the service men. Whenever you have an opportunity to visit the Center, you will be welcomed by the Director, James Carney, and his assistant, Roy Bedore, both of whom are members of our Order.

On Sunday last, we had our semi-annual communion and breakfast at St. Peter's Church. A large number of our new and old members were present and it was also pleasing to note that so many of the ladies and children were present. That, after all, is the principal object of the semi-annual communion and it should be predominantly a family affair. We were also pleased to have as guest our Supreme Director, Michael J. Howlett, and our District Deputy, Arthur J. Donohue.

In addition to short talks by our Grand Knight, Supreme Director and District Deputy, we also had the pleasure of hearing from Past Grand Knights Frank J. Casey, Mike Brisch, Jr., and Henry L. Phoenix, Deputy Grand Knight Bill Brogan, Trustee Richard C. Murphy and John Brisch (your Scribe).

Chicago Council is indeed proud of our brothers in the Selective Service of our country. We know of five who are now with the colors: John R. Bulger, Jr., John J. Deutsch, Anthony S. Ralia, Leonard G. Gorski and Edward Mulcrone. There may be others whom we know nothing about and we would like to have a record of them. Your officers would like to keep in touch with all brothers in the service and it will be greatly appreciated if you will give our Financial Secretary, Nicholas J. Reuland, 5345 West Madison Street, Austin 7171, up-to-date addresses for these members.

XMAS PARTY DEC. 20

Make a special note of the fact that our annual Christmas party, to which the ladies are especially invited, will be held on Saturday evening, December 20, at 8:00 o'clock, in the council chambers. Santa will be present with his bag full of gifts as usual. Please disregard the previous announcement which indicated that children are also invited. Only the ladies are expected.

On the sick list are Edward J. Donnelly, 4440 Washington Blvd., and William R. Serritella, 3224 West Polk Street; visitors are welcome. Gregory O'Kelly has left the hospital and we understand he is recuperating nicely from his recent illness. We hope to see him at our next meeting.

Hen.-Shields to Pay Tribute to All P.G.K.'s at Dec. 10th Session

Meeting Dec. 10 . . 446 N. Parkside Ave.

Wednesday, December 10, will be a significant date in the records of Hennepin-Shields Council. That date has been marked as a day of Recognition and Recollection for Past Grand Knights of Hennepin-Shields Council, both living and deceased.

In the morning at 7 o'clock, Rev. Father James Doherty, our chaplain, will read a Requiem Mass for our deceased Past Grand Knights at St. Catherine of Siena Church, Washington and Austin Blvds. Our deceased PGK's are George T. Trumbull, Dr. Edward G. Clancy, Leo Monahan, Oliver Barry, Dr. Edward N. Redden and Edward J. Lawler.

We hope that as many as can find it possible will attend the Mass said for the departed souls of our former friends and associates.

AT SEVEN P. M.

Former Past Grand Knights of the Council, Anthony Czarnecki, Jeremiah A. Donovan, Hon. Judge Patrick B. Flanagan, Frank J. Quinn, Clarence A. McDonald, Frank M. Hayes, Joseph F. Brown, Tom Murray, Joe Corbett, Joseph G. Murphy, James D. Oakey, Peter J. Murphy, William Welsh, William Orth, John A. Shealy, and Charles J. Costello, Jr., have been invited and we sincerely hope will be able to attend the Corn Beef and Cabbage Dinner which will open the evening program.

Following the dinner there may or may not be a formal meeting, depending on circumstances, at any rate decidedly short, with the idea in mind of giving our old-timers a chance to get together and swap stories and maybe a few tall tales. Our Lecturer, Bill Phalen, is arranging for some well-known interesting and entertaining speakers, also some professional acts, so that the evening will be highly attractive to all.

Already over a hundred members and guests have indicated they would attend and it is especially hoped that all our charter members and veterans of the council who may not have been very active lately, will make this the occasion of their re-appearance on the council floor.

The charge for the dinner is $1, which includes tax, food, entertainment, refreshments and good fellowship that go towards making a grand evening better. Make Wednesday, December 10, your day with your own Knights of Columbus Council.

TOPPLING TEN PINS

Ray Foley and his Grill Team had no trouble in disposing of M. C. Fogarty's Men's Wear team in three games last Tuesday with Quill's 200, Hickey's 214 and Gould's 206 to help. Roy Murray shot 209 for Fogarty's.

Ed Riley's Insurance Writers were not collecting any premiums from the John J. Hayes Hatters and dropped two games. Ron McGillivray had 205 to help out in the final.

Midland Pipe & Supply took the Frank Hayes Barbeques into camp for two games, Tom Butler getting 235, 237 and 193 for 665 total, and the Costello & Son Boosters won two from the Harwood Florals.

THE SOUNDING BOARD

When the Quill family get together with their relatives, once and twice removed, for a celebration they hire a hall and the occasion celebrated last Sunday was the twenty-fifth wedding anniversary of our Warden Charles J. and his wife, Corrinne M. Quill, at the Parkside Community Hall. Some hundred or more relatives and friends joined in expressing their congratulations and best wishes to the couple who started the matrimonial journey twenty-five years ago, May we, too, add our congratulations and good wishes for the next twenty-five.

Also our C. and G. W. to Recorder George and his wife, Lillian Green, on their twenty-eighth W. A. on November 27; brother-in-law and sister of Charles Quill.

We were very glad to see James M. Costello present at the last meeting and looking quite well after his recent severe illness.

Our sympathy is extended to the family of Brother L. J. Bertrand, who passed away recently at his home in Dubois, Ill. Also to J. W. Ward, who lost his wife lately, and to the family of John Murphy, demitted member of the council, whose death occurred recently.

T. E. Maloney, 7226 Yates Avenue, has been reported ill. Our sincere wishes for an early recovery.

Arthur Bermingham's score in the horseshoe pitching was 2900. You should come and try again, Art. It would be a pleasure to see you oftener. Pete Murphy was allowed to pick his own shoes but it didn't do him any good. If it had, there would have been a riot.

Twenty days until Christmas. Remind yourself to go shopping. G'BYE.

San Salvador Asks Last Quarter Dues Be Paid Promptly

2-4 Mon. . . . . 24 E. 114th Pl.

This is a reminder to let you know that the trustees are nearing the finish if their semi-annual audit of the council books, and are asking that you help complete the records for the final quarter. As you no doubt are aware, the fiscal year ends Dec. 31, 1941, and the trustees would like to send in an audit of the financial secretary's books of which we can all boast.

For your information we can state at this time that the books are in the best of shape and we should be proud that we have an able and willing secretary in the person of P. G. K. Jas. Burke. Help to make his task an easy one by finishing the year in a blaze of glory.

Have any of you ever given a thought to the idea of paying your dues one year in advance? We know the idea is not a new one, as opr neighbors to the east of us, namely Blue Island Council, have quite an enrollment in a club of this kind. While we also know that this is not compulsory, we are offering it for your approval or rejection.

TURKEY NIGHT

Your lecturer has informed me that on Dec. 8 he will hold the council's annual "Turkey Night." He will have several of our fine feathered friends to offer on that night and it behooves each and every one of us to reserve that date so that we may be the fortunate ones to have a bird to grace our banquet table.

Last Saturday evening at St. Willibrord's Hall a few hundred parishioners and their friends turned out en masse to help our chaplain celebrate his 50th milestone in life. It was a pleasant surprise to see many of the members of our council in attendance.

Before Father retired to the confines of his home, he was presented with a purse by his flock that he in turn so willingly presented to the church to help defray parish expenses. The crowd stayed late enjoying themselves playing cards and dancing. May you have many more happy birthdays in the midst of St. Willibrord's parish, Father Exler.

PARISH LEAGUE

Our parish league has again resumed activities after a one-week lay-off due to the Thanksgiving holiday. The pin topplers are strutting their stuff and the leaders are sticking their chins out to take a beating. The lead can be altered each week due to the fact that they are all closely bunched.

You can see the standings of the league in the two local papers and the write-ups are ably handled by our Deputy G. K. "Buff" Marcolini. Tim Griffin bought himself a new pair of shoes to assist any of the teams in distress. We have been very fortunate in the fact that we have not lost many bowlers to the service of Uncle Sam.

NEWS FLASHES: Don't forget the request of the trustees in the payment of dues for the final quarter. P. G. K. Chas. Du Bois is away for at least two weeks on business for the Pullman Co. He is to visit various shipyards throughout the country. We wish you success in your new venture, Charlie.

Bob O'Sullivan and the boys can be seen at all the home games of the "Blackhawks." Seen at the annual Xmas benefit football game in Soldier's Field were your scribe and secretary of the bowling league, Tim Griffin. Of course they were only two among the many thousands.

HUGHES WILL BE HOST TO LADIES ON DEC. 16

1-3 Tues. . . . . 4711 W. Madison St.

Tuesday, December 16, will be ladies' night and Lecturer John Korbel is arranging a program that will please the fair sex. The party will be held at Madison Athletic Club, 4711 West Madison Street.

The Christmas Party for the children, fourteen years and under, will be held Saturday afternoon, December 27. Full particulars will be announced through Chairman Danny Harper. Mark down these two dates—December 16 and 27.

A large turnout greeted Brother Captain Tom Lynch at the testimonial tended him Wednesday, November 26. Among the guests were Father German, Chaplain of the Chicago Fire Department, and many members of our council.

Hasten to correct error as regards Fourth Degree Club—note that Elmo Ward, Columbus 3503, is President while Brother Joe Ryan is Secretary-Treasurer. Either of these brothers will gladly give full details regarding the club.

Sympathy to the wife and family of the late Brother John Slonski, who passed away Sunday, November 22. A large delegation led by our Grand Knight paid our last respects on Wednesday evening. Burial was at Resurrection Cemetery after mass at Church of the Good Shepherd.

Sorry to hear of the serious illness of the father of Brother George Burke. He has been confined to his home at Mendota, Ill., for quite some time. Pray for him.

BOWLING NOTES

After the smoke of battle cleared away last Friday we found that Peter Kelly's took three from Toomey Taverns; the Votava Auto Fixers annexed three from William Benes Men-Furnishers, who incidentally rested in first place before the evening's activities. The Elmo Ward Blues copped three from Lauterbach Coals and brought about a triple tie for first place. The John McKeown Cartage quintet is just one game out of first by virtue of three wins over the Malone & Clancy five.

Elmo Ward Golds took the odd one from Alderman Walsh although the sponsor tried hard to personally effect three wins—his nice 500 series along with 545 by Dan Harper was not supported by their teammates. "Chick" O'Malley of McKeown Cartage with 245 and Peter Kelly, Jr., of Kelly Undertakers, with 274, were high men for the evening.

Have you told either your Secretary-Harold Enright, President "Midge" Gorman or Comm. Nick Mulroe as to your intention regarding your participation in K. of C. Illinois Tournament? If not, get busy. Team events will be contested on Saturday with double and singles on Sunday. You may enter one or all events —you're the judge. Keep in mind the tournament will be on handicap basis, assuring each and every one a fair chance to win the shekels.

THIRD DEGREE — Sunday, December 14, at St. Phillips, Kedzie and Jackson—mark that date down now; get in touch with your candidate; see that he gets there. If you have no candidate, get one—it is still possible to put him through various degrees before the end of year. In any event, do be on the job yourself. SUNDAY, DECEMBER 14.

Christmas cheer — Don't forget to be prepared to hand DGK Jim Ryan your contribution at next meeting or, better still, mail it direct to Chicago Chapter.

COUNCIL NEWS

Chairman Bill Kane of the Membership Committee asks if you have done your part in the drive. He answers "no" for if you had our quota would be far above requirements. He directs attention to the splendid editorial in last week's Columbian. Read it and profit by it.

Do you want photo of Soft Ball Party? See PGK Enright or Grand Knight before December 10. Price is reasonable.

Important—special—Financial Secretary Dan Harper asks you send him remittance for dues and assessments as early as possible this month so that when he closes his books for the year his accounts show few if any delinquents. Do your part.

Wedding Bells: Congratulations to Mr. and Mrs. Robert E. Brandt. She is the daughter of Brother and Mrs. Erv Lauterbach, of our council. Marriage took place Saturday, November 29, at Mary Queen of Heaven Church, Cicero, Ill.

Every member of the council is invited to attend the program with a guest be he prospective member or not. Several fine acts of entertainment in addition to a guest speaker who will explain the workings of the order are listed on the program. Refreshments will also be served.

Tommy Gallagher has put a great deal of effort into his work as the council's membership chairman and deserves the co-operation of every man in Dowling. Put the date down now as one of your "must attend nights."

CHILDREN'S CHRISTMAS PARTY

Lecturer Earl Dunne has arranged for a Children's Christmas Party for our members and from past experience we can vouch for a day of real enjoyment. The date is Sunday afternoon, December 21. You will have further information on this affair later.

Our council will also make a visit and help spread happiness with the children at St. Joseph's home on Wednesday, December 17. We are going on the invitation from the Ladies of Isabella (Dowling) and our Grand Knight and Lecturer would welcome a good response.

CATHOLIC ACTION—Chairman Geo. W. Connelly, Sr., is working on a plan that will benefit the U. S. O., Mayslake Retreat and our own council. George or one of his committee will contact you for your help in his endeavors and we appeal to you to give him your wohle-hearted support.

Mail your donation to Charlie at 3210 S. Hoyne Ave. or to John Struve, 4517 Christiana Ave.

CUFF NOTES

Brother John Cogger is spending a few weeks at Miami Beach, Fla. I received a card and he would like to spend months instead of weeks.

Bro. Hughie McGarry, one of our real oldtimers, was honored with re-election to the executive board of the Street Car Men's Union. He is to be congratulated on this great achievement.

Frank V. Zintak, Jr., was inducted into the army service on December 1. He was known to most of us as Mike. He received his 1st and 2nd degrees last month and in all probability will receive his 3rd in camp. We wish him succes in his army life.

OUR MEMBERS responded to a call to attend the wake of Mr. Sidney Keate, the loving father of Brother Art and brother-in-law of P.G.K. Earl Dunne, Art and Clarence, on last Tuesday evening. It was a wonderful turnout and the family wish to express their thanks and appreciation to the members.

MRS. GOETT, the loving mother of Brother John Goett and the grandmother of Father Goett, O.F.M., passed to her eternal reward last week and was buried from Adams Chapel on Wednesday. A very good turnout visited the chapel and paid their respects on Monday evening. Father Goett came in from Louisiana to attend the funeral. We extend our sincere sympathy to the families of the bereaved and pray for the repose of her soul.

BRO. JOHN O'ROURKE seems a little put out because he did not win a turkey, but maybe the next time we will make George Connelly miss the meeting and you will have a chance, John.

We have a new committee known as the Pinochle Club. John Gerber is chairman and his committee is Harry Lorden, Sr., John Struve and Doc Michels

PIN TUMBLERS

We were supposed to Jack Pot for a turkey before Thanksgiving but it slipped the mind of "Come on Daddy" Lorden but he probably will have it before Christmas.

DR. JOE LAIBE was a little disguested with the manner in which his team was going so he bought himscelf a pair of bowling shoes and said, let's go, boys, and he is laying them right in there now. Keep your eye on the Laibe's from now on.

CHARLIE WALTERS of the Gormleys did not do so well with his new ball. You better find out the secret from Love or Spencer as how to get those good games with a new ball.

JOE MARKS is back on the job again and we expect to see him clicking shortly.

Washington Has Fine Attendance at Recent Quarterly Communion

1-3 Tues....5th Ave. & Washington Blvd.

There was an excellent turnout for our quarterly communion last Sunday at St. Eulalia's. It's an impressive sight and indicates a healthy condition of Catholic Action when approximately 35 per cent of the local membership joins in receiving the Holy Eucharist in a body. It was good to see them all and particularly Wm. T. Collins, Sr., Ed. Murphy, Bert Cochrane and Walter Lewis, just to name a few. Your GK and all the officers are more than pleased by this splendid response to publicly demonstrate our unity and belief. It is typical of the manner in which Washington is forging to the front as one of the most progressive councils in the west section.

Following our own communion service, GK Ryan, Fin. Secy. Lovejoy, DGK Sanservino and the scribe drove over to Oak Park Council to hear State Deputy Leo Flynn address that council at its communion breakfast. It was our first opportunity to meet and hear the new state deputy, who is a knight combining all the qualifications of a Christian gentleman, a capable official and a delightful orator. When called upon for a few words our own silver tongued GK delivered one of his short, masterful, spellbinding bits of oratory.

BOWLING

We robbed and wuz robbed last Friday night at Bosco's. The first game was a hairline-finish affair with Nichols Coal Co. on the short end of a 747 to 743 score. With Bill Collins' 201 setting the pace in the second game, closely followed by Ryan's 193, we really pinned back the ears of the Nichols crowd by topping them 843 to 763.

The third game—ah! that was the heartbreaker—with John Ryan rolling his best game of the evening, an imposing 199, and Geo. Baynes hitting 176. Leitz, Sorvillo and Collins hit a slump, but until the final toss the outcome was doubtful. Then it happened—instead of a spare we hooked only eight on the last shot. Result: Nichols 827, us 826. We're still in fourth place.

We notice in the local press a picture of Bro. Vincent O'Leary, president of the Melrose Park Lions Club, planning the annual Proviso football banquet along with other celebrities. Vince is a grand guy and, making allowance for his duties as a theater manager, we still think his attendance record of one council meeting in nine months is a pretty low average.

CHRISTMAS PARTY: Plans are rapidly progressing to make this year's children's Christmas party one that every child of the council will fully enjoy. Our own "small tot talent" will make up the program, and good old Santa has promised to be on hand with a gift for every youngster. Of necessity, this party will be confined to the children of members only, and in order to plan properly please give the GK the names and ages of your children who will be present.

? ? ?

How come Washington Council does not have a fourth decree club such as most of the other councils in Chicago do? This council bears the name of the "Father of Our Country," one of the first great patriots. Combine this with the fourth, or patriotic, degree of our order and the result should be a "Patriots' Club" which would bring honor to our council and its members.

CORRECTION: The American League baseball movie, originally scheduled for our Jan. 20 meeting, has been reassigned and will be the attraction at the Feb. 17 meeting instead. The change was necessitated because of conflicting dates. As the Feb. 17 meeting will be an open one, it will present a fine opportunity for you to bring a prospective member to show him a few of the pleasures and advantages of belonging to our organization.

St. Paul's Festival Spells Grand Evening for Capacity Crowds

1-3 Tues. . . . . 6713 Olmsted Ave.

The Fall Festival and Harvest Party once again becomes history in council affairs. There was a nice turnout of members and friends, all of whom had a wonderful time. It was a little slow in getting underway, but as the crowds surged into the council chambers and got into the spirit of the occasion, there never was a doubt that everyone was enjoying himself immensely.

We think that a little more than the usual enjoyment was experienced by Bro. Jos. A. Serra and Bro. Floyd Wren, judging from the capers of these two gentlemen. If bouquets were in order, we know positively that the "Barber from Salerno" would be the recipient for the delicate foot work and artistic steps exhibited on the dance floor. Thanks, of course, are due Lecturer Joe McDowell and his committee on arrangements, but we think a special vote is due Roy Wagner for his experienced handling of the refreshments.

CHRISTMAS CHEER

It is time again to remind you that this is the season for Christmas Cheer. It seems like a few months ago that we entreated you to remember the Chicago Chapter Xmas Cheer contribution which it is hoped you will find it convenient to subscribe to—and not forget—this year, so that the kiddies and the aged, of which there are more now, will once again enjoy the holidays because of your contribution. It may mean a little denial on your part, some sacrifice to be made but you will feel more than repaid when you consider how much happiness you have created in the hearts of those who are unable, as yet, to help themselves, and those who have passed that stage.

We pass on to you that marvelous thought expressed by P. G. K. Harold Roeser when he said, "If every Knight of Columbus gave what he could afford to this cause, the money, if laid end to end, would reach from here to the last orphan kiddie's heart." So, if you feel the urge to "do something for somebody else" this Xmas, please arrange to make your contribution to K. G. Gene Sass, who has been appointed the Chapter representative for our council in this most worthy cause. Once again, please do this Xmas chore early.

We have been informed that the Council's Christmas party committee has arranged to send out questionnaire cards during this week. We have been asked to pass the word along to all the members to respond promptly to enable the committee to arrange the party so it will be handled with dispatch. The particular purpose of the cards is to make it possible to have the "gifts" made suitable to each youngster as to sex and age and to have them properly labeled beforehand. So please make it a point to return the card "the very same day" that you receive it.

In the offing, the K. of C. bowling tournament is coming up. Yup! This happens right after New Year's day; that is, right after the turn of the year. Our council always has had a splendid aggregation in this tournament and it is hoped that all who have participated in former years will again enroll for this year's affair as well as those who have joined our ranks in the interim. G. K. Gene Sass says "the committee for this tournament will be appointed at the next meeting." So, when we find out, we'll tell you more about it. Until then—Cheerio!

FEEHAN HAS THOUSAND JOYMAKERS AT PARTY

2-4 Tues. . . . . Hamlin and Madison

We don't like to say "I told you so," but the annual party ran true to form and proved the great success that had been predicted for it. Over 1,000 members and guests of Feehan gathered at the old K. of C. Clubhouse for an evening of thrills and enjoyment. To Chairman Harold Crotty must go the credit for the drive and push which put the party over.

Bearing down in his customary fashion, the order's newest D. D. put enough heat on the boys to fill the hall and produce the largest ad program ever got out by the council. Needless to say, a tidy sum, which should enable us to carry out our good works and see us over the rough spots during the coming year, was realized from the affair. Program Chairman Bill Collins and Ticket Chairman Len McSteen both turned in their usual smooth performances, thereby earning the gratitude and praise of the council.

DEGREES

Feehan Council's degree team will confer the First and Second Degrees of the order upon what we expect will be a very large class at our next meeting, Dec. 9. All Feehan members are urged to be on hand to welcome into the council the fifteen or so of our own candidates who will take these degrees. These men are the early fruit of the membership drive being handled by Chairman Bob Wingfield. It behooves all of us to be present not only to indicate our pleasure with the splendid work Bob Wingfield has been doing, but also in order to properly impress these Feehan candidates.

Scheduled to receive their first and second degrees on this occasion are the following: Frank J. Urbanski, Edw. W. Bordelet, Jr., Frank J. Perrelli, Bernard J. Kiley, John J. Casaleggi, William H. Haas, Jr., Edmund D. Doherty, Benjamin V. Ferenzi, Thomas J. Clarke, James V. Consentino, Joseph E. McMahon, John DiDonato. Merritt R. Stuart, John J. Toland and William T. Bardouski.

BOWLING

We used to wonder what kept the Lemon Kings on top—now we know. It's those shirts—after looking at them for two frames, you're so thoroughlty blinded, you can't distinguish one pin from the next. Our suggestion of the week is that all Lemon King opponents adopt the use of smoked glasses to cut the glare—the Lemon Kings will then be forced to bowl on their merits and should be a positive pushover. To give you an idea—our subanchor, who has a 155 average, bowled successive games of 92 and 97. Then Mr. Engel closed his eyes and bowling blind, but minus the glare, rolled 137. You see what we mean?

Standings: Lemon Kings, 24-9; Harmon Electrics, 22-11; Ed. Kaindl Boosters and N. Preib Cleaners, 18-15; Malee's Fighting Irish and Illinois Laundry, 17-16; Hanley's Tavern, 16-17; J. J. Collins Sons and Judge Hackett's Pioneers, 15-18; Harold Crotty Boosters 13-20; Quinn's Inn, 12-21, and Pat Riley's Colts, 11-22.

Individual averages—Geo. Becker, 185; Joe Collins, 184; Jim Collins, 184; Frank McQuillan, 176; Jim McQuillan, 172; Bill Barrett, 171, and Frank Wheeler, 170.

Honor Rollers—Joe Collins, 215; Frank McQuillan, 205-205; John Fogarty, 205; John Nolan, 203; Harry Barrett, 201, and Frank Engel, 326 (3 games).

CHRISTMAS PARTY—Feehan's annual Christmas Party for the children of the members will be held at Mid-West A. C. on Monday evening, Dec. 29. Greetings to Bros. Charles W. Ford, Frank R. Wheeler, Thomas B. Toomey, and Austin J. Boyle, who celebrate their birth anniversaries this week.

Oak Park Has Large Communion Crowd to Greet State Deputy

2-4 Mon. - - 641 S. Scoville Ave., Oak Pk.

An unusually large number of Oak Park Council members assembled for the quarterly Communion Sunday on November 30 at Ascension Church. After Mass, they joined in a good old-fashioned Oak Park breakfast at the clubhouse and enjoyed their own good fellowship along with fried eggs, sausage, rolls and coffee.

State Deputy Leo M. Flynn gave them plenty of food for thought, too, in his inspiring presentation of the aims of the Order. He outlined the Five-Point program of Catholic activity, council activity, insurance, publicity, and membership.

The Council was commended by the State Deputy on its appreciation of the highest type of Catholic activity as evidenced by their receiving Holy Communion together. Many of the members were given something further to think about in the way of increasing their participation in council activities, reinstating more of the insurance members whom they have been carrying on "automatic loans," capitalizing on every opportunity to appear in print with news on the good works done by the Order or any of its members, and by these means finding greater success in increasing the membership.

Brother Flynn's address was enthusiastically received, not only by the members of the Oak Park Council, but also by the visiting grand knights and officers from neighboring councils who were honored guests on the occasion.

District Deputy O'Neill and Past Grand Knight Gearon gave brief expressions of their unity of purpose with Brother Flynn and their confidence that his goals would be achieved by the Oak Park Council.

Grand Knight Cunningham of Commodore Barry Council and Grand Knight Ryan of Washington Council in Maywood agreed that they would take the message and inspiration with them to their councils so that they would achieve the same goals.

Brother Bob Doane was a welcome guest, being home on furlough from the army, and taking the occasion to exchange greetings with his many friends in his home council.

COUNCIL BRIEFS

The Council extends its sympathy to Brother Cyril Murphy, whose wife is seriously ill and in the hospital.

The Ladies' Auxiliary will hold its next meeting on Wednesday, December 10, at 1:30 in the afternoon at the clubhouse. There will be various card games and refreshments. Mrs. Joseph Cagney, president, has asked that all the wives, mothers, and daughters of the Knights of the Council attend.

The members of the Council will have an unusual opportunity to hear a very timely discussion of the subject of "Our Priceless Heritage of Liberty" at the next regular meeting on December 8 when Rev. Leo C. Gainor, O.P., will be guest of honor.

Father Gainor was the first principal of Fenwick High School in Oak Park and is well known to many of our members. He is also a Past Grand Knight of Harrisburg, Pa., Council and is also a Fourth Degree Knight. Members will be well repaid for their attendance in hearing Father Gainor. Bring a fellow member with you.

St. Pat's in Memorial Mass This Sunday at St. Patrick's Church

1-3 Tues. . . . . 6 N. Hamlin Ave.

One of the first things impressed on our minds as Catholics is the necessity and duty to pray for our dead. In memory of our departed brothers, St. Pat's will attend a Memorial Mass to be read at 8:00, Sunday, Dec. 7, at St. Patrick's church, Desplaines and Adams. Catholic Action Chairman, Jos. De Frank, urges the members to attend and offer their communions for these loved one of our Council.

On the evening of December 9 at the Midwest Athletic Club, St. Pat's will have six candidates going through their First and Second degree. The degree will be held in conjunction with Feehan Council and your officers would like to see St. Pat's well represented.

Our fourteen candidates will take their Third degree on December 14, at St. Phillip's hall, Kedzie and Jackson, at 2:00 p. m. St. Francis is giving this degree and again St. Pat's wants a big representation.

SOFT BALL LEAGUE

The K. of C. Soft Ball League held its election on Nov. 28, and the following brothers were elected:

John Miner (St. Philip Neri), president; John Burke (St. Patrick's), vice-president; Nicholas Masse (St. Francis), secretary; John Logan (Ft. Dearborn), treasurer, and Joseph Hannopel (Englewod), sergeant-at-arms.

St. Pat's extends heartiest congratulations to these newly elected officers and pledges continued cooperation in all their affairs.

CHRISTMAS CHEER: Don't forget your donation to the Christmas Cheer Committee. Your donation will be many times returned by the prayers of these little ones to whom we knights are Santa Claus. So see Bro. Joe Gentile at the meeting. St. Pat's has always been a leader in this affair and Joe wants us on top.

FOURTH DEGREE PARTY: Last notice for the open meeting to be held Dec. 10, at the V. F. W. hall, 47th and Madison. All Fourth degree members and their ladies are invited as well as those members who are candidates for the Fourth next spring and their ladies. There will be dancing, entertainment and refreshments.

BOWLING NOTES

St. Pat's team in the West Side Majors dropped two games in a hotly contested match to Bishop Ketteler. Our rooting section is growing, so join the crowd and come up to see our boys roll. They bowl every Friday at 8:30 at the Cascades alleys, Madison and Hamlin. "Drummer Boy" Burns subbed on our team last week and did right well.

In our Council league the boys are really going strong. The first round has been rolled and they are bunched pretty close, every game counting and how they fight for it. A lot of real sportsmanship and good natured ribbing is exhibited. For an enjoyable evening more of our non-bowling members ought to drop in on Monday night at the Kedzie Arcade, Madison and Albany.

Results of last night were: Damato Taps, 3; Rex Paints, 0; Freda Meats, 2; Taglia's Pubs, 1; Allegretti Grills, 2; Deir Morticians, 1; Fio Rito Cartage, 2; Gentile Trimmers, 1, and Emergency Radios, 3; Cahill Printers, 0; which leaves the team standing as follows:

	Won	Lost
Fio Rito Cartage	22	11
Allegretti Grills	21	12
Deir Morticians	18	15
Emergency Radios	17	16
Damato Taps	17	16
Taglia's Pubs	16	17
Freda Meats	16	17
Rex Paints	13	20
Cahill Printers	13	20
Gentile Trimmers	12	21

High game of the evening went to Bro. John Burke of the Fio Rito Cartage with at 231. The bowling league announces that the bowlers will honor one of their team sponsors with their presence Saturday, Dec. 6, at Allegretti's Grill, 359 N. Wells St. All the members are urged to attend as they will have an enjoyable evening.

St. Patrick's bowling league is entering all 10 teams in the Illinois K. C. bowling tournament to be held at the Congress Recreation Center, 31 East Congress St. Our teams will bowl January 10 at 7 p. m.

We will also be well represented in the double and single events, but your scribe has not as yet the names of those entered.

COUNCIL NEWS: Anthony Polatto's son is in the Walter Memorial Hospital for observation. Lester Cody, former member of our Council, is in St. Luke's hospital. Les had part of his leg amputated due to an infection.

De La Salle Men Enjoy 'Homey' Atmosphere at Communion Breakfast

1-3 Tues. . . . . 1105 E. 47th St.

In the last issue of the Columbian I mentioned the members present at the Communion Breakfast, and I know that you would like to hear what each had to say, so I will try to give you a broad outline.

First of all, the hall was well heated, and this in itself was something, on a cold, snowy morning. Added to this, was the warm glow of many colored lights, and the radio resounding with appropriate breakfast music. Everything was in readiness, due to the untiring efforts of the house committee.

Two long tables, resplendent with gleaming silverware, dishes, and table linen, delighted the hearts of the members, as they glanced into the hall. Grape fruit was in order, and the members without ceremony, having offered up a Thanksgiving prayer, started to satisfy their appetites, with gusto, on an abundance of fresh sweet rolls, butter and hot coffee.

A family feeling prevailed among our Brothers with much laughter and conversation. Having satisfied their appetites, smokes were in order, and our Worthy Grand Knight, Emmet Markey, having welcomed us, asked that each one be introduced. He remarked that what De La Salle lacked in quantity, was made up for in quality.

Last Saturday I attended the Service Men's Club at 1122 S. Wabash Avenue, and what a delightful surprise. The Army, Navy, and Marines were represented from all corners of the U. S. Intelligent and refined young men, anxious to serve their country, are enjoying this club. Some were reading, others were dancing, playing pool, checkers, and ping pong—all having a wonderful time. The club is supervised by the Rev. Father Kenny, Brother James Carney and Brother Roy Bedore.

You can well be proud of the job those wonderful men are doing. Your contribution to the club is well repaid in the number of men that will carry back to their homes and friends a different idea about Chicago, and its Catholic men, also in the number of converts to the Church.

All are shown a welcome and urged to associate with people who leave an impression. On Sunday, November 30, entertainment was sponsored by the local Knights of Columbus of Father Perez Council. Edmond J. Molyneux, DD, was chairman and at 3 p. m. a Quiz Test over WHIP was broadcasted. When called upon, we expect De La Salle to do its bit.

Brother John Wideman is up and around again and we can expect to see him at our card party on Tuesday, December 9. This will be Ladies' Night, with free gifts and refreshments. Don't forget the date, it's to members and their families only.

Brother Tom Daly is progressing nicely, and we expect him to be up and around shortly. We are sorry to hear that GK Emmet Markey's nephew, who was injured in an auto accident, has passed away.

Follow the crowd to Ft. Dearborn Council's "Green Buck" Party. Saturday, December 6, Carpenter's Hall, 6414 S. Halsted St.

Nazareth Urges More Interest in Membership Drive

2-4 Tues. . . . 17 W. Harris, La Grange

We would like to dwell somewhat on the subject of membership this week. One of the most important subjects in the life of any council, we wonder sometimes if the individual member gives it the amount of thought it deserves. The life of any council depends largely on the introduction of new blood from time to time. Bringing in new members invariably leads to the conception of new ideas and new phases in the conduct of our affairs.

These new ideas must be fostered and nurtured, if not, then stagnation results. With the interests of the council at heart each of us should bend every effort to obtain new members. Not necessarily any old "John Twerp" who happens to come along but men who are really practical Catholics.

Your scribe was party to a conversation recently during which a non-member was asked why he had never joined our order. With a smile the party answered, "Well I guess it is because nobody pushed me." Just like that. Here was a prospect right under our nose waiting for someone to give him a shove. You may rest assured that by the time you read this that man will have an application in his hands and will no doubt be signed up.

This incident makes us wonder just how many more men there are around us who are waiting for someone to give them a gentle shove. There must be plenty of them. Look around you now and approach them. It's up to you. They'll never come in of their own accord.

NAZARETH NOTES

Noticed PGKs Galvin and Foley at the last meeting. Always glad to see these men. Trouble is we do not see them often enough.

We recently mentioned the Christmas Cheer fund and wishing to keep the subject alive in your minds we again remind you of it. We know that when you stop to realize the immense amount of good accomplished with this fund you will be generous, so let's not forget it. An amount from twenty-five cents up will be appreciated by your chairman, Ed Bessler.

By the way, have you bought your Christmas cards yet? If not, may we suggest that this year you purchase cards which really express the Christian meaning of the season. Never mind the comic cards which do not express the true meaning. Why not make your purchase in a Catholic goods house where you can get cards that carry the spirit of the season.

Glad to see that Joe Woods is back in circulation again after his recent illness. Brother Daniels of Downers Grove was recently stricken with a heart attack. He is now sitting up and appears on the way to recovery. Don't fail to attend the next meeting as we have to vote on an appropriation of a sum of money for the athletic fund. This is your money, so come in and express your opinion.

PIN POINTS

The eleventh annual state tournament begins at the C.Y.O. alleys next January 3. This tournament will continue each Saturday and Sunday thereafter until completed. It is our understanding that the council will pay the entry fee for each man who wants to bowl on a team in this tournament.

In the west end league things continue to be in a mess. The Elms and Universal are still battling for first place, each having won 26 and lost seven. After them we find the Fairviews and Triangles tied for third spot. In fourth place are the Luke. One game behind them are the News boys, then comes a four-way tangle. All tied up are the Lindys, Watkins, McGoughs and Leo's Chickens. What a mess! Why doesn't somebody do something about it?

Standings, including games bowled December 1: Elms won 26, lost 7; Universal won 26, lost 7; Fairviews and Triangles won 18, lost 15 each; Lukes won 15, lost 18; News Agency won 14, Lost 19; Lindys, Watkins, McGoughs and Leo's Chickens all tied with 12 won and 21 lost. Looks like a battle royal right down to the finish line.

DE SOTO AWARDS 50 TURKEYS AT MEETING

2-4 Fri. . . . . Clark and Belmont

Last Friday evening some 250 members crowded the council chambers to enjoy a snappy business and social meeting, the highlight of which was the distribution of 50 turkeys by Lecturer I. W. Schultz and his committee.

Among the lucky members were Bros. Acheson, Jos. H. Ahmann, Andrews, Mike Behles Sr., Booz, Lee Bredeman, Brandl, Carpenter, Ed. Connell, Connolly, Tony Cremerius, Conley, Stan De Calewe, Egloff, Ficht, Gibbons, Hansen, Odstein, Johannes, Joe Kolvelage, Kandel, Nic Kasper, H. M. Kasper, Frank and Jim Kennedy, Kilday, Linsner, Martin, Maliske, Motto, McLaughlin, Mueller, Mulcahy, Joe Noesen, Geo. Schuster, Schorn, Schaeffer, Scherrer, Schleiter, Schatz, Stoegbauer, Trischmann, Thesen, Thoma, Voelkle, Harry Wehrheim and Pete Wolshon. There was plenty of turkey at Bob Kilday's home. He won two.

CHRISTMAS CHEER

Bro. Bill Glancey, chairman of the Christmas Cheer Committee is desirous of having the entire membership take part in the Christmas Cheer drive.

Brothers, let us remind ourselves of those little types, who make their homes in the various orpnanages throughout the city. The only Christmas many of them know is that provided each year by the Knights of Columbus. In order to continue this work it is necessary that the Cnapter have the fullest cooperation of every member of the Order. De Soto has always been up among the leaders in carrying on this most charitable work. To date the response has been very gratifying. At the last meeting the members of the Baldric and Sword Club of De Soto did themselves proud when their president, Jim Kennedy presented Chairman Glancey with a check in the amount of $63.00 representing $1.00 from each of its members, or an offering of 400 percent more than the usual contribution. At this writing about 184 members, including the 63 members of the Baldric and Sword have responded to Chairman Glancey's appeal. This represents approximately 15 percent of the council membership. Let's hear from the remaining 85 percent.

COUNCIL BRIEFS

Bro. Fred Gebhardt, chairman of the Fourth degree wishes to remind all eligible Third degree members of the Fourth Degree which will take place at the Palmer House on March 1st. Bro. Gebhardt is anxious to have a representative class from De Soto at this degree, and has arranged to lighten the burden of the expense involved by accepting the fee from the candidates in weekly or semi-monthly installments.

De Soto may have to stage its Christmas party at the homes of Bros. John Snisk and Matt Braun, unless these two gentlemen soon shake their ailments and return to the council meetings. John would welcome visitors at his home, 1508 Larrabee St. Bro. Braun seems to enjoy the attention given him at the hospital. He was only home from his first visit a few weeks when he returned for an operation. We understand that Matt has been home at 7048 Oleander Ave., for the past week and would welcome visitors.

SYMPATHY

THE OFFICERS AND MEMBERS of De Soto extend their most heartfelt sympathy to Bro. Charles Mathieu on the loss of his wife Cecelia who passed away on Monday, Nov. 24. Requiem High Mass was celebrated at St. Alphonsus church Thursday morning, Nov. 27th and thence burial at St. Boniface cemetery. May her soul rest in peace. Mrs. Mathieu was a sister of Bro. **Adolph Sutter.**

It is with sorrow that we announce the recent death of the mother of Bro. Matt J. Schmidt. Mrs. Schmidt was an old resident of St. Michael's Parish, having spent most of her 85 years in that vicinity.

OUR SYMPATHY to Bro. Dr. A. J. Ahmann on the death of his father at Remsen, Iowa, and to Bro. George Pecht on the death of his mother who passed to her eternal reward on Nov. 21.

ANNOUNCEMENTS

MEMBERS of De Soto and their friends are invited to attend the Immaculate Conception Alumni Club Card party being given for the benefit of the Dominican Sisters, this evening Friday, Dec. 5, at Gross Park Hall, Roscoe and Hamilton Sts. De Soto members prominent in running this affair are G.K. Eugene P. Scanlan, Warden Joe Cella and Bro. Charles McCarter.

A BOUNCING 7 lb., 12 ounce, baby boy made a howling entrance into the Dick Smith household at St. Joseph's hospital on Nov. 19, and immediately began crying about a called third strike or something. Mother Louise Smith and Baby Robert John (or it is Richard?) are doing fine.

BOB McGONIGLE the soldier boy skipped into Chicago last week on a short furlong. Bob is now stationed at Fort Knox, Ky.

PGK Frank Wohlleber informs us that De Soto's Blood Donors were kept busy during the past few weeks. Bro. Ray Germann made a donation of his blood to Bro. J. W. Mahoney of Marquette Council at St. Joseph Hospital while Bros. A. C. Cremerius, Joseph Maginot, Emil Struevinin and Henry Vogel submitted to blood transfusions at St. Francis Hospital in Evanston in behalf of Sister Carmelita of St. Scholastica Academy. Mother Superior Sister M. Adelaide of that institution sent each of these brothers a very kind letter expressing the gratitude of her Order for their charitable services. Each of the donors was presented with a medal of St. Benedict.

On Monday of this week Bro. Frank Huster responded to a call for blood donors from Father Gorman, Chaplain of the Fire Department at Alexian Brothers Hospital.

BOWLING

It seems that just when Harvey Dohm, president of the Bowling League has all of his teams filled, Uncle Sam comes along and drafts some of his bowlers. As a result he is again looking for new men. You need not have a high average to bowl in this league. If you are interested in bowling drop up to the Marigold Arcade any Tuesday evening and Harv will place you on one of the teams.

De Soto Meister Brau team increased their lead in the North Side K. C. League by taking two games from the second place Lafayette team on Monday evening. Bill Henrich rolled a 600 series for the third consecutive week. Ray Hoffmeier was high man for De Soto with a 600 series.

Bro. Matt J. Waschbusch travelled from the far southwest side to attend the last meeting, his first in 5 years. He says that we can expect to see more of his from now on.

Lecturer Irv. Schultz wants to remind the members of De Soto's Christmas party on Friday, Dec. 26. Irv. has a special treat in store for this meeting but refuses to divulge the particulars at this time.

Just learned that a new tenor recently made his appearance in the Bro. John Strerk home. John is Secretary of the Male Chorus and promises to bring the new young man up to the chorus rehearsals to start him in on the ground floor.

Tonti Will Stage Its Annual Council Xmas Party on December 18

1-3 Thurs. . . . . 4221 Irving Pk. Blvd.

Those of us who attended last year's Christmas Party have a lasting remembrance in the form of "My Sunday Missal." This year Santa will be on hand to present each member who attends the December 18th meeting with another attractive gift. Your presence is absolutely essential, though, to receive this gift. Carols will be sung.

Letters were mailed to all members last week, presenting the March of Events of the Council. Post this letter where you can readily refer to it, and as each date arrives, give it your utmost consideration.

MEMORIAL MASS. All of the officers and a most gratifying group of members attended the Council's Memorial Mass at St. Wenceslaus Church, Sunday, November 30. Many of the brothers received Holy Communion. Fr. Jasinski reminded us that many who attended these Memorial Masses in days gone by, are now appealing for our prayers, even as we will one day solicit the aid of our survivors.

PRE LENTEN DANCE—To assure the success of this affair, your patronage is imperative. Plan to attend with your wife or girl-friend, and bring along Mom and Dad, or Sis and her friend, brother and his girl, or a group of your friends. Obtain additional tickets at the next meeting. There is also plenty of space available in the Ad Book for interested Tonti followers. Remember the date, January 17, 1942. Place, Gross Park Hall, 2123 W. Roscoe.

MEMBERSHIP—New members infuse new life in an organization. Bring in that prospective candidate while he can still enter on the $5.00 fee. The deadline is February 6.

NOTES ABOUT KNIGHTS

P. G. K. John Olsta and Mrs. Olsta celebrated their 15th wedding anniversay Saturday, November 22. On that date, in Our Lady of Grace Church, their talented daughter, Dorothy, sang a beautiful Mass, especially offered for this occasion.

P. G. K. Leo Murray, an ardent booster of our Bowling League, from all indications, is contemplating other sport endeavors. While attending the Notre Dame-Southern California football game, he undoubtedly acquired first hand knowledge about the more intricate points of the game. Rumor has it that he may throw in his hat for Zuppke's vacancy.

Bro. Clarence Halzer, a member of long standing in the Council, and a member of the Catholic Casino Choral Club, sang at the Pontifical Mass in Holy Name Cathedral on Thanksgiving Day. The occasion was the 70th anniversary of the Society.

Extra! Extra! We have just been informed by wireless, that Bro. and Mrs. John F. Bruns, 6127 W. Newport, have been blessed with a wonderful baby girl, Mary Agnes. Our best wishes and congratulations. The Brunses now have four boys and a girl. May God bless all of you, is the wish of Tonti Council K. of C.

Bro. Lester Jankowski, assistant Corporation Counsel, is listed in the Illinois Bar Journal as a versatile lawyer and the possessor of an international prize-winning collection of Polish postage stamps. Les is also an enthusiastic bowler and an inspiring cheer-leader of his team. Why, only last week he rolled a 550 series.

BOWLING: Today we give you the line-up of the Lemanske Service Station personnel: Wm. Ginsley, captain; Ed. Ciessau, Stanley Banas, Gene Gort, and Norman Klein, five hale and hearty lads, who blazed their way to the front of the race and are holding that coveted spot by four games.

The Lemanski Service Station is located at 3061 N. Milwaukee Ave. Bro. John Lemanski, owner and sponsor of the above outlined League leading team, although a member of the Council for less than a year, is one of its most ardent boosters.

Sherman Asks Prompt Mailing of Christmas Party's Form Blanks

1-3 Tues. . . . . 4300 W. North Ave.

The cards are coming in for Sherman's Xmas Party to be held at O. L. A. Church Hall, Sunday, Dec. 28, and once again may I urge all of you to fill out the form and mail it to G.K. Welker, 1645 N. Latrobe Ave., or drop it off to Frank J. Mootz at Keeler and Cortland Sts. "I will attend Sherman's Xmas party with teh following guests:

Name	Age
.....	.....
.....	.....
.....	.....
.....	.....

Just cut out and mail it on a penny post card. The committee would like this information so that it may prepare for the gifts and the attendance thus assuring a gift for all present. There will be a meeting on the Xmas party next Tuesday, Dec. 9, at Schmitz Printers, 4207 W. North Ave., at 8 p. m. All are invited to attend. Talking about meetings we have one on the House, the Grand Knight's Xmas gift night on Tuesday, Dec. 16. What say you all attend and see what our Grand Knight has in store for us. Remember the next regular meeting of the council is Dec. 16 at Lions Bldg.

THIRD DEGREE—Once more let me remind you that on Friday night, Dec. 12, at St. Cyr's Council, Belmont and Clark, we would like to have a large representation as we have 17 men taking their degree. FOURTH DEGREE — President Brefeld extends an invitation to all members of Sherman Council, their families and friends, to attend their annual Harvest Dance to be held Dec. 13, Saturday, 8:30 p. m., at Lake View Hall, 3239 No. Clark St. Fellows, I think we owe teh Fourth Degree a little co-operation as they call on us only once a year so let's get behind this and help put the dance over.

MEMBERSHIP DRIVE—Only one more meeting left this year to turn in those applications to help fill our quota. It seems we have slowed up quite a bit while the other councils are getting up more steam. Chairman Matt Ellgass informs me he has a transfer and a reinstatement to be read off at the meeting. This makes about seven members Matt has personally secured for us. If Matt can do that why can't the rest of us get one or two new members?

CONDOLENCE—The mother of Bro. Bernard J. O'Halloran passed to her eternal reward on Nov. 22 at the age of 82. She had been a resident of the N. W. side for the past 51 years and leaves two sons and two daughters. Services were held at Our Lady of Angel's Church on Nov. 25 with burial at Mt. Carmel. Mrs. Frank Silk, the sister of Bro. Al Loiselle, passed away very suddenly in Boston. Bro. Al attended the services which were held in Boston on Dec. 1. The officers and members of Sherman Council extend their sympathy. "Requiescant in Pace."

BOWLERS NEWS

Sure is nice to see the crowd of rooters who show up at the alleys every Thursday night but we still have a few seats left so if you have nothing else to do, why not come down to Lions Alleys some Thursday night and join in the razzing, cheers and fun. I, for one, can say there's never a dull moment there.

Only two high games this week, one by Frank Kennedy 211, and Mootz 202. Roche Ellgass threatened high three-game series with games of 913 and 946 but fell down in the last game to a lowly 817. Kolsaak Funerals are still on top. Looks like something will have to be done with that team.

Cirone Barbers took three games from Tremko Boosters, Glen Realty took two from Collins Undertakers, Kolsaak Undertakers took two from Royal Blue, Schmitz Printers two from Klinnert Hoff Braus and Roche Ellgass Morticians took two from Jimmy's Lounge.

That's all for now. Remember Fourth Degree Dance, Third Degree initiation and Xmas Party meeting.

Weber Vote Decides Change in Location of Meeting Quarters

1-3 Mon. . . . . 4758 S. Pulaski Rd.

For the information of those who were not present at the last meeting of Weber Council, I wish to inform you that the most important discussion of the evening was under the heading, "For the good of the Council." It all summed up to the fact that Arch. Weber Council will change location of its chambers. Arguments for one side and then the other were held, but after a secret vote was cast the assembly showed that a change in location would be for the better.

Now that the change has been decided upon and we are all brother knights, let's forget the past and look into the future. Give your full support to your council and your G.K. and I have heard a few nasty rumors and I sincerely hope that they are not true. I'm calling on you to show your sporting blood and keep on giving your full support for the good of the Council. As Bro. S. Jaworski pointed out, we must look after the morale of the Council.

After the meeting, Lecturer Doc. Dziubski on behalf of the brother knights, presented our P.G.K. Julius Martynowicz with a gift in appreciation for his past services and called upon him for the same in the future.

May I, at this time, express my thanks for Weber knights to the visiting brothers from Quigley Council. Present were G.K. Leo Gawrych, D.G.K. M. Sinsko, Pres. of Fourth Degree Walter Butny, Outside Guard S. Pankowski. They all offered their congratulations to Bro. Julius, but one of them, namely, Bro. S. Pankowski threatened to capture our membership chairman with a bear trap.

Our lecturer, Doc. Dziubski, is planning a Xmas party for the coming meeting on Dec. 15. This party will be the first of its type to be held by Weber Council. Understand though that this will be with all the trimmings. Santa Claus, a Xmas tree, candy and presents for the kiddies. In addition to this, Doc. Dziubski is planning some first class entertainment for young and old.

All you are asked in return is that you fill out the card you have received and mail it at once. State how many kiddies, and their ages. This information is necessary. If you love to see children's happy faces, bring them to the Weber Xmas party.

SICK LIST: Bro. Roy Patula is confined to his bed and would enjoy a little company. If you have a little time on your hands, pay him a visit.

The Gold Pot winner of $4.00 was Dr. Joseph Patka. So what, he wasn't present. Next meeting we'll have $5.00.

I read a letter from a brother knight in the service, and he wanted to know why I don't write news about who is having babies. For his information, I'll be more than glad to do so, but it takes time you know.

Abraham Lincoln said. "You can fool some of the people some of the time, but you can't fool all of the people all of the time. I say you can satisfy some of the people some of the time but you can't satisfy all of the people all of the time—especially when they don't want to be satisfied. Get what I mean, Bro. M.?

Follow the crowd to Ft. Dearborn Council's "Green Buck" Party. Saturday, December 6, Carpenter's Hall, 6414 S. Halsted St.

Record Entry Is Seen for State Bowling Tourney

Basing his estimate on the flood of requests now being received for information on the Annual Knights of Columbus State Bowling Tournament, John J. Crowe, league secretary, forecasts one of the largest Illinois tournaments in the association's eleven-year history.

The 1942 matches will be run off at the Congress Recreation Center, 31 E. Congress Street over the four week-ends beginning Saturday, January 3. Team events will get underway first—on the week-ends of January 3 and 10—with the remaining two Saturdays and Sundays set aside for the singles and doubles events. The All-Star Match will be rolled on January 4.

HANDICAP SYSTEM

All games in the 1942 tournament, as in the past two years, will be bowled under the handicap system. The handicap to be allowed will be two-thirds of the difference between 190 and the highest average set in any league competition where at least fifteen games have been posted as of November 29, 1941. Thirty-five pins per game will be the maximum allowed any one bowler.

Quite naturally the success of the annual tournament depends in a great measure upon the cooperation and assistance of the Grand Knight and bowlers of the different councils. Entry blanks have been mailed to all Grand Knights and officers of council bowling leagues and must be returned by midnight, Saturday, Dec. 6.

The tournament includes three events, 5 men, 2 men and individuals. Each event consists of three games. An entry fee of one dollar per event is payable at the time of bowling.

B. Island 'Afire' with Tonight's 'Smokes for Yanks' Benefit Party

1-3 Tues. . . . . Gregory & New St.

Tonite (Friday) is the nite! The Lecturer's Committee aided by some very fine help (drafted and some volunteers) are all set to "go over the top" for the lads in the armed forces.

The dance for "Cigarettes for Yanks" has caught on like wild fire. Among those who will be present will be Mayor John Hart, always one to co-operate, Fr. Gross, our own chaplain, Commander Billy Creighton of the Legion, another who realizes the value of hearing and receiving from "home" and many others. Don't be late. The fun starts early and if you want to be sure of an opportunity to help the "Yanks" follow the crowd to St. Benedicts Hall.

At deadline Monday nite we received word and help from Bro. Joe Farrell of Huntingburg, Ind.; Bro. Geo. Kador, Dr. L. Rowland, Tony Truschke, and Judge Synakiewicz and Jim Cannon all urge the support of the entire council toward our big nite. Music and thirst quenchers for the satisfaction of all. The fee at the door is two packs per person of popular brand cigarettes.

NOTES

Brother Knights, one of the most important phases of our order is charity. Along this line please remember the Xmas Cheer drive. All that is expected of you is twenty-five cents. Again this year as has been for about 18 years P.G.K. Walter Gaboriault is our chairman and if you will see that your contribution reaches him so credit can be given to your account and the council's everything will be just fine. We are all "making" more this year, let's give more. If you don't see Walter, give it to any officer.

Word comes from Bro. James Coffey, Pvt. 1st Class, U. S. Army, that he is fine and says hello. Way down southwest, Bro. Dick Lentz sends greetings. Dick is enjoying the Texas sunshine and hospitality. Did you know that Troop 788, sponsored by our council, took first honors in a recent Scout Rally held by the South Shore District. P.G.K. Gaboriault is the Scoutmaster. Congrats, Walter!

Our Membership Chairman, Bro. Tom Parsons, announces a new system in obtaining new candidates. It is in the mail and if you don't receive it this time you will next. We are all going to have a part. Be ready and have your prospect all set to sign.

Fin. Sec'y Paetsch is making the final check on the books and all in arrears are urged to get caught up. Paul says there were no free months this year so-o-o-o somebody owes some one.

THE 4TH DEGREE'S "13" Club enjoyed their monthly meeting held at Dr. Vincenti's home. Father Thom was present, as was Dr. Patenaude. Might say here that Father Thom is Pastor of St. Donatus Church, taking Father Pensabene's place who is ill at St. Columbus Hospital. While we are on the subject of the sick, if at any time you hear of a member of our council who is ill it is your duty to report the matter to the sick committee. It is impossible for that committee to function properly if they receive no report. We are sorry to hear of Bro. Chas. Hawker's illness. A speedy recovery is our wish to you, Charles, and also to Father Pensabene.

From Camp Wallace, Texas, comes word from Bro. Joe Wasziak that things are fine and hello to all.

BOWLING

Einhorn met Martin and the Retailers took two from the Wholesalers. Komada had 509 for the winners while Krick garnered 512 for the losers.

The Hickey team met the Hallinans and Hallinan came out on top with three games. Marshalek rolled 568 for the winners and L. Frasor carried top score with 469 for the "collar lads." On Hallinan's team, incidentally, are three of the original Hickey team. Namely, Pajak, Marshalek and Horwath. Maybe that had something to do with the series. The Marks Store for Men continue to be lucky and won two from Gerdes' Builders. The anchor man, Dan Boyd, rolled a very fine series to aid the cause a bit. Chovanec ended the evening with 558 while Rigoni totaled 505 for Gerdes.

The Landgraf team is beginning to move again. Led by R. Gabay with 554 they took three games from Haas. Zamaitok came away with 493 for his evening's work. Standings.

	W.	L.		W.	L.
Marks	21	12	Hickey	15	18
Einhorns	20	13	Gerdes	15	18
Landgraf	18	15	Hallinan	14	19
Martin	17	16	Haas	13	20

The League is awarding a pair of shoes and ball to some lucky member. For details see any bowler or Tom Parsons. The date is set for Dec. 17.

St. James Will Confer Honorary Degrees on Six at Monday's Meet

2-4 Mon.....64th St. & University Ave.

Monday night the honorary degree will be conferred on six members of St. James Council and the officers wish to see a large attendance at this meeting. The brothers who are receiving the degree are: Patrick Duffy, who has been inside guard for quite a number of terms; John Flavin, Edward T. Hamilton, John P. King, Joseph P. McGillivray and Michael McGuire, our smiling warden. A picture of this class will be taken and displayed at future meetings. The "boys" will receive an honorary degree certificate, membership card and button at this meeting from the degree team comprising Grand Knight John McKean, DGK Thomas J. Groark, Chancellor Dr. C. J. Strobel and Warden Peter J. Wehle.

COUNCIL NOTES

FATHER PEREZ CLUBHOUSE will be the scene of the third degree exemplification tonight (Friday). The location is 67th and May Sts. All the members are requested to make plans to be on hand to help put this degree over in the proper manner. There will be about a dozen candidates from St. James Council and no sissies among them, so be there and give a helping hand.

LAP SITTING—So the scribe of Madonna is trying to get back into the good graces of the Editor, inviting him and his BOSS to Madonna's Thanksgiving dinner. This looks like he is fishing for a Christmas dinner with the Editor and his boss.

BOWLING

St. James Bowlers No. 1 took three games last Wednesday night from the Individual Towels (no soap for them). Ed Brosh and Ed Enright were the high men but were paced by Dick Ryan, Jim McKenna and Ed Brennan. The previous week St. James Bowlers No. 2 won three games, led by Joe Schneider and Paul Sink. Paul had a 191 game this week and a high series previous.

Any member who wishes to get in the toothpickmakers' gang is invited to join the teams. This goes for those bowlers who are still in the gutter-ball class; you'll learn how to hook that ebony sphere down the alley without riding the groove.

BLABBER MOUTH

OFFICER JIM SWEENEY is now a regular in the Chicago Police Department and he promises to attend a meeting soon and fix that ticket you got. What ticket? Why the one you bought for the New Year's Eve jamboree. All it will cost will be $4.40, including taxes, and that allows you to wear out your shoes to the music of Joe Rosner's Orchestra and fill your b—— with those hot sandwiches which will be served and the coffee we love so well.

What's become of Jim Kemmerling, Paul Cummings and the PGK who moved to Warsaw, Ind.? (Guess who.) Athletic Commissioner Ed Enright says he will be a little late at the meeting next Monday night but he will be there about 9:30 p. m. Christmas is coming, that's why . . . incidentally, did you pay Ed Bryar that little amount you owe the council?

Tomorrow (Saturday) night Loyola-Hyde Park will throw a shindig around the corner and up three flights from our council chambers (American Legion Post Hall at 6308 Woodlawn Ave.). All they ask for admission is two bits each, so you can dance to the music of Tommy Lennon's Radio Broadcasting Orchestra. GK Jack McGuire of Loyola-Hyde Park says they are also going to have a floor show and refreshments to go with the bill o' fare. This looks like a heckavalot for only two bits, but he says it's true.

Ravenswood Urges Full Council Aid for Xmas Cheer

1-3 Wed. . . . . 1521 Wilson Ave.

This column, coming on the heels of last week's letter from Trustee Farrow, constitutes the last big push for funds to fill the coffers of Ravenswood's Christmas Cheer Committee. Unless the fullest amount is collected soon, the committee will be unable to make complete plans for spreading the cheer of Christmas in time for it to do the most good. All of us know Chairman Farrow and his assistants, P.G.K. Morgan, P.G.K. McIlvaine, Dick Kenney and Joe Grady, well.

P.G.K. Peter Farrow

Besides making their own individual contributions, they are giving now and will be giving up until Christmas a lot of their time in making investigations and distributions. We as the members of the council must do our part by seeing that they have sufficient funds to work with. If you will have no chance of seeing P.G.K. Farrow or any of the members of his committee within the next week, it will be a simple matter to place a few coins in the special folder enclosed with the Christmas Cheer letter received this past week. Take care of this little matter now!

This week you received a combined meeting notice and Christmas Party inquiry from Recorder Heelan and Lecturer Carroll. Make no delay in detaching the one half and filling in the information asked for. When you have done that, get it in the mail with all possible haste. This little cooperation on your part will go a long way towards making Lecturer Carroll's lot easier. Making plans for a party of this sort can be really tough if the planner has only a hazy idea of the number of children that will attend and what their ages are. Get the info to Al in a hurry, for the council officers want this party to be as much of a standout as was last year's.

Birthday greetings to Bros. E. J. Bouchard and John Adler. Dec. 5 for Bouchard and Dec. 6 for Adler. P.G.K. Charlie Morgan has been elected president of the Park Ridge Country Club. Congratulations, Charlie. This Saturday night, Dec. 6, and this Sunday afternoon, Dec. 7, is Ravenswood Night at the N.C.C.S. headquarters at 1122 So. Wabash Ave. A number of Ravenswooders will be on hand to greet the service men and see that they are properly entertained. G.K. Michael Citti and P.G.K. Charles Morgan urge that as many of our members as can possibly arrange to do so, pay a visit to the headquarters in order to learn first-hand what the K. of C. is doing for the service man.

Follow the crowd to Ft. Dearborn Council's "Green Buck" Party, Saturday, December 6, Carpenter's Hall, 6414 S. Halsted St.

Carroll in Xmas Gift Night Next Meeting, Dec. 16

Next Meet Dec. 16.....6 N. Hamlin Ave.

FLASH! Carroll Council will hold its annual "Christmas gift night" at the next regular meeting of the membership on Tuesday evening, Dec. 16, in our club rooms at the Midwest Athletic Club, 6 N. Hamlin Ave. This meeting is for members exclusively.

Our worthy chaplain, Rev. John S. Kennedy, O.P., will deliver his annual message to the membership. Father Kennedy is noted for his fine oratory and has captured the hearts of his audiences at numerous occasions at other meetings.

Lecturer Ken L. Torgeson has been "spotting" around for a gift for each of the members that will be something different. Carroll's famous caterer, Hank Evert, will be on hand with his equally famous "beef." During the course of the evening lucky attendants will receive an extra gift. Don't forget the date—Tuesday evening, Dec. 16. No further mail notice will be sent out.

Grand Knight James J. Crosby and Lecturer Ken L. Torgeson will arrange to have gifts sent to those Carrollites serving in the armed forces of our country. It has just come to our attention that one of our members has been serving his country since April 1, 1941, and since this was not reported until now, we wish to again emphasize the importance of reporting such matters to the council as soon as possible. At this late date we wish to report another Carrollite added to our "Roll of Honor." He is Pvt. Amprose P. Moore, 103rd Engineers, Medical Detachment, Indian Town Gap, Pennsylvania.

CHRISTMAS CHEER

In a very short time the Chicago Chapter's Christmas Cheer campaign will get under way with letters of appeal to each member of the Knights of Columbus. It is the desire of the chapter to raise sufficient funds whereby a gift for every institutionalized child or old person in the city of Chicago may be realized.

Bro. Thomas A. McMahon has been selected as the representative from our council to act in the drive. Carroll Council was one of the "top councils" in last year's drive. Let's do even better this year.

CARROLL'S FOURTH DEGREE chairman, George J. Hunt, was "placed on the floor" at the last regular membership meeting and he expressed his desire to see another record-breaking class on March 1. George pledged his wholehearted effort to the end that Carroll Council represents itself in one of record-breaking proportions. Any member who has been a Knight of Columbus for two or more years is eligible to membership in the fourth degree in the Northern Illinois jurisdiction. Let's get going, NOW! Chairman Hunt may be reached at 4121 W. Fifth Ave. (Kedzie 6807). He will be very glad to furnish you with full particulars and an application blank.

ST. AUGUSTINE ADDS XMAS PARTY DEC. 15

1-3 Mon. . . . . 5209 South Justine St.

Wonder how many of you realize that the Christmas Season is already upon us? No doubt you have already begun to notice the Christmas decorations in your neighborhood streets and shop windows. In keeping with the holiday season, St. Augustine Council will this year, as in years past, present its annual Christmas party at the next meeting, Monday, Dec. 15. Santa Claus will be there to dispense to each and every member in attendance an appropriate gift.

The council chambers will be decorated with the familiar Christmas tree; the hall will be adorned with the usual Christmas colors, bells, tinsel and holly. Refreshments, as only Lect. Henry Rieger can prepare, will be served after the meeting.

Sounds inviting, doesn't it? Well, brother, that's just what we're trying to do; invite you to attend this meeting and see for yourself that the above is not just the idle rambling of a despondent scribe. Let's make this even a bigger event than Turkey Night which preceded Thanksgiving.

RETREAT NEWS

Make plans now to attend the annual council retreat at Mayslake on Jan. 16-17-18, next year. The spiritual benefits derived from these Retreats are immeasurable.

Because we have a large number of Polish speaking members in our council, we want to bring out here that an all-Polish retreat will be held at Mayslake on Dec. 19, 1941. This retreat is sponsored by John Sierocinski and Julius Skrydlewski, two well known members of the Retreat League. The spiritual services will be conducted by Rev. Cyril Mitera, O.F.M., of Ben Avon, Pa.

TEN PIN TAPS

The Johnnie McCabes took the odd game from Puetz Markets by the slim margin of one pin. Frank Putz led the McCabes with 201-212-562, aided by Dan Burke with 203-536 and John Putz with 213-510. John Oswowski led the losers with 530. Capt. Ollie Puetz won the middle game with 231.

Dutchmen's Tavern won 2 from Ted Kloeckner Florals. Capt. Ed Witry led the Dutchmen with 513. Phil Breitzke won the last game with a nice 219. Shabes was high for the Florals with 208-560 aided by Tony Follman with 208-527.

Schaefer Barbers swept their series from Mack Bros. with Charlie Subr showing the way with 203-205-581. Nic Schaefer, Jr. helped with a 527 series. The Macks must have been tired or else they all had an off night.

Bonthron Service won all 3 from Heinen Morticians and thereby strengthened their hold on first place. The winners were paced by Mike Popernick with 528. John Horan led the Morticians with 214-559. After bowling, most of the fellows visited Bro. John Green's Tavern at 50th and Laflin St., where refreshments were served.

We are trying to line up teams to represent this Council in the State Bowling Tournament to be held at the Congress Recreation in January. Any members who wish to participate will please contact the Athletic Director, Jim Burke, or Joe Handzik at the next meeting. The deadline for entries is close at hand, so don't delay.

Inasmuch as we are drawing near the end of the year, why not drop around at the next meeting and see Al Labuhn. Get your dues straightened out before the end of the year and you will feel better.

INVITATION—Loyola Hyde Park council invites our members and their ladies to join with them in having a good time celebrating their annual Fiesta at the American Legion Halls, 6308 Woodlawn Ave., on Saturday, Dec. 6. Admission is only 25 cents per person. See Loyola council column for further details.

St. Francis Has Super Salesman in Anthony Manzo

2-4 Thurs.....4715 W. Madison

Sir Knight Anthony Manzo, fourth degree member of St. Francis Xavier Council, astounded everyone at the last meeting by sending in 26 applications for our forthcoming Father Breen class, thereby setting a record. That, dear brothers, is real spirit — the kind of spirit we all should have. Due to his business (Tony is one of the most popular buyers in the South Water Market), he cannot get to the meetings, but he has proven to us that his lack of attendance has not dimmed his spirits in any way. No sir!

Sir Knight Anthony Manzo

He has shown that he has more interest in the affairs of the council than most of us possess. It is too bad that we haven't about a half dozen Tony Manzos in the council. Then we would really "go to town." Words cannot express the gratitude of the officers and members towards him in his history-making efforts.

Following is the list of Bro. Manzo's candidates: Insurance—August P. Scolaro, Daniel A. Caprio, Dominick Casalena, Melvin Jones, Jr., Joseph G. Cicero, Joseph A. Manzo, Chester Palumbo; association—Michael LaScola, Salva R. Marino, Phillip E. Caruso, Jasper Pagliaro, Louis A. Vihnanek, Melvin Jones, Sr., William J. Burns, Francis Eckstein, Arthur T. Abbate, Frank G. Abbate, Edward S. Cornille, Paul Russo, Samuel L. Catanzaro, Phillip J. Domenico, Emil Richerme, Wm. Hofbauer, Clarence Maiostrelli, Frank Batastini and Charles Fusco.

ACTIVITIES

Can your child dance, sing, play an instrument or do a novelty act? John Caruso is looking for such talent to perform at our annual Christmas party for children to take place Sunday afternoon, Dec. 21, at the Garfield Park refectory, Washington Blvd. and Hamlin Ave. All members' children from the ages of one to ten are invited to attend this party. But you'll have to attend the next meeting to procure the tickets for them if you have failed to do so up to now because positively no tickets will be mailed to anyone.

The dance committee, under the leadership of Sir Knight Nick Masse, continues to forge ahead with the formulation of plans for our annual dance which will be held Saturday, Feb. 14, at the Ashland Blvd. Auditorium, the scene of last year's success. Come to these meetings on Friday night at Babe Criola's meeting "hall," 3024 W. Flournoy St. The dance cannot succeed without your help. Remember, brothers, the many activities and parties held during the year are made possible from the receipts of our annual affairs.

K-NOTES ABOUT KNIGHTS

"Sore" Knight Anthony Scarpelli will be a happy knight on Dec. 10, when he and the Mrs. both celebrate their 57th birthdays. Many happy returns. . . . Bro. Joe De Salvo submitted to a blood transfusion last week for Frank Pasquale's sister. . . . Bro. Jimmy O'Donnell, one of our better softballers, will be married Jan. 3 to Miss Sally Ryba at Our Lady of Sorrows Church. We wish them the best of everything.

Which reminds us of softball night. One item of importance was the announcement of the election of Nick Masse as secretary of the K. of C. Softball League. Two Johnnies—Miner and Burke—who were with us last Thursday, were elected president and vice-president, respectively. Members of the softball team were presented with miniature gold softballs, embelmatic of their supremacy in the west section.

Bro. John J. Batelli, who is stationed at Camp Roberts, California, informs us that he's in good shape out there and is enjoying his experiences as a soldier. . . . Bro. John Cucci handed Charlie Principe 12 personal patron ads for our dance, and was Charlie happy! . . . Speaking of being happy, you should have seen the smile on DGK Sal Cirrintano when all those applications were read. Sal is chairman of the membership committee. . . . We're sorry to hear that Bro. Lou Belpedio is ill, and we hope that by the time you read this Lou is in good health again. . . . Shirley Randazza, one of our faithful readers, was operated on for appendicitis last week. We join her friends in wishing her a speedy recovery.

BOWLING

Another Monday has come and gone and so has another bowling session. But some of the memories linger on. For instance, the Bacigalupos will still remember winning three games from the slipping Famous Potato Chips; Dot Pies, Izzo Undertakers, Guigliano Florists, Marks Motors and Ald. Pacellis don't mind being reminded of their winning the odd game of their series from the Orlando Buffet, Lido Restaurant, Paterno Pizzeria, Senate Electric and Coletta Undertakers, respectively.

In the select circle this week are: A. Marcucci, 566; C. Gregorio, 515; F. Arito, 568; S. Defily, 563; A. Vitallo, 524; T. Salvo, 567; A. Frusolone, 531; J. Consoli, 520; N. Masse, 518; S. Randazza, 509; H. Garippo, 525; J. Caporelli, 528; J. Defily, 547; S. Cirrintano, 554

Rosary College Staff Here Leads in Search for Cure of Cancer

Thoughts of cancer never fail to awaken feelings of pity and dread. Fears of the disease have been incited by a lack of knowledge about a cure. These fears, however, are slowly being dispelled through the work of the Institutum Divi Thomae and in particular its cancer research laboratory which was established at Rosary College in 1938.

Interpreting true science in the light of Christian philosophy was set up by the Most Rev. John T. McNicholas, O.P., Archbishop of Cincinnati, as the aim of the Institutum which he established in Cincinnati in 1935. He cherished the wish that the world might better understand the position of the Church in regard to science by an active participation in scientific work. The Institutum is a graduate school for scientific and research work devoted to the promotion of religious education, science and the fine arts.

FIRST UNIT OPENED IN 1938

In September, 1938, the first unit of what will eventually be a nation-wide system of scientific laboratories, was opened at Rosary College under the direction of Dr. George Speri Sperti, ScD., the "Pasteur of America," a member of the Pontifical Academy of Sciences, and his excellent staff.

The Institutum in Cincinnati has been organized on the principle of individual attention to its students. To that end, the number of students has been limited to 30, ten in each of the three years of the course leading to the degree of Master of Science. Formal classes are few, the limitation offering time for greater stress on the practical aspects of laboratory work in which the individual is most interested. Work is accomplished in small groups and results are available to all others by coordination methods.

BASE WORK ON CELL METABOLISM

From 1938 to the fall of 1940, the Rosary unit was directed by the late Sister Mary Jordan Carroll, O.P., M.S., and Sister Mary Veronita, O.P., M.S., who were the first to be graduated by the Cincinnati Institutum. The Sisters had specialized in the investigation of the cancer problem from the basis of cell metabolism, each working on a different phase of the problem. Throughout the years in more than a score of cases white mice have been the subject of their research. Some have been cancer free; other strains they found developed cancer spontaneously in as many as 80% of their number.

The Sisters' work has been carried on in a completely equipped, highly efficient laboratory atop the fourth floor of the science building on the Rosary College campus. Frequently interested students, predominantly those from the Science department, visit the Institutum unit and learn of the progress of the investigations then in progress. Chemistry students have been called upon to accomplish some details of the work.

Leo Urges Prompt Action for Degree Classes Next Week

1-3 Tues. . . . . 820 W. Garfield Blvd.

Brothers, have you made any effort to get at least one candidate who will be ready to take the First and Second Degree at Madonna's Club house on December 12, and the Third Degree at Leo Club on December 14? This is an opportunity for your candidate to take all his degrees in one week.

Our Grand Knight, J. Lawrence Breen, is very desirous that Leo Council have a large group of candidates in these degrees.

CHRISTMAS CHEER

Brother Charles Mullins has been named by Brother George A. Wahl, President of Chicago Chapter, as Leo Council's Chairman for the Christmas Cheer Committee. Charlie is going around with that gleam in his eye. So when you see Charlie give him your donation for this wonderful cause. All donations, large or small, will be cheerfully accepted.

Brother William Heim was a blood donor last week.

THE HOUSE COMMITTEE of which the following are members: D. D. Clarence Wagner, PGK John Buberry, Trustee James M. Brown, Art Goodman, Roy McMahon, gave a very good report at the last meeting. The committee has a plan regarding the poolroom, while nothing definite has been decided upon, if this plan is approved it will make a big change in the poolroom by Christmas. The members of the committee are working hard on ways and means to make the club rooms more interesting for the members.

THE AUDIT report compiled by the Special Agent, Grand Knight Breen, and the trustees, was submitted to the members at the last meeting. All were pleased to learn that the Council was in good financial condition; however, mention was made of some members who are in arrears with their dues, assessments and insurance payments. To these members we urge them to see the Financial Secretary—at once.

Council accounts must be paid on time to the Supreme Office and the only way the council officers are able to do this is to have all members pay their dues on time. Our Financial Secretary, P. Joseph McNamara, is at the club house every Tuesday and Friday evening.

WEEKLY SOCIALS

The following are the award winners of the Socials on Tuesday afternoon and Saturday evening: J. Wencek, L. O'Gara, A. Trundl, H. Flick, E. Fahy, H. Devine, S. Scharta, Mrs. A. Miller, Mrs. Staltesen, Mrs. R. Tomlinson, H. Burns, J. Hally, Mrs. P. Doreng, J. Vimmerman, E. Richmond, L. Le Blank, Mrs. B. Stiffes, F. Knight, L. Du Van.

If you are unable to attend the Tuesday afternoon Socials, come up on Saturday night and spend an enjoyable and profitable evening at the club house.

Just received a line from Brother Jack Fanning, Jr. He joined the Marines a short time ago and likes it fine. Drop him a line, address: Private John J. Fanning, Platoon No. 174, Marine Corps, Base Recruiting Depot, San Diego, Calif. Grand Knight Breen and your scribe would like to hear from other members who are now in the Army, Navy or Marine Corps.

The officers and members of Leo Council extend congratulations to Brothers John Miner (St. Philip), John Burke (St. Patrick), Nick Maise (St. Francis), John Logan (Ft. Dearborn), who have been elected officers of the K. of C. Soft Ball League. Good luck for the year 1942.

LEO FOURTHS

The Fourth Degree, announces the date of the next Exemplification and Banquet is to be Sunday, March 1, 1942, at the Palmer House. Widespread interest in this class has already taken root. Members of the Army, Navy and Marine Corps will be permitted to take the degree in uniform. The required dress for civilian candidates is the regular full dress suit.

Requirements for initiation into the Fourth Degree of the Order are that a member belong to a Council and be a Third Degree member in good standing for at least two years. Any Third Degree members of Leo Council who may be interested should contact any member of Leo Fourths. The sooner you make known your intentions the better. Sir Knight Thomas J. Higgins, President of Leo Fourths, will make arrangements about forming a class.

Just one thing all Fourth Degree members should keep in mind: We can't have candidates for the Fourth Degree unless we have Third Degree members, so get that new member in time for the degrees to be held December 12 and 14.

Fort Dearborn Council will hold its "Green Buck" Party and Dance at Carpenters' Hall, 6414 S. Halsted Street, Saturday, December 6, 1941. Music by Irving Fields and His Chicago Beach Orchestra. All you can eat and drink for $1.10 (tax included). I'm sure all Leo members who attend this party will have an enjoyable time among our friends of Fort Dearborn Council.

Our thanks to the scribe of Illinois Council for the kind words about all scribes and now may I quote from his notes of last week: "May their avenues of information increase and their ability to describe what is happening improve."

Pinta's Membership Drive Will Be Given Fullest Cooperation

1-3 Thurs. . . St. Mary's, Riverdale

Our members who have paid recent visits to the surrounding councils putting on First and Second degrees have felt a tinge of jealousy from the number of candidates initiated. To visit your neighboring councils and witness the result of their membership campaign leaves many of us disheartened indeed.

The fact we must face sooner or later is the need of new, younger and inspired individuals in our ranks. Surely if other councils are able to solve this, the most important of all present problems, we should be able to do the same.

To add more truth, this problem cannot be placed upon the shoulders of one or two individuals. It is too much to expect from a chosen few if no help whatsoever is given. To bring it down to a few words, it's co-operation that is needed and expected as soon as possible.

According to the schedule of the State Membership Chairman, Pinta plays host to councils in South Division No. 4 on Feb. 19, 1942, at St. Mary's Hall, Riverdale.

Notice is hereby given to the officers and members of the degree teams to begin studying their parts in order to make the more perfect impression in exemplification.

WAS IS, SHALL BE

Bro. Joe Cole is finally getting acquainted with our city. Joe and the Mrs. attended a wedding reception on the near west side last Saturday evening. Bro. Cole found the addless, all right, and was saved some worry about getting home by a Samaritan with a motor buggy.

Bro. Fred Giltmier attended the Leo-Tilden game, and remarked that the attendance was so large he was unable to see all the excitement. We'd have thought it was a colleague with anti-freeze who spoiled the high spots.

Bro. Joe Stepenski, Pvt. Consolidated Mess Co. now, spent last week visiting his parents and friends. He had obtained a week's leave of absence due to his handling of foodstuffs over Thanksgiving.

We are proud and happy to report that the operation performed on G. K. Prymas's left wrist last Saturday morning was a success and that he was able to resume his duties almost immediately following.

Bro. Al Schuman is expected to arrive home some time this week from St. Margaret's Hospital, Hammond. To Bro. Schuman, our compliments and best wishes for a successful recuperation.

The substitutes for our annual dance have been distributed, but must be returned not later than Dec. 15. Please help the council meet its expenses by disposing of them completely.

Brothers, here's an invitation to attend Loyola-Hyde Park Council's "Fiesta Night," Saturday, Dec. 6, at 6308 Woodlawn avenue.

La Rabida Has Grand Program in Readiness for the Ladies Dec. 9th

2-4 Tues. . . . . 6236 Princeton Ave.

All roads lead to La Rabida's meeting hall where on next Tuesday evening, Dec. 9, the council will pay a fitting tribute to its ladies on the occasion of its annual Ladies Night. Our Worthy Lecturer, Dr. John Latchford, reports all in readiness for a most enjoyable evening.

This occasion usually attracts a banner attendance of La Rabidians and their ladies. To be absent on this occasion will cause you to miss one of the most outstanding events of the year. La Rabida has made history on the occasion of its Ladies' Nights and I can assure you that history will repeat itself. By the way, Russ Wildey and his Commodores will render the music on this occasion.

XMAS PARTY

On Wednesday evening, Dec. 10, La Salle Assembly, Fourth Degree, will hold its annual Christmas Party at the Palmer House. As usual, a splendid program has been arranged, and Christmas gifts will be forthcoming to all in attendance.

BOWLING: The bowling results of Monday, Dec. 1, are as follows: Dion Quints took 2 out of 3 games from Cogan Coconuts, while Kapple Chicks were taking 2 out of 3 games from the Has Beens. The bowling league meets every Monday evening at Legion Bowling Alleys, 76th and Cottage Grove Ave., at 7:00 p. m. The members of the council are invited to be present at these sessions and see how it is done by those who know how.

Dearborn Offers Great Program in 'Green Buck' Party

1-3 Thurs. . . . 820 W. Garfield Blvd.

Get in line, brothers, because that long line you'll see outside 6414 S. Halsted St. on Saturady night, Dec. 6, will tell you that all those people are going to Dearborn's "Green Buck" Party and Dance and that they know they are going to have an evening crammed full of fun and excitement. If it weren't for the fact that we know quite a bit about the preparations that have been made, we'd be a bit hesitant about predicting what kind of a time everyone would have, but we are sure that after these many weeks of making arrangements there has been nothing left undone in the way of insuring a wonderful time for all.

As we reported in the last column, tickets are going fast and Bro. Dave Kerwin announces that more than 700 are now in circulation. He would, however, feel a little better and get a little more good, sound sleep if he had more of the tickets paid for than he has. We hope you realize, fellows, that this party is going to cost quite a piece of change and in order not to put too great a strain on the treasury, if you made your returns upon entering the hall that evening you would facilitate things quite a bit.

Our G.K. Devereaux, at the last meeting, paid tribute to the General Chairman of the party, D.G.K. John Downes, all the members of the various committees, the Co-Chairmen and all who have had anything to do with the preparations of it. It has been hard work and now, on Saturday night we shall see the fruits of our labors.

It was encouraging to hear that some of our brother knights from other councils had promised to be on hand, because we like to have the opportunity to entertain them and their families and friends. For those who wish to dance, the orchestra Dearborn has selected for the evening needs no introduction. We have always been well pleased with the snappy, rythmical strains of Irving Fields' Chicago Beach Orchestra, and we know he will be at his best Saturday night. The dancing, as stated on the tickets, starts at 9:30 p. m. but please don't ask when it will finish, because Mr. Fields is very accommodating and he'll play as long as your feet can carry you.

The refreshments, wet and dry, are all arranged for and we're told that the sandwiches will be especially good. You know that on each table will be placed a bowl or two of popcrn, pretsels, or potato chips, which we can always nibble.

Parking facilities for those who are driving will be found in garages at 64th and Union Ave., 64th and Emerald Ave., and 64th and Green St.

The work is all done and the preparations are all made, and all that remains is to see to it that you are present Saturday night. It's not too late yet to take those tickes out of your dresser drawer or out of your pockets and tell your friends of the bargain in entertainment that Dearborn is giving. Don't be backward in telling them, because they know an evening of entertainment anywhere is going to cost them as much or more than $1.10.

NEWS ABOUT KNIGHTS

Bro. and Mrs. John O'Neill announce a new baby girl has arrived at their house and may we extend the congratulations of Dearborn to you in this happy event.

Bro. Nick Hoffman is now vacationing in the south, New Mexico, Texas, and points west. Have a pleasant trip, folks.

Bro. Jos. F. Guerin, Jr., is now with the armed forces of our country and we submit his address in the event that you wish to drop him a line of good cheer: Jos. F. Guerin, Jr., 15th Signal Service Reg., Attention M. P. Co., Fort Monmouth, Red Bank, New Jersey.

Bro. Dick Kerwin was at the Notre Dame-So. California game and he said he was saying the rosary all during the battle. O, Yeah?

ANNOUNCEMENTS

St. Philip Neri Council announces their Card Party at 7515 Yates Ave., on Friday, Dec. 5, and invite all Dearborn members to attend. A very enjoyable evening is promised.

Because Bros. F. A. Hubert, T. J. Mulcahy, H. J. Ratkz, Jos. Nix, and Stephen Kasprzak were not at the meeting $10.00 couldn't find an owner. Sorry, boys. Next meeting, $15.00.

A look at the high series and high games of Dearborn's maple smashers will tell us that the keglers are going great guns and getting plenty of timber.

Last week the Maney Indians won 3 from the Feilen Insurance. The Ruff-Kerwins took 2 from the Racine Liquors and the Premier Cartage copped 2 from the Manhattan Beverages.

High series got almost into the box car number class and were: Jim Reilley, 555; T. Yoniles, 539; J. Brynda, 534; M. Mullee, 532; Berringer, 527; A. Bartosik, 520; Tom Maney, 520.

High games were shot by: Berringer, 213; C. Schwarles, 208; and T. Yoniles, 207.

SEE YOU SATURDAY AT THE "GREEN BUCK" PARTY.

Setters Has Two Big Parties on Calendar For Holiday Season

2-4 Thur. . . . . 4711 W. Madison

As has heretofore been announced, in a quiet sort of way through the medium of this column and by word of mouth, there are two simply colossal parties looming in the immediate future for the members of Father Setters Council. Word of these gala events has spread like wild-fire and enthusiasm on the part of all the Settersites has worked up to a fever heat.

Consequently, it becomes the somewhat unique duty of the Publicity Department to actually attempt to suppress the news since these shindigs are already in the way of becoming such stupendous successes as to tax even our ample facilities for handling the crowd.

Therefore, we thought we'd kind of pass over the forthcoming parties with little beyond the barest of outlines just for the sake of posterity who may read these lines centuries hence. So, to begin there's—

XMAS TURKEY NIGHT

On Monday evening, December 22, all the boys of Father Setters Council will convene in session extraordinary and set about the serious business of dividing up some forty turkeys among the assembled brethren. In view of our recent, successful Thanksgiving Turkey Night, most of the lads already have their appetites all whetted up for the occasion.

Those who carried off the plunder a couple of weeks ago are in particularly fine fettle, under the impression that a good thing lasts forever and that they're going to win again. Another school of thought, subscribed to by those who didn't win last time, holds that the boys in the first class are deluded, benighted and carried away by success, and further, that Lady Luck is bound to desert her proteges who won the birds at the Thanksgiving party in favor of the boys who went home broken-hearted from that affair.

At any rate, interest in Christmas Turkey Night is at an all-time high and a capacity crowd is expected at the meeting. Of course there will be plenty of shennanigans in addition to the drawing and you'll have a good time, win or lose.

KIDDIES' XMAS PARTY

Further word has just come in from the headquarters of Santa Claus, again assuring us of the presence of the old gentleman himself at the Children's Christmas Party, to be held for the children and grandchildren of the members of Father Setters Council on Sunday afternoon, December 21, at the Madison Athletic Club.

These dispatches go on to outline the program which will be presented for the entertainment of the youthful guests and there is some inference to the effect that each child will receive a gift and a generous portion of candy.

Santa Claus has delegated Grand Knight Roy P. Bedore and Past Grand Knights Edward J. Lavin and Maurice J. Kissane as his official assistants for this party. At the moment we go to press, this group and a committee of members of Father Setters Council are busily engaged in making final arrangements for the big day. In a short time each member will receive his formal announcement of the party and full particulars.

University Plans for Children's Christmas Party on December 31

2-4 Tues. . . . St. Ignatius Auditorium

Last year's successful Christmas party for the children of the members has inspired the council to try for an even greater affair this year. Chairman Charley O'Connor has had the date changed to Sunday, Dec. 21, in order to make it possible for the fathers to bring the children. He has planned for a wonderful entertainment, a magnificent Christmas tree, a marvelous Santa Claus, glorious gifts and refreshments for all.

The spacious gymasium of St. Ignatius' School will be the scene of the party and Charley expects to fill it with enthusiastic children and parents.

COMMUNION MASS AND BREAKFAST

Nearly a hundred members attended the communio nmass at St. Ignatius Church on Sunday, Nov. 30, and the breakfast which followed. Chairman Quigley conducted the breakfast with great success. He should be called upon by many organizations as a master of ceremonies as he is a marvel at getting choice words of wisdom from speakers and getting said speakers back in their seats in a short space of time.

Among the two-minute men heard from were PGK's Ed. Jeffers, DD; Jim Hollahan, Frank Marnell, Ray Hayes, Jack Garrity and Judge Joe McGarry. We also heard from our honored guest, DD Frank Wolleber, who congratulated the council on initiating the semi-annual communion Sunday. Both Ed. Jeffers and Jack Garrity stressed the importance of early and generous contributions to the Christmas Cheer fund. Others heard from were GK Murtaugh, DGK Brown, St. Patrick's party chairman, Curtin, and fourth degree chairman Jim Dolan.

TURKEY NIGHT—That the open meeting on Nov. 25 was a great success was evidenced by the pleased smiles of some hundred and thirty members and their ladies as they reluctantly left St. Ignatius gymnasium. Everyone carried home a generous turkey supper, and it seemed that almost half the group had certificates for a whole bird presented at the party. Ed. Waibel, lecturer and chef, performed in his usual genial and efficient manner.

BOWLING

President of the bowling league, Dinny Doyle, urges all members to be ready to start promptly at 9 o'clock hereafter. He says that the alleys will positively be clear on the dot and that an early start will let many of the home-lovers return to their domiciles by 11:30.

Plans have been made to enter a council five-man team in the state tournament starting Jan. 3. It is hoped that some of the other bowlers will enter the events also. As entries have to be in by Saturday, phone Tom Dasse if you wish him to enter your team. Tom gives the following statistics as of Nov. 28:

	W.	L.		W.	L.
United	27	6	Innisfails	14	19
Joyce Mocers.	25	8	Keenan Boost..	13	20
Fenlon Fun...	16	17	McGov'n Meats.	13	20
McGraw Tlrs.	15	18	Moran Prints..	9	24

Team high three games—United Employment Agency, 2,755; Joyce Movers, 2,751; Fenlon Funerals, 2,695. Team high single game—United Emp., 1,061; Fenlons, 983; McGraws, 967. Individual high three games—Phil Ryan, 684; Dinny Doyle, 632; John Rohr, 631. Individual high single game—Jim Malone, 253; Marv. Boerschinger, 248; Phil Ryan, 241.

McGovern Meats won three games from McGraw Tailors; Joyce Bros. lost two to United Employment; Keenan Boosters took two from Innisfails; Fenlons lost two to the all-powerful Moran Printers. Let's see the Moran Printers get going from here on in.

Series over 500: Ed Bales, 538; Tom Dasse, 507; Rudy Linzer, 589; Tom Mackey, 521; Jim Malone, 550; Phil Ryan, 557; John Rohr, 523; Ed Seward, 505; Frank Schmit, 556; Henry Westerburg, 528.

CONDOLENCE

Word has just been received of the death of the brother of our good member, William H. Figg, and of the wife of Bro. James R. Conner, who resides in Los Angeles, Cal., where the death and burial took place. The council offers its sincere sympathy to the families of these bereaved members. May the souls of the departed rest in peace.

Churches Throttled In Occupied Areas Recent Reports Show

Lisbon. — Information reaching here from very reliable sources produces a sad picture of the position of the Catholic Church in Occupied France, Belgium and Holland.

The stringent and throttling regulations imposed by the Hitler officials in these occupied areas cannot be explained away as being necessary to the preservation of public safety, as reports show that they are measures over and above the actions necessary for that purpose.

For example, not only have all meetings and activities of Catholic organizations been forbidden from the first days of the German occupation, but Gestapo agents have made minute investigations in the residences of Bishops and priests and the headquarters of Catholic organizations, and have carried away quantities of documents. The Gestapo showed a preference for documents coming from the Holy See.

The press, which is under the rigorous control of German authorities, carries articles which are offensive to the Catholic Church and the Holy See. Some Bishops have been forbidden to reside in their See cities, and others have been kept under vigilance to such an extent that they are virtually prisoners. Many leaders of Catholic organizations have been arrested.

In Loraine, the Bishop of Metz was sent away and the Episcopal residence was subjected to a complete examination. Many religious houses were similarly searched. Two seminaries have been closed and occupied, and the clerical students sent elsewhere. Catholic colleges and schools have likewise been closed, and several hundred religious men and women dispersed. In numerous instances, priests have been dispelled from their parishes and their rectories have been confiscated.

All Catholic schools have been abolished. Contributions by the state for religious purposes have been done away with. Extraordinary taxes have been levied on diocesan funds.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. 21 BAPTIZED CATHOLICS ARE RESULT OF WIFE'S FIDELITY TO HER FAITH

A hundred years or so ago a Catholic girl in Northampton married a Protestant. She was true to her faith, and this is what followed:

Three children were born of the marriage. They were being brought up as Catholics when the mother died.

The father, Mr. Johnston, was about to marry again. For the sake of the children and swayed by the example of his dead wife he became a Catholic, and his second wife became a Catholic with him. There were 10 children of this marriage and the mother died at the age of 37. Again the father thought of marriage. His third wife-to-be was received into the Church. This marriage produce five children. The mother died at 74 and the father at 95.

All the 18 children, the father and two of his wives were baptized in Northampton Cathedral, because the first wife adhered to her faith.

BARRY BOWLERS URGE WED. SOCIAL TURNOUTS

1-3 Tues. . . . . 2856 Washington Bl.

I sometimes wish that all of our members were members of the Bowling Fraternity, for they are the only ones who seem to be full of news. If you have noticed, Brother McGowan always has news for me regarding the activities of his team, and from week to week I am always sure of something to write about.

The one thing the Barry Majors need more than anything else is a rooting section. These boys are good, as their scores will attest, and I am certain that there are enough of you who are interested in bowling to make a good rooting section if you would only come down to the Cascade Alleys, any Friday night, and watch them bowl.

Dame Fortune was with them this week. We took all three games from Hennepin-Shields and are still in a three-way tie for second place. Bones Boyle had a 224 and 212 game. DeVito was second with a 588 series with a 202 game. Frank Soldat had a 580 series with a 228 game. Kucera bowled a 562 series with a 213 game, and Lane missed the 200 mark by one pin. His high was 199. Barry's games were 1,028-935-914, making a total of 2,856, with a team average of 952.

Every Wednesday evening, at our clubhouse, 2856 West Washington Street, the bowlers stage a party open to the public and many prizes are awarded. Although we have had good attendances, it it nothing to what we are capable of. So won't you come out to at least one? If you don't enjoy yourself, it will be our fault, and you won't come again.

SCRIBE'S XMAS WISH

Once again I am forced to appeal to the members of our Council to come to the aid of a greatly underworked Scribe. Fellows, I make quite a long trip here every Friday evening, and I assure you that I am willing to write the news, when there is something to write about. Honestly, though, I am not a mind reader, and cannot conjure information out of the air.

There is plenty of news all around you if you only have the knack of recognizing it. When Mrs. So-and-So has a baby, that's news. When a member is sick, that's news, and when there is anything in your environment that makes you happy and isn't too private to print, remember we are your brothers and want to share that joy with you. So please come to my aid and let me find more items that I can enlarge on if necessary, so that I may make your column interesting.

THE "DADS" CLUB is now having a meeting, and what goes on there is very mysterious indeed. As soon as something has crystallized in the matter I will let you know. In the meantime if you ask any of the "Old Timers," they will be glad to give you any information and I assure you this movement is going to be one of the most unique in the annals of the club.

CONDOLENCES

Charles J. Gallagher, loving husband of Florence and fond father of Virginia, died on November 29. Services were held at Resurrection Catholic Church on Dec. 2 and interment was at Mount Carmel Cemetery. To his family the officers and members of Barry Council extend their deepest sympathies.

BARRY BOWLING LEAGUE

We had a pretty fair crowd at last Wednesday's weekly bowlers' party, but there are lots of bowlers that have not showed up at these parties yet and we would like to see more of them. The parties are in benefit of the coming National K. of C. Bowling Tournament at Cleveland, Ohio, and the bigger the crowd the better times the boys will have in Cleveland.

Last year at the National K. of C. bowling tournament held at Indianapolis, Ind., our good friend, John Tamburrino, donated some beautiful prizes for high scores and high series shot by the boys from Barry, and one of these prizes was won by our good friend, Tom Ferrarrini. Well, Tom packed his prize and when he got home he told his wife about it and opened his grip to show her his prize, but someone played a joke on Tom and substituted a dirty, old pin. When his wife saw this, he sure got razzed. We got that long lost prize back and presented it to Tom, and the young kegler talked for about twenty minutes in accepting his prize.

George Rose's Little Jack Restaurant are in first place by a three game margin, as they won all three games from Crowley Cafe, with Captain George Rose getting high 562 series and Clarence Probst getting high game of 211. Harry Kloth had high series of 592, with scores of 175, 212 and 205, and 212 high game.

Sheehan Chili's made a clean sweep of their series with Kedzie Coal, with our Country Cousin Larry Westphal setting the pace for the boys with a 612 series and 234 high game. Captain Pat. Crowley had high series of 525, with 197 high game for his team.

Ahern Morticians won two from Recorder Kaindls, with Tom Ferrarrini getting 566 series and John Cella high game with 197. We omitted the name of Dr. L. Cella in winning one of the high game prizes last week with a 207 score. Frank Lane had 491 series, with 190 high game for Kaindls.

De Mares Coal won two from Senator Kean, with Lou Racine getting high series with 531 and Little Junior Ed. Morgan getting high game with 220. This is another team that has been winning a lot of weekly high game prizes. Frank Kucera shot a 532 series, with Captain Charley Svoma getting high game with 201 for Senator Keanes. The good shooting of the two southpaws of the De Mares Coal, namely Lou Racine and Little Junior Ed. Morgan, are keeping the boys up on the list.

Dancing Professor Dan Keating and his United Air Liners made a clean sweep of their series with American Air Lines, with the flying bowler, Ollie Klineman, getting high game, with 205, and our lawn mower expert from Oak Park, Phil Cullen, getting high series, with 506. Lucky Rocco Tarsitano had high series for American Air Lines, with Anthony Imbrogno getting high game with 174.

Smith Funeral Home made a clean sweep in their series with Mid-West Auto Service, who had to shoot with four men, as our good friend, Jack (Otto) Grisim, was unable to be present on account of touch of flu. Ted (Dynamite) Biedzrycki shot a 538 series, with 200 high game for Smiths. John (Useful) Foley had a high series for Mid-West, with high game of 180. Cunningham Insurance won two from T. W. A. Airlines, with the southpaw captain, Mike Cunningham, getting 538 series and 220 high game. Jack Donahue sure burned the alleys up with his scores of 206, 203 and 189 for a 598 total, and is gradually moving up on the list. Big Vince Johnston said he does not like the beer frames, as he always gets tapped on good hits when it is a beer frame.

The Garfield Restaurant took it on the chin in their series with Faucher Bros., as our good friend and sponsor, Ed. Faucher, sure showed the boys how to get strikes. Ed. shot a 502 series with 200 high game for his boys. Jimmy (Pesty) Conley had high series for Faucher, with 546, and kept the boys in good humor with his wise cracks. Our own reliable Lou Rosenmayer did his share to win with a 600 series with a 236 high game.

Last week's winners were Rosenmayer 236, Ted. Biedzrycki 200, M. Cunningham 220, Ed. Morgan 220, Lou Racine 211, Ed. Faucher 200, Walter Riedl 179, and John Cella 197. Do not forget the Wednesday night socials at the clubhouse.

Chicago Hts. Seeks Cooperation in Drive for Membership Quota

2-4 Mon. . . . . 1537 Otto Blvd.

What are you doing about our membership drive? Time is growing short, as it is planned to have the initiations on January 12. It is G. K. Pallo's request that we all try for at least one application in order to make this night a success. So try and get that son, son-in-law, friend or buddy to fill out an application. We need them and they need us.

At our next meeting, Dec. 8, the Club Room Committee will make its final decision. The outlook of having rooms of our own again is very encouraging, but it will require the cooperation of each and every one of us to make this successful. So be sure and come to the meeting.

D. D. Henry Hilgendorf paid us a visit last meeting, at which our Lecturer put out the feed bag for the boys. This might have been the reason Hank and his crew showed up. Come again, we all enjoy your company.

Reporter Bud Widing gave us the following dope on our bowling team: The K. of C. representatatives bowl every Monday night in the local Holy Name League. At present they are favorably situated in third place position, with fifteen wins and twelve losses. Just a shade above them are the Mt. Carmel Bowlers, holding seventeen victories against ten defeats.

St. Casmir tops the league, with eighteen wins and nine losses. Being only three games from the top position, they see a very fine chance to wind up on top, as the league scores are figured on a handicap basis. "Deadeye" Kempen's new ball and bowling shoes have pushed the team up from fourth position in the last couple of weeks.

The K. of C. entry and the St. Agnes entry are split between members of both organizations. Members of this Council bowling are George "Roar" Bachman, George Hrdina, Dick Connally, A. Kempen and Rev. Father Horan. There are also a couple of the fellows on the two teams that are prospective members.

The fellows are enjoying themselves, win or lose, and after all the enjoyment derived is most important, even if those strikes are quite satisfying. If everyone is quiet for a moment, we might be able to hear "Roar" Bachman over here when he gets his strikes with his well known "in and out curve ball."

Evidently "Roar" must have made several strikes, as I was told it sounded as if the Stock Show was being held in town.

McHALE ASKS PROMPT AID FOR XMAS CHEER

1-3 Tues. . . . . 150 W. 69th St.

Well, it won't be long now. Just think, only twenty days more before Christmas. Only twenty days to prepare for the most joyous time of the year. With that thought in mind, you and I should remember to contribute at least a quarter to the Chicago Chapter Christmas Cheer Committee to help them in their splendid work of making hundreds of children and others happy at Christmas time.

Can you imagine any member of our council being so "tight" that he wouldn't contribute the small sum of "two bits" to help make some unfortunate person happy? I can't.

OUR COUNCIL

Some of you fellows who never attend a meeting or other council affairs, perhaps don't realize that you belong to a council of the Knights of Columbus, that is recognized by our state officers as one of the greatest councils in this jurisdiction.

You perhaps wonder how McHale Council ever became so prominent among all the other councils of the state of Illinois. Well—I could tell you the answer but it's a long story, so I'll just give you a part of it now, and it is this: The officers that you have elected each year since 1907 have worked hard and unselfishly to make our council one of the greatest.

Right now they are working hard to secure new members and on this job they need your help. Bro. Jim Duffy and Bro. Jack Anton, who are chairman and co-chairman respectively of the membership committee, have appealed to your Grand Knights to give them help in securing the quota that we are obligated to obtain within the next six months.

Our quota is quite high, so it is the duty of all McHale members to do everything possible to secure a new member. And, don't forget this—when you ask someone to join Archbishop McHale Council, you are doing that person an honor because you are inviting him to join one of the greatest.

HERE AND THERE

Sorry to report that Bro. Frank Cain is confined at St. Bernard's Hospital. . . . Mrs. H. Jann, wife of Bro. Hub, has been confined at Augustana Hospital, where she underwent a serious operation recently . . . Our chaplain, Rev. James Quirk, an alumnus of Leo High School, was happy as could be last Saturday because of the 46 to 13 trimming Leo gave Tilden High . . . Our honorary chaplain, Rev. Walter Croarkins, and Rev. E. Broderick (whom you all know by now) were seen playing golf a few weeks ago . . . Speaking of Father Broderick, did you know that he, Bro. Tom Aaron and Bro. Bill Jann played on the same ball team at De LaSalle Institute some years ago? . . . Our good old friends—Fort Dearborn Council—invites all McHale members to attend their Green Buck party and dance at 6414 S. Halsted St., on Saturday evening, December 6. Music will be by Irving Fields and his Chicago Beach Orchestra. The admission will be $1.10, which includes tax, all you can eat and drink.

BOWLING

Monday night's results: American Tailors and Furriers took three from the J. J. Kelly's, Darcey Com (2), S. S. O'Briens (1), Ryan Dentist (3), Crocombes (0), Cronin Cleaners (2), Moninger Jewelers (1), Kelly Morticians (2), Ryans Auto Service (1), Cramsie Ins. (2). Geo. Perona 199, 193; Pete Fazio 188, 201; Andrews 196; Fred Cummings 223, 232, 166 (nice bowling); Tom Arron 212; Leo Kareiva 200; Barney Perono 199, 198; Coleman 202; Tom Dundon 209; Doc Ryan 191, 226, 181; Jack Stevens 197, 190; Con Hogan 200.

The boys had some delicious refreshments served by the committee: Tom Arron, Jack Stevens, Barney Perona and Jack O'Connell. Nice work, fellows (the celebration was the end of the first round).

We would like to tell you something about the sponsor of the American Tailors and Furriers. This team is sponsored by our good friend, Charlie Cotuno, a past president of our bowling league, and a member of McHale since 1937. Charlie, a charter member of St. Rita Council, joined the Knights of Columbus some 26 years ago. Every year Charlie has a team in our league.

The American Tailors and Furriers are located at 416 East 75th St. This is a concern with a 21-year record of selling and servicing of the highest type fur coat tailoring of all kinds, cleaning, dyeing, pressing.

Charlie resides at the same address with his wife and son, Leonard, who is now in his second year at Mt. Carmel. Both are frequent visitors to the bowling alleys. With the Xmas season approaching, call Charlie for anything you may need in this line. (Telephone Stewart 0357.)

Ouilmette's Christmas Party Scheduled for Sunday, December 21

The annual Christmas Party is scheduled for December 21, at 2:30 p. m., at our regular meeting hall. Cards will be mailed to all members with your next meeting notice. Please fill out the information requested on the cards and return them promptly so that Santa Claus can be given the list in time to prepare a gift for everyone.

Bring the kiddies one and all to see Santa at their own special party. Gifts for all—large or small—candy, singing, entertainment and everything to give our guests the time of their lives, has been planned for them by the Xmas committee.

The council will sponsor a ping pong tourney at the National Catholic Community Service building, 1122 S. Wabash Ave., Chicago, on Dec. 10, in the evening. The contestants will be limited to men in the service. All members are invited to attend, however, and incidentally, it would be a wonderful opportunity to see for yourself what the N. C. C. S. is doing for the service men in Chicago.

The members sponsoring candidates for the Third Degree are requested to have their candidates prepared to attend the exemplification of the Third Degree, to be sponsored by St. Cyr Council, at Belmont Hall, Clark and Belmont Sts., 7:45 p. m., December 12.

Our next regular meeting will be December 8. The G.K. has requested all the bowlers to be sure to attend.

There are still quite a number of minstrel show tickets not accounted for by the members. Worthy Fin. Secretary Peter J. Steffens informs us that if you will kindly return all unused tickets we will save approximately $18.00 in admission tax.

Bro. Larry Schaefer has not heard from many of the brothers with sons or brothers in the service. Bro. Larry Schaefer has a very appropriate Xmas package for every son or brother of a member in the armed forces. It would be a fine surprise to the boys to receive their gifts before they leave on their holiday furloughs.

Two Major Exemplifications Rescheduled for West Side

Large Number of Candidates Necessitates Splitting Original Group to Form Two Separate Classes

So well have the twenty-one councils of the city's three west side divisions functioned during the first six months of the current membership campaign, that the major degree exemplification originally scheduled to accommodate all west side candidates on this Sunday afternoon, has been split into two large groups for induction on Sunday afternoon and Wednesday evening, December 14 and 17.

St. Francis Xavier Council, where Sir Knight Anthony Manzo recently entered twenty-six signed applications "on his own" and entered thirty-three more this week, will be host to the councils of West Division One only, this Sunday in a third degree class at St. Philip's gym, 3141 Jackson Blvd. The ceremonials are scheduled to begin at 2:30 p. m.

Gen. Sherman Host Wednesday

General Sherman Council, led by Bernard J. Welker, Grand Knight, will be host to Divisions One and Two candidates in a second major exemplification on Wednesday evening, at 8:30, also at St. Philip's gym. Both classes are expected to include nearly a hundred candidates each.

St. Francis Xavier Council has over eighty men who will be inducted in the annual "Father Breen Birthday Class." Candidates from the west suburban units, St. Anthony, Cardinal, Nazareth and Oak Park Councils will also be included in this exemplification. All other west side councils will participate in the General Sherman Council ceremonials on Wednesday evening.

In addition to these two major degrees two others are scheduled before the Christmas holidays to close the "first half" of the membership campaign. St. Cyr Council will be host to all north side candidates in a ceremonial this evening at Belmont Hall, Belmont and Clark Sts.

South side councils in Division One will participate in the Sunday afternoon exemplification sponsored by Archbishop Quigley Council at Leo Clubhouse, 820 W. Garfield Blvd.

Both State Deputy Leo M. Flynn and Cook County Membership Chairman Guy Macina expressed a keen desire for large membership attendance to witness all these inductions. Large sized classes, such as are scheduled, warrant a good turnout of sponsors and other members, Flynn explained.

"One of the very best ways to rekindle the fire of Order enthusiasm," he stated, "is to attend the degree ceremonials frequently. Not only do we show the new member that he is a welcome addition to our ranks, but we ourselves, can learn anew the fraternal and patriotic lessons these rituals engender."

Honor Retiring Softball Prexy, McGreal, on Jan. 12

Joseph E. McGreal, retiring president of the Knights of Columbus Softball League, will be honored at a special meeting sponsored by St. James Council, 64th and University Ave., on Monday, January 12, 1942.

McGreal completed his second term at the helm of the Knights of Columbus ball club association last month. Arrangements for the "McGreal Night" are under the direction of Deputy Grand Knight Thomas J. Groark. All softball delegates, players and other friends of Bro. McGreal are cordially invited to attend the celebration.

All Star Match Will Open State Bowling Tourney Here Jan. 3

Along about the time that dad has really "fixed" Junior's electric train, and the haze of New Year's Eve has cleared, Mr. K. C. Bowler and some 1,000 or more of his brothers will convene at the Congress Recreation Center, 31 E. Congress Street, to try for fame and fortune in the Illinois Knights of Columbus Bowling Tournament.

Saturday, January 3, is the opening date for this, the eleventh annual meeting of the merry men and from all indications it looks as if it will be the top tournament in the association's history. One cause for the steady increase in the meet's popularity, it is felt, is found in the recently adopted handicap system—first attempted in the K. C. League two years ago for the 1939 contests.

Handicap Figure

This season the handicap to be allowed will be two-thirds of the difference between 190 and the highest average set in any league competition where at least fifteen games have been posted as of November 29, 1941. Thirty-five pins per game will be the maximum allowed any one bowler.

Tournament play will begin Saturday, January 3, 1942, when the five top bowlers from each of Chicago's K. C. major leagues and a picked squad of downstaters meet in the "All-Star Match" introduced seven years ago by Judge John F. Bolton. Competition has been—and will be again this year—for an award presented by the Master of the Fourth Degree, this year, Phil C. Nilles of Bishop Ketteler Council.

Team Events Jan. 3, 4

Team events will also be rolled on January 3 and 4 and the week-end following. The singles and doubles events will be held Sunday, January 18, and the next week-end. Reservations for all events may be made up to tomorrow at midnight. This is an extension of one week over the previously announced deadline for all entries.

The tournament includes three events, 5 men, 2 men, and individuals. Each event consists of three games. An entry fee of one dollar per event is payable at the time of bowling.

Father O'Connor, Head of N.C.C.S. Unit Thanks K. of C. for Assistance

Father William A. O'Connor, chairman of the Chicago Archdiocesan Committee of the National Catholic Community Service, this week expressed his gratitude to the Knights of Columbus of Chicago for their assistance in establishing the N.C.C.S. Service Men's Club at 1122 South Wabash Avenue here. The Knights have contributed a total of $2,200.00 to the N.C.C.S. center, the sum representing proceeds from the Columbus Day Charity Ball sponsored last October 11.

Father O'Connor's letter, in appreciation for the assistance and interest displayed by the local Knights was addressed to State Deputy Flynn and is as follows:

"Dear Mr. Flynn:

"Because of your office of State Deputy but more particularly because of my very grateful appreciation of all you have done to assist in the work of the National Catholic Community Service, I write to ask that you make known to the Officers of the Chicago Chapter and to all the Knights of Columbus under its jurisdiction the gratitude of the Chicago Archdiocesan Committee of the N.C.C.S. for the substantial and outstanding contribution of $2,200.00 towards its work.

"The keen interest and eager cooperation of the Knights of Columbus in the program of the N.C.C.S. has been a great encouragement and support. I know that I speak your sentiments when I express the hope that this interest and cooperation will continue throughout the year and that the Knights of Columbus will take an ever-increasing share in the program of service for the soldiers and sailors in and near Chicago.

"Renewing my expressions of personal gratitude to you and to the Knights of Columbus, I am,

"Very sincerely yours,

(Signed) William A. O'Connor,
Chairman."

Catholic Lawyers Guild Will Sponsor 7th Annual Red Mass This Sunday

On Sunday, December 14, at 12 o'clock noon, the Seventh Annual Red Mass in honor of St. Thomas More and St. Ives, patron saints of the legal profession, will be celebrated in the Holy Name Cathedral, 735 N. State Street, under the auspices of the Catholic Lawyers Guild of Chicago. Four or five hundred members of the bench and bar are expected to attend.

The Celebrant of the Mass will be the Reverend Edward V. Dailey, Editor of *The New World*, and Chaplain of the Guild. The music of the Mass will be furnished by the famed Cathedral Choristers of the Holy Name Cathedral under the direction of the Reverend Charles Meter, Maestro of the Gregorian Chant. A message to the attending lawyers from the Most Reverend Archbishop Samuel A. Stritch will be read, and the Reverend Edward Burke, a Doctor of Canon Law, will preach an appropriate sermon.

Plan Christmas Cheer Parties in 40 Institutions

Thousands of Aged, Orphaned Will Be Visted This Season by Chapter Santa Claus

By Harry Gerardin

For the second time in its history, the Christmas Cheer Committee must write its appeal to you against a disturbing background of news of armed conflict.

We, of the committee, sincerely ask you to spare a thought for the orphaned and aged in Catholic institutions. Despite all present-day turmoil, their Christmas should be a happy one. Leave word at home to save that letter coming to you from Chicago Chapter's Christmas Cheer Committee. Use the card and envelope enclosed with it and thus help in sending the Knights of Columbus Santa Claus to these youngsters and old folks.

First Donations Arrive

Some contributions from your fellow Knights are already coming in. The first substantial donation to arrive was from Brother Fred B. Snite of Elmhurst Council; and on its heels another from Brother Anton Krupicka of Cardinal Council. May these be the first of a parade of names I may be privileged to publish, the names of men who are exceptionally generous in remembering little ones no longer able to enjoy the love and protection of a father and mother, and ancient men and women who have outlived the children for whom they had once played Santa Claus.

Christmas parties are planned for some forty institutions and there will be Christmas presents for each of their thousands of wards. Most of the affairs will be conducted by local auxiliary organizations on days determined by them. The Christmas Cheer Committee itinerary includes the following: On Wednesday evening, December 17th, St. Rose Day Nursery at 308 West 25th Street, and also St. Joseph's Home for the Friendless, 739 East 35th Street. On the following evening, December 18th, we go to Ephpheta School for the Deaf, 3150 North Pulaski Road.

Sunday afternoon, December 21st, will be a busy time, with Santa Claus visiting all the children in Angel Guardian Orphanage, 2001 Devon Avenue, St. Joseph's Orphanage in Lisle, Illinois, St. Hedwig's Orphanage in Niles, Illinois, and the bright little colored girls in Illinois Technical School at 4910 Prairie Avenue.

End Visits New Year's Day

New Year's Day will, as usual, see a tired but still jolly Santa winding up his labors at the huge St. Mary's Training School in Desplaines, Illinois.

You are invited to take advantage of the above information that you might witness the happiness of the children benefited. Above all, look for your letter from the Christmas Cheer Committee. Read it, and heed it. Mail or deliver your investment in the Christmas happiness of orphaned and aged. You will enjoy a dividend of prayers of gratefulness.

Barry Continues Efforts for Dads' and Sons' Degree

1-3 Tues. . . . 2856 Washington Blvd.

The dads of Barry Council have now held their initial meeting to formulate plans for the initiation of their sons, and friends at a special degree to be held Sunday morning, January 4 at their clubhouse.

At an early meeting Past Grand Knight and District Deputy George Bamber, outlined the features of the membership drive, and an inspiring talk by Grand Knight B. J. Cunningham added tremendously to the occasion.

Everyone knows how near and dear every son is to his dad; how he has dreamed that through the proper instrumentalities he may grow to successful manhood, and be a credit both to himself and society. This class that is planned is largely done to leave a proper and lasting impression on these boys, one that they will carry through life, and in itself contribute much to their character.

BARRY BRIEFS

Our amiable Recorder Joe Dunne is now a Benedict. He was married November 22 at Holy Rosary Church to Miss Dorothy Griffith. Joe and his wife are now honeymooning somewhere in the Great Smokies, in Tennessee.

WHEN our members receive their "Xmas Cheer" envelopes from the committee this year, stop and put a dime or so in them at once instead of putting them away, intending to take care of the matter later, and then forgetting all about it.

FATHER WM. GORMAN, chaplain for many years of our council and chaplain for the Chicago Fire Department, and pastor of St. Columbanus Parish, gave a blood transfusion Saturday, November 29, at the Little Company of Mary Hospital to Sister Lucille.

PHIL SCANLAN, the genial florist of Madison Street, celebrated his 25th wedding anniversary, Saturday, November 29, and a big gathering of his friends at the Madison Athletic Club, gave him a silver tree covered with silver. Phil also showed pictures of the dance at this last meeting, and they were enjoyed by all very much.

Any of our members who are not now bowling with any league and are free on Thursday evenings, and wish to participate in the January tournament, please contact John Tamburrino who will try to place them.

Miss Anna Rose Mariga, daughter of Past Grand Knight John M. Mariga, was joined in the bonds of Holy matrimony to Robert C. Brady, November 26, at St. Luke's Church in River Forest, Ill.

Albert Brandt, Daniel Martin and Cornelius S. Sullivan, all Barry council members were among the favored guests at Turkey Night of the La Salle Assembly. Walter Okon of Barry was serving on the committee so shoud have given Barry a better break, don't you think?

CONDOLENCES — The officers and members of Barry Counci offer their sincere sympathies to Brothers Raymond and Robert Delahanty, in the loss of their father.

XMAS PARTY—On Sunday afternoon, December 21, between the hours of two and four, there will be a Xmas party held for the children of the members of Barry Council, ages up to ten years. There will be ice cream, cake and the usual entertainment which is so dear to the hearts of all children of that age; Santa Claus and all.

We have just learned that Brother E. V. Kiley, 3959 N. Lamon Avenue, has been ill for the past year. If any of you fellows are in that neighborhood why not drop in and visit him for a while, I'm sure that it would be most appreciated and it would help speed up his recovery.

MAJOR BOWLING

Barry, in the West Side K. of C. Majors took two games from the powerful Brownson team last Friday evening. Bernie Boyle had scores of 195, 249, and 221, total 665. Frank Lane had 203, 183 and 220, total 606. Soldat had a 230 game, while Kuceria and DeVito each had a 202 game.

The team scores were Barry 912, 1023 and 940, total 2875. Brownson, 893, 944 and 995, total 2792.

When you want better bowling, just come up to the Cascade Bowling Center any Friday evening at 8:30 p. m. and enjoy yourself and encourage your team. Our boys are still in second place, tied with Hughes and Quigley and only one game out of first.

BARRY BOWLING LEAGUE

We had some new faces last week and we would like to see more of the bowlers and their friends at our weekly socials. As you know we are trying to send a big delegation to the coming National K. of C. bowling tournament which will be held in Cleveland, Ohio, next year, and to put this over we need your help, so let us see more of the bowlers and their friends at our weekly socials every Wednesday night at the clubhouse.

Last week we had some more upsets as some of the leaders took it on the chin for two and three losses, and to start the ball arolling, Recorder Kaindls went on a rampage and won three from big Vince Johnston's T. W. A. Airliners and in so doing hung up three new scores for the boys to shoot at. They shot a 2715 series with 942 high game and with an average of 905 for their evening's work. Frank (Duke) Lane did the heavy work with scores of 244, 247 and 199 for a 690 series. Don Fornero shot scores of 204, 137 and 253 for a 594 series, and Joe Korty shot 224, 160 and 146 for a 530 series. Tom Geegan was high man on T. W. A. with 500 series and 178 high game.

Kedzie Coal won two from United Air Lines with two Crowley brothers, Pat and Joe being tied with 508 series with brother-in-law Bill Mueller getting high game with 192. The dancing professor, Dan Keating, was high man for United Airliners with a 516 series and 206 high game.

The Sheehan Chill's won two from American Air Lines with (C. C.) Larry Westphal getting high series with 539 score and Al. O'Malley getting high game with a 210 score. Harry Kaskey had high series for American Air Lines with Milt Horan getting high games with a 200 score. Mid-West Auto Service made a clean sweep of their series with Garfield Restaurant with one of the Coca-Cola twins, Bill Dunn, setting the pace for Mid-West with a 222 score. John U. Foley had high series with 529. Lou Rosenmayer had high series of 519 with a 193 high score for Garfield Restaurant.

Jim Mariga's Smith Funeral Home have sure been hitting the wood as they won all three from Faucher Bros. with Leo Capuanni getting high series with a 539 score with 194 high game, and the Smiths have won eight of the last nine years and are now in second place just one game behind the leaders. Our good friend Jim (Pesty) Conley was off color and did not pep up the boys so our good friend was high man on Fauchers with a 492 series and 176 high game. Senator Keane won two from the leading Little Jack Restaurant with Charley Svoma getting 540 series with 212 high game. Bill Murray had 551 series with 211 high game for Little Jacks.

Ahern Morticians won all three from Crowley Cafe with Captain Tom Ferrarini getting high series of 531 and high game with 195. Bob Furlong had high series with 499 and high game of 185.

De Mares Coal won two from Cunningham Ins. with little Junior, Ed. Morgan, getting high series and Jeff Fleming high game with a 171 score. Cunningham Insurance was out in full tsrength now that Jim Tyrrell was back on the firing line after a three weeks' absence on account of an attack of the flu. John Szafran had high series for Cunninghams with 484 and Captain Mike was high man with his 184 high game.

Last week's winners were Frank Lane 247, Don Fornero 253, Bill Murray 211, Dan Keating 206, Bill Dunn 222, Joe Korty 224, M. Vurpillat 186 and Phil McGrail 167.

The management of Cascade Bowling Alleys donated two tickets to the all-star bowling tournament which is now going on at the Coliseum, and the two tickets were given for the two highest series bowled on a handicap basis with 180 scratch. Two of the Kaindls who were burning up with action won the two tickets to the tournament. Don Fornero with a score of 633 which included his handicap and Frank Lane shooting from scratch won the other ticket with a 690 score. We want to congratulate these two boys on their wonderful shooting.

Before signing off put that Wednesday night social at the clubhouse on your date book and see that you and your friends are on the job.

CHICAGO COUNCIL ASKS CAMP ADDRESS OF MEN IN MILITARY SERVICE

2-4 Tues. . . . . 64 East Lake St.

Only three addresses of the members of this council who are in the Army have been sent to our Financial Secretary. This is the last call. Send their addresses to N. J. Reuland, 5345 West Madison St., Chicago, or call Austin 7171.

Don't forget our big Christmas party on Saturday, December the 20th, at 8 o'clock at 64 East Lake street.

The books of the Financial Secretary and the Treasurer will be audited by the Trustees as of December 31, 1941. We are hoping that Chicago Council will make a good showing but this cannot be done unless all the members co-operate.

Chicago Council bowled Charles Carroll Council in the West Side K. of C. Major League to a 3 defeat. Brother Jim Minnick was the main factor, bowling a high game of 235 and a 3-game series of over 600.

Owing to a vacancy of the Lecturer's office, Grand Knight Henry Lynch appointed Trustee Richard Murphy as our new Lecturer. Brother Murphy is a man that believes in big things so be sure to come to meetings.

The members attending the meeting on December 9 listened to President Roosevelt's fire-side chat.

Dowling's Member Chairman Stages Special Program

2-4 Tues. . . . . 2625 S. Hoyne

Last Tuesday evening we witnessed a very interesting program put on for our prospective members under the direction of our popular chairman of membership, Tom Gallagher, who is exerting every effort to make our drive successful in order that our council will be up among the topnotchers at the close of the campaign.

With the many distinguished guests who were in attendance were all of the State Officers: State Deputy Leo M. Flynn, State Secretary Ray Gleason, Supreme Director M. J. Howlett and Master of the Fourth Degree, Phil C. Nilles. All of these officers delivered short addresses and were particularly impressed with the results being obtained by Chairman Gallagher. Judge Bolton and several other invited guests who were unable to attend, sent their regrets.

The class that we are now working on is known as the officers' class, and our chairman expects each officer to secure at least one application and if we are successful we can figure on 44 candidates at least. Getting back to our last meeting, it was very well planned and our Lecturer, Earl Dunne, is to be complimented for such a marvelous arrangement. He is a little disappointed as many of our members do not take advantage of the benefits put on by the council. He again urges those members that stay at home to make a meeting occasionally, as all our nights are of importance from now on.

CHRISTMAS CHEER

It is again that holy season when we loosen up and like to make others happy by expressing greetings and giving gifts. But often, just through negligence, we forget the poor unfortunates that have no friends to present them with gifts. If you will mail in your contribution at once, you will have the Chapter handle these folks for you and on Christmas morning you will feel happy, as you will feel that you helped to make the less fortunate enjoy a Merry Christmas.

Our chairman, Chas. Juric, is making a special appeal to the membership to mail in their envelope at once as our council is far behind in its quota. It is not that the brothers don't care to contribute, but that they put the request aside and in the end forget, and the little poor children suffer from their forgetfulness. If you did not send in your quarter do so at once to Chas. Juric, 3210 S. Hoyne Ave., or to Financial Secretary John Struve, 4517 S. Christiana Ave.

ON WEDNESDAY, December 17, our council is extended an invitation by Dowling Ladies of Isabella to accompany them to St. Joseph's Home to spread the Christmas happiness among the youngsters. Your Grand Knight is anxious to have a large delegation representing our council. If you plan on attending contact Lecturer Dunne.

CHILDREN'S CHRISTMAS PARTY

Our council will hold a huge Christmas Party on Sunday afternoon, December 21, at 2:30 o'clock, in St. Maurice's Hall, 3625 S. Hoyne Ave. Our Lecturer, Earl Dunne, is spending plenty time in promoting this affair for the children and has sent you a card asking how many children you will bring and the name and age of same. He is desirous of getting these cards back at your earliest convenience as it will give him a fair idea of how many to prepare for. Due to the large number of children in our council the party will be limited to our members' children only, but we want every member who has a kiddie to bring him up.

The council has gone to great expense to make the youngsters happy. Earl has a program arranged and yes, we will have Santa Claus there to give the toys away. Bro. Charlie Juric is chairman of this party and take it from me he will keep the little ones happy. Your Lecturer would like some volunteers to help the chairman on Sunday. If you can be on hand, contact Earl Dunne or Charlie Juric and they will give you details.

CUFF NOTES

Keep plugging our winter dance to be held on Saturday evening, January 24, at the American Legion Hall at 44th St. and S. Western Ave. It is known as S. D. Leo M. Flynn night. Watch our column for further particulars.

Geo. Connelly's committee is trying to contact every member personally. If you did not see them, 'phone George at LAF. 1088 and he will divulge his mission.

A few weeks ago we noticed the wife of one of our popular members made the newspapers. She was Mrs. Martin Cody. She is president of St. George Hospital Club and has been very active in the club's promotions.

Every Friday night St. Maurice's parish have plenty activity in their hall. Drop up on a Friday and you will meet many of your friends.

We will hold a First and Second Degree tonight at Madonna Council, 4522 S. Wallace St. These degrees are held in conjunction with other South Side councils and your Grand Knight would appreciate a large turnout. On Sunday afternoon at 2 o'clock, at Leo Clubhouse, the Third Degree will be exemplified. We will have approximately 30 candidates in this class and again we would welcome a good response—Sunday, Dec. 14th.

PIN TUMBLERS

The boys are getting hotter each week. Last week all kinds of records were broken. The Zintaks took three games from the De Laeges and shot a scorching 2576 series. High game was also set at 948 for the year and that is something for the other boys to shoot at. Four of the five members of the team shot in the 500 series. Henry Fortier has a 230 game and 547 series; Ed Blyth, 539; Bill Green, 519; and Freddy Ehrl, 503. Nice shooting, boys; keep it up.

Dr. Michels' team took two games from the Beams and shot a 2495 series. The Beams got hot in the second game and shot a 907 game, which is second high for the year. Leo Fortier had a 210 game and 551 series and Geo. Spencer had 500 series. Johnny (Butcher Boy) Schneider had a 209 game and 574 series and Jack Deschner had 503 series for the Beams.

Dr. Laibe's boys took two games from the Gormley's and had to have Mart Deiterick shoot a 236 game and 604 series and Joe Marks a 210 game and 560 series to win. Art Christin, the captain of Gormley's, shot a 534 series.

Hartnetts won two games from Dunne Tires by the good bowling of Geo. Love, who had a 207 game and 522 series. "G" Man Riley had 516 series and John Francis Hartnett 504 series. Again the distress call is out for Earl Dunne to give his flat tires a talking to or they will be riding on their rims.

The following is the league standing: Cong. Beams won 20, lost 13; Hartnetts won 19, lost 14; Dr. Michels won 18, lost 15; Zintaks won 17, lost 16; Dr. Leibes won 15, lost 18; Gormleys won 15, lost 18; Dunne Tires won 15, lost 18; Dalaege Contract won 13, lost 20.

High individual game: H. Lepenske, 254; M. Deiterick, 236.

High teams' game: Zintaks, 954; Beams, 907.

Ravenswood Asks All Members to Fill Out Christmas Party Cards

1-3 Wed. . . . . 1521 Wilson Ave.

Christmas comes nearer and nearer every day. Near as Christmas is, our big annual Christmas party for the youngsters is even closer, for it is just one week from this coming Sunday when we will all gather to watch Santa Claus and his helper, Lecturer Al Carroll, throw a party for the kids.

If you haven't returned your party card to Lecturer Carroll as yet, for heaven's sake, don't delay another minute. You wouldn't want your young hopefuls to be disappointed would you? This might be the case should Santa receive an incomplete count, so we trust that you will do your best to help make the count complete. Remember the date and the time, Sunday afternoon, Dec. 21, from three to five o'clock, at the club rooms, 1519 Wilson avenue. Come one, come all!

THIS is the last chance to make your donation for the Christmas Cheer Fund. Make use of the coin cards sent by Trustee Peter Farrow, by inserting a few odd coins in them and forwarding to Bro. Farrow.

A few books were distributed among some of our members at the last meeting on the sale of a beautiful Christmas crib set consisting of several small beautiful pieces of statuary. This set has been donated to the council by Bro. James O'Reilly. The proceeds of the sale are to be used in our Christmas Fund.

Chancellor Wally Mann (we scribe to you) was given a baby shower by the council at last week's meeting. Though it is not customary to honor every new arrival in such a manner, council spokesmen announced that such was always the case with every addition of twins. Numbered among the gifts were a very lovely sweater and dress outfit for a little girl and a matching sweater and suit for a little boy. (Mrs. Mann is author of the descriptive adjectives.) Bro. Frank Fortmann added several pairs of little socks to the other gifts. Of course there were a number of gifts of a strictly gag nature, the top-notch one being an automatic dual dispenser for liquid nourishment. This little gadget was the product of the fertile brain of Clem Mawicke. Another welcome innovation was the introduction of a diaper which had been so converted that frequent changing would be unnecessary. PGK Charles Morgan can attest to the genuine surprise which attended this proud fathers realization of what was really going on when the rather unusual method of presentation was introduced. The writer will take this opportunity to offer on the behalf of Mrs. Mann and himself their sincerest thanks for the kind consideration shown them.

Newman Enjoys a Good Turnout for Exemplification

1-3 Thurs. . . . St. Mary's Hall, Evanston

Participating in the exemplification of the First and Second Degrees at last meeting were the following degree team: Our Worthy Chaplain, Rev. W. J. Hockenhaupt, District Deputy James J. Corcoran, P. G. Knights, John Corcoran, Edward Arnold, Louis Bisson, Thomas Hayes, John Vose; Brothers Gregory Konold, Denis O'Mahoney, Henry Witty, James Brennan, Jack Kinsella, James Ludlow, Joseph Jans, Charles Negneri, Peter Pennacchia, Chas. Virgili and George Hebson.

Our District Deputy Frank Wohlleber gave a brief talk regarding the "razzing" of a prospective member before the initiation, and brought to light the fact that it was "out of order," as it has been disclosed a number of future Knights have put off joining the order due to such measures. As Frank had another meeting to attend at Father O'Connor Council we were very happy to be honored with his presence.

In attendance with candidates from other councils were G. K. George White, P.G.K. Nick Miller, Jr., and Fin. Sec'y Peter Steffens of Ouilmette Council; Len McGraw of University Council, accompanied by Dr. Conrardy.

The work of the degree team was particularly impressive, as well as important. The council officers all carried out their assignments in the traditional manner. We extend a hearty welcome to the newly elected Brothers and remind them not to forget the dinner to be given in their honor at the North Shore Hotel, Friday, December 12, at 6:30 p. m. After the dinner they will journey to St. Cyr Council, Clark and Belmont Ave., Chicago, and at 8:30 p. m. receive the Third Degree.

NEWMANEWS

We were very happy to exchange greetings with Walter Wlodarski, the congenial and always smiling brother, of the Mid-West Store and his companion, Tony Frankowski. Come up more often, brothers. Also had the pleasure of shaking hands with Morey Fieweger (200 or better bowler), who recently transferred to Newman from Niagara Falls, N. Y. Glad to see Nick Frugoli, the connoisseur of food at the Dempster & Chicago restaurant, and many others.

Brother Tom Zicco received a letter recently from Private Henry Pollette, who is stationed at Camp Seberts, Bowlder City, Nevada. His address is: Company C, 524 Military Police, B. N., Camp Hebert. Ann Marie, the charming young lady in District Deputy Jim's office, informed me her little brother James will have camp on the 13th to be at home for the Holiday Season. We hope you will be home to attend our next meeting, Jim. Any other service men coming home? Kindly write the scribe, Ed. Fitzgerald, 1111 Wesley Ave., or other members, and let us know. Understand George Amidon, Jr., is now at Keesler Field, Biloxi, Miss., having been transferred to the Air Corps, School Squadron 310.

This is the last reminder that Sunday, December 14, has been set aside as the date for the Holy Name Communion Mass and breakfast to be held at the 9 o'clock Mass at St. Mary's Church. This marks the first time in local Catholic history that the four parish branches have undertaken a joint Holy Communion and meeting of the men, in an "all Evanston affair of Catholic Action." As stated last week the Very Reverend Msgr., Frederick Hillenbrand, St. Mary's pastor, will celebrate the Mass which will be reserved exclusively for the men of the Holy Name Society. The speaker at the Mass will be His Excellency Bishop Bernard J. Sheil. Plans are being made to have Msgr. T. F. Egan as the guest speaker at the breakfast meeting in the auditorium of St. Mary's School.

We missed you at the meeting "Hank" and are sorry to learn of your illness and hope you will soon be back home. (Brother Hersch is at St. Francis Hospital.) The Hersch family is having all the luck but it is "bad," as stated last week Capt. Ed. Hersch was confined to the Evanston Hospital. Hope to see you both at next meeting and bring Dan McCann with you.

CHRISTMAS CHEER

Unfortunately our appeals for Christmas Cheer funds went somewhat sour, according to Brothers O'Mahoney, Atchison and Amidon as they indicated the donations to this worthy cause were somewhat meagre at the last meeting. Therefore at our next meeting another appeal will be made for your support. In this connection I might say that when you are enjoying the cheerful security and comforts of home amid the gaieties and happiness that envelop the domestic atmosphere on Christmas morn, not far away tragedy will stalk the paths of many of our less fortunate, dependent orphans, crippled and aged and the youngsters of day nurseries in Catholic homes. To make life brighter for them the Chicago Chapter Christmas Cheer Fund was created. We members of Newman Council have always contributed unselfishly to this fund and this year should be no exception. When the members of this committee approach you at the next meeting, give willingly.

On December 19th the Lecturer, "Tiny Tim," has a surprise in store for you. Keep the date in mind.

Washington Has Many Order Dignitaries at Its Exemplification

1-3 Tues. . . . 5th Ave. & Wash. Blvd.

It would require the better part of a column alone to list the visiting dignitaries and guests in attendance at Washington's December 2 meeting at which time we were hosts to visiting councils in this section in the exemplification of the first and second degrees. A class of twelve candidates, nine from our own council and three from St. Anthony's in Franklin Park, were honored by having the initial degrees conferred upon them.

We sincerely and cordially welcome to our midst Brothers Rev. Hector Ansaldi, Daniel J. Yomine, Emil S. Uhrlick, Frank J. Sepka, John Vraney, Dominick Lisuzzo, Serafino Zanoni, Carl Montino, and brothers George H. McCoy transferred from Nazareth Council, Mario A. Zanoni from Michigan City Council No. 1881.

To you new brothers of this council, please remember, being a Knight will mean little to you without fairly regular attendance at council meetings. To derive the full benefit of your membership in our order come to your meetings often as possible. It will encourage your officers and will also mean much to you in obtaining the benefits of fellowship and community of interest which comes as the result of associating with your own kind.

In his Oak Park address a few weeks ago, our State Deputy Leo M. Flynn made the statement "Let's be more interested in obtaining quality rather than quantity in our new members." This council is fortunate in the high quality of you new members and we want you to actively participate in your various council activities, so that both you and your council will benefit. Make this your slogan, "If every member were just like me, what kind of council would this be?"

The efficient and praiseworthy degree team composed of P.G.K. Joe Nolan of Father O'Connor Council, Louis E. Norbert, D.G.K., and Stanley M. Walsh, chancellor, LaFayette Council, Warden Bill Gregory, St. Paul of the Cross Council, D.D.S.K. Henry L. Phoenix, inquisitor, plus our own G.K. John Joseph Ryan, P.G.K. Henry P. Ruge, Chancellor John J. Wyand, George Baynes and Bob McCormick, exemplified this degree in a beautiful impressive style. Our thanks to the visiting members of the team for their time, effort and good work.

G.K. John Deignan headed the St. Anthony's Council visitors consisting of P.G.K. Mike Flynn, Financial Secretary Ed Schleiter and Treasurer Rick Malay. From Nazareth Council, LaGrange, came P.G.K. Halm, D.G.K. Leo Kriz and Financial Secretary Frank Polivka. Brother James Normoyle of Ridge Council and Brother N. A. Bell, a charter member of Father Setters, were also among the many welcomed guests present.

We were grateful for the pleasant honor of having D.D.S.K. Guy Macina, chairman Cook County membership committee, visit us and deliver a brief but meaty talk in connection with the membership drive now in progress. This council is well on its way towards making the Century Club. Every member of the council wants this honor to be ours and the goal will be reached if every brother will consider himself as part of the membership committee.

Our brilliant, battling bowlers are now in a four-way tie for third place in Boscos' House League as a result of their unexciting 2476 to 2394 win over Remkus Tavern last Tuesday. The boys really showed their stuff in a match game against the Lynch Tavern team last Sunday afternoon by trimming the tavern five 2826 to 2596. George Baynes' total of 648 with a high game of 253 set the pace with the remaining four bunched as follows: Leitz 566, Ryan 558, Collins 531 and Servillo 520. Now that, gentlemen, is real bowling, the kind that will carry off the honors for our team in the state tournament.

Next Tuesday, the 16th, is the big night for the kiddies. This year's Christmas party is going to be a winner with the young folks. We hope you have given the officers the names and ages of your children who will be present.

Sherman Host to West Sections at Third Degree Wed.

1-3 Tues.....4300 W. North Ave.

ATTENTION! Due to an overflow of candidates St. Francis Council will not be able to include Sherman's candidates next Sunday, so the state deputy has honored Sherman Council, the first time in many years, by giving us the opportunity to conduct our own third degree Wednesday, Dec. 17, at St. Phillip's Hall, 3151 W. Jackson Blvd.

This is the first third degree we have put on in some years, and I need not stress the importance of having a large attendance. All sponsors are urged to be present with their candidates. We have about twenty candidates, but there will be other councils from the west side joining us to make this a large class.

CHRISTMAS PARTY. It is gratifying the way the names and ages of your children are coming in. The arrangements are progressing in good shape, so if any of you have not turned in your children's names and ages by this time kindly do so immediately. The party will be held at Our Lady of Angels Hall, Hamlin and Iowa Sts., Sunday, Dec. 28, at 2:30 p. m.

FOURTH DEGREE. Just a reminder on the Sher 4 annual harvest dance Saturday, Dec. 13, 8:30 p. m., at Lake View Hall, 3239 N. Clark St. See you all there.

CONDOLENCE is hereby expressed to the family of Mrs. Maria Antoinia Oliveri, the mother-in-law of Tony Cironi. The council attended the wake at Roche-Ellgass chapel Tuesday night and a solemn requiem high mass was said at St. Philomena Church Wednesday at 10 a. m. with interment at St. Joseph's cemetery.

Dues are due. Kindly arrange to see Financial Secretary Joe Deisenroth as the audit will be made immediately after Jan. 1. Joe informs me that three men are about to be suspended the first of the year. The opening and closing odes were played last meeting by our musically inclined grand knight, Bert Welker! The Columbian and The Columbia will be sent to all members in the service along with seven popular Catholic magazines.

AROUND AND ABOUT

The last meeting sure was a honey with Percy Moore, Lane Tech coach and athletic director, giving us his views and opinions on various ball players and clubs. Sure was nice having him with us, and I'm sure the boys all enjoyed the talk. Thanks also to Bro. Dan Brown and Bro. Bill Kane of Hughes Council and Robert Grandstaff of WGN and the Chicago Tribune for the fine pictures we were privileged to see.

Going back to memorial mass, I neglected to name the celebrants, who were Father Cousins, Father Pellicore and Father Quinn. It seems that Inside Guard Tom Tierney celebrated some kind of an anniversary last Friday. I guess it must have been the ??? wedding anniversary, anyhow congratulations, Mr. and Mrs. Tierney. Why don't the Marine boys give an application to that good and faithful bowling rooter, Izzy Arenson, who never misses a Thursday night when Sherman bowls?

BOWLING NEWS

Kolssak Undertakers are still hot, having beaten Tremko Boosters three games, while Royal Blue Store beat Jimmy's Lounge three for three. Klinnerts took two from Roch-Ellgass Morticians, Schmitz Printers took two from Collins Undertakers, Glen Realty took two from Cirone Barbers. High games were: Ray Groh, 216; George Lindenschmidt, 215; Moe Friedman, 203; Bert Welker, 200.

Frank Lies, the secretary of the bowling league, was surprised at the last meeting. He asked for an entry fee for four teams in the state tournament and the council obliged. Remember the change in the third degree initiation, the Christmas party and the fourth degree dance.

Auburn Park Kiddies Will Have Christmas Party, Sun., Dec. 21

2-4 Thurs. . . . 7740 S. Emerald Ave.

As has been the custom in Auburn Park Council for many years, the children of the members will be entertained by the Council on Sunday afternoon, December 21, at St. Leo's High School Auditorium, 79th and Peoria Streets, starting promptly at 2:30 p. m. On this occasion Santa Claus will be present in person, and a very entertaining juvenile program is arranged. At the conclusion of the program gifts are to be distributed to the children present from the ages of one to twelve.

In past years this has been one of the outstanding programs of the year and this year should be no exception. Half of the 50 cents per member assessment which appeared on the last statement sent out by the Financial Secretary is used to pay the expense of this annual party and the other 25 cents per member is sent to the Chicago Chapter of the Knights of Columbus to take care of the poor and infirm in Cook County. By taking care of this obligation you are promoting two successful events, one of making our own children happy and the other by taking care of those who have no one to look after them at the Yuletide Season.

If you want to be real charitable at the Christmas Season come over to the Children's Party whether you have any youngsters or not and assist Santa Claus in distributing the gifts. Also by paying for the Card Party tickets at 50 cents per ticket you will assist in relieving the obligation of your Council in staging these annual Christmas Parties for the youngsters. See Brother John Clausen and he will see that you are taken care of promptly.

AUBURN PARK BOWLING

Roger Sheehy & Sons Morticians are sole holder of first place in Auburn Park Bowling League by virtue of taking two games from Knight's Florists. Tom Patterson and John Coughlin led Sheehy team to victory; Patterson with 514 and Coughlin with 470 series. Of course credit should be given to Justin McCarthy, the most consistent bowler on the team. He started with a 180 game followed by 123 and 108. Who said that he was taking the elevator down? We thought it was Vince Flynn.

Larry & Lou team came out of the cellar place by taking three from the Geraghty Coals, the last game by only one pin. The cry of "Timber" was heard throughout the alleys as Tom Burke struck out. The former captain and manager of Auburn's great major bowling team in the days of the strikes on the Stock Yards (alleys), is getting back into shape after his stay up at the lake. John Walsh also contributed his share in winning the three games. His 532 series was high for the night, with high game of 196. Mike Gorman, the anchor man of Geraghty Coals, still shows signs of a newlywed. A 160 bowler he just made 403 series with 108 for last game.

From all reports the three winners of turkeys, Tom Burke, Tom Patterson and Grand Knight Harry Cox really enjoy Thanksgiving dinner. Walter Fox, the league president, is still kicking himself for letting Patterson beat him out of six pins. Walter will have another chance next year.

The bowling league now has twenty-four bowlers, and as a result one bowler on each of the four teams has a night off every fifth week. It looks like the league will double in membership next season.

LARRY AND LOU

Hats off this week to Larry and Lou's Place, 700 West 59th St., one of the sponsors of the league. Through the efforts of Walter Fox, John Walsh, and Tom Patterson was this sponsor brought to the attention of our members. Through their splendid example of fostering good sportsmanship and fellowship, we have become more acquainted with these two business men. After each bowling night a group of bowlers make the trip down to '9th street to sit and talk with Larry or Lou. The allbis and the bragging of the winners and losers may be clearly heard, but all in the spirit of fun. So if you are ever in the neighborhood, be sure and stop in at Larry and Lou's place at 700 West 59th street, northwest corner of Union avenue, and be sure to mention Auburn Park K. C.

On Council Activity Again

In a recent editorial here we expressed the belief that our Order today faces one of the most important periods of public service that it has met in the sixty years of its existence. We said, in particular, that the Order's "vigilance and its collective influence must be pitted—in a degree as never before—against the inroads that Naziism, Fascism and Communism would make in our national life."

This, it was called to our attention, is a pretty broad statement. "Specifically what," we were asked, "can the Knights of Columbus do to set up a buffer and an obstacle to the inroads we fear?"

Now, we speak without any thought of representing the opinion of our whole Order, but one thing we know, the Knights of Columbus can do in this new crisis is to continue the specific program it has headed in our nation for the past twenty-seven years.

The Knights of Columbus, by action of its entire membership through the Supreme Convention of 1914 voted an appropriation of $50,000.00 and set up a commission of outstanding Americans to carry on a campaign against these forces that were attacking our country and its institutions. It created a corps of capable lecturers and sent them to all parts of the country to awaken new opposition to the dangers of Socialism, Communism and Bolshevism. These activities have since been enlarged and elaborated so that the Order may well be proud of its increasing campaign against all forms of Socialism and Communism. We have, by these actions alone, earned a place in the vanguard of all those patriotic groups that challenged the apostles of any form of government that sought to displace our own democratic systems. Our whole united membership and all of our material resources have ceaselessly offered a never faltering opposition to any and all of these alienisms.

Although the continuation of these activities, as they are even now being administered, is in itself an important service to the nation, the Knights of Columbus can—and will—do more. Every council, over and above its participation in the program being conducted by the Supreme Office may further strengthen the American way of life against its aggressors by an all-out participation in the communal efforts of its locality.

Particularly, each council may undertake such civic responsibilities as fostering the morale of our training soldiers and sailors, of promoting programs of patriotic nature and of encouraging participation in all governmentally sponsored drives. All of these things are already being indorsed by the vast majority of our councils and will increase the more as time goes on.

Individually, the Knight of Columbus can take every opportunity to express his loyalty and his unselfish patriotism. He can do this in the pursuit of his daily livelihood, in the fellowship of his clubs and in the closeness of his home, all in the knowledge that his effort is part of the awakened national conscience that now aroused will triumph over the aggressor.

By such a simple program as this, and with but the single, hallowed battle-cry, "For God and Country," will the Knights of Columbus again do yoeman service for their country and for their God.

Then let us cultivate silence. All that we save in noise we gain in power.—Charles Wagner.

Brownson Members Will Have a Visit from Santa Tonight

2-4 Fri. . . . . 4754 N. Western Ave.

It has become a tradition in Brownson Council that the meeting prior to Thanksgiving and the one before Christmas are the largest attended during the year. The one on Nov. 14th kept the tradition intact when every seat in our hall was taken, and twenty-eight lucky members went home with turkeys. Tonight's Christmas party for the members is again expected to see a crowded chamber. Our new lecturer, John Donlan, who was appointed at the last meeting, will undoubtedly try to equal or surpass his predecessors by having some surprise gift for those present. Turkeys will again be available for the lucky ones.

There is another attraction tonight that will receive the attention of some of our members because seven of our new candidates will receive the honors of the third degree at Belmont hall, Clark and Belmont Ave. Since there will not be another major degree on the north side until next March, the officers did not deem it advisable to keep our candidates waiting until then even though it meant they would miss tonight's party. So, brothers, you really have some place to go, tonight.

CHRISTMAS CHEER. Don't forget to give Fin. Sec'y William Erwin your contribution to the Christmas Cheer fund at tonight's meeting if you attend, and if not, be sure and mail it direct to the Chicago Chapter. You are asked for only a quarter, but if you can give more it will add to the happiness of the kiddies and the aged.

MEMBERSHIP. Chairman Frank C. O'Connor has taken hold of the membership reins again and hopes, with the help of our members, to place Brownson well up in the lead by next June 30. There will be a number of first and second degrees held at north side councils during the next few months and we hope to have some candidates in each one of them. Frank does want, however, a large class of our own for Friday, April 11, when Brownson will be host to the other councils in our district. Whether our chairman succeeds in reaching his and our goal calls for cooperation. Let's give it to him.

BOWLING

It must be the new green shirts that our team in the north side K. of C. league are sporting because they sure have been going to town the last two weeks. They won three from Father O'Connor on Dec. 1, and two from Quilmette last Monday, getting a 1058 game to win the last one by a few pins. They now are only three games behind the leaders. Our west side boys lost two last Friday, but are still in front by two games. As this is being written, Bro. Joe Sinke is leading the All-Star bowling tournament at the Coliseum by ten sticks. We're pulling for you to finish in that position, Joe.

In the council league, Bob Fortman's Rosewood team took the lead last Tuesday by winning two from Ald. John Grealis while their closest competitors, the Dr. Ervin L. Ewald, D.D.S. gang, dropped a couple to the Best Furniture Store. Bro. Jim Skinner's Sporting Goods team took Doose Studio for two wins and the Cullom Club did the same to Bro. Norman McPhee's Undertakers. Charlie Lannon's 618 series was tops for the evening. Other good games were rolled by John Paulus 229, John Adams 220, Joe Dvoratchek 214, Bill O'Neill 207, and Tom Casey 213. Standings are:

	Won	Lost
Fortman's Rosewood	20	10
E. L. Ewald, D.D.S.	19	11
Norman J. McPhee	16	14
Cullom Club	16	14
Best Furniture Store	15	15
Doose Studio	13	17
Skinner's Sporting Goods	12	18
Ald. John J. Grealis	9	21

Dvoratchek 184, Lannon 182, O'Neill 170, Paulus 169, Walsh 169, Papke 168, Baucaro 167, L. Gaffke 166, O'Byrne 165, Adams 165, Karas 164. High series: Lannon 644, Dvoratchek 632, Walsh 619. High game: Long 259, Pons 255, L. Gaffke 232.

GEO. WEISENSEL, FORT DEARBORN COUNCIL, IS STAR CHICAGO BOWLER

George J. Weisensel, a member of Fort Dearborn Council here, was recently re-elected to head the Classic Bowling Association of Chicago for the fourth consecutive year.

Mr. Weisensel, besides being president of the Classic Association, is also a director of the Chicago Bowling Association, a president of Mayor Kelly's Bowlers Club, and president of the Bowlers' Golf Club of Chicago.

A member of Fort Dearborn Council since March 7, 1920, Weisensel captained that council's championship squad through the seasons of 1928, '29 and '31. He held the individual high average in the Knights of Columbus league for four years and was nosed out by one of his own teammates by a one-pin margin. He has also rolled two 300 games and has a present average of over 200 in the K. C. circuit.

If, at the beginning of the last decade someone were to ask you who Wendel Willkie, General Hugh S. Johnson, Alf M Landon, Harry Hopkins, Thomas E Dewey or Eleanor Roosevelt were, th chances were 100 to 1 that you would'n know. Chances are even more than 10,00 to 1 that you couldn't tell, at that time who Joe Louis, Bruno Richard Haupt mann, Robert Taylor, Melvin Douglas Clark Gable were either.

The initial headquarters of the Chicago Chapter were located at 112 W. Monroe St. and were formally opened on March 17, 1906, with a reception and dinner.

Beginning on that date the Chapter maintained not only a council room, bil liard and card rooms, but also a high class lunchroom. Booths and tables, with the necessary appointments, were ar ranged and all culinary facilities supplied Catering was in charge of John W. Mac key of Damen Council.

On April 10, 1910, St. Cyr Council was host to approximately 500 members of Chicago Councils of the Knights of Columbus at a reception to the National officers of the Order. Emmett P. Wheeler, then Grand Knight of St. Cyr Council, called the huge assembly to order at Masonic Temple Drill Hall.

Among the national officers who addressed the Chicago Knights at St. Cyr's meeting were Supreme Knight James A. Flaherty, and Supreme Directors Mahorner of Mobile, Ala., and Griffin of New York.

A few of the home-folk up in New England knew who Miss Ruth Elizabeth Davis was as long ago as 1930 but not until late that year did you catch your first glimpse of the young lady who, as Bette Davis, has become the number one actress of all America.

In that same year, a young student still fresh out of the University of Chicago, was appearing in small-town vaudeville with his wooden dummy which he called Charlie McCarthy. And, even as Bergen and McCarthy moved up and down the circuit in the middle west, a twenty-year old clarinetist playing at the Park Central Hotel in New York City, dreamed dreams of his own band. His name was Bennie Goodman, but only a dozen people outside his friends had ever heard of him.

One of the most popular "extra-curricular" activities of the Chicago Chapter shortly after its inception in 1906, was the entertainment of guests at luncheon at the Chapter headquarters. The first such luncheon was given on Chicago Day, October 9, 1906, at which the guests were three distinguished actors, Chauncey Olcott, Daniel Jarrett and Frank J. McIntyre, all members of the Order.

Then State Deputy, Lewis E. Sauter presided as toastmaster and welcomed the guests, each of whom spoke. John L. Ponic delivered a number of well chosen stories and William F. Ryan, Master of the Fourth Degree rendered several vocal selections.

A recent "Time" subscription plugger recalls "way back in the days when the Maginot Line was the wonder of the world, when people took the Italian Army seriously—when Wendell Willkie was a business man and nobody knew what a blitzkrieg was.

"In those days a peace-time draft seemed about as likely as another war between the states, and you certainly never thought your income tax might soon be bigger than your rent. Nobody dreamed that in two short years the U. S. Navy would be gunning for submarines in the North Atlantic—and nobody argued about overtime and night shifts because there was still a depression and most of us were lucky to be busy in the daytime. You didn't have to worry about getting gas for your car; and everybody knew Mr. Roosevelt wouldn't run again." Remember?

The first outside activity of the Chicago Chapter, now long famous for its many charitable activities, was the promotion of a benefit for the Providence Orphan Asylum for Boys.

This benefit occurred in May, 1905, and the Chapter was able to turn over to the Sisters of St. Joseph who managed the orphanage, approximately $600.00 for their institution.

St. Pat's Party for Children Is Next Wednesday

3 Tues. . . . . 6 N. Hamlin Ave.

St. Pat's will give its annual Christmas party for the kiddies on Wednesday evening, December 17, at 7:30 p. m. at the Midwest Athletic Club, Madison and Hamlin Ave. Donations of gifts for this party will be gratefully accepted by the committee. Chairman Jos. (Gentleman Joe) De Frank can be reached at Armitage 0078. This party is for the children of our members between the ages of one to ten, inclusive, so bring them up for an evening of fun with St. Pat's. Refreshments will be served.

On Tuesday, December 16, at our next regular meeting there will be a Christmas party for the members. The members attending are sure of an enjoyable evening. Food and beverages will be served.

At our last meeting, Lecturer John O'Shaughnessy treated the members to a motion picture show depicting the activities of the N. Y. A., the governmental agency that is educating our youth in the finding of a profession or trade through the vast schools and camps they have set up throughout the nation. The picture, besides being entertaining, was educational, showing us how well and what our Uncle Sam is going in trying to adjust some of the ills that beset our country.

The film and operators were obtained and shown by Michael Howlett, Jr., son of our Supreme Director and Area Director of the National Youth Administration. Young Mike gave an interesting talk explaining what the N. Y. A. was doing to help the youth of our country become better citizens and pillars of democracy. The council gave a rising vote of thanks to Mike and his crew.

COUNCIL NEWS

Grand Knight Tom Cregan, in conjunction with Membership Chairman Jim Hartford, made a plea for more applications. D. G. K. Wm. O'Connell announced that we now had 114 members in the Blood Donors Group, that we had given 36 transfusions and also read the types of the twenty new donors.

Bro. Jos. Gentile, Christmas Cheer chairman and P. G. K. Chas. Patterson spoke at length on the good that is performed by your donation. So let's not forget the orphans or aged. See Joe with your donation, or send it to the chapter in the folder you will soon receive. St. Pat's will be credited.

Roy De Frank, chairman of the Service Men's Committee, announces that the following men will assist him: Frank Damato, Geo. Burns, Mike Fiorito and D. G. K. Wm. O'Connell. The committee has already forwarded some things to the boys in camp. Any gifts that members care to donate will be gladly accepted.

FOURTH DEGREE

Bro. Art Maloney made a plea for candidates for the Fourth Degree. He announced that we have 14 prospects and would like to reach 25.

Bro. Micheletti reports that he had a very successful hunting trip through several western states. He bagged 25 pheasants in S. Dakota and 1 elk in Wyoming and places 100 lbs. of venison at the council's disposal. Thanks!

St. Pat offers heartiest congratulations to Bob Holmes and his missus upon attaining their 24th wedding anniversary. Bob is a brother-in-law of our genial G. K., Tom Cregan.

Congratulations to Bill Spero, whose wife presented him recently with a 6¾ lb. baby girl.

News has reached us that Bro. Ed. Powers of Lafayette Council, well known to our members through his efforts in all affairs of St. Patrick's Church, is confined to his home at 4755 Gladys Ave. with a heart ailment.

St. Pat extends deepest sympathy to the Farrell brothers upon the death of their uncle.

BOWLING

The report on the majors is the same. We won one and lost two this time to St. Paul of the Cross. Don't worry—our time will come—I hope.

Calumet Guests at Athletic Night

Among the guests present at Calumet's "Sports Night" Monday evening were those pictured above, l. to r., rear row: Bob Quinn, right end; Babe Baranowski, quarter back; and Frank Lauro, left guard, all of St. Leo High School's champion squad.

Front row, from l. to r., are Joseph C. Lamb, scribe; Ty J. Hyland, G.K.; "Whitey" Cronin, coach of St. Leo's Football Champions; Michael P. A. Murphy, chairman of Athletic Night and Terrence P. Scully, Lecturer.

Michael Patrick Aloysius Murphy, the acting chariman of the last meeting, certainly did a wonderful job in seeing to it that everyone present had a fine time. Judging from the number of sport authorities present he certainly went through a lot of hard work.

It was pretty hard for Mike to keep smiling all the time because early in the day his son was rushed to the hospital for an emergency operation. Mike tells us that the operation was successful so that takes a little worry off of the family.

Among those present were Coach Whitey Cronin of St. Leo and Dan Lamont the coach of St. Rita. All of the St. Leo's stars, including Babe Barnowski, were present. Also present were the stars of Mount Carmel's team, St. Rita's team, and the De La Salle team. Mike Murphy and Lecturer Scully presented the stars with gifts. The coaches gave little talks and presented each of their players to the audience. Both of the coaches were ready and willing to answer all questions asked and you should have heard some of the questions.

We think that a great number of the members sons that attended the meeting know more about football than some of us old-timers. Also shown were the pictures of the Leo-Tilden game in color and we say now that if any of you brothers have a chance to see these films do so because they are beautiful. As soon as I put my tie back on I will tell you about this Frank Shephard fellow. Frank is one of the best, if not the best workers of magic in the country. He certainly had all of the kids going wild with his magic and he even had me blowing cards out of my nose.

Refreshments were served as usual and everyone had a good time. To the coaches that were present and to all of the football players we thank you sincerely for your presence and we want you to know that you are always welcome at Calumet. We were glad to see Frank Cull up at the meeting with his nephew. Frank is the chairman of Local Board 15 and with this sudden change of events we know that Frank will be very busy for a long time to come. Jim Higgins was up at the meeting hobbling around with a stick. What did you refuse that basket for Jim? We were watching Gene Stuart all through the meeting and we came to the conclusion that he would make a good double for Ned Sparks. We also noticed the fire bug trying to give Eddie Maas the hot-foot. Bob Hardy still loves to sing. If those brothers who live around Pullman Park have noticed an improvement, it is all the work of Bro. Tommy Donahue. Johnny Roes, the sweet thing, was seen knitting a sweater. Pat O'Brien hurt his leg falling off of a curb. One of the brothers wanted to know how he got on the curb. D.G.K. Joe O'Connor asks each member to bring a can of soup or beans or what have you to the next meeting with you so that we can make up some Xmas baskets. If any of you brothers know of some family that are in need of groceries for Xmas please get in touch with the Council. Our private phone is H. P. 6500.

COUNCIL ITEMS

SUNDAY EVENING CLUB: The club will hold it's Xmas party this Sunday, Dec. 14th. This will be their only meeting in December. This meeting will be known as Xmas Grab Bag Meeting and everyone is asked to bring along a little gift that will not cost more than 25 cents. As all of you brothers are spending a lot of money for Xmas presents this opportunity comes along that will give your pocketbooks a chance to develop moths. Everyone is invited to attend and Chairman Frank Davis promises that everyone will have a good time. There will be refreshments and cards. We know that all of you that have attended these meetings will be there so we make an appeal to those of you who haven't as yet attended to please try to be there.

NEW YEAR'S EVE PARTY: Xmas is coming, the geese are getting fat, please put a deposit in Wilf Byrne's hat.

Yes sir, brothers, this New Year's Eve party is arriving as fast as the wind. With all of the excitement in the world the days are flying by, so we want all of you members to buy your tickets as soon as possible. Just stop and try to figure out where you and your wife or sweetheart could go on this night and get by for only $5.50 a couple. A few places might be lower in their prices but who wants to have cheap grades of food or refreshments or who wants to spend their New Year's Eve down on Madison St.? We have a lot of tickets sold to neighboring Councils already and by the looks of it Genoa will be well represented.

BOWLING: The O'Hanley Morticians tied for the league lead when they won two from the Ray's Boosters. Bill Bowes with 519 and Walter Popjoy with 509 led the winners while Tom Gibbons with 507 led the losers. McNichols Standard Service put the Mase Cronins Tavern team into a first place tie by winning the odd game. Bill McNichols led his team with a 534 series while Wilf D. Byrne was shooting 210-918—591 for a losing cause. With Mike Murphy shooting a lucky 526 and Hank Pellegrini 494 the Murphy & Son Furniture won three from the Whalen Boosters. Rodenkirk had 213—537 for the Boosters.

Stones Shell Service remained in third place by winning three games from the Indiana Service Station (could this be possible, Joe?). Joe Walsh had 235-600 for the winners which is as good as any man in the city. Wilson & Rafferty won three games from the Cummings Morticians with G.K. Ty Hyland shooting 201.

D.G.K. REPORT: Bill McNichols, Walter Gorz, and Harry LaMasney the chairman of the Blood Donors, all gave blood transfusions during the past few weeks. Bro. Ralph Gaking volunteered a pint of his blood to be used whenever necessary. Tom Clark and Ber. Condon are now up and around. J. Heaton was in an automobile accident and was cut up quite a bit. Chas. West, Doc Adams, Jim Shannishy, John Ahern and J. Walter are still not up to par. Arch Mahoney is still trying to make the cook ou at Hines use his coffee formula.

Bro. Wm. Coughlin is now with Co. B, 26th Bn., E. R. T. C., stationed Fort Leonard Wood, Missouri. Drop him a line. I wonder if the editor is trying to start a guessing game with us by leaving out the names of the sick members last week. (Stop wondering, we thought they were for Yehudi. No fooling, even we can't explain how that one happened. We're sorry too. Will you make up and send us your phone number — business and home — next week. Sometimes we need them. Please?—Ed.)

Quigley Will Close Successful Year on Notes of Festivity

1-3 Tues. . . . . 1035 W. 31st St.

The year of 1941 will be shouldered out by Quigleyites with two affairs that will complete a highly successful year. The first, the children's Christmas party on Sunday, Dec. 21st, is in charge of Lecturer Kasper Knasiak.

This affair is for the children of Quigley members, and features Santa Claus, entertainment and refreshments. There is no charge for this affair, just bring the kiddies over for a session with Santa.

On Dec. 31, the Council will sponsor its third annual New Year's Eve party at the Quigley clubhouse. This affair will be limited to 250 persons, which necessitates your early reservation.

The charge of $2.50 per person includes music, dancing, favors, refreshments, turkey dinner, etc. Tickets are now procurable from John J. Jankowski.

The Council will honor one of its hardest workers, the inspiration of the new clubrooms on the second floor, the energetic John "Morgan" Berny. A presentation will be made to John and a program arranged by the lecturer will make this night one long remembered.

Genoa's Last Meeting of Year Next Monday Has a Fine Program

1-3 Mon. . . . . 7439 Cottage Grove Ave.

Genoa Council will hold its last meeting of the year on Monday evening, December 15, at the regular clubrooms. Since this is the last meeting of the year it behooves each and every member of the council to make an effort to be present so that plans can be formulated for a successful and prosperous 1942. It is a good time to get your accounts in order and to make plans to attend at least one meeting a month for 1942.

G.K. Robert Stadler and the officers of the council are greatly interested in letting the old year go out with a bang and to start the new one with vim and vigor. You can aid the cause by being present and showing to the council that you are with us 100 per cent.

FINANCIAL SECRETARY: Bro. Philip Jordan, our hard hitting, hard working Financial Secretary, is asking every member of the council who is in arrears on his insurance or social obligations to contact him by 'phone or drop him a line at 7941 Euclid Ave. If it is at all possible to get your accounts cleared up by the first of the year, Phil will certainly appreciate the effort on your part. He has a very difficult job at its best and needless to say any help you can give by keeping your accounts up to date or making arrangements on them will be a big aid.

OFFICERS

G.K. Robert Stadler is particularly interested in having every officer present at the meeting Monday evening so that the groundwork of a successful year can be laid and a review of the past year given. Genoa has a lot to be thankful for during the past year, but much can be gained by hard work and cooperation during the coming year. Each and every member of the council should put his shoulder to the task and help. Let the slogan be "Each member secure a new member for '42."

Dearborn Urges Warm Response on Christmas Cheer

1-3 Thurs.....820 W. Garfield Blvd.

By this time you should have received your notice requesting you to be sure and get your donation in for the Christmas Cheer fund. Each year at this time the Christmas Cheer committee sends out its message to all brother knights reminding them that there are some in this world who have had misfortune in some way or another and that these people are depending upon the Knights of Columbus this year, as they have in the years gone by, to make this Christmas a happy and joyful one for them.

Did you ever get so thrilled, or so happy that your eyes became a little moist and quickly you realized that you had better control yourself or you would be actually crying for joy? Yes, brothers, that's just exactly what we'd do if we knew we had made one soul happy and joyful on Christmas Day.

Maybe it's just the ego in a man, or maybe it's because he likes to believe himself a great benefactor, or maybe it's just downright generosity; whatever it is, it certainly is a thrill of a lifetime. There probably are not many of us who can care for a large family, giving them clothing, food, toys and some of the other necessary things of life and pay for it out of our own pockets. That is why this Christmas Cheer committee was organized. We can give our little bit, and that added to someone else's little bit soon becomes a great bit, with which our organization can do wonders.

Another thing, fellows, is that we all know that prices of things have increased somewhat this year, and it's going to take a little more to go all around than it did last year. The regular stops are going to be made at the various orphanages and homes, but the cost of the articles will be somewhat greater. Don't let this week go by without sending in your quarter to Bro. John Maguire, the chairman of this committee in our council. We know these people appreciate what is done for them, and we are sure that numerous prayers are offered up in behalf of their benefactors in thanksgiving for what is done for them.

Help this cause, brothers; it's a noble one. And help these men of the various council committees who are donating their time and energy to see to it that these poor unfortunates have a joyful Christmas. God bless them in their work.

"GREEN BUCK" PARTY

With the above still in mind, we are glad to announce that on last Saturday night Dearborn assured the little tots of the council that they would have a huge Christmas party this year as there were pretty close to 600 members and friends at our party given for that purpose. If you did not go to the party, you missed one of the outstanding events in the history of the council.

We believe that everyone there had a grand time and we know that we would like to have more of them. To say "thank you" to all those who cooperated in its success would not be enough. Many of these men worked long and hard for this event and to them we express our gratitude and praise. The general chairman, DGK John Downes, was all smiles at the great success, as well as all of the co-chairmen, all of the various committee chairmen and, finally, all of those who cooperated on the various committees.

These people, as well as many others, are due a rising vote of thanks for their efforts, because if they had not been there it probably would have been another story. Everyone seemed willing to lend a helping hand, which made it much easier all around.

In thanking brother members other than those of Dearborn for their assistance let us start first with the Editor of The Columbian, Bro. Harold Du Chateau, who made up a very impressive advertisement on very short notice and put it in a spot that couldn't be missed. Our thanks to you, Harold; it was swell! [That's my job, Frank, but I'm glad I could help.—Ed.] The scribes of the various councils also cooperated greatly by giving us a blow in their various columns. After reading them we think that there is some mighty good newspaper material making up the columns of this here paper. So you will know who they are, we'll introduce you to them: Bro. Jack Fanning of Leo, Bro. Wm. Mugg of McHale, Bro. Russell O'Hara of Ridge, Bro. John Madigan of St. Rita, Bro. Ralph Donegan of Madonna and the scribe of St. James, whose moniker we did not obtain. Dearborn salutes you, boys, and thanks you for your line-o-type or two.

We wish to take this opportunity to thank all the brother members of other councils who were in attendance at the party. PGK Tom Mulroy was seen on the dance floor. The commander of Fort Dearborn Post, American Legion, J. J. Devereaux, was also present. Bro. Joe Lenz of Englewood Council had 26 in his party. A fine representation of St. James Council were getting telephone numbers from off the dance floor. Our good friends from Leo Council were quite prominent about the place.

Many others whose names and council connections we were not able to obtain were having the time of their lives. To these and all who attended, Dearborn extends its gratitude and appreciation for being with us on this festive occasion. It was carefully planned and very well executed, and rest assured we all had a glorious time.

NEWS ABOUT KNIGHTS

Last meeting Bro. Jas. Kittrick was appointed council chairman of the blood donor work for Dearborn. This was at the request of Bro. Bob Du Mais, who has charge of that work all over the state of Illinois. Bob is traveling quite a bit now, thus making it very difficult for him to attend to the work for the council. It was upon his request that GK Devereaux appointed Jim, and we wish to congratulate him upon his appointment and wish him well in his new work. If you are in need of a donor, please notify Jim at Yards 3298, and we are sure your call will be answered immediately.

On Friday, Dec. 12, there will be a first and second degree given at Madonna Council and all sponsers should see to it that their candidates are present. On Sunday, Dec. 14, the third degree will be exemplified at Archbishop Quigley chambers and all required to be present should do so.

GK Devereaux appointed Bro. Richard Kerwin as chairman of a service committee which has for its duties the securing of donations of smokes, novelties, money or what have you for the boys in service. Dick reports that already quite a few donations have been made to purchase cigarets and candy for the service men and requests that if you wish to aid the cause to send your contribution to him before the holidays. Send it to his home at 6610 Kimbark Ave.

You are again reminded to send the names of any brother members who have joined the armed forces of our Government to our GK or to the financial secretary, Bro. John Feilen. If you know of any, please do this immediately.

Loyola-H. P. Extends Thanks to Helpers in Success of 'Fiesta'

2-4 Thurs. . . . . 7435 Cottage Grove

FIESTA is all over but the shouting, but, what shouting we can do! Wow, what a party! Music was the best ever; the party was the most smoothly run affair of the year; every table was full, every seat was occupied and our only regret was that we did not have enough tables for everyone during the evening. Many had to stand while enjoying the finest floor show we ever had.

There were so many councils represented and so many celebrities of the Knights of Columbus and their ladies that it would be difficult for this scribe to enumerate. Therefore forgive me if I cover it in a general way, and say, and these are the sentiments of our officers, that we know that this year's Fiesta was more successful because our neighbors joined us in greater numbers. Therefore let us say, and this is right from our hearts, thanks neighbors.

A Motorola upright radio was given to Dorothy Drennan, 7004 Rhodes ave., and twenty other gifts were also distributed.

Garcia Moreno Appeals for Aid to Christmas Cheer

2-4 Tues.....155th St. & Lexington Ave.

The Christmas Cheer committees are all appointed in the various councils in Cook county. The honor to head this charity campaign for the second time goes to one of the hardest working knights in Illinois, Martin J. Hough, veteran member of Father O'Connor Council. His degree work was one of the finest contributions he gave to his order. The scribe received his major degree from him 22 years ago. So we can judge for ourselves the long and splendid record of this faithful knight.

Once more Marty Hough looks over the field of his committees in all Cook county councils with the hope that in this world of turmoil his men will still find charity in their hearts, for he and his committee have a large undertaking to do at this Christmas time. This Chicago Chapter Christmas Cheer fund is an annual event. All councils take part in it. All knights in Cook county are asked to contribute in behalf of the orphaned and aged.

Grand Knight John Mech has appointed Francis De Mayo, John Kerkhoven and William Powers, Jr. We hope our entire membership will cooperate. All council officers will also help to contact the membership. All that is asked is 25 cents a member. Many give more than that. Let's all share in the happiness our orphans and aged will enjoy at Christmas time. Give your bit with a smile.

Catholic Population May Be Greater

On the basis of army estimates that 31 per cent of the armed forces is Catholic, both Bishop John F. Noll of Fort Wayne and Bishop Gerald P. Shaughnessy, S.M., of Seattle estimated that the present Catholic population of the U. S. is nearer to 30,000,000 or 35,000,000 than the 22,000,000 commonly given.

Bishop Shaughnessy, discussing the problem of leakage, said that undoubtedly the Church suffered annual losses, but that, if his own diocese could be taken as typical, these losses are at least balanced by conversions and returns to the faith.

Remember, early — Monday evening—deadline for Dec. 26 and Jan. 3 Columbian issues!

Hen.-Shields Has Us Stumped—We Can't Make a Headline Fit

Jan. 14-28 . . . . 446 N. Parkside Ave.

As these lines are written today a foreign nation has without warning treacherously, wantonly and suicidally attacked our land. Whatever differences of opinion we may have had prior to this is immaterial. We return to the Irish idea. "We can have all the family fights that come up, but if some one sticks his puss into the family quarrel, then the family forgets the quarrel and unites to kick the nosey pants out the front door into the street."

We need no magic crystal to see the future. There will be privation, hardship, grief and pain. Our ancestors suffered these afflictions so we could have the privileges we enjoy today. These privileges are our way of living, our beliefs and our faith. For those principles no true American will refuse the challenge.

BOWLING

The Harwood Florals came out in full bloom and took three games from the Frank M. Hayes Barbecues. Lynch of the Barbecues was in good form with 204 to offset Jim Oakey's 202.

The Riley Insurance Writers were in good form, taking three games from the Ray Foley Grills. The John J. Hayes Hatters won two from the Costello & Son Boosters with the help of Gravell's 205 and the Midland Pipe & Supply Co. won two games from the M. C. Fogarty Men's Wear team. Leo Bastein counting with 201.

THE SOUNDING BOARD

If our respected and honored Past Grand Knights Tom Butler and Frank Daley will forgive our omission of their names in last week's line-up we will feel better. Just one of those things. Sorry.

The annual Children's Christmas Party is scheduled for Sunday afternoon, December 21st, at our usual meeting place. A grand program has been arranged for the children's pleasure and they will be sure to enjoy this Christmas preview.

Our council will act as sponsor Wednesday evening, Dec. 17th, for the table tennis tournament at the National Catholic Community Service Center at 1122 S. Wabash Ave., for the men in service.

At a recent meeting of Old Past Timers composed of old-time ball players, held at the Machinery Club, Terry Boland of Barry Council was elected president. P.G.K. Pete Murray of our council was made vice-president, Walter Costello, also of our council, treasurer, and Jimmy Taylor, secretary. Congratulations, fellows.

Young John McNeill, Jr., recently enjoyed the distinction of playing the only male role in a radio show put on by Clark (Girls) College at Dubuque, Ia. Was he the popular boy for the evening!

The Stewart Football Special carried a complement of H. S. members. In one car there were Roy Cummins, Mike Hussey, Bill Phelan, Jack Shealy, Bill Welch, Al O'Donnell, Joe Hannon, Tom Butler, Jim McCune, Jim Lawler, Henry Bruen, Jim Ford, Charlie Quill, Ed Quill, and Bernard O'Shea. Jack Walsh also attended in another group.

We must ask Jim Ford to bring his brother Bill to a meeting and have him sing for us. And join up, too. Bill certainly did a grand job on the train entertaining the football crowd.

Frank Hayes, Jr., flew in from Georgia to see the game, together with some of his army buddies, spending his spare time at the Hosty's Long Beach home and flying back to camp Monday.

Memo to Tom Hosty, Sr.: Isn't it about time Tom, Jr., put his name on the dotted line for membership in the council?

The last word has been said to Mr. Moto. It is G'BYE.

St. Cyr's Plans on Annual Dance Top World's Headlines

1-3 Mon. . . . . 1609 N. Halsted St.

In spite of the natural depressing reaction of our citizens in the wake of the sudden turn of world events, a large and enthusiastic number of St. Cyrites came to the dance committee meeting last Monday.

Most of you already know that on Jan. 10, the vicinity of the Lions Bldg., at 4300 W. North Ave., will make New Year's Eve scenes look like Sunday School congregations. Because that's the BIG night; because Sam Greco and orchestra will entertain at the Den, Werner Petee at the Ballroom, 4 piece band at the Walnut Room, the strolling trio all over the place. Revelry supreme. To date 2500 tickets are out. The ads will total $700 and the patrons about $100. It's a natural, folks.

CHRISTMAS PARTY

Lecturer Anthony Scarpinato is out searching for talent for the annual Christmas Party to be staged Monday, Dec. 22, at our big hall in the Prudential. The bigwigs have set aside that night for the kiddies. We mean your own kids and not your neighbor's or your uncle's. The show, we have it on reliable sources, will start at 7:30 p. m., pronto. In addition to the big stage splash, Santa Claus will come with toys for the tots. And let's also mention the big, big Christmas tree.

At a meeting last Thursday the Cyrfours have picked next Sunday, Dec. 14, for the annual Christmas blowout for the ladies. This is a "private-keep-out" affair because only Sir Knights and ladies are invited at $2.50 per couple. The locale is Como Inn at Ohio and Milwaukee. And we suspect Santa will also be there with gifts for the fair sex. 6:30 p. m. for those who are on time. Pres. Jim Giambrone, take note of hour.

De Cola-Maruca team, according to Sec. "Coke" Coniglio, did a little blitzing last week on Al Long's Alleys. They scored 2573 total 3 games and 922 single. And that, Brother Knights, puts them in second place in both departments.

The torch-like race has now narrowed to Erie with 25 and 14, Maniscalco's 23 and 16, Cancilla same, and Falson Elec. 22 and 17. Some finish with only 6 games to go for the first round. In the individual columns Joe Cannizzo has finally found his range. His total 616 and his high single 255 captured all honors.

CYRIOUSLY SPEAKING

When you come to the meeting next Monday, don't forget your quarters (or more) for Uncle Jim Wing's Christmas Cheer Fund. . . . So far no kick on contributions, but many, many more could kick in. . . . Incidentally Jim is a busy man these days. . . . What, with having been elected Secretary of the Cyrfours . . . in the place of Joe Arcuri, whose insurance business has reached landslide proportions. . . . On the same subject, don't forget the Fourth Degree Initiation for Sunday, March 1. . . . $25.00 for baldric and sword. . . . But Treas. "Micooch" Micucci will accept a down payment; balance in installments in 10 weeks.

The announcement of a few weeks ago about an engagement party for one of our illustrious members will soon be a reality. . . . Attorney Jim Giambrone and Jeanette Costello have picked Christmas Day for the declaration. . . . The main event, next spring. . . . Sam Leto, Jim Cappetta, Sam Greco, Charles Braico, and Louis Braico have signified their willingness to become Fourth Degree members.

Sam Rannochio and Mike Cavaretta boast that hordes of St. Cyrites will be at their Triangle Social Club dance tomorrow, Saturday, Dec. 13. . . . At the Rivoli Ballroom, 4384 Elston Ave. . . . Bro. Phil Lo Picollo, who has been ill for the last few months, reports that his son, Bro. Joseph, is in a government hospital in Honolulu, Hawaii. . . . Joe is stationed in the zone of military operations of the new war. . . . At this writing no news of the young man's part has been received. . . . St. Cyr welcomes to its ranks the following candidates who received their First and Second degrees at Fr. O'Connor last week: Sam J. Magro, Anthony Schiro, Patrick Pelligrini, Joseph Conti, Jr., Joseph Cyril, Mario Divita, Nick Castiglione, Charles Kennedy and Joseph Bonuso. . . . Castiglione is the famed boxer from the near north side. . . . Proposed by Bro. Joe Lucania. . . . The latter announces that next Monday, at the regular meeting, is the last chance to turn in your dance program ads. . . . Sam Giacinto is seriously sick at his home at 1110 Cambridge Ave. . . .

It's a boy for Mrs. Celia Geraci, wife of Bro. Sam. . . . 7-pound Ronald Joseph was born at St. Elizabeth hospital on Saturday, Nov. 30. . . . All concerned doing well. . . . Jasper Abbinanti is now working in Ottawa and commutes with Chicago every week-end. . . . Co-chairman of dance, Peter Stacey, has postponed his "operation" till after the big affair in January . . . so that he could be in shape for the Fourth Degree initiation in March. . . . Joe Bonuso, new candidate, and second in the bowling league, is a relative of the Stranos. . . . We believe Bro. Joe Maniscalco will have something to say as to why his team, minus 3 bowlers, were permitted to play. . . . And at that they won 1 game. . . . Don't forget the "Third" tonight. . . . All members have been notified.

AQUINAS PLANS TURKEY NIGHT ENCORE TUESDAY

1-3 Tues. . . . . 5441 S. Ashland Ave.

The turkey night of our Thanksgiving meeting proved so popular that G. K. Sweeney and Lecturer Golden have decided to hold a similar affair at our meeting December 16.

Plans are already completed and some topnotch entertainment will be given. For a splendid evening's entertainment with fellow members, don't forget the date, Tuesday, December 16th.

Edgar Baldwin reports that the basketball team played two games during the past week and won them both. The Visitation House League opens Sunday with a four-game card. Edgar expects to see a good crowd from the council at the game so put Sunday, December 14, down in your note book now. All games are played in the Community Center at 900 W. Garfield Blvd. The first game starts at 1:30.

The past week's bowling still found the McNamaras in first place but also sharing it with the Peltons who trimmed the O'Malleys for three straight with scores of 822-776, 887-848, 880-804. Norm Pelton led the attack with a 542 series while Baldwin paced the losers with a 507 series. The McNamaras took two out of three from the Sweeneys with scores of 838-743, 773-760, 667-769. In the other match the McGraths downed the Sheehys with scores of 847-762, 778-796, 829-757. High games were rolled by Golden, J. Keane, Bialecke and Conroy. Golden and McCarthy had 539 series.

The team standings are as follows:

	W.	L.	Pct.
McNamara	17	13	.567
Pelton	17	13	.567
Sheehy	15	15	.500
McGrath	15	15	.500
Sweeney	14	16	.467
O'Malley	12	18	.400

Friday night's games have been postponed and will be played later in the year. The reason for this is a testimonial to be given one of our bowlers, James Collins, Friday evening at Ridgeland Farms. At this same time we want to wish Jim the greatest success in his new endeeavor.

Oak Pk. Has Several Candidates Ready for Degrees Next Sunday

2-4 Monday. . . . . 641 S. Scoville Ave.

Rev. Leo C. Gainor, O.P., gave a very fine address at the meeting on Monday, December 8. The subject was "Our Priceless Heritage of Liberty." His talk was timely in the extreme, being given on the very day of the declaration of war to defend our heritage of liberty. We are very grateful to Father Gainor for his interest and efforts in our behalf.

Members of the Council should make plans to attend the initiation on Sunday, Dec. 14, at St. Philip's Church, Jackson and Kedzie. The First and Second Degrees will be conferred at 10:00 a. m. Oak Park Council will have several candidates for these degrees, and Grand Knight Cagney has asked that the candidates and their sponsors be sure to report at the clubhouse at 9 a. m. to go over to St. Philip's in a group. The Third Degree will be conferred at 2:00 p. m. the same day, so the members should make arrangements to be present for the entire ceremony.

Our Christmas party is planned for Monday, Dec. 22, at the clubhouse. It is to be a regular party with a Christmas tree and prizes for the members and their families. The guest of honor will be Santa Claus, who wants to see the children attend the party and have more fun than anyone else.

The annual Christmas Cheer Fund is still open to receive contributions from Knights who have overlooked this opportunty to bring Christmas to other children less fortunate than our own.

The Council extends its sympathy to the family of Bro. James T. Maher, who died last week. He had been a member of the Knights of Clumbus since 1901.

Mrs. Clifford N. Conlon, wife of Bro. Conlon, and sister of Bro. Dick Powers, is still seriously ill at St. Anthony's Hospital. The Council hopes for her speedy recovery.

All Holy Name men are to attend the Holy Hour Saturday night, Dec. 13, from 7:00 to 8:00 at Ascension Church. Father Burke will give the sermon.

St. Francis Urges Good Turnout for Sun. Degree Class

2-4 Thurs. . . . . 4715 W. Madison St.

Over one hundred candidates will participate in St. Francis Xavier Council's 1941 Father Breen Class next Sunday, Dec. 14, at St. Phillip High School. At least 85 of them will be joining our council while the remaining will represent other west side councils.

Due to the enormous size of the class, a special plea is being made to our own and members of other councils to be present for this exemplification. We will need plenty of help.

The program of the day is as follows:

8 a. m.—Mass and Holy Communion in Our Lady of Sorrows Church (Jackson and Albany).

9 a. m.—Free breakfast in school hall for members and initiates.

10 a. m.—Exemplification of the first and second degrees in St. Phillip's Gymnasium (Jackson Blvd., east of Kedzie Ave.).

12 noon—Dinner recess.

2:30 p. m.—Exemplification of the third degree.

Sponsors are especially urged to have their candidates ready to hear Mass and receive Holy Communion with the rest of the members.

Last week we reported that Sir Knight Anthony Manzo had procured 26 applications for this class. Today we have more astounding news. Bro. Manzo has broken his own record by securing 33 more applications, making a grand total of 59! Never in the annals of St. Francis Xavier Council has any member come close to achieving such a marvelous feat. Our hats are off to you, Bro. Manzo!

Upon asking him the secret of his success, Bro. Manzo replied: "In an attempt to get new members I've discovered the easiest thing for a prospect to do is say 'No.' Therefore, the only thing left to do is to reverse this by doing some very convincing talking. In most cases the reactions are discouraging—so discouraging, in fact, that it makes you mad.

"This is where you have to become a diplomat. Most of them can be made to change their minds if you keep after them, as some of them have told me that they had been approached before but nobody ever talked so persistently.

"Keep after them! Don't let them out of your sight until you get a signature. Above all, always carry blank applications, as you never know when you're going to catch a guy in a weak moment."

That's his formula, brother knights—a formula you and I can easily follow in getting prospective candidates to join our council.

Following is the list of candidates ready to take the degrees:

Samuel Calderon, Anthony Lombardi, Joseph Ori, Jr., Anthony Guardino, James Fiduccia, Gene P. Tognarelli, George Angelacos, Marshall Squier, Arthur Phillips, Joe Messineo, Joseph Amidel, Phillip Giardina, Salvatore Quatrocchi, Joe Castro, Frank Jelinek, Anthony Battaglia, Anthony Quatrocki, Robert Nasca, George Quinn, Frank Battaglia, Dominick Giglio, James Caruso, Anthony Capone, Anthony Batelli, Chester Palumbo, August Scolaro, Daniel Caprio, Dominick Casalena, Melvin Jones, Jr., Joseph Cicero, Joseph Manzo, Michael La Scola, Salvatore Marino, Phillip Caruso, Jasper Pagliarp, Louis Vihnanek.

CHRISTMAS PARTY

PLEASE NOTE: The site of our annual children's Christmas party has been switched from the Garfield Park refectory to the administration building, better known as the Gold Dome, at Central Park and Washington Blvd. The committee, headed by John Caruso, made this change because of better facilities. The party will get under way promptly at 2 o'clock on Sunday, Dec. 21.

BOWLING. Monday's results read something like this: Dot Pies took over first place by winning their three games from Guigliano Florists, while the Izzo Undertakers were taking it on the chin in as many games. The Famous Potato Chips acted as culprits as far as the Izzos are concerned. Other scores reveal that the last place Paterno Pizzeria shellaced the Senate Electrics; Marks Motors, Lido Restaurant and Orlando Buffet won the odd game of their series from the Ald. Pacellis, Coletta and Bacigalupo Morticians.

High series bowled by: J. Caporelli, 580; C. Speziale, 546; N. Pintozzi, 509 (his highest so far); M. Mele, 536; B. Mele, 547; C. Principe, 519; J. Schiavone, 522; O. Furlan, 502.

Fr. Setters Gets Polar Communique from Santa Assuring Early Arrival

2-4 Thurs. . . . . 4711 W. Madison St.

The latest message to come to the desk of Grand Knight Roy P. Bedore of Father Setters Council from the North Pole headquarters of Santa Claus directs that all members be assured of the personal appearance of Santa at the children's Christmas party to be held on Sunday afternoon, Dec. 21, at 2:15 in the Madison Athletic Club.

All children and grandchildren of council members are cordially invited to attend, and in order that all may be accommodated it is requested that Past Grand Knight Edward J. Lavin, 160 N. Laramie Ave., be at once advised of the name and age of each child expected at the party. Members have been mailed post cards for their convenience in giving this information to the past grand knight.

Past Lecturer J. Edmund Dwyer, an old friend of Santa Claus, has been commissioned as special assistant to aid the jolly old gentleman in meeting the youthful guests of the day and helping to present each with a gift and a plentiful supply of candy. In addition to these attractions there will be a special bill of entertainment under the direction of Austin E. Ryan, Frank W. Long, William Blondin and Past Grand Knight Maurice J. Kissane.

COMING EVENTS

Recording Secretary William N. Hoffman has just mailed each Settersite a reminder of two important events on the calendar of the organization. By way of supplementing the recorder's memorandum we again call your attention to:

CHRISTMAS TURKEY NIGHT — On Monday evening, Dec. 22, the members will gather in large numbers to compete for the honor and pleasure of taking home some of the forty turkeys to be awarded as prizes for the evening.

As you know, this is one of our most popular annual parties and the lads have over the course of the years turned it into a sort of homecoming rally and old-timers' night.

NEXT MAJOR ITEM on the calendar is the dinner-dance which will be held on Saturday evening, Jan. 31, 1942, at the Midwest Athletic Club, Madison St. and Hamlin Ave. While the exact details of this party have not yet been forwarded to the members, we might here mention them in a general way for your information.

There will, of course, be a full course dinner and dancing to the music of an excellent orchestra, and in addition a superb floor show. Reservations for the dinner-dance should be placed at the earliest possible date in order to aid the lecturer in planning the details of the party.

SORRY YOU'RE ILL

Miles Votava, for many years a member of Father Setters Council and brother-in-law of Bros. Joe Zalud and Harry Prybil, has been ill for some time and is now in Holy Cross Hospital, room 301. The latest report, relayed to us through Past Grand Knight Al L. Fik, is that Bro. Votava is progressing steadily and there is every prospect for his complete recovery at an early date.

St. James Bestows Honor Degrees on Six Young Knights

2-4 Mon. . . . . 64th and University

A quarter of a century is a long time for any man to be a member of an organization, but St. James has six of such members who have attained this record. They are all over sixty-five years young, and we mean young for not one of them limped at Monday's exemplification of the Honorary Degree. Two of these Honorary members still hold elective offices in our council, the third withdrawing from elective office last June, when he preferred not to run for office because of the press of his work.

The six members assembled with the Degree Team at 6:00 p. m. on last Monday evening in the council chamber, then enjoyed the Dinner Party in the dining room of the Hayes Hotel and then talked about the institution of the council.

The Honorary Degree Class consisted of Brothers Patrick Duffy, John Flavin, Edward Hamilton, John King, Joseph MacGillivray and Michael McGuire.

Brother Patrick Duffy, a Third Degree member, was initiated in June, 1913, at the Old Music Hall at 41st St. and Cottage Grove Ave., and was proposed by Bro. Michael Corcoran of St. James. Pat has held the Offices of Inside and Outside Guard for many years and has a wonderful attendance record at meetings.

Brother John Flavin, a Third Degree member, entered St. James Council in 1911 and was sponsored by Bro. Edward Dempsey of our council. He always enjoyed the duties of serving on the Investigating Committee.

Bro. Edward Hamilton, a Fourth Degree member, was one of the organizers of St. James Council and is a Charter member. He joined on June 2, 1912.

Brother John King, a Third Degree member was initiated into St. James Council in May, 1913, and was proposed by Bro. Elmer Whitty, whom many of our members know as "Doc," then a member of St. James but now of Calumet Council.

Brother Joseph MacGillivrey, a Fourth Degree member was one of the members who help to organize St. James and was initiated in 1912 in St. James Hall. He was sponsored by Bro. Walter Clinnen of St. James, and he has held the offices of Advocate, Chancellor and Deputy Grand Knight. Bro. McGillivrey was advanced to the Fourth Degree in 1930. He has two brothers who are Knights. John belongs to Charlestown Council in Prince Edward Islands and Martin belongs to De La Salle Council of Chicago. His son is also a member of our council but does not get around because he lives in Jackson Heights, N. Y. (a suburb of Chicago).

Bro. Michael McGuire, a Fourth Degree member, was initiated into Madonna Council in 1911 (Mutter's Little Man's council) and transferred to St. James upon its institution. He was proposed by his brother, James L. McGuire (deceased) of Madonna Council and his brother, Edward McGuire of Daniel Dowling Council was present at the meeting to see Mike receive his Honorary Degree.

Bro. McGuire has served as the Warden of St. James Council for 16 years and is a life member of Chicago Chapter and served for years as Chairman of the Sick and Relief Committee of the Chapter. He joined the La Salle Assembly in 1916.

Presentation of the Honorary Degree Membership Button was made by Grand Knight John McKean, the Honorary Membership Card and Case by Deputy Grand Knight Thomas Groark and the Honorary Membership Certificate by Chancellor Doctor Clarence J. Strobel with Lecturer Peter J. Wehle acting as Warden due to our present Warden being one of the recipients.

Brother Ambrose J. Burke supervised the taking of the picture of the class which will appear in the next issue of The Columbian. The officers of the Council wish to publically thank Ambrose for the service he has rendered in taking this picture and all our pictures which you have seen in The Columbian in the past.

DAVIS DELIVERS TALK

Members heard the talk given by Bro. Chris Davis about the origin of our Council in and around old St. James Parish and how its organizers applied for the Charter from the Supreme Council, which was issued on June 2, 1912, and how the Charter members set up the first set of officers headed by Grand Knight Walter Clinnin, a brother of General Clinnin, and of the appointment of Father McGuire as the first Chaplain.

All the brothers receiving the Honorary Degree played an important part in the first few years in the building of St. James Council and have been loyal to their council ever since.

ST. ANN'S PLAY

Our Hollywood Actor is at it again. Brother James Collins, who is a member of St. Anne's Dramatic Club, is appearing in a play, "Modern Version of Charles Dickens' Christmas Carol." I know you will enjoy seeing Jim act, so plan now to attend on Sunday, Dec. 14, at 8:30 p. m. The place is St. Anne's Auditorium, Garfield Blvd. and La Salle St. Price is forty cents, tax included. This is for the Benefit of the St. Vincent DePaul Society.

BOWLING: It looks like St. James Council is going to send a team to the Cleveland K. of C. Tournament, and possibly two teams. Brother Paul Sink reported at the council meeting that bowlers were bowling well enough at the Legion Alleys on Wednesday nights to represent our council at the tournament so the council voted to pay the expenses. Paul was still looking for a couple more council bowlers. Why not stop up at the Legion Alleys, 76th and Cottage Grove, and look over the situation.

EVERY MEMBER of St. James donates to Christmas Cheer—there is no begging. Over one-third of the members have kicked in already, so why not toss a quarter at the Deputy Grand Knight when you attend the next meeting or mail it direct to the Chicago Chapter, stating your council number.

THE FOURTH DEGREE CLUB will hold a meeting at the Hayes Hotel, Monday night, Dec. 15, at 8:00 o'clock. All Fourth Degree members are requested to attend, as business will comprise of the Coming New Years Eve Jamboree.

Weber Kiddies Will Have Christmas Party This Monday Evening

1-3 Monday.....4758 S. Pulaski Rd.

The last meeting of Weber Council for the year 1941 falls on the 15th day of December. Just one week before Christmas. Taking this opportunity in hand, Lecturer Doc Dziubski has arranged a very elaborate Xmas party for the kiddies.

Last week I asked you all to fill in the cards which you should have received. A few days ago I was notified that all have not received same. The Lecturer has turned these over to the proper person to be mailed, but somewhere along the line was a slip. Nevertheless, the Xmas party must go on. Doc Dziubski put on the thinking cap and went to work. Says he: "I said there was going to be a kiddies Xmas party and by heck it's going to be a good one."

So, just in case you are one of those who has not received a card, don't miss the party. Pack up the kiddies and bring them along. The Lecturer says he will be prepared to take care of all of them. Oh! And by the way, brothers, if at all possible bring Mom along too. I am sure that she would like to see the kiddies faces as they look upon the Xmas tree; watch the choo choo as it speeds around the track, and of course we all get a kick out of the youngsters as Santa hands them a gift.

There will be refreshments and entertainment for young and old. This is supposed to be quiet, but I am going to let you kids in on a secret. You know what, Kraft is going to donate the ice cream dixies. It is a very fine gesture, Bro. Kraft, the kids will go for you.

Now listen, Pop, don't you forget you have a date with the kids on Dec. 15 at 8:30 o'clock at Archweber's Xmas party. It would still like to know what happened to the cards?

ANNUAL DANCE

Bro. Kraft is still looking for ads from some of you brother knights. As before mentioned, the dance will take place at Caunt ballroom, 2448 S. Pulaski Rd. Music by George Foster and his orchestra. Tickets 55c including tax.

As a member of Weber Council it is your rightful duty to give this annual dance your full cooperation. The least you can do is to take a couple of tickets and pay for them. What is more, make it your business to be at the dance.

Just in case you want more than two tickets, you can always see Bro. Anton Kraft, the chairman of the dance committee. Put you shoulder to the wheel and help make this the biggest dance up to date.

MEMBERSHIP

Some may think that Weber's drive for membership is closed, but it is not. The reason I say so is because Bro. John Mazer has informed me that there are 17 more new candidates since our last degree class. How about a little work on your part by getting at least one new member and help out Bro. John? Make this year the biggest in the history of Archbishop Weber Council.

BOWLING—Some day, some how, I'll get some late bowling news, but first I have to get hold of the bowling secretary.

Gallery Chooses Gill's Book

Webster Groves, Mo.—Eric Gill's Autobiography was voted the best book written by a Catholic in 1940 by the board of governors of the Gallery of Living Catholic Authors.

Remember, early — Monday evening— deadline for Dec. 26 and Jan. 3 Columbian issues!

De Soto Is Host Tonight to Large 3rd Degree Class

2-4 Friday.....Clark and Belmont

One of the largest classes in DeSoto Council history, with sixteen North Side Councils cooperating, will receive the Third Degree honors in our Council chambers this evening.

Membership Committee Chairman C. J. Strehlow has completed all arrangements for this event and promises all members a decidedly worthwhile spectacle.

Sponsors of DeSoto's own thirty candidates should personally accompany their candidates to the meeting, thus assuring their attendance. Every De Soto Second Degree member should make every effort to complete his journey into Knighthood at this meeting and thus make every DeSotoan a Third Degree member.

Every member who attended the last degree presented by our Council on Oct. 24 will, without a doubt, be present to witness another of DeSoto's grand presentations which have attracted city-wide attention. Let us duplicate the attendance of last meeting and assure another successful degree.

CARL STOEGBAUER CLASS

The "Carl Stoegbauer Class" was initiated into the First and Second Degrees of the Order on Dec. 4 at Father O'Connor Council. Those receiving the degrees were L. F. Apostolo, Charles McCarthy, Henry Gusenburger, John Schmidt, Philip Malinger.

Their sponsors Bros. Carl Stroegbauer, Dist. Dep. Frank Wohlleber and Geo. Weidman as well as G. K. E. P. Scanlon, C. J. Stehlow, R. A. Erbash, Michael Behles, Sr., P. N. Kandel, Harry Wehrheim and Al Bott were in attendance.

Chancellor Strehlow named Bro. Carl Stroegbauer, with four new members to his credit, vice-president, and Bro. Frank Wohlleber and Geo. Weldman members of DeSoto's exclusive "111" Club.

CHRISTMAS CHEER DRIVE

Bro. Wm. Glancey, chairman of the Christmas Cheer Committee, sends the following message to the members:

"As our Christmas Cheer Drive is drawing to a close we find that we have a long way to go to reach our quota. Since the beginning of this drive we have had a large attendance at our Council meetings, but there are, however, many of our members who find it impossible to join us on these occasions.

"We know that all the members on our roster receive the Columbian, the official organ of the Order, and so it is through this medium that we hope to contact those members who are unable to attend our Council meetings and who thus far have not responded to this charitable appeal.

"This drive is a time-honored annual custom established by our Order to open our hearts during the Christmas season, to do something for those underprivileged children of the orphanages, and the inmates in the home for the aged.

"Our donations are used to buy toys and candy for the little tots who are now looking forward and praying for the coming of old Santa Claus.

"De Soto Council has always considered this activity, of Christmas giving to the orphans, their greatest responsibility, and it is our opinion that every member of De Soto will be happy to participate at this time. Envelopes will be available at this evening's meeting."

COUNCIL ACTIVITY

Bro. Fred Gebhardt, chairman of the Fourth Degree Committee, suggests that all candidates for the next Fourth Degree to take place at the Palmer House on March 1st, contact him at the meeting this evening to sign their applications and make the necessary arrangements.

He will also be happy to accept payments on account of the initiation fee, should the candidates desire to take advantage of the new installment plan feature recently inaugurated.

THE OFFICERS of the Baldric and Sword Club met on Sunday afternoon, Nov. 31st, at the home of Bro. Charlie Pritzlaff and held the organization's annual caucus, which is conducted prior to the election of officers. The election will take place at the next meeting on Monday evening, Dec. 15th.

THE TRUSTEES of De Soto met on last Monday evening to examine the insurance records of the council. Every member has no doubt already received a statement, and the officers request that this matter be given your immediate attention so that the accounts may be brought up to date before the first of the year.

STATE BOWLING MEET

De Soto already has quite a large entry in the Illinois State Bowling Tournament to be held during the month of January at the Catholic Youth Organization Center, Congress and Wabash avenue. De Soto will bowl in the 5-man team event on Sunday afternoon, January 11th, at 2:00 p. m. The singles and doubles events will probably be run off on the following Sunday.

Incidentally, Bro. Harvey Dohm, president of the Bowling League, still has a few openings for bowlers and suggests that anyone interested in bowling with the council each Tuesday evening, contact him at this evening's meeting or at the alleys next Tuesday.

What is this rumor we hear about Bro. Harry Bauler following in his father's footsteps?

We see that P.G.K. Matt Seifert has joined old Santa Claus' crew of helpers and is assisting him in distributing his Christmas trees at Gregory and Ashland avenues.

Speaking of Christmas, that sly old gentleman with the long white beard will make his appearance at De Soto's annual Christmas party at the meeting of December 26th. Lecturer Irv Schultz promises a surprise in the way gifts will be presented to the lucky members that evening.

St. Anthony Appeals for Christmas Cheer to Unfortunate Tots

1-3 Thurs. . . . . 73rd and Grand

Once again it is December, and as the days of this month rapidly come and go we suddenly realize that Christmas is near at hand. About this time we receive a letter from the Chicago Chapter Christmas Cheer Committee inclosing a card to be returned to them with our quarter or half-dollar (or more if we can spare it) with which they will bring cheer and happiness to the hundreds of children who are confined to various institutions in and around Chicago.

If you wish to get a real thrill and to be instilled with genuine Christmas spirit, make arrangements to accompany this committee when it visits one of these institutions. The sight of these little tots, faces beaming with expectancy, changing to expressions of awe as they see some of the presents and the happy shouts of laughter when all have received them, is ample reward for all that you have done in the past and will tend to redouble your efforts in the future. Don't delay. Send your card in now.

Last Tuesday, December 2, Washington Council of Maywood sponsored a First and Second Degree as host to the councils of West Division No. 3. The meeting was well attended. They were very nice degrees, the lunch after the meeting was excellent and everyone enjoyed himself. Our congrats to Washington Council.

A Third Degree will be held next Sunday, December 14, at St. Phillip's gym, 3141 W. Jackson Blvd. at Kedzie Ave. We will have quite a few candidates in this degree, so all brothers should try and be present to give moral support.

We wish to announce that a Christmas party for the kiddies will be held Sunday, December 28. Time, place and other details will be given later.

We hear that Bros. Sam Palmere and Paul Kearney were blood donors at Oak Park Hospital last week.

We regret to report the death of Mrs. John Didier, Sr., who passed away last Wednesday after a lingering illness. Mr. and Mrs. Didier celebrated the golden anniversary of their marriage this year, a marriage that was blessed with fourteen children, all of whom are living.

One son, Nicholas, is now a member of our council; Joseph, a former Grand Knight of our council, now a member of Danville, Ill., and George, formerly our Fin. Sec., is now a member of Rockford, Ill., Council. We wish to extend our sincere sympathy to our brother knights and to the other members of the Didier family. May she rest in peace.

Vicar Delegate Visits Forces in Iceland

Flanagan, founder and director Boys Town, at a meeting of the olic Men of Mercer County here. e than 7,000 persons turned out to the famed speaker.

Americus Will Send Large Group Through Third Degree Sunday

2-4 Tues. . . . . 3350 W. Jackson Bl.

Together we stand. Now that the emergency faces us, we are sure that the Knights of Columbus will be, as they have always been in the past, in the front lines of the defense of our Country. No matter what their status may be, Soldier, Sailor, Defense Worker, Civilian Guard or just plain John Citizen, we know they will all do their best.

On Tuesday, December 2, the First and Second Degrees of our Order were conferred at Hughes Council in a very capable manner by the officers of that council and their District Deputy, Arthur Donoghue. Six candidates from Americus were among those honored, Rev. W. D. Walsh, O.S.M., John Colfer, Edward Gillespie, Dr. Richard Murphy, Patrick O'Bryan and William Schaefer. Our Grand Knight and Financial Secretary, along with Brothers Jay O'Rourke and Phil Koop, spent a pleasant evening and wish to thank Hughes Council for the wonderful hospitality.

The Third Degree will be conferred Sunday, December 14, in St. Philip Gym at 2:30 p. m. Candidates should be there at 1:45 p. m. As many Brothers as possible should be there to welcome our new Brothers. Remember, the first impression is the most lasting. There will be another major degree exemplified at St. Philips Wednesday, December 17, at 8:30 p. m., sponsored by other West Side Councils. Try and get up to that one too.

We know there were some new applications read at the last meeting. Keep going, boys, and we will be a cinch to make our "Quota." Don't forget, give a membership in our Order to that son, brother or friend of yours for Christmas. If he is already a member why not pay his initiation fee to the Fourth Degree? Our Chairman, Brother Al Horan, will gladly take the application.

As we write this our Worthy Lecturer P.G.K. Ned Kelly is still confined to his home but we hope that by the time he reads this he will be as good as new again.

BOWLING REPORT

Last week the O'Rourkes beat the Scotts three games and the Costellos lost two to the Corsos. Prexy Bill Costello had 212 for the high game and New Papa O'Rourke ran second with 202. The Old Col., Ed Alyward, had a good night with a total of 584 pins for the series. O'Rourke got 550 for second money. Keep up the good work, boys.

LAST WEEK we told you of a member who was acclaimed a hero back in 1910; we have the hero of 1941 now. Last Saturday your Scribe slowly rounded the corner of Kedzie and Jackson and there before his eyes an automobile suddenly burst into flames. We thought there would be nothing left by the time the Fire Department got there when out dashed our hero, bearing a fire extinguisher almost as big as himself and before you could say Angelo Bertillio the fire was out. If I thought he could keep me from burning as he did that auto I would surely leave word to have our worthy trustee and mortician, John O'Brien, take care of my bier when the time comes.

Our Financial Secretary, Jack Crawford, 5061 Congress St., informs us that he will be closing the books for the year soon and he hopes that all the Brothers will be in the paid up class by January 1.

Please do not forget to give a little to the Chicago Chapter Christmas Cheer. Help bring some joy to the little orphans and the helpless old people during the Yuletide Season.

Comes now the news that P.G.K. Jim McSweeney, Secretary of the Chicago Police Department has had another visit from the long legged bird; this time it is a boy. Mother and baby reported doing nicely.

One of our boys in the service, Private Jack Welsh, is home for what he hopes to be a fifteen-day furlough. Jack really looks good and says he feels wonderful. A letter from Frank Sattler tells of the fine work they are doing in his camp. Frank does not know as yet whether he will be home or in camp at Christmas time. We have not heard from the other boys as yet.

Remember this line in school: "Now is the time for all good men to come to the aid of their country." It still goes and we know all Knights will. G'bye now.

O'Connell Proud of Distinctive Work by Degree Team

2-4 Tues. . . . . 1016 N. Dearborn St.

Reported in last week's column were the names of twelve men whom we had voted eligible to take their first and second degrees. Last Thursday evening, however, we had only ten of the twelve men on hand to participate in one of the finest exemplifications of these two degrees I have ever seen. Father O'Connor Council sponsored the degree, which was staged at their regular meeting quarters at 4660 N. Kedzie ave. Participating, were representatives of De Soto, St. Cyr, St. Paul of the Cross, Daniel O'Connell, and of course, Father O'Connor Council candidates, some forty in number.

O'Connor's degree team officiated, with De Soto's choristers to combine their efforts for this splendid spectacle of our Order.

Tonight, Dec. 12, Daniel O'Connell has 51 men eligible to take the third degree at Belmont Hall, Clark st. and Belmont ave., by St. Cyr Council. This class will be known as the "McAuliff-Meier Class." We hope that every member will be on hand to witness the proceedings. The exemplification will begin at 8:30 sharp. All candidates should be there not later than 8:00 p. m. All sponsors should see to it that their candidate is there on time. I cannot stress the importance of each member's attendance at this affair too strongly. If we wish to impress the candidates, to make them feel that we are interested in them, to congratulate them upon their completion of entry into our Order, we should be there on time to let them know we are all glad to have them join our ranks. Their interest and enthusiasm would surely decrease and the council would be the loser. Let's be on hand 100 per cent to welcome these new men.

You have no doubt received your cards for the Christmas party by this time. Brother Jack Tantillo has asked me to tell you that he would appreciate an early reply to his inquiry. All you have to do is fill in the blank spaces on the card and return it, no postage required. The Christmas Party will be held at Foresters Hall, 1016 N. Dearborn St., on Sunday afternoon, Dec. 21. That is the Sunday before Christmas. Bring your wife and the kiddies.

The council seems to be in pretty fair health these days, and with the exception of a slight case of cold I have nothing to report.

Bro Frank Ranierrie's mother, from latest reports, is doing better than holding her own. This we are glad to hear, and we hope she will be able to attend the Christmas party.

Bro. Henry Meier, chairman of the Christmas Cheer Committee, is ready and willing to receive your contributions to this most worthy cause.

Your Fourth Degree Club is still a very going concern. They now have three paid up candidates and another three or four almost paid up. That's nice going on the part of Bro. McAuliff who relentlessly pursues his man each meeting night. Joseph C. (Santa Claus) will begin as agent for Kris Kringle in about ten days. He invites you to inspect any of his stands and guarantees you a tree at the lowest rates. Incidentally, trees will be more difficult to get this year, with priorities and all that sort of thing. Come early and avoid the rush.

De La Salle Ladies Vote Council Party Entertainment Tops

1-3 Tues. . . . . 1105 E. 47th St.

Ask the ladies if they enjoyed it! What they will say is enough to make those few of you who missed wish that you had attended De La Salle's party last Tuesday night. It was strictly a ladies' night, for only the better halves were allowed to claim the valuable gifts that were awarded. It was a "night in" for them with the men left "out." Of course, the boys enjoyed themselves but the concensus of feminine opinion indicated that they were having the best time. The chambers were full, as was the rest of the available space about the building, and finally serious consideration was given to hanging out the S. R. O. sign, which almost became necessary.

We don't have any figures as yet, but will have them at the next meeting to be held on Tuesday, December 16. If you missed it this time, make up your mind that when De La Salle plans a party, it means just that, and will spare no expense to make it just what you want. Now that the party is over we are looking forward to further social functions to be planned immediately after the New Year. So be on tap for the meetings and find out what's cookin'.

HONOR DEGREES

ATTENTION, all brothers who have been Knights for twenty-five years or more and who are over sixty-five years of age. Are you aware that you are entitled to the coveted honorary degree reserved only for those select few who have merited it. Yep, believe it or not, but it is true, and we want all our old pals to make it known to us that they have been with us for such a long and happy time, because we are only waiting with open arms to greet them and to confer this honor upon them.

It is a rare privilege to have this degree and if I were you, I would step right to the phone and immediately notify G.K. Emmett Markey at South Shore 4319 that I was one of the chosen and honored few who are allowed to be invited into that exclusive circle. It is a degree difficult to attain and honorable to possess, one which confers upon the holder the enviable dignity of being recognized as a faithful brother in an organization that upholds the Church and the honor of men.

Let me remind you once again that our next regular council meeting will be held on Tuesday, December 16, and that we expect another large attendance for this, the final meeting of the year 1941. Brother Alex McDonald was the fortunate one to take home the attendance gift last meeting. We're looking forward to having another well-attended meeting next Tuesday, when we formulate our plans for the social activities of the year 1942.

Ridge Chambers Filled as Successful Degree Ceremony Takes Place

1-3 Tues. . . . . 8219 S. Halsted St.

At our last meeting December 2, Ridge Council had a packed hall to witness the first and second degrees, at which Ridge played host to South Section No. 2. Fifteen candidates took their degrees and were thrilled by the oratory of the officers in charge, who were in splendid form, with such veterans as P.G.K. McGillen of Genoa, P.G.K. C. Mathis of St. Rita, Dr. C. J. Stroebel and Peter Wehle of St. James, D.D. Lowery of Joliet, G.K. Cox of Auburn Park, and our own "Speedy" McGlinn as the "I." (He was really in rare form.)

We extend our congratulations to William Driscoll of Ridge, also nine candidates from Auburn Park, two from Calumet, one from St. Rita, and two from McHale, and hope they will be faithful attendants at all future meetings of their respective councils. The music was ably furnished by St. Rita Council, with Joseph Holeska as organist, assisted by Theo. Kucharski, Frank Fedeler, Bruno Fracani, and Edward Kundrat, and Ridge Council wishes to thank these Brothers for their kind courtesy.

Some of the visitors and their delegations noted at the meeting were P.G.K. Driscoll of LaRabida, G.K. Harry Cox of Auburn Park, G.K. McGuire of Loyola-Hyde Park, G.K. Ted Leo of St. Rita, G.K. Ty Hyland of Calumet, D.G.K. Tommy Groark of St. James, and last but not least, our old friends from Joliet D.D. William Lowery and G.K. Frank Parker with a bus load of delegates. After the degrees, refreshments were served, old friendships renewed, and a fine time and example shown to new members. Thanks again to everyone who assisted in making this degree a fine success.

NOTES

Our next meeting Tuesday, December 16, will be Turkey Night and all are invited to attend and try their luck. Who can tell, maybe you will be lucky enough to take home a bird for Christmas dinner.

Don't forget the Christmas Cheer Fund. For a two-bit piece you can make some unfortunate youth or aged person happy at Yuletime and also make yourself happy for the giving.

Brother Bill Hagedorn came back from a two weeks' vacation in Florida, and Cuba, sporting a nice coat of tan, and I understand from good source that it was not a bar tan. Right, Bill?

On January 12, a night in honor of Joe McGreal, retiring president of the softball league, will be held at St. James Clubroom in the Hayes Hotel. All are invited to attend for a grand time.

(Mr. Scribe: Will you include your phone number, business and home, next week? We get so darn lonesome down here sometimes! We would like your phone and address though in case we have to contact you in a hurry. Thanks. —ED.)

Remember, early — Monday evening— deadline for Dec. 26 and Jan. 3 Columbian issues!

Fr. O'Connor Has Plans Completed for Yule Party

1-3 Thurs. . . . . 4660 N. Kedzie

A lot of people are going to be disappointed if you, Brother Knights of Fr. O'Connor Council, don't bring the little ones to our annual Christmas party. Our lecturer, Ed Zaleski, has gone to great lengths to provide a suitable party with Santa Claus, entertainment and gifts. And besides, your children will be disappointed if you don't take them.

What are you going to do New Year's Eve? Where would be a better place to spend it than right amongst your own at the Fr. O'Connor Council New Year's Eve party at Grose Park hall. Six dollars for everything, turkey, beer, set ups, and a crowd known by all of us. All you furnish is your private brand and the little lady.

Don't delay making your reservation. Call at once one of the following: Joe O'Brien, 4337 N. Whipple, Irving 3359; Bill Cunningham, 4241 N. Albany, Independence 1227, or Ed Zaleski, Superior 3840 or home, Sunnyside 1356.

Your reservation must be in before the 15th or your chances are slim of getting in.

BOWLING NEWS

The role of "Giant Killers" goes to the Joe Nolan Insurance team. They trimmed the league leading Cristo Printers three games. For the winners, Wilson 499, Dr. Macdonald 487, Doody 486, Doyle 483 and Joe Nolan was out selling insurance, we hope. Barney Speck was high for the Printers with 488, Art Bradford 473.

The role of "Little Giant Killers" belongs to the Furman Funeral team, who trimmed the top Navin's team in two games, Jack Raupp led the way with 499, Reinke had 488. For the losers, Tom Gaughan, a bit off form, shot 503, Cummings 500.

King Coals trimmed the Widtmann Meats three games. Bartosch showed the way with 542. Kotnaur, the first, had 494. Jack Keehan was the best of a poor lot with 431. The mystery is how George Loohs wound up bowling on alley two. And where did Larry O'Shea go?

When two dogs get together there is usually a battle and so it was with the two dogs of the league, the Alliance Life with Kamins, and the Shamrocks with nobody. The first game ended in a tie but was later retrieved by the Alliance bloodhounds. The second game went to the Insurance people and the third to the Shamrocks by three pins. When the smoke of the battle cleared away, the standings read Alliance won 14, lost 19. Shamrocks won 14, lost 19. So they have to do it all over again. Bechtold did some good work for the Insurance team with 590 and Kamins had 533.

Late news bulletin: Bill Sullivan has been promoted to the office of vice-president in charge of farm operations for the softball team.

Our bowling sponsor, Cristo Printers, is sponsored by Ed Droske, who owns and operates the Cristo Printing Co. at 3255 Irving Park Blvd.

Ed has been a member of the council for 18 years and has been bowling for 15 years with the north side league. His average this year is 182. Not bad, eh?

Perhaps some of you fellows will be in the market for Christmas or New Year cards, wedding invitations, business cards, etc., etc. Ed has a good line of printing and stationery. Give him a call and see the service, prices and quality that Ed will give you.

SCRIBE'S SCRIBBLINGS

What a meeting, what a degree and what a crowd. Forty members from our council and other north side councils went through the first and second degree last meeting. Much praise should go to our degree team who put it over in a splendid fashion. The members and their sponsors from our council were: Robert W. Besse, sponsored by Dick Navin; James A. and William C. Clark, sponsored by their father, William B. Clark; William J. Doyle and Walter J. Osinski, sponsored by J. P. Sheehan; George N. Fleischhauer, sponsored by Rev. Rausch, and Frank Sitzberger, credit going to yours truly via Bill Cooke.

Your membership chairman wishes to express his thanks to these sponsors and hopes that they will continue to the good work and to the new members we extend a hearty welcome and trust they will make every meeting. Word has come to us that Charles Noland, after an absence of three years, is back with the council and promises to be a regular attendant at the meetings. Nice going, Charles. Brother Jim Coleman is feeling better again after a long siege of illness.

Tex Williams, your scribe and membership chairman, doesn't sponsor a bowling team or do anything to warrant a commercial, but if you can't think of anything to get the girl friend or missus, maybe I can suggest something in jewelry. My address is 10 S. Wabash Ave. This information comes to you under the heading of "Brothers in Distress."—Eugene Peters, remember him, the fellow that drove his car off the road to save a cow? This time his car burned up within a mile of the same place, near Appleton, Wis. That guy has more bad luck with cars than the Japs are going to have with their navy.

St. Augustine's Yule Party to Begin After Meeting Next Monday

1-3 Mon. . . . . 5209 S. Justine St.

At this writing our Christmas Party is of course the item of most importance. As we told you last week, this annual party will be held this year after the meeting on Monday, December 15. Santa Claus will be there as usual to dispense appropriate gifts to all the members. The meeting will start promptly at 8:15 and will be finished as soon as possible so that the festivities can start early. Lecturer Henry Rieger will dispense refreshments after the meeting.

Last Wednesday the Heinen Morticians, paced by John Horan with 221-213-624, won two from the Ted Kloeckner Florals. Ed Conrad broke in his brand-new ball with a 329 series. Better get another one, Ed. Schabes again led the Florals with 206-533.

Mack Brothers swept their series from the Johnnie McCabes. John Kolmodin was high for the Movers with 510. Dan Burke led the losers with 509.

Bonthron Service increased their lead, winning two from the Dutchmen. Chris Thelen paced the Bonthrons with 253-572. A new high game, incidentally. Jake Leitzen was high for the Dutchmen with 537.

Puetz Markets won three from Schaefer Barbers due to the good work of John Ossowski with 208-558 and Al Laubuhn with 521. Charlie Subr led the Barbers with 529.

RETREAT

Don't forget the all-Polish retreat to be held at Mayslake on December 19, under the direction of Rev. Cyril Mitera. All lectures and services will be in Polish. Also, don't forget our council retreat to be held on January 16.

At the last meeting a letter was read to the members, which was addressed to P.G.K. Mike Heinen and the sender was Louis A. Catallier, P.G.K. of Cheyenne, Wyo., Council and also a Knight of St. Gregory. This gentleman, you will remember, was the one who so charitably befriended Brother John Ossowski when he and his party met with an accident near Cheyenne while on a hunting trip a few weeks ago.

Brother Catallier claimed that his act of charity was to be expected of any Catholic gentleman and more so from a Brother Knight. He promised in his letter that if he ever had an opportunity to visit Chicago, he would pay a visit to St. Augustine Council. He certainly may rest assured that he will be most welcome.

Just another reminder to all members who are behind in dues. Come up to the meeting Monday night and see Al Labuhn and get straightened out before the first of the year.

See you at the meeting.

Damen's 'Old Timers' Have Special Program Next Thursday Eve.

1-3 Thursdays . . . 6 N. Hamlin Ave.

The last meeting of the council, a real live spitfire affair, was without a doubt the most interesting held during the past few years. If this meeting was a tune-up for the "Old Timers' Night" to be held on next meeting evening, December 18, well then, brother, take my advice and don't fail to be among those present.

Lecturer George Reithal, Jr., reports that arrangements have been completed to make this affair one of memory. Special refreshments have been placed on order in addition to the plentiful supply of seasonal birds.

The Lecturer also wishes to extend his personal thanks to the following brothers for their able assistance in making our annual Cabaret Party a huge success: Robert McBride, John Lardner, Harold Prince, Thomas Cullen, William Sloan, James J. Crowley, Martin McGinnis, Thomas Reithal and G. K. John Caulfield.

CHRISTMAS CHEER

Brother James I. Feeney, our Christmas Cheer Chairman, reports business is picking up. Remember the time is short if you wish to share in bringing that needed Yuletime cheer to those who may have been counting the days since last year. If you have forgotten to take care of that annual donation, get in touch with Chairman James I. or his smiling secretary, James J., today.

MEMBERSHIP: The best way to "judge a pudding" is by taste. Well, Damen Council received a pleasant, tasteful pudding in the form of seven applications at the last meeting. We hope the recipe for this delicious dessert will not be misplaced, rather on the other hand, a second helping in the near future would be more than welcome. Do your part by contacting that prospect as soon as possible.

DAMENITE NEWS

Mrs. William Hopkins, wife of our recent past grand knight, who has been very ill for the past month, is reported on the mend. The council joins Brother Hopkins in his wish for a speedy and complete recovery.

Brother Sweeney is still confined to his home at 1720 Ruble Street due to a heart attack. Why not pay the brother a visit and help make his stay indoors a little more cheerful?

Brother Henry Foster, dean of Damen Trustees, who is enjoying the winter months under the cooling shade of Florida palms, reports "having a wonderful time." Knowing Brother Henry as we do, you can be assured those words were not of the rubber stamp variety. Why not include the name of Mr. and Mrs. Henry Foster on your Christmas mailing list? The address is 301½ Amelia Ave., Orlando, Florida.

Brother Parke Brown is still in the market for additional members to the "Blood Donors' Group." All that is necessary to join this worthy cause is to drop in any day at the "Oak Park Hospital," ask for Brother Dr. Foley and have a blood test made (free of charge). For further information, call Haymarket 4112.

THE MERRY MEN

The John J. Gormans won three games by a landslide from the McEnery Realtors and now lead the league by four games.

The McMahon Undertakers took two games from the Champion Brown Plumbers to advance to third place in the league standings.

The Cassidy Tires won three games from the Stack Typewriters to take over fourth place ownership. The second game was so closely contested, it required ten auditors to decide the winner.

The Reliable Credit won three games from the lowly Kelly Couplers despite the presence of Sponsor John Kelly in the rooting section.

Honor Roll Members: M. McGinnis, J. King, P. Brown, K. Phelan, H. Fossier, R. McJohn, T. McMahon and J. Crowley.

Call for Mr. Ripley—"Believe it or not," the Kelly Couplers, own all the high game, high series and individual high scores yet continue to be the supermen by holding up the rest of the league from the tail-end position.

The Merry Men are going to put their title at stake in the near future when they sponsor a special Saturday evening party. Watch for the date of this affair, it will be your chance to find out if the title of "Merry Men" is justly deserved.

Have you notified the Grand Knight or the Financial Secretary as to the correct mailing address of that Brother in service? Last call for that Christmas list. So-o-o-o, you better make that phone call today.

(Mr. Scribe, will you send us your business and home phone numbers next week so we can contact you when necessary? Thanks.—ED.)

Feehan's Christmas Party Will Be Staged at Midwest, Dec. 29

2 & 4 Tues. . . . . Hamlin & Madison

Don't forget Feehan's Annual Children's Party which is to be staged at the Midwest A. C. on Monday night, December 29. Each year Feehan fetes the children of its members with a gala party at which each child is presented with a bag of toys and is given a hand-out of his favorite food—cake and ice cream. Those who have attended this function in the past, look anxiously forward to it each Christmas Season, and we hate to contemplate what would be the result should it ever be necessary to discontinue it. The offspring would demand that you quit the council, no doubt.

The erudite lecturer of Feehan Council, Brother Earl Grondy, made his radio debut, we are informed on a recent "Shoot the Works" quiz program. His series of questions concerned the letters of the alphabet, and his was the task of naming the correct letter to fit the clues given. There was a vegetable (pea) and a beverage (tea), etc., until the $32 job came up. Here's where we can honestly wish that Brother Grondy had gotten the "bird." He missed though, and got the berry instead. The bird was "jay."

Brother Bob Wingfield, Chairman of the Membership Committee, asks that we remind you that the initiation of a goodly number of candidates last Tuesday, is the beginning, not the end of the drive. "Keep them flying, lads, right into Feehan."

Nazareth Appeals for Early Aid to Christmas Cheer

2 & 4 Tues. . 17 W. Harris, La Grange

Once again we make an appeal to the generous hearts of the men of Nazareth. The great principle of our order, Charity, has ever stood out luminously in the life of our council. An appeal for help has never gone unheard and we know this one will not either. This Christmas promises to be a better one for most of you than it has in the past few years. Let us not forget, however, that we still have among us many unfortunates, both young and old, to whom Christmas would not mean much were it not for the generosity of the thousands of knights in the Chicago jurisdiction.

The Christmas Cheer Fund of the Chicago Chapter has always done wonderful work in this connection. This year, as in the past, this fund will again be in operation, provided you are willing to do your little bit. A little bit from each one of us would mount up to quite a sum. You will give, won't you? Do it without fail, please.

Brother Bessler will be only too happy to receive your money for this purpose. Anything from twenty-five cents up will be acceptable, but do it now; the time is short.

We recently listened to one of the Quiz Kids broadcasts and much to our surprise we heard the announcement that our own P.G.K. Buckley would be on the program. No, dear readers, he was not competing with those mental wizards. He was making an appeal on behalf of the sale of Christmas seals. It is remarkable how a man as busy as he is, can constantly find time to devote to these charitable works, and he is to be commended for it.

CHRISTMAS PARTY

The next big item to remember for future meetings is the Christmas party for the youngsters, which will be held Dec. 23. This has always been one of the highlights of our winter programs and lecturer Lester promises that this one will be outstanding. Old Santa Claus himself will be there to meet the kids and distribute his gifts.

In addition to this we will have entertainment in the form of a magician and others to keep the youngsters busy all evening, so bring them on. Remember, however, our lecturer has asked that you bring only those youngsters who still have faith in that jolly old soul. Please do not bring grown up boys and girls as you only deprive some youngster of fun by so doing.

OUR CONGRATULATIONS go to the brothers of St. Francis Xavier Parish in La Grange for the wonderful work they did in the promotion of the Mt. Vernon House. The lucky man who got the home was Mr. Dave Gleich of 1639 Touhy Ave., Chicago. In addition, ten others were made happy by receiving a twenty-five-dollar defense bond.

PIN POINTS

In the state bowling tournament which opens next month the west end has entered the following: three doubles, three five-men teams, seven singles and others. Looks like they are really going in for it this time. Last Monday night the Elms took three from the Lukes. The Universals also kept up their winning ways by taking three from the McGoughs. The News Boys took two from the Fairviews and the Triangles did the same to the Leo's Chickens. Lindy's Boosters also took two from the Watkins. With these results we find the league still in a tangle. The Elms and the Universals are still tangled for first place, the Triangles and Fairviews are tied for second, followed by the Lukes and News, respectively.

In a dogfight for last place are four teams, Leos, Watkins, McGough, Lindys. Standings to date: Elms won 26, lost 7; Universals won 26, lost 7; Triangles won 18, lost 15; Fairviews won 18, lost 15; Lukes won 15, lost 18; News Agency won 14, lost 19; Leos, Watkins, McGoughs and Lindys won 12, lost 21 each.

Now comes a challenge. Washington Council please take note. Nazareth hereby challenges you to a home contest for money, marbles or chalk or other things. How about it, Ryan, take us up on it?

Ouilmette Has Santa Dated Up for Party On Sunday, Dec. 21

2-4 Mon. . . . . 1215 Wilmette Ave.

The Christmas Party Committee expects to see a large representation of future members at their annual celebration on December 21, 2:30 p. m., at our regular meeting hall. If you expect to bring your children please do not forget to fill out the card which was enclosed with your last meeting notice and mail it promptly. The youngsters always get a thrill out of hearing Santa Claus read their names at the party and we wouldn't want anyone to be disappointed.

The next regular meeting, scheduled for December 21, has been cancelled because of the holidays. The meeting for the second Monday in January will be held as usual.

Watch your announcements from the Worthy Recorder regarding a New Year's Party planned for some time shortly after New Year's.

The Membership Committee, headed by D.G.K. Nic Miller, Jr., announces that all members who have not as yet received their Third Degrees should be ready to attend the exemplification of the degree at Belmont Hall on December 12.

G. K. George E. White advises all members who have brothers or sons in the service, to send their names and addresses to him immediately so that the council will be able to forward its token of appreciation in time to reach them before Christmas. To date thirteen names have been received.

Here's a flash that will make all you pinochle players gasp: It has been reported from a very reliable source that Bro. Harry Sieren was dealt an 1800 hand while playing with Bro. Joe Lynam recently. The hand was made up of a double run in clubs and double pinochle. "It happens once in a lifetime."

If you would like to see this hand, just stop in for a visit with Bro. Lynam at his place of business on Sharp Corners and he will be glad to show it to you.

Comment: It sure is strange how a fellow can go along sending in contributions for eighteen weeks without a bit of help from anyone (by way of news) and then miss two weeks in a row and immediately hear from everyone.

Marquette in Tribute to Deceased Members at Thursday's Meeting

1-3 Thursday.....1928 Devon Av.

Frank McGillon, a Past Grand Knight and silver-tongued orator from Genoa Council will be the principal speaker of the evening. Please make arrangements to be present as a large attendance should be on hand for this solemn exercise. Lecturer Henricks says his department will cooperate for the next meeting by handling the refreshments.

CHRISTMAS CHEER—The Christmas Cheer campaign is now on and when you receive your letters please make your donation and forward same right back to the office of the Chicago Chapter. Remember, it is the desire of the Chapter to raise sufficient funds whereby a gift for every institutionalized child or old person in the city may be realized.

FOURTH DEGREE — Marquette's Fourth Degree Chairman, Bro. Joseph H. Meyer, is working hard for candidates for the Fourth Degree class for March 1. Any one who has been a member for two years is eligible. Please see Bro. Meyer, the chairman, at Thursday's meeting and he will have an application for you.

COUNCIL NEWS

Our popular District Deputy, Henry Phoenix, dropped in at our last meeting and was unanimously welcomed by all—the Council voted a contribution to Fr. Flanagan of Boys Town at last meeting. Herbert Hesse, son of our Grand Knight, and Miss Eileen Rose Runkle will be united in holy matrimony on Saturday, Dec. 27, in Queen of Angels Church. Our trustees are to audit our books next Wednesday night. Frank Wilhelm and wife look nice in their new 1942 car. The transfer application of Ald. James R. Quinn was voted on and accepted at our last meeting. We welcome this popular public official to our Council.

Bro. John W. Mahoney has been a patient at St. Joseph's Hospital for the past two months. He received a transfusion from one of our members last Saturday. In addition to Bro. Mahoney, Bros. John Hyland, Hugh O'Hara and Walter Simon are on the sick list. Please pay them a visit. We are much in accord with the spirit of unison shown in our country. Every one should pledge his full aid and support to Uncle Sam. Sunday is Holy Name Sunday. Please attend to your spiritual welfare in your respective parishes. (Mr. Scribe, after all these years, can we have your phone number (business and home) so that we can contact you if necessary?—Ed.)

Tonti's Christmas Cheer Party Given Generous Response

1-3 Thurs. . . . . 4221 Irving Park. Blvd.

Last Thursday evening, December 4, Tonti members and their friends opened their hearts and purses to bring Christmas Cheer to the orphans, the aged, the crippled and blind, and the many others confined to Catholic institutions throughout Cook county. D. D. Charles Ruzkowski, chairman of the Christmas Cheer, is most grateful to the ladies, bless their hearts, for their generous response to his appeal for cakes; to Bro. Thomas Heaney, for his donation of a gorgeous basket of fruit; to Bro. Joseph Sears, for his donation of a delectable salami; and to all, who in any way, contributed, either by their services or participation in the games, which combined efforts resulted in such a tremendous success.

G. K. Lou Buettner played his usual role of perfect host. It was a pleasure to entertain among our guests, the grand knight of Weber Council, Joseph Nowakówski, and his charming wife, as also John Mazur, that energetic chairman of membership of Weber Council, with his wife, and another guest, whose name we are sorry we did not get. We especially commend these visitors, who traveled so far, at the invitation of their district deputy. Those Tonti members who were unable to attend, may still contribute their quotas to the financial secretary.

As you have played Santa at the Christmas Cheer party, now the council is ready to reciprocate; i. e., playing Santa to its own members. If you want to see what the bewhiskered gent has in his bag for you this year, it is absolutely essential for you to attend the next meeting, Thursday, December 18. The lecturer has served notice that this rule will be strictly adhered to. Therefore, NO PRESENCE, NO PRESENT.

MEMBERSHIP

A lively membership campaign is being launched to reach every Catholic man within our scope. If we all cooperate with our membership chairman, Bro. Jos. Spekowski, in this active campaign, our efforts will be rewarded with new life and blood for our council, which is so necessary to the progressiveness of any council. We must strive to increase our membership and to further advance the interest of those who already belong to Tonti Council.

TONTI PRE-LENTEN DANCE. Have you dated up that sweetheart of yours for the big dance? January 17, 1942, is the date. The place is Gross Park hall, 2123 N. Roscoe St. Among your good resolutions, let's resolve that Tonti's first big event of the New Year MUST be a grand success.

SO I HEAR: The Gene Raiths adopted an orphan on Saturday, December 6, and will call it "Nicky." The doctor who examined it stated that it was about 4 months old, and already has some temporary and permanent teeth. "Nicky" is brown all over, but there is some uncertainty about his breed. Whether he'll turn out to be a cocker spaniel or a collie shepherd remains to be seen, or maybe he'll be a little of each.

Bro. Frank Tomczak, who had recently been confined to the Passavent Hospital, is now recuperating in southern California. The council extends a message of cheer, and wishes of a speedy recovery.

The wife of our medical examiner, Mrs. Phelan, is reported seriously ill. We wish her a speedy and complete recovery.

BOWLING

Glancing over the scores of December 2, it's evident that the pep talk Sponsor Joseph Wiedemann gave the captain of his team, proved an effective one. The Wiedemann Insurance team trimmed the Lambrecht Jewelers three games. The Mayfair Liquors, with their captain, G. Thomas, rolling a series of 632, twice defeated the league leading Lemanski Service Stations, notwithstanding Ed Ciessau's 662 series, which is the new high for the season.

The Spencer Coals took two games from the Mayer Tailors, while the Roy Tap Rooms won three from the Bob Trailer Service, due greatly to Frank Miller's 610 series. Other double century bowlers of the evening were: L. Buettner, 200; J. Tanavish, 200; H. LeBeau, 213; Grabowski, 203; H. Scheffler, 204; Wm. Ginsley, 213; Deuerling, 208, 207, and Lester Jankowski, 200. It is also reported that Stanley Banas has developed the knack of picking up a 4-7-10 spare, with rare finesse.

The league standing:

	W.	L.
Lemanski Service Stations	26	13
Mayfair Liquors	23	16
Bob's Trailer Service	22	17
Lambrecht Jewelers	21	18
Roy's Tap Rooms	20	19
Mayer Tailors	17	22
Wiedemann Insurance	14	25
Spencer Coals	14	25

Today, we present the Roy Tap Rooms: Geo. Schordje, Capt., Frank Miller, Barney Benson, Thos. Berk and Les. Jankowski. The sponsor is Bro. Roy Brewer, who has been a perennial sponsor for the past several years, and a loyal supporter of council activities. Mrs. Brewer, previous to an auto accident, was a staunch rooter usually accompanied by several friends, joyously ringing her galway bell after each strike or intricate play on the part of her favorite team. The Roy tap room is located at the corner of Keeler and Irving Park Blvd., where many of the boys meet before coming up to the meeting chambers.

BOOST TONTI'S DANCE, JANUARY 17, 1942.

Blue Island Has Splendid Turnout for 'Yanks' Dance

The Council is indeed very proud of the turnout last Friday nite at the Dance for Cigarettes for Yanks. The thanks of the Officers of Blue Island Council are here expressed through this medium.

Grand Knight Hansen and his capable staff deserve a vote of thanks for their splendid program and results of last week. To the Mayor, the Legion Post No. 50, Mrs. Dalton, Mrs. Bowman, the Jolly Jansens and to any one and all who aided to put across the dance we say again and again, thanks.

The admission is 9 cents.

Brother Bill Creighton, P.G.K., Commander of the Legion of B. I., "Boss" of the East Side and the anchor man on the Landgraf's team, received a letter from Bro. Steve Gura of the Armed Forces last week in which Steve wishes to be remembered to all and sends his thanks for the Columbian and the relief of worrying about dues and assessments....Okay, fella. At our last meeting Bro. Cigneri of Newman Council was a visitor....Come again, Brother. Brother Dick Walsh says hello to all....Thanks to Brother Rich Bentson for his very generous loan of his auto. Bring a friend.

The Sick Committee made the following report at the last meeting: Brother Charles Hawker is getting along nicely after a long siege. Bro. Bob Harmon would like a little company now and then. Father Pensabene sends his hello to Blue Island members....Brother Al. Belanger is much improved after a spell at home with a severe cold.

We are very sorry to report the death of the father of Bro. John J. Shannon. The council extends its sympathy and condolences to the bereaved family. May his soul rest in peace.

BOWLERS

The bowlers are keeping up with the fast pace set by the league at the outset of the season. The Haas Taverns took three games from the Hallinan team with Zamaituk turning in a nice 587 total against Pajak 514 for the losers. J. Gabay led the Gerdes team to a 2 game victory over the Einhorn Beverage Five with 529 while Krick garnered a 533 series for the winners. The Landgraf boys took the Hickey Keglers for two games despite the efforts of Al LaRotonda with a 243 game and turning in a 501 series. The "Old Man" of the League, Creighton, led the victors to the win column with a 470 series. The upset of the evening came with the three-game defeat of the Marks team by the Martin squad. Chavanec turned in a 529 card for the Clothiers while C. Komada gathered together a 503 for his night's work.

Hi-Lites of the Bowling Nite: For the third time in three weeks the efforts of Bowler Dan Boyd to carry his team to the win side of the ledger bore no fruits. Except the berry. Total pins for the boy don't even make his weight. Al LaRotonda had a 243 then came back with 104, ...Zamaituk had his usual good nite with a 587 series. Nice bowling we call it. The league is giving away a nice set for Xmas—ball and shoes. Just take a look at that book any of the bowlers have.

St. Rita Expects a Capacity House at 'Mortgage Dance'

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Tomorrow night is the night!

How would you like an evening of pleasure in your own neighborhood, with no loop prices, free parking facilities, and NO long ride home after the ball is over?

That is the question posed by Chairman Harold Hilbert in his invitation, mailed to all members this week, urging them to attend the Home Association's "Mortgage Party" to be held tomorrow night in Flynn's hall, 3236 W. 63rd St. Well, we're going out on the limb and answer for the entire membership:

"Of course, we would and will like it."

Disregarding the issue of an entertaining evening, we are willing to wager on a capacity house for the simple reason that this is Your council, Your party, and the proceeds are for Your benefit. Remember that the purpose of the affair is to raise funds to lift the mortgage from atop our old homestead.

Chairman Hilbert and his committee; the trustees of the Home Association, Jack Bracken, Ten Rainecke and John Vonch, and our officers, headed by G. K. Ted Lee, have all done their part—the rest is up to you. If you have not already made plans to attend, do so immediately. The price of admission is only 55 cents per person.

Chairman Hilbert informed us early this week that, from all indications, the ad and program list would total over $800. Many members have done yeoman work on the list, turning in ads and patrons totaling around $100. Next week we will publish a detailed report of their efforts, but off-hand we know that the following deserve a free poke at the cash register: Joe Gallagher, Jack Devlin, Ted Lee, George Kucharski, Pete Salvatori and Jack Kelly.

Don't forget tomorrow night at Flynn's hall, 3236 W. 63rd St.

THIRD DEGREE

Sixty-one candidates, including ten from our council, were inducted into the Third Degree at exemplification ceremonies sponsored by St. Rita Council in Father Perez clubhouse at 67th and May Sts., last Friday night.

Nearly 200 members, among them some ten to fifteen dignitaries from St. Rita, Archbishop McHale, Auburn Park, Calumet, Genoa, Perez, Ridge and St. James Councils, witnessed the degree. As usual the degree team was in good form, led by the two veterans, District Deputy McKeone and the famous "C. G." George Howlett.

Among the officers from our council who took part in the degree were G. K. Lee, Drs. S. C. Kehl and James Foley, Chancellor Howard F. Jeffers, D. G. K. John McGowan, Recorder John Devlin, Treasurer Frank Holek, Warden Joe Clerkin, and Financial Secretary Joseph Shanahan.

Later some of the brothers did even better tending bar and serving sandwiches. Among them were Ed Lain, Ray Bernoski, Pete Salvatori, Connie O'Sullivan, John Bernoski, Herman Kurent, John Robinson and others.

The candidates inducted from St. Rita were William J. Bauer, Jr., 7308 S. Woodlawn Ave.; Ted J. Beaver, 6141 S. Artesian Ave.; Arthur A. Bleau, 6131 S. Campbell Ave.; Thomas F. Byrne, Jr., 2747 W. 63rd St.; John N. Flynn, 6230 S. Artesian Ave.; Thomas J. Leonard, Jr., 5621 S. Mozart St.; James B. Sheridan, 6703 S. Laflin St.; Joseph N. Thompson, 7030 S. Maplewood Ave.; Joseph T. Trudeau, 5948 S. Albany Ave., and John P. Quinn, 6104 S. Talman Ave.

We urge all of these new third degree members to become active members of St. Rita by taking part in our affairs and attending our meetings, which, incidentally, are held the first and third Thursday of every month. (The latter note being also for the benefit of some brothers who evidentally are not aware of the dates.)

THINGUMBOBS

Bowling was cancelled last Friday because of the third degree. We had the best intentions in the world of listing the standings to date at this time, but, as you have probably heard, we encountered a little trouble in the Pacific and thus your scrivener never quite got around to obtaining the necessary information from Bowling Secretary John Lehner. . . . Remember the Christmas Cheer fund. Doc. Hoffman will be seeing you on the matter any day now. . . . We journeyed to Springfield last week-end and while there spent several enjoyable hours in the K. of C. headquarters there. And we must admit they have an enviable layout—bowling alleys, pool tables, card room, lounge, bar, restaurant, and whatnot. . . . Personal to Ted Lee and Howard Jeffers: For the life of us we can't locate the two notes you gave to us last Friday. Sorry.

ST. RITA WILL SPONSOR "MORTGAGE DANCE" SAT.

A new wrinkle in party entertainment will be unfolded tomorrow evening, Saturday, December 13, when St. Rita Council stages its "Mortgage Dance" at Flynn's Hall, 3236 West 63rd street.

Proceeds of the party are to be used to complete payments on the council clubhouse. Harold Hilbert, chairman of the affair, has prepared an unusually fine entertainment program and hopes to present this attraction to a capacity house.

Admission to the dance is at fifty-five cents a person. Low prices, free parking and a lot of entertainment are headlined as among the party features.

Ketteler to Hold Communion Service at Blessed Agnes

2-4 Mon. . . . . 3437 Ogden Ave.

At the meeting of December 8 the following candidates received the First and Second Degrees: Rev. Leo G. Rechsteiner, O.S.B.; Chester J. Losh, Anthony Odrowski, Matthew Wasiak, Myles Bulat, Chester Wachala, Raymond A. Starzyk and Myles Kaczmarzyk.

Frank Grazavick received the Second Degree and Edward Holland took the degrees by observation. Our officers who participated in the degree work are to be complimented for the high manner of their work.

Twenty-four brothers were rewarded for attending the meeting by receiving baskets of groceries.

COMMUNION SUNDAY

On Sunday, December 21, Bishop Ketteler Council will receive Holy Communion at Blessed Agnes Church, 27th St. and Central Park Ave., at 7 o'clock Mass. Following the Mass breakfast will be served in the Parish Hall and a short meeting will be held.

At this meeting every brother present will receive a very handsome Christmas present. In order to receive this present the member must be present. The meeting scheduled for Monday, Dec. 22, will not be held then but will be held after the Mass on Dec. 21.

ACTIVITIES

President of the Fourth Degree Club, Thomas Bogan, has announced that the Christmas Party of the L G A Club will be held next Monday, December 15, at Lawndale Hall. Every qualified Fourth Degree member who attends will receive a gift.

If you intend to attend the Polish Retreat at Mayslake beginning December 19, 'phone Father Oliver of the St. Francis Layman's Retreat at St. Peter's Church, Harrison 2110.

The Ladies' Auxiliary of Bishop Ketteler Council is asking the wives, sisters and mothers of brothers to join their organization. More information on their meetings will be published later.

Bro. Ray Schaber is still active in his work of Christmas Cheer. Time is getting short, so the next time you see Ray give it a thought. Everyone's half or quarter will make a tidy little sum.

Former Recorder Joe Kozak attended last meeting. Joe has been working nights for quite a spell and has been quite a stranger in our council chambers. We're glad to see you around, Joe.

Bro. and Mrs. Walter Slaski celebrated their twenty-third wedding anniversary recently. We extend our sincere congratulations.

Bro. Mooney Wenckowski is going to get himself whittled down to size one of these days. It's not too serious—only his tonsils are to be removed.

Rumor has reached the Scribe that Bro. Walter Mackiewicz is to be honored by a luncheon this Friday for thirty-five years' service at the Western Electric Company. Congratulations, Walter.

Remember, early — Monday evening—deadline for Dec. 26 and Jan. 3 Columbian issues!

Englewood's Semi-Annual Communion Had Good Turnout

2-4 Mon. . . . . 150 W. 69th St.

Ye scribe regrets very much having failed to make this column last week, but due to illness it was impossible. Even though it is a week late, I am sure a few lines about the Council's Semi-Annual Communion of Nov. 30 at St. Bernard's Church are still in order. We had a fair turnout, not quite as many as the previous occasion, but a number of faces appeared on the scene, such as Dr. McGonagle, Jos. J. Twomey, John A. Long, Walter A. Schaefer, Chris Hanna, W. Walter Fox, Anthony G. Wirtz, Fred T. Smith, Jack Melsheimer, Al Jann and a number of others whose names do not readily come to mind. The breakfast, served by the good ladies of the McHale Englewood Court, headed by Mrs. O'Leary, and provided for by the old reliable, "Brothers, we is broke" Treasurer Adolph Minster was as usual a huge success.

Our Chaplain, Rev. Father Geheb, made a special trip from St. Ignatius Parish to be in attendance and delivered a forceful plea for a display of enthusiasm on the part of all present in regard to council activities as well as urging the rank and file to make an effort to attend at least one meeting a month. Bro. Chas. P. Megan, gave a very interesting discourse on the importance of Catholics familiarizing themselves with the lives of the Saints, and dwelled at length on the life of St. Bernard. Bro. Megan seldom misses our Communion Sundays and the regular attendants look forward to hearing from him on each and every occasion. The acting grand knight, Harry L. Delaplane, conducted the program and also urged the members to take a keener interest in Englewood Council.

Last night the attendance was of the usual number and those present were again rewarded by hearing our chaplain's explanation of the Feast of the Immaculate Conception, connecting with it the fact that our country had declared war on Japan. It may be news to you to know that the Blessed Virgin, in the spirit of the Immaculate Conception is the patron saint of these United State. Bro. Loughnane, P.G.K. gave a short discourse on the life of James Longstreet, Confederate General during the Civil War, who later became a convert tothe Catholic faith, and received several important government assignments at the request of General Grant of the Union Army.

TURKEY NIGHT

On Dec. 22, our next meeting night, Lecturer John Lyons will provide some choice turkeys for the members. Mark down the date and do not fail to be present or you might be sorry.

SICK LIST—Our G. K. Dick Phillips is still at home, 7816 S. Morgan St., and will welcome and appreciate a visit from any brother. P.G.K. Ray Budinger is out again after a two weeks confinement. Bro. Fred J. Wall, 417 W. 79th St., who has been abed for night on to ten months, will also appreciate some callers. Bro. Adolph Minster, our popular treasurer, is again confined to his home, a very sick man. Visitors are not allowed for the present, but a little prayer for him and all our other sick brothers would be a nice gesture on our brothers part.

IN MEMORIAM: Michael W. Cagney, past grand knight, Dec. 5, 1926. Chris H. Melsheimer, past recorder, Dec. 8, 1920.

SPECIALS—Bro. Jos Smith whose work interferes with his attending meetings regularly dropped in last meeting—a little tardy, but nevertheless, it was good to see him.

John Long, Jim Clark, P.G.K. Chas. J. O'Brien, and Hank Kohlmann, were there at the start of the meeting, but must have had another important date, because all left just about the time the meeting got under way.

St. James Council, 4th Degree Club, invites us to their New Year's Eve Jamboree at Hotel Hayes. For reservations call Tom Groark, Wabash 0460.

McHale's Members Get 'Typed' for Donor Unit Tues.

1-3 Tues. . . . . 150 W. 69th St.

Just one more meeting in this year of 1941 that will be next Tuesday, December 16. You don't want to miss at either because our good friend, Lecturer Leo Wemple will give away a flock of turkeys and then he is going to serve some stuff in the front hall that will enable you to drown your sorrow caused by not getting a turkey.

I think I will be first in line for some of that sorrow drowning stuff because who ever heard of me getting a turk at any of our meetings.

The most important feature of the meeting however, will not be turkeys or refreshments; it will be something that really is worth while for the meeting is going to be blood donor night.

After the regular meeting a few nurses from St. Bernard's Hospital will "type" all members present who are willing to be "typed" so that our blood donor committee will have a respectable representation of blood donors in our council which can be called upon for blood transfusions when the call comes.

This blood donor activity of the Knights of Columbus is a very important and worthy work. Through it many lives have been saved and each of us should be willing to co-operate by being "typed" for we never can tell when we will be in need of a transfusion to save us. So—please come to the meeting and be willing to co-operate with your blood donor committee.

LAST MEETING

Was a week ago, Tuesday, and was held in two parts. That is, the first part was the regular meeting which was very interesting because of the important business transacted. The second part was an open meeting which was attended by non-members of the Order as well as visiting delegations from other councils who were there to pay their respects to G. K. Tom Mulroy.

Space does not permit printing the names of guests present, but the following councils were represented: Auburn Park, Fort Dearborn, St. James, Father Perez, St. Rita, La Rabida and Loyola-Hyde Park.

Our old friend, Father Harold Kenny of Englewood Council, was present and gave a very interesting talk about the work that he and others are doing at the U. S. O. Club for the men in military service.

After the conclusion of the program, Lecturer Leo Wemple invited everyone into the front hall where he and his assistants served the refreshments.

Our D. D. Ed. Molyneux also was very busy helping the boys with the refreshments as he was doing everything he could to help serve the cheese.

HERE AND THERE: As reported in our notes of last week, Bro. Frank Cain who attended our meeting on November 8, became seriously ill a few days later and was taken to St. Bernard's Hospital. A week later his condition grew worse and he required a blood transfusion so a request was made to our blood donor committee and our treasurer, Chas. Vooding, was the one who was called upon to give the transfusion, which he did. . . Bro. Dave Hennessy has returned from a three weeks' stay in sunny California looking in the pink of condition. . . Bro. Frank Cramsie who has been so busy for the past year attended the last meeting. . . Wish our D. G. K. Tom Garvin wouldn't carry empty boxes in his overcoat. . . Sorry to have caused a little wonderment in the home of our Sec. Ed. McGuire. . . Have you noticed our Worthy Chaplain Rev. James Quirk has not missed a meeting since joining the council? . . . Haven't heard from Private Bro. Ott Collins lately, wonder how he and the General are getting along. . . Don't forget your Christmas Cheer donation. . . One of our greatest basketball players of the good old days, Bro. Nick Kearns has completely recovered from his illness of a few years ago and is again active as a basketball official of the Big Nine Conference. Congratulations, Nick, glad to see you back in the job. . . Frankie Gustine, star second baseman of the Pittsburgh baseball club, will take his first and second degree at Madonna's Clubhouse on Friday, Dec. 12, his third at Leo's Clubhouse Sunday afternoon, Dec. 14th. Let's give Frankie a big welcome into McHale. We hope to have him at our next regular meeting.

La Mantia has gained nation-wide distinction in the produce field and has won the praise of all who know him. These are the boys that donate those delicious oranges at our spring Communion breakfast. On this team are those two swell fellows, Pete and Doc Fazio. That is all for now, see you next week.

McHale's "Mulroy" Night

Illinois Has Annual Christmas Meet All Set for Monday Night

1-3 Mon. . . . . 64 E. Lake St.

The next meeting of your council will be Monday, December 15, at 64 East Lake St., De Paul Building. It will be a Christmas meeting and we learn that suitable gifts will be given to attending members as an evidence of the joy which we all feel as the Christmas season draws closer. It will also be an evidence on our part that each and every member who can, may attend to show to our officers and members that we too are not unmindful of the tie that binds.

We don't know whether to blame the editor of The Columbian or to take the blame ourselves for the failure to have our article of last week printed. Perhaps we had better accept the blame and say that we should have come in one hour earlier. Although we have had our copy accepted and published when we got to The Columbian office a little later than we were last week. (They even have "it's on account of the defense program" as a reason for no more late copy at the printers, Dan. Sorry too, it was a good column.—ED.)

Celebration in connection with the 44th anniversary of the Council will be in the month of January. The Grand Knight has selected a chairman whose name we will release next week.

The last meeting of the Chicago Chapter, Wednesday, December 3, was a rather interesting one. From it we learned the wisdom of the saying "Eternal vigilance is the price of liberty." It also reminded us of the statement made by a United States Admiral on the launching of a new destroyer when he said to the assembled crew "The safety of his ship and of each member thereon depends on whether each man is in his place where he belongs and doing his full duty." And so, we say to the Grand Knights and elected Delegates of the Chicago Chapter "always be in your places and do your full duty and the order will be much more prosperous."

ILLINOIS NOTES

Brother Joe Barry, traveling secretary of the Chicago White Sox, has returned from the annual meeting in Jacksonville, Florida but has not been able to report any trades for our White Sox. He is, at the present time, busy at the annual meeting of the associated baseball leagues. Let us hope that he and his co-officers of the Sox will be able to strengthen the South Side team and put it in the fight for the pennant in 1942.

Now a word about our brothers who are still confined to their homes in so far as your scribe has information.

Brother John T. Gegan, 519 North Leamington Ave., is able to receive visitors; so also is Phil Sharkey. Dr. McGregor continues to be about the same. He will be very glad to talk with you in his home at 5350 Jackson Blvd. Doctor has been very stoical in his long continued and serious illness and deserves a hand and a word of cheer from each one of us. We regret that Arthur R. Martin, Sr., continues to be a very sick man and is, as yet, not able to receive visitors.

Carl Denhard, father of our outside guard, Harold Denhard, died last week at his home in Decatur, Ill., and was buried in the family lot in that city. To Harold and the surviving members of the family we tender our sympathy in the loss sustained.

Death indeed is no respecter of persons; hence, let's smile a great deal and laugh considerably. Both of these will be made easier for you if you attend more meetings of Illinois Council.

Pinta Anticipates a Large Attendance for Memorial Meet Thurs.

1-3 Thurs. . . . . St. Mary's, Riverdale

Though we may be a little tardy with our Memorial Services, we are still within an appropriate season. Having had only one meeting in November because of Thanksgiving and because the Lions Club Fiesta last week-end cancelled our previous scheduled services of Dec. 4, they will be held on Dec. 18.

It is our duty to pay tribute to the memory of our departed brothers. Many of our close friends and associates are among those who have gone before us to the great beyond. It is the one way we can show our appreciation for their life's work. Also bear in mind that we, too, shall some day follow them and expect the same remembrance.

The solemnity of the evening will do more than unite our hearts and minds with our departed Brothers. It will also bring to us a realization of our dependence upon Almighty God. For in these troubled times, our united prayers will insure our preservation.

PINTA PATTER

The twin cities of Riverdale and Dolton are planning to observe their Silver Jubilee of Incorporation some time next summer. As we will be asked to take some part in these observances, it would be much to our advantage to make it a prominent one. One that would leave an impression by which we could induce membership in our council for the future.

Bro. Al Schuman has been convalescing at home for the past few weeks. Stop in, Brothers, and pay a short visit. He will be glad to see you.

The final deadline for those fluorescent lamp books is Dec. 15.

Don't forget Dec. 18—Memorial Night!

University Plans Santa's Arrival for December 21

2-4 Tues.....St. Ignatius Auditorium

Don't let last week's headline fool you—the Christmas party will be held on Sunday, Dec. 21, and not on the 31st (when the grownups will be out preparing for the New Year). "Santa Claus" O'Connor's beautiful announcement, now in the hands of all members, gives all the details. Santa's helpers, Marty Jeffers, Tom Dasse, Bob Eiden, John Curtin, Dinny Dwyer, John Garrity, John Murphy, Jake Behof, Mark Futter, Phil Ryan and Walter Schockweiler, are all working like gnomes and will be on hand at the party to see that your children will be entertained the whole afternoon.

Get the youngsters there promptly at 2 o'clock so that they won't miss any of the show which will precede the distribution of gifts and the candy and ice cream. And by all means let Charlie O'Connor know as soon as you can how many children you expect to bring, so he can make proper arrangements. Write him a card at 1309 Arthur Ave., or phone him at Bittersweet 6040.

CHRISTMAS CHEER. While you are thinking of the wonderful time your own children will have at the Christmas party, give a thought to the less fortunate youngsters and to the old folks whom the Chicago Chapter Christmas Cheer campaign tries to make happy at this blessed season. PGK Garrity, our permanent Christmas Cheer chairman, reports that fifty-three members have already contributed—only about a fourth of the council membership. One has given $10 and three have donated $5. Surely the other three hundred and fifty can help out with at least a quarter each. John can be reached at 6527 Newgard, phone Rogers Park 4476.

MEMBERSHIP DRIVE

At the officers' meeting held Sunday, Dec. 7, GK Murtaugh announced a two-team membership committee headed by the Browns—Jim and Mike—co-chairmen. The statement was made at the meeting that many men, when questioned as to why they are not members of the Knights of Columbus, say that they have never been asked.

Think over the names of your close friends and neighbors and see how many you know who would enjoy the benefits of knighthood—and go to work on them. Or, if you are not a good salesman yourself, give the names to Mike or Jim and they'll see that the prospective members are properly approached. If you think your prospect should be in line for an insurance membership, Ed Dillon, F.S., will be glad to give you an analysis of the new plans which are designed to fit practically every requirement. Treasurer Francis Walsh offers this slogan: "Hundreds are waiting to be asked to join University Council—now!"

OFFICERS' MEETING. This meeting was highlighted by the talk of our new dist. deputy, Frank Wohlleber, DD Wohlleber, while complimenting the council on its present condition, outlined a number of points where improvement could be made, and gave the officers a number of suggestions of great value.

The meeting, which had almost a hundred per cent attendance, enthusiastically received the district deputy's remarks as well as those of GK Murtaugh, DD Ed Jeffers, Chaplain Fr. Wagner, PGK Jack Garrity, Charlie O'Connor, Francis Walsh and the others who had suggestions to offer.

FOURTH DEGREE CLUB

The annual meeting of the University Fourth Degree Club for the election of officers has been called for Wednesday, Dec. 17. Time and place: 8 p. m. at St. Ignatius Auditorium, unless you are notified otherwise before next Wednesday. There are about fifty fourth degree members in the council, and it is hoped that all will attend the meeting.

MIXED DOUBLES. The bowling league is offering a treat following Christmas in the mixed doubles tourney to be held at the Howard Bowl at 9 p. m. Friday, Dec. 26. You don't have to be a member of the league to participate. Just return that card to Sec. Tom Dasse. He'll make the necessary collections at the Bowl, and promises that practically every team will take back most of the entry fee in the way of prizes—to say nothing of the glorious time everybody will have. We understand that GK Murtaugh has been getting in trim for our own tournament by winning the Joyce Kilmer League mixed doubles with a beautiful partner, Miss Bern. Ryan. Some of the other University bowlers were there but in the "also-ran" class, we are told.

Hughes to Hold Another Ladies' Night Tuesday

1-3 Tues. . . . . 4711 West Madison St.

Hughes Council's "Ladies' Night" on next Tuesday, December 16, promises to be another brilliant chapter in that sensational succession of triumphs scored by these features. During the last several years, Hughes has gained not only citywide recognition, but national prominence because of the wonderful success which has attended the Ladies' Night entertainments.

Lecturer John F. Korbel has been hard at work perfecting a smooth and diversified program. Abetted by his assistant Lecturer, Joe Ryan, Bro. Korbel has left nothing undone to assure next Tuesday's party being one of utmost enjoyment for the feminine friends of Hughes Council. You are invited to bring along your wife, sister, sweetheart, friend with assurances of a cordial welcome for all and a grand evening of fun. It's at the Madison Athletic Club, 4711 W. Madison St., December 16.

COUNCIL ITEMS

Third Degree will be exemplified on Wednesday, December 17, at 8:30 p. m., St. Philip's Gym, Jackson Blvd. at Kedzie. This is a change from the Sunday date previously announced. Do not overlook —Wednesday, December 17, not Sunday. Candidates of Hughes Council and of other councils in the West Division No. 1 Group will receive the major degree at that time.

WE REGRET to chronicle the passing of the father of Bro. Frank Dubec. Requiem mass was sung at Blessed Agnes church, interment St. Adalbert's cemetery. News of the passing was received by the G. K. too late to have a delegation attend the wake, and this was regrettable.

MRS. ANN REILLY, long a cherished friend of G. K. George N. Daly and Mrs. Daly, mother of Charles, John and Matt Reilly, and grandmother of Charles, Jr., a quartet of honored brother knights, is reported ill. We are sorry to learn of Mrs. Reilly's indisposition and trust that by the time this reaches print she will have completely recovered.

BRO. WALTER DIDUCH, a star of Hughes basketball teams when the K. of C. League was flourishing, is again in the ranks of Hughes and it is hoped Walt will be as active as formerly.

CONGRATULATIONS to Bro. and Mrs. Frank Kamper on their fourth anniversary. Frank is one of the go-getters in Hughes. He recently proposed for membership and had his brother Al initiated in the minor degrees—at the last meeting in fact—and Bro. Al Kamper will receive the Third on Wednesday, December 17.

THE SECOND MEETING of Hughes Council's Fourth Degree Club was held Monday at the home of the President, Sir Knight Elmo L. Ward, in Berwyn. All Fourth Degree members in Hughes Council are eligible to join this forward-looking group. Consult with President Ward or Secretary Joe Ryan.

MORE CONGRATULATIONS: First to P. G. K. Patrick J. Barrett, a proud grandpappy, for on Saturday, December 2, his son, Steve, and daughter-in-law presented the proud grandparents with a lovely baby girl, weighing nine pounds plus, so last Friday Pat went out and got a long string of strikes to pace his bowling team.

BRO. THOMAS GRANT was chortling, though, because Mrs. Grant and he were presented with a robust baby son on November 29. "A new pin boy for the Cascade Recreation," boasted Bro. Grant, as he passed out cigars to celebrate the birth of Tom Grant, Jr. Bro. Grant, as you know, runs the Cascade Recreation Bowling Center, where Hughes Council's League holds forth.

MEMBERSHIP NOTES

At the December 2 meeting the following were initiated into the First and Second Degrees: Thaddeus Snopek, Harry Zeien, Kenneth Chrastka, Victor Sorvillo, Al Kemper, Michael LaRocca and Leonard Sonka. These candidates will advance to the Third at the exemplification on Wednesday, December 17, 8:30 p. m. at St. Philip's Gym.

At the degree meeting, among dignitaries noted in attendance were G. K. George Howlett and Fin. Sec. Crawford, also Chancellor Weaver of Phil Sheridan Council.

By the way, Bro. Victor Sorvillo, new member, became a benedict on Saturday, Nov. 29. All good wishes are extended to his bride, Genevieve, and to Bro. Sorvillo.

Chairman William Kane, who has done such a wonderful job on membership so far, is not at all satisfied and wants Hughes to surpass its quota by a large margin. "Invite your friends to become a Knight of Columbus," Bill asked. "Don't put this off. The Membership Committee, your G. K. and Fin. Sec. Dan Harper, are at your service and we want to have another class of candidates ready for a banner exemplification within a few short weeks. With your cooperation, we can do it."

Hughes' Majors picked up a game on the West Division leaders, Brownson, when our boys licked Bishop Kettler two games last Friday while Barry was taking the odd from Joe Sinke's gang. Boyle was hot for Barry. Hughes won the opener, dropped the middle encounter, then Bro. Al Kowalski started with five in a row and wound up with 231 to provide an eight-pin margin for Hughes in the final. Nice goin', Al.

Last Friday, three teams were tied for the lead in Hughes Council's League. After the fireworks at the Cascade, the Votava Auto-Fixers were out in front by a game, the Peter M. Kelly Morticians in the second spot while four others were deadlocked for third, namely Ald. Richard M. Walsh 36th Ward Boosters, John H. McKeown Cartage, Wm. J. Benes Men's Furnishings, and Elmo Ward Builder "Blues."

The results of last Friday found the Toomey Tavernees taking the odd from McKeowns, despite 555 by P. G. K. Enright. Lauterbach Coal took two from Benes, Burke high for the former, while Pechota paced the Benes. Ald. Walsh Boosters swept the series with the Ward Blues, Ed Gorman and Dan Harper pacing the winners, while Thad Dietz topped the Blues. Goslin with 560 could win only one game for Malone & Clancy against Votavas, for young Charlie was hot. The Ward Builder Golds took the odd from the Kellys, Delaney high with 549. Joe Delaney leads the individuals with better than 180. John Kelly showed off in front of his charming mother to lead his team.

FELICITATIONS

A lot of conversation still about the brilliant wedding ceremony, breakfast and reception when Bro. Erve Lauterbach's lovely daughter, Lorraine, was married to Mr. Robert E. Brandt on Saturday, November 29. A nuptial Mass was celebrated at 11 a. m. in Mary Queen of Heaven church, the bride a vision of loveliness, attended by five bridesmaids exquisitely gowned. The wedding breakfast was in the Oak Park Arms with a reception in the evening at the Warren Clyde Community House.

CHAIRMAN Dan Harper announces that Hughes Council's Christmas Party for the children, under 14 years, of members, also grandchildren, will be held at 3 p. m. at the Columbus Park Recreation Center, Central at Congress on Saturday, December 27.

[Scribe Bill, will you send us your business and home phone numbers next week. Nothing important, we just like to have them handy! Thanks.—Ed.]

Leo Will Concentrate on Membership Drive with Record in View

1-3 Tues. . . . . 820 W. Garfield

At our last meeting of Leo Council on December 2, we had a large turnout and a very interesting session. Our Grand Knight asked each member to bring in one new member. He talked about ways and means of increasing the membership of Leo Council. In order to "sell" the Order it is necessary to have a sincere, enthusiastic belief in your own membership. Tell the prospective members what it means to be a Knight of Columbus.

Our membership is open to practical Catholics, and membership in our Order is by invitation only. In this way we maintain a very high type of membership. We of Leo have a very excellent clubhouse, and this clubhouse is open to our members at all times. We have one of the largest blood donor groups in the Order. This group has done noble work in volunteering blood transfusions. Leo Council has many other interesting activities that would please a new member. Catholic men who think and believe as you do should be members of the Knights of Columbus. Bring them to Leo Council.

WEEKLY SOCIALS: Our Tuesday afternoon socials are going over great. The following are last Tuesday's award winners: H. Byrne, M. Brady, Kay Bern, H. McCarthy, E. Fryroll, Mrs. Heise, M. Kagmas, L. Casey, Rose Kos, E. Murray, B. Weis, E. Patterson, M. Mulholland.

LEO NOTES

Brother Frank Cholly, one of Leo's newest members, dropped into the clubhouse the other evening. Glad to see you, Frank; come again.

On Friday evening, December 19, a Good Luck Party, given in honor of Ed Casey will be held. Ed, as most of Leo members know, has been a very loyal and hard worker for all of our activities. Owing to a long siege of illness Ed has been confined to his home for the past year.

Lecturer John Vaughan is chairman of the committee in charge of this party. Other members are Bill Cullina, Osh Goodman, John McCoal, Jack Fanning, John Ruberry, Chuck Guldan, Jim Grannan, D. D. Clarence, P. Wagner, Roy McMahon, John Kelly, Grand Knight Breen, D.G.K. William Doody, Frank Gajewicz, Capt. Kercher, John Delehant, Tom Sinan, Charles Mullins, M. J. Higgins.

Brothers keep this party in mind and be on hand to give Ed, a real fellow, a grand time.

BOWLING

Our Recorder John Fanning would like to hear from the bowlers of Leo who would care to bowl on the teams entered in the K. of C. League. The following members will bowl: F. Brett, A. Kandler, William O'Callaghan, Ed Peterson, D.D. C. Wagner, P. Joseph McNamara, J. Brown, C. Guldan, Mel Becker, J. Healy, C. Butler and L. Dory.

LEO FOURTHS: Leo Fourths will hold a smoker early in January. All Leo Fourths are urged to pay their dues as soon as possible. The regular meeting of Leo Fourths was held Monday, December 8, at the Bismarck Hotel. Your scribe will report next week on this meeting.

CHRISTMAS CHEER: Brothers, don't forget this wonderful cause. Give your donation to Brother Charles Mullins, chairman of Leo's Christmas Cheer Committee, at the next meeting of our council.

DUES ARE DUE: Our Financial Secretary, P. Joseph McNamara, is at the clubhouse every Tuesday and Friday evening.

The next meeting of Leo Council will be held on Tuesday, December 16.

Neri Will Pay Tribute to First Chaplain and First G.K. at Next Meet

1-3 Tues. . . . . 7515 Yates Ave.

Unveiling of the pictures of the first grand knight and chaplain will be held at the next meeting of St. Philip Neri council, according to G.K. William T. O'Neil.

It was originally planned, he said, to confer the first and second degrees at the meeting. However, a ruling of State Deputy Leo Flynn necessitates the ceremonial in the council in May. The members will, therefore pay tribute to the memory of George Bohnen, first grand knight, and Msgr. William S. Kinsella, first chaplain, at an unveiling ceremony. Every member is asked to attend."

Preparations have been made by James Lynch, chairman, and Peter Kreten, co-chairman, to stage the usual big Christmas party on December 20. Children of the knights are invited to attend. Further details will be given in the next issue.

FOOTBALL TONIGHT

Fundamentals of football are the same, regardless of the play. Those were the words of Fred Gillies, former All-American at Harvard University and at present a member of the coaching staff of the Chicago Bear grid team. Mr. Gillies, whose vocation is assistant general manager of Inland Steel Corp., was one of the principal speakers at the "Football Night" of the council.

Paddy Driscoll, another member of Chicago Bear coaching staff as backfield mentor, stated:

"The best pass defence is to rush the passer. There were many devices used to stop our T formation but as soon as we discover the secret, we continue to gain."

Brother William Blake, Big Ten official who acted as chairman, turned over the gavel after introducing the two, to G.K. William T. O'Neill. However, as the hour was late, his plans of asking for a few remarks from the following were changed to taking a bow:

Brother Harry O'Rourke, member of Mayor Kelly's committee, which promotes the annual all-Chicago high school grid game each year at Soldier Field.

Brother E. J. Ryan, former president of Calumet Region Senior Football League, which was composed of the leading gridders in the middlewest.

Michael Murphy, physical director of Mt. Carmel high school and erstwhile lineman of Great Lakes grid team in the last world war which numbered Paddy Driscoll in the backfield.

Bob Hanlon, next year's captain of Leo high school eleven.

William Hughes, president of Central Football Association of Umpires.

Motion pictures of football games played by Northwestern this year were shown by Chet Gargis, member of intramural coaching staff of the college.

SOUTH SHOREITES

Brother Emmett Byrne proudly announces the arrival of the sixth girl brings the happy family total to seven. Brother Anthony Schubert transferred from Ft. Dearborn. He expects to add his son on the council's rolls later. Incidently, Brother Schubert at "Football Night" listened to his superior when he heard Mr. Gillies talk. Brother Paul Doyle, who heads a detective agency, attended the first regular meeting of the year when he was present at "Football Night."

The council mourns the death of Brother Thomas S. Daly, who passed away last week. Members attended the wake and the funeral.

Brother Harry Bitter again reminds the members of "Christmas Cheer." It is 25 cents or more in the "kitty."

Dennis Richard Carroll, son of Brother William P. Carroll, Jr., is a member of the Harold Teen cast on the radio.

Mrs. John Melchior, who underwent three major operations, is recuperating at home.

CARD PARTY

The party social that was held last Friday at the clubhouse was very much a social as well as a financial success. The Caravel Clubhouse was filled to capacity, and it never saw a more brilliant gathering. An exception to the usual case, most of the attendance was made up of members and their ladies.

General Chairman Mr. and Mrs. Henry J. Doolin cannot fully express their appreciation of the way the different chairmen assisted in making this party such a huge success. Mr. and Mrs. Cecil I. McDermott had charge of the door prizes; Mr. and Mrs. George S. Rieg the refreshments, Mr. and Mrs. George J. O'Donnell the table prizes; and Mr. and Mrs. James M. O'Connor the awards. Harry F. Bitter and Edward T. Howe handled the door and finances.

Each of the above had a very able committee and space does not permit listing all of the names of the members who did such splendid work. In addition to the regular committee appointed many members of the council helped considerably by donating very delicious cakes. Again, thanks to all who helped from Mr. and Mrs. Henry J. Doolin.

Phil Sheridan Forms Teams in Drive for High Member Quotas

1-3 Thurs. . . . . 446 N. Parkside Ave.

Brother Frank Weaver has announced plans for a huge membership drive with the slogan "Sixty New Members for the Sixtieth Anniversary."

He appeals to every member to become active in this campaign. The following teams have been formed and have started working on the prospects at hand:

Team No. 1: John F. Gleason, Harold Hinchey, James J. Finnegan, Jr., Thomas Many, Jr., Ray St. Aubin, captain.

Team No. 2: Marcel Bachner, Edward F. Bachner, Jr., John J. Bachner, George L. Bachner, Paul P. Bachner, captain.

Team No. 3: John J. Dunn, Felix Provost, John A. Shanahan, Nicholas Kennedy, C. B. Jackson, captain.

Team No. 4: Joseph Broderick, Christopher J. Smith, Thomas Mahony, John W. Tangrady, August J. Flashing, captain.

These teams will operate on a competitive basis, for prizes to be awarded at the end of the drive. Form a team and get into the campaign.

COUNCIL ACTIVITY

The Ladies' Night Party held December 4 was a huge success both socially and financially. A good crowd attended and everyone from all appearances had a very enjoyable evening. Our thanks to Lecturer Joe Broderick and his committee for this wonderful time.

OUR BOWLING TEAM is still in there among the leaders and still has a chance for top honors. Come up and watch the boys in action. They bowl every Friday night at 8:30 p. m. at the Madison Athletic Club, 4711 W. Madison Street.

THIRD DEGREE CLASSES will be held at St. Phillip's on Sunday afternoon, December 14, and Wednesday night, December 17. The members of our council will be in Wednesday's class. Come up and give the boys your support.

SEE Brother Ray St. Aubin for your Christmas tree, he will be glad to help you pick it out any time after December 13 at the southeast corner of Parkside and North Avenues, or phone him at Austin 9522. Here's your chance to show Ray how much we appreciate what he has done for us.

HAVE you been to a meeting lately? We still meet on the first and third Thursdays at Parkside Hall. Come up and say hello, the boys will be glad to see you.

Master of Ceremonies

One of the unusual features of this year's softball banquet held at the Midwest Athletic Club last month was the able "officiating" of Bill Blake as Master of Ceremonies.

Blake, Lecturer of St. Philip Neri Council, is one of the nation's outstanding football referees. A graduate of Loras College and an athlete of considerable ability in his college days, Blake today takes his heavy workouts each Saturday in one of the Big Nine games where as one of the junior members of the refereeing staff his work is already rated with the best in the country.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

San Salvador Sees Greater Need for Christmas Cheer

2-4 Monday.....24 E. 114th Pl.

As you well know, the Inside Sentinel of the Chicago Chapter is heading the committee in our Council for the annual collection of funds. We do not have to inform you that your contribution will be more than appreciated this year as the cost of the things supplied to the various institutions of charity has really multiplied. In the way of toys, for instance, the cost has really risen and it is the request of our chairman, Hugo Haub, that you be as generous as possible and your contribution will be put to a good use.

Have any of you ever visited any of the orphanages with the K. of C. committees to see how the eyes of these children open wide when the messengers of good cheer visit them. Make a trip with the boys and you will never regret the donation made no matter how small. Let us go down on record to make our contribution 100 per cent.

KIDDIES XMAS PARTY

In our own humble way we shall try to gladden a few hearts on Dec. 21 when we hold our annual Xmas party for the children. I have been informed by Lecturer Oscar Hines that it will be limited to the children of twelve years and under.

He also plans to dig into the archives of your epicurean tastes and provide some delicacy for the grown-ups. They will be taken care of in the meeting hall while Santa Claus is entertaining the children in the parlors of the first floor. He will start the party as close to 2:00 p. m. as possible so you will not be detained for the evening meal. Please reserve this date on your calendar.

At our meeting last Monday evening, the Lecturer as promised gave away five of our fine feathered birds. It must have been an inducement for the members to attend, as it really brought out a few of the old timers. We even had a couple of guests from Calumet Council who came to invite us to attend their New Year's eve party.

The fortunate individuals who were recipients of the birds were Geo. Mason, Wm. Keough, J. Magnabosco, Joe Skibinski and Walter Gorz. After the bird donations, our Chaplain spoke at length on world conditions. To those of you who are missing the meetings let me state that you are missing a real treat when you do not hear the words of wisdom of our Chaplain Father Exler.

We have been fortunate indeed in having two Chaplains who have been in regular attendance at every meeting in the personages of Father Chiminello and Father Exler. Make it your business to attend the next meeting and I know you won't be the least disappointed.

MEMBERSHIP

The membership drive will blast the lid right off after the first of the year. The various parish chairmen will be notified of a meeting by the Council chairman, D. G. K. "Buff" Marcolini. Plan your program now so you can start the ball rolling. Your Fin. Secy. Jas. Burke will be glad to assist you at any time with any insurance prospects you may have.

LAST WARNING—Let us heed the call of the Fin. Secy. in seeing that our dues are paid up for the last quarter ending Dec. 31. The trustees are up-to-date in their audit and have only the next two weeks' payments to check. The report will then be made to the Supreme Office. Let us hear from you as soon as possible.

NEWS FLASHES — Cooney's new mortuary is now nearing completion. You can see this beautiful edifice on 112th Place just east of Michigan Ave. Marty Cooney, Jr., has become quite an orator in the estimation of Geo. Mason. How about it, George? You can express your views among congenial company any evening in the week at the clubhouse. Where is there a more appropriate place? The welcome sign is always on the door for the members and their friends, so pay George a visit once in a while. Cheerio!

St. Joseph's Sunday Bowling Sessions Are Proving Big Success

1-3 Thurs. . . . . 57th & Archer, Summit

The meeting of Thursday, Dec. 4, dropped considerably in comparison with the last previous meeting which makes us wonder whether there is anything in the query made last week.

Bro. Tomlonovich made a report on the progress of the Bowling Sundays which are apparently turning out a success, as he mentioned that four alleys were used in the last session. He also stated that the pinochle tournament was flourishing, but he will accept more entrants at fifty cents per head. Receipts will be used for prizes at the end of the tournament.

We had another glance at the flag holder made by Bros. Tomlonovich and R. Susich, which is now finely turned and inscribed with the council name, address and number. This gift will be a permanent patriotic reminder of the two brothers' interest in our council.

We noticed a typographical error in last week's column regarding the "winners of dinners." The name J. Uncal should have read J. Mical.

There will be no other issue of The Columbian than the one you now read, before our next meeting, which is December 18 and therefore this is the last notice regarding the children's Christmas party, which will be the highlight of that evening. All children of members up to the age of twelve should and must be registered with Bro. W. Maxa. Maybe our lecturer, Bro. Foran, will stretch a point and accept names until tomorrow, Saturday, Dec. 13, but this will positively be the deadline. Bro. Maxa's phone is Summit 663 and Bro. Foran's is Summit 208, and my number is Summit 177W.

If you have children of any age up to twelve years, call any of these three brothers today or tomorrow. If you neglect doing this and your child is missed by Santa Claus (although Lecturer Foran will try to anticipate a little) don't blame anyone but yourself for the disappointment.

Although every good Knight of Columbus supports his own parish individually, the council felt that some concrete evidence of Catholic Action to our two local churches would be appropriate during the Christmas season and it was voted that the sum of $25.00 be donated each, both to St. Joseph's and St. Blase churches.

Next Thursday's meeting, although primarily for children, is open to all members and their families (any age). Let's see all the old faces in our hall next week and crowd it to capacity. The writer has often been advised by wives of members that they read The Columbian. As Deputy Grand Knight, may I ask you ladies on behalf of the officers to see that your husband or husband-to-be brings you up next Thursday and let's make this the biggest and best Christmas party ever staged.

La Rabida's Leader Named to Christmas Cheer Committee List

2-4 Tues. . . . . 6236 Princeton Ave.

Grand Knight John Farrell has been named a member of the Chicago Chapter Christmas Cheer Committee, according to an announcement made by President George Wahl of that body. Bro. Martin J. Hough of Father O'Connor Council has again been selected to act as chairman of the committee.

To this committee is entrusted the all-important work of Christmas Cheer among the many thousands of children in Catholic orphanages and other dependent institutions.

You will hear much about the technical work of this committee from our worthy Grand Knight who, no doubt, will be called upon to attend many sessions in connection therewith.

Within the next week the membership of the council will receive a letter from this committee requesting a donation of twenty-five cents or more to carry on this laudable work. We feel confident that each member of La Rabida Council will do his part to bring joy and good cheer to the little ones on Christmas Day.

Bro. John E. Miner, a member of St. Philip Neri Council and long identified with Knights of Columbus softball activities, was elected president of the league at a recent meeting held at the Midwest Athletic Club on Nov. 26. Bro. Miner is well known to the members of La Rabida Council. He is an outstanding gentleman and well qualified to handle the duties of this august office. May we take this opportunity to congratulate the new president and wish him well during his term of office?

MEMORIAL MEETING: The annual Memorial Meeting for the deceased members of La Rabida Council was held on Tuesday, Nov. 25, and was very well attended. Our worthy D.D., Patrick Woods, was present and delivered a splendid oration on "Our Order and Its Dead." P.G.K. Edward J. Scahill delivered a fine eulogy on this occasion.

P.G.K. Dennis J. Normyle, judge of the Circuit Court, was present and gave an interesting talk on the Memorial Nights held by La Rabida in the good old days of the council. Our worthy Chaplain, Rev. Thomas Dennehy, was likewise present and gave an interesting talk, suitable to the occasion.

BOWLING: The bowling results of Monday, Dec. 8, are as follows: Dion Quints took 2 out of 3 games from the Has Beens while Kapple Chicks were likewise taking 2 out of 3 games from Cogan Coconuts. Bro. Harry Dion, bowling chairman, reports that members of the council are turning out in goodly numbers to follow this interesting sport.

500 Are Added to Order Rolls Here During Past Week

Four Major Exemplifications Wind Up First Half of Member Drive

While Mrs. K. C. has been out gathering Christmas bundles these last several weeks, dad has been equally busy gathering signed Knights of Columbus applications.

At least that is what a survey of degree work since December 1 would indicate, for a total of approximately five hundred new Third degree candidates have been added to local Order membersihp during the last week.

Three extraordinarily large major degree classes were inducted over last week-end when, beginning on Friday evening, St. Cyr Council, under the leadership of Grand Knight Joseph Maggiore, was host to 138 north side council candidates in an induction at Belmont Hall, and on Sunday afternoon Grand Knight Baptiste Mele of St. Francis Xavier Council welcomed a similarly large class of 132 candidates at St. Philip's gym. Eighty-one of these candidates were from the St. Francis contingent named as a birthday class in honor of Chaplain, Father Francis Xavier Breen.

68 Applications from One Member

Sir Knight, Anthony Manzo, the "one man gang" of St. Francis Council, accomplished the seemingly impossible by accounting for a total of sixty-eight of the St. Francis candidates. Nine of Manzo's applicants were reinstatements and all but seven of the fifty-nine new members were present to take part in the ceremonials Sunday!

On the south side, eighty-nine candidates attended the afternoon exemplification sponsored by Archbishop Quigley Council at Leo XIII clubhouse where Grand Knight Leo Gawryck of Quigley acted as host to the participating units. On Wednesday evening, Grand Knight Bert Welker and General Sherman Council played host to another group of 126 candidates in an induction held at St. Philip's gymnasium for the west two and three sections.

JOSEPH COFFEY, VETERAN MEMBER OF ORDER, DIES AFTER HEART ATTACK

Joseph Coffey, a charter member of Calumet Council and for the last several years a member of Father Perez Council here, died suddenly last week after a heart attack.

Brother Coffey was one of the best known major degree workers in Illinois and enjoyed one of the largest Knights of Columbus friendships in the state.

His interest in the Order—until a few years ago when his duties as the head of one of Chicago's better known entertainment bureaus took up most of his time—covered almost every possible phase of Order activity.

Besides his major degree work he headed and organized the Chicago Chapter Employment Bureau and assisted in the ritualistic work at the institution of several Chicago councils, notably that of St. Francis Xavier Council in 1918.

Knights of Columbus

ILLINOIS STATE COUNCIL
155 N. Clark Street

December 19, 1941.

My dear Brother Knights:

Once again, the holy season of Christmas is at hand with all its multitude of joys and blessings. It is with a heart filled with the sacred recollection of what this day means to each of us that I extend to each of you, my brothers in Faith as in Knighthood, a very sincere hope that the favor of the Infant Saviour will be with each one of you and your families throughout this season and the year to come.

The fact that our nation is engaged in a mighty World War and that we are again fighting to preserve a way of life that has insured so many blessings for each of us, will in the immediate days ahead, and possibly for many months to come, lessen the joys we would normally experience during this holy season. Some hardships will naturally be imposed upon everyone of us as our country goes forward to victory. It is comforting to know that among those who have been first to volunteer their services and to accept the tasks of a victory effort, are the people of our own faith and the men of our own Order.

The Knights of Columbus is now mustering every resource at its command to aid the effort of our nation in the defense of our country and the preservation of our freedom. We stand solidly behind our president and the federal government in the supreme task of directing the national effort against the forces of aggression.

In this struggle, let us not forget to turn frequently to the Child in the crib, that He may give us the divine guidance that will carry us to a swift and just victory, and that will insure, for all mankind, as members of His earthly family, the real brotherhood that will make eternal, "Peace on earth to men of good will."

LEO M. FLYNN,
State Deputy.

Sizable Entry Stamps Coming State Bowlers' Tourney a Record One

With all entries in and all barriers down, things are a-building in Knights of Columbus State Bowling Tournament circles.

John J. Crowe, association secretary, explained early this week that more than a thousand entries for the singles and doubles events and a high of four hundred entries for the team event were expected for this eleventh annual tournament which will be held at the Congress Recreation Center, 31 East Congress street.

Team competition will set the tournament off on Saturday, January 3, following the presentation of the opening ceremonials. As in the past few years, Bishop Bernard J. Sheil is expected to roll the first ball to put the tournament actually underway. The January 3 sessions are also planned as a "Celebrity Night." All local Grand Knights have been invited to participate in a special team contest for the "pick of the crop" squad.

On Sunday, January 4, the "All Star Match" will bring together the top five man teams from each of the city's K. C. major leagues and the best of the downstaters in a contest for the Master Phil C. Nilles medals.

North Division representatives to the "All Star Match" were to be picked Monday night while the West Section men were to be named following tonight's sessions. Each individual must bowl at least twenty-

Columbian Deadline for Next Two Issues Moved Up to Monday Evenings

Because of the Christmas and New Year's Day holidays on December 25 and January 1, all printing, linotype and mailing departments at the Columbia's plant will be closed all day. In order to insure weekend delivery for both these weeks it is therefore necessary to advance the regular Tuesday evening deadline one full day to Monday evening so that the two succeeding issues will close on Monday evenings, December 22 and December 29.

All scribes are asked to submit their regular council copy as far in advance of these Monday evening deadlines as possible. Any copy mailed later than Sunday noon of either week should be by special delivery to insure its prompt delivery.

All extra cooperation extended by our scribes in meeting these early deadlines during these two weeks which are busy enough in themselves will be greatly appreciated by your entire Columbian staff.

A Merry Christmas to You All.

Every Knight Is Asked to Support Christmas Cheer

Visits of Chapter Santas Depend Upon Generous Aid from Each Local K. C.

By Harry Gerardin

The Christmas Cheer Committee has always had to reckon with many potential donors—fellow Knights—unable to persuade themselves that the appeal for funds for the Christmas happiness of orphaned and aged is directed to them personally.

That they should overlook these poor lines is understandable; but what about the letter at home, perhaps never opened? That hurts. And if it is neglected, the chief sufferers are the little children in the Catholic charity homes. Children who, but for the grace of God, might be your own or mine—are in some cases the legacy of a departed brother member.

Non-members Also Donate

Among those, all too few, who do recognize the real need for this Catholic Action so that orphaned and aged might, too, have a happy Christmas, are the Knights of Columbus who by reason of their more generous checks—as often as not from a comparatively lean purse—help to write off the forgetful. Some, even, are not affiliated with the Order, as Father Joseph McNamee, of St. David's, and Sol Hess whom we all know as the author of the popular daily strip, "The Nebbs."

Among Knights of Columbus, Brothers Fred B. Snite and Anton Krupicka, Elmhurst and Cardinal Councils respectively, led the list and to this may now be added the following: Calumet, W. J. Corbett. Columbus, Carl Muckenbein. Daniel Dowling, Hon. John F. Bolton. Englewood, M. H. Kennelly. Father O'Connor, Charles F. McDonald. Feehan, Hon. LeRoy Hackett. Hughes, Hon. Frank H. Bicek, Illinois. John T. Lillis. Loyola-Hyde Park, W. F. Clark. Marquette, Joseph C. Smith and Thomas H. Cannon. Quilmette, Frank J. Seng, Hennepin-Shields; A. T. Birmingham. Phil Sheridan, Hubert E. Kampp. May there be many more of them.

And as we close today's list with Phil Sheridan, it recalls a magnificent assist from a volunteer from that Council, Brother William J. Clark; who on his own initiative and by reason of his wide experience as a newspaper man, has secured fine recognition from the big daily and also from many suburban and neighborhood papers.

Children Await K. C. Santa

Now the old men and women whom the Christmas Cheer Committee aim to please with such comforts as wearing apparel and smoker's supplies, can "take it" if the fund is not large enough to go around. An overlong lifetime of many setbacks has schooled them to meet disappointments stolidly.

Not so the little boy or girl whose hopes now hinge on your donation. They are praying hard right now that you—the Knight of Columbus—will remember them. Praying in con-

cert with Sister and all the others; and also secretly in the dark and silent orphanage chapel. You'd be surprised to know of the many visits and the numerous Holy Communions they make with you in mind—and what you will do. Will the Christmas Cheer appeal for your financial assistance get the attention is deserves? Will the Jesus, in whom these little ones place their trust, reach you?

Garcia Moreno's Annual Christmas Party to Be Held Tuesday Evening

2-4 Tues. . 155th St. & Lexington Ave.

Tuesday evening, Dec. 23, is our annual Christmas party for the members. Lecturer Henry Stein says Santa will visit our council with gifts and refreshments. We ask that all members who can attend our Christmas party and the last meeting of 1941. Let's all make an honest effort to be present.

OUR BROTHER'S KEEPER

We ofttimes think of the spiritual angle when we hear this question asked. We do not think or act of the other possible angles, but we should. There is the domestic angle, such as my and your brother's home, and family. There is the financial angle, such as income and the ability to pay council obligations. We refer mostly to our brother knights in the service of this country, whose income is rather small. We don't have many members in the service at this time, but our council and its entire membership should take some kind of action at once that the members of their families are protected. If we are our brother's keeper, let's act at once and raise the funds needed to insure this protection. In the last world war our council paid these obligations. Where do we stand today? Are they forgotten? I'll leave that answer to my brother knights.

BIT O' NEWS

Last meeting was a very short one. Looking over the few faces present, I found only G.K. John Mech, Treasurer Al St. Aubin, Recorder Francis De Mayo, Chancellor William Powers, Jr., Lecturer Henry Stein, Guard Wm. Lemons, Henry Dornoff, Simon Ryan, Andy Klaczynski, Frank Delnargo, Fin. Sec. Louis Beaupre. Does this surprise you? Brother Knights, we don't need a meeting hall, if our members don't think any more of the order's Catholic Action program. Let's all of us wake up. I mean you, brother knight. If you, the reader, are one of our younger members, remember you are only young once, and we need your help and cooperation today and not tomorrow.

On the sick list we find Larry Cairns is confined at Woods Hospital, Miller, Wis.; Mrs. Alvin Biggerstaff is now home from the hospital. Edward Dehnert at home with the flu. James Gribbens still on the sick list; D.G.K. Joseph Dehnert visited Brother Gribbens. James Rogers, Sr., confined to his home. Richard St. Aubin, son of P.G.K. Al St. Aubin, was operated on last week. Bill Jones and wife are both confined to their home due to injuries in an auto accident. Ed Sedlack still at Ingalls Hospital and coming along fine. John Cisson's wife is in the sick list. The grandmother of Mrs. Louis Beaupre, mother of our late P.G.K. William Gibson, is on the sick list at the home of Mrs. Louis Beaupre. To all on the sick list our earnest wishes and prayers for a speedy recovery.

Late report comes from D.G.K. Joseph Dehnert that Peter O'Hara has undergone an operation at Ingalls Memorial Hospital. Lots of luck, Peter, we hope you will be out to greet Santa.

Don't forget to give your bit towards the Christmas cheer fund.

Don't forget Monday evening deadline for next TWO Columbian issues!

Star "Go-Getter"

State Deputy Leo M. Flynn, right, congratulates Sir Knight Anthony Manxo of St. Francis Xavier Council here on the record accomplishment of turning in a total of sixty-eight applications for his Council.

Guy Macina, Cook County Membership Chairman, left, and G. K. Baptiste Mele of St. Francis Council also extended their congratulations on Manzo's feat. All but seven of the sixty-eight applicants were inducted in the first three degrees of the Order last Sunday.

University Lists Three Important Activities for Immediate Future

2-4 Tues. . . . St. Ignatius Auditorium.

First event on the University calendar is the Children's Christmas party, Sunday, December 21, 2 p. m., at the St. Ignatius Gymnasium. If you haven't notified Chairman Charlie O'Connor how many children you are bringing, call him up NOW at Bittersweet 6040 or Rogers Park 3560. Even if you can't communicate with Charlie bring the youngsters over anyway—he'll find a way to send everyone home happy.

The second event on our calendar is the grand finale of Christmas Cheer. General Chairman Marty Hough's letter is now in the hands of each member. If you haven't seen our own chairman, PGK Garrity, see him at once or mail in your contribution to the Chapter office.

The third event is the post-Christmas Bowling Mixed Doubles on Friday, the 26th at the Howard Bowl. Even if you don't bowl, you will find the event a most amusing entertainment.

STATE TOURNAMENT

University is going to town in the State Tournament this year. Secretary Dasse has entered eight five man teams, and some of them are really good. Without giving the details of their handicap score, the following are the teams:

Team No. 1: Jim Malone, Jim Dolan (Captain), Frank Schmit, James Lusk, John Rohr.

Team No. 2: Rudy Linzer, Jake Behof, Tom Mackey, Harry Westerberg, Edward Bales (Captain).

Team No. 3: Jerry Hanney, Bob Sullivan, Marv. Boerschinger, Phil Ryan, Fred Gramse (Captain).

Team No. 4: Mike O'Driscoll, Len McGraw, Edward Doyle, Tim Murtaugh, H. Bauler (no captain is listed for this team, but they'll change off each frame).

Team No. 5: Marty Jeffers (Captain), Fred Messinger, Matt Harrer, William McEvoy, Tom Dasse.

Team No. 6: Jack O'Sullivan, Guy Stanwood, John Murphy, John LeClair and Francis Walsh (Captain).

Team No. 7: Ray Hayes (Captain), Frank Nesbit, Ray Healy, Tom Ferritter, Ed. Dillon.

Team No. 8: Jack Donahoe (Captain), Len Wagner, Charlie O'Connor, Jim Brown and Jim Kane.

LAST MEETING

An enthusiastic meeting was held on Tuesday, December 9. After interrupting it, to listen to the President's speech, GK Murtaugh announced the make-up of the two teams under Jim and Mike Brown who will fight it out for the grand prize in the membership drive. The GK read the list so fast it was impossible to take down all the names, but we hope to get a copy of it from him for the next issue. A Membership Meeting is to be held January 27, at which results will be posted and special information given to all the members.

We were informed at the meeting that the mother of our Brother Michael W. Kaveney had died and was buried on December 9th from St. Benedict's Church to Mount Carmel Cemetery. May her soul rest in peace.

A welcome visitor at the meeting was John Murphy of the St. Paul (Minn.) Council. John is now a resident of Rogers Park and we look for his transfer at the next meeting.

San Salvador Will Be Host to Children at Annual Party Sun.

2 & 4 Mon. . . . . 24 E. 114th Pl.

Santa Claus left word at the clubhouse that his annual visit will be made on next Sunday, Dec. 21.

The Daughters of Isabella have been on the alert, having asked Santa to bring his pack filled to the brim with gifts for the children. The Lecturer has also informed me that there will be some delicious roast beef prepared by that chef par excellence, Cliff Heffron. Need I say more? Place a circle around the 21st and be present at the festivities which will start promptly at 2 p. m.

UNITY AND SOLIDARITY

Once more we are making a plea to all the members for a unified effort in attending council meetings. Your Grand Knight's efforts to make the council meetings interesting and enjoyable will be of no avail if you do not renew the pledge taken during your degrees.

We realize that a great many of you are so employed that your presence at meetings is almost impossible, so this plea is being made to those of you who have the time and have not been in the council chambers for quite a spell. In these troubled times we have all been asked to get behind your leader and mine, the President of the United States. Your Grand Knight has also been elected as your leader, so I don't think I am asking too much in your pledge of support to him for the ensuing year. Let us hear from you and do come up to the meetings with any suggestions or criticisms you may have.

PARISH LEAGUE

We can readily state that up to date we have not as yet suffered reverses in the league due to the fact that men have been called to the colors. It may come that we will have to call on some of the old timers to get their bowling shoes out again.

Last week marked the starting of a young civil war in the league, when St. Willibrord's and St. Salomea's teams locked horns. We hesitate to mention that the St. Willibrord's No. 2 team lost three to the No. 2 team. See your local papers for later results.

NEWS FLASHES

We are happy to report that a baby girl was born to the family of Mr. and Mrs. S. Rimkus. Congratulations, Stanley. Also we are happy to mention that Bros. J. Hockey paid the boys a visit at the clubhouse last Friday evening after an absence of about 15 years. Let us see you more often.

It is rumored that Bro. Matt Thuller cast a longing glance at a certain individual while attending the 4th degree party last Wednesday and is having a tough time getting the kinks out of his neck. We also understand that Bro.

Calumet Completes Plans for Party on New Year's Eve

2-4 Mon. . . . . 6646 Stony Island

Last Monday night plans for the New Year's Eve party were completed. Months ago we started out to select a suitable location for this party. After much deliberation we finally selected Perez Clubhouse, located at Marquette Road and May Street. We have reserved both floors of the clubhouse so that we can use one floor for dancing and the other for our table parties.

Last Monday night final preparations were made for all of the noise makers and hats. During the past months the committee has auditioned no less than fifteen bands. Out of these fifteen, we selected one of the best seven-piece orchestras in the city. Now when you are at a party you like to eat and eat you will. We will have a caterer to prepare all of the food. We will also have waiters to wait on you and to see that your glass is never empty. Reliable people will be in the checkroom to keep an eye on your coats.

For the last thirty days Lecturer Scully, Wilf Byrne and Val O'Grady have visited all of our neighboring councils plugging our dance and party. Now stop and figure the work that this means. How would you like to give up a month's time just to be sure that someone else will have a good time? We would like to say now that we certainly appreciate all the cooperation that we received from our neighboring councils. Now we come to the point of why we have been going through all of this trouble and hard work. You all know, but we will tell you anyway. It has all been done for YOU. We have all been acting in the interest of Calumet Council and Calumet is your Council. All of this work has been done so that you will have an opportunity to celebrate the New Year with all of your friends and have the time of your life. And one of the best things about it is that it is only going to cost you $5.50 a couple.

Like we said before, all of the hard work is done. Now you have to do your part. Get all of your relatives and friends together and have a table of your own. Perez Clubhouse will hold five hundred people but so that everyone will have enough room to do their own specialty numbers at 12 o'clock we have limited the party to two hundred couples. Believe us when we say, brothers, that you had better get your reservations in soon. For reservations call the clubrooms Monday or Thursday evenings at Hyde Park 6500, or T. P. Scully at Fairfax 2889, or W. J. Byrne at Stewart 9067.

COUNCIL ACTIVITIES

As this is the last Columbian you will receive before Christmas, all of the officers of the council wish you a very Merry Christmas. May the blessing of Christmas remain through the year and bring to each day all the things you hold dear.

SUNDAY EVENING CLUB: The club's Grab Bag Party was attended by an overflowing crowd. After the party everyone joined in song with the old-time numbers and the Christmas carols. The next meeting will be our turkey night and we want all of you brothers to attend. We received a Christmas greeting from Bro. Charles J. Glennon out in Monrovia, Calif. We received a letter from Bill Birmingham, who is out in Arizona, and Bill says he will be home soon. We hope that all of you brothers will put a little change in the Chicago Chapter's Christmas fund for needy children.

The Murphy & Son Furniture team shot high game and high series for the year as they swept three games from Stone's Shell Service and went into undisputed possession of third place. The O'Hanley's Morticians moved into first place when they won three games from the Cummings Morticians. Mase Cronin's Pub dropped to second place as the Wilson & Rafferty Florals won the odd game. The Whalen Boosters finally came to life and won three games from the McNichols Service Station. Ray's Boosters won two games from the Indiana Service Station (I won't say a word, Joe).

Is There a Santa Claus?

Appearing first in the *New York Sun* on September 21, 1897, the following editorial, written by Francis P. Church, has been considered one of the most famous editorials ever penned. *The Columbian* reprints it as one of journalism's most touching contributions to the spirit of Christmas:

We take pleasure in answering at once and thus prominently the communication below, expressing at the same time our great gratification that its faithful author is numbered among the friends of The SUN:

"Dear Editor:

I am 8 years old.
Some of my little friends say there is no Santa Claus.
Papa says 'If you see it in The SUN it's so.'
Please tell me the truth, is there a Santa Claus?

VIRGINIA O'HANLON,
115 West 95th Street"

Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except they see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

Yes, Virgina, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in fairies! You might get your papa to hire men to watch in all the chimneys on Christmas eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus. The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the supernal beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else real and abiding.

No Santa Claus! Thank God he lives, and he lives forever. A thousand years from now, Virginia, nay, ten times ten thousand years from now, he will continue to make glad the heart of childhood.

Englewood Members to Get Christmas Birds at Monday's Meeting

2-4 Mon.....150 W. 69th St.

Don't forget that on next Monday evening, Dec. 22, we will hold the last regular meeting of the council for the year 1941. Our worthy lecturer, Bro. John Lyons, will be of a generous disposition. I am told he is going to send a number of the brothers home in a happy frame of mind because they will be the recipients of nice fat turkeys. It is hoped that there will be a large number present. "The more the better," as our worthy chaplain said in his address a few weeks ago.

The W.F.S. appeals to all brothers to make a remittance post haste for the last quarter of the year's dues and assessments. The insurance members should realize that the treasurer has to forward a check each month to the Supreme Office in payment of our account, and too many of the boys are taking advantage of the good nature of our financial officers. In fact, quite a number are entirely too negligent about the matter, so much so that it will be necessary to place them on the A.A.L. immediately after January, 1942, if they do not come through with the "do-re-me."

Mrs. Mary Lenz, mother of Bros. Peter P. and Joseph J., and grandmother of Harry B. Wilke, passed to her eternal reward on Saturday, Dec. 13. Funeral services were held in St. Martin's Church. She and her husband were the first couple to be married in the old brick church, 'way back in 1887, by the first pastor, Rev. J. M. Schaefers. Interment took place at St. Mary's on Wednesday, Dec. 17.

BOWLING: The council has authorized the entry of two teams, three pairs of doubles and six singles in the coming state tournament which takes place at the C.Y.O. alleys starting Jan. 3, 1942.

Our treasurer, Adolph Minster, is still ill and unable to leave the house. His address is 6730 S. Wabash Ave., and a short visit or telephone call (Normal 0001) will be appreciated. . . . Bro. Wm. E. (Pat) Sheridan promises to be counted amongst the active members very shortly. That a boy, Pat, make it very soon.

The officers extend to all a Very Merry Christmas. And, by the way, don't fail to send in your donation of a quarter or more to the Chicago Chapter Christmas Cheer Committee.

Film to Show Pilgrimage

Los Angeles.—In preparation is a color film showing highlights of the pilgrimage to Mexico City headed by Archbishop John J. Cantwell. It will be shown all over North and South America.

Don't forget Monday evening deadline for next TWO Columbian issues!

Fr. O'Connor Calls for Early Reservations on New Year's Eve Party

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

On behalf of the officers, the members and your humble Scribe, Fr. O'Connor wishes you a very Merry Christmas and Happy New Year.

THE NEW YEAR'S EVE Party to be held at Gross Park Hall is all in readiness and before we let down the gate to out siders, be sure you have your reservation in. Your own affair, including setups, beer, favors and turkey sandwiches. How can you go wrong I'm asking?.

BOWLING NEWS

The Furman Funeral team boosted themselves into third place by taking all three games from the King Coals. Jack McGuire, with his father Colonel Jack looking on, led his team with 534. Russ Reinke was right behind with 528 and Jack Raupp had 505. Frank Kotnaur had a 540 series for the losers.

The Nolan's Insurance team jumped on the blushing Violets better known as the Shamrocks for three games. Dr. MacDonald rolled a nice 581 series; the anchor man for the Violets had 573. The reason we would like to change the name of Shamrock is because they have no odor.

The Navin Inn team bested the Widtmann Meats in two games. For the Navins Cunningham and Gaughan each had 537 and Cummings had 512. Loohs really mauled them for 578 but no help.

The Cristo Printers won two games from the Alliance Life team for the printers. Fleischhauer led with 499. For Alliance Schmidt came from nowhere to roll 546 and Bechtold 526.

Navin's Inn and the Joe Nolan Insurance team are now tied for first place, Cristo Printers are one game behind. Our most faithful rooter, Mrs. A. Karas with Russ Reinke's sister a close second. Pvt. Walter Kelly rolled his fast ball just to show us he is still in shape.

OUR BOWLING SPONSORS

Widtmann's Market is sponsored by Leo Widtmann of the Widtmann Meat Markets located at 3140 W. Montrose Ave. Leo is not a K. of C. member but is always ready to help us out. He is also active in the affairs of Our Lady of Mercy and St. Edward's churches. Widtmann's tender turkeys are famous for their quality and flavor, so, for Christmas or New Year Day dinner drop around and get the best.

Last Friday, December 12, De Soto Council held a Third Degree initiation and the following members of our Council became full fledged K. of C.'s: Brothers Sitzberger, Besse, Karas, Jr., Doyle, Osinski, and finally Williams after many years.

How about getting that new member? A good talking point these days to the younger men is that if they are called in the draft, they always have the opportunity of visiting other councils in other cities and becoming acquainted very quickly. Incidentally, the first of the year is rolling around so you members who pay by the year send your checks to Johnny Metzen. Last call for your Christmas Cheer Donation. Send in your check for those deserving little tots.

Merry Christmas to each and every one of Illinois Council members. Tha is the greeting which Grand Knigh Elmer D. Martin asks your scribe t convey to you.

It is easy to join in such a greetin at this time of the year when we ar more inclined than ever to forget wor ries, cast aside our many irritating ex periences and give profound thanks t the Redeemer of mankind for havin made possible the survival of Chris tianity, by filling the heart of ma with faith sufficient to ward off paga preachers in the form of dictators, an to carry on the teaching of Christia principles, the only hope to avoid com plete moral and political corruption.

We could well thank especially Japa for doing in two minutes what our ow country seemed to be unable to per form—that is the unification of Ameri can citizens, if not the whole America continent. The issue now is clear cu It is merely a question of whether w the people, or we the dictators wi survive. There can be no doubt wh will win.

Thos. Nast Originator of Santa Claus Figur

The figure of Santa Claus which is universally and so readily recognize in the United States is said by author ties to have been originated by Thoma Nast, the celebrated American cartoon ist.

While it was probably not the reaso why Mr. Nast entered this field, it pretty well known that in years past me who were later to become celebrated ar tists added to slender purses in the struggling days by turning out design for Christmas cards.

At this reading the red hot bowling ce for the first round will be over. Erie othiers and Cancilla Constructions are ed for first place with 25 wins and 17 sses apiece, and believe it or not, they eet each other for the final round. We ppose some of the bowling moguls will ant credit for planning the schedule at way. Lurking in the dark is Lucania ndertakers, with 24 and 18; they can e the leader if they win 3, and the win-r of the big contest capture only 2. So ere's the situation in a nutshell. Con-ary to the statement of Secretary Coke" Coniglio, the other teams are defi-itely out of the race. Vic Rizzo again rabbed all laurels in the individual col-mns, while Archer Glass and Stranos ere on top in the team scores.

PINTA ASKS GENEROUS EFFORTS OF MEMBERS FOR CHRISTMAS CHEER

1-3 Thurs. . . . . St. Mary's, Riverdale

At this time of the year our organization, through many years of precedent, urges one of the finest acts of Catholic charity. A committee representing all the knights of the Chicago area pays visits to orphanages, hospitals, sanitariums and homes for the aged. Many gifts and greetings are presented in our name to make for them a Happier and Merrier Christmas and to let them know they'll always be remembered by us. Each of us could make this mission in person if we wish. Those who are unable to, may do so in spirit and aid by contributing as generously as possible.

PINTA WRITES

Our heartiest congratulations to Bro. Joe and Mrs. Panozzo on the arrival of a seven-pound baby boy. What a Christmas present!

A few of our members have found that it isn't so hard to get new members. The hardest part is to get the urge to try.

Bro. Al Schuman is convalescing at home. I'm sure he'd appreciate a visit from us at any time during this holiday season.

Bro. Ray Schaefer is in the Christmas tree business at his home on 136th Pl. If you're looking for a good tree you may find your choice there.

Bro. Joe Stepencki is acting first cook at Ft. Monmouth, New Jersey. He likes his work very much, except assigning duties to the K. P.'s.

Just a reminder to the officers and members of the degree team to rehearse their parts for the coming degrees on Feb. 19.

St. Paul Appeals for Christmas Joy to Needy Youths

1-3 Tues. . . . . 6713 Olmsted Ave.

As we set ourselves down to the task of writing this week's column, we are abruptly reminded that this will be the last column before Christmas. Christmastide is presumed to be a time for much joy and happiness; the time for the giving and receiving of gifts. Probably the best Christmasses most of us had were those when we woke up to a Christmas tree, a stocking full of oranges, apples, nuts, etc., with plenty of candy, especially the kind known as taffy, and an old sled or pair of skates gotten somehow, from the neighbors whose older children had outgrown them. The best pre-Christmas days were those when we went window shopping; admiring all the tin and tinsel, toys, etc., which we hoped for but never dared to expect. That was the era of receiving.

As we gre wolder we learned that Christmas day is the anniversary of the day when God gave to mankind the greatest of all gifts in the person of Jesus Christ. And Christ, Himself, made the giving of that gift perpetual in the sacrament of Holy Eucharist, the receiving of which is ours; not for the asking but for the taking.

From this example we can readily understand that the giving of gifts should not be held in abeyance, until the season of Christmas but should occur any day of the year when the need for giving is apparent.

The responsive cord of Charity which leads to our hearts should have a latchstring fastened to it, synchronized with the eye so that the sight of anyone in need will produce a tugging at it sufficient to make open the gates of sympathy from which pour forth such gifts as we are able to bestow.

Those who have a latchstring out for the needy and who are unable to make personal calls will find the job simplified by making their contributions to an accredited organization. Such a one is our own Chicago Chapter Christmas Cheer fund dedicated to "remember" the orphans, those most of all deserving youngsters who have no individual homes where Santa could visit them; the aged, who are also homeless, and others in some forty-odd institutions throughout Cook County. Possibly you may have something also for the St. Vincent de Paul Society of your own parish.

An unorganized group, no matter how generous, could hardly be expected to do as thorough a job as those who are organized and equipped for the purpose. That is why your "gift" to the needy will go farther when dispensed through the Chicago Chapter Christmas Cheer fund. It's not too late to send your bit not.

WE HEAR THAT

The council bowlers will be vieing for turkeys while doing their "stuff" at the Edison Recreation rooms next Thursday night. . . . Suggestions have been made that non-bowlers attend this meeting and become a part of the cheer section. . . . The committee for the K. of C. State tournament are at work arranging the teams and otherwise organizing the big offense in the hopes of "copping" more of the awards offered this year. . . . Request is made by the committee for all keglers of the council to sign up pronto. . . . Bill Brunkhorst will furnish team standings and individual records for next week's column. . . . Members should read other columns in the Columbian for information concerning the major bowlers in the North and West Side leagues.

Officers of the council, including ye scribe and all of the Past Grand Knights, extend their sincerest greetings and wishes that you all may have a very happy Christmas.

In the knowledge that the joys which you have so graciously bestowed upon others will be returned to you manyfold in peace of mind and happiness of heart on Christmas day, we say, Adios!

Marquette Asks Unity Among Knights and a Larger Membership

1-3 Thurs. . . . . 1928 Devon Avenue

Now that our government knows just where it stands with the other powers of the world, it is also the time NOW for Catholics to stand up and be counted as such. One of the best things to do, is to unify our days by banding together into the greatest fraternal organization in the world. The members of our Order should exhort themselves to secure new members for their council by inviting their Catholic friends to join the Knights of Columbus. Show your fraternal spirit. Do it for God and country—and do it NOW.

P.G.K. and D.D. Arthur D. Donoghue of our council again (this is about the 28th year) a hard working member of the Christmas Cheer Committee for the Chicago Chapter. Each evening until January 2nd, he will be playing Santa Claus by visiting the orphans and aged people in the many institutions in and around Chicago.

Our members have received their Chicago Chapter letters soliciting your donation for the Christmas Cheer Committee and making it possible for Santa Claus to be generous in his visits. Marquette in all previous years has always been around the top of the list among the councils in this jurisdiction. So won't you please make your donation at once and forward it immediately to the Chapter at 173 W. Madison St.

SANTA CLAUS

The above radiogram has just arrived at the desk of Grand Knight Roy P. Bedore of Father Setters Council and is here quoted in full so you will be abreast of the latest news concerning the Children's Christmas Party which will take place Sunday afternoon.

In addition to the attractions mentioned in Santa's message, there will be a program of entertainment suited to the occasion.

The committee in charge includes William Blondin, Frank W. Long, Steve Campbell, Maurice J. Kissane, Tom Judge, Ed Fitzgerald, Bill Hoffman, Austin Ryan and Emil Fik, as well as a number of others who have requested that their names not be published because of the confidential nature of their work as Santa's assistants.

MONDAY TURKEY NIGHT

Next Monday evening, December 22, the members of Father Setters' Council will assemble at 8:30 at the above address to participate in the Grand Annual Christmas Turkey Drawing. This great event has become so popular over the course of the years that the mere announcement of it is assurance of a capacity attendance.

The Lecturer and Grand Knight have secured the finest birds on the market and the contest for the honor of taking one of them home for the family dinner is certain to be hectic in the extreme. You are, therefore, urged to come up to the council chamber at an early hour and pick out a lucky seat for the drawing.

NEWS

Stephen Campbell, chairman of the Catholic Action Committee of Father Setters' Council, represented the organization at the Thanksgiving Retreat of Nov. 21 at Mayslake. A complete report of the Retreat was presented at a recent council meeting by the enthusiastic Bro. Campbell. According to present plans, the council will sponsor a Retreat at an early date, probably some time in the spring.

Bro. James Minick proudly introduced his son, William E. Minick of 1016 S. First Ave., Maywood, at the council meeting of December 11. The younger Mr. Minick is the newest member of Father Setters Council, having just recently taken his degrees. We extend to him our hearty congratulations and a most cordial invitation to participate in all the activities of the organization.

CONDOLENCES

The members of Father Setters Council extend our sincere sympathy to Brother Joseph F. Pribyl, whose daughter, Helen Marie Pribyl, passed away last week. She is survived by her father, Brother Joseph E. Pribyl (a brother of Bro. Harry Pribyl), a sister, Georgiana, and three brothers, Eugene, Robert and the Rev. Francis M. Pribyl. The funeral took place Monday at Saint Adalbert's Cemetery, following Requiem Mass at Our Lady of the Mount Church in Cicero.

Hennepin-Shields Will Treat the Children to Santa Preview Sunday

Jan. 14-28.....446 N. Parkside Ave.

On next Sunday afternoon Hennepin-Shields Council will present its annual children's Christmas party at the Parkside Community Hall, 446 N. Parkside Ave., program beginning at 2:30 p. m., doors opening at 2 p. m.

An extensive and interesting program will be presented by Lecturer Bill Phelan, consisting of several professional acts, some short movies, possibly some recitations and songs by our talented children, distribution of gifts by Santa Claus and light refreshments. Our lecturer is prepared to greet all youngsters from six months and up, so bring all your children to enjoy a happy afternoon.

PGK'S PARTY

An inspiring and cheerful scene was witnessed last Wednesday week when 150 members and guests gathered to honor the past grand knights of Hennepin-Shields Council.

In the morning a requiem mass had been said for the repose of the souls of our departed grand knights by our chaplain, the Rev. Father James Doherty, at St. Catherine's Church.

In the evening the party began with a grand corn beef and cabbage dinner cooked to perfection and served by the Harding Hotel Co. The services of the Harding Hotel Co. were secured by Jim Ford, who is associated with this company, and we are very appreciative of his efforts.

Following the dinner Grand Knight Roy Cummins introduced our well beloved and highly respected DD, John McKeown, as master of the program and from then on John performed his duties capably as usual. Excellent and very much to the point speeches were delivered by Captain John J. Sullivan, chief of detectives of the Chicago police department; Ray Gleason, state secretary, K. of C. of Illinois; Tom Murray, Frank Quinn, Clarence McDonald, Anthony Czarnecki, Pete Murphy, Rev. Father James Doherty, our chaplain, and assistant at St. Catherine's, and Father Frank West, assistant at St. Petronella's. Glenn Ellyn, Ill. At the grand knight's table were also PGKs Jerry Donovan, Bill Orth, Jim Oakey, Charles Costello, Jr., Frank M. Hayes, Joe Murphy, Tom Butler, Frank Daley, Jack Shealy and Bill Welsh. A letter of regret from Hon. Judge P. B. Flanagan was read and Joe Corbett was ill and unable to be present, so all past grand knights were present or accounted for. (We hope to heaven we have.)

Entertainment was furnished by Jack Herbert, magician extraordinary; Don Artiste of radio fame; Dr. Bertche, another excellent sleight of hand baffler; Hal Moroney, PGK of Barry Council, who gave his famous recitation, "The Finnish Fight," and also sang several songs. The brothers Jim and Bill Ford sang a number of songs and it is easy to see why they have reputations. Our old reliable Bill Cronin entertained us in his own inimitable way—and we mean inimitable. Bill Egan also obliged us with a song. From then on talk and old stories were fast and furious.

BOWLING BUSINESS

Ray Foley and his Grill men took three games from the Frank Hayes Barbecues, Ed Riley's Insurance Writers won two from the Harwood Florals, John J. Hayes Hatters took the odd game from M. C. Fogarty's Men's Wear, and Costello & Son Boosters won two from Midland Pipe & Supply. High scores for the evening were: Al Lifka, 232; Frank Gould, 223; Jim Ford, 202; Tom Fleming, 201; Bill Annas, 200, and Pete Murphy, 206.

We hope that in doing Christmas shopping you will remember our bowling sponsors who have merchandise appropriate to the season.

THE SOUNDING BOARD

Among notable guests at the party were Judge John Cella and Assistant State's Attorney Tom Daley. Pete Murphy brought his gang and introduced Walter Costello, Terry Boland, Jimmy Taylor, Tommy O'Connor of Oak Park and a few more.

Joe Kohls went home happy with his 2,250 horseshoe score and not long ago went home with a radio. Maybe he is a magician also.

Twelve o'clock Mass on Christmas Day at Resurrection Church will be said for the boys of the parish in the service of their country.

And now a joyful and holy Christmas to you all. G'bye.

St. Joseph's Asks Xmas Blessing for America

1-3 Thurs. . . 57th and Archer-Summit

Great events now face our country
Owing to the treachery and
Deceit of others.

Be ready to make sacrifices in whatever walk
Life has placed us.
Everyone should rally to
Support our country by all standing
Shoulder to shoulder.

As Knights of Columbus our
Members can, and will, make
Every effort to this end.
Right is might and we know that God
Is always with the Right. Our
Country, our homes depend on our
Activities and in this troubled time.

Although some have felt our country in
No danger, we must all now
Devote our energies to freeing people
from fear or slavery.

As we have this task
Let us not be afraid in this
Land of Liberty.

And surely, they who
Menace freedom and liberty will
Emerge from this struggle vanquished as
with all enemies of
Religion and freedom.
In the fullest confidence we
Can enter into this cause
And know, that where
Now there may be sorrow, there will
Shine forth "Peace on Earth—Good Will
to Men."

We cannot truly say a Happy Christmas, because for some there is sorrow, but we can say a Blessed Christmas which comes from your officers, to all our members, their families and to all Americans.

Dowling Santa to Entertain Kiddies Sunday Afternoon

2-4 Tues. . . . . 3625 S. Hoyne

Sunday afternoon, December 21, at 2 o'clock, our council will hold its Christmas Party for the children of our members at St. Maurice's Hall, 3625 S. Hoyne Ave.

You were mailed a card requesting you to return to Bro. Charles Juric the number of children you would bring with you. This is very important, but if you failed to send in the card Chairman Juric wants you to bring the youngsters up anyway. Our Lecturer Dunne has planned an afternoon of real entertainment, movies and a surprise. He has left this affair in the capable hands of Bro. Juric and because of the large number of kiddies in the council it was necessary to limit the party to our members' children.

We will have a real live Santa Claus and from past experience I can vouch for his ability to spread happiness among the little ones. Your chairman and lecturer are asking your co-operation.

Our next regular meeting will be on Tuesday evening, December 23, and will be a short business meeting. Matters of importance are to be taken up. Your presence is requested.

MEMBERSHIP

Our council, under the splendid leadership of Chairman Tom Gallagher, is back in that old Dowling spirit, bringing in applications for membership. Our new medical examiner, Dr. John Bruen, has turned in 10 applications and, believe me, that is support 100%. His colleague, Dr. Brosnan, is responsible for a new member.

We held a degree in conjunction with other South Side Councils last week and we put 10 men through the First and Second degree on Friday night at Madonna Clubhouse and 20 or more took the major degree at Leo Clubhouse on Sunday afternoon. Our chairman already has about 15 candidates to take the next degree. If you have a prospect sign him up for this next class.

GEORGE CONNELLY, SR., is chairman of our drive in benefit of our boys in service, Mayslake Retreat and our own council. If you did not hear from him, he is anxious that you phone him for particulars, Laf. 1038.

LEO M. FLYNN NIGHT DANCE

The time is creeping up on us and our winter dance designated as S.D. Leo M. Flynn Night will be a reality. George W. Connelly, Sr., is chairman and with the help of our hard working lecturer, Earl Dunne, they seem to be well organized.

The date is Saturday evening, January 24, 1942, at the American Legion Hall, 44th Street and S. Western Ave. The committee has many surprises for those that attend. Watch your Columbian for details.

CUFF NOTES

EUGENE CONNELLY is the proud daddy of a 10-pound baby boy. Gene passed the cigars and was pretty chesty. The new arrival was born last Sunday at the Holy Cross Hospital. Mrs. Connelly and baby are doing nicely and, by the way, George Connelly, Sr., is just as proud, as he is the grandpa.

PRIVATE BILL PRANSKY, the son of our trustee, Tom, is in the Medical Division, Jefferson Barracks, St. Louis, Mo. Bill's soft ball and hard ball team was the champions. He was a member of our soft ball team in the council. Drop him a line.

PHIL LULLO, one of our new members, has opened a service station at Archer and Spaulding Ave. When in the neighborhood drop in and say hello.

Remember, our recorder wants the location of any of our members that join the service. If you know of any, give Tom Gallagher the information.

Your G.K. Frank J. Barker and your officers wish all the members and their families a merry Christmas and a happy and prosperous New Year.

Remember the Christmas Cheer Fund; if you have not sent in your quarter, do so now.

Mrs. Wunder, the mother of our Worthy Chaplain, Father Wunder, has been ill for some time and is in a serious condition. We request your prayers for her speedy recovery.

PIN TUMBLERS

I understand Dr. Brosnan got hot and shot a 186 game recently, winning for his team. Fine work; keep it up, Doc. Art Christin is back on his old job again and should get back into production with his bowling; he has been a little off colately.

Harry Lepenske had a cheering sect present last week—his wife and son. B. Bill Brosnan, our former inside guard, v on the job to root for Doc. George M. holland was also represented by his sis and brother-in-law, Mr. and Mrs. Holly, and, of course, Ed Blyth had R on the job.

Dr. Joe Laibe is a very congenial h as he sets them up for both teams bowling nights.

We will have a couple of weeks' during the holidays, as Christmas a New Year's fall on our bowling nigh and we therefore will be idle.

CONDOLENCE

Mrs. Thomas Jankowski, the loving w of Bro. Tom and mother of Bro. Har passed away to her eternal reward Sunday. She was buried on Thursd from funeral chapel at 18th Place a Paulina Street. Many of the membe turned out to pay their respects. extend our sincere sympathy to her fa ily and pray for the repose of her soul.

How man of our members will be able to giv again at Christmas in 1942? Give to thos who will be able to carry on when yo are gone. As Bro. Hough says, "Th Knights of Columbus step into the place vacated by parents now gone—to brin to these orphaned the personal gifts o toys and playthings they long for."

St. Philip Neri Council will celebrat its 25th anniversary next month at Sout Shore Country Club co-incident with th second world war, according to Patric Woods, chairman. He said:

The members will not only cele brate its own anniversary but it also wi pray like we did in the last conflict fo victory." Triumph came in the last worl war to this country and it will com again. Dan. O'Connell Has a Record Class at Degree Ceremony

& 4 Tues. . . . . 1016 N. Dearborn

Daniel O'Connell council extends a most hearty welcome to the following men who have successfully journeyed through their trip to full Knighthood. These men have completed their three degrees in our order. They joined the ranks of Daniel O'Connell council last Friday evening at Belmont Hall when the largest class to ever have taken its degree at one time, was inducted into our great order.

The "McAuliff Meier" class initiated last Friday evening was made up of the following men: Carl Scimeca, Anthony Goliardo, Sam Cirone, Leonard Soduto, Reno Mateelli, Sebastian Musso, Sam LaScola, Joseph Reggio, Ben Curera, Sam Cannella, Joseph Milone, Sam Cassata, Anthony DeMellio, Frank Canella, Rev. Likewise, don't forget the Christmas Cheer Committee. This year, more than ever, your contributions should be forthcoming immediately. Your small donation can do so much good.

SICK LIST

Our chairman of the sick and relief committee reports the following: Bro. Michael Maloney, whom we see around the meetings occasionally, is suffering from an attack of ulcers, but manages to get around. We hope that it won't be long before you'll be a regular attendant at the meetings again, Mike. Bro. John Stubing, P.G.K., was for a time confined to St. Francis Hospital in Evanston, but at the last meeting it was reported he is recovering very rapidly. Bro. Leonard Calomea is up and around again after a siege which kept him in bed for sometime. Bro. Frank Viveritto's father is ill, likewise. Bro. Di Bella's daughter is not feeing so well. Our best wishes for a speedy recovery to all.

Next Tuesday eve., Dec. 23, there will be a very short meeting of the council, the reason for the meeting so close to Christmas, is that we may, first, get as many of your contributions as possible for the Christmas Cheer fund and, second, so that we may take up some of the problems of our Dance Committee. Please remember that the meeting will be a short one, and though short it will be a very important one.

May I take this opportunity to wish you all a very Merry Christmas from the Officers of Daniel O'Connell Council.

PERSON OF SANTA HAS SAINT COUNTERPART

Santa Claus, as he is known throughout America—a round, genial person pictured in the famous poem "'Twas the Night Before Christmas"—and in Europe as a Saint with a bundle of toys, comes originally from an authentic Saint of the Church, St. Nicholas, Archbishop of Myra.

St. Nicholas lived in the Fourth Century and has been honored with great veneration in both the Greek and Latin churches for many ages. The idea of connecting him with the dreams of childhood and the bestowal of gifts derives from the fact that St. Nicholas really is known as the patron of children, having from infancy exhibited great virtue and child-like humility, which he retained throughout life, and finding his greatest consolation in the bestowal of alms and in assisting the poor. His Feast is Dec. 6.

Msgr. John Ryan Lauds Rabbi

Washington. — The death of Rabbi Edward L. Israel, 45, of Baltimore in Cincinnati was characterized by the Rt. Rev. Monsignor John A. Ryan, director of the social action department of the NCWC, as a loss to the United States of one of its ablest men and one of its strict foes of Communism. Dr. Israel had been a prominent leader in the socio-economic field, and died while in Cincinnati to be installed as executive director of the Union of American Hebrew Congregations.

Honorary Members of St. James Council

Six outstanding Knights of Columbus were accorded the distinction of Honorary Membership in the Order last week at St. James Council in an impressive ceremonial.

Recipients of the degree were, front row: Brothers Patrick Duffy, John Flavin, Edward Hamilton, John P. King, Joseph MacGillivray and Michael J. McGuire.

Rear row: Officers, Recorder McKenna, Warden Wehle, Deputy Grand Knight Groark, Grand Knight McKean, Chancellor Strobel, Financial Secretary Bryar and Treasurer Quinn.

NEXT MEETING

The next meeting will be Dec. 22. Santa Claus has promised to be with us at 8:00 P. M. and we are told that he will bring a Christmas tree, toys, candy, ice cream and cake for all good little boys and girls. Santa asks the kiddies to bring their mothers as he will have some cake and coffee for them and he promises to have you all tucked in bed by at least 10 P. M. for the party will be over at 9:30 P. M.

There will be a super-special surprise for every member who attends the meeting which will start at 8:00 P. M. SHARP and will be over at 8:30. Please be at the Hayes Hotel before 8:00 P. M. so we can have the meeting and party over early.

The Scribe of St. James extends an invitation to the Scribe of Madonna Council so Mutter's Little Man can tell Santa Claus what he wants for Christmas. This invitation is also extended to Editor H. F. DuChateau who I know will enjoy seeing Bro. Ralph Donegan speaking to Santa Claus. (Not unless he gets out of those "short pants" I won't enjoy it! ED.)

Bro. Charles Zeller, PGK of Loyola-Hyde Park and news commentator over Station WIND will be our guest of honor for the evening and will have a very interesting talk on current events.

HONORARY DEGREES

This week's column is a follow up of last week's issue so to really appreciate the picture take last issue and follow the names on the picture with the write up each of the members was tendered. Those desiring pictures contact Dr. C. J. Strobel, they will be available at cost.

THE FOURTH DEGREE Club announces that the party will start about 9:30 P. M. Dec. 31st and end about — ? Yes, that's right! Just about that time maybe. All it will cost will be $4.40 including tax. Music by Joe Roener's Band. The food will be good and wholesome and is being purchased from a reliable concern. Bro. Jerry Laughlin, the council's meat dealer, is furnishing the meat, so we will have the usual fine grade of meat to serve the party.

A staff of Throat Specialists has been very busy these days diagnosing the case of vocal troubles of Bro. Walter Kilgallen. Reports are that he has been using his voice too much these's days maybe to Miss Marge Roach. Doctors reports are that this trouble will be cleared up in about thirty-seven days, to be exact. Watch this column for future reports.

I wonder how many of you brothers read the other columns in the Columbian. I sure enjoy following Madonna's and numerous other columns. Now I confess that I am not a Tribune Reporter but I try to give you the facts as they are and not as how I would like them to be. I ask you all to bear with me and help my efforts in writing the facts by contributing to the column with any newsy article you may have.

SANTA MARIA KNIGHTS TO RECEIVE COMMUNION NEXT SUNDAY MORNING

2-4 Thurs. . . . . 9020 Commercial Ave.

Make a big red circle around Sunday, December 21. That is the date that Santa Maria Council will receive its semi-annual Communion at the 8 o clock Mass at St. Peter and Paul Church. Both our Chaplain, Father Terlecke, and our Grand Knight, Joe Komar, urge every member to make a super-effort to be at the church and receive. Now, more than ever before, we all need the consolation and succor of the sacraments and there is no better way to receive the utmost of these graces than to partake of them in a group. Immediately following the Mass, Father Terlecke has invited us to breakfast in the parish hall.

CHRISTMAS CHEER: Trustee Joseph Gerlich, as is his custom each year, is busy collecting Christmas Cheer donations. You are well acquainted with the excellent purposes of this fund, but we don't think you realize how the demands have been growing each year. Every donation, no matter how small, is needed. See Bro. Gerlich before Christmas and make sure that he gets your donation. We would prefer that you give it to him rather than sending it in individually.

THANK YOU

My family and I wish to thank all the brothers who were so very kind and understanding, both by coming to our house and in thinking of us, during our sad bereavement upon the passing of our Dad, John P. Mortimer.

We know all of our brothers will be glad to learn that P.G.K. Jim Conners who has been so very ill for the past year is up and around again. He hopes to be attending meetings again very soon.

A very Merry Christmas and a most prosperous New Year to you all!

St. Rita's Mortgage Dance Tops Even Best Expectations

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Nearly 500 members and friends of St. Rita Council attended the Home Association's "Mortgage Party" at Flynn's Hall, 3236 W. 63rd St., last Saturday night, and when the door swung shut at about 1:30 a. m., if there was one among them who didn't have a good time he must have been anti-social.

From our point of vantage on the West Side of the hall, it seemed everybody was in the pink—and a few gave indication that they would be in the gray the next morning . . . especially Connie O'Sullivan. He insisted on putting on the Chattanooga Cho-Cho in the flesh (or maybe it was a conga line, we don't know), but anyway there was no dearth of applicants.

The music of Art Dunne and his orchestra was all that could be desired—EXCEPT the next time the Beer Barrel Polka and its ilk gets rolled out we wish it would stay there. Matt Nellis and John McCormick were pirouetting in fine fashion, although the latter had to have Chuck Jarr, Jim Sheridan and Pete Johnen close at hand to protect him from irate escorts.

Many of the brothers gave up their time to helping Chairman Harold Hilbert. Among those we saw hard at work were Ed Lain, Joe Philbin, Art Manfredi, John McGowan, Pete Salvatori, Bruno Fracassi, Art Manfredi, Connie O'Sullivan, Ted Lee, Jack Bracken, Ted Ranicke, John Bernoski, Herman Kurent, Frank Karbowski, Jack Robinson, Jack Devlin, Joe Shanahan . . . and many others, whose names escape us at the moment.

The ad and patron list was a success. Chairman Hilbert reports that it brought a little over $1,000 into the coffers. Just what the Home Association will net on the affair has not yet been determined.

CONDOLENCE

The entire membership of St. Rita Council extends its most heartfelt sympathy to P.G.K. Dr. Matt Hoffman on the loss of his mother who passed away a week ago Monday in Altoona, Canada.

Dearborn Stages Christmas Party for Families Sun.

1-3 Thurs.....820 W. Garfield Blvd.

The column this week is dedicated to all the children of the members of Fort Dearborn Council, so gather 'round, kids, and have daddy tell you all about our Christmas party Sunday, Dec. 21. It will be held in the McHale Clubhouse at 69th St. and Wentworth Ave., at 3:15 Sunday afternoon.

Santa Claus will be there to give you his greetings and a gift; there will be a clown who has a fine program all arranged for you. Mother is invited, too, so tell her she should have dinner early and be there to see you have the time of your life. So we'll be seeing all you children at McHale Clubhouse next Sunday, and we know that Santa will help you have a Merry Christmas.

FOURTH DEGREE

The Silk Hat Club at its last meeting elected Bro. John Engeln president for the next year. Bro. Oscar Heilmann was re-elected vice-president and Bro. Frank Gerry re-elected secretary-treasurer. Bro. Geo. Albert was again elected as the marshal and those elected on the board of directors are as follows: Bros. Tom Linklater, Al Riley, John Logan, Tony Pidone and Fred Beyer.

We congratulate all these men upon their election to office and wish right now to pledge our staunch support to their efforts throughout the ensuing year.

A very special invitation was extended on the part of Bro. Frank Bicek when he invited all the Silkers to have the installation of officers at his restaurant on the north side. Frank has a long-standing reputation for his ham dinners, and we are very anxiously waiting for Tuesday, Jan. 6, to arrive. May we take this opportunity to thank Frank for his generosity and hospitality.

The Silk Hat Auxiliary also held its election of officers for the coming year on Dec. 5 at the home of Mrs. John Downes. The ladies report that they elected the following to office: Mrs. R. M. Kerwin, president; Mrs. John Downes, vice-president; Mrs. Stephen Ruff, treasurer, and Mrs. Michael Mullee, secretary.

NEWS ABOUT KNIGHTS

As the holidays are almost upon us and there is the possibility that there will be a few of the boys of Uncle Sam's service in Chicago, we would like to take this opportunity to invite them to attend any and all of the meetings or activities which will occur during the time they are home.

Bro. Wm. Lynn is well again and we are glad to see him in circulation. He carried away the $15 trapper award at the last meeting, you know, but we haven't heard yet what he did with it.

One of Dearborn's oldest members, Bro. Thos. Boudrie, just returned from an extensive trip through the South and Southeast. He is reported to have taken some fine movies of the trip which we would like to see some time in the council chambers.

The year is coming to a close, brothers, and it will be well to look at your dues book in an effort to ascertain whether or not you are delinquent. If you owe one month or more you are not up to par, and may we suggest that you see the financial secretary.

Congratulations are in order for the newly-elected members of the K. of C. Softball League, who are as follows: Bros. John Miner, St. Philip Neri, president; John Burke, St. Patrick, vice-president; Nicholas Masse, St. Francis, secretary; John Logan, Fort Dearborn, treasurer, and Joseph Hannopie, Englewood, sergeant-at-arms. PGK Joe McGreal, past president of the league, is to be complimented upon the very successful year he had with the various teams.

Father Engeln, pastor of St. Martin's Church, announces the Holy Name benefit party every Friday night in the school hall at 59th and Princeton Ave., and invites all Dearborn members to attend.

The request for more bowlers has been sent out, so if there are any of you fellows who want to bowl, get in touch with John Logan or go to the Western Recreation alleys on Monday nights and you will be given a place on a team.

SINCE NOV. 15 the following men have answered the call for mercy and have given transfusions: Bros. F. Wilhelm, Mercy Hospital, Nov. 15; J. Clambrone, Alexian Brothers, Nov. 19; Geo. Riley, Michael Reese, Nov. 25; John Lux, Michael Reese, Nov. 27; John Sabastian, Michael Reese, Nov. 28; G. Gerding, Michael Reese, Nov. 29, and Frank Gerry, who went to Mercy Hospital and found that the doctor had cancelled the transfusion Dec. 13.

Bro. Jas. Kittrick, who was appointed in charge of the blood donor work in the council due to the fact that PGK Bob DuMais has many other duties to attend, announces that he can be reached during the hours of 8:30 a. m. to 5 p. m. at work at Went. 3144, and before or after those hours at his home, Yards 3298.

ANNOUNCEMENT

GK Ty Hyland of Calumet Council requests us to announce that Calumet Council will celebrate its 40th anniversary on New Year's Eve at Fr. Perez Council Clubhouse, 6710 S. May St. Five-fifty per couple includes dancing to a first-class orchestra, food, beverages and favors. Reservations should be made with Wilfred Byrne, Stew. 9067, or Terrence Scully, Fair. 2889.

CONDOLENCES of this council are extended to Bro. Joe Lenz, whose mother has just passed away. We pray that the good Lord grant her eternal rest.

WORD has just arrived that Bro. Chas. Read's wife is in St. Bernard's Hospital, having had an operation early this week. We hope she is now on the road to recovery and will be back home soon.

GREETINGS FROM THE G. K.

Brother Knights: At this time of the year when the spirit of brotherly love is highly evident, I am imbued with the desire to express the happiness in my heart to all members of Fort Dearborn. Mere words cannot convey the profound appreciation and gratitude that is mine for the wholehearted and splendid cooperation of each officer and member of the council. To you and yours permit me to extend my best wishes for a happy and joyous Christmas and a New Year abundant with health and prosperity.—Fraternally yours, John J. Devereaux, Grand Knight.

Columbus Sends Good Class to the Retreat at Mayslake Last Week

2-4 Tues.....6932 N. Clark St.

Nine members of the council made the retreat at Mayslake last weekend, which was sponsored by Columbus Council. They were Bros. Nietschmann, Shay, Schuler, Fitzgerald, Sweeney, MacAlinden, Schmidt, Roche and Dollahan. There were eleven other knights in the class of sixty. Among these were John Hesse, chairman of the retreat committee of Chicago Chapter.

Bro. Hesse gave one of his usual eloquent talks in which he described his efforts for the retreat movement among the Knights of Columbus. Approximately a thousand knights made the retreat at Mayslake during the year 1941.

We retreatants did not get the news of the war until late Sunday evening. Of course, it came as a tremendous shock and the retreat as a consequence will be a memorable one.

Would it not be in order for the council to adopt a resolution that all members in the Army, Navy or Marine Corps would not be obliged to pay dues during their period of service? And couldn't we go further in doing something for every member of our council who goes into service? We could, for instance, remember these men periodically with some useful gift. In this way we would be taking care of our own in a small way. Of course, nationally, the Knights of Columbus will play again the glorious role they played in the last war. Although too young to experience it, I've read and heard that the Knights of Columbus emerged from the last conflict with the unqualified praise of Catholics, Protestants and Jews alike.

Our Grand Knight, Al Irving, reports that his children should be out of quarantine in a day or two. They have had scarlet fever. We're all glad to hear this news.

A reminder came through the mail today of the Christmas Cheer Fund. If you haven't already done so, send your contribution to our chairman, Ed Roche, at 1704 Greenleaf Avenue.

Word has reached me of the death this week of John J. Hartman at the ripe age of 84 years and seven months. Mr. Hartman was a charter member of Marquette Council and had many friends in Columbus Council who will regret his passing. He was a grand old gentleman and a loyal Knight of Columbus. Condolences are extended to his family.

To end this column on a frivalous note, have you noticed the penchant Harold Borchardt has developed lately for those beautiful colorful bow ties that match his complexion. As far as I've been able to observe they haven't brought him any luck yet in poker!

Don't forget Monday evening deadline for next TWO Columbian issues!

CHI. HEIGHTS TO PRESENT MEMBERS WITH TURKEYS AT MONDAY'S MEETING

2-4 Monday . . . . . 1537 Otto Blvd.

Our next meeting, December 22, will be one that should be attended by all. As a special inducement our Lecturer, Oscar Fox, has arranged to give away, absolutely free, several turkeys. Just thinking about a nice roasted turkey for Christmas dinner makes my mouth water, and to get one for nothing, oh boy!

Call up some of the brothers that haven't been attending regularly and arrange to bring them along. Let's have a good turn-out for the last meeting of the year.

MEMBER ITEMS

Well, brothers, it happened. Cupid's arrow gave D.G.K. Walter McMurray a mighty sting. He and Bernice Keilman were married on Saturday, December 13, at St. Agnes Church. The entire council extend to the happy couple their best wishes. G.K. Pallo was rather disappointed because Walter wouldn't tell him where he was going to spend his honeymoon.

Our bowling team didn't do so good their last time out, losing three games to St. Agnes. "Deadeye" Kempen, with his new ball and shoes, rolled 547 to beat us. The boys have blood in their eyes and are determined to defeat the enemy next time out.

This being the last issue of the Columbian before Christmas, your officers wish to take this opportunity of extending to the entire membership the holiday greeting of a Very Merry Christmas.

Watch the next issue of the Columbian for a place to spend New Year's Eve. One of our neighboring councils is holding a real celebration. More details next time. Keep this date open.

St. Augustine Makes Appeal for Support to Christmas Cheer

1-3 Monday . . . . . 5209 S. Justine St.

On behalf of G. K. George Copps and all the officers of St. Augustine Council, let us take this opportunity to extend to each and every member and his family best wishes for a very Merry Christmas. Let us all be thankful that we live in a land where we can still enjoy a Merry Christmas.

And lest we forget, have you made your contribution to the Chicago Chapter Christmas Cheer committee? Any little bit you can give will add to the happiness of some less fortunate family on Christmas morning.

Important events coming up in the near future are the Council Retreat at Mayslake on January 16th (more details about this at a later date); the 2nd Annual Snowball Party at the clubhouse on January 31st, and the State Bowling Tournament at the CYO Alleys on January 10th. Remember these dates.

THREE MASSES SAID ON CHRISTMAS HAVE SPECIAL CHARACTER

Each of the three Masses of Christmas (which in the Roman Rite date from the time of St. Gregory the Great) has its own special character. The first, at midnight, called of the Angels, because of its Gospel, the second, at daybreak, called for the Shepherds for the same reason; the third, which honors the eternal Generation of the Word, is the Solemn Mass of the Feast.

Medieval liturgists tell us the first Mass should recall Our Lord's human birth, the second His birth in the hearts of Christians and the third His eternal birth in the bosom of the Father.

Sending of Christmas Cards Is Old Custom

People who have made a study of the subject say the Christmas card as we have it today is about a century old.

While factions split on the date, all seem agreed that the current practice originated in England. Some say the Christmas card did not make its appearance until 1846, while other authorities say research in the British museum has revealed one brought out in 1842. It was about 1860 before the practice became at all widespread.

Chicago Invites Banner Turnout for Dec. 20 Party

2-4 Tues. . . . . 64 E. Lake St.

The most important date on your calendar of activities for the immediate future is December 20, the night of our annual Christmas Party. Our regular meeting was advanced from Tuesday, December 23, to Saturday, December 20, so that all members and their ladies might have a better opportunity to be present. Our regular meeting will start at 7:45, but will be adjourned almost immediately so that the festivities of the evening can commence without delay.

Be sure that the ladies plan to be present not later than 8:30 p. m. In these trying times we need some relaxation and release from worry and care and there is no better way of getting it than by attending the Christmas Party.

Chicago Council still is one of the leaders in the program of the National Catholic Community Service. Only last Sunday our talented and most generous brother, Mat Schulien, furnished the entertainment at the U.S.O.-NCCS Club here. We are all familiar with the excellence of Mat's performance and you can be sure that the service men and the other guests at the Center were delighted by his performance.

CHRISTMAS CHARITY

"And the greatest of these is charity." Our thoughts at Christmas time, in Christian charity, turns to those less fortunate than ourselves and inspire those little sacrifices which help to remind us of the true significance of Christmas Day. One of those little sacrifices, and little, indeed, it is, consists of the donation of twenty-five cents, which we are each asked to make to the Christmas Cheer Fund of the Chicago Chapter.

Almost 80 per cent of our members have thus far made their small contribution. If you are not among them, will you please send your contribution to our Financial Secretary so that Chicago Council will again be the leading council in this work. Our Financial Secretary, Nick Reuland, extends a word of appreciation and thanks for your splendid cooperation and support.

The names and present addresses of our brothers in the armed services of the United States are as follows:

John R. Bulger, Jr., H. & S. Co., 108th Engineers' Combat, Camp Forrest, Tennessee.

John J. Deutsch, 211th Coast Artillery (AA). Battery F, Camp Hulen, Texas.

Anthony S. Raia, Medical Detachment, Gowen Field, Boise, Idaho.

Leonard G. Gorski, Headquarters Battery 14th C.A., Fort Casey, Washington.

Edward Mulcrone, Lovell General Hospital, Fort Devons, Massachusetts.

You can help to make Christmas brighter and more cheerful for these boys in the service by sending them a card to indicate that we are all thinking of them and wishing them well. Immediately after the first of the year, two others will join their comrades. They are John Brisch and John L. Donnellan.

OUR BOWLERS succeeded in winning two games last week from Feehan Council, but lost the third game by four pins. Jim Minnick was high man for three games with a total of 573 and a 213 high game. Leo Franz had high game of 237 and a three-game total of 564. The play will be resumed on January 9, 1942. Chicago Council has ten members entered in the K. of C. State Bowling Tournament at the C.Y.O. allies. Stop in and watch the boys perform.

Blue Island Urges Prompt Donations to Christmas Cheer Fund

1-3 Tues. . . . Gregory and St.

We must remember that the Xmas Cheer Committee under P. G. K. Gaboriault is awaiting our donations. It is your duty to help make a merry Xmas for some orphan in one of the many orphanages visited by the Xmas Cheer Committee.

Once again congratulations are extended to D. G. K. Dohrman upon the birth of another grandchild last week. Granddad twice this year ain't bad, Pat! My man Friday tells me Charles Kysiak is a dad of a future K. C. Congrats, Charles.

Calumet Council is celebrating its 40th anniversary on New Year's Eve at the Father Perez Clubhouse at 6710 South May Street. The entree is $5.50 per couple. Dancing, food and favors. (How about an Annie Oakley to the scribe?) If you want to get your reservations in early call W. J. Byrne at Stewart 9067 or Terry Scully at Fair. 2889.

BOWLING

The Marks team had another bad night on the Chayken alleys when they met the Landgraf team, who took two games from the clothiers. Chovanee again was high man for the losers with 516, while Kirch took honors for the victors with 581. The Hickeys fared no better when the Martins licked them 2 to 1. Komada kept the Martin team in front with 569, while De Vincenti garnered 480 for the Hot Shots. The Marks and Hickeys teams met last Wednesday night. More info next issue.

The Einhorn Beverages were too much for the Hallinans, 'cause they dropped two. Maybe Pajak had something else on his mind besides bowling. Rosaves led the victors with 469, while Pajak had 488 for the losers.

Zamaituk led the Haas team to a 3 game victory over the Gerdes Builders. Little "Nappie" had a 514 series, while Joe Gabay came home with 481 for the Carpenters. The standings:

	W.	L.	Avg.
Einhorn	23	16	761
Marks	22	17	750
Landgrafs	22	17	744
Martin	22	17	750
Haas	22	17	772
Gerdes	17	22	728
Hickey	17	22	778
Hallinan	15	24	781

The Sick Committee reports that Father Pensabene is resting nicely and wishes to be remembered to all. We are very happy to report that Bro. Charles Hawker is back at work again. Ditto for Bro. Syl Collver.

The council extends a wish for a very Merry Xmas to all its members.

Weber Will Receive Holy Communion at St. Pancratius Sun.

1-3 Mon. . . . . 4758 S. Puiaski Rd.

On Sunday, Dec. 21, 1941, Archbishop Weber Council will receive Holy Communion at Saint Pancratius Church. Bro. John Trzos, Catholic Action chairman, has made arrangements for the Holy Name Society of the parish to join Weber Council in forming one great body to partake of the Holy Bread with our Lord Jesus Christ.

Especially now, during the Christmas cycle of the church year, is the opportune time for men to gather in prayer and beg the Lord to spare the world from further turmoils and griefs of war. Furthermore it is your solemn duty as a member and brother of the Knights of Columbus to go to confession on Saturday, Dec. 20, and approach the altar railing on Sunday to receive the Holy Eucharist.

Grand Knight Jos. Nowakowski requests the Fourth Degree members to be present in full regalia and to be there 100 per cent.

DANCE REPORT

I saw Bro. Anton Kraft the other day and he seemed a little worried. Bro. Kraft is the chairman of the dance committee and his worries were mainly, how are the tickets going. The dance will be held on Saturday, Jan. 31, at Court Ballroom. Why not give Bro. Kraft a break and not let him worry so much. If you've sold any tickets, turn your money in and let the man ease his mind.

LAST SUNDAY I had the pleasure of witnessing the exemplification of the Third Degree at Leo Council's clubhouse. It's a pity that some of our brother Knights were not present to once again review the meaning of fraternal love. So help me they would learn a few things all over again. From some of the rumors going around, it seems that there are a few pretty bad sports. Since we're all past our 3 times 7 we should have a little more sense than to act like a bunch of spoiled kids. Be a man and show it. Don't hold any grudges toward anyone, because I doubt whether it will do you any good. Remember . . . Brotherly Love, —and Do unto others as you would have done unto yourself. In unity there is strength.

If I'm not mistaken, your next meeting will take place in the new council chambers. You will be notified of that fact in plenty of time.

And by the way, how about getting the jump on the membership chairman by presenting the council with a couple of new applications with the coming of the new year.

Don't forget Monday evening deadline for next TWO Columbian issues!

Barry Children's Party All Ready for This Sunday

1-3 Tues. . . . 2856 Washington Blvd.

On December 21 Barry will sponsor a children's party for the children of members of Barry, both boys and girls up to the age of ten years. The party will follow along the lines so dear to the hearts of children; games, ice cream, cake, gifts, and Santa Claus. Come one, come all—and bring the children!

BOWLING NEWS

In the west side K. of C. Bowling League, the Barry Madors took two games from St. Patrick Council, one of which was a tie, and which Barry won in the roll off. The scores were as follows:

Barry	917	790	908
St. Patrick	917	832	816

Frank Lane was high man for Barry with games of 220, 178 and 211, a total of 609. Kucers was second high with a total of 567 and the boys were only one game out of first place and on December 19 Barry will bowl with St. Paul of the Cross, then there will be no bowling for the two weeks following on account of the holidays.

Frank Kadlec, one of Barry's bowlers, has become the proud father of a bouncing baby son, and we hope that some day Robert Frank Kadlec will be enrolled as a member of Barry Council.

FOREIGN NEWS

In these columns a few weeks ago, you will recall there was an article regarding the death from bombing of Brother Tom Hoskin's cousin in Plymouth, England. To top this off, Brother Hoskin received a censored letter from Plymouth, England, to the effect that two more of his family had met their deaths in the same manner. I saw this letter and it looked as though some youngster had been using it to cut out paper dolls. It was literally in ribbons.

I found it so interesting that I am passing it on to you. The letter goes as follows:

"Dear Tom: I received your letter on October 10th, which I see you posted on August 14th.——I cannot think why it took eight weeks to get here.——Our home at 5 Clarendon Place (to which you mailed the letter) has been so badly Blitzed that it is quite uninhabitable and must continue to remain empty.——You will be sorry to hear that our brother and sister, Ernie and May, were both killed in an Air Raid Shelter built under——where they were trapped——with lots of people who——and except for one young chap, all lost their lives. Allie, Will and myself came to——after three nights of terror when houses were toppling down every few minutes and the whole ghastly, hellish business——people were being killed all around us.——Of course, you must know by now that Plymouth, Stonehouse, and Devonport are in ruins, including the famous——where we used to get air raid warnings several times during the day and night. Headmasters Georges home and adjacent school buildings have been blown up and most of the children evacuated——brother John and his wife are associated with the British Telegraph Secret Service.——Jack and Newton are both engaged in the Air Raid Precaution service known as RARP.——

"Eddie is doing special war work with——in the Royal Dock Yard, and Bill has an important position as——in the Royal Victualing Yard——it will be a great joy, my dear Tom, when this terrible war is over, but the end, God help us, does not seem to be in sight. Your affectionate cousin Clytie."

This is what they have been going through over there for several months, and this letter is just a taste of what we can expect, so long as we are attacked by the same type of "gangsterism." Fortunately, we Americans are a type, that the tougher the going gets, the tighter we compress our lips and the more determined we are to rid ourselves of the plague. We have never lost a war and we never will.

Last week we learned that our Past Chaplain, Father William Gorman, on December 17, celebrated the twentieth anniversary of his ordination to the priesthood. The Officers and members of Barry Council extend to Father Bill their congratulations and best wishes.

BARRY BOWLING LEAGUE

After Thursday's bowling the league will have a two weeks' vacation on account of the holidays, and will star on the second round on Thursday, January 8, 1942. Kedzie Coal won two from Mid-West Auto Service with Joe Crowley getting a 558 series and 204 high game. John Foley had 530 series with 205 high game for Mid-West. These two scores are now second and third high individual series of the league.

Faucher Bros. won two from American Air Lines with Jimmy (Pesty) Conley shooting a 578 series and John Tamburrion getting high game with a 205 score. Anthony Imbrogno had high series for American Air Lines and also high game of 180.

United Air Lines went on a rampage after being in a slump for four weeks and took picks on Garfield Restaurant to tune of three wins. Ollie Klineman the flying bowler had high series with 550 and a 213 high game. Lou Rosenmayer had high series for Garfield with a 561 score and Jack Goggin had high game with 201. Little Jack Restaurant won two from Cunningham Insurance and kept their slim lead on first place. Captain George Rose had high series with 468 and Bill Murray had high game with 173. Jim Russell had high series for Cunningham with 488.

De Mares Coal won two from Recorder Kaindl with southpaw Lou Racine going to town with a 576 series and 210 high score. Frank (Duke) Lane shot a 532 series with a 204 high game. Our good friend and Lecturer Bill Kennelly has started to hit the little wooden soldiers as the young kegler shot a 532 series with scores of 161, 185 and 186.

Prize winners last week were Charley Svoma 242, Frank Kucera 206, Ollie Klineman 213, Frank Malone 203, Lou Racine 210, Anthony Imbrogno 180, Jack Bellazza 192, and Bill Kennelly 186.

Our good friend John Tamburrino tells us we will have about fifteen five men teams in the coming State K. of C. Bowling Tournament which will be bowled at C. Y. O. alleys located at Congress Street and Wabash Avenue, and the dates for the Barry squad are Saturday and Sunday, January 17 and 18.

Don't forget Monday evening deadline for next TWO Columbian issues!

De Soto's Degree Work Wins Praise of State Leaders

2-4 Fri. . . . . Clark and Belmont

On last Friday evening a capacity crowd of over 300 members from 16 North Side Councils packed De Soto's Council chambers to witness the induction of 133 candidates into the Third Deree. St. Cyr Council acted as host to this, the largest class ever inducted in Illinois.

De Soto's candidates initiated into the Third Degree were Bros. Ralph L. Curio, Thomas J. Gibbons, Michael J. O'Malley, Edward J. Schemitsch, James McNamara, Frank Krings, Laurence R. Brady, George J. Weber, Ferdinand Szolinger, James T. Paskett, Wm. Miller, L. F. Apostolo, Philip Malinger, Henry Gusenburger, John Schmidt, Joseph Casolary, George W. Schaeffer, Wayne O. Braid, Ed. H. Dahm, John C. Diver, Jos. H. Gottman, Jr., Thomas H. Getner, Robert W. Kilday, and Dr. John E. Maloney.

Word of the splendid presentations by De Soto's degree team has spread rapidly throughout the city. Last Sunday at the instance of general membership chairman, Guy Macina, our coterie of P.G.Ks, A. C. Birren, Jack Thomas, Peter N. Kandel and G.K. E. P. Scanlan, Chancellor C. J. Strehlow, Warden J. A. Cella, Ass't Warden James Hausman, Larry Mertes and Outside Guard Bill Jackson, opened the ceremonies at St. Francis Council's degrees held at St. Philip's high school aduditorium. Eighty-one candidates were initiated among them being Edward Jacoby of De Soto who took all three degrees, thus qualifying P.G.K. Julius M. Altenhofen for membership in the "111" Club.

CHRISTMAS CHEER

Although many members of De Soto have faithfully responded to the appeal of the Chicago Chapter's Christmas Cheer Committee, there are a great many members still to be heard from.

If you have not already made a contribution, kindly use the card and envelope mailed to you and help the Knights of Columbus see that Santa Claus visits these institutions. On Sunday afternoon Dec. 21st, he is expected to appear at the Angel Guardian Orphanage, 2001 Devon Ave. All members of De Soto are invited to be present to witness the happiness and excitement displayed by the children on this occasion.

KRIS KRINGLE will also make his annual appearance at De Soto's next meeting on Dec. 26. Lecturer Irving Schultz and his committee have been working overtime in making arrangements to fill De Soto's Christmas list.

MONDAY EVENING, Dec. 15, the Baldric and Sword Club held its annual election and placed the following members in office for the coming year: President, Bob Netzel; Vice-Pres., George Schuster; Sec'y, Ed. Gobat; Treas., Ed. Connell; Srgt-at-Arms, Clarence Bredeman; Ass't Srgt-at-Arms, Dick Schageman.

The members unanimously passed a resolution making Bro. Charley Pritzloff an honorary life member of the Board of Directors. In addition to enjoying a fine dinner each of the members was presented with a handsome Christmas present. Bros. Hank Nierman, Sr., "Zep" Idstein and Dick Schageman. also received birthday gifts.

COUNCIL ITEMS

We understand that Mrs. Henry L. Phoenix, wife of our Dist. Deputy, was suddenly taken ill on last Sunday and is confined at the Mercy Hospital. All De Soto joins in wishing her a speedy recovery.

Bro. John Snick is still very conspicuous at our meetings because of his absence. This fine weather and the Christmas spirit should bring John aroud to the next meeting.

P.G.K. Frank Wohlleber informs us that Bro. Harry Vollman recently made a donation of his blood to the wife of Bro. Walter Malicke, who is seriously ill. We certainly hope for her speedy recovery.

A recent issue of the New World carried the news that Betty Jane Sullivan, daughter of P.G.K. and Mrs. Ed. J. Sullivan, carried off third prize in horseback riding at the Fall Horse Show conducted at St. Mary of the Woods College, where she is a student.

The officers of De Soto and ye scribe join in extending to you our very best wishes for a very happy holiday season.

Gen. Sherman Urges Continued Effort in Member Campaign

1-3 Tues. . . . . 4300 W. North Ave.

Plans are all completed for the exemplification of the Third Degree and by the time you read this Sherman Council will have some twenty new members. Now is the time to start getting applications so we can have another class in the near future.

CHRISTMAS PARTY: Preparations are still going along and by the looks of things we will have a full house. We have a fine program arranged with entertainment for young and old. Once again may I urge you to send in the names and ages of your children so that Santa Claus may have a suitable gift for them. The party will be held at 2:30 Sunday afternoon, Dec. 28, at Our Lady of Angels' hall. Your Grand Knight and the committee have worked hard to put this party over so please give them a little co-operation and get the names in so no one is disappointed.

DRAFTEES, ATTENTION! Once more may I urge any member who is or might be drafted or enlists in our Country's Service to get in touch with Grand Knight Bert Welker or Fin. Sec'y Joe Deisenroth in order that they may be taken care of dues, Columbian, etc.

AROUND AND ABOUT

President Carl Brefeld informs me that the Fourth Degree dance was a howling success. Carl and the rest of the members wish to thank all of you who helped make this affair a success. Last meeting was Grand Knights gift night and we are sure that the little gift will be found to be very useful and appreciated as a memento for years to come.

At this time let me join your grand knight and the officers of Sherman Council in wishing you a very joyous, happy and Merry Christmas and let us all offer a prayer for a speedy and just settlement of the present conflict.

Lecturer Veysey has designated the first meeting to be held next year Tuesday, Jan. 6 as "New Year's Resolution Night." Let's all make the following New Years resolutions (1) To attend all meetings of General Sherman Council; (2) Give our wholehearted support to all council affairs, and (3) Let's get new members for Sherman Council.

BOWLING NEWS — Klinnert Hoff Braus sunk the leading Kolssak Undertakers two games last Thursday while Collin's Undertakers scalped the Cirone Barbers for three. Tremko's Lucky Strikes pied the Schmitz Printers for two. Roche Ellgass Morticians took the groceries from Royal Blue Store for two games while Glen Realty downed Jimmy's Lounge for two.

Phil Lies came up with a nice 232 game with Max Theil close with 225 Bob Shawfrank pitched a nice 213, Eddie Holterhoff 209, and Frank Veysey 201.

Oak Park Will Play Santa Monday Night to Council Children

2-4 Mon. . . . . 641 S. Scoville Ave., Oak Park, Illinois.

Oak Park's big Christmas Party will start at 7:30 Monday night, December 22nd, at the clubhouse. All the brother Knights are urged to bring the children when they come. It's their party this time, so be sure they are there to enjoy it.

The initiation at St. Philip's on Sunday, December 14th, was very successful. Two new members of Oak Park Council were initiated into the First, Second, and Third Degrees of the Order in the ceremonies which lasted all day. A hearty welcome is extended to Sidney McLain and to Michael P. Dawson, whom we are glad to have wth us. Two more members of Oak Park Council took their Third Degree Sunday, James J. Flanagan and Charles W. Sweeney, so now they are full-fledged members.

Now that 1941 is drawing to a close, Financial Secretary McCarthy is anxious to balance his books. Any member who is not fully paid up, should certainly square his account before the books close.

The bowling league is fast developing into anybody's race, with the leadership constantly changing. Plans are being discussed already for the Bowlers' Banquet at mid-season, some time in January.

One pin made the difference of four games between the Kedzie Coals and the Stiel's Tailors teams Tuesday, December 9th. Both captains had agreed to let the last game count for itself and also for the three games carried over from November, so the excitement was running high for the decisive game. It was almost too much for the Kedzie Coal Team. composed of Grand Knight Cagney and Brothers Schaefer, O'Donnell, Pusateri, and Fransioli, the whole lot of whom got only one "mark" in the tenth frame. But their total was just barely enough to nose out the Stiel's, composed of Captain Tom Stiel and Brothers Gearon, Brattan, and Veron, by the absolute minimum margin of one pin. This gave the Kedzie Coals the lead, for a while, at least.

Whichever team is ahead on Friday, December 19th, will have a chance to hold the lead for a couple of weeks anyway. No league games are scheduled for either Christmas week or New Year's week. The first regular bowling after the holidays will be on Tuesday, January 6th.

HILDEBRAND'S OFFICERS EXTEND BEST WISHES FOR MERRY CHRISTMAS

1-3 Thurs. . . . . 5711 W. Chicago

Through this column, Grand Knight Harry J. Leddy sends Christmas Greetings to all the members and their families, and adds a prayer that the Infant Saviour will shower choice gifts upon all during this joyous season. . . . P.G.K. Bill Murphy is back on the job after a three-week sojourn at home with an infected foot. . . . Some rumblings along the line warn us that a few of our choice young fellows are about to don the uniform for Uncle Sam. . . . And they're proud and happy to serve. . . . And proud are we to have such men in our ranks. . . . The proverbial birds were on deck at last meeting, and many of the boys were lucky enough to have their Christmas dinner on the Council. . . . And this is another reminder that Christmas Cheer is just as vital as ever, and we want all members to be listed among the donors of twenty-five cents or more. . . . Read about it in the news section of the Columbian.

Last week's scores show the O'Hara Undertakers showing the way with a twin victory over the Dean Steels and the J. P. Ryans taking the rubber from the Modern Cafe. . . . Our felicitations to Bill O'Shay, popular manager of the St. Philip Club, for his many courtesies to us. . . . Reverend P. G. Dougherty, O.S.M., our beloved Chaplain, sends word that he will not be with us during the Christmas Season. . . . Duties in the western part of the country prevent us from having that enjoyment.

Genoa Asks For Generous Aid to Christmas Cheer

1-3 Mon. . . . . 7439 Cottage Grove Ave.

Genoa Council held its last meeting for 1941 at the Council Chambers Monday evening. The matters of importance was the Christmas Cheer drive and the effort to secure a larger attendance at all meetings of the Council in the future.

With regard to the Christmas Cheer program the Council this year asks the members to respond directly to the Chicago Chapter with their donations.

If we but sit down and think of how much good can be accomplished by the accumulation of a large number of small donations we know that you will make your contribution. Perhaps your family will have a most joyful and bountiful Christmas—that is our hope and earnest desire; but there are a limited few that have no one to think of them and to offer them a kindly word of good cheer on this Day of Days. The Knights of Columbus through your generosity seek to fill the hearts of those so neglected.

OUR SOLDIERS

We have a fine representation from our Council in the armed forces of the United States. When you are sending out your Christmas cards why not send them one also. Here are most of the names that we have available at this writing with their correct addresses. Sergt. Joseph Markby, Jr., Batt. "M", 94th C. A. "AA", Camp Davis, North Carolina; Pvt. Robert Lovekin, Co. "A", 5th O. T. Bn., Aberdeen, Maryland; Pvt. Thos. H. Hardiman, 28th Signal Co. Spec. Troops, 28th Div., Indiantown Gap, Pa.; Pvt. Tom Moore, Jr., 124th F. A., Batt "B", Camp Forrest, Tenn.

Warden James Large is being given a workout these winter evenings since he has become an active member of the Barbershop Quartet at Grand Crossing Park. They are still looking for several more good leads and tenors. Any of the members or friends of Genoa interested in this avocation please contact Bro. Large or Mr. Ernest L. Rea, Park Supervisor at Radcliffe 3262.

Under the membership activity drive, we have come across the following persons, among others, who have not been at our meetings for quite some time. We would be very happy to see Bros. Arthur Stumpe, James J. Walsh, Martin J. O'Brien, John McQuillan, George McCarthy, Charles Butler, Albin Ulrich, Morgan Burtch and John T. Finn. How about trying to be present at the next meeting? We need your continued cooperation.

Since this is the last issue prior to the Christmas Holidays, G.K. Robert Stadler and the Officers of the Council take this opportunity to wish you all a very happy and pleasant Christmas and may the Infant Jesus bestow his choicest blessings on you and your families.

Calumet Council will celebrate its 40th anniversary on New Year's Eve at Father Perez Council Clubrooms, 6710 S. May St. The cost is $5.50 per couple and includes dancing to a first class orchestra, food, beverages and favors. You can't go wrong when two great councils unite in the major social event of the holiday season. For reservations phone Terrence P. Scully, Fairfax 2889 or Wilfred J. Byrne, Stewart 9067.

Ridge Finally Catches Up to Bowling Wizard and Here's the Dope

1-3 Tues. . . . . 8219 S. Halsted St.

Here it is at last, that long awaited Bowling News. The scribe finally contacted the man who knows. The teams are pushing along at a merry pace, keeping one jump ahead of each other. Feyerer Insurance is one game ahead of Sanderson Grocery, who is one game in front of K. & B. Tavern, last year's champs. K. & B. Tavern is just one jump ahead of Hopkins Service, who lead Hofmann Tavern by 3 games. The Landgrafs are on their heels, two games behind, and one game ahead of O'Brien Tavern, who lead the Hart Undertakers by one game.

A very merry race, if you ask me, with ten games separating the eight teams. Charles Proctor of Feyerers Insurance is having all the fun with high game 245 and high series 656. The boys will be gunning for him from now on, so you had better keep that speed ball working overtime, Charlie. Ridge will enter two teams in the coming State Tournament, which will be held at the CYO Alleys, Congress and Wabash, in January.

HEARD ABOUT TOWN: G.K. Ray Hallstein, D.G.K. Frank McGlinn, and Treasurer Mike Feyerer, with their wives, attended St. Rita's dance last Saturday evening, and reported having a fine time, winding up at Louie Georges for that hot food and cooling beverage.

CONDOLENCE: The officers and members of Ridge Council extend their heartfelt sympathy to Bro. Lee Hynds in the loss of his mother, who was buried last Tuesday from St. Barnabas Church. May her soul rest in peace.

The officers and scribe of Ridge Council take this opportunity to wish every member of Ridge a very, very Merry Christmas, and may you and yours be blessed with everything that is good on this festive morn. Don't forget your Christmas Cheer donation and yours will be a happier Christmas morn.

EDITOR ! ! ! Will gladly give you the address you asked for, but really don't think the phone number will help you—Wife in club work, daughter's boy friends know the number, when-in-ell do I get to use that Hello Contraption. Ketteler to Take Holy Communion Sun. at Bl. Agnes

2-4 Mon. . . . . 3437 Ogden Ave.

On this coming Sunday, December 21, Bishop Ketteler Council will receive Holy Communion in Blessed Agnes Church, 27th Street and Central Park, at seven o'clock Mass. Brothers are requested to meet at the hall north of the Church at quarter to seven.

Events of the past few weeks have caused us to think seriously about the dangers that threaten our way of life, but there is a greater danger that we should think of often—the dangers that confront our souls. Many of us have relatives and friends who are carrying the burden of fighting for everything we hold dear and we should make this effort of Catholic Action to unite in prayer for their welfare as well as our own.

It is essential, in these trying days, that we place our trust as a nation and as individuals in the hands of Omnipotent Creator, but this cannot be done by lip service alone. We must make an effort; we must exert ourselves to form a united prayer front just as our forces must form a united battle front. Our prayers and our effectiveness will depend on the numbers of individuals who are at this Communion Mass. Brother Knight, does this have any meaning to you, personally?

After Mass a breakfast will be served in the Parish Hall of Blessed Agnes parish and a short meeting will follow. Following this meeting Lecturer Thomas Bogan will play Santa Claus and will distribute a Christmas present to every member who attends. G.K. Edward Oakes and Lecturer Bogan have done some serious thinking over this matter and have selected an outstanding gift that will be treasured by anyone fortunate to receive one.

Fourth Degree members are requested to appear with their sword and baldric and to wear a black bow tie.

Brother Ray Schaber will be on hand to take care of the Christmas Cheer offerings of the members. This noteworthy work is dependent on the generosity of brothers for its success and it is hoped that every member of Bishop Ketteler Council will see to it personally that our Council will play a major role.

NEW MEMBERS

The drive for new members is getting under way in earnest. During the Christmas season you will meet many possible candidates and, if you ask them, you may surprise yourself by the number of applications you get.

PRESIDENT of the L.G.A., Thomas D. Bogan, and our worthy Chancellor, Joseph Milas, are planning for the Samuel P. White class of Fourth Degree Candidates. Many Third Degree members may have given this some thought in the past, but the theme of the degree should have a special appeal to every patriotic Knight today. See either of the above officers or Grand Knight Edward Oakes for details.

Bishop Ketteler Council will be represented in the coming K. of C. State Sweepstakes with fifteen bowling teams. It is a remarkable representation from a house league of sixteen teams and we extend our best wishes to the contestants.

We are grieved to report that Brother George Maschek passed away last week after a long illness. G.K. Edward Oakes led a group of brothers in offering prayer for the repose of his soul. Funeral services were held in Blessed Sacrament Church and interment in St. Adalbert's Cemetery. May his soul rest in peace.

There will be no council meeting Monday, December 22.

Brother Walter Swaider took a part in the degree sponsored by St. Francis Council on Sunday, December 14. Nice going, Walter.

G.K. Edward Oakes and the other officers of Bishop Ketteler Council take this opportunity to extend to the brothers their sincere wishes for a happy and blessed Christmas.

KETTELER BOWLING NEWS

The Bona Drugs are encountering a little more opposition as they just managed to win the odd game from the Fruzyna Morticians. Jack Pender and Al Bona led the attack with 595 and 571. H. Nowakowski did the heavy shooting for the Fruzyna with a neat 600 effort.

The Gorski Electric team stopped the Ziarko Tavern team from their spirited chase of the leaders as they managed to win two games quite handily and lost the last game by only a matter of 10 pins. Matt Foltyn and Ed Wallenberg were the heavy guns for the Gorskis with 535 and 516.

The Clifton Pk. Cigars also managed to win the odd game from the Suerth Morticians as Wally Lapp led the team with 498. George Cummings was high for the Morticians with 489.

The Luczak Lawyers returned to life in great fashion as they swept their series with the strong Tomera Range Oil. Dick Martin blasted the pins for a 560 series to lead the lawyers. Dr. Majcher and Ralph Slaski were the leaders for the lefthanders with 534 and 532.

The Bilmar Tavern team took the odd game from the Art Bilt furniture team as E. Wojtanowski led the team with 531. Stanley Klaczynski was high for Art Bilt with 529.

The Wojcik Floor Sanders took two games from the Dr. Peszynski Boosters as Adolph Sliwa led the team with 511. Ted Gomolski did the heavy shooting for the whole league as he pounded out a brilliant 631 series, to lead the doctors.

The Stanek Press after winning the first two games quite handily eased up the last game and enabled the Dr. Krupa Boosters to salvage at least one game. Steve Dusek was the high man for the pressmen with 571 while V. Ponic and C. Bonk fought it out to lead the Doctors with 550 and 548.

The St. Paul Federals after dropping the first game to the Phil Nilles Boosters came back quite strong and took the next two with Dr. B. Kvasnicka and Ray Pawlisz led the way with 529 and 517. Ray Schaber was high man for the Boosters with 535.

The major team took two games from the Phil Sheridan Council and really blasted the pins the last game to establish the second high game of the season with 1068. Next week we meet the strong Quigley Council quintet and hope to continue to have the quota of rooters that we have had the pleasure of seeing at these weekly matches. Remember your attendance at these weekly gatherings is greatly appreciated, so don't stop now, and let's continue to see you out there.

Feehan Inducts Large Class Honoring Newly Appointed D.D. Crotty

2-4 Tues. . . . . Hamlin and Madison

The "Harold Crotty Class" of candidates received their first and second degrees at an exemplification at Feehan Council last meeting. Some sixteen of our boys and several from other councils received the fundamentals of Knighthood. The meeting was well attended and the degree team is to be congratulated upon its very fine work.

LECTURER

Earl Grondy is really hitting the ball. He announces that he has secured a movie (a Mickey Mouse?) for the kids, to go along with the clown, and presents, and eats at the Christmas party. If your children are too young to read, permit us to remind you that the big event comes off on Monday night, Dec. 29, at the Midwest A. C. It sounds like a real affair, so mark the date off now.

A new high in optimism was set at last meeting when Mons. Fogarty (of all people) had the colossal temerity to rise and demand an appropriation for shirts for the Feehan Major (sic) bowling team. These anchorless waifs have been making a weekly pilgrimage to the Cascade alleys each Friday in search of victory, which like the desert mirage seems always to elude their grasp. It is almost inconceivable, considering their low estate, that they should desire to shed the cloak of anonymity and make their identity known.

It was the feeling among the members generally that they realized this and would refrain from thus endangering Council prestige. And we are convinced that they would have done so, the better element among them, that is, except for the aforementioned Fogarty and his imported stooge. This stooge made the mistake of spending the previous evening with agitator Fogarty, drinking his 7 Up, and listening to his glib banter and beef. The result was that he got taken in, came to the meeting with his heart bleeding for the poor shirtless majors and was boob enough to second Fagin's motion, a social faux-pas that will mark him till the end of his days as Dayton's greatest dupe.

Looks like the boys are going to wind up with pneumonia if they wait for the Council to buy them shirts. We will not tolerate a masquerade except on Hallowe'en.

BOWLING

Those Hawaiians have nothing on the Lemon Kings—the L. K.'s have been "blitzed" too. By the big guns of J. J. Collins Sons, who slipped a dive bomb to the leaders, taking the entire series and cutting their margin to a single game. The second game ended in a tie and the spoilers then took the final bout by the slim margin of eight pins. Thus the Lemon Kings stand 26-13, with the Harmon Electrics 25-14. Ed Kaindl Boosters have 23-16 and Malee's Fighting Irish 21-18. Illinois Laundry and N. Preib Cleaners, 20-19; Hanley's Tavern, J. J. Collins Sons and Judge Hackett's Pioneers, 19-20. Pat Quinn's Inn and Harold Crotty Boosters 15-24, and Art Riley's Colts 12-27.

Team high series—Malee's, 2,669; Crotty's, 2,602, and Kaindls, 2,582. Team high game—Malee's, 939; J. J. Collins, 929, and Quinn's, 926. Individual high games—Joe Motto 246, Dinny Malone 243, Joe Collins 236. Individual averages—Jim Collins 181, Geo. Becker 181, Joe Collins 178, Frank McQuillan 176, Frank Wheeler 172, Bill Barrett 172, and Jim McQuillan 171.

McHale Urges Prompt Action in Support of Christmas Cheer Fund

1-3 Tues. . . . . 150 W. 69th St.

On behalf of the officers of our council I extend to all our members and their families a wish for a joyful and merry Christmas.—John J. Kelly, Grand Knight.

During the past ten days the Chicago Chapter has mailed to all knights in Chicago their annual appeal for funds for their Christmas Cheer work among the orphans and old people. We should remember one of the lessons taught us when we were initiated—the lesson on charity. And, with that in mind, I am sure that you will not fail to donate some amount for the Christmas Cheer fund.

THE LECTURER

I often wonder how many of us give any thought to the importance of the Lecturer's office. In my opinion it is of equal importance to the office of Grand Knight. A good lecturer can make the work of the other officers easy because he is the one who plans and provides council activities.

One of the reasons why Archbishop McHale council is considered one of the most active is because we have had good lecturers who spared nothing in their efforts to make our council meetings interesting. Come up and see for yourself!

CONGRATULATIONS

All of the members of our council join with me in congratulating one of our most popular members, Bro. John Degman, and his family upon the ordination of his brother the Reverend Francis Aloysius Degman, on Saturday, December 20, at SS. Peter and Paul's Cathedral, Providence, Rhode Island. He will say his first Solemn Mass on Sunday, December 28 at St. Raphael's Church.

It was just four years ago this month that Bro. Robert Degnan was ordained at Silver Creek, N. Y. Both of the Reverend Fathers are members of the St. Columban's Foreign Mission Society and Rev. Robert has been doing missionary work in China during the past four years.

Bro. Frank Cain, who has been confined at St. Bernard's Hospital for the past three weeks, underwent an operation last Monday morning. Another blood transfusion was required and we understand that Bro. O'Neill, a member of Leo Council, gave the transfusion. . . . Past Grand Knight William Abrams recently moved into his new home at 2010 Hopkins Place, which is in Beverly Hills just south of Ryan's Woods. There will be no excuse for you and the Mrs. missing our ladies' night hereafter, Willie. . . . I understand that P.G.K. Jerry Sheehan has been receiving a tremendous number of congratulatory messages and phone calls during the past two weeks. . . . Bro. Hyland, Grand Knight of Calumet, invites the members of our council to celebrate New Year's Eve with Calumet at Perez Club House, 67th and May St. The price is $5.50 per couple. Give your reservation to Bro. Wilfred Byrne, phone Stewart 9067, or to Bro. Terrence Scully, phone Fairfax 2889. . . . Grand Knight John Kelly and P.G.K. Will Mugg attended the meeting of Madonna Council last Friday and witnessed the initiation of Frank Gustine as a new member of our council. He received his Third Degree last Sunday at Leo Club House. As all baseball fans know, Frank is the star second baseman of the Pittsburgh National League club.

St. Francis Xmas Party Is Planned for 200 Children

2-4 Thurs. . . . . 4715 W. Madison St.

On Sunday afternoon over two hundred children will attend St. Francis Xavier Council's annual Christmas party at the Garfield Park administration building, Central Park and Washington Blvd. All plans have been completed and from the looks of things, this will be the best one we've had so far. All children should be brought there in plenty of time. The party will get under way at 2 o clock.

Since our next regular council meeting would fall on Christmas Day, it has been moved up to Tuesday, December 23. Incidentally, that is Father Breen's birthday, so we shouldn't have to urge you to come and help him celebrate. You'll attend this meeting if our beloved Chaplain means anything to you, and you are assured of a good time.

A history-making class of 130 candidates went through the major degrees of our Order last Sunday at St. Philip High School, thus making the Father Breen class more successful than last year. It was a pleasing sight to Father Breen and it showed him just how much we love him. Most of the candidates were from our council. Sir Knight Anthony Manzo had 52 candidates out of a possible 59 taking the degrees. Nine more of his applicantions were reinstatements, making a total of 68. What a battting average!

Bro. Manzo received the plaudits of all present, including such State officers as State Deputy Leo M. Flynn, Cook County Membership Chairman Guy Messina, Philip C. Nilles, Master of the Fourth Degree, and D. D. Marco De Stefano. Our own officers and members added their praises to the record-breaking performance of Bro. Mango. (Thirty-two more applications and he'll make the Century Club by himself.)

LETTER

Dear Brother Knights: May I take this opportunity to express my sincere wishes of a Merry Christmas and may our Savior on Christmas morn shower you and yours with His blessings and provide a most Happy and Prosperous New Year.—C. B. Mele, Grand Knight.

TONIGHT—FRIDAY—The dance committee will hold its last meeting and then adjourn until after the holidays. Let's have a banner crowd! Turkeys will be running wild. Come and catch one at 3024 W. Flournoy St. . . . The end of the year is almost here and that means the Trustees will soon be auditing the books of the Financial Secretary, Alex Coletta. Al asks us all to pay up our dues and insurance as soon as possible . . . News tip: The first meeting in January will be Tony Mango Night. More details later.

ODDS 'N' ENDS

Nick Masse submitted to a blood transfusion recently for Miss Alice Hehr at University Hospital . . . Bro. Sam Fasano, who is on leave, attended the degrees Sunday. Sam has been stationed in Florida, but he expects his company to move soon. Good luck to you, Sam. . . . The Misses Camille Criola and Florence Galoo, sisters of "Babe" and Jimmy, left recently for Washington, D. C., to accept governmental appointments . . . We also hear that Bro. Peter Mazza has accepted a position in the Navy Yard in Philadelphia . . . In announcing Mathew Gregorio's marriage several weeks ago, we stated incorrectly that he was Larry Gregorio's nephew. Mat is Larry's brother and is also a brother member. Sorry, Mat. . . . Baby girls were recently to Mr. and Mrs. Bacigalupo (yes, this time it's the truth), and Mr. and Mrs. Joe Vitullo, our ex-Secretary . . . We're sorry to hear of Bro. Marco Esposito's illness, and wish him a speedy recovery. . . . Don't forget the Christmas Cheer fund.

BOWLING—Dot Pies are on the march! Led by Joe Capporelli, they won three more games, this time from Lido Restaurant, and thereby increased their lead by two games. Senate Electrics are still in reverse. They lost another three this week, Giugliano Florists being their conquerors. Paterno Pizzeria, Famous Potato Chips, Coletta and Izzo took two games apiece from the Ald. Pacelli, Orlando Buffet, Bacigalupo and Marks Motors teams, respectively.

one games in his respective league to be eligible for the special match.

Other team events are scheduled for each Saturday and Sunday to January 18 when the singles and doubles men will take over the alleys for the weekends to and including January 25.

A handicap system has been adopted for the tournament by which two-thirds of the difference between 190 and the highest average set in any league competition where at least fifteen games were posted as of November 29 is allowed each entry. Thirty-five pins per game is the maximum allowed any one bowler.

Brownson Hopes for Capacity Attendance at Children's Party

2-4 Fri. . . . . 4754 N. Western Ave.

Santa Claus . . . and the wide-eyed wonderment of children. Gaily decorated trees and the fragrant aroma of pine and cedar. Toys and gifts . . . happy laughter and friendly greetings . . . will be the order of the day a week from Sunday, Dec. 28, when Brownson's annual Christmas party for the children and grand-children of its members will be held at 4740 No. Western Ave.

This party, made possible by generosity of the members who attended the smoker a few weeks ago, will be on the second floor from 3 to 5 p. m., and at the present time Lecturer John Donlan, who is in charge, has received 144 reservations. So that no child will be disappointed all members are urged to call Bro. Donlan, Ardmore 3173, for further reservations.

MEMBERS' CHRISTMAS PARTY. The annual Christmas party for the members held last Friday evening was another red letter meeting in Brownson's history. Santa Claus, in the person of Bro. Bill Herdegan, made it worth while by giving to each member a beautiful engraved Eversharp Life-time pencil, and to others, turkeys and large assorted cheese boxes. Bro. John Duffy who hadn't attended a meeting in our new quarters before last week left feeling mighty happy with two turkeys under his arms. Others who found it pays to attend meetings were: Joseph Lenterio, Frank Kohler, Vinc Neary, John Langlund, Martin Hernandez, Joe Rill, who got both turkey and cheese, John Salzinger, Frank Divoky, George Gannon, and Frank Papke. Bro. Irvin Stevens who hadn't attended a meeting in ten years, was also present.

CHRISTMAS CHEER. In your plans to make those you love happy at Christmas don't forget to include the orphans and the aged in our Catholic institutions that are taken care of by the Chicago Chapter, by sending your contribution to them in the self-addressed envelope that you received last week.

SICK. Bro. John "Dink" Craine has been confined to the Alexian Brothers hospital for the past several weeks. The last we have heard Dink is getting along fine and plans to be home for the holidays.

BOWLING. In the council league the seventh place Skinner's Sporting Goods team got hot last week and took two games from the leading Fortman's Rosewood team placing them in a tie with Dr. Ewald's gang, who won two from the Cullom Club. Walter Cameron and Tom Phillips did the heavy work for Skinner's. Frank Mawson was again tops for the Rosewood boys. Ed. O'Connell is the spark plug for the Ewalds.

Capt. Alex Ciesinski changed his line-up with fine results, his Doose Studio team taking three from Ald. John J. Grealis. Leo Gaffke's 513 and Bob Ward's 481 being a great help. Tom Casey's and Stanley Kara's fine shooting helped the Best Furniture Store take two from McPhee's Undertakers. The league welcomes back Jim O'Connell who has been absent for a few years. Jim Rolls with the Undertakers.

Standings are:

NEW MEMBERS. The Council extends a hearty welcome to our new members, Bros. James P. Brennan, John E. Brennan, Walter J. Cameron, James W. Durkin and Wilbur D. Jorgensen, who received the honors of the first and second degrees at Father O'Connor's meeting Thursday, Dec. 4th, and the third last Friday at DeSoto Council.

Nazareth Issues a Little Hint on a 'Must Due' Item

2-4 Tues. . . . 17 W. Harris, La Grange

We are not endeavoring to put the damper on your Christmas festivities, but here is an item of the greatest importance to you and those whom you love. We refer to your council dues and assessments.

The end of the year is fast approaching and it therefore behooves each of us to look into our individual standings. May we suggest you check into your account now so that you may be on the right side of the ledger when the books are closed Dec. 31.

Now that we have mentioned Christmas, let's take a look at our coming Christmas party. The date is Dec. 23. Don't miss it. We will have a very short business meeting and then Lecturer Lester has a full evening's entertainment lined up for the youngsters. Santa Claus will be there in person with his bag full of toys. In addtiion there will be a magician, who will entertain young and old while waiting for Santa Claus. Remember the date, Dec. 23. Be there and bring the youngsters.

While on the subject it may be well to remind you again of the Christmas Cheer fund. Did you give yet? Well, don't forget it, will you? Anything from a quarter up will be acceptable. Make your donation to Ed. Bessler, who this year, as in the past, is giving generously of his time and effort to promote this worthy project.

The bowlers have always been generous in their support of this fund and this year the east end boys have given over $16 as their contribution. What about those west end bowlers?

How are you making out with that membership prospect? Be on the alert, men. Those prospects are sometimes found in the most unexpected places. Understand Stan Hegberg produced another application at our last meeting. Emil Polivka in the line of Catholic Action recently sent Missals to Fred Deutschman and Remi Gits, Jr., both of whom are in camp. Both of these brothers wrote very appreciative notes.

We regret to advise that Mrs. Benesch, wife of Brother Anthony Benesch of Berwyn, died recently. Please remember her in your prayers. Brother Verhalen, who has been confined to his bed since last August, is still seriously ill. Brother Schaffhauser is still in the hospital but expects to be home by Christmas. Brother White is still at St. George Hospital and would appreciate a visit. We hear that Dr. Geehan is confined to the veterans' hospital at Belleville, Ill. Don't know what the trouble is but hope it is not serious.

This is the last opportunity we will have to speak to you through this column before Christmas, so from the officers of the council and your scribe a happy and holy Christmas to you.

PIN POINTS

The tangle still continues in the west end. Those teams are tangled worse than the spaghetti at one of those Italian dinners we have enjoyed at St. Anthony Council. Last Monday the Elms team took over first place by one game when they took three from the Lindys. The third game in this series caused much excitement as the two teams battled neck and neck, the Elms boys finally taking it by four pins. Their competitors for first place, the Universals, dropped one to the Fairviews and therefore slipped behind one game.

Other results were: News Boys took three from the Triangles. McGough Lumbers took three from the Lukes, while the Watkins took two from the Leo's Chickens team. All the way down the line there is a terrific battle for position. Just look at these standings, which include the games rolled Friday, Dec. 15. Elms won 32, lost 7; Universals won 31, lost 8; Triangles won 20, lost 19; Fairviews won 20, lost 19; News Boys won 19, lost 20; Lukes won 15, lost 23; Lindys won 14, lost 25; Leos won 14, lost 25; Watkins won 15, lost 24; McGoughs won 15, lost 24.

The Elms team will soon lose the services of Dubis. Fritz, a mighty fine boy, whom your scribe has known for many years, ever since he had him as a Boy Scout in his troop when ye scribe was active in that work, enters the U. S. Marines at San Diego Jan. 2. Nice going, Fritz, and good luck to you from all of us.

Figures Prove Bowling to Be Fastest Growing Sport in the World

Bowling is the world's fastest growing sport.

Inspection of the membership records of the American Bowling Congress prove this.

On November 3, 103,000 teams had joined the A.B.C. which figure equals the total membership of the Congress for the season of 1938-1939.

The following table shows the cold facts:

Season	Teams on Nov. 1	Total teams for Season
1936	.....	52,000
1937	.....	64,000
1938	.....	93,000
1939	.....	103,000
1940	48,001	132,000
1941	71,313	163,000
1942	103,000	.....

Or if you would like to see a graphic table of the above information, here it is:

Season	Teams		
1936	52,000		
1937	64,000		
1938	93,000		
1939	103,000		
1940	132,000	On Nov. 1..	—48,000
1941	163,000	Nov. 1..	—71,000
1942		Nov. 3..	—103,000

The Women's International Bowling Congress, the ruling body of feminine kegling, is also showing a tremendous boost in individual membership.

Last year their total membership included 127,000 women. On Nov. 1 this year they had 133,000 women on their rolls. How's that for growth?

The following table shows the growth of this organization:

Season	Members on Nov. 1	Members for season
1937	.....	22,000
1938	.....	36,000
1939	.....	51,000
1940	72,000	81,000
1941	101,000	127,000
1942	133,000	.....

Another glimpse into the growth of bowling might be made by looking over the certification reports of the Congress which follows:

Alley beds certified for the first time: May, 1939, to Jan. 1, 1941, were 9,753; and from Jan. 1, 1941, to Nov. 1, 1941, they totaled 4,150!

A bit of explanation should be made here. Certification means that a representative of the Congress has examined the alley beds and found them to be constructed according to the rules of the American Bowling Congress.

In the above two columns some of the alley beds certified for the first time were newly constructed while the others were old ones in small towns and cities which had never had A.B.C. teams competing on them.

Congress officials estimate that 2,900 of the alley beds out of the 4,150 were constructed this season.

Recently the Federal Internal Revenue department announced that $89,000,000 had been spent by the bowlers of the nation for their favorite sport in the season of 1938-1939. On September 1 of this year the Congress estimated that the bowlers of the nation would spend $207,000,000 for bowling this season.

It also estimated that 229,000,000 bowler-customers would visit the alleys of the nation during the present season.

It also estimated that $769,000,000 of capital is invested in bowling real estate, buildings, equipment, leases, stocks and manufacturing plants.

Americus Conducts 'Greeting Night' at Meeting Next Tues.

2-4 Tues. . . . . 3350 W. Jackson Blvd.

Meeting Notice. The next meeting of Americus Council will be held Tuesday, Dec. 23, at 3350 Jackson Blvd. It will be called to order at 8:30 p.m. It will be known as Greeting Night, as we expect to have our newly initiated members with us at that time. The Lecturer will have some refreshments to inspire the boys to talk louder and more often. Will you please attend.

The last meeting was known as the Night of the Big Birds. About thirty members or their ladies carried home orders for the main portion of their Christmas dinner. These turkeys will be at John O'Brien & Son Funeral Home, 3159 Jackson Blvd. (of course the turkeys are dead) Monday, Dec. 22, after 5 p.m. The business part of the meeting was over in time to listen to the President's radio address, after which the entertainment began.

Out of the Kush Keg on that evening came the name of Bro. P. J. Culeeney, 4259 Monroe St. The brother did not respond to the call. On a motion by Bro. Jim Hogan, it was voted to divide the keg and send it to our boys in the service, as a Christmas present from the council. Brothers John Mooney, Bob Moore and Frank Sattler will each receive a check in the mail, if they are not going to be home for the holidays. Jack Welsh was at the meeting and has returned to camp. His part of the keg has probably been put to good use by now.

CONDOLENCE

The Hand of Death has again visited our council. Bro. Francis Campbell was called to his Eternal Reward Dec. 10. Bro. Campbell had been sick for a long time. To his bereaved family we offer our sincerest sympathy. May his soul rest in peace.

The wife of Bro. Harry Pokorny has been seriously ill in the West Suburban Hospital. Transfusions were needed. Brothers Archie Corso and P.G.K. Jim Mooney volunteered. Jim was accepted. They had to blast to get down to his veins. The doctor said it was a major operation, but Jim felt good when he learned Mrs. Pokorny was greatly improved. Trustee John O'Brien and Bro. Fred Scott also gave transfusions, at Michael Reese Hospital, during the past week. John Culhane, brother of our Outside Guard, Bill Culhane, suffered serious injuries in a bad auto accident. We hope by now John is well on his way to recovery. Our Worthy Lecturer, P.G.K. Ned Kelly, has returned to work after an illness of three weeks. It was nice to hear his voice again.

NEW MEMBERS

At the last meeting Bernard Fisher, proposed by Bro. George Hart; Charles McGuire, proposed by Bro. Phil Koop, and William Kadish, proposed by the Grand Knight, were elected to membership in our order. Brothers Fisher and McGuire received their First and Second Degree last Sunday morning, as did Bro. William Hogan. In the afternoon these three Brothers and Brothers John Colfer, Edward Gillespie, Patrick O'Bryan, Dr. Richard Murphy and William Schaefer received the honors of the Third Degree at St. Philip Gym. It was a very successful degree and we wish to congratulate these Brothers and the conferring officers.

Please do not throw away that envelope you got from the Chicago Chapter Christmas Cheer Committee; the orphans and helpless old folks need our help. Send that quarter, or more, today. Help make someone happy this Christmas.

In the bowling league we had what is known as shut out night, the Corso's whitewashing the Scott's while the O'Rourke's swamped the Costello's. Our Warden, Ed. Fortier, was the big gun of the evening with a 587 series and his 201 was second high. P.G.K. Jim Mooney won the dough with a 209 game, in spite of a very sore arm due to the above described operation.

Father Scheltinga is having a Feather Party Sunday and Monday, Dec. 21 and 22, at the Parish Auditorium, 330 South Albany Ave., at 8 p.m. It is being run by the Holy Name Society, so you still have a chance to get a turkey for Christmas.

The Children's Christmas Party given by Cornwall Post will be held Sunday, Dec. 21, at their clubhouse, 28th St. and Forest Ave., at 2:30 p.m. Santa Claus will have a present for every child. The committee is headed by P.G.K.s Kelly and Mooney.

The first of the year is coming. Better see the Financial Secretary before you spend all your dough for Christmas. There is still time to give that membership to some one for Christmas. We know one young lady who is giving one to her boy friend. Smart girl, we'll say. If he is an associate member why not take out a K. C. Insurance Policy for him.

By the time the next issue of the Columbian arrives Christmas will have passed, so may we now take the privilege on behalf of the officers and members of Americus Council of wishing you all A Merry, Merry Christmas, with the fond hope that before the next one rolls around we will find the world at peace and our boys back home with us. G'bye now.

Auburn Pk. Children's Christmas Party Will Be Sunday Afternoon

2-4 Thurs. . . . . 7740 S. Emerald Ave.

The annual children's affair in Auburn Park Council will be held Sunday afternoon, December 21, at St. Leo's High School Auditorium, 79th and Peoria Sts., starting promptly at 2:30 o'clock. There will be a juvenile program followed by Santa Claus presenting gifts to each child between the ages of one and twelve years.

This has been an annual affair in Auburn Park Council for many years. The program is always very interesting, and the kiddies are all out of the hall by four-thirty. It is suggested that one of the parents accompany the children to this affair in order to expedite the program. Santa Claus has promised to be on hand early, and there will be a large Christmas tree in the hall all decorated and after the program the entire tree will be given to some member present.

Our Grand Knight, Harry J. Cox, has spent a lot of time and effort in making this affair a success and all that he asks is on next Sunday morning at 11 o'clock a number of the members in the community report to the High School Hall and assist in decorating the tree and getting the gifts in order.

SICK AND WAKE COMMITTEE

Bro. Harry Barton, who has been laid up at the German Deaconess Hospital, has now returned to his home at 7615 S. Carpenter St., and would appreciate a call from any of the members. With the Christmas spirit in the air he should have a lot of visitors. During the many years that he enjoyed good health Harry was a very good council member and attended meetings regularly and always was ready and willing to serve on committees.

One of our Fourth Degree members, Bro. Thos. Crown of the Crown Carpet Company, has been in Hot Springs for the past three weeks with a bad case of rheumatism, but is slowly regaining his good health and will be back in Chicago for the holidays.

Bro. John Dillon's wife gave birth to a baby girl born in St. Bernard's Hospital on Thursday evening, December 11. Understand both mother and daughter are getting along fine. Congratulations to this happy couple and hope Bro. Dillon is able to attend the next council meeting and pass the cigars!

Inasmuch as we meet on the second and fourth Thursday and the fourth Thursday in December falls on Christmas Day it was decided at the last meeting to discontinue the December meeting, so the next meeting will be held on Thursday, January 8.

SEASON'S GREETING: The officers and members of Auburn Park Council extend to the members of their families their best wishes for a very Merry Christmas and a Happy and Prosperous New Year and that Almighty God may bestow many blessings upon them in the years to come.

BOWLING ACTIVITIES

The battlecry of the Highland Bowling Alleys on Monday evenings is "Stop the Roger Sheehy team." Geraghty Coals were the victims of the 5 men blitz for 3 games, while Knight's Florists were taking two games from Larry and Lou Place squad to retain second place. Edward Harris and the president of the league, Walter Fox, with a 539 and 454 series, respectively, led the Knight's Florists in their twin victory. Tom Burke upheld the honors for Larry & Lou with a 491 series with Tom Walsh with high game of 179 and a 435 series lent a hand, but his brother John. could not find his eye until the third game to finish with a 417 series.

Tom Patterson had high game for the Roger Sheehy & Sons' team with 190, with Vinc Flynn, McCormick, McCarthy and the newest bowler to the league, Serritella, each bowling good games to give them 3 wins over the Geraghty Coals, who just could not get started. Captain Charlie Connelly, Bob Murphy and Tom Cole bowled far below their standard. Well, better luck next week.

The members of the bowling league donated prizes for the card party which were to be considered as awards from the sponsors of each respective bowling team. There is no reason why there should be "bowling widows" in Auburn Park Council. After watching their husbands, brothers and boy friends bowl each Monday night, a group of six bowling widows decided to do something about it. So last bowling night they started to bowl themsleves on the adjoining alleys. Led by the president's wife, Mrs. Fox, and her sister, Miss Walsh, and Miss Foster, together with Mrs. V. Flynn and two other undisclosed women, started an auxiliary and bowling league of their own. They refuse to give out any scores for publication, but perhaps we can smuggle out some for next week.

AQUINAS MEMBERS GET ENTERTAINMENT GALORE AT COUNCIL SESSIONS

1-3 Tues. . . . . 5441 S. Ashland Ave.

It really pays to attend meetings at Aquinas, as ten brothers found out Tuesday night. Each one of the ten went home with a turkey that was given out by G.K. Jim Sweeney and Lecturer Bill Golden. All brothers were also tendered an excellent evening of variety entertainment, which included the showing of a moving picture on the sporting world, singing, card playing and of course all kinds of refreshments.

Bro. Fenell, Financial Secretary, (remember?) took advantage of the large gathering to remind the brothers of their financial obligations to the council. To you brothers who were not in attendance, see him before the end of the year.

Brother Fred Beatty, President of the Building Association, announced that the regular meeting for the election of the directors of the association would be held immediately after the regular council meeting January 6. As all brothers are members of this association, he asks that all possible be in attendance. The directors of the association are also planning some entertainment as an added attraction.

I didn't see the Aquinas Basketball team in action last Sunday, nor have I heard how they made out. In the future I will make it my business to see the game and report in this column, but for the present, my apologies to Edgar Baldwin, manager.

BOWLING

After losing six in a row the O'Malleys came out of their slump and made the Sweeney's the victims of three straight games with scores of 851-747, 755-743, 812-763. The McNamara's made it two out of three over the Sheehy's thereby giving them undisputed possession of first place. McNamara paced the winner with a 502 series, while Fitzgerald came home with the season's high game of 235 and high series of 544. The scores of the games were 766-743, 780-781, 860-847. Grinings 515 series helped the McGraths take two out of three from the Peltons with scores of 808-739, 731-706, 725-815. Tonight the O'Malleys meet the Sheehys, McGraths meet the McNamaras, and Peltons meet the Sweeneys.

Ouilmette Ready with Sleigh Bells for Next Sunday's Yule Party

2 & 4 Mon. . . . . 1215 Wilmette Ave.

Santa Claus is coming to town. Or don't you need to be reminded about the Christmas Party next Sunday afternoon at the Odd Fellows Hall? We hope you have mailed in your card by this time.

Bro. Leo Hassenauer is planning to show the N.Y.O. moving pictures on January 24, 1942. No more meetings this year.

G.K. George E. White would like to see all the members contribute to the Christmas Cheer Fund as generously as they have in past years and uphold our council's enviable reputation. We know that some of you must have already done something toward this fund through the medium of our little friend, the mite box.

The kapering keglers are now in rare form. We should see something new in bowling technique from the boys who have been watching the national match game contest.

If you like to know how you stand, coming into the turn, you can check up right here.

Bro. Jack Kneip's son, "Buddy" Kneip, is home on furlough to spend the holidays with his parents.

The council joins us in welcoming the new members who received their Third Degree last Friday night. For the benefit of all those who did not attend, the new brothers are: Chaplain Father Sheridan, Harold Schaefgen, Peter Falasco, Marshall Retzinger, William "Bill" Burke, and Harry L. Proft.

Your scribe takes this opportunity of extending to all the members his wishes for a Very Merry Christmas and a Joyous New Year for all.

Don't forget Monday evening deadline for next TWO Columbian issues!

Madonna Pleased With Results of Degree Last Week

2-4 Fri. . . . . 4624 Emerald Ave.

Last week's degrees added three new names to Madonna's roster. We welcome Messrs. Pat Doyle, Jim Sullivan, and John Kenny. Handling the degrees with perfect aplomb were Chancellor Charlie Scannell, John Fellan, F. S. of Fort Dearborn; Warden Bill Gregory, St. Paul of the Cross; G. K. Ty Hyland of Calumet, Frank "Speedy" McGlynn of Ridge and P. G. K. Geo. Noonan of Madonna.

Assisted by ten able Madonnaites, Ollie Kenny, John Goldrick, Pat Smith, Bill Cleary, Del Kean, Ed Goeing, Harold Bennett, Frank Jackson, Tom Carmody, and Danny Wilson, the degrees went off in fine shape.

Among the notables viewing the new knights were P. G. K. Jim Doody, D. D. Pat Noonan, G. K. Lawrence Breen of Leo, G. K. Leo Gawrych, Quigley, Frank Barker of Dowling, P. G. K. Dick Kelly of Dowling, John Kelly, McHale, P. G. K. Bill Mugg of McHale and J. Novakowski of Weber.

Last Sunday afternoon, fourteen members including the three neophytes, took the Third Degree at Leo Clubhouse. And so we have Pat Doyle, Martin Lavin, Matt Purpura, Tom Nealon, Joe Butler, Ray McMahon, Jack Ryan, Jim Sullivan, Joe De Lacy, Elder Johnson, Jim Casey, John Kenny, Danny Wilson, and last but not least, Father Francis Waldron.

NEW YEAR'S EVE

"Duke" McGrath reports that this year's dance will be held at the Hyde Park Hotel, Hyde Park Blvd. and Lake Park Ave., in the Victorian Room. The orchestra hasn't been selected yet but it'll be a honey. Set-ups will be 35c a quart or lower. Although the tariff hasn't been set it will probably be $3.50 per couple, so a word to the wise guys oughta be sufficient.

Remember, last year's affair didn't even have standing room, so you'd better get the old reservation in plenty early. Phone Boul. 4099, Boul. 4733 (evenings) or Atlantic 9782.

DID YOU

Go out to the Esquire Bowling Alleys last Sunday and find out that the mob wasn't there? Well, the boys canceled the mixed doubles all of a sudden on account of the Third Degree and forgot to tell us. Latest dope is that they'll be held shortly after Christmas. We give you another of Jackson's brilliant league reports verbatim:

I give you herewith the bowling league standings. I hope they arrive in plenty of time for your d—— column.

	W.	L.		W.	L.

Boyles	18	9	O'Connells ...	11	16
McCarthys ...	15	12	Goldens	11	16
Keans	14	13	Millers	8	19

The Duffys still cling to their slim lead over the Boyles by winning two games. The Boyles led by cherry picker Griffin, who had a fine series of 563, snapped out of last week's daze to take three games from the hard coal Millers.

The league bid farewell and good luck to Bob Lowe of the Miller Coals, who enters the army on Saturday.—Frank (Viper) Jackson.

IS IT ETHICAL

To plug another New Year's Eve party? We think it is when a couple of nice guys like Joe "Cherubic" Lamb, eminent Scribe, and Terry Scully, eminent, eminent Lecturer of Calumet, are the boys. At any rate, Calumet will strut at Perez Clubhouse,, 6710 S. May St., on New Year's Eve. Ticket includes entertainment, food, beverages, favors and tablecloths. Bring your own shoes. The tariff is $5.50 per couple, including infernal revenue tax. Call Hyde Park 6500 on Monday or Thursday nights, or Wilf Byrne, Stewart 9067, or Terry Scully, Fairfax 2889.

FLASH! Jack Morrissey is now at Beane Field, St. Lucia Area, British West Indies, working on the new defense airports. How about a Christmas card to him?

(Our little Mutter's Man seems to be so out of breath that he hasn't even any short pants left. Come on out from under the woodwork, Ralphie, the lights are out. Besides, Joe the Blow of the Western Lino—he's the other member of your public—will have to go back to his Superman Comics if you don't get up some "sassy-talk" soon.—Ed.)

Washington Proud of Recognition Given to Council Donor Group

1-3 Tues. . . . . 5th & Washington Blvd.

In case you missed it brother, turn to page eleven of the December issue of our national monthly Columbia and gaze upon the recent additions to our council's blood donor group. With a national circulation the Columbia can only publish outstanding pictures and news items of interest to the entire order, so in all modesty we appreciate the recognition accorded our council and this jurisdiction.

BOWLING

Last Friday the Come-Back-Inn team fell victim to our battering bombing booming bowlers by a 2,512 to 2,400 score which places us in a three way tie for second place in the Bosco league. Particular mention is due P.G.K. Bill Colins for high game of the evening when he rolled 209 in the second game.

We hasten to officially accept the challenge issued by Nazareth Council of La Grange in last week's COLUMBIAN. G.K. John Joseph Ryan authorizes me to advise our worthy brothers of Nazareth that whether the stakes be money, marbles or mustard we will play them a home contest under fully sanctioned A.B.C. regulations. In fairness to both sides we feel the team average of each should be approximately the same which would insure a more even and exciting contest. Our T.A. is 834; what's yours Nazareth? Where and when do you want to meet us?

YOU HAVE READ and heard enough in the past few weeks about the war; now that it is here with all it's ugly reality there is naturally a more somber note in our speech and every day living. While in no way unmindful of the extreme seriousness of the situation we should not be carried away by fear and hysteria because this nation will be victorious. I am thinking now of children in the teens and even younger who hear the war discussed at home and no doubt also read the newspaper accounts. Adults often forget what a serious and unhappy impression all this war talk makes upon these youngsters who secretly worry as it puts fear and dread in their hearts. As the birthday of the Prince of Peace nears, let's make our children's Christmas happy and gay by dismissing from their little minds the possibility of any immediate prospects of harm or danger from the enemy.

IF THERE WERE any births, weddings, sickness, anniversaries and such like this past week we have not heard of them. These paragraphs would be of more interest to distant members if they could be kept informed of such events through the medium of this column. Phone me at Bellwood 4873 (reverse charges if necessary) any item from baby's first tooth to grandpa's checker game. It makes good reading.

The first clock with anything like a modern mechanism was invented by Gerbert, a monk, afterwards Pope Sylvester II.

Newman Has Large Part in Holy Name Service Success

1-3 Thurs. . . . . St. Mary's Hall

At this time of the year when the spirit of brotherly love is highly evident, I am imbued with a desire to convey the profound appreciation and gratitude that is mine for the wholehearted and splendid cooperation of each officer and member of the council. I can truly state that I am proud of the loyal support accorded me, and I offer my humble thanks in return. To you and yours permit me to extend my best wishes for a happy and joyous Christmas and a New Year abundant with health and prosperity.—Fraternally yours. Walter Gehant, Grand Knight.

CATHOLIC ACTION

They were from every corner of Evanston, those 960 Catholic men members of the Holy Name Society, representing the four Evanston parishes, who gathered at St. Mary's Church last Sunday and attended the Holy Name Communion Mass. The Very Reverend Msg'r. Frederick Hillenbrand, St. Mary's pastor, celebrated the mass and The Very Reverend Msg'r Daniel F. Byrnes delivered the sermon.

After the mass 642 of these Catholic gentlemen filed into St. Mary's school hall where breakfast was served. Peter N. Jans, Chairman of the affair, introduced the Master of Ceremonies, and he was our worthy Chaplain Rev. W. J. Mockenhaupt.

In attendance were a great many members of Newman Council and the committee should feel happy and proud in putting over this successful affair. This was the finest exemplification of Catholic Action ever witnessed in this city.

General Chairman Peter N. Jans wishes to thank every member of Newman Council for his part in making the Holy Name Communion Mass the success that it was.

COUNCIL ACTIVITIES

SHOOT! SHOOT! will be the echo ringing out in Eiden Field House in the immediate future when the boys start shooting for the hoop in the basketball league. All energetic basket ball players are requested to get in touch with Sports Commissioner "Bones" Nellessen or Coach "Andy" Smith. It is important that you register at the next meeting as the season opens shortly.

"SANTA CLAUS is coming to town" in a big way on Sunday, Dec. 28. He will park his reindeer atop the roof of St. Mary's Hall about 2:30 p. m. and descend the chimney to spread cheer and distribute gifts to our kiddies.

The committee in charge, consisting of Charlie Byrnes, Dr. Hynes, Greg Konold, Joel Conway and George Hebson promised this department he will remain for many acts of entertainment to be provided by the lecturer Tim Jans and the aforementioned committee.

It is needless to say that each father of Newman is held accountable to provide proper enjoyment for his boys and girls. We know of no better method than an event of this kind. Thus the G. K. urges you to bndle the kiddies into the car (you can walk from your house, Dinty) and bring them to St. Mary's Hall Sunday, Dec. 28 at 2:30 p. m.

Also note that there is still ample time for those of you who have talented children to contact one of the members of the committee so that they may be added to the program.

BOWLING LEAGUE

Approaching the mid-season mark, we find our bowlers engaging in closer contests. Last week Schaefers won two from Smiths. Meister Braus won two from Bells. Menkes won two from Ridge Cleaners, Keefers won two from Davis Candies and Corcorans won two from Fitzgeralds.

Bowlers rolling 200 or better were: J. Zera 200 and 209, Joe Barrett 202, R. Schmitz 232, C. Benz 219, G. Ritze 206, F. Mickeletti 201, J. Flinn 200 and R. Nilles 214.

Don't forget the Illinois K. of C. Bowling Tourney at the Congress Recreation Center, 31 E. Congress St., on January 3.

NEWMAN NEWS

Our worthy Warden and good friend Henry "Hank" Mersch is still at St. Francis Hospital and is progressing nicely. Brothers, take time out some afternoon or evening and visit him. We hope you are home for the holiday season.

If I could get some of you Scotchmen to give me a phone call maybe I would be abie to make this column interesting. How about it? My undercover man just received a note relative to the whereabouts of Brother Henry Poletta. He is now at Co. B, 524th M. P. Det., McClellan, California. How you get around, Brother Poletta. I do not suppose you will be home for Xmas now.

At the Holy Name breakfast a certain member of the clergy was accused of bringing in a "ringer" and I am inclined to believe it was the truth after listening to the story told by Rev. John M. Hayes. At any rate, ringer or no ringer our Worthy Chaplain must have had his publicity agent with him. Well, brohters, if you have not heard the story of "BINGO" as told by St. Peter, drop in any THURSDAY evening at St. Nicholas School Auditorium and Father Mockenhaupt will be more than glad to explain it to you.

ST. ANTHONY SUGGESTS CHRISTMAS CHEER AID BE GIVEN IMMEDIATELY

1-3 Thurs. . . . . 73rd & Grand Ave.

Have you sent in your envelope to the Christmas Cheer Committee? If you haven't, why not do it right now while it is fresh in your mind? To put it off until some other time means only that you will probably forget it entirely. Your donation is needed and will be greatly appreciated.

St. Anthony de Padua Council's annual Christmas Party for the children of its members will be held at 2:30 Sunday afternoon, December 28, in St. Gertrude's Hall, Gustave St. and Schiller Blvd. in Franklin Park. We trust that you have filled out the card sent you by Bro. Andrew Ruff so that he can plan accordingly.

Bro. Ruff has arranged a program which will be interesting for both children and grown-ups. There will also be gifts for the children.

Your Scribe wishes to take this opportunity to extend to every member and his family a very Merry Christmas with a sincere hope that the New Year will bring health and happiness to us all—A Victorious Peace to our Country—A safe return to all our Brothers who are in the Service, and may God bless us all.

Don't forget Monday evening deadline for next TWO Columbian issues!

Loyola-H. P. Moves Next Meeting to Mon. Eve., December 29th

2-4 Thurs. . . . 7435 Cottage Grove Ave.

Merry Christmas from all Loyola-Hyde Park officers to the membership. The next regular meeting is changed to Monday, Dec. 29, because of Christmas. We would like to see a large number of members at this meeting as it is Gift Night.

First and Second Degrees will be given at Loyola-Hyde Park's council chambers on January 8, in honor of one of the best membership chairmen this council has ever had. It will be "P.G.K. Archie Hermann Night." It is only fitting that every member who can possibly do so, turn out for this occasion.

Our former recorder, Ed Joyce, is expected home on a furlough between Christmas and New Year's if plans are not changed. We would be interested in hearing from other members in the service. Will you please drop a card to Scribe George V. Birmingham, 6514 S. Dorchester Ave., so that he may pass the information on to the other members.

CHRISTMAS PARTY

The Kids' Christmas Party at the Grand Crossing Park Field House will start promptly at two o'clock. A fine program of entertainment is promised. Santa Claus will be there. Members be on hand to help.

IMPORTANT: The annual audit is due on December 31. All dues must be in before that date.

SICK AND WAKE: Herman Rack, our faithful warden, was laid up with a foot ailment. We hope you recover before Christmas, Herman. John Joyce, our chancellor, is coming along fine after his recent operation.

A retreat was held at St. Thomas the Apostle Church to which we received an invitation. Many of our members attended and among them we noticed G.K. Jack McGuire, Advocate Tom and Treasurer Dick Fay, Inside Guard Joe Gonzalez, former lecturer Jim and his brother Bob Cowhey, Trustee Bill Percy, Bill Murray and many others.

CHRISTMAS CHEER: If you choose to mail the card and envelope you received from the Chicago Chapter for Christmas Cheer with your check and permit us to send a council check with the names and addresses of our donors, make the money order payable to Fin. Sec. Arthur Jacobs, 8035 St. Lawrence Ave. If you wish to mail it direct, make out a money order or check to William P. King, Chicago Chapter, K. of C., 173 W. Madison St.

St. Pat's Candidates Receive Degrees in West Division Class

1-3 Tuesday . . . . . 6 N. Hamlin Ave.

On Tuesday, December 9, Feehan Council conferred the 1st and 2nd degree to a class of 22 candidates, two of which were ours, Brothers John Hammerschmidt and John Fitzsimmons.

Feehan can well be proud of this degree for the men who so ably and with great dignity exemplified the degree were Feehan's own—Walter Brouder as G. K., D. G. K. Len M. Steen as D. G. K., Frank Reynolds as chancellor, Geo. Lyons as Inquisitor and Warden Wm. Kliesener.

Financial Secretary Jack McAuliffe, representing St. Pat's, thanked Feehan and commented on the high degree of efficiency with which the team did its work.

FOURTH DEGREE PARTY: On basis of meager reports as of yet, St. Pat's Fourth Degree open house was a huge success. More about this later.

COUNCIL NEWS

Jim Ragona who recently became a grandfather is taking a lot of good-natured ribbing from his fellow workers who are now calling him "grandpappy."

News has reached us that our good friend and brother, Paddy Lillis, was re-elected recording secretary of the Express Employees Union Local 720, I. B. of T. Congratulations, Pat.

Herman Helmanson showed up at the last meeting with a misplaced eyebrow. We wonder who he can be hiding from.

Bro. Mario Vertucca was inducted into the army recently. Dan Miller is laid up with a severe attack of tonsilitis, We hope for a speedy recovery, Dan.

The story is the same in reporting on the Majors. St. Pat's got their one game from Barry last Friday night. The first game was a tie and we lost in the play-off. Tough luck, boys.

Financial Secretary Jack McAuliffe wishes to announce that the end of the year being at hand, the time has come to close the books. So you brothers who are in arrears, please try to catch up.

Ravenswood Santa Is Ready for Children's Party Sunday Afternoon

1-3 Wed. . . . . 1521 Wilson Ave.

Grand Knight, Michael Citti and the officers of the council extend their very best wishes for a Merry Christmas and a Prosperous New Year.

SUNDAY PARTY

Santa Claus comes to Ravenswood Sunday! A headline such as that really ought to get the folks out, shouldn't it? Some time ago Recorder Dave Heelan mailed postcards to every member of the council asking them to list the names, sex and ages of the children they would be bringing to the party, and to mail the information to Lecturer Al Carroll.

In going over the returns with Bro. Carroll, ye scribe has noticed that a number of members who have children have neglected to send in their cards. This party is being so planned that it is quite necessary for our Lecturer to know how many children of each sex and age bracket there will be. Should you have been one of the neglectful boys, or in case you may now find that you will be able to attend where previously you had other plans, give Al Carroll a ring and let him know how many you will be bringing. His telephone number is Rav. 0804. It also will be well to remember that the party is not exclusively for the young ones. For those who have no children or whose family is grown, the welcome mat will be unrolled just as much as for the familied members. There will be a lot of entertainment for young and old, but presents are promised for the young only.

Sunday afternoon's party will also witness the award of the very fine crib set which has been donated to Ravenswood Council by Bro. James O'Reilly. The set will be on display near the tree for all to admire.

Now that ye scribe's birthday list has returned to light (you didn't know that it was among the missing for a couple of weeks, did you?), you can be told that last week should have seen the biggest listing yet. Belated Greetings to Henry Kranz, December 10; Trustee Ed Arend and L. J. McCambridge, December 13; William J. Lawlor, December 14; and John Schnitzius, December 18. Next week Bros. John H. Kelly and Anthony Riebandt have birthdays December 23 and 24 respectively. A most happy birthday, one and all.

La Rabida Members to Be Given Turkeys at Tuesday's Meeting

2-4 Tues. . . . . 6236 Princeton Ave.

The next meeting of La Rabida Council will be held on Tuesday evening, Dec. 23, and will be "Turkey Night." Following the regular business session, the gavel will be turned over to our worthy Lecturer, Dr. John Latchford, who will proceed to dispose of some fancy turkeys and chickens. This will be the last meeting of the year and it would be well to have each member of the council make an earnest effort to be present with us on this occasion and do a little premature ringing of the old year.

FOURTH DEGREE: The regular meeting of La Rabida's Fourth Degree Club was held at Hofmann's Grill on Thursday evening, Dec. 4, and was fairly well attended. The meeting opened with a splendid dinner, and "Santa Claus" Harry Dion presented all present with a container filled with holiday nuts, which was well received.

LADIES' NIGHT

La Rabida's annual tribute to their ladies was held on Tuesday, Dec. 9. It was a splendid party and adds another milestone to the already fine record of our worthy Lecturer. The ladies were in unison singing the praises of Bro. Latchford, and well they may, for it was indeed everything that could be expected of a "Ladies' Night."

MERRY CHRISTMAS: The officers of La Rabida take this opportunity to extend to the membership their best wishes for a Merry Christmas and pray that the Christ Child will see fit to lighten the many burdens and cares facing a war-torn world.

BOWLING

The bowling results of Monday, Dec. 15, are as follows: The Kapple Chicks took 2 out of 3 games from the Dion Quints, while Cogan Coconuts were likewise taking 2 out of 3 games from the Has Beens. The standings:

	W.	L.
Kapple Chicks	28	14
Dion Quints	26	16
Cogan Coconuts	14	28
Has Beens	14	28

Four bowlers left the Legion Alleys last Monday evening with turkeys under their arms. They were Emmett Cassidy, Frank Angelo, Bill Trotter and Harry Dion. The league takes this opportunity to congratulate the Kapple Chicks as leaders for the first half of the season. However, several teams hope that when the season draws to a close that they may be successful in supplanting the present top ring holders.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Hughes Extends Best Wishes for Merry Christmas

1-3 Tues. . . . . 4711 W. Madison St.

G. K. George N. Daly and the other officers of Hughes Council, extend to the entire membership and their families sincerest greetings for a very Merry Christmas. It is the ardent hope and fervent prayer of the officers that this season of Yule will be a happy one for all members and that the God of Peace will bless our homes.

The G. K. said: "In a war-torn world certainly it should be a source of comfort to every Christian to have the Christmas season arrive with its aura of peace and good-will. Men seem to have forgotten the eternal truths taught by Christ, but a resort to prayer and unswerving fidelity to Catholic principles will bring justice and peace from the chaos which has engulfed almost the entire world."

LADIES' NIGHT, DECEMBER 16

On last Tuesday night, Hughes Council presented a pre-Christmas Ladies' Party and, while it is not possible to give you complete details in this column, there is every assurance that all in attendance had a delightful time and the ladies, God bless 'em, went home carrying suitable gifts and repeating hapily, "There is a Santa Claus!"

Lecturer John Korbel, his able assistant, Joe Ryan, and the others who contributed to the success of this swell party, merit a vote of thanks. Lecturer Korbel, it might be mentioned, had to take over in the middle of things and did a highly commendable job of arranging a program that was enthusiastically enjoyed by the feminine friends of Hughes Council. Last week the members received a letter about the Ladies' Night Party and if you didn't have your "best girl" along, it's your own fault.

CHILDREN'S CHRISTMAS PARTY

Hughes Council never does anything by half measures. When plans were completed to give the ladies a big evening of fun, frolic and gifts last Tuesday, arrangements were under way to take care of the "kids." Fin. Sec. Daniel L. Harper was made chairman of Hughes Council's Children's Christmas Party, scheduled for 3 p. m., Saturday, December 27, in Columbus Park Recreation Center, Central at Congress.

This feature is for the children and grandchildren of members only and the youngsters should be under 14 years of age. The Columbus Park Recreation Center is easily accessible by all means of transportation. Be sure to return the post-card sent to you if you will be on hand with one or more youthful guests. It is important that this committee have advance information to complete arrangement. Next Saturday, December 27, 3 p. m. A big time for the kids.

COUNCIL ITEMS

On last Wednesday, December 17, a Third Degree was exemplified at 8:30 p. m. in St. Philip's Gym. Hughes Council candidates were in this group who advanced in the Order.

BRO. TOM GRANT a week ago Monday hurried out to the hospital to see his wife and baby boy. Tom was pretty excited. Why, in parking at the hospital, he bumped soundly another automobile, all unaware that this car belonged to P.G.K. Pat Barrett, whose son Steve had just beat Tom to the hospital to see his own baby.

G. K. GEORGE N. DALY has bid plans for the New Year. The utmost cooperation of the members will be necessary to bring to fruition the fine program he has conceived. The best way to get immediate action is for all to make firm resolutions to attend council meetings regularly during 1942.

CHRISTMAS CHEER Fund. If you have not already given your contribution to Chairman James A. Ryan, D.G.K., please get it to him personally or by mail within the next few days. Any little bit will be welcomed, from a quarter to a billion. Wet get used to thinking in terms of the latter from reading the newspaper headlines. But certainly the little tots who are looking for Santa Claus to come on Christmas will bless you for whatever contribution you make.

BOWLING

HUGHES' MAJORS encountered Hennepin-Shields last Friday and swept the series. Al Kowalski and Tony Slanina both soared over the 200 mark in the second game. Lead-off man Elmer O'Brien started to feel an attack of gout just before the series started, and after the second game he retired in favor of Nick Mulroe. Nick took up where Elmer left off, tossing in a pair of strikes to open the final game, and with Nick mauling the maples in spectacular style, the other Majors—to hold their jobs, probably—also got down to business and that final game had a big total. Hughes is in the thick of the fight for the West Side K. of C. Bowling Championship, so be at the Cascade Recreation at 8:30 on Friday to cheer the boys.

COUNCIL LEAGUE—The Votava Auto-Fixers have now got things fixed so that they are out in front by two games. The Votavas, led by Jerry Traynor with a high series, took two games from McKeown Transportation, while the second-place Peter M. Kelly Morticians were dropping the odd to Lauterbach Coals. Bernard (Mickey) Dailey featured for the latter, while John Meehan was high for the Kellys. The Ald. Richard M. Walsh 36th Ward Boosters reached a tie for second place, two games back of the leaders, by winning two from the Wm. J. Benes Men's Furnishings squad. Ed (Midge) Gorman was hot for the Walsh team with a 620 series, while Frank Keough and the Alderman himself also bettered 200. Charles Pechota was anchorman for the Benes.

The Tim Toomey Tavern men swept their series with the Ward Builder Blues, though in a refreshment frame Frank Bolen and Thad Dietz had to shoot six extra times to settle the thing. The Malone & Clancy Undertakers embalmed the Ward Builder Golds twice, Hamilton accounting for the buck with a 242 game. Joe Delaney, individual league leader, had a 546 series for the Golds.

Damen Takes Time Out to Send Council Christmas Greetings

1-3 Thurs. . . . . 6 N. Hamlin Ave.

The officers of Damen Council take time out to convey the following message to all member, friends and benefactors:

May every Christmas carol,
And candle-light serene,
May every sprig of Holly,
And every Evergreen,
Help make this Christmas season,
The best you've ever seen.

During the past few months a new inspired spirit of progress seems to have taken hold of the council with very satisfactory results. It is the sincere hope of your officers that this new birth of council enthusiasm will continue throughout the coming year.

YOUR YEAR AHEAD

Financial Secretary James J. Crowley and Brother Thomas Cullen have completed arrangements to hold a "Grand Booster Party" at the Mid-West Athletic Club during the month of January, 1942.

Brother George Reithal Jr., our hard working Lecturer, has reserved a date for our "Annual Birthday Party" to be held the first part of February, 1942.

Deputy Grand Knight Bert Lannan, our Fourth Degree chairman, has issued a call for all eligibles to join the Fourth Degree. During these trying times of strife and misunderstanding we know of no better way to learn the vital truths of real patriotism than by joining the "Patriotic Degree" of our order. The Fourth Degree class this year will be known as "The Joseph McMahon Memorial Class." Therefore we of Damen Council should strive to do all in our power to make it a complete success.

THE MERRY MEN

Due to the inspired bowling of some teams and individuals at the last session the council bowling league is once again all tied up in a knot.

Upset No. 1 — The McMahon Undertakers took the leading John J. Gorman's for a grand slam of three games. Tom McMahon high for the Undertakers. Tom Cullen high for the Senators.

Upset No. 2 — The Kelly Couplers trimmed the Stack Typewriters all three games. J. Kulisky and J. Speyer high for the Kellys. Pat Stack (Bill Page substitute) high for the Stacks.

Upset No. 3 — The Cassidy Tires won all three games from the Reliable Credit. Joe King high for the Tiremen. Wm. Crowley and K. Phelan high for the Creditmen.

Upset No. 4 — The Champion Brown Plumbers lost one game to the McEnery Realtors but managed to win the last two. Bill Sloan high for the Plumbers L. McCann high for the Mac's.

So, on January 15 a special Ladies' Night will be observed. Bring your lady love, and we'll spend an enjoyable evening according to the plans arranged by the Lecturer and his committee.

Less than a month remains until Tonti's Pre Lenten Dance, on Jauary 17, 1942. The Place, Gross Park Hall, 2123 W. Roscoe St. Admission 50c, payable at the door. As this is the only paying affair of the year, sponsored by the Council, we not only need your moral support, but also your financial support. The more successful the dance, the greater the benefits accruing to the members in the form of various entertainment throughout the year. Don't leave it to the Lecturer's Committee and the officers to put this dance over, but regard it as a duty and an obligation to make this YOUR dance, a crowning success. Don't wait until the last week to dispose of your tickets. Get busy now, so that a large attendance will be assured.

PERSONALS: We are pleased to announce that Bro. Albert Pionte took his Third Degree last Friday, at De Soto Council, Belmont and Clark, and we now welcome him to Tonti as a full fledged member. The following brothers were present at the exemplification: D.D. Charles Ruzkowski, G.K. Louis T. Bupettner, P.G.K. Gene Raith, Frank Miller, Frank Maday and Kenny Graves.

Here are several last minute Christmas Shopping Hints: The Lambrecht Jewelers have never had a more complete stock of Gift Jewelry. They will be glad to help you select an appropriate gift. For that Christmas Dinner let Bros. Frank Valenziano, George Mayer, or Harry Rybski supply you with the piece de resistance, turkey, ham, a roast, or your heart's desire. For those holiday thirst quenchers call on Bro. George Kreissl of the Mayfair Liquors, or Bro. Roy Brewer, who operates the Roy Tap Room. For all your car needs, we refer you to the Lemanski Service Station, or to Bob Beaugurea Service Station, who incidentally, can be called upon, furnish you with any size or style trailer you may have need for.

Naturally, every one likes to appear well dressed for the holidays, and who is a better tailor than Bro. Joseph Mayer? They say he also does a wonderful cleaning and pressing job. The weatherman says "a long, cold winter ahead," so be sure you order plenty fuel from the Spencer Coal Co. And now, last but not least don't overlook Insurance. Whether it be renewal or additional insurance you want see Bro. Jos. Wiedemann, the best in the business.

Believe it or not. Out of 120 games bowled on December 9th, not one 200 score was chalked up. The highest game registered was 199, rolled by E. Sliwinski. It was just one of those nights.

In our weekly round up of Sponsors today we turn the spotlight on Bob's Trailer Service. Bob Beugureau, the sponsor of this team, has bowled with the council for many years, and is one of its zealous supporters. Bob operates a Service Station at 4259 W. Montrose. He also manufactures, as well as rents out, Trailers for business or pleasure trips. The Bob's Trailer Serv. team comprises: Lou Schmitz, Capt.; Ed Deka, Leo Murray, F. Deck, and Len Kreissl. This is one of the most hilarious teams on the alleys. When they win, they pat themselves on the backs and take all the credit, but when they lose, woe, it's always the other guy's fault, especially when Ed Deka blows a spare. When Leo Murray's dipsy doodle ball is in working order, they win, but when it fails, well, next Tuesday's another night.

Men in Services Point Way in Christams Cheer Drive

Soldiers, Sailors, Marines Stretch 21-a-Month to Include Donations for Orphaned and Aged

By Harry Gerardin

What I was trying to say in one of these essays on Christmas Cheer was that the spectre of war-time worries should not be allowed to thrust its ugly presence upon the innocent—upon children in the orphanages, children of the poor, the deaf and otherwise disabled youngsters, and the very feeble and aged. They have no part in it. They have their hearts set on a happy Christmas, and with your help, by means of a donation to the Christmas Cheer fund, the Knights of Columbus will see that they have it.

It seems like the men in uniform have best understood this point. Maybe because they are, themselves, both warrior and, temporarily, orphaned. Anyway, they have done themselves proud in the manner of their response. Army, Navy, Marine, Aviation and Coast Guard, all present and very well accounted for. There are quite a number of instances in which the "Twenty-one-a-month" in uniform in a far-away mobilization center has responded with greater promptness as well as generosity than some of his own brother knights working back here at home for ten times the soldier's "take."

Remind Others

Having made your own contribution to the fund, perhaps you have time to mention Christmas Cheer to others in your Council. There are always those who have the donation in pocket and are just looking for someone to whom they might intrust it—which would be you. Here's an incident that points the way. Try it.

A member of the committee entered an establishment out his way because, through the window, he had recognized two frinds belonging to his Council.

"You're just in time, Ed," called the first to spot him, "what'll you have?"

"I'll have a buck apiece from the two of you for Christmas Cheer," said the committeeman. He got it cheerfully.

New Year's Visit

By the time this Columbian has reached your home, Christmas Day will have passed and most visits will have been made. However, the committee goes to St. Mary's in Desplaines on New Year's Day and you are invited to sit in the audience and witness the distribution. Perhaps then, if you have overlooked this little duty, you will add your name to the roll below.

LaSalle General Assembly, Fourth Degree, has sent its usual, much appreciated check and there were seven others showing no council affiliation which came from Edward T. Clair, John L. McInerney, A. P. Franzese, John Higgins, Wm. J. Sheridan, Thomas F. P. Walsh, M.D., and Brother Donald A. Callahan, of Wallace, Idaho. The latter, a Past State Deputy of Idaho, was at one time a member of Loyola-Hyde Park Council and over a quarter of a century has never forgotten to do his bit for those whom we seek to serve.

By Councils, substantial donations reaching Christmas Cheer headquarters since last publication include: Americus—Albert J. Horan, Michael J. Howlett and Edward M. O'Leary. Archbishop McHale—C. S. Kelly. Archbishop Quigley—Walter J. Jakubowski. Auburn Park—Robert P. Brooks. Brownson—Thomas F. Rudd. Bishop Ketteler—Felix G. Healy and Michael Zimmer. Blue Island—Thomas F. Phelan. Calumet—Hon. Michael L. Igoe, John A. McCormick, John J. McDowell and James M. Whalen. Chicago — Patrick Powers and Frank Sherlock of Kalamazoo.

Commodore Barry—L. E. Gibbons and W. P. McCourt. Damen—Wm. J Cassidy, Michael J. Kearins of Detroit, John T. McEnery, John P. Quirk. Daniel Dowling—George Coleman and J. H. Touchstone.

From De La Salle Council came checks from Thomas A. O'Connor, D. J. O'Donovan and John O'Neill. De Soto—A. C. Birren, Jerome J. Crowley, Joseph L. Gill and Patrick L. McArdle. Father O'Connor—Joseph A. Driscoll, E. O'Connor, Rev. F. J. Phelan and Dr. T. W. Plant. Father Setters—Vincent DeFrank and Edward M. Schmid. Feehan—Wilbert F. Crowley, J. Stewart Eagen, Michael A. WRONG OVERCOAT?

At least two Third Degree Knights of Columbus are wearing somebody else's overcoat this week and are probably wishing they could locate their own. The mix-up in coats occurred following the Third Degree exemplification at St. Philip's gym, on December 17 when two coats were returned to the wrong parties.

Financial Sec'y Daniel Harper, at 1141 S. Mason Ave., or G.K. George Daly, 625 S. Pulaski Rd., Nevada 2465, both of Hughes Council, will be glad to arrange for the exchange of the coats if the affected parties will call them.

Supreme Knight Pledges Unconditional Support of Order to President

Supreme Knight Francis P. Matthews officially put the full force of the entire organization of the Knights of Columbus behind the President and the Congress of the United States last week, following the nation's declaration of war on the Nazi governments. The Supreme Knight's action was a result of the following resolution voted by the Supreme Board of Directors on behalf of the Order and addressed to the President:

KNIGHTS OF COLUMBUS
Francis P. Matthews
Supreme Knight
Dec. 15, 1941

Honorable Franklin D. Roosevelt,
The White House,
Washington, D. C.
Dear Mr. President:

I have the very great honor and pleasure of transmitting herewith a resolution adopted on behalf of our Society, reading as follows:

"The Supreme Board of Directors of the Knights of Columbus, realizing that the crisis confronting our country calls for the fullest possible active cooperation and patriotic zeal on the part of every true citizen, hereby reaffirms the devotion of the four hundred thousand members of the Order in this country to our Republic and its laws and pledges their continued and unconditional support of the President and the Congress of this nation in their determination to protect its honor and its ideals of right and justice.

"Resolved further that a copy of this resolution be sent to the President and to the House of Representatives and to the Senate of the United States of America."

Very truly yours,
Francis P. Matthews.
Supreme Knight.
Joseph F. Lamb,
Supreme Secretary.

Columbian Deadline for Next Issue Is Advaneed to Monday, December 29

One more early deadline, that of next Monday, December 29, for the issue of January 2nd, remains for the sixty-odd Council scribes before the official close of the old year.

Next week's advanced deadline is occasioned by the fact that all Columbian printing, linotype and mailing departments will be closed all day Thursday, January 1st, for the New Year's holiday. It is therefore necessary, in order to insure regular weekend delivery, to advance our press time one whole day to Monday evening.

Now as this last issue of the year goes to press, your entire Columbian staff wishes to gratefully acknowledge, as the most important phase of whatever success has been ours, the friendship and goodwill of reader and correspondent alike. Each of us, hope that each of you, will enjoy the happiness and blessings of the Christmas season throughout each day of the New Year—and for many years to come.

100 Teams Sign for State K. of C. Bowling Tourney

Over Two Thousand Members Will Take Part in Largest of 11 Annual Tournaments

Bowling, in particular Knights of Columbus bowling, will come into its own on Saturday evening, January 3, at the C. Y. O. Recreation Center, Wabash and Congress Sts., when the Eleventh Annual Illinois K. of C. Bowling Tournament gets underway.

An entry of more than four hundred teams is now recorded to set this season's tournament as the largest state event ever conducted by the Knights in Chicago if not in the nation.

Over two thousand individual members will see action over the five week-ends of competition for the Gold Medal awards, trophies and other awards connected with the meet.

Many Awards Listed

Championship medals for each event have been provided by the Illinois K. of C. Bowling Association. Trophies for high game honors have been donated by State Secretary Raymond F. Gleason and Judge Harold P. O'Connell.

Phillip C. Nilles, Master of the Fourth Degree, is also among tournament patrons as the sponsor of the important All-Star Match which brings together the leading bowlers of the Knights of Columbus major leagues in team competition for Gold Medals.

State Deputy Leo M. Flynn also presents Gold Medals to the winners of the city finals at the close of the major league schedule.

Grand Opening Jan. 3

Opening ceremonies this year are expected to duplicate those of last season when His Excellency, the Most Rev. Bishop Bernard J. Sheil honored the occasion by rolling the first ball. State Deputy Flynn, an "old-timer" at the tournament openings, will carry the responsibility of the second toss, and Supreme Director Michael J. Howlett the third.

Among the special events on opening night will be the contest between a State Officers' team led off by State Secretary Gleason and the Chapter squad headed by President Geo. A. Wahl.

A La Salle Assembly contingent, captained by James Ronan, will meet Elmer J. O'Brien's State Athletic Commission quintuplets.

Many G.K.'s Expected

Ten District Deputies and forty Grand Knights participated in last year's opening ceremonies. Jack Dix, president of the association, expects a large group this season in keeping with the greater number of registrations.

An invitation is extended to all members and friends to be present for the opening Saturday evening as well as to witness the All-Star Mateh Sunday afternoon. Guests are also welcome every Saturday and Sunday throughout the tournament schedule.

O'Connell's Christmas Party Is Counted as Another Gay Success

2-4 Tues. . . . . 1016 N. Dearborn

Sunday, Dec. 21, marked another milestone in the successful string of parties, dances, barbecues and other affairs in the long history of Daniel O'Connell Council. The big Christmas party staged at the new council meeting site was a complete success. There were over three hundred people present to witness the entrance of jolly old St. Nick at promptly 2:15 p. m. Over one hundred children were eager to greet Santa and receive from him personally their gifts. The ladies, too, were remembered with dainty handkerchiefs, which were happily received. After the distribution of the gifts, coffee and cake were served with ice cream for the children.

The party progressed rapidly and before we knew it old Santa had again taken to his flying machine and was off for other parties. The officers of Daniel O'Connell Council were happy to have been able to make this party possible, and we hope those who attended were as well entertained as we hoped they were.

Since the shadows of war have cast their gloom over our beloved country the Knights of Columbus have been increasing their efforts to aid in any manner they are called upon to act. Daniel O'Connell has set up a committee whose function will be to handle any problem which may come to the fore. Our first problem is to create a link between the boys of our council who will be called upon to enter the armed forces of our country and the members of the council. This committee will also notify the proper officers of any man entering the service, and will from time to time correspond with the boys. Further functions of the committee will be taken care of as the situations arise.

The chairman of this most important committee is Bro. Joseph Reggio. Vice Chairman Sam Cirone and other members of the committee are Brothers Evo Raffaelli, Reno Matteellii, Charles Conatto, Paul LaPaglia, Jos. Milone, Dominic Faraci, Frank Ohlinger, Tee Bonafedi, Mario Virginelli, Sam Scarlotta, Nick Vasile and John Lydon. This committee will have a lot of work to do and we feel sure that they will carry out this work in a manner which will bring credit to themselves and the council. I hope that they will keep the address of their scribe in mind and that they will pass any information they have on to me as soon as possible. I can be reached at Lakeview 4531 or address a penny postcard to John F. Henricks, 4245 N. Broadway. Give me the facts and I will see to it that they are passed on to the other members of the council through the Columbian.

During the past week Brother Frank Viveritto suffered the loss of his father. The wake was held at Ellison's Chapel at 736 W. North Ave. O'Connell members attended in a body Friday eve to pay respects to Mr. Frank Viveritto, who has two sons in the council. We refer to the deceased as the father of Frank, although Bro. Oscar Viveritto is also a member, but through conditions which are not always possible to foresee he is not able to attend the meetings as much as he would like, and as Bro. Frank is our outside guard, we made the above reference.

The Christmas Cheer committee really went to work last Tuesday eve at the meeting and from the looks of things O'Connell will come out way ahead of her quota. The committee on this activity under the guidance of Bro. Henry Meier has been very active and with the eagerness of all the brothers to spread the proverbial sunshine to those less fortunate the committee has done a remarkable job, and will receive the thanks and prayers of all who benefit by the generous contributions of all the brothers.

Real teeth in first-class condition are supposed to bite eight times as hard as false teeth.

OUILMETTE SENDS BEST WISHES OF THE SEASON TO ENTIRE MEMBERSHIP

2-4 Mon. . . . . 1215 Wilmette Ave.

Your Grand Knight, George E. White, wishes to extend to all members and their families his very best wishes for a Very Merry Christmas and a Prosperous New Year, and to thank all of you for the very fine spirit of fellowship and cooperation which you have shown.

Lecturer George Steiner reports that the Christmas Party was a tremendous success, so much so in fact, that the meeting hall was found to be inadequate to hold everyone present.

A total of 174 children were presented with gifts from the Council and everyone of them seemed to be having the time of his life.

In all of this there is but one lamentable note, and that is that some of our little guests had to be turned away without receiving gifts because some of the members did not fill out and return the reservation cards.

Their attention was called to the necessity of sending in the cards two or three times in this column, and also by mail from the Recording Secretary. Only 135 reservations were sent in, and, well, you know how many children came to the party.

The Bowling League prizes were given at the party, and it seems that the Schwalls had everything their own way. Brother Andy Schwall walked off with the bowling ball, Bro. Carl Schwall took away the bowling shoes, and Mr. Hermes received the cash prize.

A Merry Christmas and Happy New Year to you all—see you next year.

ORGANIZE NEW K. OF C. CHAPTER FOR COUNCILS OF ILL. VALLEY AREA

A charter is expected within the week from the supreme offices of the Knights of Columbus, New Haven, Conn. for the Illinois Valley Chapter, K. of C., officially organized by State Deputy Leo M. Flynn, of Chicago, at LaSalle, early this month.

The Illinois Valley Chapter includes Calvert Council of LaSalle; Starved Rock Council of Ottawa; Seneca council, Streator council, Mendota council and Farther Marquette council of Utica, with an aggregate membership of between 1,500 and 2,000 Knights of Columbus. Officers and members of all of these councils were present at the organization meeting.

The coordinating of these six councils into a chapter, which will be a clearing house for their united activities, is another step in State Deputy Flynn's program for a state-wide campaign for an increase of 10,000 Illinois members in the Order's National Defense man power, and behind its five-point program of progress in religion and patriotism.

At the organization meeting the recently elected officers of the six councils were installed in a joint ceremony by District Deputy J. J. Hirphfell of Champaign, in the presence of State Deputy Flynn, Loran J. Ducey, of Champaign, newly appointed Master of the Fourth Degree for the Central Illinois District; Supreme Director Michael J. Howlett, state chairman of membership and Past State Deputy Henry J. Lynch, superintendent of the Catholic Home Finding Association, both of Chicago. After the charter has been received the chapter councils will meet, and elect chapter officers and set up a program of action.

"The Illinois Valley councils are to be congratulated on the formation of a chapter of their own," says State Deputy Flynn. "This action will bring in new members and will inspire old members to more energetic work for the Order in its devotion to religion and national patriotism. A major immediate work is the all out support of the National Catholic Community Service division of the United Service Organizations, in the recreation and other programs for the soldiers, sailors and marines in the armed forces."

Sisters of St. Joseph Direct Three Leading Schools at La Grange

In the spring of 1899, Mother Mary Stanislaus Leary of the Sisters of St. Joseph of Concordia, Kan., obtained permission from the Most Rev. Patrick A. Feehan, Archbishop of Chicago, to establish a community in this Archdiocese. La Grange was chosen as the site for the new foundation, a choice which has proved to be ideal for the growing community and its various activities.

Mother Stanislaus lived only a few months after the La Grange foundation was made, and the work was efficiently carried on from its modest beginnings by Mother Mary Alexine Gosselin. The first building erected by Mother Alexine was on the corner of Ogden and Brainard Aves., and served as Motherhouse and Novitiate, and also as boarding school for girls in grammar and high schools. The present Nazareth Academy High School occupies the original building.

IS FULLY ACCREDITED SCHOOL

Nazareth is a fully accredited high school, offering a complete college preparatory course, with commercial subjects as electives in the third and fourth years. Lessons in intrumental and vocal music are given by trained musicians, and the Nazareth Academy Band is a flourishing institution.

After the Sisters of Saint Joseph had become firmly established and Nazareth Academy was a flourishing boarding school for girls, parents appealed to the Sisters to consider founding a school for grammar grade boys. At the urgent request of priests and people, Saint Joseph Academy for Boys was opened in 1909. The building secured for the first Saint Joseph's was a private home across the street from Nazareth Academy. In the very first year this building was crowded to the utmost, and in 1911 the cornerstone of the present Saint Joseph Academy was laid. The original building was enlarged by a three-story addition in 1917, and later a gymnasium was erected in a separate building.

MILITARY TRAINING OFFERED

During the past two years military training has become part of the curriculum at St. Joseph's under the direction of an army officer. The smart uniforms are a joy to the hearts of the boys as well as to those of their parents.

For a considerable time before 1926, the Sisters felt the need of separating the high school from the grammar school, and also of erecting a new Motherhouse and Novitiate to house the growing community. During this year a dream was realized, when the beautiful buildings of Our Lady of Bethlehem were erected.

ACADEMY OF OUR LADY

The Academy of Our Lady of Bethlehem is under the same efficient and motherly supervision which has contributed so materially to the success of Nazareth Academy and Saint Joseph Academy. Here little girls, up to the age of fourteen, are carefully instructed in the secular branches, while their characters are developed. The Sisters are particularly interested in seeing to it that a strong Catholic Christian character be formed in their charges. Non-Catholics are welcome at Our Lady of Bethlehem.

Our Lady of Bethlehem Academy is the center of thirty acres of grounds, beautifully laid out and arranged for the enjoyment and inspiration of the pupils. The latest addition to the grounds is the out-of-door Stations of the Cross and Grotto of the Agony, recently blessed with solemn ceremonies by His Excellency, Bishop W. D. O'Brien.

The summer camps carried on in connection with Saint Joseph Academy and Our Lady of Bethlehem Academy have been very successful. The boys' camp is in charge of Viatorian Brothers, and trained counselors take care of the girls. The children sleep in cabins a short distance from the schools, and meals are taken in the school buildings. These camps carry on all the activities of regular camp life, under the same capable supervision which makes for the success during the school year, of Saint Joseph Academy and Our Lady of Bethlehem Academy.

Americus Outlines Good Resolutions for the New Year

2-4 Tues. . . . . .3350 W. Jackson Bl.

We are coming to the end of 1941; it will remain in the memory of our American People for a long time, for after twenty-three years of Peace, 1941 brough to us Registration, Conscription, and finally War.

We know that every man who reads this paper, many of whom served faithfully and well in the last war, will keep his feet firmly on the ground and do everything he can to bring this strife to a successful conclusion. Not all of us are abl to don a uniform or shoulder a gun, but we can stand as Knights of Columbus should, shoulder to shoulder, firmly united in the cause of our Country.

Your Grand Knight is making some pledges for the New Year: (1) To start all meetings at 8:30 p. m. (He has done pretty good at that so far). (2) Make every effort to realize his ambition and finish "Quoto Made" by June 30th. (He needs a lot of help to do that). (3) To try and attract more members by having interesting and entertaining meetings.

Why don't you make a few resolutions? To bring in a new member. To attend the meetings. To keep your dues paid up. If you keep them it will be a cinch for the Grand Knight to keep his. Let's go in '42.

From a neighboring Council comes the news that they are having a Father and Son Class. What about us? Just to name a few who have sons eligible for membership, we have Brothers John Buckley, George Hart, Bill Twohig and John Whalen. Then, too, son-in-laws would come under that rating and we have quite a few in that category. Let's go in '42.

For the New Year get a Fourth Degree Application from our Financial Secretary or from the chairman of our committee, Brother Albert J. Horan. Now more than any other time we should have a record breaking class taking the Patriotic Degree. Let's go in '42.

One of our new members, Rev. William D. Walsh O.S.M., has begged to be excused from the next few meetigs. Father Walsh is athletic director at St. Phillip High School, and has a basketball team playing every Tuesday night (we wish him a lot of luck). He is also Spiritual Director of the Novena Ushers Club. We must congratulate him on the nice talk he made at the Major Degree Dec. 17. Keep up the good work, Father, and come up as soon as you can.

ROLLIN' ALONG

The Bowling League is just like Old Man River. Last Friday night the Scott's copped the odd from Costello's Prexies and the Daddy O'Rourkes took two from the Olives. Fred Scott had high game of the evening with 211, but Mooney carried away the dough in the Pot Game with 210. We wonder if the boys tell their wives that all they do is bowl on Friday nights; sometimes they run wild, we mean the cards, not the boys.

We have just learned that Brother John Monihan was on the sick list for about three months. We are sorry we did not get this news sooner but are glad to see that John is out and around again. Word also comes that Mrs. Pokorny is home from the hospital doing nicely. Please, brothers, if you know of any members sick or in distress, notify the Deputy Grand Knight, John Powers. One of our prospective members, Bill Kadish, is in Berwyn Hospital. On last reports he is doing nicely, and should be ready ot take his Degrees soon.

Calumet Council invites us to join with them bringing in the New Year at Perez Club House, 6710 S. May St., and on the west side of town, Cornwall Post will bring in 1942 at their Club House, 28th St. and Forest Road. Good time assured in both places. We remember 'way back when two young men on New Year's Morn, faced their father, who was cleaning snow in front of the house, in preference to facing the people coming home from early Mass, and to their greeting, "Happy New Year, Pa," received this reply: "It looks like a H— of a Happy New Year from the looks of you two." We wonder where those two young blades will spend this New Year's Eve. Probably in the arms of Morpheus.

We see Brother Vern Collins driving around in a brand new car and Fin. Sec. Jack Crawford tried to borrow it to go out and collect dues. The poor guy with the bum arm did not have a chance at the olive bowl last week. In all these bowl games you have to be a two-fisted he man to get along, but we are afraid some one of these evenings some of the feminine gender will throw th eboys for a loss. Better take warning, you lads.

Christmas has passed but you can still contribute to the Chicago Chapter Christmas Cheer Fund. Do it now.

We were just thinking (with what) what a big job it would be to drink all the water in Lake Michigan. Terrible thought, but just the same we imagine some of the boys will feel like doing it next Thursday morning.

To you and yours from us and ours, we pray God may make 1942 the Happiest Year in your life and before another year rolls around that we will all be at Peace. G'bye now.

Bro. Lawrence V. Kraus, president of La Rabida's Fourth Degree Club and chairman of the council's membership committee, has been promoted by order of Commissioner John P. Allman to the office of Sergeant of Police, effective December 20.

Brother Kraus has been assigned at the Detective Bureau for several years and his promotion at this time comes as a Christmas present that he will long remember. Congratulations, Bro. Kraus, and may good health and good fortune follow you in your new office.

BOWLING: The activities of La Rabida's Bowling League will be held in abeyance until Monday, Jan. 5, when play will be resumed and a further attempt by the rest of the league will be made to dislodge Kapple Chicks as league leaders.

SYMPATHY: Mr. Anton Wolson, father of Brother Ray Wolson, passed away suddenly on Dec. 20, at the family residence, 5146 S. Paulina Ave. Funeral services were held on Tuesday, Dec. 23, from the funeral home at 48th and Hermitage Ave., to St. Joseph's Church, where requiem high mass was celebrated. Burial was at Resurrection Cemetery. May his soul rest in peace.

HAPPY NEW YEAR

May I, in behalf of the officers of La Rabida, extend to the members their best wishes for a happy and prosperous New Year. May good health and good fortune be in store for you and your families.

HERE AND THERE: Calumet Council will hold its New Year's Eve Party at Perez Clubhouse, Marquette Road and May Street. Two floors will be for dancing and the other for table parties. See Calumet's column for further details. Price is $5.50 per couple.

St. James Council will hold its annual New Year's Eve Party at the Hayes Hotel, 64th and Woodlawn Ave. There too, dancing and table parties will feature the evening. See St. James Council's column for further details. The cost is $4.40 per couple, which sum includes set-ups.

CHRISTMAS CHEER: No doubt by this time you have received the annual appeal of the Christmas Cheer Committee of the Chicago Chapter. I know that every member of La Rabida wants to do his part for this worthy cause. May I suggest that if you have not already forwarded your donation that you immediately lay down your Columbian and perform this all-important task at once. This worthy work performed by all of us will assure the kiddies and other dependents a Merry Christmas.

The name daisy was originally "day's eye," referring to the bright little eye which opens only during the day and goes to sleep at night.

Damen Asks First Resolution to Be Meeting Attendance

1-3 Thursdays . . 6 No. Hamlin Ave.

Tempus Fugit—There's nothing much one can do about this no matter what you try, Tempus goes right on Fugiting. No one can deny that the one thing we all do every day is grow a little older. As a special suggestion for those New Year's resolutions you are now in the process of making why not include the following: I promise to attend all Council meetings and other activities during the coming year.

The last meeting of the council was designated as "Old Timers Night" and a goodly number of the old guard were on hand. Among the men of yesteryear were noted the following: John T. McEnery, Thomas Hog, William Cassidy, Fred Bergman, Tim Tierney, Thomas Cullerton, William Turner, William Butler, Joseph Lauth, Louis Braun, Patrick Grimes, John Kelly of Chicago, John Kelly of Oak Park, Jack O'Shea, James I. Feeney and William Berg.

Lecturer George Reithal, Jr., gave away a dozen birds to the following lucky brothers: Wm. Berg, Wm. Benthling, John Kelly of Chicago, Wm. Page, Tim Tierney, James Feeney, Homer Shaver, Bert Lannan, Tom Brown, Tom Turner and H. Ahern.

CROWLEY PARTY

On Sunday, Jan. 11, at the Sky-Line Ballroom of the Mid-West Athletic club, Damen Council will sponsor a Silver Anniversary Party to honor our genial financial secretary, James J. Crowley who has completed a quarter of a century as financial secretary of Damen Council.

The activities will open at 2 P. M. sharp on Sunday afternoon, Jan. 11, and will continue until 11 P. M. Dancing entertainment and refreshments will be of a continous nature. Come whenever you can. Stay as long as you like—Admission is **FREE.** Yes Sir!!!! Damen Council is holding **OPEN HOUSE** to honor **one grand guy,** Brother James J. Crowley.

BIRTHDAY PARTY

Lecturer George Reithal Jr. has secured the Sky-Line Ballroom of the Mid-West Athletic Club for Sat. Eve., Feb. 7, 1942 at which time Damen Council will hold its annual Birthday Party and Dinner Dance.

While arrangements are still at the infant stage, it is safe for me to let you in on a big deep secret. The Dinner this year will not be served until 11 P. M. and the cost will be very nominal, well within the reach of all. However, the dancing and entertainment will begin as usual, about 8 P. M. and continue until the wee hours of the morning.

To those who may have attended these parties in past years, it is unnecessary to state that they are a repetition of New Year's Eve. Speaking of New Year's Eve: If you are in the market for an evening of pleasure, why not look these over: Harry Madigan's "Nite at the Club"—Mid-West Athletic Club, 6 No. Hamlin Ave., Sky Line Ballroom—Dance to the tunes of a headline orchestra and enjoy a loop floor show—favors and a full course Turkey dinner for only $7.00 per couple.

Or perhaps you might prefer a southside rendezvous. Well then try "Calumet Council's 40th Anniversary New Year's Eve Party" at Father Perez Council. Club house, 6710 So. May St. Admission $5.50 per couple includes dancing from dusk till dawn, favors, entertainment and all the refreshments you desire. For reservations call Stewart 9067 or Fairfax 2889.

MEMBERSHIP

It is with great pride that I inform you that Damen Council has completed its quota of members for the first half of the year, but let us not leave the work only half finished. We have until June 30, 1942, to complete our yearly quota. Let's all get behind our hard-working chairman, Bro. Homer Shaver and put Damen over the top. See that prospect during the holidays and bring home that bacon application next meeting.

Due to our next meeting being cancelled on account of New Year's Day, we will have only one meeting in January.

Ravenswood Kiddies Enjoy Santa's Early Visit at Sun. Party

1-3 Wed. . . . . 1521 Wilson Ave.

The children of Ravenswood Council's members spent a very happy and enjoyable Sunday afternoon at the Council Clubrooms Dec. 21st. The occasion was our annual pre-Christmas party for the kiddies, the same party you've been reading about the past few weeks.

The party started with some very enjoyable musical entertainment by the five Schemerhorns, grandchildren of Trustees Peter Farrow. The majority of the entertainment from thereon was provided by Zippy the Clown, who proved that he is truly the children's friend. In addition to the customary antics of the conventional clown, he was in addition an accomplished magician. His feats of legerdemain ranged from popping corn in Treas. Bill Egert's hat to shredding Lecturer Al Carroll's tie.

Between the conclusion of Zippy's act and the arrival of Santa Claus, G.K. Michael Citti gave away a special gift of a very nice little toy garage to Joanne Citti, daughter of Charles Citti. The crib set donated by Bro. James O'Reilly was taken by Lecturer Al Carroll.

All children received a present and a stocking of candy from Santa Claus when the jolly old gentleman arrived, after a short delay which had been caused by "parking" difficulties.

Lecturer Carroll and G.K. Citti received many deserving compliments upon the party and the decorations. Bro. Carroll spent numerous evenings planning this party and much of his other spare time in gathering and wrapping presents, to say nothing of taking charge of his committee composed of G.K. Citti, George Saver and Ye Scribe, and seeing to it that the tree and hall were properly decorated in time. Lecturer Carroll and committee, take a bow!

COUNCIL ITEMS

To the majority of us, Christmas brings joy, but to Bro. Edmund Korn the happiness will be tempered by the death of his father, Stanley Korn, formerly a member of the council, who passed to his eternal reward Dec. 19. May the Perpetual Light shine everlastingly on his soul.

Pvt. 1st class Wm. Collins, brother of Inside Guard Art Collins, was at the party on leave from Camp Forrest. He looks like a million and reports fine progress with his cooking. Everyone was surprised and pleased to see him. Received a fine letter from Bro. Al Courvoisier, Pharmacist Mate, 3rd class. He expects to get leave to spend New Year's with his father and mother. Al is attached to DISP. 2nd DEF. RN., FMF., MB., Parris Island, South Carolina.—Good luck, health and happiness to our boys in the service.

Birthday greetings this week to Bro. Ben Sullivan. To Ben birthday greetings and New Year wishes go hand in hand for he was a January 1st baby.

Early—Monday evening, December 29—is the deadline for next issue of The Columbian.

Madonna to Hold New Year's Party at Hyde Park Hotel

2-4 Fri. . . . . 4644 Emerald Ave.

These short dead-lines give us a beautiful opportunity for having a midget's column, and what with the office and shopping eating up all of our spare time we're not mad. (Don't answer that.)

Naturally enough, all, or most of you on this day after Christmas, will be planning on celebrating the entry of 1942. And the place to do your festive work will be at the Hyde Park Hotel in the Victorian Room with the rest of Madonna's crowd.

Lecturer James "Duke" McGrath has been working like an A. F. of L. beaver getting everything ready for next Thursday eve. With his usual canniness, he's whittled down the tariff to three bucks a couple, which for New Year's Eve is darned economical. Set-ups, fifty cents. If you haven't made your reservation yet, phone the Clubhouse, Bou. 4099, or Duke, Bou. 4773 (evenings) or G.K. Raleigh Kean, Atlantic 9782.

THIS IS FRIDAY

The day after Christmas and it will also be the final meeting of the year. Why not attend, if only to become a member of the Laplanders Club (see Scannell). You might also admire the illuminated Christmas tree that Ed Goeing has set up in the front yard of the Clubhouse. It's a beaut.

THE BOWLERS

Received the shock of their lives last week when the Miller Coalmen stopped heaving Pocahontas mine run in the cellar long enough to take three games from the league leading Duffy Pansies. Matt Purpwa and Mickey Ramis led the Coals to victory after a heart rending pep talk by Jim Ryan. The Boyles squeezed one out of three to go into a tie for first place.

Despite a lot of heckling from Andy Barry Secretary Frank Jackson seems to be getting along all right. In fact, he's so well balanced that he has arranged to give away turkeys tomorrow night (Monday, Dec. 22). One for each alley, two for each street and three for a boulevard. However, Frank's communique looks funny to us, it says "Next Monday night will be turkey night, a BIG BIRD for each set of alleys."

You'd expect the league secretary to have more loyalty than that, wouldn't you?

CONGRATS.

Are in order for P.G.K. John T. Houlihan. Came recently the announcement of the engagement of Miss Virginia Cheevers to the "Judge," catching us a little unawares, but making us very, very happy, since it culminates the romance of two of our best friends. We've known John for we don't know how long (it must be all of 84 years) and many was the night Virge rode home in the old Essex. (Remember, Virge?)

At any rate, congratulations, kids, we wish you luck and happiness—and not more than sixteen floor lamps.

More congrats to Jim and Vera Powers, who are the happy parents of a baby girl. The bundle from heaven arrived last week—and Jim still hasn't come down to earth. He's still going around with his coat on backwards.

MADONNA'S MURMURING

Larry McGetrick has forsaken Bond's Snappy Toggery, to don a Navy uniform. Just where Larry will be assigned we don't know, but as soon as we do we'll slip it to you.

Trustee Jim Ryan forsook that gleaming Dodge last Friday night and arrived at the Club via street car. Just for the thrill of hanging on a strap, he confides. What IS THIS?

The Fifth Annual New Year's Eve Jamboree of the St. James Fourth Degree Club at the Hayes Hotel at 9:30 p. m. Naturally it's on New Year's Eve, you dopes, and the cost of $4.40 per couple includes food, beverages, favors, and table service. Handling the affair are Tommy Groark, Stewart 7899, Ambrose Burke, Radcliffe 0750, and Dr. Clarence Strobel, Beverly 7619.

Was McBride afraid to mail it himself?

FOR SOME TIME

Now we have endured the baiting of the Squeak of Randolph Street, in deference to the fears expressed by some of the boys that we were laying on him pretty heavily. But when the Voice comes around with a search warrant looking for trouble—we regain interest.

We throw off that holiday good will spirit, we buckles on the sword and tin pants—we can't sit down on account of 'em. We are on the alert (darn near fell off, too). WE ARE WAITING.

Early—Monday evening, December 29—is the deadline for next issue of The Columbian.

A HAPPY AND PROSPEROUS NEW YEAR TO ALL! . . . We are greatly pleased with the generosity of many of the members for Christmas Cheer thus far. . . . But there are many we have not heard from. . . . So brothers, it is not too late. . . . Send your contribution to the Chicago Chapter direct or mail to the Financial Secretary. . . . The kiddies and old folks will appreciate it, we are certain of that. . . . Charles L. (Bill) O Hara is to be complimented on the modern mortuary he has acquired at 5908 Roosevelt Road, embodying all the latest conveniences, including air conditioning. . . . We doff our hats to this enterprising young business man of our Council, and wish him success in his new location. . . . We hope they enjoy the birds and that the attendance at last meeting will be the forerunner to better and bigger meetings during the new year. . . . The bowlers wound up the first half of the schedule last Tuesday evening, and the race is see-sawing with every game. . . . Last Tuesday saw the Dean Steels take the works from the J. P. Ryans and the Modern Cafe coming to life with a two way win over the O'Hara Undertakers. . . . Standings at this writing are as follows:

Loyola-Hyde Park Will Hold Christmas Gift Night at Meeting Mon.

2-4 Thurs. . . . . 7435 Cottage Grove

NEXT MEETING MONDAY, DEC. 29. CHRISTMAS GIFT NIGHT. MERRY CHRISTMAS and HAPPY NEW YEAR FROM LOYOLA-HYDE PARK to all its MEMBERS and FRIENDS.

Private Eddie Joyce will be home the 28th of December on a furlough. Private Franklin Krause, recently admitted to the bar and who is now in the 3rd Platoon, Co. C, 52nd Medical Training Batt., Camp Berkeley, Texas, dropped us a card. would appreciate a card and news about the council. Here's a fine young fellow who deserves credit both as a loyal member, and for his patriotism. We would like to get cards from more fellows like him. Walter Ochs' son is with the service down south. Hope he gets home on furlough for Christmas.

Kids' Christmas Party this Sunday, December 28, from 2 o'clock to 5 o'clock. Santa Claus will be there, and a gift will be given to each child suited for children one year old to ninety. There should be plenty of cookies, candy and ice cream, too. So bring the kiddies up and come up yourself. You'll enjoy it.

P.G.K. Arch Hermann Night and 1st and 2nd Degree Jan. 8. We plan to make this a big affair for a fellow who has been the livest fellow in getting members for our council in years; we ought to bring in as many new members for this night in honor of Arch as we can. Can't have a large degree in our own council chamber if we don't have a large class. Arch went out and got over fifty new members for our council, can't you get at least one in honor of him?

BOWLING NEWS

Last Friday our bowlers participated in an old fashioned Christmas Gift Party. All in all 18 gifts including turkeys and candies were given to the keglers. Bros. Jack Flanagan, our dancing bachelor, copped the sweetest prize of all, the three pound box of cookies. Brothers Getz and Bradley and Taft walked off with turkeys.

We all owe Past Grand Knight Arch Herrmanns a vote of thanks for acting as Santa Claus and planning the party. Brothers, if you have any spare time during the holidays, drop up on Friday at 9:00 p. m., and see one of the biggest and best bowling leagues in Chicago Knights of Columbus circles.

Dearborn Party for Kiddies Hits the Right Spot

2-4 Thurs. . . 820 W. Garfield Boul.

Last Sunday afternoon 250 children of the members of Dearborn had the time of their lives at Dearborn's annual Christmas Party. The kids were having so much fun that they didn't want to go home. They played games, sang songs—"Silent Night" was beautifully done—were entertained by some very fine acts and all received a gift from Santa Claus.

Mr. Robert Everhart entertained them for quite some time by making character faces of different funnypaper folks and famous movie stars. He would get his makeup on and let the kids guess who it was. They did it very well too, it didn't take them very long to catch on to what it was all about.

Miss Jerrold Mathis played a trumpet solo and was later accompanied by "Tony the accordion man" in a duet which entertained the children a lot. The kids sang right along with the music and had a big time. Mrs. Caroline Grab played the piano and accompanied the other musicians.

"Wally the Clown" was there and he took a little boy and girl up on the stage with him to help him do his tricks. Getting all of the kids lined up to go and see Santa Claus was a big job, but it was fun, even for the older kids. They lined up with the little tots in the front and the bigger ones toward the rear. All received a gift package and a box of candy.

Everything was well planned and was carried out to the nth degree, and the committee is to be complimented on the success of the party. Those men who were over there Saturday afternoon to trim the tree were there again Sunday afternoon to take it down. Bros. Dick Kerwin, John Feilen, Tom Tynan, our G. K. Devereaux, were just a few who made sure that the youngsters had a great party.

CONGRATULATIONS

A brand new baby boy was recently left at the home of Bro. John Lux. You know he even has Eddie Cantor backed off the map because he has seven girls. We predict that this little fellow will be quite the man of the house, eh, John? Our best wishes to you and Mrs. Lux.

NOTICE—Meetings in January will be on the 2nd and 4th Thursdays. The reason for the change is because of New Years Day coming on the first Thursday. So don't forget, the meetings are Jan. 8 and 22.

NEWS ABOUT KNIGHTS

Bro. and Private Joe Guerin, Jr., has been recently transferred and we give you his new address: Pvt. Jos. F. Guerin, Jr., No. 36046240—Detachment B—22nd Signal Service Co., A. P. O. 896, C-O Post Master, New York, N. Y.

BOWLERS are wanted to join the Dearborn Bowling League and any of you fellows who want to have a real evening of sport and fun, get out with the bowlers on Monday nights at the Western Recreation Alleys. G. K. Devereaux announced at the last meeting that he will sponsor a team and requests that all members who wish to help make the league a bigger and better one should be at the Alleys Monday night, 63rd and Western Ave., is the place, see you there.

Seen at the Christmas Party were: The Duke of Elmwood Park, Bro. Matt May and his two daughters, Joan and Judy, having a swell time. Also Bro. John Moakler's family was well represented.

Some queer things happen now-a-days and we pass this on to you for what it's worth: Last week the captain of the Woodlawn police presented himself at the residence of Bro. Dick Kerwin and told him that he was Woodlawn's No. 1 public enemy, and that he would have to evacuate, bag and baggage, from within the boundaries of his jurisdiction. He has taken up residence at 4655 Lake Park Ave., and now we understand that some of the other good brothers of the council (Jim Kitrick take note) must drive him home, and, in the event they are stopped by some policeman, the good brother must vouch that our Richard is OK. Tsk, tsk, why must some people be such a burden?

Bro. John Dowd has reported to Washington, D. C., this week on a new job.

Did you see the article in last week's Columbian about our Bro. Geo. Weisensel being one of Chicago's star bowlers? He was recently elected to head the Classic Bowling Assn., of Chicago for the fourth consecutive year. Besides being president of that group, he is also president of Mayor Kelly's Bowlers club, President of the Bowlers' Golf club of Chicago and a Director of the Chicago Bowling Assn. He has rolled two 300 games and has a present average of over 200 in the K. of C. Circuit this year. Congratulations, George, upon your successes, and we hope that they continue in the years to come.

BLOOD DONORS—Four Dearborn members last week answered the call for mercy and submitted to transfusions. They were: Bros. Frank Gerry at St. Bernard hospital on Dec. 15; John Downes at Mercy hospital on Dec. 16; Thos. Tynan at Columbus hospital on Dec. 20; and Chas. Lyons at Mercy hospital on Dec. 20.

HEAR YE, HEAR YE

The Fourth Degree Club of St. James Council would have it known that they are having their Fifth Annual New Year's Eve Jamboree on Wed., Dec. 31st, at the Hayes Hotel, 64th St. and University Ave., beginning at 9:30 in the evening and when you get home is nobody's bizness but your own. Tickets are sold on the couple basis and are four-forty. Make your reservations by calling the homes of the following brothers: Thos. Groark, Stewart 7899; Ambrose Burke, Radcliffe 0750; Dr. Clarence Strobel, Beverly 7619. Joe Rosner's Orchestra is going to render the swing stuff and we can vouch for the food and hospitality of the Hayes Hotel.

R. I. P.

Condolences of the council are extended to Bros. Ed. and Wm. Tinkler whose sister, Margaret Crossen, passed away last week. May the good Lord have mercy on her soul.

An Invitation Not to be Refused

If you are ever in China and receive an invitation to a tea-party, don't hesitate to accept for tea-drinking in China is not the simple act of potation as in the Western hemisphere but a highly poetic, aesthetic and social function. In the West, the tea-drinking culture is a social cup served in the drawing room but this cannot compare with sipping fragrant brews beside the oleanders and aspens or in a bamboo grove of a Peking garden where peony tea, teas of roses and gardenias and fragrant oleander blossoms are freshly gathered for the draught. The Chinese don't waste by exportation such refinements on foreigners who do not know how to drink tea. Compared to the Chinese we have a high "tea illiteracy." While the West has its Masters of Art and Bachelors of Science, China has its Doctors of Tea. This degree was started by Loh Yu who wrote three thick volumes all about tea and called it the "Tea Bible."

In Japan tea is not simply a beverage but is a philosophy, a religion of aestheticism. According to the Book of Tea, "Tea-ism, is a cult founded on the adoration of the beautiful among the sordid facts of everyday existence. It is hygiene for it enforces cleanliness; it is economics, for it shows comfort in simplicity."

Early—Monday evening, December 29—is the deadline for next issue of The Columbian.

Setters P.G.K. Roy Bedore Will Head New U.S.O. Center

2-4 Thurs. . . . . 4711 Madison St.

Roy P. Bedore, Grand Knight of Father Setters Council and formerly Assistant Director of the U.S.O. center at 1122 South Wabash Ave., has just been advised by Washington of his appointment as director of the newly erected Service Men's Club in Highwood. Mr. Bedore took up his official duties last Monday at the conclusion of the dedication ceremonies and flag raising when the club was turned over to the United Service Organization and the National Catholic Community Service by the Government.

Located in close proximity to both Fort Sheridan and the Great Lakes Naval Training Station, the club, with its new building and spacious grounds, is expected to become a favorite headquarters for both soldiers and sailors on leave.

The director, on whom will fall the duties of managing the club and providing comfort and recreation for its guests, is amply qualified for this important position. He has had many years of experience in leadership of young men's activities, a brilliant record in the world of athletics and is an unusually capable administrator.

The members of Father Setters Council take pride in the appointment of the Grand Knight to this important post and extend him our best wishes for his continued success.

CHRISTMAS PARTY

A message has just come to the Council Headquarters from Santa Claus, through his official representative, Bro. J. Edmund Dwyer, telling what a good time Santa himself had at the Children's Christmas Party last Sunday afternoon. The jolly old gentleman was delighted to meet the four hundred youngsters present at the party and to give each one personally a pound can of candy and a Christmas gift.

As you've probably already heard from the youngsters, in case you weren't present yourself, the party started off gayly at three o'clock with a splendid entertainment program. Some twenty-five appropriate numbers were included and it was obvious that the show was thoroughly enjoyed by the guests of the occasion. These fine acts were presented by the North Austin Junior Players, directed by the very able Miss Ester B. Glazer, of 1541 N. Lawler Ave.

It just so happened that, as the final number on the program was coming to a conclusion, Santa Claus entered the auditorium and was riotously greeted. He made his way through the happy throng of children, shaking hands, beaming and smiling. After reaching the rostrum, Santa announced that word had come to him of the fine conduct and behavior of all the boys and girls at the party and that as a result he had a gift for each one of them. Then, after gathering all the boys and girls around the Christmas tree, Santa went about his happy task of distributing the presents.

At this point we'll close our story of the Christmas Party. For further details we refer you to any one of the four hundred boys and girls who spent such an enjoyable afternoon as the guests of Santa Claus and of Father Setters Council.

HELLO!

Mr. and Mrs. John J. Lee of 2922 North Meade Ave. announce the arrival, on Dec. 16, of a lovely young daughter. Little Joyce Anne weighed 6 pounds 9 ounces and is doing splendidly. Our congratulations to the proud parents.

Mr. and Mrs. Leroy Blondin announce the recent arrival of a fine, handsome young son. Tommy, as the young fellow has been named, is getting along very well and has already signified his intention of joining Father Setters Council as soon as he completes the formality of becoming old enough.

St. Paul to Entertain Council Children at Party This Sunday

1-3 Tues. . . . . 6713 Olmsted Ave.

Sunday, Dec. 28, at 2 p. m., in the council chambers is day, date, time and place of the council's annual Christmas party for the children of members.

Much time has been spent and preparations have been perfected to make this year's party the equal of any in former years. From all indications there will be a large number of children on hand but it has been noted by the committee the absence of a few who were represented last year. If any of you have failed to turn in your cards, by all means do so without further delay. This is an all-council kiddies' party; be sure that your children are on hand.

COUNCIL ITEMS

LAST SUNDAY six new members of the council were initiated into the Third Degree. They are Geo. Hartke, Edwin Kisla, Casimir Luczak, William Maloney, James Gillogly and Henry Strass, Jr. To these men we extend a hearty welcome into our ranks and trust that they will become imbued with the true spirit of knighthood.

WE UNDERSTAND that the contributions to the Chicago Chapter Christmas Cheer fund, speaking councilwise, are dragging a bit from last year's total. Those of you who can contribute will find G. K. Gene Sass ready and willing to accept your offering. It's never too late.

ENTRIES for the state K. of C. bowling tournament are being made now. However, not much time remains to get your entry in, so it behooves you to contact the committee promptly, otherwise you may be too late.

As we draw toward the closing days of this passing year we know, too, that the early days of the new year are close at hand. Your Financial Secretary, Vic Porazinski, doesn't often ask for space in this column but he does wish to remind you of the transition period from 1941 into 1942, which is a gentle hint to those who, in the fleeting days gone by, have forgotten their council obligations and to those who like to be among the "early birds" that another quarter-year is coming around.

We have just returned from St. Hedwig's Orphanage and witnessed the excellent program enacted for and by the kiddies of that institution under the sponsorship of the Chicago Chapter Christmas Cheer. We have been there in other years but each visit holds our interest immensely and we cannot help but feel (and express these sentiments to you) that if all the members of the council would "take in" this program there never would be any doubt but that the funds to provide each year's program would be forthcoming regularly and in abundance.

Our membership in the K. of C. particularly in St. Paul of the Cross Council, this past year has made us many friends and afforded us many pleasant associations, for all of which we are deeply appreciative. We take this means to say to you "thanks a million, fellows" and we further express to you, one and all, our good wishes for your health, happiness and prosperity throughout the coming year.

Feehan's Children's Christmas Party All Set for Monday Night

2 & 4 Tues. . . . Hamlin and Madison

First item of importance still remains the Feenan Council Children's Christmas Party. This event, staged annually for the sons and daughters of the members, will be held on Monday night, Dec. 29, from 7:00 until 9:00 p. m., at the Mid-West A. C. As usual, the affair will feature talent, gifts and refreshments. Doors open at 7:00 p. m.

The next meeting, to be held on Tuesday, Jan. 13, will feature "Experience Night." The new members who took their Third Degree at St. Phillip's on Wednesday of last week, will be on hand to give us the lowdown. We want to take time out right now to congratulate these lads on their excellent showing and to advise them to start out on the right foot by getting to meetings early and, of course, often. When you take an active interest right at the start, you find the habit of regular attendance grows upon you and with it comes satisfaction and the enjoyment of new and interesting social contracts.

BOWLING

With but one night remaining in the first half of the season, the race in the Feehan Council Bowling League is tighter than the strings on Fogarty's wallet. The Lemon Kings still cling precariously to the top rung with the hot breath of the law of averages breathing even stronger down their backs and with Harmon Electrics and Ed Kaindl Boosters still having a chance at the title.

The standings: Lemon Kings, 27-15; Harmon Electrics, 26-16; Ed Kaindl Boosters, 24-18; Malee's Fighting Irish, 22-20; Hanley's Tavern, N. Preib Cleaners, J. J. Collins Printers and Judge Hackett's Pioneers, 2-12; Illinois Laundry, 20-22; Harold Crotty Boosters, 18-24; Pat Quinn's Inn, 17-25, and Pat Riley's Colts, 14-28.

Individual averages: Joe Collins, 182; Jim Collins, 180; George Becker, 180; Frank McQuillan, 175; Bill Barrett, 172; Frank Wheeler, 171, and Bud Schoemer, 170.

Honor Rollers—John Schoemer, 225; Em Gorman, 216; Ed Calmyne, 212; Frank McQuillan, 208; Joe Malloy, 208; Harold Julius, 204; Ben Mullins, 203; Ed Morrissey, 203; Frank Engel, 202, and Jim Collins, 201.

FLASH—Our trusted Indian runner just brought in a bulletin to the effect that the Feehan Majors took a series Friday night. Comes the revolution?

GREETINGS: To Bros. Thos. F. Collins, James T. Opelka, Jr., Ray O'Connor and John J. Fogarty (?), who celebrate birthdays during the coming week. AND Peace, Victory and Prosperity for 1942.

Chaplains' Corps Wants Slogan

Washington.—"Wanted: A Slogan." In a circular letter distributed to the members of the chaplains' corps of the U. S. army, Monsignor William R. Arnold, chief of chaplains, wrote: "This office will welcome suggested slogans applicable to the corps of chaplains."

Hen.-Shields Gets a Personal Visit From Santa Claus

Jan. 14-28 . . . . 446 N. Parkside Ave.

A forerunner of the Christmas spirit appeared at Hennepin-Shields Annual Children's Christmas Party last Sunday when one hundred and twenty-five youngsters made persoal acquaintance with Santa Claus (alias Charlie Quill), received his special gifts and enjoyed a splendid program arranged by Lecturer Bill Phelan.

Among the entertainers were the Ruth Ackerman Dancing Studios Ensemble, with Audrey Haas and Annabelle Nelson, dancers; Gene Forbes, impressions; Mary O'Brien at the piano; Jack Kelly, accordionist; Rose Quill, a song; Billie Musgrave and Billie Donnelly. Three excellent movie shorts met with youthful approval and the final touch of ice cream and cookies ended a grand afternoon for the youngsters.

The council is very grateful to the members who assisted in trimming the tree and packing the Christmas sacks and to the ladies who very kindly assisted in serving the children. A mighty nice party for a mighty nice bunch of children.

BOWLING

In the final series closing the first half of the schedule, the Midland Pipes won three games from the Harwood Florals, Tommy Butler marking 223 in the second.

M. C. Fogarty s Men's Wear won two close games from the Frank M. Hayes Barbeques, with Barbeque men Jim Oakey shooting 202, Frank Daley 219 and Gibbons 202, Roy Murray clicking with 204 for Fogarty.

John J. Hayes Hatters closed the first half with a two game win over Ray Foley and his Grill Team, Rogers of the Hatters with 214 and for the Foleys, Quill had 212 and Hickey 230.

After a bad start Costello & Son Boosters won two from the Ed Riley Insurance Writers, Al Lifka of Costellos topping the book with 212, 234 and 203 for total of 649, aided by Marty Moylan's 224 in the second game for a team total of 935.

From our West Side Major League team we hear they won two games from Chicago at last Friday's meeting with Tommy Butler (This guy must be a good bowler) getting 621 for his evening's work.

Also we are told the council has entered six teams in the Illinois State K. C. Bowling Tournament to be conducted at the C.Y.O. Alleys, Congress and Wabash, our teams to make their appearance at 6:45 p. m., Saturday, Jan. 10.

THE SOUNDING BOARD

A voice with hog calling volume was needed to be heard over the tumult last Sunday. Mike Hussey and Bill Welch filled these difficult roles with good natured perseverance.

Charlie Quill filled the part of Santa Claus to perfection. And when we say "filled," we mean just that. No mirrors needed.

At the N.C.C.S. Ping Pong Tournament sponsored by Hennepin-Shields, Dec. 17, at the Service Center, 1122 S. Wabash, the winners were Leo Bloomberg, first; J. P. Lochat, second and Joseph Cissell, third, all members of the Air Corps.

P.G.K. Frank Quinn promised to make more than a two-minute speech at some meeting in the future. We leave it to Lecturer Phelan to see that the old campaigner makes good on his promise.

Captain John Sullivan, Chief of Detectives, also was another who rashly committed himself to give an evening's entertainment at some future date. Lecturer Phelan, please check and report.

And now we come to the end of the last chapter in the year of 1941. Within the council circle there has been a gratifying revival of interest in council affairs which we hope will continue. Beyond the circle in the world of affairs, events have taken and are taking place of gravest importance to ourselves, our families and our country. What the outcome will be no man can foresee. We can only hope and pray for the best.

It is our desire to extend to each and all sincere best wishes for a Happy and confident New Year and that the coming year will bring the rewards that our confidence and trust in the bounty of Almighty God will merit.

Ring those bells, there's a great day coming! G'BYE.

A MOST MERRY CHRISTMAS

BOND EMPLOYES WILL GET CHRISTMAS BONUS IN U. S. DEFENSE BONDS

Defense bonds totaling about $150,000 will be given 4,000 Rochester employes of Bond Clothes in the form of a Christmas bonus, Barney Rubens, general vice-president, announced last night on behalf of the board of directors.

The payment will be part of $600,000 to be given to 9,131 employes, including those at a Bond factory at Brunswick, N. J., and workers in 59 stores.

Decision to pay the bonus in defense bonds was reached after the suggestion from Rubens brought a five-minute ovation from the assembled workers in the factory cafeteria. Rubens characterized the demonstration as "an example of the patriotism of these clothing workers whose national roots reach into every European country, and whose religious ties touch about all religions. It shows they are willing to do their share to help finance the future of democracy."

Distribution of the bonus will be based on merit and length of service, it was announced, and will be paid all employes who have been with the firm for more than six months. Factory payments will be based on entire earnings for the year, and will be classified at 2, 3 and 4 per cent, dependent upon length of service. Store distribution will be based on weekly salaries.

In addition, the directors voted the equivalent of two weeks salary to employes who are in the armed services of the country. Only the president and senior vice-president are excluded from the bonus arrangement, it was announced.

Payment will be made at Christmas time or as nearly thereafter as possible, Rubens said. Some difficulty may be encountered because each bond will have to be registeerd in the name of the employe. Odd bonus sums in excess of bond totals will be given the employes in the form of defense stamps.

Among the Chicago employes of the Bond organization who will share in the bonus distribution are the following members of the Knights of Columbus: Tom Nolan, Bill Loftus, Walter Elliott, Joe Doherty, Henry Kaminski, George Kroll, Joe Beckerjeck, Eddy Murphy, Wally O'Keefe, Frank O'Connell, John J. Quinn, Emory Fonte, Len Ullrich, Frank Grady and Bob O'Keefe.

NUNS TO TEACH SCHOOL IN WEALTHY CLUB BLDG.

New York—The luxurious furnishings of the well known Hangar Club, at 36 East Sixty-third street were being catalogued for auction last week as the Missionary Sisters of the Third Order of St. Francis prepared to take over the building as a business school for girls.

Within a short time this five-story brick and stone structure, which formerly housed a club of wealthy New Yorkers, will take on the austere simplicity of a religious institution devoted to teaching girls and will be known as The Assisium.

The Hangar Club was one of the social clubs of wealthy men that was started shortly before the depression. It continued until January 9, 1939, when the club was dissolved and the property was deeded to City Bank Farmers Trust Company.

Leo Requests Full Information on All Members in Service

1-3 Tues. . . . . 820 W. Garfield Bl.

To all members of Leo Council who are now in the Army, Navy or Marine Corps, please send your name, rank, company regiment, infantry, cavalry, artillery, or air corps, and what camp you may be stationed, to the Grand Knight. We have in the Council Club rooms an Honor Roll of all Leo members who served in World War I, and we must have this information if we are to have another Honor Roll of our members who are now in the Armed Forces of our country. So, Brothers, or members of their families, will you please pass this information along?

Now that our government knows just where it stands with the Axis powers, it is also the time for all Catholics to stand up and be counted as such. One of the finest things we can do to unify ourselves is to band together into the greatest fraternal organization in the world, the Knights of Columbus. The members of Leo Council should exert themselves to secure new members for our Council by inviting all their Catholic friends to join.

Do it now, so that on Jan. 20, 1942, Leo will have one of the largest classes on record. On that date Leo Council will hold its First and Second Degrees in our Council chambers. Leo will be host to South Division No. 1. Brothers, now is the time to show your fraternal spirit.

Auburn Park Host to Youngsters at Gay Yule Party Last Sunday

2-4 Thurs. . . . . 7740 S. Emerald Ave.

For the nineteenth consecutive year, Auburn Park Council played host to the children of the membership at a party held last Sunday afternoon, December 21, at St. Leo's High School Auditorium. There was a very large attendance of children, accompanied by their parents. The show got under way shortly after 2:30 p. m., with Santa Claus making the rounds among the children and after an announcement by our Grand Knight, Harry J. Cox. This year we were fortunate in again securing the services of the Elinor Gillespie School of Dancing, located at 7435 Cottage Grove Ave. These entertainers were secured through the cooperation of Bro. William Donne, whose daughter is a member.

As has been the custom for many years, the decorated Christmas tree with all the lights and ornaments is disposed of after the party. This year it was carried away by Bro. Ed. Hanlon. Congratulations, Ed.; hope you had it trimmed at home in time for Santa Claus. We are also appreciative of the effort put forth by Bro. Thomas Patterson, one of our younger members, who handled the part of Santa Claus. You did a nice job, Tom.

Our best wishes and grateful appreciation to Monsignor P. F. Shewbridge, pastor of St. Leo's Church, for the use of the hall and also to his brother, Jack Shewbridge, for the kindly manner in which he handles Auburn Park's Christmas Party each year. Jack is the engineer of the high school and is most agreeable in taking care of the wants of the children as well as the membership.

FLASH NEWS

Just received a report that Bro. John Bartusch is laid up at his home with a bad case of pneumonia, although understand he is now able to take a little nourishment. Bro. Bartusch resides at 7604 Green St. Drop over and cheer him up.

At the recent Third Degree held in Perez Clubhouse early in December Auburn Park increased its membership by nine members. We extend a most cordial welcome to the following new members: Raymond W. Reed, Harold G. Patterson, Warren W. Hector, James A. Durkin, Joseph J. Holmes, Edwin J. Harris, Matthew J. Harmon, Jr., Cormick Breslin and John McGeough. Also received a renewal of membership from Andrew Shevlin, who has been out of the Order for a number of years. We appeal to these new brothers to attend the council meetings regularly and offer their services on committees and to become active Knights of Columbus.

One of the frequent visitors at our council meetings is Bro. John Cushing, who is the insurance representative of the Knights of Columbus in our section of the city. We always welcome Bro. Cushing at our affairs. He complimented the Membership Committee on the very fine manner in which it is building up the roster.

Also one of our guests was Bro. Fred Camp, a member of University Council on the North Side, who has resided in our community for a number of years. Bro. Camp promises to transfer into Auburn Park Council after the first of the year.

NEW YEAR'S EVE PARTIES

Armour Post of the American Legion with Bro. Jeremiah J. Sheehan in charge of arrangements, is promoting a New Year's Eve party at the Exchange Grill, just west of Halsted St. at Exchange Ave. The price is only $3.00 per person, which includes dancing to a "red hot" orchestra and a turkey dinner served shortly after midnight. Setups and gingerale only 50c per quart and bring your own refreshments. Call Jerry at Yards 4100 for reservation.

The Fourth Degree Club of St. James Council is also staging a New Year's Eve, at the Hayes Hotel, 64th and University Ave., starting at 9:30. The tariff is only $4.40 per couple, including all beverages, refreshments, food, favors and table service. Call Tom Groark, chairman, at Wabash 0460 or Stewart 7899. Get your reservations in early as reservations are limited.

Genoa Grateful for Cooperation Given by Members During Year

1-3 Mon. . . . . 7439 Cottage Grove

With this issue, being the last before the end of 1941, G.K. Robert Stadler and the officers of the council wish to take this opportunity to thank each and every one of Genoa Council's members for their cooperation during the year of 1941 and to extend to all of you the sincere wish for a happy and prosperous 1942.

The suggestion is made that you include in your 1942 resolutions a promise to attend at least one meeting a month of the Knights of Columbus. Genoa Council has had some very fine meetings during the past year; but all of them would have been much better if you and you and you had been present.

We need your help and suggestions more now than ever before, because a great number of our active members have been taken into the armed forces of the United States, to preserve this kind of fraternalism and the freedom of our homes. The fact is also to be thought of that many more of us will be in the service before many more meetings are held. Why not come up to the meetings and keep in contact with the boys and help their moral character and lend encouragement to them.

NEW YEAR'S EVE: Many parties are being planned for the gala event of New Year's Eve. Last week we told you all about Calumet Council's affair and this week we advise you of the one being sponsored by the Fourth Degree Club of the Knights of Columbus at the Hayes Hotel, 64th Street and University Avenue, which will cost only $4.40 per couple. This figure includes all beverages, refreshments, food, favors, ice set-ups and table service. Make your choice, but be sure and attend one or the other for a really entertaining and fine evening.

St. Frances Plans Tony Manzo Night at Jan. 8 Meeting

2-4 Thurs. . . . . 4715 W. Madison St.

St. Francis Xavier Council will start off its New Year activities by holding a "Tony Manzo Night" at the first meeting of the year, January 8. Tony, you recall, is the "superman" of the council when it comes to getting new members. His record of 68 applications within a month will stand for many years to come.

This will also be "Experience Night." Members who were initiated at the recent Father Breen Class are asked to be present to receive their third degree pins. At seven o'clock promptly, the meeting will get underway for the benefit of those who have to leave early. Please remember that! An unusual and interesting evening is in store for all.

On Wednesday evening, January 14, St. Francis will take over—so to speak—the National Catholic Community Service center at 1122 S. Wabash avenue to entertain the service men. A ping-pong tournament, with Uncle Sam's boys as participants, will be conducted. Gifts will be presented to the winners. Other arrangements will be announced by P. G. K. John Blase Meccia, who is U. S. O. chairman of five west side councils.

The meeting of the dance committee will be resumed on January 2nd. That's when the hard work really begins. With the holidays over, we—all of us—should knuckle down to make our forthcoming dance the success it should be. Only six short weeks remain. Two things—patron ads and tickets—will put it across. Do your part.

In order to do something worthwhile for our brother members who are in the army, a collection is being made at the meetings. The proceeds will be used to purchase useful gifts for them. Sir Knight Nick Damore, who is in charge, announced that $11.55 was collected the first night. You are asked to donate as much as you can afford when you attend the meeting next week. If you can't attend, send your donation along with some other member.

Held last Sunday was a big success. If you don't believe it, ask any of the youngsters or adults who were there. Both young and old enjoyed themselves. The funny doings of a clown, movies, songs and dances by the children and the distribution of toys by Santa Claus (Bill Iacullo) made up the interesting program. (A number of adults wished they were kids again.) The credit for this affair goes to Chairman John Caruso and his hard working committee.

Notes: Ye Scribe has received a card from Bro. Anthony Arra. Tony says that army life is agreeing with him. He is stationed at Camp Wallace, Texas. It would be a good idea if some of you could drop him a card. Address it as follows: Pvt. Anthony Arra, Battery A, 31st C.A. T. B., Camp Wallace, Texas. . . . We are sorry to hear that Sir Knight Frank Pasquale is very ill and wonder if Sheik Pintozzi's bowling is the cause for it. . . . William Iacullo, the electrical "McGafter," is trying to give Woolworth competition. He has set up a 5 and 10 cent toy store of his own. If you buy any, be sure to have some tools. You'll need 'em . . . G. K. Baptiste Mele gave a blood transfusion two weeks ago to Mrs. Sue Vacca. Mrs. Vacca is now on the road to recovery.

If you're running a party and you need candy, potato chips, popcorn, pretzels or anything along those lines, call Ned-Loc Foods. Bro. Ned Locascio is the big shot of the firm.

The officers and members of St. Francis extend their condolences to Nick Damore on the recent death of his father-in-law.

No bowling news today.

Barry Lays By Plans for 'Father and Sons' Degrees

1-3 Tues. . . . . 2856 Washington Blvd.

ATTENTION DADS—The membership committee is functioning nicely at the present time and a large class is in the making for this history-making epoch, which is being fostered by the Dads of the council. However, we have run into some difficulties due to the fact that a large number of the boys were away at school and will not return in time to secure their physical examinations and enable us to submit same to the supreme offices for approval in time to enable initiating the class on Sunday, Jan. 4, 1942, as had been arranged.

Due to this fact, the committee has arranged to postpone the initiation until Sunday, February 1, 1942, at which time the same arrangements as had been originally planned for these boys will take place. By doing this, it will enable the committee to have the boys examined while they are at home for the Christmas vacations, and we can send all of the applications to the supreme office for approval, and then after the boys return to school and complete their first semester examinations, they will be able to return home for their initiations without the necessity of crowding it in during the Christmas holidays.

We already have some forty applications for this class and we expect to run close to 65 or 70 by the time the initiation takes place. A great many of the Dads are awaiting the return of their sons from school in order to get their applications filled out. We earnestly urge each of the Dads interested in this unique event to get their applications in as early as possible, so they can get their applicants to the doctor for examinations while he is home for Christmas. By doing this it will save a great deal of rushing at the last minute.

Don't forget that the initiation of this special class is $5.00. All of the plans remain as formerly stated, viz.: we expect all of the Dads and their boys, relatives or friends to approach Holy Communion in a body on that Sunday morning, full details of which will be given out later, after which they will all return to the clubhouse where plans have been made to set before all a nice breakfast and then the ceremonies of the first and second degrees will be unfolded, after which all of the older members and their candidates will be able to get together and fraternize, and recall to mind the many tales which have made Barry famous over the period of years.

We ask each Dad who has a candidate to get busy and get the application in so as to help out the officers as much as possible, and not throw all the work on them the last few days.

A complete list of the candidates and their sponsors will be published in the next issue of the Columbian. Remember this is to be dedicated as the Charles L. Chambers, and John L. Barrett memorial class in honor of our two past grand knights who have been called to their eternal reward. Let's GO—make the class as big as possible—let's shoot for the hundred mark if possible. Hurry, fellows, get in those applications, lest you overlook it during the holidays.

CONDOLENCES

Brother James J. O'Connor, charter member of Barry Council, passed away Thursday, December 18, 1941. The funeral was held Saturday, December 20, from Sheldon's undertaking parlors, 5708 W. Madison Street, to St. Thomas Aquinas Church, at 11:00 a. m. Mass, thence to Calvary cemetery. The officers and brothers of Barry Council extend their deepest sympathies to the family in their sorrow.

CHRISTMAS CHEER FUND

Folks, DON'T forget the Christmas Cheer fund. This only comes once a year. Make your donations now before you forget it, so that the work of the committee will be lightened. THANKS.

COP ENDS DEFENSE STRIKE

This story is repeated because one of the executives of this company is a brother member of Barry Council. For eight weeks the strike has been in progress and no headway had been made, and in the meantime military equipment valued at thousands of dollars—parts for bombsights, and submarine instruments—was being held up.

Then Pearl Harbor was bombed, and a handful of marines fought valiantly in defending Wake Island. Police Lieutenant Leroy Steffens had been assigned this strike detail, and the more he thought of the matter the angrier he became. The Pearl Harbor incident was the last straw. "If the lads on Wake Island can fight like they did, you 'guys' can settle your differences and do your part" he told pickets in front of the strike bound plant.

The president of the company agreed to permit Lt. Steffens to act as mediator, and the result was that the strike was ended immediately. Today the lathes hum merrily, and production is nearing its peak, and all Lt. Steffens says is that "It's all in a day's work," we all have our duties to perform, and we must do them quickly and well.

San Salvador Host to Over 175 Children at Gay Christmas Party

2-4 Mon. . . . . 24 E. 114th Place

Last Sunday, Dec. 21, was our annual party for the children. It would have done your heart good to see the 175 children cavorting around the clubhouse. Our good friends, the daughters of Isabella did nobly in seeing that everyone had a good time, entertaining with games for the tiny tots. Mickey Mouse and Donald Duck movies were shown upstairs.

The efforts put forth by the D. of I's are really appreciated by the officers and members of the council. Our thanks to the kitchen committee consisting of Rocco Chiaro, Carmen Montello, Cliff Heffron, "Bob" O'Sullivan, "Bill" Mason and "Bill" Kleuskens, who served the grown-ups with delicious roast beef sandwiches and coffee. Again our thanks to everyone who assisted, especially to Santa in the person of A. P. Robarge.

DUES IN ADVANCE CLUB

About fourteen members have notified the financial secretary that they will pay their dues one year in advance. The tree is beginning to bear fruit since we made the suggestion about two weeks ago. If any of the members who have not as yet contacted the secretary he will gladly serve you any Monday or Friday nite at the clubhouse. Let us hear from you.

Our Parish Bowling League has deferred activities until the first Thursday after New Year's day. Last Thursday saw some good pin toppling. St. Willibrord's No. 2 team defeated the strong St. Salomea's team two games. H. Link was the strong man with 604 pins. St. Anthony's Pen Lois were the victors in two games over St. Willibrord's No. 1 team. V. Panzzo shot a 597 series that was offset by a 601 series by Bill Kleuskens. No more news on bowling until 1942.

BITS OF NEWS

After an abscence of about eight years Bro. Edw. L. Chouinard paid us a visit last Friday evening. Let us see you more often Ed, even if you are in Winnemac, Ind. Bro. Chas. L. DuBois has returned from another business trip to Duluth, Minn. He said it was 5 below zero while there and was glad to be back in Chicago. There were also several of the old-timers in attendance at the Xmas party enjoying themselves.

P.G.K. John O'Boyle and his family are in town from West Hartford, Conn., paying their relatives a visit for the holidays. Glad to have you visit with us again John. It is rumored that Chas. DuBois will hesitate inviting Geo. Mason over for quite a spell. The reason—well, Geo. raided the icebox and had Dorothy fry up a mess of bacon and had a few sandwiches of that delicious baked ham that Charlie's wife can really fix. Watch out Charlie, and put a padlock on the box the next time Geo. puts in an appearance.

The officers of the council wish all the members a happy and real prosperous New Year. To all the boys in camp, our very best wishes.

Horses do not really have to lie down in order to sleep. Horses may go for weeks without reclining.

The Navins Team shot consistently, Cummings 557, Cunningham 545, Rutzen 534, Gaughan 520. For the Insurance team Doody 541, Doyle 515, Dr. MacDonald 491, King Coals bested Alliance Life team in two games. The one by one pin, the other by three. For the Coals, Katnaur had 525, Bartosch 515. For the losers, Bechtold shot a nice 588 series Metzen 500. The Furman Funerals won two games from the Cristo Printers. Wermich was high for Furman's with 471. Hibbler had 500 for the losers. The Widtman Meats beat the Shamrocks three games. George Lochs shot a nice 560 series, Maury O'Brien was the best of a bad lot with 469.

SCRIBE'S SCRIBBLINGS: Receiving this Columbian the day after Christmas, we are seure that it catches you at a time when you are feeling pretty good and perhaps have a few dollars left over or a nice bonus from the boss. So why not send Johnny Metzen a check for the year's dues and give him something to start the new year on.

A last minute news item: It is with deep regret that we learn of the sudden death of Mr. O'Brien, father of Brothers Jerry, Maury and Joe O'Brien.

Mr. O'Brien passed away Sunday and was waked at Furman's Funeral Home, 3100 Irving Park Road. A number of our members attended his wake Monday evening. Our sincere sympathies go out to these brothers, their families and all who held Mr. O'Brien so dear to them.

Chicago Knights and Ladies Receive Gifts at Christmas Party

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council entertained its brother knights and their ladies on Saturday, December 20, in the council chambers. An overflow crowd taxed the capacity of our chambers and our brother of long standing, Joe Schmitz, was a very affable Santa Claus. All of the ladies present received an inexpensive, but practical gift, and the chairman of the Christmas party, Bill Brogan, saw to it that all of the assembled brothers received a gift from Santa.

Brother Frank Ziccarelli shook the rooftops with his rendition of "God Bless America" and Brother Ivan Korpan in his rendition of "Ave Maria" and "Silent Night" received thunderous applause. A number of the brothers, who have not been as regular in attendance as they might be, appeared for the Christmas party, and while your scribe may not have gotten the names of all of those present, he did notice, amongst others, Ed Kane, John Leo Franz, Matt Ryan, Gus Capone and Frank DeBartolo. The party was a grand success and we have Brother Bill Brogan to thank for such a splendid affair.

Now that the year 1941 is rapidly passing into oblivion, your scribe urges all members of the Council to make a resoltuion to attend all of the meetings of the Council so as to participate in its affairs and in that way spread the word of Columbianism throughout the length and breadth of this jurisdiction. The newly appointed Lecturer of the Council, Dick Murphy, has a number of interesting features "on the fire" and his efforts to make the meetings interesting deserves the wholehearted cooperation of all of the members.

Exemplification of the First and Second Degrees of the Order will be held in the council chambers on the second Tuesday in January and it is vital to a proper exemplification of the degrees that all members be present to welcome into the ranks of the Order the newly initiated candidates.

Brother Bill Brogan reported that brother Ed J. Donnelly of 4440 West Washington Blvd., is still confined to his home, but is showing improvement and mentioned further that visitors are welcome. Past Grand Knight, Ed O'Connor, is likewise showing progress and we are awaiting his return to an active participation in Council affairs. Agnes Phoenix, the wife of our Past Grand Knight and Dist. Deputy Henry L. Phoenix, was rushed to Mercy Hospital, but it is now reported that she left the hospital in time to spend Christmas with her family.

Past Grand Knight and present Financial Secretary, Nicholas J. Reuland, who has accepted the chairmanship of the Servicemen's Committee, requests any member who is inducted or enlists in any branch of the military service to notify immediately so that a record can be kept of the induction or enlistment date. His address, in case you have forgotten, is 5245 W. Madison St.

Englewood Officers Ask Members to Attend All Meetings in 1942

2-4 Mon. . . . . 150 W. 69th St.

The officers wish you a Happy New Year and hope your resolution will be to attend at least one meeting each month. If you are in arrears, please send a remittance to the Financial Secretary before January 1, so that the Trustees can make a good report to the Supreme Office and that you will avoid being placed on the suspended list.

TYBURN CONVENT IS SPARED IN BOMBING

London.—The convent in which the Superior gave Holy Communion to the nuns while flames were destroying the house next door is the one at Tyburn, it may now be revealed.

Tyburn Convent faces Hyde Park near the Marble Arch and is a few yards from the site of Tyburn Tree where many of the English martyrs suffered death.

During a heavy raid incendiaries fired neighboring property, and as the flames swept closer the Superior's thoughts turned to saving the Blessed Sacrament. She called the nuns to the chapel, where day and night watching is maintained for the conversion of England, and opened the tabernacle.

Observers say that the wind changed. At any rate the fire, which gutted two large houses to the east of the convent, was put out, and the convent suffered only small damage from water poured in by fire fighters.

St. Rita Fourths Host to Children at Party Sunday

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

The 2034 Club, our Fourth Degree organization, will be host to the children of the members at the annual Christmas party this Sunday in the clubhouse. All members are urged and invited to bring their children to our chambers at 3 p. m. for a gala party, that will include a real Santa Claus, movies, candy and entertainment. As we go to press, President John McGowan informs us that no one has yet been selected to play Kris Kringle, but he promises us that the candidate will be rotund, cheery and generous.

MORTGAGE PARTY

The Home Association's Mortgage Party is past history now, but don't forget returns on your ads, patrons and tickets. Chairman Harold Hilbert requests that the members make these returns as quickly as possible in order that the books may be cleared.

MEMBERSHIP

St. Rita's membership drive will get back in full swing after the first of the year. G.K. Ted Lee informs us that we must get 50 members by June 30 in order to meet our quota for the year.

BOWLING

Maybe it was Christmas, and then again maybe it was our fault, but anyway, we failed to get any bowling notes this week. We do know, however, that the officers of our bowling league, Pres. Matt Hoffman and Secretary John Lehner, with the cooperation of our council leaders, plan on sending as many teams as possible to the state bowling tournament which opens at the C.Y.O. alleys Jan. 3.

Happy New Year.

CYO Leather Pushers Take Up Chores Again in Jan. 6 Finals Here

The first major sports event to great local boxing fans whose sports program was temporarily suspended over the holidays will be the finals of the Catholic Youth Organization's eleventh annual boxing tournament to be held January 6 in the CYO gymnasium, 31 East Congress St.

Following a meeting of the CYO boxing committee Thomas F. O'Connell, director of boxing at the CYO, announced January 6 as the date of the finals and also revealed that the CYO gymnasium has undergone complete renovation and has been expanded to accommodate the expected turnout for the finals of the Open Division bouts. He said:

"We have decided to hold the tournament in the gymnasium this year instead of the Chicago Staduim or Coliseum. As a result of this action by the committee general admission price of the bouts will be seventy-five cents. VETERAN CHAPLAIN OF COUNTY HOSPITAL IS A FAMOUS MERCY FIGURE

You may have seen him when you visited some patient in the County Hospital, a little stooped man well on in age but firm in his step. Perhaps the clerical collar which he wears stopped you from speaking to him but if it did, you failed to know the background of this man who has been ministering to the Catholic patients of the County Hospital for over twenty-six years.

To the patients at the hospital he is the "Little priest who knows so many languages and who never fails to come." Though he is assisted in the General Hospital Wards by three other Jesuit priests who give the patients twenty-four hours of service, Fr. Francis Bimanski, S.J., reserves the Tubercular Wards for his own daily routine and each afternoon with the sole exception of eight days of the year when as a Jesuit he is bound to make the Spiritual Exercises of St. Ignatius and withdraw from all exterbal occupation, you will find him hitting the terraza floors of the hospital Wards.

Not olng ago a kindly Police Squad saw him walking, and offered him a ride.

"You're getting too old to be walking this beat and perhaps we ought to haul you in more frequently," said the officer. But even today Fr. Bimanski still walks the distance between the County Hospital and St. Ingnatius High School where he lives in a little room near the front entrance ready for any call.

Due to his long years of service he is known to all the afflicted who have been at the hospital and who have been sent to other institutions. Not long ago a friend took him to the Oak Forest Infirmary and as they walked through the wards the cry of "I know that priest" came from hundreds of lips irrespective of creed.

In referring to hospital work the aged chaplain calls attention to the need of nurses and offers the following Christmas Legend for consideration and inspiration.

CHRISTMAS LEGEND

A lady clad in white was kneeling at the foot of the crib. She noticed how the Little Child was holding a red cross in its tiny hands and seemed to offer it to her. She took the cross and pressed it to her heart. The child radiant with joy, blessed her and said: "Daughter of mine, follow me and forget thyself to live for others. You work for the sake of the great Father of mankind."

The cross disappeared in her hands, but in its wake left the deep red impression on her white dress. "This" as the "little priest" remarked "is the way I like to think of the origin of the emblem for Nurses. Assisting Fr. Bimanski, S.J., in his work at the Cook County Hospital are the three Jesuit priests; the Rev. Andrew Cook, S.J., the Rev. Edward Jones, S.J., and the Rev. Paul Kovalcik, S.J.

Aquinas Bldg. Assn. in Important Annual Meeting on January 6

1-3 Tues. . . . . 5441 S. Ashland

The whole council is looking forward to the annual meeting of the building association, which will take place immediately after the regular council meeting on Tuesday, January 6. A matter of great importance will take place and it is urged that as many as possible be at this meeting. As a further reminder, cards will be sent out to all the members in the ensuing week.

Father Micheal J. Conway, our worthy Chaplain, gave an inspiring talk last Tuesday on the duty of Catholics in this war. The talk was well received by the large attendance. We also want to thank Father Conway for making the effort of coming from West Pullman on Tuesdays to attend our meetings. He is by far the most active Chaplain the council ever had, and the officers and members want to thank him for his efforts on our behalf.

Three applications for insurance members were read at the last meeting. The new applicants are Michael J. Connolly, proposed by Bro. Jos. J. Connolly; Daniel J. McEvoy and Ferrell E. Gallagher, both proposed by Bro. Edmund Corcorane. The following members were given turkeys at the meeting: Joe Jansky, John Brown, John Clifford, M. A. Grace, Ray Hardt, Jas. McIntyre, Edmund Corcorane, Jack Sheehy and Leo Clifford.

The basket ball team won its second straight game of the season last Sunday in the Visitation House League, downing Kenny Bros'. five in a hard-fought battle. The final score was 23-21. Next Sunday the team engages the DeMeck Restaurants in one of the four games on the card. For a splendid afternoon of entertainment why not drop up to Vis and see the games? The address is 900 W. 55th St. and the first game is at 1:30 p. m.

BOWLING

By taking three games from the McGraths, the McNamaras tightened their lead for first place by going four games ahead of the Peltons. Bill Golden led the attack with a 543 series. The scores were: 833-810, 845-808, 801-763. The Sweeneys took three straight from the Peltons with scores of 788-778, 815-693, 815-759. Sweeney's 503 series and Murphy's 212 game was all that was needed.

The O'Malleys took two out of three from the Sheehys with scores of 776-739, 756-839, 830-772. O'Malley led the winners with a 509 series. Other high games were rolled by McVady and Collins with 204 and 201, respectively. Collins leads the league with a 168 average and is closely followed by Golden with 167. Turkey receivers were Collins, Johnson, O'Malley, Murphy, Bialecke and McVady.

$100,000 GIVEN BOYS' HOME FOR BUILDINGS

New York.—The gift of $100,000 by the Hayden Foundation for the erection of three residential cottages at Lincoln Hall, Lincolndale, N. Y., was announced recently by the Most Rev. Francis J. Spellman, Archbishop of New York and chairman of the board of managers of Lincoln Hall, which was opened two years ago for the rehabilitation of dependent boys.

The cottages, recently completed, were dedicated by Archbuship Spelman on September 27. They are one-and-a-half-story brick structures similar to six buildings now standing on the 800-acre campus. Each has accommodations for twenty-four boys and two Brothers of the Christian Schools, who will have charge of the boys.

The new buildings raise the capacity of Lincoln Hall to 265 students. The campus also has six playing fields, a new gymnasium which is also used as an auditorium, and an outdoor swimming pool.

RUNNING FOR OFFICE
or
RUNNING A BUSINESS

If you want to get elected to office you must "rub elbows" with the man in the precincts, stand on corners and listen to the talk of the neighborhood. This is because public opinion begins in the home, and in Chicago party lines are family lines.

Business men as well as politicians must sell the family if they expect to cover the local market.

In Chicago (largest Catholic city in the world) almost 50% of all families are Catholic and of these nearly every other one is represented in the Knights of Columbus.

Since 1906, The Columbian has faithfully served this host of local reader families. Today it enjoys the largest restricted mail circulation of the Chicago market. Thus the local Knights of Columbus market is reached easily and effectively through the pages of their unique weekly.

Dowling Solicits Late Donations on Christmas Cheer

2-4 Tues. . . . . 2625 So. Hoyne Ave.

Christmas day is past but our chairman, Chas. Juric, is not satisfied with our Christmas Cheer returns and is sending out this special appeal to all the members that intended to contribute but so far may have forgotten to mail their envelope to Bro. Juric or John Struve.

It is not too late as he is holding up our returns in order to let all our members get on this roll of honor for this most wonderful cause. It is needless to say, we know every member of our council wants to be a part of this worthy cause and our chairman urges those brothers that did not contribute to do so at once.

CHILDREN'S CHRISTMAS PARTY

Last Sunday afternoon was set aside for the children of our members and the youngsters were made happy. Our Lecturer planned a day of real enjoyment with entertainment and movies and a live Santa Claus. Charlie Juric was chairman of the affair and is to be complimented for the successful manner in which it was handled. Lecturer Dunne wishes to express his thanks and appreciation to the brothers that helped in arrangements.

CATHOLIC ACTION—Chairman Geo. W. Connelly, Sr., is anxious to get returns as soon as possible and would appreciate your immediate attention on the package he delivered to you.

OUR WINTER DANCE is well under way and Chairman Connelly with the assistance of our Lecturer is planning on the largest attendance in our history. The dance is designated as D.D. Leo M. Flynn night and will be held in the American Legion Hall, 44th and Western Ave., Saturday evening, Jan. 24, 1942. Watch column for further details.

CUFF NOTES

Bro. Wm. Klemkowski was present at the degrees last Sunday and State Blood Donor Chairman Bob DuMais called for volunteers and six members responded. one of whom was Bro. Klemkowski. We are proud of men of this type. Orchids to Bill.

Chairman of membership Tom Gallagher is very busy these days and due to the holidays has not been bothering you with his campaign, but is asking that immediately after the new year we get busy on that prospect and get a class ready for January.

Bro. Geo. Spencer is in the Loretta Hospital, Harrison and Central Ave. We hope to see George up and around in the near future.

Our Treasurer, Henry Fortier, is in the choir at St. Gall's Church and has a swell voice. We will have to put him on our program some night.

P.G.K. Bill Furlong is chairman of our By-Law Committee and I am informed he performed a swell job and will render a report in the near future.

How about that member that is in the A.A.L. and was assigned to you; did you pay him a visit and try to have him square up?

Our G.K. Frank Barker has been on the sick list for the past few weeks, but has been trying to attend all meetings and degrees.

If you know of any brother that is sick, our Chairman of the Sick Committee Jack Deschner would appreciate a phone call.

Our Grand Knight wishes to express his thanks to Madonna and Quigley Councils for the hospitality shown our candidates at the degrees.

If you have any news items, send them to Dick Kelly, Room 700, 910 S. Michigan Ave.

Bro. Joe Novak is still confined to Hines Hospital. Also Bro. Scanlan is in Marine Hospital. Drop in and pay them a visit. Bro. Thomas (Tip) Egan has been very ill for the past two weeks. I am informed that he is recuperating nicely. He is our Past Deputy Grand Knight. We wish these brothers a speedy recovery.

CONDOLENCES

It was with deep sorrow that we learned of the sudden death of Mrs. Jankowski, the wife of Tom, one of our popular bowlers. Mrs. Jankowski was buried on Thursday morning.

Mrs. Wunder, the loving mother of our Worthy Chaplain, Father George Wunder, the pastor of St. Maurice's Church, passed away on Wednesday and was buried from 70th and Racine Ave. on Saturday morning. Many of the brothers attended the wake and funeral.

Andrew Robitaille, brother-in-law of our treasurer, Henry Fortier, and Leo, passed away suddenly last week and was buried on Monday.

We extend our sincere sympathy to the families of the bereaved and pray for the repose of their souls. May their souls rest in peace.

PIN TUMBLERS

Last week our league shot a sweepstakes and at this time I have not received the results, but will give you the dope in our next issue.

We do not bowl Christmas or New Year's week but will add these six games on at the end of the season.

Your Grand Knight and officers extend to you and your families the wish for a Very Happy and Prosperous New Year.

Garcia Moreno Extends Season's Greetings

2-4 Tues. . . 155th and Lexington Ave.

Our very best wishes for a Merry Christmas to our brother knights, their families and friends. May the New Year bring to you and yours health, happiness and prosperity in abundance.

VISIT THE SICK

In the last issue of this paper you read the long list of those on the sick list. Very few of us escape this list. Sick or injured, we spend long hours looking at four walls that do not add peace to a troubled mind. We have a sick committee in our council. D. G. K. Joseph Dehnert is the chairman of this very important committee. We have asked through this column many times for our members to report members on the sick or injured list to Brother Joseph Dehnert at once. Brother Dehnert has done a wonderful job in taking care of all cases reported. But we all should take an active interest in our sick. Our little visit, a friendly smile, a card are always welcome.

Too many of us never visit our sick members. True, we do have some members who never fail to make a visit. As the old year is on the way out, let it remind us that the history of that year is recorded in the book of time. How is your charity recorded? We hope it stands out in enlarged letters as to charity shown to our sick and injured. May we even remember these few lines:

It may be just a passing word,
A handclasp, touch or smile,
Or just an old tale that's told
To ease a long, last mile.

BOWLING NEWS

Here are the final scores of 1941. May we all look forward to 1942, when we again start at the pins, Thursday evening, Jan. 8.

Shea's Champs came to life and won all three games from Walter Goletz Tavern. Ed Shea 538, John Kerkhoven 521, Francis De Mayo 495, were the pin collectors for the Champs. Billie Powers Jr. 477, G. K. John Mech 474, were the top men for the Tavern boys. Home Liquor team won two games from the fast stepping O'Hara Boosters. John Rossman 563, John Obernessor 558, were the two pin crushers that crushed the O'Hara team. Al Binette with 488 was top man for the O'Hara team. Oliver Drug Store also put over two wins over the Eagle Coal Co. Vic Walanga 543, Frank Duck 509, Al Crowder 510, were the drug team's top bowlers. Charlie Jacks 542. Joe Reardon 531, topped the coal bin boys.

Ring Insurance Co., league leaders, won two games from Posen Lumber Co. Captain Paul Milash 558, Bob Dainton 557, Clyde White 483, were the leader's top bowlers. Paul Milash won the Christmas gift donated by Mr. Kality. Louis Cerewicki 586, Kocielski 503, Joe Gorski 590, were the lumberjacks' best bowlers. If Paul Grady happens to read this news, kindly contact league secretary. Due to the holidays, bowling league will take a vacation until Jan. 8.

BIT-O-NEWS

John Cramer, who was on the sick list, is O. K. again. Private Irwin Lunn is home on furlough over the holidays. Mrs. Romeo Begnoche is reported on the sick list. We hope her stay on that list will be a short one. Peter O'Hara was reported coming along fine after an operation and was to leave the hospital last Thursday.

To the many friends who have inquired about news of Private Jack White, who is at Clark Field, Manila, the scribe and wife extend our sincere thanks. We beg to report that we have received no news as to his safety.

Soon another year will be ushered in. So our first thought should be to remember our dues book and see what kind of a story it will tell. It is very important that our entire membership be paid up for the year 1941. Starting the first of the year, our membership must pay their obligations as they fall due. Members who refuse to cooperate in this matter will have to be placed on the A. A. L. Fin. Secy. Louis Beaupre would like to have his books in tip top shape for the audit committee in January. So in fairness to your loved ones, keep your dues and assessments paid in advance; that's real protection.

This is your last Columbian of the year 1941, so I take this means to convey to my brother knights my sincere thanks for your kind cooperation. Until 1942, cheerio.

Sherman Suggests All Christmas Cheer Aid Be Sent In Promptly

1-3 Tues. . . . . 4300 W. North Ave.

A little late with this, but there still is time to send in your Christmas Cheer donations. How about it, you stay-at-homers? At the meeting last Tuesday P. G. K. Harry Kohl was right there with the envelopes taking up the collection. Those of you who were not there kindly return the card and donation to Brother William King. It is not too late. You brothers, who missed last meeting, really missed a nice gift. I, for one, have a lot of use for it.

It was proposed that Recorder Max Theil send to all our members in the service, and the sick in hospitals, a Christmas card and also a grand knight's gift. At this time, in behalf of the members of Sherman Council who received a gift at the last meeting, may I extend an expression of appreciation and thanks to our grand knight, Bert J. Welker.

MEMBERSHIP DRIVE: Now that the first Third Degree exemplification conducted by General Sherman Council in many years was so successfull we should all redouble our efforts and energy so that in the near future, we of Sherman Council,, can again play host to the west division. To the new members we extend congratulations and hope that their affiliations with the council, its officers and members, will be pleasant ones. Two applications were read and secured by our own grand knight, Bert Welker, Salvatore J. DeCarlo and Henry P. Firnbach.

Bro. Bill Fetz is walking around with a couple of signed applications in his pocket and your scribe is waiting for two transfers to come through. The membership thermometer has started to rise again and Chairman Matt Ellgass would like to see it hit the top. You know, brothers, Matt is really very serious about this membership drive, so let's give him a hand and get a few more applications in.

AROUND AND ABOUT

P. G. K. John Janninck was unable to make the degree last Wednesday. John took sick late Tuesday so our deputy grand knight, Hans Slepicka, stepped in and did a nice job as warden. (Reminds you of the old days doesn't it, Hans?)

Seems like Lecturer Veysey can't keep out of the doghouse. If he doesn't put himself in the trustees do, and brothers, we really do have wide-awake trustees. Every bill is perused three times and then once more; then maybe it gets O. K.'d When an appropriation is asked for the bowlers, our grand knight starts off with. "Brothers, I too am a bowler," but his teammates say that's only one man's opinion what with games of 103-113.

Bert took a lot of ribbing last meeting but that is not the reason he missed last Thursday. It seems Bert has done a little real estating and now resides at 5134 Nelson Ave. Drive by that address and if you see a nice new shiny car there, you will know Bert's at home. Not being a hunter or nimrod himself, G. K. Welker appointed Brother Skelton as official game getter. How were the quail, Bert?

FOURTH DEGREE: The next meeting of the La Salle Assembly will be held at the Palmer House and will be an open meeting for Third Degree members as well as Fourth. President Brefeld would like to see a large representation from Sherman Council there. It seems that Bro. Wm. Cashman was conspicuous by his presence at the Sherman dance. We remember the time Bill was a very active member at Sherman Council meetings. How about coming back in the fold again Bill?

The state tournament opens Jan. 3, with G. K. Welker taking the alleys. How about vindicating yourself, Bert, and getting something. Any of you bowlers who wish to bowl the doubles and singles better get down to the Congress Alleys and make reservations before it is too late. We do not have the date on which our four teams bowl there, but watch this column and as soon as Secy. F. Lies let's me know I'll pass it on. No bowling next week, so if you will bear with the secretary until then, the standings and news will be published.

REMINDER: Christmas party at Our Lady of Angels hall, Hamlin and Iowa, Sunday afternoon, December 28, at 2:30 p. m., sharp. If the names of your children have not been turned in yet, do so at once as this is imperatvie.

N. C. C. S.-U. S. O. CENTER REAL CHRISTMAS HOME FOR MEN IN SERVICES

Christmas week at the Club for Service Men, 1122 S. Wabash Ave., conducted by the National Catholic Community Service division of the United Service Organizations, was a real "homey" time for the boys in uniform. Rev. Harold J. Kenny, chairman of entertainment; Jim Carney, director, and Roy Bedore, assistant, now newly appointed director of the new center to be opened in the suburban area, gave the boys everything in the book to make their time enjoyable.

A Crib was set up in the lounge; a 15-foot tree, lighted and decorated in the game room and two visits by Santa Claus filled out the program. There was also plenty of dancing and refreshments at three parties held over the week-end and on Christmas Eve.

On Saturday evening (Dec. 20th) the Catholic Daughters of America were in charge under the direction of Mrs. Laura Webber and Miss O'Brien, with dancing, refreshments and a Santa distributing presents to all service men.

Santa took ovr the microphone during the half-hour "Quiz Program" broadcast. 3 to 3:30 Sunday afternoon, and Father Kenny gave the boys a Christmas message. Earlier in the afternoon the Daughters of Isabella, Mrs. Sarah Ann Peterson in charge, entertained. Following the broadcast the Knights of Columbus presented a program.

Christmas Eve three women's societies of N.C.C.S. united to entertain the service men—the Daughters of Isabella, the Ladies of Isabella and the Catholic Daughters of America.

"We prepared to give all the boys who came to the club a real Christmas, such as they might have at home," James B. Carney, director of the club, said. "The club is their home while in Chicago, and whatever we have here is theirs."

The Wednesday evening pong tournament, sponsored by the Knights of Columbus, is growing in popularity. Each entrant gets a package of smokes, and the winners get folding money.

Early—Monday evening, December 29—is the deadline for next issue of The Columbian.

NON-CATHOLIC WRITER LAUDS WORK OF SISTERS

Atlanta, Ga.—Dudley Glass, columnist for the Atlanta Constitution and one of the most popular newspaper writers of Georgia, paid a striking tribute to the Catholic Sisterhoods in a column entitled "The Sisters." In his characteristic style, Mr. Glass wrote:

"Day or so ago I was strolling down Forsyth street with a friend when we met a couple of nuns—Sisters of Charity, perhaps, or members of some other Order. They were swathed in black and their attire looked terribly hot and heavy. I raised my hat.

" 'Didn't know you were a Catholic,' my friend observed.

" 'I'm not,' I explained. 'I'm not much of anything—and I'm not proud of that. But I couldn't pass one of those Sisters without raising my hat. A lot of us talk about giving until it hurts, putting out for our nation—and all that. But those women give their whole lives with no hope or expectation of reward—in this world.

" 'I don't know whether or not there's a next world. But they do. They don't just think so. They know. And that's where 'they'll be offered crowns, wings, harps or whatever they may want.

" 'But I'll bet, that from force of habit, they'll slide into the back seats and ask St. Peter if there aren't some sick folks around the place they can look after.' "

Ketteler Council Votes Huge Amount for Defense Bonds

2-4 Mon. . . . . 3437 Ogden Ave.

On Sunday morning, Dec. 21, a very large representation of brothers of the Council attended the semi-annual Holy Communion Mass at Blessed Agnes Church at 7 o'clock. It was an edifying example of united Catholic Action and certainly must bring favorable comment on our Council. Msgr. Innocent Kestl offered the Mass for the repose of the souls of brothers who have passed away and for the intentions of the living brothers. Reverend Richard Calek, one of the assistants of the parish, preached an outstanding sermon.

Following Mass, breakfast was served in the parish hall and then a short meeting followed. We were again privileged to hear from Father Calek. One other important matter transpired — a motion was made, seconded and approved that the Council purchase a thousand dollars worth of defense bonds. Thus the meeting showed religion and patriotism in action, not mere utterance but concrete evidence of real religion and real patriotism. We know that every member of the Council will be proud of this activity of the Council for God and country.

FOURTH DEGREE

It is known by all brothers that the Fourth Degree of the Order is classed as the patriotic degree. With critical days upon us, no better manifestation of patriotism and faith could be made than by taking this degree. It has a much greater meaning than the wearing of the sword and baldric on official occasions; it signifies a deeper and more comprehensive knowledge of religious truths, and certainly there is a great need for the Catholics of today to be informed as well as they can be on the nature of their religion.

As has been stated before the Ketteler candidates will be known as the "Samuel P. White Class" to honor our P.G.K. who has been very energetic in our Council affairs for many years. Further information can be obtained from our worthy Chancellor, Joseph Milas, who is chairman of the drive; worthy Lecturer Thomas Bogan, or G.K. Edward Oakes.

COUNCIL BRIEFS

With the Christmas season here we will be meeting many of our friends who should be, could be, and would be brothtres in our Council if they were asked. The front page of The Columbian of last week had a very good account of the number of new members in our area. Do you think Bishop Ketteler Council had its share, or could you help to increase our share by the time of the next tabulations?

BROTHER RAY SCHABER wishes to extend his thanks to all the brothers who contributed to Christmas Cheer. On the other hand, we owe Brother Schaber a vote of thanks for the diligent manner in which he carried on his drive.

THE KETTELER BOWLERS and the L.G.A. Club will sponsor a cabaret party to be held at Lawndale Hall on Saturday evening, Jan. 24, 1942. Our worthy Chancellor, Joseph Milas, who really goes to town whenever he undertakes anything, has promised to come through as usual. With a little support, this affair can really be put over. Brothers who wish to attend this party can obtain tickets from any bowler or any Fourth Degree member. Price is one dollar plus ten cents tax.

G.K. EDWARD OAKES and Lecturer Thomas Bogan are to be complimented on their selection of Christmas gifts—a K. of C. tie-holder. It certainly was a practical selection—and one which every brother will take pride in.

AT THE THIRD DEGREE exemplification held at St. Philip's gymnasium on Wednesday evening, Dec. 17, a tan overcoat was taken by mistake. If anyone has any information, please call the Financial Secretary of Hughes Council at Mansfield 9082.

THE BOWLERS have taken a vacation for the Christmas holidays. The attention of the brothers is now focused on the coming state tournament to which our Council will send fifteen teams into competition. More details will appear later.

The scribe would like to obtain any and all items of interest about members of our Council. Brothers like to hear about the activities of their friends and that is the purpose of this column. Address your mail to Emmett J. Holland, 2639 S. Ridgeway Ave., or phone Lawndale 6662.

Vice Chief of General Staff Is Catholic

London.—Major General Archibald Edward Nye, newly appointed vice chief of the imperial geneарl staff, is a prominent Catholic layman. Born in 1895, General Nye served on the Western front in the first World war and was awarded the military cross.

Early—Monday evening, December 29—is the deadline for next issue of The Columbian.

De La Salle Asks All Members to Assist in Christmas Cheer Drive

1-3 Tues. . . . . 1105 E. 47th Street

Here we are again. The day after Christmas and the Knights of Columbus Christmas Cheer Committee comes knocking at your door via the mailman. Where could we find a better way to aid the children of those who are less fortunate than we, not forgetting to mention also the crippled and the aged. Those who without our help are liable to spend a bleak and cheerless Christmas at a time when they especially need a spiritual and material uplift, a time when it is difficult enough to face the world when one has no financial worries or bodily ills.

It is truly a noble gesture to contribute to your committee, which has taken upon itself the duties of attending to these needs. Our only effort in this matter is to send the donation and we may rest assured that the Brother Knights who have assumed the responsibility of distributing YOUR gift will do so with the spirit of Christmas in their hearts and will bring YOUR message of good cheer and brotherly love toward YOUR fellow men. It is merely a matter of placing the money in the envelope and letting the committee do the rest.

Brother Knights of De La Salle Council, fill that envelope tonight and be thankful that you are able to fill it. In the event that you haven't received an envelope see Brother Alex MacDonald, or send your donation directly to the Chicago Chapter at 173 W. Madison St.

The Ladies' Christmas Party which was held on Dec. 9 was one of the nicest parties we've had in a long time. Never has there been a more sociable evening. For those of you who couldn't or wouldn't attend, don't make the same mistake again, because you just counted yourselves out of one of the best evenings that you could possibly hope for.

Among those reported ill are Brother M. W. Quinn's wife who is laid up with a broken wrist, Mrs. Mark Matie, confined to a wheel chair, and Brother Dan Mahoney, disabled by an arm broken at the elbow. Bro. Mahoney incurred the injury in a fall down the steps.

Bro. Will Reardon is also reported ill. We offer our prayers to almighty God that He will grant these and all who are sick a quick recovery.

Nazis Seize Historic Religious Establishments

Washington. — More than two-score Catholic monasteries and convents, many of which are historic establishments, have been seized by the Nazis in the area that formerly was Austria, it is shown by a tabulation of confiscations in Germany and Austria that has reached the U. S. Among the seized institutions are the Canisianum, the famed Jesuit institution, and the Capuchin, Franciscan, Pallottine, Steyle, Cistercian, and Servite houses at Innsbruck; the Divine Word Fathers' celebrated Mission House of St. Gabriel at Moedling; the Canons of St. Augustine house at Kolsterneuburg, one of the oldest in Austria, and the Benedictine Abbey of St. Callus, near Lake Constance. The Benedictines, apparently, were the hardest hit. They lost 11 houses throughout Germany and Austria.

CHICAGO HEIGHTS FINDS CHRISTMAS RUSH LEAVES DIRTH OF NEWS MATERIAL

2-4 Monday . . . . . 1537 Otto Blvd.

Not much in the way of Council news for this issue, as we have to get our notes in earlier than usual on account of the Holidays. Therefore, I cannot give you the highlights of the last meeting. Special notices were sent out for this meeting and we trust you were there, otherwise I know you missed a mighty good time.

One of our regular standbys, Bro. Charles Murphy, wasn't there as he was laid up with the flu. But he is in good hands and should be around in a few days.

Several brothers were spectators at the last bowling night and they had as much fun as the bowlers. Although they lost 2 out of 3 they aren't discouraged, but are going back for revenge. They never say whoa in a tight place. R. Phalen had a nice game of 205. Good going. I will give you the standings next week.

Quite a lot of activity around the City Hall watching the live stock in the Xmas Crib. The question of who is doing the milking is worrying our citizens. Inside dope says that the chore is being done by Chief Howard and Officer Trumpick, who are alternating.

That New Year's Eve party that was mentioned in last issue will be given by Calumet Council in Perez Clubhouse, located at Marquette Road and May St. They guarantee good eats and drinks. They also will see that your glass is never empty, and all for the small sum of $5.50 per couple. So if you are looking for a good time this is the place to go.

Happy New Year to all.

St. James Looks Forward to Gala New Year's Party

2-4 Mon. . . . . 64th and University

The officers extend to you their very best wishes for a Happy New Year.

We are deeply appreciative of the confidence you have shown in us during the past year and we assure you that we will do everything in our power to merit the confidence during the year to come. You are to be congratulated on the fine spirit of co-operation that has existed in the Council during the last year.

NEW YEAR'S EVE JAMBOREE

"All who have attended any or all of the five News Year's Eve Jamborees in the past have reported a most pleasant celebration with plenty of good food, the best beverages, favors and good music for dancing," so says Ambrose J. Burke, President of the Fourth Degree Club. "These parties at the Hayes Hotel were started by our club five years ago and were supervised during the past by Sir Knights of the Club and who are still striving to entertain all of their friends in the very best manner possible."

Sir Knight C. J. Phillips, Entertainment Chairman of the Club, has selected D. G. K. Thomas J. Groark as the General Chairman of the Jamboree, and he in turn has elaborated on the program of seeing the Old Year Out and the New Year In and guarantees the usual good time.

The price of $4.40 per couple, including tax, still prevails and you need spend no more for it includes all beverages, refreshments, food, favors, ice setups and table service.

The Ticket Committee, consisting of Bros. Jack Greene, Connie O'Connor, Henry Steffens, Michael Connolly and Larry Duby, reports that the distribution of tickets has progressed very well.

Members of other South Side Councils have already responded to the invitation to attend which was extended by the Publicity Committee consisting of Bros. Clarence Phillips, Robert Lee, Martin Quinn and Ed. Bryar at our neighboring council meetings.

Bros. Ed. Muellner and Joe Ferraro in selecting Joe Roesner's Orchestra tell us that they are really good, having played together for over ten years and we all know practice makes perfect.

Eats will be prepared by our reliable Lady Chef, Mrs. Kopchop, and Bro. Ambrose J. Burke will personally supervise the food service. Bro. John McGuinnis is obtaining all the beverages and amber fluid from the Blatz Brewing Co. and will be assisted by the Steffens brothers in distributing same.

Now is the time to phone in your reservations to D. G. K. Tom Groark, Wab. 0460 or Stewart 7899; Amb. J. Burke, Saginaw 0361 or Radcliff 0750, and Dr. C. J. Strobel, Went. 3005 or Beverly 7619.

Seating will be cared for in order of full payment or deposits received and Bro. Bill Devaney promises to comfortably seat 500 people.

CASINO ROOM

Bro. Henry Woodmaster will manage the Casino Room and will be assisted by Bros. Wigdahl, Ruane, Duffin and Kinsella.

Our club appreciates the newspaper publicity arranged for by our journalist, Walter Kilgallen, and our Scribe, John McBride. Also the services of the Door Committee consisting of Bros. John Hand, Peter Wehle and Connie O'Connor.

All the favors distributed at our party are American made and guaranteed such by Dr. C. J. Strobel who procured same. Bro. Ray Erhart is busy these days with his committee parceling these favors for distribution.

OH! BOY! Andy Frane's Usherettes will be on hand to care for your clothes and a police detail will be on hand to take care of intruders. I could tell you a lot more about this party but space does not permit. But we hope you will be with us on New Year's Eve. The environment will be that of Columbianism, so plan now to attend.

BLABBERMOUTH

I see Little Mutter's Man of Madonna is trying to be a good boy and the Editor does not know why. Well here goes, Santa Claus told Ralphie he would have to be a good boy for Christmas and not rib the Editor or he would not get that new Lord Fauntleroy suit with short pants.

SHORTAGE OF PRIESTS IS EXPERIENCED IN SPAIN

Madrid.—The shortage of priests has become so acute in parts of Spain that the Episcopacy may have to seek special directions and assistance from the Holy See. Toledo, for example, is more like a mission land than one of the oldest centers of Catholicity. The priest at Tamajon must serve 14 neighboring towns; the three priests in Brihuega direct 24 parishes. The archdiocese has but 318 priests, many of them aged and sick, to serve 147 parishes with more than 100,000 souls.

Because of the age of many of the clergy, numbers will die before youths entering the seminaries can be trained to fill their places. Hence the situation will become worse in the near future. Bishops and superiors of congregations are urged to send priests to the places most in need of them. Catholic Action and Catholic Youth organizations' campaigns to increase vocations are meeting with success but a gap of 10 to 14 years must be bridged.

The Hieronymites, the ancient Order of St. Jerome, are being restored in Spain after being reduced to a single member in the civil war. Archbishop Gaetano Cicognani, Papal Nuncio to Spain, received the first vows of 15 novices in the monastery of El Parral in the Province of Segovia. This celebrated monastery was founded by Henry IV, father of Queen Isabella.

The Hieronymites, enjoying the protection of the Kings of Spain, in 1415 had 25 monasteries in Spain and furnished figures noted in Spanish history. But they suffered severely through the centuries. Various attempts were made to revive the order, one of these being in 1927. A number of priests became members but only one survived the civil war. He was present at the profession of vows and then returned immediately to his parish, where his services are desperately needed.

Washington Children Vote Christmas Party a Really "Swell" Event

1-3 Tues. . . . . 5th & Washington, Maywood, Illinois.

"Gee Daddy, that was a swell party," saith my five year old daughter on the way home from the children's Christmas party held last Tuesday in our council clubrooms. Her words voiced the opinion of each of the eighty kiddies who were there.

Singing of carols led by G.K. Maestro Ryan who also presided as master of ceremonies started things off in high gear. To young Messrs. Wright and Good, nephews of Bob Lovejoy thanks for their accordion and saxophone numbers which were excellent. The magician who pulled eggs from a little boys ear and found them later in a small girl's purse entertained the kids in grand style. Santa arrived on schedule, presenting each little girl and boy with a gift appropriate to their age and gender.

It was really a grand party; the officers who worked so hard to make it so deserve a vote of thanks particularly G.K. Ryan and D.G.K. Dominick Sanservino, but most of all Dorothy Ryan charming wife of John Joseph and mother of his three lovable children; Kathlee, Jack and Betty. Mrs. Ryan performed yeoman service in helping solve the purchase and delivery of the many gifts in addition to the dozen odd tasks connected with this type of affair.

INVALIDS

Bro. George Wareham we hear is suffering from two broken ribs resulting we hope from action in the line of duty and not from any marital discord. Recover in a hurry George so you will be in shape to attend the Jan. 6th meeting.

Rumor hath it that Louis Russo is spending some time at Mayo's in Rochester. Here again we hope he is up there to give expert advice and not for medical attention. Whatever the reason we hope to see him back in these parts real soon.

We're still waiting to hear from Nazareth council regarding our acceptance of their bowling challenge. Feb. 17th American League 1942 Baseball movie. Start planning now to attend the dinner-dance party the latter part of February.

NEW YEAR GREETING

Greetings, worthy brothers, fellow officers and families of this council. As the old year draws to a close and the new approaches, I would like you to join me for a few moments in reviewing the accomplishments of the past twelve months and looking forward to the opportunities presented in the ensuing year. I want you to share with me the deep satisfaction resulting from the spiritual and material progress of our council and the success attending our several social activities during the year.

A healthy increase in membership has taken place and this positive sign of a forward moving council is most encouraging. Creditable showings were made in support of the barbecue drive, Columbus Day Charity Ball, Mayslake Retreat Movement, Chicago Chapter Christmas Fund and other local activities.

For the year ahead of us, I am making only one request of every member: Enter into the spirit of things; be an A.A.A. (Active, Alert and Alive) man in the affairs of your council. You will be a better Knight of Columbus—Your council will be a better council. To each of you and your families I sincerely wish a successful Happy New Year.—John Joseph Ryan, G.K.

Early—Monday evening, December 29—is the deadline for next issue of The Columbian.

Quigley to Greet New Year With a Gala Celebration

1-3 Tues. . . . . 1035 W. 31st St..

Goodbye 1941! Hello 1942!

That's the theme for Quigley's third annual New Year's Eve Party on Wednesday, Dec. 31, at the Quigley clubhouse. But 200 persons will be admitted to the New Year's Eve Party which, of course, necessitates immediate reservations. Tickets are procurable through Fin. Sec'y John Jankowski.

The cost of each ticket is $2.50 and includes music, entertainment, a delicious turkey dinner, all the amber fluid you can consume, favors, dancing, service, etc.

If you attended a New Year's Eve affair in the preceding two years, you'll be included in this year's affair. If you havent' attended one as yet, ask one who has. The charge for this gala celebration covers incidentals. This is not a party for profit, outside of the fact that those attending find that the pocketbook profits handsomely.

ON JAN. 20TH

Quigley will send a class of candidates to Leo XIII Council club house at 820 W. Garfield Blvd., to partake in the first and second degree exemplifications. Chairman Anthony Mysilwicz urges all knights to approach their prospects as soon as possible and return signed applications to the Fin. Sec'y.

The council program has expanded greatly during the past year and the council must grow with it. Every council is above the quota of last year, and undoubtedly Quigley will be in there with the leaders as soon as all these parties have been taken care of.

OUR COUNTRY ALWAYS

G.K. Leo J. Gowryck has already conducted an officers' meeting to discuss every possible aid the membership can expend to the Nation's cause. First aid classes will be conducted at the club house for all women of Bridgeport. These classes will be in charge of Nurse Miss Kunka. Watch for further particulars.

Arch. Weber Chalks Up Two Successes in Short Space of Time

1-3 Mon. . . . . 47th St. and Karlov Ave.

Brother knights of Archbishop Weber Council, you can chalk up two more successful events for our side. No. 1 is last Sunday's attendance to the altar railing, and No. 2 is last week's Kiddies' Xmas Party.

Sunday's success was largely due to the cooperation our C. A. chairman, John Trzos, received from the reverend fathers of St. Pancratius Parish, the Holy Name Soc. Jrs., the Boy Scouts of America and the ladies in the kitchen, namely, Mrs. G. K. Jos. Nowakowski, Mrs. Czapelski, Mrs. Trzos, and Miss Ann Mazer. Before I slip up on it, I want you all to know that the altar boys were also members of the Jr. H. N. S. On behalf of Weber Council I express sincere thanks to all.

Now, as far as event No. 2 is concerned, we have Lecturer Doc Dziobski and his crew to thank. A happier bunch of children could not be found anywhere on that night than at the chambers of Weber Council. Entertainment consisted of a couple of holiday movies, followed by the amazing tricks and skill of a clown magician, Bro. W. Matz of Fr. O'Connor Council. And, believe me, that fellow Matz has plenty on the ball. I'll admit he had me stumped and I'll bet he had the rest of the crowd the same way.

The clown act was followed by group singing and then the appearance of old St. Nick himself. With a laugh and a chuckle and a shake of his round belly Santa (Bro. Walter Figura) distributed stockings filled with goodies to the children. Ice cream and soda pop were served as refreshments. I guess everyone went home happy and full of Xmas spirit.

NEW QUARTERS

At this time I wish to call your attention to the address of Weber's new council chambers. The next meeting will be held at 47th St. and Karlov Ave., better known as Gniady's Hall.

MEMBERSHIP: I just thought I might let you know that Membership Chairman John Mazer already has 20 new applications for our next degree class. Have you brought in your application for a new member? How about you officers? Don't forget that you were taxed two members for the year.

ANNUAL DANCE: What are you doing in the way of supporting Weber's annual dance? You've got the tickets now, how about seeing to it that they're paid for? I'm sure that Dance Chairman Anton Kraft will appreciate your cooperation. Just in case you don't know this, the dance will be held at Court Ballroom on Jan. 31. Music will be furnished by George Foster and his orchestra.

Illinois Will Start New Year at Meeting of Monday, January 5

1-3 Mon. . . . . 64 E. Lake St.

Illinois Council's next meeting will be Monday, January 5, 1942. The kick-off for the new year. We are not going to invite you to come down, nor are we going to call this the "kick-off 1942 meeting." We don't even appeal to you particularly for your cooperation nor do we ask you to get a new member.

Why do we address you for the last time in 1941 in such a manner? We have in mind a remark made by one of our esteemed members some three or four years ago. He said in effect that all he had heard at each and every meeting since he came into the council was the appeal made by someone for new members. At the time, of course, we were a little disapointed at such a remark but on second thought he may have something there. So you see, we are not asking you at the moment to bring in any new members. Just forget about it. We have lots of them. Modesty and the danger of repetition also retard our inclination in making too many requests. We feel there is no need for it.

This is the time in American history where everyone is more or less tensed to the need for organizations both civil and military. The Knights are doing their part in many ways, not the least of which is the supervising of the United Service Organization at 1122 South Wabash Avenue.

Elmer D. Martin, Jr.'s new address is Aviation Cadet, Replacement Center, Kelly Field, Texas.

Born to Mr. and Mrs. Gerald J. Haley, a baby girl, baptized Amy. Congratulations. This is the second child born to these happy parents within one year. Gerald advances this as sufficient excuse for his recent absence from meeting. Do I hear a second to that? Motion is carried. However, for Gerald's peace of mind, if not for the whole family, we would say that he should absent himself occasionally on the first and third Mondays.

We were glad to note that the Right Reverend Moses E. Kiley, Archbishop of Milwaukee and a member of Illinois Council, was quoted in the press as having said, in effect, that the time for praying for peace had passed and we should now pray for victory, in which we, of course, heartily concur.

Brother W. A. Coty, our worthy Recorder, was unavoidably absent from the last meeting due to illness, and may be confined to his home for a period of 10 days.

Our sympathy and best wishes go to all of our sick members who will be confined to their homes during the holiday period. We can only wish them a speedy recovery and remember them in our prayers on Christmas morning.

Our record shows that the following members are still confined to their homes: Dr. McGregor, John Gegan, Philip J. Sharkey, Arthur R. Martin, Sr., and W. A. Coty and George J. Harding.

Victoria became Queen of England less than a month after her eighteenth birthday.

Early—Monday evening, December 29—is the deadline for next issue of The Columbian.

LADIES' NIGHT HUGHES' SUCECSS

The Ladies' Night Christmas Party at Hughes Council on Tuesday, December 16, was an unqualified success. Our council has made a name for itself by the wonderful parties put on previously, but certainly there has never been a larger turnout, and the feminine friends of Hughes Council kept pouring in; indeed, Santa Claus John Korbel had to make a special trip to supply suitable gifts for all of the guests, but everybody was cared for and had a wonderful evening. Lecturer Korbel, his able assistants and everybody who had even the least bit to do with this grand Ladies' Night Party deserve the warmest congratulations.

We didn't get an exact count, but estimating the gate on the basis of other promotions we've seen, a modest guess would be that at least one hundred and fifty ladies—very likely more—were on hand. G.K. George Daly greeted these guests hospitably and there were various games for diversion—bridge, rhummy, bunco if the ladies preferred, etc. Tables were arranged in the Gothic Room of the Madison Athletic Club and there was a hubbub of conversation, laughter and good cheer, with refreshments being served later in the evening. The December 16 Ladies' Night assuredly will go down in the records along side the brilliant successes previously scored.

CHILDREN'S CHRISTMAS PARTY

Hughes Council has another big undertaking immediately on tap—the Children's Christmas Party tomorrow, Saturday, December 27, at Columbus Park Recreation Center, easily accessible from all parts of the city with every means of transportation taking you near to the refrectory at Congress and Central. Chairman Dan Harper anticipates a fine outpouring of youngsters.

The party is for the children and grandchildren of Hughes members, the youngsters to be 14 years of age or under. Bring the kiddies to this party; they are going to have a gay post-Christmas time. Saturday, December 27, 3 p. m. Judging by the postal cards returned to the Chairman, there will be a lot of youngsters to enjoy the fun, so don't have your own children miss out on this, something Hughes Council has wanted to put on—and put over in a big way—for several years. Tomorrow at 3 p. m. Santa plays a return engagement for the Hughes Kids at Columbus Park.

We trust you have already made your contribution to the Christmas Cheer Fund, but if not do not delay in getting it to Chairman James A. Ryan. D.G.K. Jim will be mighty glad to receive your offering, whatever it may be, and no amount is too modest to help assure a continuation of the good work of this fund.

COUNCIL NEWS

Bro. Ray O'Brien played the accompanied to the vocal renditions of his brother, Elmer O'Brien, at the Angel Guardian Orphanage on Devon avenue for the Christmas Cheer Fund party last Sunday. This was received with applause vigorous by the youngsters.

Let's get off to a flying start for 1942; resolve to attend every meeting of Hughes Council and actively participate in every undertaking! Begin right by attending the next meeting, Tuesday, January 6.

The Third Degree exemplification was very impressive. The new members of Hughes should carry this same enthusiasm and determination into their efforts in behalf of Columbianism and our unit. IMPORTANT—some one at the Degree exemplification by mistake took a tan overcoat belonging to one of Hughes' members, leaving in its place another tan overcoat. So that the exchange to the rightful owners can be made promptly, please communicate at once with Daniel L. Harper, Fin. Sec., 1141 S. Mason Avenue, or G.K. George Daly, 625 S. Crawford Avenue, Nevada 2465.

Congratulations to Bro. Frank Van Heule and Mrs. Van Heule, who for Christmas adopted one of the lovely babies from St. Vincent's Orphanage.

Chairman Joe Ryan announces that Hughes Council's Dance will be held on February 7 at the Graemere Hotel, one of the West Side's finest. "We are going to have a dance and it will be a wow of a party," says Joe, "so for the present give the friends of Hughes the place and date, other details will come later."

BOWLING ITEMS

With Bro. Jack Rusnak assaulting the maples in place of Elmer O'Brien on the Major squad—Elmer's attack of the gout has retreated, but O'Brien was resting briefly—the Majors did not get off to a flying start against Phil Sheridan on last Friday. The boys entered the series tied for first place in the West Division. The week before Clarence Garant had bowled a 269 game when Hughes totaled 1055, which John Meehan described as a brilliant game.

In the Council League last Friday at the Cascade Recreation at 7 p. m., the Votava Auto-Fixers maintained their two game lead when they turned back the Toomey Taveneers, young Charie Votava, Jr., tossing in a 213 game to clinch the final. Frank Bolen paced the Toomeys. Capt. Tom McDonnell of the Ald. Richard M. Walsh 36th Ward Boosters totaled 626 for a top score in the impromptu Sweepstakes and this enabled the Walsh Boosters to take two of the three games, dropping the middle one to the Peter M. Kelly Undertakers by a single pin. Roy Bergeron had a big game in the final for the Kellys and he was abetted by John Meehan and Pete Kelly, Jr. The Walsh's are in second place, but found themselves in a tie when the McKeown Cartage Co. shelacked the Ward Builder Golds. The McKeown's scored verbally and in getting pins; Art Kreutzer, whose forensics need no buildup here led the vocal barrage laid down by the McKeowns to disrupt the bowling of the Golds. The latter lost the middle game by a single pin. Bowling Commission Nick Mulroe, anchorman on the McKeowns, was high for his team, while Joe Delaney, individual league leader, paced the Golds.

Tom Dailey returned to the wars with the Lauterbach Colas, last season's champs, and Tom took up where he had left off, opening with a splendid 220 game. Despite his efforts, Malone & Clancy Morticians won a pair from the Lauterbachs, Goose Goslin pacing the M & C squad. The Ward Builder Blues and the Wm. J. Benes' Men's Furnishings had postponed their series. A fine gesture by the Cascade was distribution of pencils bearing the legend: "Member Hughes Council Bowling League.

The keen competition is evidenced by the team standing:

Mass Is Said Secretly in Basements in Poland

Lisbon.—Because the Nazi authorities have forbidden the saying of Mass in certain parts of Poland, Catholics in those places assemble secretly after midnight and participate in the Holy Sacrifice in the basements of houses and even in caves.

This is reported here by C.I.P. (Center of Information Pro Deo), which states that this intelligence has been gleaned from Polish refugees reaching here.

By their magnificent display of courage and devotion to their people, these refugees say, Catholic priests in Poland are not only bolstering the morale of Catholics, but are being looked upon as natural leaders by Protestants and Jews. In the exercise of Christian charity, Catholic priests in Poland are making real and successful efforts to aid Jews in that country, travelers report. Priests, they say, pass food, medicines and clothing in the ghetto areas and have sheltered hunted Jews.

Intellectual leaders among the Poles—and this group embraces a large number of priests—have been taken away from their fellow-countrymen by the Nazis, the refugees say. Many are dead, and others are in concentration camps.

In order not to stir up too much opposition in the Catholic world, the Nazis have permitted some of the Catholic priests to remain at their posts, it is reported.

McHale Enlists 33 Volunteers in New Donor Group

1-3 Tues. . . . . 150 W. 69th St.

Our meeting a week ago last Tuesday was another lively one. The hall was filled in spite of the fact that our members knew in advance that they would be asked to be typed so that they could become members of our blood donor group.

Chairman D.G.K. Tom Garvin had a technician (she was pretty, too) from St. Bernard's Hospital who kindly typed 33 new volunteers.

At the close of the regular meeting Lecturer Leo Wemple took charge and gave away turkeys to the following: Worthy Chaplain Rev. James Quirk, Martin Poole, Joe Sheehan, Tom Mulroy, Tom Hackett and Tom Garvin. (Three Toms won toms). From the lodge hall we adjourned to the front hall where refreshments were served.

During the course of the meeting, P.G.K. Tom Mulroy one of our delegates to the Chicago Chapter gave a report of the unusual business of the Chapter meeting of December 3rd. His report which was authentic and complete shocked each and every member who heard it. The result was that a motion was made and seconded that Archbishop McHale Council concur in the action taken by P.G.K. Jerry Sheehan at the chapter meeting in question. The motion passed by an unanimous vote.

McHale is indeed proud of P.G.K. Sheehan for his far-sightedness and his alertness at the chapter meetings. Every council in Chicago, whether they realize it or not, owe him a debt of gratitude for his courage in calling "a spade a spade." The Knights of Columbus of the County of Cook need more members with the courage of P.G.K. Jerry Sheehan.

HERE AND THERE

We understand that Bro. Ed. Usher and Bro. Dwight McKay will soon be on their way to some army camp. -.-.- The report that Bro. Frank Gustine would enlist in the navy this week was in error. He does intend to join the navy when he has completed some business that requires his attention, and that may take several months. -.-.- We thank Bro. James Kittrick, chairman of Fort Dearborn council's blood donor committee for his assistance at our last meeting. -.-.- The Fourth Degree Club of St. James council announces their New Year's Eve Jamboree at the Hayes Hotel, 64th St. and University Ave. Tickets $4.40 per couple and that includes all beverages, food, favors, etc. For reservations call our old friend of basketball days, D.G.K. Tom Groark, Wabash 0460 or at home, Stewart 7899. -.-.- Gee! were we pleased to see Bro. Frank Carey at the last meeting, we were beginning to think he was lost. -.-.- Some night Bro. Tom Cronin and maybe Bro. Frank Blake will surprise us by coming to a meeting. -.-.- I hope that all of our members had a Merry Christmas and I wish each of you and your families a Happy New Year.

"BOWLING NEWS"

Due to the early dead line of the Columbian we are unable to publish Monday nights results. Plans are being made for the entering of our teams in the State Bowling Tournament. McHale is looking forward to seeing their loyal sons roll up some good scores in this popular event. Chairman P.G.K. Bill Collins and his committee consisting of P.G.K. Barney Perona, D.G.K. Tom Garvin, Fred Berta and Chas. Cotuno are working very hard to see that all the boy's are entered and have all the comforts of home. Every member of our council is invited to come down to the C.Y.O. alley's and enjoy this night with the boys. Bring the wife and family along.

President Tom Garvin and the officers of our bowling league extend to the bowlers and their families the best of everything for 1942.

We all are grateful to the fine work of our Treasurer Leo Kareiva, who is doing as always, a grand job. It is quite a task to get around and collect the fee's and at the same time try and keep his mind on his own bowling.

Blue Island Digs and Digs for the Column You're About to Read

1-3 Tues. . . . . Gregory and New Sts.

These holiday schedules are a worry to the Scribe. It seems like all the members are too busy giving and receiving Xmas packages to have any news for the column. Well, let's see what we can gather from our little black book. The good nuns of St. Benedict sent their thanks for our bit toward their new radio. Glad to be of some help is the council's reply.

Bro. Homer Contu says hello to all, and season's greetings. Received word from Bro. Bob Harmon and Father Pensabene and both wish all a Merry Xmas and Happy New Year. It is not too late for your Xmas cheer donation. Get in touch with P.G.K. Gaboriault.

At our last meeting were some of our members whom we haven't seen for some time. For instance, Joe Falk, Bill Gaertner, Fred Klemmer, Harry Schuneman, Frank Daly, Sr., Norman Roulo, and Clarence Heckler. Come again, fellows.

Don't forget to pay your dues. If you wish to help the "Cigarettes for Yanks" drive you can still do so. Say, brothers, the south side councils are making it easy for you to celebrate New Year's Eve at a reasonable price. St. James Council, 4th Degree Club, is having a party at the Hayes Hotel starting at 9:30 until ???

The tickets are $4.40 per couple and include beverages, refreshments, food, favors, ice setup and table service. Call Groark at Wab. 0460 or State 7899; Burke at Sag. 0361 or Rad. 0750 and Dr. Strobel at Went. 3005 or Bev. 7619.

For the above, Jack Green, I should have a ? okay; you catch, eh?

LAST MEETING

The lads sitting in rear of the hall at the last meeting needed hearing aids. The "guards" made more noise than the passing trains on the R. I. The chairman of the membership drive, Bro. Tom Parsons, says things are shaping up nicely and soon the signed apps. should start rolling in. We need men and young men for our ranks. Any Catholic man is eligible. Sign him up now!

Bro. Lowell Fraser, Al LaRotonda and Tom Parsons are going to have a party for the Scouts in the basement of the church. The Scouts have wonderful rooms in the church basement and welcome visitors.

The 4th Degree Club of B. I. Council are going to have a large class for the big day at the Palmer House on March 1. The club met at Dick Walsh's house last Friday evening and had a fine time.

Bro. James Coffey, 1st Class Private in the U. S. Army, sends his hello and best wishes.

To Bro. John Baran and Mrs. we say congratulations upon birth of an heir last week.

Bros. Hans Hansen and Chas. Wolf are the latest members to join the "Year In Advance Club."

BOWLING: Santa delivered Jim Hickey's present last Wednesday in a three-game victory over Marks. That "collar" mentioned in an earlier column fits the Marks team also. Happy New Year!

Among the list of deceased members of the past year as announced in our recent letter to the membership, the name of John Meehan was inadvertently omitted. Brother Meehan passed away this year and will of course be remembered in our Communion services this Sunday with the other deceased members of 1941.

Early—Monday evening, December 29—is the deadline for next issue of The Columbian.

Brownson Kiddies Will Have Christmas Party Next Sunday Afternoon

2-4 Fri. . . . 4754 N. Western Ave.

Next Sunday afternoon between 3 and 5, on the second floor of 4740 North Western Ave., Santa Claus will pay a return visit to the children of our members at Brownson's Annual Children's Christmas Party. Close to 175 kiddies are expected to be present to see what Santa will have for them. .

So that no child will go home disappointed, Lecturer John Hanlan and his committee have been working hard during the past week to make this year's party the best ever. The daddies, mothers, grandfathers, or whoever will bring the children, are urged to see that they are present about 2:45, or no later than 3 o'clock. This is the way Santa wants it, as he has another group of children to call on after he leaves our party.

If you read this prior to, or on Dec. 26, remember that tonight's meeting has been suspended. Our next meeting will be on Friday, Jan. 9, so include in your New Year resolutions to be more regular in your attendance.

BLOOD DONORS

During the past several months our blood donors group has been called upon a number of times, but as we have no record of the number of transfusions that have been given, Chairman William Herdegen would appreciate a call from all those who have volunteered and been accepted giving him the name of the person, the hospital, and the date if possible. Bill's number is Diversey 1505.

BOWLING: During the holiday season the Council bowlers get a three weeks' vacation, but that does not mean that they will forget about the game. Right now they are busy with plans for their annual spring dance to be held on St. Valentine's day, Feb. 14, at Gross Park Hall. The bowlers are working hard to get ads and patrons for their program, the proceeds of which are used to send eight teams to the K. of C. Nat'l Tournament in Cleveland on March 28. Whatever help the other members of the Council can give will be greatly appreciated by all the league.

SEASON GREETINGS: The Council and the officers extend to all our members and their families sincerest greetings for a very Merry Christmas. May peace, good will and cheer abide within your homes this Christmas tide.

Oak Park's Pin Men to Have '90 Doubles' Party on January 25

2-4 Mon. . . . 641 S. Scoville Ave.

The 90 Doubles Bowling Party has been set for Sunday, January 25. This annual mid-season celebration and exhibition of skill is based on a Doubles Bowling Tournament which derives its name from the rule that all handicaps are based on 90% of the difference between 200 and the bowler's regular average for the season. All members of the council, whether regular members of one of the league teams or not, are invited to the competition.

Since it is a two-man contest, the members should look around now for a partner with a low enough average and a high enough ability to be sure of bowling away over his head on that particular day.

A complete "Smorgasbord" with lunch and everything is included in the entry fee of $1.00 for the "90 Doubles".

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Be at the clubhouse on that Sunday afternoon.

The Kedzie Coal team is still on top in the council bowling league. Brother Mike Ryan had better come down to see his team while it is leading the league. Some of the other teams think that they are going to push their way to the top of the pile and displace the Kedzie Coal gang.

The team standings are as follows:

	Won	Lost
Kedzie Coals	24	12
Koehler's Grocers	20	16
Casa Nova's	19	14
Refiner's Pride	17	13
Stiel's Tailors	10	23
Smith's Morticians	9	18

The Sunday Morning Bowling League is open to all members. Drop by the clubhouse after Mass on Sunday for some pleasant exercise and companionship. There is no regular league bowling then, so every member can bowl. As one good brother put it, "It's open to all the brothers—steamfittters and guys with brains are both welcome."

Some interest was expressed among the brother knights to know if Brother Milt Frigon still has his lease.

The council extends its sympathy in his illness to Brother Bob Carraher and wishes him a speedy recovery.

ewman Saddened by Recent Death of Daniel McCann

1-3 Thurs. . . . . St. Mary's Hall

We mourn the passing of Brother Daniel McCann, a Past Grand Knight of Hildebrand Council and for several years a valued member of Newman Council.

His death occurred at St. Francis Hospital on Tuesday, December 16. The funeral mass was held at ten o'clock Friday. It was sung by his nephew, Rev. George G. Kearney, assisted by Rev. John Wall as deacon, and Rev. Cornelius McGillicuddy as sub-deacon. The Very Reverend Msg'r Frederick Hillenbrand preached the sermon, calling attention to Brother McCann's great interest in St Mary's parish and in the civic affairs of Evanston.

He was a member of the LaSalle Assembly Fourth Degree, and a past president of the Chicago Chapter. Back in 1888 he was instrumental in organizing a conference of the Society of St. Vincent de Paul, in St. Mary's parish, and for 44 years he served as president. He retired from this office in 1932 but continued to interest himself in its charitable work.

Brother McCann was a rare character, always keen and alert, with great executive ability. A task assumed by him was always well done, with great attention to all details. His last effort for Newman Council was the program prepared for the farewell reception to our former Chaplain, Bishop Francis J. Magner. He took great pride and pleasure in arranging this memorable affair.

His was a strong faith, for which he would give his life. He was deeply pious, and the Church was his home. St. Mary's Church, and many other religious institutions were the beneficiaries of his generosity.

Newman Council extends to the relatives of Bro. McCann a message of sincere sympathy in their hour of sorrow and we unite our prayers with theirs for the repose of his soul. May he rest in peace.

LAST MEETING

At our last meeting valuable gifts were presented to a large number of "lucky" brothers. Afterward we were favored with movies of the orphans at St. Mary's Training School of Desplaines. From the comments of those present they were very impressive, to say the least. We are thankful to Father Garrity and D.D. James M. Corcoran for these splendid pictures.

CHRISTMAS CHEER: This will be the last time we will mention Christmas Cheer this year, so if your activities of the past few weeks have made you forget your contribution to the Chicago Chapter Christmas Cheer Fund, do so NOW, as it is not too late.

KIDDIES' CHRISTMAS PARTY: "On to the Christmas Party" is the Santa Claus yell of Newman children. Santa and his reindeer will descend the chimney at St. Mary's School Hall at 2:30 p. m. Sunday, December 28.

We have somewhere in the neighborhood of 400 members in Newman Council. A great majority of you are fathers with children of Santa Claus age. Others of you may not be fathers, but have little sisters and brothers. All of these children are welcome to the party. Remember the time, date and place: 2:30 p. m. Sunday, Dec. 28, at St. Mary's School Hall.

NEXT MEETING

Our regular meeting of January 1 has been dispensed with due to New Year's. Therefore, our next meeting will not take place until Thursday, Jan. 15. Details regarding this meeting will be published in a later issue of the Columbian.

MEMBERS AND MEMBERSHIP: As the close of the year rapidly approaches we trust that each Newmanite is bending every effort to procure as many new men as he possibly can. We can only hope that you heed the appeals of G. K. Walter Gehant, and Clifton Dalton, chairman of the Membership Committee, in this regard.

We are nearing the half-year mark and we have made over fifty per cent of our quota. This is a remarkable record and those responsible are to be highly complimented. However, as the last half of the year approaches we must not let down on this drive but must keep up the old spirit and put our Council over the top again.

BOWLING LEAGUE

On Tuesday, December 16, Fitzgeralds and Altens met in a battle for first place. Fitzgeralds took all three games and left no doubt about leadership as we go into the new year. In the other matches, Ridge Cleaners won 2 from Hebsons. Menkes won 2 from Corcorans, Schaefers won 2 from Meister Brau, and Bells won 2 from Davis Candy. No bowling until the Tuesday after New Year's. Standings are:

	W.	L.		W.	L.
Fitzgeralds	22	11	Davis Candies	17	19
Menkes	21	15	Meister Brau	17	19
Altens	19	14	Ridge Clnrsh.	18	21
Schaefers	22	17	Corcorans	17	22
Hebsons	16	14	Bells	14	19
Smiths	16	14	Keefers	11	25

Once more we raise the lament of the scribe. Please send or phone us some news. Writing a column without any news is like making a pie without any filling. It may look all right from the outside but it has no flavor. So it goes with the scribe, and we wonder sometimes what a scribe is supposed to use for filling. Are all you members of Newman of Scotch ancestry? When it comes to news you wouldn't give a fellow brother the time of day. Did your phone ring once, Scotty? I doubt it.

To the first brother sending in a news item, I will personally see that he is presented with a green ticket good for admission to a local radio program, and I will assure you District Deputy Judge James M. Corcoran will be pleased to see you. During the month of January, Past Grand Knight Ken Lawsoin has graciously consented to be our scribe. Let's give Ken the help he so rightly deserves. A JOYOUS HOLIDAY SEASON TO ALL. TAKE IT AWAY, KEN.

St. Pat's Children in Gala Christmas Party with All the Trimmin's

1-3 Tues. . . . . 6 N. Hamlih Ave.

On Wednesday, December 17, St. Pat's in giving their annual Kiddies' Christmas Party was host to a large crowd of gay, laughing and excited children. With cries of delight they watched the "Our Gang" kids go through one of their comedies on the screen, also a Santa Claus movie depicting his helpers, workshop and deliveries with his famous sleigh and reindeer, an interlude of Christmas music, following that they thoroughly enjoyed a puppet show.

Santa Claus then made his appearance and what screams of pure delight greeted him! Instantly the young ones lined up to make known their desires. (No doubt every adult in the hall wished he could have returned to those glorious childhood days of Christmas time.)

Refreshments were then served, after which each child was given a package of gifts which will give them many pleasant moments in the future, and so home to bed to dream of the great day yet to come—.

Now we come to an important item — an acknowledgement. This wonderful and well organized party didn't just happen. St. Pat's, through Chairman Joe De Frank, gives grateful thanks to the following for their tireless efforts which made the party the grand success it was:

Bro. John Burke, co-chairman, who gave unstintedly of his time and effort. D.G.K. Wm. O'Connell. Sol Guinta, who so aptly filled the role of Santa—without padding, of course. Bros. Ed Scully, who operated and donated use of his movie projector. P.G.K. Al Thompson, through whom we secured the puppet show. Bro. David De Frank, who provided transportation for the puppet-show performers and trappings.

Tom Scully, Sam Ambrosia, who with Sol Guinta furnished the musicians. Bro. Jim Ragona, P.G.K. Ray Bennish, Chas. McFarland Sr. and Jr., Past Fin. Sec. Geo. Altier, Mike Fiorito, Sam Pellicone, David De Frank (Joe's cousin) — confusing, these De Franks — Tony Pallato, Johnny Nolan, Herbert Helmanson, Emilio De Stephano, Walter Carbonnel.

Also —

To the able puppeteers — Betty Mae Troy and assistant, Marietta Kayon.

Emergency Radio for the use of radio and phonograph.

Musicians Dolores Revicca, accordionist, and Sam Bonnelli, guitar.

National Paper Co., who supplied paper bags in which the gifts were packed.

— and to all those who unwittingly may have been omitted.

MEMBERS YULE PARTY

At our last meeting our Worthy Lecturer John O'Shaughnessy surprised the members with a supply of Fannie May Candies. The lucky brothers who took them home were: Bros. E. Stephano, T. Milford, F.S. John McAuliffe, Dave De Frank, Mike Conroy, Jas. Marinello, Art Maloney, John Keating, Chas. Basile, Cornelius Murphy, Joe De Frank, Wm. Chappell, D.G.K. Wm. O'Connell, Charlie Caprio, Ed Sheehan, G.K. Tom Cregan, Sam Ambrosia, Ross Felicia, Frank Damato, Frank Bordegan, M. Fiorito and Geo. Altier.

Report on the meeting itself will be given in next week's column. After the meeting John had the usual lavish spread of refreshments, the members breaking up in small groups. It indeed was a fine gathering and all enjoyed themselves.

Don't forget, Brothers — buy Defense Bonds and Stamps.

Greater Use of Radio Urged

Catholics are not using the radio as much as they should, asserted Edward J. Heffron, executive secretary of the National Council of Catholic Men, producer of the Catholic Hour. Calling radio the best possible means of reaching the non-Catholic mind, the speaker said that every commercial radio station in every community should carry at least one Catholic program on its sustaining time. "If they do not," he said, "I am afraid that in nine cases out of ten, you can lay it to the fact that Catholics have not sought radio time or have not sought it with sufficient persistence coupled with a knowledge of their rights and a readiness to offer a good program."

St. Cyr Prepares For Annual Party on January 10th

1-3 Mon. . . . . 1609 N. Halsted

St. Cyr's highly celebrated and renowned cabaret party and dance will soon be with us. For on Saturday evening, Jan. 10, our council will contribute its bit for national defense in upholding the morale of the domestics, with a big blowout—an affair which each year causes all to forget their worries. Preparations having been going on for three months and, according to reports from D.D. Chairman Marco DeStefano's headquarters, the situation is well under control. Very soon assignments will be given to the various members of the committee concerning their duties that night.

Erie Clothiers and Cancilla Constructionists locked horns last Wednesday to decide the winner of the first round bowling tournament. What was anticipated to be a close fight turned into a rout for the Eries. They captured the first two games by a wide margin and thereby established themselves as the representatives to meet the second round winners next spring. Congratulations to Tony Ortolano, Joe Cipolla, Peter Tarara, Ernie Cusentino and Dave Falzone, and to Peter Stacey, who represents the sponsor. The final standings are:

	Won	Lost
Erie Clothiers	27	18

In addition, Mohawk Cartage, through Joe Zeno, have volunteered their team to play at 9:15 p. m. same day. If any of the bowlers are unable to make it that evening, kindly make sure someone is substituted for them.

In the session last Wednesday, Archer Glass, finishing in a blaze of glory, again captured the high 3 game with 2445 and high single of 867. For individual high scores, Joe Geraci came up on top with 3 game 603 and single 242. According to last reports the following have turned in $50 or more in ads: Joe Rubinelli, Tony Cancilla, Frank Perlongo, Pete Tarara, and Mrs. Mary Lema . . . The latter is carrying on in place of her son, John, who is in the armed forces . . .
